### THE NEWS IN CAPSULE

\*EDITORIAL-----THE FORCES OF LIGHT ARE ON THE MARCH! New Age pioneers are traveling, convening. Spiritual leaders are becoming ultra-vocal. Almost it is the "Loud Cry" prophesied in the Bible, for Earth's evolution is at the Ebb-tide, and all now hangs in the balance! Billy Graham thundered to the National Association of Broadcasters, "You men have the nation's morals in your hands." Joseph Busby, who is on tour from England, is promoting Temples of Wisdom, "lighthouses", worldwide -- for the conferring together of wise men in all countries. He told Washington audiences, "There will be a spiritualization of commerce, of banking, etc., befitting the New Order...Truth pours in through every avenue...Devas can dip their consciousness down to make contact----a warmth is flowing through from inner planes"..... Yet most of Humanity today lives under FEAR. We are witnessing the death struggle of the Old Age as the New Age is being born. And what was that 100-ft. Flying Saucer doing over New York recently, hovering around the United Nations Building in broad daylight, rocking to and fro with a pendulum-like motion? (A clear, sharp photo was made of it by a surveying engineer, who viewed it through his theodolite.) Was it weighing Man's decisions in his greatest of all Halls of Deliberation? And will Man soon be found wanting?.....The Vandalism of the incoming generation, as exhibited by our modern Beatnik youth, is a defiance of Society and a revolt at the taut and troubled world in which this group has (helplessly) found itself. What does their destructiveness mean, but to symbolize a Demolition Squad clearing the way on this Planet for the erection of a New Age?.....Mankind has arrived at a time in his development when he must make a final choice between right and wrong, said the great Canadian researcher, Wilbert Smith. Our scholastic assignment in these unprecedented times is to learn Discernment,-----and COMPLETE RELIANCE ON GOD!

\*IT-WAS-WHISPERED-TO-US DEPT.: It was whispered to us -- That the Gov't has 3 Flying Saucers in storage; That the U.S. could build a free-energy space ship tomorrow if they chose to; That there are 2 landing bases - in U.S. & Mexico - being used by Space people & being heavily guarded by the Gov't; That a well-known researcher inveigled a ride in a small, man-made free-energy Saucer off the coast of N.J.; That a few months ago a Saucer landed at Mexico City Airport & took off in full view; That Basil van den Berg of So. Africa - builder of a free-energy motor - has been hushed up, & that a photo of the Spaceman who came to help him with it, depicts a superior countenance; That Patrick Moore, leading astronomer in England who labeled the Saucer subject "bilge", is really a "fan", has seen & photographed UFO's; That a dead-earnest "TELEPATHY RACE" is now going on between the Pentagon & Moscow - the possibility of mass mental control is foreshadowing a POTENTIAL MESMERIC INVASION of our minds.

\*SKY NEWS: U.S. Army is mapping entire Earth by satellite; purpose - to pinpoint targets for MISSILE shots. (Egad -- the poor "Green Planet"! -- & it's so beautiful) .....Astronomers are seeing strange "bright spots" on the Moon; some - in Crater Tyco - appear to have BEAMS or CHANNELS radiating out from them.....Dr. Lloyd Motz of Columbia U. told Institute of Aerospace Sciences, N.Y., "Most scientists now take it for granted that LIFE EXISTS BEYOND THE SOLAR SYSTEM." ('Bout time! -Ed.)..... Dr. F. M. Johnson, Cal. physicist, told American Physical Socy he believes signals from Intelligent beings on planets in outer space may even now be traveling toward Earth---- & that he may have a way of receiving these signals.....Another sky mystery: Data from "Telstar" satellite has revealed that radiation from Russia's high-altitude bomb tests did pollute Space, but that an UNIDENTIFIED FORCE "quickly cleared radiation in the gap between the inner & outer Van Allen Belts" --!!

