THE NEWS IN CAPSULE

*THE BIG PICTURE: For Eons, Planet Earth whirled in SPACE, later carrying its s-l-o-w-l-y evolving Human Race. Up from the Stone Age - from Instinct to Reason.....Came greater knowledge!...Came the Dawn of Science - with its accompanying Speed-up. - SCIENCE MEANT POWER!.....And Man continued to PROBE!..... At last, he wrested from Nature her greatest Secret! He split Nature's Building Block! HE DISCOVERED ATOMIC POWER!.....Came the MIS-use of it! -- AND THE POTENTIAL FOR DESTRUCTION OF THE WHOLE PLANET!CAME THE SAUCERS! THEY INTRODUCED THE SPACE AGE! At first they were much publicized. Suddenly -- came Official Secrecy! Came Ridicule! - Came LYING and CONFUSION! ----- THOSE IN POWER SAW IN THIS VISITATION FROM SPACE a CHALLENGE to all Earth's established Customs - Science, Religion, Economics - EVERYTHING - and with it, their loss of power over the Masses! THEIR ONLY HOPE WAS TO CONFOUND THE ISSUE AS LONG AS POSSIBLE!To CONFRONT this rank deception SAUCER RESEARCHERS sprung up by the thousands - world over! They still battle governments and their attempt at COVER-UP.Then how could those from SPACE land openly in such an atmosphere and so clear the mystery as many had hoped!With the BIG MYSTERY still hanging, there began to come "Explanations" of another order ----- Enter, the 4-D or Psychic Element into the Research. The UNPIN-DOWNABLE!, since these one-person experiences could not be verified. This brought confusion into the ranks of the Saucer Researchers themselves!THE WHOLE SUBJECT IS NOW WHERE AVIATION WAS BEFORE WE LEARNED HOW TO CROSS THE SOUND BARRIER! -- WE ARE SUFFERING FROM SHOCK WAVES! -----But AVIATION solved THIS problem - (See "Noise, its Effect on Man and Machines" from House Space Committee - Report 2229). Next, we're about to hurdle the terrific problem of the Heat Barrier, AMERICAN AVIATION HAS JUST TOLD LLP. ---THIS LENDS HOPE TO ALL PHASES OF THE SPACE PROBLEM - including the MYSTIC AND THE MYSTERIOUS! ---Today the mails are flooded with "Channeled Messages from Space People" - which are genuine? Which not? This has split many a Saucer Club! This situation seems to leave no GUIDELINE but our own INTUITION. We are in a Caldron of Confusion! BUT IT IS FORCING INNER DEVELOPMENT ALONG WITH ALL OUTER GROWTH AND EXPANSION. WE ARE ALL HEADED FOR WIDER HORIZONS! WE ARE ALL HEADED SPACEWARD - IN ONE WAY OR ANOTHER! Billions of dollars are being spent on it! Many feel that man's NEW DIRECTION will BY-PASS WAR!.....Sept. 17 two OBJECTS were seen in the skies over WIDE AREAS in SOUTH AMERICA. The floods of witnesses stirred up so much excitement that the CARACAS DAILY JOURNAL (printed in English) editorialized on the general subject of Saucers and stated their PLATFORM, summing it up - LET'S GET THERE BEFORE "THEY" GET HERE!"The whole Space Subject gives an entirely new FOCAL POINT to everything! Earth Man, now otherwise verging on SAITE, is caught up in this Cleansing new Concept. ALL ABOARD FOR SPACE! The mixed-up pieces will one day fall into place! HOLD FAST - THE CHIMERA WILL CLEAR!

*UNDER THE AUTUMN MOON IN THE LITTLE LISTENING POST GARDEN - Bits of the chatter!

