THE NEWS IN CAPSULE

From the Office in the garden.

*"THE WORLD IS AT ONE OF THE CROSSROADS OF HISTORY." So says Sen. Knowland. More than that, "Humanity is undergoing a planetary Initiation" says New Age Interpreter. "The conditioning process necessary for taking such a leap into the future is disturbing, agonizing, soul-searing." Man feels out toward a new dimension for which he lacks terminology to describe. Many are the by-paths that leave him confused. But "keyed to the vibratory rate of Faith" he will win! ALL LIFE IS STRUGGLE. From the vacuum of human need is born the intruding tide of New Concepts. Rocketeers still stab at the sky with the tool of "Thrust" while Free Energy, it appears, has one foot in the door. More astronomers are now willing to entertain the ego-shrinking idea of life on other planets. Old concepts are sloughing off. "The Empires of the future are the Empires of the Mind," says Churchill. Radio preachers discourse on SPACE. Nocturnal airwaves crackle with the pros and cons of New Science and things COSMIC. Humanity, face to face with THE ULTIMATE CHALLENGE, now needs more than Philosophy - it needs BLUEPRINTS. It is in need of fewer Moods and more Good Movements. It needs an exhibition of SPIRITUAL DYNAMICS that will bring the New Age rolling in.....Have you found YOUR role?

In L.A. there were 223 'killings' in 1 wk. - sheer education in crime technique! Amer. Bar Assn. and many such groups link our startling crime condition with the violence poured out on the defenseless air. This & similar things called planned demoralization of the Amer. people. Dif of opinion O.K. but in a subject as big as this one it is SMART to keep openminded. Also POLITE. YOU ARE DEALING WITH A MYSTERY. A SITUATION FOR WHICH THERE IS NO PRECEDENT: "Judge not!" IT IS A SERIOUS THING TO BRAND ANOTHER AS CROOKED, or A FAKE.....Many Clubs with sightings piled up now ask "Where do we go from here?"--The pattern is now emerging. Find the source of the secrecy surrounding this saucer subject and you find the reason for the great network of clubs now over the world today - thousands of them - and the part they are to play in our world drama. Saucer researchers, whose innate awareness has drawn them into this field head the great phalanx that is marching to bring in the New Age. Under their banner are forming those dedicating themselves to uncover all that works in darkness. Secrecy has always existed but when it chooses to use its worst weapons against a subject more dramatic, more profound than anything since the birth of Christ it has all but spotlighted itself to the fateful revealing of its lair. THE FIGHT IS ON! Find a dedicated Saucer Group and you find a spontaneous band working to release humanity from every form of ignorance, of suffering, of exploitation! Groups operate sans "orthodoxy" or much organization - Caught by a lure from the sky - a literal one, saucer sightings are to them as "searchlights" in a dark world whose beckoning beams they follow in an effort to draw earth toward heaven. Many clubs have formed, not realizing their high destiny. Now the true picture is coming into focus. Let the exploiter beware!-----SO COMES IT TO THE EAR OF THE LITTLE LISTENING POST!
