THE NEWS IN CAPSULE

From the Office in the Garden

***THE NEW AGE IS ROLLING IN!** Almost, we can hear the Breakers on the Beach heads! Since our last issue LLP's "EAR" has been stretched a mile long with what we've been hearing about "Breakthrough," seemingly on all Fronts! At the same time, there's another sound, a kind of low roar, discernible only to those with "special hearing;" It seems to be coming from back over the Ages - a composite, pitious Human CRY, the Cry of the Helpless. At long last the VOLUME of the Heart-Call has reached a crescendo where it carries within itself the VOLTAGE for its own Answer. On this CARRIER CURRENT ride Great Forces. And there is more LIGHT because there is more KNOWLEDGE. And LIGHT is the thing the Exploiter hates! Always Planet Earth has had the "raw material" with which to make a Good World. But it could not be built in Darkness.....There is great CHURNING OF MINDS. We are nearer to 4-D than the Public knows -- or dares yet be told. Top men are working quietly on startling subjects! And there is great THRESHING OF IDEAS. A report says a wealthy financier in Arizona is buying up factories and putting New Age people to work in them - 10 or 15 million dollars are said to be involved. Many similar reports are coming in. FAITH IS AN ELEMENT. Now is the time to use our last erg in helping build the Better World.....To those who have awakened to the MEANING of what is in our skies it is painful to live with a SLEEPING POPULATION lulled by the lies of those who do not want them to understand, who cannot face the changes which the Sky Visitors plainly spell.....Now is the time to cast aside all former FIXED IDEAS.....THERE IS ONLY ONE THING IN THIS UNIVERSE THAT IS FIXED -- THAT IS THE POWER AND COHESION OF LOVE!

***D.C. NEWS:** 7000 Delegates attended the White House Youth Conference here this Spring. (Meets every decade.) Conference took stand for spreading Birth Control Information, especially to the underprivileged. (Very basic! - Ed).....Coming by '61, 3 mil \$ New Science Bldg at Georgetown U.....Half Million come here every year to see the Cherry Blossoms.....Spiritual Frontiers held Seminar here, results, permanent groups forming, covers Psychic Phenomena & Spiritual Healing as in days of Early Church..... Washington has 80 hotels -- 450 Conventions expected here this year. A new crop of them will deal with purely scientific activity. Washington is now the focal point for much of the research and scientific development being carried on in the world, says NEWS: there will be a National Symposium on Space, Electronics & Telemetry. The future is expected to bring even larger groups here.....Nemes-Clark Co in nearby Md will provide Telemetry Equipment for our Man-in-Space project. Washington is now the most important single market for Electronics- reason - half the Industry's sales are to the MILITARY; Sales will double thru '70 -- Seen on the streets - a truck whizzing around with a mounted "rocket" with inscription "INTERPLANETARY ELECTRONICS" ... In a remodeled house at 15th & H N.W. where Dolly Madison served the "first ice-cream," is NASA which Dr Glennon calls the greatest collection of scientific & technical personnel ever assembled, "The threshold between men's minds and the biggest Lab ever -- SPACE."