\*WORLD REVOLUTION: World society is now faced with a TRIPLE REVOLUTION -- it concerns Automation - Weaponry - Human Rights. It calls for some big shift-over of all human resources, also of habits. Threat to society is so drastic, a huge Committee has been formed of top thinkers, says Chas. Wells. See if they can think a way out of this Stygian wilderness!.....Our space-minded Pres. Johnson sees the Space Program as a "way of life"...He says, "It is my expectation that the Space Age will be an Age of Maturity in man's relationships -- an Age of EXPLORATION -- not EXPLOITATION." .....Saucers came in '47 & drew our eyes to the skies. They initiated the Space Age. Inner circle leaders say Humanity's way OUT is in the direction of Space & Free Energy. Free Energy is often spoken of in whispers on account of the Powers That Be---- but it is THE KEY. Watch the big fight coming - just over the horizon!

\*REVOLUTION IN POWER: Russian mag claims H-power (deuterium) is coming in units the size of a football, which will deliver enough power for a nation----"will make electricity & heat so inexpensive it will be practically costless." Also talk of an "EVEN GREATER DISCOVERY OF ANTI-MATTER POWER" - a way of disintegrating matter directly into energy. They have a Testing Unit which is a "circle" a full mile around. ....On Lake Sarneu in Switzerland, for months weird lights have been seen piercing the night sky. It was found that a lone but brilliant scientist there has invented what he claims is the WORLD'S FIRST DEATH RAY. He directly converts engage into electrical waves, can destroy life cells. He calls it the ABSOLUTE WEAPON!

\*MEDICARE FOR THE AGED: A New Ager demands to know - "Why must we always think of Hospitals every time we think of the Aged? If they gave them the right kind of help, these folks wouldn't be so in need of hospitals!" What Seniors most need is help in RE-ORIENTATION, to keep up with the changes that come to them. There are now 18 mil Seniors in the U.S. -- 1200 of them are over 100 yrs old! Someone has dared to say, "AGEING IS JUST A BAD HABIT." Conjure with this thought! What if----just what if ----there is truth in it? Lift for one moment the world EXPECTANCY of coming Decrepitude. Who shall declare a limit to the yet untapped powers of the mind? "Be ye transformed by the renewing of your mind," said St. Paul. We are fast moving in the direction of 4-D, & there, says Basil King, "Age is BEAUTY -- a changing from perfect to more perfect still." You have a God-given right to demand & claim a good-working body as long as you shall be in 3-D Relativity -- (& incidentally "cheat" those who would profiteer on your illness).....A psychic book written earlier at Washington's famous Dumbarton Oaks quoted a Spirit Guide as saying, "On whatever plane you find yourself, you should LIVE INTENSELY all that that plane indicates!"

\*ESOTERIC FRONT: ESP now getting much public attention; more radio programs on it; college students writing term papers on it----all symptomatic of 4-D coming closer.. .....Here, sudden rise in BLACK MAGIC in England - wild, obscene parties - church graveyards desecrated - hundreds of witches' covens (dens) known to exist; hold conventions where they train others in witchcraft secrets. England asking for new laws against all this.....Reports say poltergeists (mischievous spirits) are more active than ever -- in England the Queen, Princess & 2 other "expectants" hied to a castle for a little rest - & peace; got none! Place was full of poltergeists! A huge clothes bag there even became active as tho "breathing". (Good-night Shirt! -Ed.).. ....And from Jacksonville, Fla., come press reports of ghostly fireballs & wraith-like lights STEALING SILENTLY ALONG STREETS & AROUND HOUSES. One woman said a glow moved thru her house, then glided out into the street; left her with tingling feeling -- like stinging of needles. Some lights were  $\frac{1}{2}$ -block long!

