### THE NEWS IN CAPSULE

From the office in the garden.  
Knee Deep in Buttercups

TODAY TIME TELESCOPES TOWARD A NEW DIMENSION. - Man is confused for History sets him no precedent. For 6000 years Man has shown that he does not know how to run his world. He is shackled by Fear, ridden with sickness and now is so full of apprehension that near one out of ten of him is said to be mentally ill. With 900 million Christians in the world today Man is still spiritually illiterate - he feeds on feuds, he can't keep his ego in shape, he breeds too fast -- he has murdered around two billion of his own kind in armed warfare since the Moving Finger first writ! Yet on this Planet is the raw material to make a Paradise. WHAT IS THE ANSWER?....If there's one chance in a million that someone from OFF the Planet might now be coming here from whom he could learn something - that chance better be GRABBED! ....Because, Man has worked himself into the place where he now lives in the shadow of a 10,000 mile global missile, Russia and the U.S. have stockpiled 50,000 H bombs (enough to rock the Solar System, China is about to enter the race and complicate the balance of power and Dulles now makes the great defeatist announcement - "We shall have to go on living on the edge of an abyss." No wonder Dag of the U.N. told the press he "has a sense of urgency" -- TO LIVE UNDER FEAR IS NOT TO LIVE!.....But Man is beginning to awaken! The Voice of the MASSES is Rising! There is demand to end Secrecy in governments, (prime tool of Exploitation.) In London in July a Group is marching on their Government in protest of information being withheld on UFO's, (and they urge all countries to follow their lead.) Saucer lecturers are ON THE GO - one this summer is lecturing in 14 different countries in 30 days. "Saucers are the 'trademark' of the New Age." The National Health Fed. is holding Mass Meetings (to fight Monopoly in the Healing arts, poison put in foods, etc.) Nat. Assn of Social Workers calls for immediate halt of A-tests. Man's future is periled by these blasts, U.N. scientists now boldly assert. Distinguished groups in the U.S., Britain, France and Japan are filing court suits against their governments because of nuclear tests, states Wells' Newsletter - they are also filing suits against the Russian Govt. "NO NATION has the right to contaminate the atmosphere in which all men must live" they claim.....Looks as though the New Age will come in if it has to get batted in with barrel staves! \* Ed. ...Yes, there's a new light in some people's eyes. They're determined to whip things into shape on this Planet! They've caught a Vision! They intend to uncover that which works in darkness - and after that - they will fight off bombs with Beauty, they will drown groans with Great Music, they will defy Death with Transmutation. Their VISION is St. John's - "And there shall be no more Death, neither sorrow nor crying, neither shall there be any more pain, for the former things are passed away."....And the glory of the UNIVERSE is FREE ENERGY! It is OURS! It is FREE! And we are near to learning how to intercept it. There is said to be a "scale of energy" even to 'conscious electricity'! Free Energy is in Hodson's story of Sylphs - it is written into Wagners TANNHAUSER. Free Energy is LIFE. "I am come that ye may have Life and that ye may have it more abundantly."....."I say unto you -- WATCH!"

Watch for changes - which may bring many small (bug) cars, electrics, 'copters, monorail, FLYING SAUCERS, - also by-passes, loops and changed city planning itself. Economic advisers warn of Plan to make people throw everything away in 3 yrs, including cars, and replace with glossy (but poor-quality) new goods. (Secretly say "packaging more important than contents." BE WARNED..... Report says "HOUSEWIVES NEVER SO MAD AT OUR ECONOMY."

RACE PREJUDICE is a hypnotic suggestion of "Inferiority" thrown over its victims, making them carry out the suggestion by acting in a more "inferior" way than they would otherwise have done.

AN UNUSUAL MEETING was held recently at THE LITTLE LISTENING POST, a Symposium and Get-Acquainted Meeting for leaders on several "New Age" Fronts, (so much of this heads up in Washington.) To cover the Saucer Front "LLP BULLETIN" World Survey tape was played first. Otis T. SAUCER FRONT. This is SAUCER CONVENTION SUMMER. One held at Giant Rock, Cal. attracted many thousands of "well dressed, substantial looking people." Big Convention at Kalamazoo, Mich. for Mich State Fed. ("Saucerama," special music, souvenirs, etc. etc.) Another convention at Buck Nelson's, Mountain View, Mo.....One more and maybe two more coming in Cal.....Rinehold Schmidt and Director Washington Saucer Intelligence toured country in connection with the Saucer Contact and subsequent invasion of Schmidt's civil rights by authorities at Kearney, Nebr. Schmidt, instantly likable, was a poor choice for the Silence Group to pick on from THEIR standpoint, they almost sprung their own trap. Schmidt was asked how much money he would take to change his story about the contact and he replied "Not all the money in the U.S. Mint." What more proof is needed of rottenness in high places re this subject and how much longer will the people stand for it? So asks a Washington writer. All clubs are now being asked to write Cong July 4, for a Hearing. Some clubs are having "Work Sessions" - no program, just a supply of paper and stamps and are writing their letters together at club HQ. Phenomena in our skies continues, Also more mags appearing, more books, more clubs. Eleven new clubs sprung up in the wake of the Lecture Tour mentioned above. Fight between the 3-D and 4-D explainers continues - also criticism from those who cannot accept the contact stories but just keep on counting the sightings. The Biblical "time of shaking" seems to be at hand. The whole foundation on which we stand is moving. Some cannot wait to understand the future - they have to make pronouncements NOW and speak some final conclusions. The Bible is full of "contact stories" and there are again visitations. In a subject as big as this one we cannot expect to draw the picture together too quickly. More and more it looks as tho the phenomena is in "Inter-D" - but we still lack words or concepts. Much patience is in order. Who is so advanced in this subject that a little humility would no longer grace him?.....NICAP Investigations Committee reports 3411 members in 25 states - they run about 4 men to one woman, many prominent people included.....A thought to give one pause is that the Dead Sea Scrolls were brought to light simultaneously with the coming of the saucers! .....WHY?