***WAR!!!** - T.P. Lanphier, former Truman official & big Defense man, quoted as saying "U.S. 'is losing World War Three!'".....In a room deep under the Pentagon is a map of the U.S. studded with A-attack detectors; when red lights flash it will mean W.W. 3 has started. ("Alas, Babylon") It will connect with an elaborate network of robot sentries, responding only to a flash of ATOMIC LIGHT (very high intensity) - if we're attacked the system will tell us in a split second and we'll flush our bombers!..... Chairman Appropriations Committee says "Russian missiles could wipe out every American city in 30 minutes.".....Wells Newsletter has cartoon of Saucer folk out in Space watching BLAZING EARTH - caption: "It finally happened!".....White shrouded figures appropriately looking like ghosts recently marked out the contaminated zone on the Sahara, poisoned by recent French nuclear blasts!....U.S. & Russia are both well advanced in BIOLOGICAL WARFARE, says press; this has over twice the killing power of the H-bomb - might not destroy a nation but reduce its fighting ability -- Many public buildings in Russia have Shelters & Gas Masks..(There has just been exhibited in nearby Md the 1st Fed-financed Family Fall-out Shelter in the U.S.) -- Nerve gas is worst - powder the size of an asperin can kill 350 animals - powder can be inserted in food, water or soil - THINK OR BE DAMNED! - Ed.....Adenauer in Washington warned "Soviet propagandists are masters of camouflage." And said FBI Mar 2, "U.S. stands as prize good of Communists - first in liquidation-line are lawyers, news-papers, etc.".....Dr. Chas Tansil, author of 10 books on Foreign Policy, says America is facing greatest crossroads in history." Gen Willoughby says this generation is under the shadow of a deadly menace. "World's most critical task today is disarmament," says Herter. "The fate of all the free world hangs on the great American people said De Gaulle in Washington, Apr 22.....Editor PARADE sent an open letter to Ike & Krush begging they establish direct phone between them 24 hrs a day to give QUICK EXPLANATION in case one of their missiles go astray. (Saucer Author Angelucci said yrs ago "The next war will be called 'The Great Accident'") This is the exact thesis of Movie "On the Beach" and CBS' TV "Alas, Babylon!" Latter ended with serious warning by Civil Defense.....Krush says Russia is prepared to meet force with force on Berlin issue....De Gaulle told Cong Apr 25 "To open up all territory for inspection - there is no other help for our Species!" - WE'VE REACHED THE LAST MOMENT WHEN AGREEMENT SEEMS POSSIBLE!"..... "If war can be postponed a little longer there will be none" says a high Saucer Leader - "the barriers are dissolving too rapidly between us and Space."It is being currently stated that "300 people could save the world! - ARE YOU ONE OF THE 300?

Oh Brooding Fate, bloated on food of Man's mistakes, Sphinx-like you wait -
 While Justice weighs the scales; - Heavy hangs our wondering -----
 The hour grows late!

***EDUCATION:** - Coming, over Chicago this fall, a PLANE will telecast FULL EDU PROGRAM to Schools in 5 states.....Proposal that Schools here be run 10 mos a yr as in many foreign countries - sounds good, would cut Delinquency!:- Ed.....COMING in Moscow, NEW UNIVERSITY FOR FOREIGN STUDENTS, 500 capacity NOW, later 4000! Watch implications of this! - Ed.....India is revamping its EDUCATIONAL SYSTEM to meet Student Unrest there - 2 big Universities were closed for 2 mos because of disturbances. - Much student unrest world-over - what does this forbode? In both India & Japan the University-trained have been begging for JOBS!.....Princeton's INST OF ADVANCED STUDY is known as an "Intellectual Hotel" - scientists & philosophers from all over the world come to "process" & develop their far-out theories.

***THE BIG LISTENING POST!** - All over the world today many BIG EARS (radar towers) are LISTENING! LISTENING! And Planet Earth now "knows" "we are not alone!" PROJECT OZMA is out to prove it! This new concept is known as "the 3rd revolution in Astronomy." Strong signals from an unidentified source in Outer Space exhibiting the Doppler Effect (frequency shift) have spurred the big EAR-HUNT! Green Bank, W.Va. & Cornell U are vieing with each other in this strange new SLEUTHING which has more potentialities than anything that ever before happened on this Planet. (Oh God, maybe our Ego has gotten nearer balance and maybe Planet Earth is COMING HOME! - Ed) The signals to work with would most likely be around 1,420 megacycles, best for huge distances, also this is the frequency of radio waves emitted by hydrogen atoms in Interstellar Space - would attract the attention of Radio Astronomers on ANY Planet - the idea is called "entirely consistent." Army, and Hughes Aircraft has developed an 'electronic EAR' called the most sensitive listening device of its size in the history of science-

keen enough to pick up faint radio signals from interplanetary rockets millions of miles in space -(made of tiny synthetic ruby and a 12 oz magnet.).....LISTEN!
.....LISTEN!