\*HEALTH FRONT: KREBIOZEN is not dead! Massive rallies for this effective cancer treatment were held in N.Y. - Dr. Ivy defended it over radio (WOR) - also Dr. Carlton Fredericks on Long John program; latter accused AMA & FDA of multiple trickery to discredit Krebiozen & thus cover up past scandalous deeds; he told how AMA is pushing research ALONG LINES IDENTICAL TO KREBIOZEN, hoping to come up with their own version, which they will then claim is original; they would thus be free from blame for the millions of cancer deaths since 1951 (when Krebiozen was introduced). In mid-May, Herbert Bailey's "A MATTER OF LIFE & DEATH" will be re-issued in paperback -- a stinging indictment of the U.S. Medical Oligarchy; at same time, a documentary on Krebiozen will be carried on network TV (Timex) - showing the nation just where the truth lies in this battle.....Each yr 40 mil \$\$ is collected by the Cancer Socy -- 12 mil goes for research, says Dr. Scott of the Socy, 25 mil for "education" (publicity & self-promotion, that is).....Many lung cancer patients are suing the Tobacco Companies -- poses serious financial troubles for mfrs in coming months..... New emphasis being put on Vitamin C (citrus, etc.) -- now found to boost body's hormone action; also on use of CORN, which is rich in magnesium ("cancer preventative") .....U.S. DRUG TRUST PLEASE NOTE:- Russia makes regular studies of nutritional diseases, as such.....Prodded by the late Rachel Carson, scientists are at last beginning to put to work knowledge they've long had - & are producing miraculous BIOLOGICAL ways to kill the offending insects WITHOUT HARM TO PLANTS, ANIMALS OR PEOPLE. Viruses ("living insecticides") will soon be available to farmers; they infect only the bugs & eliminate them without eliminating YOU.

\*.....'SCUSE US-----someone has just brought a pot of fragrant ham & baked beans to the Garden -- we'll commune with Caruso the mocking-bird & enjoy the Disney-like coloring of redbird & chartreuse "carpeting" on the ground....Wonder why ants play "follow-the-leader"....There sits a painted butterfly sunning itself.....

\*WAR: Here - Strike against war----some people withholding 60% of their income tax, which they claim goes to war.....AEC now admits fallout from underground nuclear testing in Nev. (via vents in ground), which is creating Cancer hazard to children over entire Continent, but "will not alter in any way its program, regardless"..... Here, sales in toy weapons in U.S. were over a bil \$\$ last yr; (report says there was a market increase in production of war toys just before WW-2; "today Germany understands the connection").....Herbert W. Armstrong's program (radio, worldwide) declares we are now living in the DEATH THROES OF CIVILIZATION AS WE KNOW IT..... Raymond Gram Swing warns that the world is in the most dangerous 25 yrs of its history; after small nations get the Bomb, "it will be too late"; war is no longer a recourse; JOURNALISTS ARE NOW ELEVATED TO THE PLACE OF STATESMEN, since "mental persuasion is now the only tool between peace & world suicide".....Reds have installed a ringside observation seat in Cuba, where watchers can see what goes up from Cape Kennedy.....Press Apr. 17 said House has voted funds for next batch of "ultimate weapons" - including Death Ray, ultra-hush plans re LASERS, nuclear-tipped ICBM's & orbiting H-Bombs which could be routed to targets on command. (All this hideousness was foretold in mid-50's by the "spaceman" in Dino Kraspedon's book, "My Contact with Flying Saucers". Also read 2nd Peter 3, verse 10, & 2nd Timothy 3rd Ch.) British author & physicist C. P. Snow writes of "statistical certainty" of NUCLEAR WAR BY ACCIDENT unless the arms race is halted.....Sec. of Defense tells Congress (also warns Russia) that we have a strategy which - in event of surprise attack - can destroy the Soviet Union & its Allies as national societies.....We now have a "heat-seeking" weapon with which a single foot-soldier can destroy the heaviest enemy bomber flying overhead.....Report says that mid-Feb. '63 more than 1000 scientists met at Sorbonne Univ. in Paris to discuss all problems connected with Death Rays & the plan to keep their widespread existence secret.....'Tis said Luther Burbank prayed over the roses & they grew without THORNS. Oh! the ELOQUENCE of Nature! And what a commentary on the ways of men!

\*THE BIG EYE IN THE SKY: As you stroll in the park or hang out the wash, look up & remember that "Russia & the U.S. are now BOTH CONSTANTLY WATCHING EACH OTHER VIA TV-EQUIPPED SATELLITES going overhead every 2 hrs." They can see & identify even buildings in cities. As far as is known, no power as yet can shoot down a satellite, but it's a safe guess we'll soon have some kind of remote-control weapon operating - & the era of Buck Rogers-style space combat will be upon us.