One report says when Space People get tired they have something they lie on that recharges them in 5 minutes - also they can put on something like a headphone & it lines up the molecules in the brain & rests the mind! Well, I wish we had something like that!.....SURE there are such things as ZOMBIES - India, South Sea Islands, etc. - a "hypnotist-type" man gets someone at moment of decease, reanimates the deserted body with his own willpower & this mixture of a "person" continues on, (just as if one man got out of a car & another man got in to drive it - the human personality is more complex than we realize!) Zombies will work & carry on as the "hypnotist wills it -- only way to "lay" a Zombie is to get the "hypnotist!".....Notice how this big candle here on the ground throws a light just on our faces as we sit here in a circle!.....You know Kathryn just got back from Europe and the Mid-east - she says the Consciousness of the Masses is CHANGING, they're BEWILDERED, feel as tho there's something BETTER ahead, which makes a RESTLESSNESS. She said there were many sightings in Italy AND they got in the papers, noticed the fewness of BIRDS there -- Well, there are plenty of birds in THIS garden and how they love this tinkling fountain here!.....You remember the story of Lady Fatima, in Portugal back in 1917, appeared the 13th of every month for 9 months in a row, last time half a million people were there to witness the sky phenomena, & she gave a child a letter "not to be opened until May 1960" - well, we watched the papers this May & didn't see a thing about it, did you? But someone close to the thing says the Pope opened the letter and read it, then handed it to our Big Cardinal from the U.S. who was there at the time and when HE read it he fell over & fainted due to the shocking contents! -- What to believe!.....There's plenty more of this pumpkin pie here!.....Well, what do you think of this "Weeping Madonna, the icon actually weeps at times, did you see they had it here in Washington recently & hundreds of Greek Orthodox including bearded dignitaries attended the church on 16th St. & many made the sign of the cross or bent to kiss the glass protecting the sacred object!.....I talked to my banker, also a very prominent radio commentator last week - neither of them "New Age" yet have the very same conclusions - took Saucers very seriously, think they portend something, said we're already in the trough of Communism - think there MUST be some kind of separation of the 'sheep' from the 'goats'. What form will the division take?.....It's getting chilly, can you reach those Indian blankets from the tree there & let's spread them around over our knees.....You know that ADAMSKI LANDING STORY has had a strange power over people, world over! - did you know that at Desert Center, Calif., right where the event happened there is now a HOLE at the spot because so many people came and took dirt away as a souvenir! Also, a woman from Portland came & camped there & made thousands of dollars acting as a guide!..... Ceasar's Ghost, it's nearly one A.M.!!!

*WHEN ALL IS SAID AND DONE - LIFE IS MEASURED IN THE LOVE ONE HAS GARNERED!

*RECENT GUESTS AT THE LITTLE LISTENING POST - (Researchers and Subscribers.) Marie Kinney, Calif.; John McCoy, et al, Tex.; George Adamski, Calif.; Tom O'Neil and wife, N.C. (he is Ed Psy Observer); The Kraegers, N.Y. State; Edna Buzan, N.Y.; Donna Fenslason, N.Y. (but has just moved to Washington to engage in New Age work here.) *HEALTH FRONT: - A new type Hospital is promised in Ala., where a patient will be diagnosed electronically - buttons taped to his body would record all action & relay it to an electronic board - a vibrating bed will relax him & speed his recovery..... COMING maybe, a law to legalize birth control pills.....WATCH THIS HOT ISSUE!..... An electric device the size of a watch has been invented to pep up lazy hearts, it is planted under the skin & emits tiny shocks about once a second; its batteries last from 5 to 10 yrs.Someone has figured that there are 28 trillion intelligent cells in our bodies which we can control by our thots, (everything is going in the direction of proving that all material things are 'crutches' until the UNDERSTANDING grows that MIND governs ALL.In the making, so we hear, a machine for ionizing the air so it will have more dynamic substance to it, take away weariness, etc. Is in the experimental stages, at least.

*BULLETIN: Important, scientists, impressed by Dan Fry's (saucer propulsion) book "Steps to the Stars" have suggested he go further with the subject - he is now writing ATOMS, GALAXIES AND UNDERSTANDING.

