Announced flight attempt (Okla City, Apr 19 at which hundreds were on hand) failed due to fact Inventor CARR was in the hospital from overwork, there was faulty wiring & the center utron accumulator burst & spilled the electrolight all thru the ship. Next attempt soon. Much impetus being given whole subject by 45 ft earthbound saucer which gives the public simulated rides to the MOON. First one stationed on big hiway near Okla City; more models to be built and used for educational purposes in numerous places. WATCH THIS UNPRECEDENTED GROUP PIONEERING IN FREE ENERGY!

*THE FLYING SAUCER SITUATION: Any way you look at it, the Saucer subject is still a mystery-a mystery without precedent! Yet in the minds of many individual researchers the pattern and purpose becomes clearer. All Saucer Bulletins from everywhere continue to report the phenomena in their areas and most publish photos. Has published 32 books already, 2 more coming this yr!-thinks Russia may get a man to the Moon in '59, has article in recent HOLIDAY on Saucers-says he now knows what they are! Says No War unless an "accident"-still doing skin diving--LLP warned he'll get bit yet!...One night a Flying Saucer was "modeled" for a Group in the LLP JIGGS ROOM, almost, we understood its propulsion!--everyone all eyes and notebooks!...Since our last issue FIVE different friends have reported here that they are themselves working on Flying Saucers-hail from D.C., Oreg, Md, N.Y., Ill...Lightning is Energy. And it is FREE. Who is to say Man, today, cannot harness these Forces of Nature! AND WHO IS TO SAY THE WAYS AND MEANS FOR THIS WORK SHALL LONGER BE WITHHELD!!..."Delegation" from Okla City strode in at midnight one night and over cheese snacks and coffee gave great briefing of work going on in their "Sector"...One morning a visiting official from the Indian Government came out and had coffee with us. Interested in Free Energy for his country. Is working for the New Age--explained to us India's "Non-resistant policy"--they do not fear war-say India is STRONG-and "the strong do not fear." Says Indian women do not work-stay home with family. Delinquency nil - says much lack of electricity there makes India ripe for introducing Free Energy... A visit one day from charming Gordon Allen of Salem, Oreg. Editor SPACE-CRAFT DIGEST -controls ½ doz radio stations-all plug Saucers (of course), presented us with copy of his new book SPACE-CRAFT FROM BEYOND THREE Dimensions, \$3.50, contact him Station KGAY Salem Oreg. He's going places - incidentally to Switzerland for more freedom to work on his version of a Saucer...One morning a wire came from a geologist in Utah. "Can you meet a Scotchman at the Airport at ten tonight?" We met him-wonderful Alec McInnis, all New Age and with the breath of bonnie Scotland still clinging to his tweeds. His project-"EXULTATION OF FLOWERS, seems half way between 3-D and 4-D. "Flowers have horoscopes, 4-day periods each yr when their radiations are highest. Flowers are brought to him from all over world by plane, he preserves their catalytic radiations for HEALING & for plant stimulation & growth. "Tests Prove." Getting 3-D recognition for distribution.-Alec says that IS a Loch Ness Monster, he's SEEN IT!-subterranean passage to Sea thot to be the explanation...One wonderful day with Margaret Storm, author RETURN OF THE DOVE, lunch & a visit to Washington's huge annual FLOWER SHOW, home for a break, dinner, later joined by man who is an inventor and SUPER-researcher from Cal. utterly "New Age", had been in the east 6 mos collecting every kind of date, in files that were neatness itself-specializing on HISTORY of Free Energy-findings show the subject to be RISKY-Powers that Be don't want it, Big Bribes to keep it from the people-he's ALL SET TO PUBLISH Findings-ready to show the sword whenever necessary-KNOWLEDGE IS POWER!--told us of his "Space-Couch" (under certain kind of Energy-Cone, gravity CEASES-one can lie in mid-air, says you have no IDEA how restful it is away from pull of gravity! Related his contacts with well known scientist who teleports-"can now teleport rabbits & bring them thru alive."--Greatest of all was his acct of visit to Mountains of Ariz 6 mos ago, invited to drive there by a L.A. man he knew.(Space man?-Ed) Reached small remote road then, car & all were suddenly underground (as tho matter passed thru matter) found himself in BEAUTIFUL place 7 stories DEEP, shaped as tho inside a huge eggshell-known as SECRET INVENTORS-spent whole day examining it, also huge corridors ran off from it as spokes from a wheel, no elevator, rather a kind of floating from floor to floor, no SOURCE of illumination yet beautiful GLOW everywhere, filled with busy happy 3-D people, a restaurant where he ate, a LIBRARY (Adamski's F.S. HAVE LANDED was there)-many rooms where people worked over Drawing Boards! He took pains to ask if this was supposed to be kept secret, the Ans was "No. ...MANY NEW INVENTIONS ARE COMING THRU. THE TIME FOR THEM IS HERE!" Incidentally this man drives his car mostly on WATER instead of gasoline. It was 5 A.M. when his car rolled away from The Little Listening Post after which we caught a few hrs of enchanted, "other-worldly" sleep...FREE ENERGY WOULD SEEM TO BE THE "HINGE" ON WHICH THE NEW AGE WILL SWING IN; Reports of it are popping up like mushrooms! One report says we're not far from the day of the "Space-mobile"- (family saucer)-recalls Scientist Tesla's warning against stringing phone & power lines-said they'd only have to come down!--WHAT WILL ALL THIS DO TO OUR WORLD'S ECONOMY??? Higher sources state the CHANGE will be brought about in an ORDERLY fashion. LLP owns a strange esoteric booklet printed over 40 yrs ago describing present times-"They" are watching over world's Economy.