\*SAUCER FRONT: FLASH!! LATE BULLETIN---New UFO Flap in West---Helena, Mont. Apr 30--  
4 youths saw a UFO land along shore of Missouri River; it touched down "a few seconds" & took off. Sheriff's deputies found 4 cone-shaped holes, 6" deep & 6" diam., 13 ft apart; in center was 4-ft circle of burned vegetation & blackened earth..... Earlier, near White Sands Missile Range, N. Mex., policeman watched an "aluminum-like Saucer" with 4 "girder-like legs" parked in the desert 30 mins. emitting smoke; he drove within 100 yds of object, when it slowly rose & flew off, staying only 20 ft above ground. Left burned bush & 4 small depressions in earth. Chief Sci Adviser of USAF, Dr. J. Allen Hynek, was dispatched to the scene; soil samples now being tested. ....Elsewhere - in Melbourne, Aust'l, a lady school-principal & 2 pupils, while driving, saw a "shiny disc" cross the road in front of them; they stopped, walked a short distance & peered thru the roadside bushes. Near the landed Saucer stood a "small humanoid creature - about 3½ ft tall - with glossy coveralls & a bubble-type helmet", taking samples of sod & plants in the field. Then the "man" went under the suspended Saucer, stepped into it & the craft zipped quickly away.....At an RAF base in England Jan. 7, a "bright dome-shaped object" came down behind an airplane hangar. It shot a green beam around; as 2 RAF men watched, a trap-door in the upper part slowly opened. The men ran. Air Ministry gave Muddled Explanations. F. S. Review comments: They won't keep the UFO's secret much longer with this LACK OF COORDINATION AT THE TOP.....Civilian pilot confided: 3 U.S. airlines have reports from their pilots of Saucer sightings which were so close that "people could be seen thru the portholes." Airlines tell pilots NOT TO TALK TO PUBLIC re sightings.....Writer tells how a Saucer flew over a house in an isolated district of the U.S.; as it hovered, ALL THE LIGHTS in the house pulsated -- exactly in time with the pulsating of the Saucer.....In Britain, color movies of Saucers were studied frame-by-frame, under a microscope. The shapes "changed with bewildering speed" - giving observers a clue to their means of propulsion -- shows powerful magnetic forces at work..... Former Air Force Chief, Gen. Nathan Twining, told NICAP meeting in Wash'n that "we had made every conceivable effort to contact the Saucers, but COULD NOT CONTACT THEM ----for PHYSICAL REASONS." Asked, "What do you mean, 'physical reasons'?" he replied, "I've said too much already!".....Oct. '63 in Cordoba Province, Argentina, an entire family had their house besieged by five 25-ft Saucers, while a 6th hovered ½ mi away - over a RR track - where "men" could be seen moving to & fro under it. Beams of light from the Saucers caused the house to heat up "like an oven". After 40 mins, the UFO at the tracks rose & - followed by the other 5 - took off. At same time, a neighbor 1 mi away spotted a "formation of 6 discs going across the sky".....The British UFO Assoc's fine new Journal gives detailed account of last summer's "wave" over Austria. From July 28 to Aug 24, discs dashed thru the night skies, zig-zagged, flew in formations, WERE SEEN ENTERING MOTHERSHIPS, affected magnetic compass needles, etc. One flock of sightings lasted 4½ hrs!.....Personnel at airport in Pakistan told a touring F.S. lecturer, Saucers are seen so frequently there that they are now taken for granted.....Saucer skeptics please note:- Cambridge & Oxford Universities (timeless symbols of respectability) now have their own active UFO Investigation Groups----these young men are in earnest!.....Official of Britain's Ministry of Aviation sends an EYE-POPPING letter to a man who saw a Saucer; he writes that he regrets inability to get Gov't verification of the sighting, but ends with this: "I would add a personal note -- that I myself believe that WE DO HAVE AERIAL INTRUDERS." .....From So. Africa come 3 reports of 100-ft hat-shaped Saucers descending close to sighters, hovering a few mins, scattering beach sand in all directions by their strong down-draft, then flying off. Some witnesses felt "charged with electricity & semi-paralyzed". One Saucer had several brightly lighted portholes.

