THE NEWS IN CAPSULE

A MESSAGE TO NEW AGE PEOPLE

***EDITORIAL-----YOU'RE IN THE ARMY NOW!** Man's greatest fault has ever been his acquiescence in things negative. He doesn't seriously object to his suffering. He is bound by his age-old inertia and doesn't know it.....Now, under the shadow of the H-bomb, old philosophies no longer hold----no longer guide or comfort him----and "today millions of people are searching for a meaning to life," says the incisive Billy Graham.....Among the world's confused masses, New Age people are those who have caught a Vision. They have caught it because they are sensitized to a NEW LIGHT THAT IS SHINING. Their numbers are increasing. More and more, Evil is having to perform its tricks under the searchlight of exposure, and what was thought to be the "nin-compoopery" and ignorance of the masses, will prove to be an awakened sense of justice to be reckoned with. New Age people are the Avant Garde of "this new world that is struggling to emerge" (so defined - just recently - by former Prime Minister Macmillan). There is no "Organization" that can equal SPONTANEITY! "There is no power on earth like a human soul on fire." New Age people are organized only by the SPIRIT within them, but they are becoming an Army. They are Spiritual Volunteers of the NEW ORDER....."The Military" embodies the qualities of LAW!--ORDER!--PURPOSE!--PRECISION!--PROMPTNESS!--DISCIPLINE!--DISPATCH!--CLEANLINESS!--COURAGE!--CAMARADERIE!--TRAINING AND TACTICS!--POSTURE!--ESPRIT DE CORPS!-----all these qualities can be described as SPIRITUAL qualities, and they are the very qualities now needed in the work of the NEW AGE ARMY! For we are in an Army greater than any ever known to earthly warfare. The New Age Army reaches skyward. The tramp of soldier feet can be heard on an invisible bridge that spans the dark chasm over Defeat and Death, where Man reaches and rides on wings of faith into the glorious sunrise of the 4-D world.....Yes, you're a soldier now! Shed non-essentials! "Travel light if you would go far!" Is your Bivouac in order? Is your Sector in shape? You're IN the Army now--!!

***IT-WAS-WHISPERED-TO-US DEPT.:** It was whispered to us....that astronomers have been "hushed" re the Moon; also that one close-up picture sent back by our Ranger Moon-shot "slipped thru" the censors' screen----the one that showed a white spot in a crater----& that this was a "SPACECRAFT HANGAR" OVER 10 MI. LONG.....It was whispered to us that Russia already has 2 men on the far side of the Moon & that the Moon is inhabited on that side. No verification, but our source was high enough to be very intriguing! Watch!....ILP watches everything!.....It was whispered to us that TOP-LEVEL GOV'T MEN HAVE ATTENDED DETAILED BRIEFINGS ON UFO'S UNDER TIGHTEST SECRECY REGULATIONS--IN WASHINGTON.

*SKY NEWS: SPACE OR BUST! July 14 Mariner's 325-million-mile MISSION TO MARS was successfully completed. Called IMMORTAL VOYAGE & a RENDEZVOUS WITH HISTORY. The cosmic history books will surely log this date as Earthman's great step toward joining his Family of Planets.... Mariner took 21 pictures of Mars. All but 1st 3 are being withheld "for weeks"; press & public clamorous----want to see what their money has paid for----suspect cover-up of what may show up in the films (artifacts, et al). First 3 photos did show strange round white spots, about 1 to 2 mi. across. Are they artificial "things"? NO EXPLANATION YET!..... July 16 Russia shot skyward a 13-ton unmanned space station----heaviest object yet in orbit.....Here, in the State Dept., NEW DESK for Outer Space. "Maybe some day a MOON DESK & a MARS DESK!" There is now talk of Space Stations as "resorts", complete with restaurants, bowling alleys, skating rinks, a "Starlight Room", etc. -- \$10,000 for a round trip. (Remember, Jules Verne came true! -Ed.).....Speaking of Space, NASA says we "ain't seen nothin' yet"; ere long, spacemen may take an hour-long walk around the Earth with a rocket engine on their back & no umbilical cord. WOW!..... U.S. space experts now say we'll explore the SUN in 10-15 yrs! While the inside of the Sun is extremely hot, the surface is only 10,000° F, the same as the surface of our manned space capsules as they re-enter our atmosphere. A new high-speed movie of our Sun shows its surface to be in constant motion----"like a storm-tossed forest". It is honeycombed with cell-like patches of some 20,000 mi. across, from whose edges shoot gaseous flames. Seen leaping up from the Sun's perimeter, these 5000-mi-high fingers of flame are awe-inspiring beyond belief! (No wonder Earth has had its Sun-worshippers. -Ed.).....Radio communication is possible today over 500 trillion miles!..... The U.S. NOW SPENDS FIVE BILLION \$\$ A YEAR ON THE SPACE RACE.....Exobiologists, scientists probing life in Outer Space, believe there is some sort of life on 30% of ALL THE PHYSICAL BODIES IN THE UNIVERSE (a fantastically high number). Well, bacterial life teems even in such unlikely places as the Dead Sea, super-heated water used in Atomic plants, etc. (Get ready for some surprises! -Ed.)

