THE NEWS IN CAPSULE

From the office in the garden.

THE INTERCONTINENTAL MISSILE IS NOW WITH US! WATCHMAN WHAT OF THE NIGHT? The "old world" is marked for death. The "new world" waits to be born. Many are the spiritual "Midwives" now a'flutter with anxious activity. The "Midwives" are our New Age Leaders in every field of thought. Humanity is in the time of the "great shaking." Precedent is passe! Orthodoxy is overturning! The sword of Truth now swathes its way even between families. Some people fall a'muddle - others divine the pattern that is appearing beyond the dim horizons. Physicists, philosophers, psychiatrists, all classes of researchers are beginning to pool their knowledge as never before, looking for some new anchor of understanding. The keynote of today's method and mandate is SYNTHESIS! This is the Mental Age. Minds with the dynamics born only of YOUTH are storming the portals of the next Dimension. They are staying up nights demanding answers to questions unanswered since the dawn of History! LLP has attended such nocturnal sessions. With "righteous arrogance" they defy defeat, they are saying to Earth's Darkness and Ignorance -- "Hitherto and no further!"....Progeny of the Air Age these Young Souls are levitated. They operate from a higher focal point. They will bring through answers to questions which, in turn, will pose a hundred new ones - but thus does Man mount the Heights! Thus does he climb to Vista after Vista, driven by the urge of the very Creator that is in him! There is an Aristocracy of Spirit! These souls are the Vanguard of the Spiritual Age! They know that Time is Short!-----"There is no power on earth like a human-soul on fire!" --- I say unto you -- WATCH!

Yes, St. Francis, we have a law!---Other towns please copy.....A half Million tourists came to Washington during July!
PINNED ON THE END OF THE KITCHEN CUPBOARD - "Ideas are God's weapons of the New Age."
TRAFFIC PROBLEM Here, 40,000 deaths, mil $\frac{1}{2}$ accidents a yr in U.S.! Accident-frequency is in teenage and post-65 groups and between 12 and 6 A.M. Liquor involved in 50% of cases. Strong pleas for uniform state laws. ---Still the radio blares incessantly for everybody to buy more cars. (The only cure for the traffic problem is the yet-undiscovered FORCE FIELD IDEA around cars. -- Ed.)
