THE NEWS IN CAPSULE

**\*HUMANITY IS ON THE CUSP OF THE NEW AGE!** All things are overturning! Man is on the prowl! He has torn apart Nature's Building Blocks; he has measured the 45,000 mi crack around the Earth's surface; he has groped 7 1/2 miles down into the Ocean's cavernous depths; October 7 he photographed the other side of the Moon! -- However, on Thanksgiving Day the United States Air Force, in a few moments, pitched 7 million dollars into the Atlantic via another Moon Rocket that failed! -- Perhaps the lesson in these continual faux pas is that AMERICA's "high" destiny is not Rocketry but first of all **SPIRITUAL LEADERSHIP!** (Also, a power far superior to Rocketry is on exhibition in our skies.) Before Earthians are fitted for SPACE they may well clean house! America with its "melting pot" heritage is best fitted for this Leadership, and in solving the world problems involved in Human Relations. For withal, everyone is aware of some big Confusion and there seem to be as many impasses as there are people! America's very **COHESION** is the target for Destructive Forces. Lincoln warned "If this nation is ever destroyed it will be from within, not from without." At a Scientific Congress held in Washington a decade ago it was stated that for the next 50 years the great surge of Science would be in the direction of the **SOCIAL SCIENCES**. America is best fitted to ferret out and fling wide the gleanings of Experience in this most complex of all Sciences. At long last the BASIC subject of Birth Control is in the open and in politics! NBC said November 11, "Birth Control is gradually becoming acceptable to the Catholic Church." This sounds portentous! Eschatology is shining through! Heretofore hunger, pestilence and mass murder have been relied upon to keep earth's population in bounds. Scripps Howard editorialized Nov. 30, "In this enlightened age, the spectacle of millions born to a life of misery and hunger no longer is tolerable." It is on such **FRONTIERS** as this that we should hear the stately tread of Uncle Sam! **WHILE THERE IS SUFFERING ON THIS PLANET THERE IS WORK TO DO!** - "I AM COME THAT YE MIGHT HAVE LIFE AND THAT YE MIGHT HAVE IT MORE ABUNDANTLY." Next, we must have a change of attitude toward that which appears to be coming to us **FROM SPACE**, instead of the studied arrogance so far exhibited in places of appointed leadership. We who would cleave the Heavens must first clean the mud from our wings!

Goodell writes they have started a CREATIVE RESEARCH LIBRARY IN L.A., have collected much on Color, Music, Flying Saucers, Nutrition & other New Age subjects - they also display LLP - PROJECT SOUNDS WORTHY OF COPYING IN OTHER CITIES! This "listening post" notes with some alarm a shrinkage of NEWS on Radio & TV, less time & more chopped with ads. - 24 Daily papers have died since 1950. Now, in near 95% of our big cities there's no competing Voice - papers under SINGLE ownership, says Newsweek. This sounds OMINOUS. Be ALERT! WEIGH! MEASURE! Voice your opinions to newspapers & your radio & TV Stations. Demand higher quality entertainment and MORE NEWS. Many are weary of gun-slinging on TV and of blatant sex songs on Radio. Another raise in POST-AGE coming. 'Something' seems trying to get us where it can pull the strings. GUARD THE CHANNELS OF COMMUNICATION!!! They are our life blood!

\*THE SAUCER SITUATION TODAY: Yrs ago Dr. Meade Layne of Borderline Sciences said - "We may come into a psychic era." THAT WE HAVE! In these CONFUSED TIMES more and more people are turning to it in hopes of some explanation and sense of "DIRECTION." With Flying Saucers STILL a Mystery much on the subject is coming from Esoteric sources. The Truth PROBABLY lies BETWEEN the two fields. The complications & Misunderstandings in many Groups seem due mostly to psychic or Esoteric material not being LABELED AS SUCH. SOME of this material is filled with ALARM & some of the more excitable "acceptees" have sold their homes - one reportedly laid in several thousand gallons of fruit juice! When nothing happened they're ready to SUE THE SOURCE! We're adjured "TRY THE SPIRITS!" All have a right to their Visions, Mental "contacts" & inner "Experiences" but nearly all such things are necessarily 1-person "episodes" & when such things are mixed with OBJECTIVE RESEARCH - WITHOUT FIRST BEING CLEARLY DEFINED FOR WHAT IT IS, it leads to much confusion! Also, with a FEW, the SPACE Concept has proved so UN-inhibiting they have gone in for "Free Love." This causes break-ups in a hurry. Also, some Groups have arisen who thot to SWEEP the Saucer Clubs all under one head! This never works! The thing is too individualistic! It reminds one of Jesus' saying "I come not to bring peace but a sword." We seem to be in the Biblical "Time of Shaking." It is conceded now that the question is, not "Are They HERE, but ----WHY???" "HOLD FAST TILL I COME."---What is ----IS! And Man's OPINIONS do not change it. GOD IS STILL IN HIS HEAVEN. Neither have any the right to judge the MOTIVES of others & say WHY they tell such things - their convictions, even the wrong, might be honestly held, based on their degree of understanding. ONLY GOD SEES MOTIVES!..... NICAP states "An organized A.F. campaign is now in full swing" Also, "A new A.F. Regulation tightening censorship." This is why you don't read the sightings in your papers. But the Bulletins are full of them and many landings and near-landings! A visitor from Cape Canaveral told LLP "Saucers are so frequent there during firings that they no longer pay any attention to them." There have been sightings in Portugal, "SAUCER OVER GERMANY" is one headline, in N.Z. a Saucer one early morn hovered low over field as woman was milking cows, occupants visible in dome." Many over Brazil. Many now showing greenish light. Some pointing beams of light to the ground. "Many wobbled." There is "much proof" Saucers SHUN SHAFTS OF LIGHT POINTED AT THEM - there's now a plan a'foot to "force one to land by triangulating searchlights on it & jets coming in from all directions so it will have no way to "take off." WATCH! CAN one be outwitted???