*OBSERVATORIES IN THE SKY: In the days when Space writer Arthur Clarke (then head of the British Interplanetary Socy) visited the LLP, we speculated & looked ahead to the time when we would have a telescope on a Space platform, where Earth's murky atmosphere would not distort our view. That time has almost come! NASA tells LLP they have now scheduled 5 SKY OBSERVATORIES; 1st will go up early in '66, will carry a 36" scope which will show detail 3 times as fine as Palomar's big 200" scope, due to the crystalline character of Outer Space.

*EARTHQUAKES: Coming in Nov. at Amchitka Island in the Aleutians -- an underground Atomic test. Purpose: "to detect the difference between an earthquake & a Russian A-bomb." Code name is Project "LONG SHOT". It will be a long shot if it triggers the San Andreas fault-line! Our earthquake map shows these islands are not far from the fault. LLP took the matter up with Pentagon official, who listened with interest & surprise to idea that many fear such a disturbance & its possible consequences. In this area of the Aleutians there are 100's of earthquakes a yr. There is much criticism of our continuing A-tests...Geologists say the ocean floor of the Pacific is rising. Some deeper students claim Atomic explosions have an effect right down thru the earth & have made tests that showed invisible pockets of magnetic force as a result.....(July 11 a U.S. radar plane ditched in the Atlantic, 8 lives lost; report said it was "as though it had struck a brick wall!")

*HEALTH FRONT: Public Health Service admits 30,000 persons a yr get hepatitis from blood transfusions; 3500 die! Many drinkers sell their blood to buy more liquor, ad infinitum; all of which is enough to make you want to take the highest road to health you can find..... A writer has recently expressed the opinion that the 3 biggest crimes in the history of Healing are: (1) The crucifixion of Jesus; (2) the persecution & Gov't prosecution of Dr. Andrew C. Ivy of Krebiozen fame & de-fame; & (3) the repeated jailing of Jose Arigo by the Brazilian Gov't----according to last reports, he is still in jail; "he takes no money for his work, & as many as 2000 people a day have stormed the jail demanding his release." Arigo is a world-famous spiritual healer & is said to have healed 1 mil people. The Brazilian Gov't has been receiving protests from other countries regarding this treatment of Arigo..... Truly humanity martyrs its saviors!.....Krebiozen trial will be long-drawn-out in Chicago; soon Dr. Ivy will take the stand----then WATCH!