*HEALTH FRONT: - HERE, in the U.S. one Dr. for every 700 people.....HERE, much talk of various ways for REGENERATION - also of Earth entering a higher-vibration-area in the Cosmos that will raise the vibration & health of those able to take it (kill off those who can't.).....HERE, new emphasis on HYPNOTHERPY, especially for emotional ills, childbirth, etc; prediction that later every city & village will have its medical and dental Hypnotists - (footsteps toward our emergent Mental Age.).....HERE, Fish Flour, a cheap & plentiful source of protein for poverty-plagued parts of the world - Plant in S. Africa turns out a ton a day.....Dr. Linus Pauling, Nobel Prize-winner, asserts, "every person in the world now has strontium 90 in his bones" - 15 yrs ago no one had this radio-active poison. U.S. Health Scientist says "Everyone now has a little DDT in him - (will we soon begin to glow in the dark? Also, may the time come when mosquitoes will die from biting humans???) Recent survey of 103 big cities shows presence of BEMZPYRENE in their air .4 causes skin cancer in animals). Birmingham, Ala has 150, London 320! - Are Electric Autos (now being built by Stimson Aircraft Co) or Free Energy the answer, ending both NOISE AND FUMES!.....PUBLIC HEALTH gets \$30 mil from Cong to EXPLORE FRONTIERS OF HEALTH - Air, Water, Pollution, Accidents, Food Poisoning, et al, also ATOMIC RADIATION - Maybe they're waking up!- Ed.....HERE, new way to catch signals from hearts of the unborn - multiple births predictable mos ahead!.....Russia now claims complex surgical tool which literally and quickly STAPLES together veins, blood vessels, nerves & other body-parts formerly impossible to mend - "saves many lives."....."Polio is increasing" says radio, "more than 5000 last yr" - nature of the virus may be changing since Salk "cure" came - How much is due to FEAR?- EdExperiments at Stanford U now show "electrically hot wires can promote bone healing at fracture sites & cause bones to grow longer where stunted - not easy to take - bone is bared, wrapped with wire, wire charged with low current, draws blood, heals bone!.....Last Readers' Digest on GALL STONES stresses "SURGERY" as only answer; but a lecturer tells LLP of a NEW WAY - "YOU CAN GET RID OF THEM OVER THE WEEK-END by a simple diet!" For info write to EL Rancho Adolphus, P.O.Box 910, Scranton, Pa. - Ask him also, re "Better Sight Without Glasses" by a man who was blind and today has perfect vision. NOTICE - LLP is asked to state there's a 30 minute Documentary re Anti-Cancer Agent KREBIOZEN which has been suppressed for last decade."It's a veritable mountain of unassailable scientific evidence showing it is a key to problem of CANCER" This half hour tape is FREE for PUBLIC SERVICE, radio stations or groups, etc as long as not used commercially. (Has been in segments on Monitor,NBC) Send for it to MERCURY ENTERPRISES INC, 1025 Conn. Ave N.W., Wash. D. C. MERCURY will be "out" about \$1. on each tape sent out - if you can help defray expenses here's a way to get a lick in at this heinous thing - CANCER!If you are ever ill find someone THEN AND THERE whom YOU can help; this CAN cure you! Also, SING, or even hum - it vibrates the body from within - it changes and raises the vibrations!

*THE MOST ALL-ENCOMPASSING VERSE IN THE BIBLE - "OPEN THOU MINE EYES, OH LORD, THAT I MAY BEHOLD WONDEROUS THINGS OUT OF THY LAW!"

SKY NEWS: Aircraft Mfgs, Pilots, et al are now banding together to reduce NOISE from PLANES over cities!.....COMING, Army Map Service now making big new MOON MAP - scale one inch to 79 Moon Miles.....At Cheltenham, Md, is a soaring Antenna, part of a new 5 1/2 mil \$ Communications System - it uses the Moon to bounce messages half way around the world in seconds!.....Men are now asking - What does the Outer Space Program mean to our business? -Russia (Prvda) Claims accidental discovery of a new Planet, small & beyond Pluto. (Esoterists have long claimed there are 12 Planets in our System.).....Prominent astrologer tells LLP that on Feb 4, 1962 there will be a Stellium Eclipse - Earth, Moon, Sun, Mercury, Venus, Jupiter & Uranus will all be in a straight line. Many think it may have big significances!.....Various prophets have been saying ours would become a Binary System & that a second GIANT SUN was "even now becoming visible." (See "My Contact With Flying Saucers" by Kraspedon, - April 22 Science Service quotes Sproul Observatory to effect "The 'unseen companion' of a 'Near-by star' may be a Planet 10 times the size of Jupiter." Could this have any bearing on the expected "giant sun"? - Ed.....It has been published in the press that in 1958 our Sun changed its polarity - in one yr's time! "The Air Force