In N.Z. a Saucer followed a jeep 15 ft overhead then blocked jeep's path by perching on hill just ahead - but as jeep climbed hill jeep's lights hit it & it FLED. Queensland's magazine LIGHT carried 12 pgs on Papua Episode, witnessed by 36 people including a Brisbane Uni-trained priest, Fr. Gill - 4 luminous figures in Saucer waved to those on the ground - who waved back. Fr. Gill's careful diary-report as he wrote it just after exciting event, is available....Sept 5 a "Thing" was seen by thousands over S.&N. France & S.&E. coasts of Eng, evaded Radar - so big, said Capt Baily "it filled 1/3 of my cockpit window!" JAPAN UFO INTELLIGENCE reports boom of Saucer Material there on radio, TV, Leading Sci Mags etc. Detroit has new Group of 58...New Group in Warsaw, leader wishes to inform world his country much interested in UFO's, having large audiences there, he invites MAIL, "Mr. Zaleski, Box 1, Warsaw 97, Poland...A Youth Edu Program in Holland plans to make film strips covering all kinds of UFO material for thousands of schools there....A UFO was so close over a Va swamp that a 15 yr old hunter shot it, chum also heard shot HIT!.....NICAP holds hope of a Public Hearing on the UFO question next Session of Cong. ....THIS INCURSION MEANS SOMETHING!!! "The bounds of Knowledge are often advanced, not by professionals or savants in learned societies and associations, but by the less dogmatic and generally undistinguished amateur and lay and modest or humble investigators" says Harold T. Wilkins. It is in the nature of Man to love a Mystery. That is what pulls him ever On and Out.

\*PHENOMENA FRONT: A radio technician in Ireland claims to have picked up on his TV set the voice of a man dead 2 yrs, "it was part of a conversation that took place yrs before man's death"!.....A family in a N.J. farmhouse being forced to MOVE due to weeks of mysterious 'thumpings' all over house said the press..... A 40 lb chunk of very hard ice fell from the sky recently in Ga, pieces sent to Bureau of Standards & Smithsonian in D.C. for analysis, scientists "very excited" said UPI.....Some esoterists saying a 2nd huge SUN will soon become visible in area of Cancer & in time ours will be a BINARY System!.....An English mag describes "ring angels" - (white sheets of light across roads in certain areas), cars "hit" yet nothing there! and in a Cal forest white blobs of light (force fields?) being photographed (see Nov CHIMES) - 5 yrs ago in Eng was published CATAclysm HAS BEGUN - it warned radio-activity might effect the "veil" (rate of frequency) between 3-D & 4-D, said veil might be broken to extent that extra-dimensional effects would manifest AND that control of them might lessen, could occur "in spots" & in a way not yet understood. Would ring angels and blobs be an example?.....A psychic source in D.C. predicts Man will get to the Moon in '60 but explains "We don't always get TIME right because we deal with 2 ends of Time, Earth time & Eternal Time!" "Much will happen in '60 that will speed SPACE relationships." Also, there's an overall "Timeing" when things are allowed to happen." Re subject of Death it was stated "RELIGIOUS teachings are responsible for Earth's APPREHENSION of it".... Recent lecturer here said "Flying Saucers are here, not for EVERYONE but for a REMNANT - 'the Remnant that remains shall be gathered together in the eagles' places" - says 'eagles' was an ancient name for Saucers. Says Earth may be on 'collision course' with a new area in the Cosmos - not Destruction but SPEED-UP. Earth grows warmer. Some in the East have remarked beautiful 'unearthly blue' of skies at times last 2 yrs.! "Earth will have a new PULSEBEAT! We will have our MILLENNIUM!" THERE IS SOME EXPECTANCY OVER THE WORLD! There are "signs & wonders in the heavens" - many are openly talking of the Return of JESUS (called 'The RAPTURE') Hopi Indians "await the great Day of Purification," Buddhists momentarily expected the Lord Maitreya, Adventists Await The 'Second Coming'" headlines the NEWS, Watch Tower people preach this from door to door, Billy Graham told an audience of 15,000 "Signs of Jesus Second Coming are apparent," adding "America has a greater obsession with sex than Rome ever had!"- MANY conclude it will take something CLIMACTIC to get Humanity out of the mess it has gotten itself into - "I SAY UNTO YOU WATCH!"

\*MAILBAG: Editor, Africa's F.S.