- *A SAUCER PIONEER PASSES: The Adamski Foundation has received great numbers of letters from all over the world relative to the passing of George Adamski, who died in nearby Md. Apr. 23, while on a lecture tour. He was buried in Arlington National Cemetery, having served in WW-1. Adamski was a world figure & a controversial figure, who was practically a martyr in trying to help the world stretch out its concept to include INTELLIGENT LIFE ELSEWHERE THAN ON PLANET EARTH. His first book, "Flying Saucers Have Landed" sold a quarter million in hard-cover & proved to be a flying wedge in cracking open the Saucer subject....Farewell to a Pioneer-----G.A.!
- *IDEA, TEXAS SIZE: A Texan (CBS stockholder) "incensed by the violence, crime, brutality, sadism & sex on TV" has launched a daring campaign to gain control, by proxy vote, of CBS network programing policy! He has written 10,000 letters to CBS stockholders-----a "chain letter" to line up 4,000,000 proxy shares. He has conviction majority will stand behind him. Shows New Age is ready to break thru!
- *THE MYSTIQUE OF SPIRITUAL HEALING: It may be that its secret is just the 100% conviction that God loves us. This relaxes us----& normal functions resume.
- *IS THE SPIRIT OF PENTECOST BEING POURED OUT TODAY? We hear of more & more Phenomena. "Your old men shall see visions & your young men shall dream dreams...They shall speak with tongues...They shall heal the sick..." The world is awakening to the power of thought to manifest itself, says an advanced teacher----"we should no longer be surprised at 'miracles'." The backward & impoverished Philippines seems to be a HQs for much strange phenomena -- some good, some bad. LLP attended a crowded meeting at which Rev. Sumrall, missionary just back from Manila, swayed his audience with graphic descriptions, & effected healings on the spot. A color movie vividly documented the "casting out of devils"-----almost as in Jesus' time....He told of a boy who HAS THE POWER TO BECOME INVISIBLE RIGHT BEFORE PEOPLE'S EYES. Says Devil-worship is growing thruout the world at a tremendous pace----certain political leaders even seek guidance from witchcraft. Says crime waves are Devil-inspired. He described a "hell-hole" in Manila peopled by 1 mil slum-dwellers -- no sanitation -- even police shun the place. But "God's power is now manifesting" & they are erecting humble churches there....Twice at this meeting SOMEONE SPOKE "WITH TONGUES"----NO ONE WORD UNDERSTANDABLE, yet strangely impressive - as someone intoning a prayer over the plains of long ago. It was a night to remember.....
- *THE BOOK-MAKERS GATHER: LLP looks in on Int'l Publishers Assn Convention at Washington's dazzling new 35-mil-\$ Hilton Hotel. Theme of congress was "World Change"State Dept. gave them same treatment as heads of State----pointing up importance of the printed word. Foreign countries now alert to economic impact of Publishing Industry----even Africa getting into the act. BOOKS ARE BASIC - yet are now challenged by TV, Telstar, computer-storage-of-facts, etc. etc....Pornography called universal----even worse in Asia; it flourishes due to "anti-censorship". World ferment in Education has produced "startling increases in book consumption". In some cases U.S. exports of books have jumped 100%....WIELDERS OF THE PEN ARE LOOKED TO AS THE REAL STATESMEN OF OUR WORLD'S SHAKY FUTURE. Publishers are the gatekeepers of cascading world opinion. Their role is indeed vital.
- *COMES A BIG FOLDER THRU OUR MAIL ABOUT THE LIFE EXTENSION SOCY: HQs, Wash'n, D.C.-egad!----where M.D.'s apparently become some kind of "repair mechanics" for rebuilding your body. They have "transplants", refrigerated & stored "organs", & there is a plan now to transplant even brains....How long will it be before they build ZOMBIES & FRANKENSTEINS? Great Caesar's Ghost----Man is SPIRIT!!
- *HAWAII SWEEP BY SAUCER EXCITEMENT: UFO's are currently the "talk of Hawaii"! Radio station KIKI has a big 3-hr "talk show" every day featuring Flying Saucers & related subjects. In 4 weeks they've captured 70% of the total radio audience! Many sightings day & night----listeners tell about them ON THE AIR, via phone-in. On June 12 a V-formation of 5 UFO's hovered silently high above Honolulu, then swooped down over St. Louis Hts. & disappeared. 15 Saucer reports were broadcast within a few days; over famed Waikiki Beach, strange objects were seen EVERY NIGHT FOR A WEEK. NICAP's big 184-pg book being fed to the radio page by page. Esoteric tapes being played. A U.S. judge was so anxious to hear a certain tape that he adjourned his court so he could listen!....Insiders expect some "climactic phase" very soon. AP & UPI wire services are monitoring & recording the program every day in case of a MAJOR NEWS BREAK (contact?)....Newsmen say they will break the news----IF----!!