has just given Boeing authority to make a Space ship" said radio Apr 28. (But not the free energy kind!).....Coming, U.S. Satellite "Advent" will orbit so as to seem motionless over one point over the equator. Also, the 500 lb "Courrier" will have 20 teletype channels & tape system to give messages over specific ground stations.".... Oh Skies, that only used to hold--But birds and clouds and stars, Bestrewn you're now - with SATELLITES, - with ROCKETS and huge GHOSTLY THINGS ---- From here clear on to MARS!

*COMING - - - "We may use Atomic Reactors to force "FOOD" up from the bottom of the Ocean says radio.....HERE, half the ARRESTS in America are connected with LIQUOR, says FBI.....COMING new RADAR PHOTOGRAPHY so accurate it will detect PLANETS growing on other Planets, NBC 4/15.....HERE in U.S. Expedition is searching for the 4000 yr old Lost Cities of Sodom & Gomorrah at bottom of the Dead Sea - has come across promising ruins.....COMING, better meat for less money say experts! COMING, relaxing Ballad Music back again - Rock & Roll on way out!!.....HERE, more Dead Sea Scrolls discovered, contain verses from Exodus, probably written 70 yrs after 1st discoveryHERE, Col. U. finds huge submerged island S. of Cape of Good Hope, has circular top, one knob comes within 120 ft of surface of ocean. HERE, 45 mil TV sets in U.S... HERE, it costs near a mil \$\$\$ a day to store U.S. grain.....COMING, World's tallest Apt. House in Chi in '61, Round, 60 stories high \$36 mil.....HERE average family spends 1/2 mil \$\$\$ in a lifetime.

HUNGER

Today there is unprecedented restlessness. Changes are swift! People are uncertain of where they are going or what is ahead. Old guidelines have fallen away. We are at the End of an Era! Nothing is more apparent today than the HUNGER in Human Hearts! In the words of that Mysterious Poet "PATIENCE WORTH" -"There is no thing that gives thee sorrow like the understanding of Earth's HUNGER. I mean nay for bread. I ha's seen eyes that wert starvin', aye, they ha'e looked 'pon a bone o'hope and strived for to fatten souls. I ha'e seen flesh hungered, too but this be naught to the hunger o'the eyes and hearts. See ye to it, then, that the bread thou dispenseth be rich!"

*NATURE NEWS: In many ways people are growing more conscious of nature - Nature Lovers are apprehensive of the encroachments our expanding population is making. More than 1/2 mil acres of N Mex's National forest have been preserved as Wilderness Areas which can be reached only on foot or horseback. There are 2 doz new or expanding ZOOS in the U.S. The price of ELEPHANTS has dropped from \$5000. to \$3000. ... Signs of more thot being given to our wildlife. H.R. 11430 is Bill to double penalty for violating migratory Bird Treaty Act...Watch H.R. 11502, Bill to put PESTICIDE PROGRAM under Fed. scrutiny. Commercialism in this field entrenched. Women of small town in Ohio got together and made city stop spraying trees on city streets - couldn't "take it" to see the dead birds under trees. Recommended film "Man Made Poisons & Our Vanishing Wildlife. "...A report says Gen. Franco's party, including Duke & Duchess of Windsor formed hunting party of 16 & brought down 2000 partridges in one killing - the affair was hushed up in Spain. (And they call it 'SPORT'! Oh, for a kinder world! - Ed.)The average lifespan of wild birds is 1-1/2 yrs - too many hazards - in captivity much longer. There are about 325 varieties of wild birds which live in the area of our National Capital, bless 'em - could you imagine a world without them? - birds are the little fairies of the Earth Plane.....In Jamaican cities they sell BOOBY EGGS in the spring where they're considered a great delicacy - vendors go thru the streets crying "boo-beeee" - they're laid by the Sooty Tern & Noddy, two sea birds that nest on the cays.....There has been much in print recently about the Dolphin and its intelligence - a researcher that called at the LLP told of his experience with one while he was in swimming - it frolicked with him around his boat and finally stole the trunks off him and frisked away with them!..... There is now a LONG-OVERDUE movement to beautify our cities with flowers. It was started with "seed money" and promotion by New York's MARY LASKER. Called "invasion of beauty." Idea also includes Beauty with Lighting Effects. "Beauty as a Public Service! THIS NEW AGE IDEA IS SPREADING! WHAT CAN YOU DO ABOUT IT IN YOUR CITY??"