*LONGEVITY: There are now 16 mil. Americans over 65. Longevity is increasing so fast it is making a new problem in society. The U. of Mich. has pioneered in the subject. The U. of Chi. with help from 17 other U's, has just put out 3 fullscale HANDBOOKS, fully covering the field. RETIREMENT LIFE decries the idea that 'Hobbies' are enough to entertain retired people. "People should exert themselves by using their minds" it says. "The opportunities in fields of service are boundless! No one in the world needs to worry about finding something to do, - the thing is to find one's PURPOSE." Former authority in the field says a person can get to the grave faster in a rocking chair than in most other conveyances. But what is the idea of government officially raising wages so often yet paying so little attention to those on fixed incomes, and how are they supposed to keep pace? Seniors represent the "Wisdom Group"; when they get their bearings and band together a little bit they will become a FORCE.....WELL, WHAT ARE THEY WAITING FOR??? The LLP "Blueprint", CLEARING HOUSE FOR HUMAN NEEDS, when it gets into operation, will take care of many of the needs in this group as well as other loose ends. LLP will enclose the PLAN again with an early issue.

*SKY NEWS: Many persons now have their own planes, or copters; the sky is getting to be a busy place. Ere long we will also have to have lanes in SPACE, we're told..... The AF. has designed a new-type plane with slots in the wings to reduce the drag; "will nearly double distance planes can fly without refueling".....Talk of plane to go 4000 mph & take man on fringes of Space.....Russia promises MAN IN SPACE - soon - "astronaut may stay up one month" - Mutual 9/27.....Also, Russia planning "60-ton Space Train".....U.S. plans to send several manned expeditions to the Moon in the next 3 yrs., says radio 10/16.....U.S. WILL SPEND 30 TO 50 BILLION \$\$ ON SPACE DURING THE '60's" - many valuable by-products also resulting from expenditure..... ASTRONAUTICS IS GREATEST CHALLENGE TO APPLIED SCIENCE & TECHNOLOGY TODAY says SPACE-FLIGHT (London).....Bell Telephone System announces plan for a Space Communication Network to carry phone & TV programs over whole world via string of satellites circling globe -- 50 satellites in polar orbits at height of 3000 miles, working with about 26 Transmitter Receiving Stations.....Much being learned from U.S. Moonlets circling the globe, to help TV, also to control the weather.....A red glowing object moving 3 times as fast as ECHO is puzzling Uni Observatories in D.C. & in Conn; they say it may be a Space Ship checking on Echo.....Next war will not be 'Missile to Missile' but 'Satellite to Ground', we're told.....Jupiter's 700 mi. long "Red Spot" said to be floating around.....U. of Cal. scientists argue that Mars' two moons are only known moons that rotate as fast or faster than their Planet, therefore MUST be man-made (Mars must have people)!....."North American" is building a 10-foot thick Reflector for world's largest Radio Telescope - at Sugar Grove, W.Va.A report says that recently Venus' clouds broke thru & huge mountains there were photographed!!!

*EARTH'S LAST FRONTIER: The Antarctic is a continent the size of the U.S. & Europe combined. Its MILITARY importance is increasing but Earth's nations are combining to DE-MILITARIZE THIS LAST FRONTIER before Science makes it worth a war!.....The sixth Soviet expedition to the Antarctic will sail the end of Oct., purpose, to study winds, temperature, solar & cosmic radiation, earthquakes & Earth's magnetic fieldsThe U.S. Nat. Sci. Foundation plans a 4 mil. \$ program of scientific studies in Antarctica conforming to the peaceful co-operation pledged by the 12-nation Antarctic Treaty recently ratified by the Senate. The Program includes an exchange of Russian & U.S. scientific observers on important exploration. -----PERHAPS PLANET EARTH IS TRYING TO SAVE ITS FACE BY KEEPING ITS VERY LAST FRONTIER FREE FROM WAR!-Ed.

*THE GREAT NEW FRONTIER: The U.N. Earth's highest & farthest-out Tribunal, is now turning itself definitely in the direction of our NEW FRONTIER -- SPACE! A U.N. Committee is working on the PEACEFUL USES OF OUTER SPACE - the goal is International Cooperation on the Exchange of Data received from Satellites. The FIRST INTERNATIONAL CONFERENCE ON OUTER SPACE IS TO BE HELD SOME TIME NEXT YEAR.