\*A SPECTACULAR SIGHTING: SBEDV Bulletin, just in from So. America, reports on a UFO behaving strangely: On a beach near Maceio, Brazil (12/19/63), a goldsmith & a group of fishermen saw a rare spectacle----lasting a FULL HOUR. A 90-ft disc -- metallic "like aluminum" -- dropped straight out of the sky & halted a few ft above the sea - only 40 yds from the men on shore. Water beneath the craft was whipped up - as if by a powerful suction. Around the thick rim, a row of "square windows" gave off a red glow; atop the craft was a dazzling light - "like a welder's arc". During the hour, the UFO LURCHED UPWARD & PLUNGED DOWN REPEATEDLY - with a series of short buzzes & some "earshattering noises"; finally, it zoomed out of sight.

\*ANOTHER UFO DOCUMENTARY: Powerful 50,000-watt Radio WBT (Charlotte, N.C.) blanketed the Southeast with its 2nd hour-long Documentary on UFO's -- this time on Communications from the Saucers; used clear, compelling logic to make a case for authenticity of certain Space-messages; showed how totally unrelated sources (Edgar Cayce, Dino Kraspedon, Louise Morse, etc.) gave strikingly similar facts - & PREDICTIONS WHICH HAVE SINCE COME TRUE. Basic theme:- the Saucers are BENEVOLENT -- they are watching & waiting -- will interfere only in extreme emergency....Producer Jos. Myers made the show sparkle with lines from the Morse "Lessons" -- profound material channeled from higher sources. (For information on this unusual material, write to the Morse Fellowship, 1613 Park Ave., Alamogordo, N.M.)

\*PUBLISHING NEWS: Reports says a well-known author has just had a book rejected by his publisher because it is "too hot" -- deals with PROBABLE LASER WAR IN THE FUTURE, etc.....Here - double whammy on a sleeping public:- Rachel Carson's firebrand, "SILENT SPRING", is now in paperback on all stands -- & just out, Rodale's 736-page book, "Our Poisoned Earth & Sky" (took 6 yrs to write) - says we are on a disaster course from which NO LIVING THING ON EARTH CAN ESCAPE unless we correct it immediately. TV has shown piles of dead European birds killed by poisoned seeds. Even our soil is drastically depleted in the interest of quick profits.....Here, "Venture Inward" - much talked-of new book by Hugh Lynn Cayce.....Buck Nelson's book re his flight into Space now being published in Germany.....Just out: 3rd Book of Azrael (White Brotherhood) - is selling very fast; note circular.

\*VISITORS TO THE LLP: George Adamski - on big lecture tour with EXCELLENT COLOR MOVIES OF FLYING SAUCERS (discs & Motherships against a bright blue sky, going behind trees, etc. -- pronounced unfakeable by Hollywood cameramen); films are among the best UFO evidence existing; "GA" on radio & TV here, addressed large groups, roused much interest among VIP's.....Chas. McCrae from Denver - Saucer researcher.....Jos. Myers from Charlotte, N.C. - told of week-long "Saucerama" at shopping center there, at which crowds heard UFO documentary repeated daily over loudspeakers & viewed huge photo-display of Saucers.....Earl Neff, Cleveland, whose monthly "UFO Roundtable" over Radio KYW has entire Midwest talking.....Young callers, originally from Berlin, told of horrors of war, feel sure Hitler is still alive, have turned to the Interplanetary Gospel as world's only hope.....Gordon Allen from Oregon - author & F.S. researcher who goes to Europe twice a yr in this work.

\*MAILBAG: Many gift subscriptions keep coming in. One person sends us 7.....N.C., Cal., says, "Please continue LLP----I'll absolutely not be without it!".....Cosmic Brotherhood Assoc., Japan, airmails re LLP, "We especially like Sky News & Saucer Front -- believe LLP is one of best magazines in the Flying Saucer research world." Their magazines are truly WORKS OF ART & full of Saucer photos.....Edith Nicolaisen, head of Saucer work in Sweden, writes of their active publishing program & translation of New Age books; she's a very hard worker.....Fred Stone, Australia's Saucer expert, sends us a tape; on it, he surprised us with several solos with orchestra accompaniment -- his voice is quite "out of this world"! Says he's writing a song around one of LLP's new Mottoes (the one about the "Great Morning" that's coming)... ..Please forgive any unanswered letters----all are carefully noted & enjoyed -- answered if possible. Thanks for gifts of stamps, needed & appreciated.