"GO THOU TO THY LEARNED TASK, I STAY WITH THE FLOWERS OF SPRING - DO
THOU OF THE AGES ASK, WHAT TO ME THE HOURS BRING!"

The above poem by Emerson hangs in a frame at THE LITTLE LISTENING POST and is in Emerson's own hand writing!

Have you got your BIRD FOUNTAINS ready for summer?

*SAUCER FRONT:--Last issue LLP said "HOLD EVERYTHING! WE HAVE SEEN THE REAL McCOY! Jan 21 we were mailed an item, published in an obscure place but which we at once recognized would be revolutionary in the field of Saucer Research. But we had to "sit on it" until it came our RIGHT! That was the big UPI Dispatch you read Feb 28 & based on a new A.F. Directive titled "UFO'S ARE SERIOUS BUSINESS!" By that time NICAP had then accused the A.F. of deceiving the American public in regard to the whole Saucer Situation. This story has gone all over the world, not only the press but the Saucer Bulletins have front-paged it like mad!.....In brief it means that never again can the fans be ridiculed!.....Late March a JET streaked across the U.S. carrying Adamski, headed for Hotel Willard in Washington where on Mar 26 he lectured in the Ball Room. MERCURY ENTERPRISES, Inc, Sponsors, decided if we have visitors from Space it was time to get out the BAND, so 65 red-coated bansters filed in ahead. Courtland Hastings from N.Y., tall, handsome and built like an arrow led the affair with some kind of Salute to the Cosmos! Adamski had recently returned from a 55,000 mile trip during which he visited 18 countries & was given a 2-hr audience with a Queen! He is co-author of FLYING SAUCERS HAVE LANDED, a book that has sold near 1/4th mil & is now in its 12th printing. This book proved the "flying wedge" in the Saucer Gargantua -- (A doubting Researcher once came to LLP, borrowed the book to make an enlargement of the now-famous hat-shaped Saucer in it, the likes of which have since been photographed world-over; this skeptic next had a huge line drawing made then spent weeks searching electric-fixture shops & catalogs all over Washington & N.Y. to find the "lamp-shade" that Adamski had used in making the photo but as far as we know the fellow is still searching! During the last 12 yrs Adamski has withstood more "battering" than probably any other such devotee including TAPES circulated everywhere against him but he sticks to his story and is "still going"!Numerous other Lecturers followed Adamski and the activity spring-boarded a whole new Set-up here in Washington more of which you'll be hearing about shortly.....Lecturers are criss-crossing the country - some observers apply the prophecy "This Gospel (good news) shall be preached to all the world and then shall the end come.", Lecturers barely make expenses - their impetus is the HEART-DRIVE! They belong to "The New Group of World Servers".....THERE HAVE BEEN SEVERAL RECENT SIGHTINGS OVER WASHINGTON! The Govt and Air Force are under attack - "RELEASE THE INFORMATION"! - the HOWLS come clear from Hawaii! LLP is told that in a recent poll Saucers got listed as the No. 1 interest.....Early March a Vienna newspaper gave its entire front page to a picture of a saucer, captioning it "THE MOST SENSATIONAL PHOTOGRAPH OF OUR CENTURY!"There's a proposal that Saucer Editors hold Regional Conferences-would speed their work of prying into the Great Unknown!.....WASHINGTON SAUCER INTELLIGENCE reports intensification of attitudes everywhere and great increase in searching for the answers. Unsettled conditions in Nature, etc, seem to portend CHANGES AHEAD, for instance recent STORMS in Russia's Breadbasket, that piled up dust 5 ft deep, also in the Holy Land, a strange storm that darkened the city at Easter; there is great need for LEADERSHIP & attunement in spirit to pull us thru; W.S.I. offers HELP in coordinating New Age Efforts; address P.O.Box 815, Wash. 4, D.C.....A plane coming in from Canaveral reported a UFO following it - when JETS gave chase it disappeared (probably raised its vibration to the height of invisibility) when Jets desisted UFO followed plane again! One sighter tells of seeing a jet go right thru a Saucer (thru the forcefield we're told), also when a saucer seems transparent it is the varying forcefield we see thru. Things that DID seem contradictory & made BELIEVERS appear GULLIBLE are now beginning to add up. We are in some kind of inter-dimensional No-Man's-Land-it behooves everyone to keep his shirt on, use his head, but still his tongue when he feels OPINIONATED. After all, Earth is a smallish place & most of those on it are some kind of "jail birds." It is now well known that most "Contactees" are Martyrs, little do most of them gain but persecution - isn't it about time to stop "holding court" on them as tho they were criminals? Those who prefer not to believe them still have the privilege of playing Pinochle, don't they? Beware the SPIRITUAL IMMATURITY in this confusing field, showing itself oftenest in GOSSIP & JUDGING, (only GOD sees MOTIVES.) "Judge not" is a COMMAND; Analyzing persons & situations is different & is