*PHENOMENA FRONT: A young man living in a humble little house in Brazil is astounding M.D's by performing most difficult surgical operations - and free of charge - can use crude tools, no sterilization, medicine precipitated before watchers' eyes; holds up cotton, says "Lord, put anaesthetic, etc. on this;" while operating his whole appearance changes as "spirit Dr." works thru him! "Science should come down from its pedestal, should regard such things as a lesson from a 'large canvas', that

man has much to learn as to the laws of Nature!" This man's name is given as De Arige, 50 Marechal Florianon, Comgonhas Do Campo, Brazil.....HERE, new attitude toward the OVERCOMING OF DEATH IN OUR TIME is being called "CONSCIOUS CONTINUATION". EXPERIMENT: We are told one can take photographic print paper, hold a thot (say of a chair) in mind, hold paper between hands 5 minutes & chair will show up on paper - "hold thot easily, otherwise it will cause fatigue which lowers the power.....Says one writer, "Every thot embued with deep emotion is said to create a form in the ether; thots of LOVE, also of HATE, flock together, they can form huge clouds that even envelop whole nations, wrong kind causing nations to go down thru Fear & Depression; "if one could only become clairvoyant for just ONE day he would see the part EMOTION plays in our world.".....All across the country Truth students seem to be talking more & more about their former INCARNATIONS.....Also, there is a NEW EMPHASIS on INNER DEVELOPMENT, not just following the lure of outward phenomena; 'Symptoms' are said to often accompany this hard inner struggle of the Soul for GROWTH - strange feelings of 'upset', 'homesickness', even 'dizziness' or of 'whirling'.....Man in D.C. was struck by lightning, now has 'clicking in ear' friend told LLP she put her ear next to man's & could hear it, could think a sentence & he could tell her the number of words in it - he can tell if who is approaching is man or woman, etc.Boreham Wood, Eng. has been visited in the wee hrs. by a bugler in a cloak, waking the inhabitants, later he was joined by a drummer, then a bagpipe joined it, etc. - "police getting rings around their eyes trying to catch them but without success," - Mystery!.....A report says that an official Vatican paper is giving space to subject of radio-aesthesia, also SAUCERS, & "will accept anything proven." It is reported that the F.B.I. in N.Y. has a 'REINCARNATION FILE', with 20,000 sets of fingerprints in it; - they aim to find out if certain people 'come back'. (In the 'Marjory tests' her (dead brother brought back his true fingerprints in wax - checked with some left on his razor box).....Also, there's talk of 'voice-printing' as another check on those who are 're-born'.

*HERE: Eng. has just launched her first A-sub.Russia making startling progress in electrical power, says Wells Newsletter....."Turning out twice as many scientists as U.S." says radio.....HERE, 30,000 Jobless in U.S. are drawing Benefits; HERE, 80 million are getting surplus FOOD from U.S. -- SOMEBODY IS SUPPORTING SOMEBODY!!!COMING in N.Y., 'world's tallest' a 50 mil. \$, 2,000 room HOTEL, will be 50 stories high!.....HERE, in India, huge new Nuclear Reactor, 133 ft. high; (India claims she can produce nuclear weapons - BUT WON'T!Japan with 92 million & no place to expand to but in the water, now has the lowest birthrate of any country! OTHERS TAKE NOTE! To help this world the place to begin is with the INCEPTION of life - just like knitting a sock, you begin at the beginning not in the middle, egad! - it's as plain as the nose on an anteater's face.

*SAUCER FRONT: Close-in report says A.F. doesn't want Saucers forgotten, rather, policy is let out SOME news, next, DENY - so as to confuse the issue AND SO DELAY IT. "Unfortunately they haven't been able to curtain off the sky says one writer! NICAP indicates Cong. HEARING is not far off! Rep. Marshall says there is growing interest on Release of UFO info; Rep. Ashley says "I share your concern over the secrecy; Rep. Heisland asks for a change to "COMPLETE FRANKNESS." WRITE YOUR CONGRESSMEN! Subject has now hit the CONG.RECORD!.....Wash. A.F. sent well-known Saucer-Propulsion hound on VERY BUSY INVESTIGATION. Results secret!..... A mysterious object has been following Echo.....Man in Nice, France, photographed strange object that landed on country road just ahead of him, stayed 1 min., then took off FAST with humming; CLEAR photo shows it pushed over tree. Several reports from Eng. & U.S. of "rings" 15-20 ft. left in ground as of imprints where UFO's landed. In France object "color of setting sun" blocked man & wife in car, (10 ft. above ground) then moved to let them pass but then followed them!