\*NOTICE TO LLP FAMILY: We want every subscriber to have a set of our new LLP Mottoes - note yellow page herewith. We are so anxious for these "Silent Sermons" to get out & do their work, that we want to make it possible for every reader to procure a set while they last. When the present printing is gone, it will be too late. If you cannot afford the amount named, send half the amount; those able to send more may do so, & it will balance up. But help us to GET THEIR MESSAGE OUT!

\*THE LITTLE LISTENING POST is issued every few weeks - when the news boils over - from Washington, "news capital of the world"...It is listening on the FAR-OUT FRONT & is trying to help map the 3½-D Wilderness about us. Human knowledge has doubled in the last 25 yrs. When will man organize this knowledge so as to transmute his suffering? The world has reached the period of cleansing when IT MUST EITHER GO BACKWARDS, or RISE ON WINGS OF LIGHT.....The avenging Angel waits!.....Listen in with The Little Listening Post!!

\*STOP-PRESS FLASH!! -- Report has just come in that an Adamski-type Flying Saucer was seen in downtown Washington -- over city's largest dep't store -- 11th & G Sts., NW, at 3:20 PM. Body was of SILVERY METALLIC SUBSTANCE; 3-BALL LANDING GEAR WAS CLEARLY VISIBLE -- underside was "olive-green color". Object going fast - paused slightly in its course, then resumed speed & went out of sight after 15 sec. Estimated altitude - 12,000 ft; totally silent. Two spotters shouted & crowd looked up, crying "Space ship! Space ship!" (And now what are Saucers doing over Washington?)

\*NEWSCASTER SLASHES AT SAUCER SECRECY: Frank Edwards, fearless network commentator who was fired 10 yrs ago for insisting on telling the truth about Flying Saucers, is making a whirlwind tour of key cities in U.S., promoting Saucers & his new book -- "STRANGE WORLD". Earl Neff (Radio KYW) imported him to Cleveland & saturated the city with 10 radio/TV shots & a big lecture, in machine-gun fashion. Next, a jet to Hollywood & the coast-to-coast Art Linkletter show (both TV & radio); then to N.Y. for a 5-hr stint with Long John (WOR)...Some of his highlights: "In 1954 the Gov't offered me a job at a very high salary -- I would be under security & could no longer talk about Saucers; I turned it down!"...."The most amazing scientific instrument we have is the typewriter at Air Force HQs that turns out these FABULOUS STORIES ABOUT THE NON-EXISTENCE OF FLYING SAUCERS"...."Orders of secrecy (re UFO's) come from the top -- the Air Force is simply the 'fall guy'"...."The U.S. Gov't has in its files in Washington a great many close-up pictures of UFO's -- but Gov't restrictions prevent you from seeing them!"...."Hundreds of reports from all over the world tell of little creatures being seen near landed Saucers -- they all agree on details"...."Gordon Cooper, on his 15th orbit of the Earth, radioed down that a GREEN GLOWING DISC-SHAPED THING WAS APPROACHING HIM; 200 people at the Muchea (Australia) tracking station saw the UFO for 2 mins; because it changed course, direction & altitude, it appeared to be under intelligent control; NASA prevented Maj. Cooper from talking about it, later".....The untamable Frank Edwards has rebuilt his national radio audience via syndicated shows -- now on 185 stations; his newspaper column (on same theme of the Unknown) reaches even to Europe; he addresses conventions; he is a prof of radio/TV at Butler Univ.....On the fight vs the Saucer Censors, he writes LLP, "We haven't won yet----but it is now becoming increasingly clear we can't lose!"

\*OFFICIAL ADMITS HUSH-UP: After a flood of UFO sightings in Australia last fall, the Victorian F.S. Research Socy asked for a Parliamentary resolution to have the Gov't probe the UFO mystery. In reply, the Defense Minister admitted the Gov't does have a UFO investigation going, but considers there is "NO REASON FOR MAKING STATEMENTS TO THE PUBLIC AT THIS TIME." (There is something to tell, but Papa Knows Best! -Ed.)