always done carefully & confidentially. April URANUS, London, (and many others) be-
moan the "emotional extremists", says "world of ufodom has split in 2 widely diver-
gent halves, neither of which has any particular use for the other". - Like it or
not, everyone may as well remain POLITE while Fate forces us all out into this un-
charted land of "Mysteria." WE CANNOT TURN BACK! The Greek God MERCURY, representing
the MIND, is known as the Link between SPIRIT & FORM - at this precipitous time, Oh,
may this beauteous MESSENGER OF THE GODS guide us thru our present-day Amaze!

*GRAVITY:--Science is now seriously attacking the old theory of GRAVITY; new studies
of the structure of the atom's nucleus has bearing. Certain new results from Atom
Smashers are a mystery!-A 'constant isn't a constant'- ('coursenot - Truth is ever
emergent, isn't it? - Ed.) - Wash. Post refers to the "growing pile of obsolete
scientific laws" (Sounds like what Saucer Researchers have been harping on)-Anti-
gravity runs thru all Fairy Tales & we are coming into an Age of Wizardry! Scientists
are now pawing the air over the elusive secret of Saucer propulsion. Physicists, et
al, in & out of the LITTLE LISTENING POST churn up such phrases as-"Space, supposed
EMPTY, is really inconceivably high activity-to utilize this power you REDUCE it -
what we use here is "Space Energy" reduced (made in Power Houses by friction & for
sale.....There's an electrical gradient as we move out from Earth!-Everything is
electrically radiating-we call it "Aura" - Saucer's Aura causes it to glow-it ionizes
the air around it-(we get lost in labels).....A 'vortice' is an agitation.....the
same power of disintegration is the same power of creation.....rectification of
'Space Energy' - could be put to work on a farm, could knock our cancers, etc.....
Rockets are obsolete-SATELLITES are much cheaper and more useful.....We are on a WAR
ECONOMY & always will be until we get into Space Exploration.....If the Space People
gave us the secret of this Power we'd misuse it - THEY would be responsible - we must
get it ourselves. Yes, the Adamski 'Footprints' gave a clue.....Man doesn't have to
be rid of War to go out in Space, but will CHANGE when he gets out there--Exploring
Space will take up the slack in human energy that has come with Automation. AUTOMA-
TION IS THE LAST STEP BEFORE SPACE-AUTOMATION HAS DRIVEN US TO IT!.....Such gabfests
around here, interspersed with a few Onion Sandwiches, make for pretty Good Listening.
.....Someone asks us to say - if you want your Anti-gravity ideas tested or produced
write to Kenneth Crowder, 6405 Livernois Ave. Troy, Mich., H E A Engineering, Inc. -
He's described as a fine Christian man who has some 70 engineers in his Co & wants
to help anyone with problems relating to LEVITATION & has funds with which to do it.
Also, send \$1. to Nat Academy of Sciences, Wash. D.C. for new treatise "The Nature of
Gravity."

