THE NEWS IN CAPSULE

*THE FOURTH DIMENSION IS SHINING THROUGH! -- Flying Saucer phenomena persists. (Ridicule regarding it has been stamped out.) Strange aerial sights are being captured by new kinds of photography. Extraneous voices are caught over tape recorders, (in one case being publicly studied in England they're like "elementals") Certain new instruments claim to be catching voices of spacemen! The Pentagon is quietly studying Things Esoteric. Westinghouse has just announced a new TELEPATHIC RESEARCH DEPT. SCIENCE RUSHES TO MEET THE OCCULT! -- THE VEIL IS GETTING THIN!.....The narrowing area between Science and Things Psychic is now a battleground where the Opinionated flaunt their disagreements. Over red checked tablecloths at two in the morning LLP has watched young mathematicians figuring, calculating, conjuring with such things as TIME and SPACE.....Today our JETS race the SUN! - The Moon, "prime symbol of the Unobtainable," gets "ever nearer."However, Man's mind has a reach that exceeds his grasp, his understanding. He wrestles with the UNKNOWN! The World is hurled onward in a fierce ACCELERATION! Everywhere there is a restlessness. Ruthless bombings of schools, churches, spell the staccato state of men's minds - the "ultra" in tempo of the Overwrought. Speed has become a demon that must be served! ----- SOMETHING must soon GIVE! -- But WHAT? ----- Planet Earth's age-old "Wavelength" INERTIA is being bombarded. ----- What happens when an irristible force meets an immovable object? What - but an -- EXPLOSION? -- And THAT ----- changes the DIMENSION.---- THAT - is where the Planet is today!.....With it there is CONFUSION! There is SUSPICION! There is ANXIETY! There is MISTRUST. There is ILLUSION -- ILLUSION SUCH AS "WOULD DECEIVE THE VERY ELECT!" There is a GREAT SEEKING. And there is some deep, unspoken LONELINESS over the world. Where, in this unprecedented SWIRLING CHANGE - is REALITY?-----Something is wrong! We are off our POLARITY! Newsweek Ed asks "Is a crime more monstrous than what TV is committing against the Amer public?" Called "planned" demoralizing & closely associated with our crimewaves. -- If you don't like it write to NBC, CBS, ABC, Mutual - all addresses "N.Y." LLP has written all, saying we're alerting our readers." -- Oh, the karma some must pay for vending debauchery to our youth via pulps, movies, TV, fornic mail! -- Ed.

Now YOU add it!.....COMING, new hospitals where patient can talk to nurse on intercom, talk with visitors on closed circuit TV, raise, lower bed, adjust shades by push button!-----NEXT, look for monopoly-busting by lay groups and, later, for some "invention" to help you stay out of hospitals altogether, egad! - Ed.....A Nat Conf on AIR POLLUTION has just been held in Washington - WONDER HOW WE WOULD FEEL IF WE HAD PURE AIR TO BREATHE! - leave the SMOG-PRODUCING fossil fuels underground where Nature cast them off & take our power from the sky (FREE ENERGY)-----Don't forget to breathe in YOUR share of FREE Energy - and live with the thought of FREE ENERGY coursing through your body.Ed.

(This Socy just held meet with 5,000 present - 20 yrs ago such men were considered "characters".).....The space concept is enlarging in the human mind - the mosaic is beginning to show a pattern, to show the LOGIC of life on other planets. But Irascible Earthman jogs ahead with the usual creaks, groans and growls, and the Military gloat, "the next war will be fought in Space." Last summer Congress passed a law creating an Outer Space AGENCY under civilian control & both houses demanded Space be for peaceful uses ONLY. Sen Johnson has just emphasized this to the UN.....Maj. Keyhoe promised at a recent NICAP meeting "something big" when Congress gets back.....More proof comes to LLP that Russia now may have a manmade saucer. EXTRA! EXTRA! -- STARTLING NEW SKY PHENOMENA SHOWING UP FOR CAMERA!

LLP subscriber Rev. Tom O'Neil, Box 996, Southern Pines, N. Car., is sending us many amazing photos - one just taken, mid-afternoon of a clear day, is reproduced below. Taken with a Polo Filter, 60 sec, F 5.6, Rolleiflex Camera. Objects not visible to the eye -- he just keeps shooting the sky around his home at beautiful Southern Pines, catches one or more objects about once in a doz random shots. He does all his own developing. "It is thrilling beyond words," he writes. "There is nothing -- absolutely nothing -- like taking a picture of a UFO."

Even tho he uses black and white film, delicate colors are now showing up on the photos! THIS does not happen when processed by a professional photographer. He has put this angle to the test. Photographers have no explanation for his pictures. The Polo Filter cuts out light reflections and stray rays. The Fayetteville Observer of Nov. 3, which reproduced one of the photos, calls it "remarkable."

Rev. O'Neil hopes others will "start shooting" in a similar way and report their results to him, for comparative study.

It is the policy of THE LITTLE LISTENING POST to keep close to science. We are alert for BREAKTHROUGHS on the Scientific Front. THIS MAY BE ONE OF THEM! Here is a real chance for MANY to take part in an objective experiment. LET'S GO!

(Next may come photographing of what actually takes place at demise -- so the world will no longer have to take the word of individual clairvoyants and mediums for it! LLP has already seen some such photographs.) WE LOOK FOR REVELATIONS! WE ARE IN THE PREDICTED TIME WHEN "NOTHING SHALL BE HIDDEN THAT SHALL NOT BE REVEALED."
