THE NEWS IN CAPSULE

HOWLING HYENAS: - "THERE ARE NO SAUCERS!", headlines Washington NEWS, harking back to the now famous Air Force Report of last year - the Report that thousands took as an affront to their intelligence. "House investigators asked Pentagon officials to explain Defense Department's flip-flop policies on such matters as Flying Saucers." Secretary was censured!....There is much seething at the Capital. Saucers are "symptoms" of the times, say researchers, as W.W.3 continues to rear its hideous head. Doubts, divisions, divergencies, (reaching even to "inner circles") boil up, as accelerating Humanity rolls on toward its dubious tomorrow! But **THE SEARCH FOR TRUTH IS ON!**..... The secret of life itself seems near to yielding - "its basic building blocks are now being created here out of gas and invisible light," announces Carnegie Institution. Perhaps the Human Race is filling up its cup of Planetary Experience for it is beginning to ask - "What lies beyond the Beyond?" Space consciousness is fast developing. The concept that "we are not alone" is taking root..."The trip (to Mars) can and will be made" announces "V-2" Von Braun! It is as though the heavens are a vast "screen" on which a New Dimension is coming through -- in spots! What is happening is not understood -- (the greater cannot be put in the lesser) -- no two people see the same "spots" nor see them alike. But they represent a **VISION!** And the Vision once caught, lures on, dwarfing all that has gone before! For the true Searcher for Truth **KNOWS** that beyond Man's little fears and imaginings - "**THE HEAVENS DECLARE THE GLORY OF GOD!**"

MUCH ADO ABOUT THE B-CELL! "Today's fiction is tomorrow's fact." -- Novelist Marie Cor-elli wrote much of an "electric water" that vitalized everything that partook of it; big claims that water catalyzed by the newly discovered "immortal B-cell jumps plant life, offsets floridation harm, eliminates a sludge in car radiators, brings good results from cheap gas, rejuvenates in your bath, will "renew the weary minds and bodies of the aged, will vitalize food - is key to eradication of man's deadliest diseases. Called "first step into Solar Era." "Life water vitalizes everything with which it comes into contact!" **NEW AGE, HERE WE COME!!!** More info from "non-profit chemist-re-searcher John C. Brown, 92 Miller St., Middleboro, Mass. (Small gift would help) He's busy, you bet!

Parks have 11% increase in visitors, (Great Smokies most popular) Lumbor Co's trying to share land for rustication - litterbugs & waste spotlighted as "immaturity" - "habits of a nation determine its destiny!"...Humphrey of Minn. pleads for wilderness preservation - (some animals such as Grizzly making their last stand.) D.C. NEWS "MYSTERY GROWS" re plane engines of which suddenly quit for no known reason after it had been cleared for Bolling Field Nov. 18. It made "perfect ditch" in Potomac with no one injured - shore only 75 yards away; one of 3 occupants (all experienced A.F. pilots) made it to shore. Other two missing for days, later found dead. One had 3000 hrs. of flying time & 15 yrs. experience. Other almost equal.????...A unique experiment in human engineering is being conducted with present D.C. Slum Clearance & big Urban Renewal Area now being built. Personal problems of people in the Area will be studied in this new "clearing house of human needs." (A long over-due approach! - Ed.) The WHY of slums - & analysis & help that reaches directly to the individual. At end of 3 yrs. this Demonstration Project will REPORT. Bears on New Age. "Let there be light!"

Bethesda Naval Hospital sending elec. currents into nerve trunks for blindness. Movements, emotions found subject to bioelectric signals. Animals wearing "receivers" made to exhibit fear, hunger, etc. automatically. PSYCHIC ADD-UP - FROM SEVERAL RECENT SOURCES Complete healing of all diseases on Planet Earth is being prophesied --- and "survival and revival of humanity." "Space people accomplished this long ago." "They" teach that prenatal conditions should be studied before pro-creation (just as we do now with livestock.) Coming, they say, a "G.T.O." (Global Treaty Organization.)..."As soon as the great cleansing process is over (war, flood,?) the earth will be illuminated! God's Kingdom is to be set up after the breakdown of human effort. As yet - no answer! Researcher Van Tassel, recently in Wash. has it that "Man" is a generic term for beings on ALL planets and "they" tell him prefix "Hu" indicates "killer" - meaning a kind of man that KILLS! Well, didn't Buffalo Bill kill 250 buffaloes in one day "just to see them kick!" ALL PRETTY HUMBLING!-but perhaps a dawning realization could predicate coming EMERGENCE & release from the "Prison Planet" as J. H. calls it.