***SAUCER FRONT: "MYSTERY OF UFO SPREADS"**, headlined the San Francisco Examiner July 16 as newswires around the world buzzed with a steady barrage of Flying Saucer reports -- from France to the Antarctic to Australia to Japan.....France grabbed the UFO spotlight July 1. Farmer Maurice Masse of Valensole, walking in his fields at dawn, was startled to see a football-shaped craft on "4 crutch-like legs & a central pivot". He said a DOOR SLID OPEN & A HUMAN FORM EMERGED -- ABOUT 3 FT. HIGH, in "what could have been a space suit". One other person could be seen inside. As Masse approached, the figure scuttled back into the craft & it took off obliquely with a whistling sound. It left 4 prints & a central hole; the ground was packed as hard as concrete.Two days later they were in Antarctica. A "mysterious lens-shaped flying object" was officially reported by the commander of an Antarctic base of the Chilean Air Force. It zigzagged rapidly, changed colors (red-green-yellow-orange) during a 20-min. period. British & Argentine scientists at a nearby base said their ELECTRO-MAGNETIC INSTRUMENTS "WENT WILD" WHEN THE UFO WAS OVERHEAD. Color photos were taken.The AP world wire July 11 reported "strange objects moving thru space" over 2 areas of Portugal. The Azores Weather Bureau claimed interference from a cylindrical, white UFO STOPPED ITS ELECTROMAGNETIC CLOCKS FOR 45 MINS. Another, over Oporto, was "luminous orange, with green rays shooting out from one side." While overhead, there was heavy static on radios.....On July 14, as the Canberra, Austl., tracking station began picking up signals from the Mariner Mars probe, ground crews spotted a UFO only 5000 ft. up, glinting in the sun. During the 40 mins. it hung there, the signals from Mariner were "irregular"......The same day, residents of Warminster, Eng., sighted a large fiery object glowing in the southern sky.....On July 13, the AP said "thousands of persons in Ohio, Pa., W. Va. & Md. watched in bewilderment last night" as a giant UFO moved slowly to the west. Thousands of calls were made to police, radio stations & air bases. FAA said the UFO was "hundreds of ft. in diameter & flew at altitude of 90,000 ft."......In Japan, celebration of "INTERNATIONAL FLYING SAUCER DAY" June 24 brought forth UFO's by the dozen. Over 500 observers at the Saucer monument in Haiopira Park, Hokkaido, watched all day & on into the night, with telescopes, binoculars & special cameras. They were rewarded by a DISPLAY OF UNEARTHLY CRAFT WHICH AT TIMES "FILLED THE ENTIRE SKY". They came singly & in V-formation. Watchers tallied 130 UFO's----some so large "they could not fit the view-finders of cameras with telephoto lenses". (BRAVO, CBA Japan! -Ed.).....After Astronaut Ed White's spectacular "walk in space" June 4, his Gemini twin - Jim McDivitt - took movies of a UFO only 10-12 mi. away. NASA first announced the movies showed nothing -- but a week later released 3 color photos showing a bright oval object with a fan-like tail of light.....Three huge UFO's -- about 1000 ft. in diameter -- paced a U.S. Flying Tiger airliner nr. Anchorage, Alaska, for 30 mins. in mid-Feb. Radar showed the glowing red objects to be 5 mi. away. Pilots said they see UFO's OFTEN between Alaska & Japan.....Washington, D.C., had a lively time from July 1 to 22, tallying 15 sightings. A doctor relaxing on his patio at 7:45 PM was jolted by the sight of a "silvery oblong object without wings, high up in the blue" -- moving very fast. An engineer - visiting from Phila. - spotted 4 erratically-moving "stars" on 4 nights. Two Arlington citizens reported a "glowing green globe" that swooped down & up, "like a roller-coaster"; later they saw another, glowing orange. Two electronics engineers - regular sky-watchers - logged 8 separate flights of "Unknowns"; some changed colors (white-yellow-orange-red), one moved in a giant S-curve..... Famed radio-TV star Arthur Godfrey told his network audience June 25 how he was "surveyed" by a brilliant moving light while flying near Phila. in his private plane. It circled his plane, then flew steadily alongside despite his dodging attempts.

***A NEW FLYING SAUCER MOVIE HAS WASHINGTON STIRRED UP!** Taken in color by Madeline Rodeffer of nearby Silver Spring, it shows a Saucer with dome & 3-ball landing gear, hovering at tree-top height over the Rodeffers' front lawn. The UFO fills half the screen. As it sways from side to side, ONE LANDING GEAR IS SLOWLY RAISED & LOWERED. A rotating "power coil" can be seen atop the dome. The craft is deep blue against a pale blue sky. Apparent size is about 30 ft. in diameter. Film was shown to a key Congressional committee -- the Science & Astronautics Comm. of the House of Rep. Its chairman, Rep. Geo. P. Miller, ordered a copy sent to the Air Force (AIFC, Wright-Patterson Field, Dayton, O.) WITH A DIRECT REQUEST FOR THEIR ANALYSIS. AF has had it 2 months; despite the Congressman's strongly worded letter, there has been NO REPLY as yet!!

