***EARTH MAN'S SCIENCE HAS NOW SPANNED SPACE! - ANNO DOMINI 1959!** When the 850 pound ball lit on Luna within one minute of schedule that sunny Sunday afternoon Sept. 13 a New Era began. Contact had been established! Small matter to the Moon whose flag was inside. The whole Space Concept dwarfs Earthly boundaries and puts the genius homo in his proper perspective. THAT, points out Arthur Clarke, is why space travel is now a necessity. Man seems about to prove objectively if there is a waiting Brotherhood among the Stars! Ever more thousands have no doubts! They have turned toward fitting themselves for the staggering new relationship. "The golden rule in Space" is a phrase now associated with Andrew G. Haley, erstwhile head International Interplanetary Fed. EARTH is the place to get practice for this Brotherhood. That's why Man is in this slow-up frequency - till he LEARNS. But the Space CONCEPT now gives him a new incentive. Yes, Humanity is coming HOME! Earthians are being born out of the Egg of Night - opening their eyes on sights they do not understand. Brain cells are stretching. There's a prying and a Pushing that leads out - Out - OUT!....."Hold fast till I come." Hold fast till the larger Understanding dawns. This suffering PRISON PLANET groans with the birth pains of a New Day. A cry within the heart of Man bespeaks some "fulfillment of time".

"I AM HOMESICK! HOMESICK FOR THE LAND I HAVE NEVER SEEN!

FOR THE LAND WHERE I SHALL LOOK HORIZONTALLY INTO THE EYES OF MY FELLOWS.

.. THE LAND WHERE EQUALITY LEAVES MEN TO DIFFER AS THEY WILL.

THE LAND WHERE FREEDOM IS BREATHED IN THE AIR AND COURSES IN THE BLOOD.

WHERE THERE IS NOTHING OVER A MAN BETWEEN HIM AND THE SKY.

WHERE THE OBLIGATIONS OF LOVE ARE SOUGHT FOR AS PRIZES.....

THAT LAND IS MY TRUE COUNTRY. I AM HERE BY SOME SAD COSMIC MISTAKE -

AND I AM HOMESICK.

...Ernest Crosby -

HAVE LANDED, it seems only two have succeeded, "These give no more nor less than THE SECRET OF THE SPACE SHIP'S PROPULSION". APPROACH prints record of a contact in Mex "which Mex govt has studied 3 yrs" - a Mex farmer (former prof at Mex U, name withheld) took over father's farm, employs 200 people, Space Ship came, 2 men got out, stayed in him home 4 days, then persuaded him to visit Venus, he stayed on Venus 4 days, brot back pictures, sketches, loaded Saucer with gifts of his produce before it left. There are 6 mil people now living on Planet Earth 'preordained' to 'see thru' Earth's gigantic struggle between Good & Evil and birth the New Age. Catapulting toward a whole new OCTAVE is no small matter in MAN'S LONG HISTORY. People can fight all they want to just so they fight over PRINCIPLES (that's healthy) and just so they leave individuals' names out. (which used to be laughed at) now has 5000 members over the world.

Our teeners have been raised on a Diet of Crime, via our mass media (TV, etc. which the average child watches 3 hrs a day) They're only imitating what they've seen! Why be surprised? The cure is via the same Media - MAKE THE OPPOSITE "LOOK SMART!" As is, Crime puts money in the pockets of Producers. Then it takes more of our money mopping up the Crime thus created and feeding criminals in Correction Houses and Jails. In Russia, we hear even Crime TOYS are verboten! -----What's the matter with our Sociologists? And with our Psychologists of all things? If they ever heard of the LAW OF IMITATION why aren't they harping on it in this connection, egad! (And a couple more egads!) - Ed