*BROTHER OF THE THIRD DEGREE By Garver - Spiritual Fiction, many feel we are now liv-
ing its pages-all should read! Knowledge is power-story stresses that it's VITAL that
Leaders streamline their lives in every way, sharpen perception & get objective learn-
ing especially re Medical (Health), Law, and ART-the most VOCAL form of Art is Sym-
bology-and Symbology is the 'shorthand' of the New Age!

*SCIENCE FRONT - MORE NOTES MADE WHILE RESEARCHERS CHATTED AT THE LITTLE LISTENING
POST -- "Light - well, it's an evolved form of matter from Atoms - when the Sun goes
down these energies are distributed, resolved back into the ground (photosynthesis)
on basis of the conservation of energy.....Atoms are like marbles & have layers of a
different frequency, lower on the outside - THEY ARE CONTROLLABLE BY MIND-FORCE.....
Yes, Time is the supposed distance between 2 material events & Space the supposed
distance between 2 material objects.....Everything has a Frequency - you can RESON-
ATE to it - IF YOU CAN CONTROL IT YOU CAN CONTROL THE REACTIONS - that's SYMPATHETIC
PHYSICS, highest thing there is in Nature!.....Talk of an electronic instrument that
can get the frequency of, for instance, a certain Philosophy, then on this basis
you could cause an effect on those holding it, you can't kill with this system-you
might cause a physical disturbance but not kill as it is against the law.....There's
a new report that says CANCER is due to a missing element from our degenerating
PLANET.....Yes, there's talk of an Expedition to hunt Noah's Ark via Saucer, melt the
ice with a forcefield, etc.,-may happen before long!.....Recent research shows that
the high frequency of FLOWER ESSENCE (some now on market) fed to BEES produce a force-
field (as noticed in a Flying Saucer,) a luminocity, & leaves them no 'buzz', and
honey produced also glowed, Experiments Postponed until honey is tested.-theoretically
could have some amazing results!.....GRAVITY? - a simple thing--related to the EARTH-
SPIN - result of ROTATION! Why not?.....Well, Andrew Cross did it, long ago - he
CREATED Spiders! - we've worked on it, it's an electro-chemical process,

electrification of beaker of acid over a period of 3 mos produces white blotches or protusions from the side of the beaker which grow until they give the appearance of spiders standing upright, they wriggle till they separate, then loosen themselves and come out of the beaker as 6 or 8 leg varieties, some with wings, have affinity for darkness, walk into the bell-jar which contains oxygen (all sterilized)-may live 6 mos - they don't make webs - we're preparing a paper on it for selected scientists"MORE ONION SANDWICHES, PLEASE - 3 A.M., by this time the "Earth-spin-or SOME-THING, was being felt in the head!

*PUBLISHING NEWS: Just out FLYING SAUCERS, TOP SECRET, By Maj Keyhoe.....Sci is now def challenging Human Aging, many books out, Chi U has 3 new ones, for info write Chicago Press, 3750 Ellis Ave.....HERE, new book "HIDE" by H.Blackschleger, Harvard & MIT & Ex-Marine (Meador Pub Co, 324 Newbury St. Boston \$4.)very revealing of our ominous times, says "U.S. under influence of domination of foreign interests determined to crush her; under thumb of "storm troopers' disguised as Labor leaders." No place to hide! THE BLUE ISLAND by Stead, re his famous transition, now from Psy Observer for L., Southern Pines, N.CAR.....HERE, exciting new book POISONS IN YOUR FOOD by Wm Longood.....THE EARTHBOEN VENUSIAN by Dana Howard (fiction) Plot deals with lady president-some think it could happen-the '60 Election awaited by many New Age people as strangely important!.....Petworth Citizen reprinted LLP's "CLEARING HOUSE OF HUMAN NEEDS Plan.....Scientific Amer had article HOW TO GET INTO SPACE.....SPECIAL NOTICE - June ARGOSY has article "AIR FORCE ADMITS UFO'S ARE HERE" by Keyhoe & SALKIN, biggest-ever Documentation, estimated no. of readers, 6 MILLION!.....Atty Faria, (Brazil) has treatis "Remarks on Metalaw". British Interplanetary Journal lists 10 Papers on SPACE LAW & SOCIOLOGY, such as "WHO OWNS THE UNKNOWN: GOD IN OUTER SPACE: WHAT FLAGS FOR SPACE: RIGHTS IN OUTER SPACE: NEED FORESFEN FOR WORLD PACT: LAW & METALAW:" Etc. (Head-cracking subjects, Egad!-Ed).....THE STARS ARE TOO HIGH By Bohmson, (fiction with Wash & Pentagon setting - note circular herewith.....Brand new Mag, EXPLORING THE UNKNOWN, Stuart Robb, Ed.....ROAD IN THE SKY BY WILLIAMSON, Neville Spearman, London, Beautifully written re travelers along, hiways of the stars, their 'golden chariots' have become the modern UFO's - "we're in the time of the great awakening.".....Sales of TEXT BOOKS said to be catapulting, will reach near 40 mil \$\$ this yr.

MAILBAG: A teacher in Cal writes us that radiations reaching the Earth are greatly increasing in intensity (some note irridescent blueness in northern sky, is it connected?.....C.G.H. Cal says "Your LLP is a mighty beacon of Light to wordly wayfarers. Keep the fire blazing!.....B.T., London, adds "Congratulations on your inspired vitality - it pours out of LLP....Jas. Lee, Director Space Patrol, 620 Cedar St., Abilene, Tex writes "We own & operate a very powerful Amateur Radio Station & will be making contacts all over the world; we meet each Sat nite, 8 p.m. till midnite & operate on a frequency of 3933KC.....Tom O'Neil, new Editor PSYCHIC OBSERVER says "The OBSERVER is jumping in circulation; about 25,000 copies a mo go out with more coming in daily." (Paper is excellent, many photos). He adds "THE LITTLE LISTENING POST is still 'undroppable' once it is lifted from the mail box. Everything on this Editor's desk grinds to a halt until every last word is chewed.".....McCraffey Research Corp writes they are hopeful of their goal to raise funds to help New Age projects. NOTE, Money is already beginning to come into New Age work from many sources. LLP predicted this a couple yrs ago. Thanks, always, for the stamps. And for your MANY GOOD letters, also Easter Cards. Letters always enjoyed, digested, seldom answered with adequacy! - Ed

* SPECIAL MESSAGE FROM THE LITTLE LISTENING POST
If you know of any RADIO HAMS who understand the language of the NEW AGE, who belong to the ever-enlarging Family of those working to bring in the happy "NEW ORDER OF THE AGES", here on EARTH, please write their names on a card & send to us. THIS IS IMPORTANT! YOUR EFFORTS WILL BE APPRECIATED. -- Ed.

*DEFINITION WHO IS A NEW AGE PERSON? Answer - One who is GOING SOME PLACE! Who is following a VISION, who "sees" a happier world for all and finds his own work in trying to bring it into existence. YOU CAN RECOGNIZE HIM BY THE LIGHT IN HIS EYES! There will be TESTS when the VISION ITSELF is all that sustains him but by practice in clinging to it he will learn there is strength in the Wings of the Spirit!

*THE NEW AGE PROGRAM FOR THIS PLANET IN FIVE WORDS: -- EDUCATE, RELIEVE SUFFERING, BRING BEAUTY!

*THE LITTLE LISTENING POST at Washington, D.C. is issued every few weeks, when the news 'boils over' from Washington, "News Capital of the World." It is listening on the Far-out Front where GREAT CHANGES are crowding over the Horizon. It is for those in the VANGUARD, alert to Earth's swift acceleration. By way of the assemblage of FACTS it is trying to bring CLARIFICATION amid our present CONFLICTS AND CONFUSIONS. It is a CONSPECTUS of swift moving events. IT IS THE ONLY PUBLICATION OF ITS KIND.

LISTEN IN WITH THE LITTLE LISTENING POST

SIX ISSUES FOR THREE DOLLARS