*PUBLISHING NEWS: Coming in Aug., "A GIFT OF PROPHECY: THE PHENOMENAL JEANE DIXON" by Ruth Montgomery; big condensation in July Reader's Digest----tells how Washington's famed seeress really uses the crystal ball.....And watch for this in Aug. --the new book that opens the "door to the future"----Bryant & Helen Reeve's "THE ADVENT OF THE COSMIC VIEWPOINT", pub. by Ray Palmer, who will also re-issue (in paperback) their widely-acclaimed "FLYING SAUCER PILGRIMAGE".....Adamski's "INSIDE THE SPACE SHIPS" is now out of print; "UFO fans in N.Y. offer as much as \$30 a copy".....Just out, "THE QUEST" by Tom Allen - "a report on extraterrestrial life".....Here, new volume by Dr. Marcus Bach (New Age), titled "LET LIFE BE LIKE THIS".....Here, new magazine, "PSYCHEDELIC REVIEW", devoted to the "consciousness-expanding drugs"----LSD, mescaline, etc.; 75% of those who tested drugs reported spiritual revelations. STRANGE NEW FRONTIER----said to penetrate a barrier closed to ordinary men.....Here, Science Fiction Omnibus by Arthur Clarke - "PRELUDE TO MARS". Clarke's fiction stories are more than fiction; he is called "Father of Communication Satellites"---he spins out his ideas & they soon take shape in reality.....Regency Press, 43 New Oxford St., London W.C.1, sends catalogue of fascinating titles----on all things occult. Write for one--- 'twill make your mouth water! ...Rec'd from D.A. Devitt, 68 Rutland Crescent, Trowbridge, Wilts., England - "1965 HANDBOOK OF OCCULT & RELIGIOUS MAGAZINES"; 37 pgs of briefed description of all best-known bulletins, mags, etc. in this far-out field; also lists all Humanitarian organizations.....Just out - "AN INTRODUCTION TO PARAPSYCHOLOGY" by Samuel Kahn, M.D. & Ph.D. (Vantage Press); probes psi phenomena, which many believe "may spell the future---or end---of mankind".....With the rising interest in UFO's, more people are seeking UFO books at their libraries----& often not finding them. Join the concerted effort to get UFO books in libraries by persistently asking for them---you do have a right to read them!

*MAILBAG: Letter from W.W., Hawaii, reports UFO's over Waikiki Beach every night for a week; also "20-ft waves reaching our shores from direction of Mainland----carrying ocean-bottom debris"! What does it mean?.....J.G., Alaska, airmails: "I was talking with a man who had just arrived from one of the Floating Ice Islands (latitude 81° N). He said, 'The darndest thing happened up there on that barren island of ice. Some ptarmigan landed in camp one day----first time such a thing happened, as they were 100's of miles from the nearest food!'".....Library of Congress writes, asking for sample copy of LLP, in order that it may be placed on file with them - as are other publications in Ulrich's World Directory.....UFO Study Club of Kansas City sends bouquet: "LLP contains more of the up-to-date happenings in UFOlogy & many other fields, than any other publication we know!" (Thanks! -Ed.)....Bioia Library, La Mirada, Cal., writes, "Our library has decided to collect magazines on Flying Saucers & UFO phenomena." Orders all back issues of LLP.....It has been suggested that in view of the worldwide student revolts today, the intensity & incessant searching of this disillusioned Age Group, that the LLP should be placed in all College Libraries----that its big, briefed-in picture would help them find, a New Horizon.....A note of humor comes from L.J. Carter, Secy British Interplanetary Socy; in replying to our letter that we saw him at the London Airport where the Gemini-4 launch was world televised, he said, "I'm delighted that at least someone saw me via Early Bird!".....NOTE:- LLP does not sell books. And, since it is hard to ans. much mail, please ask your library where you can procure books. If they are "off-beat" books, we suggest you write to Allen's Book Shelf, Mt. Shasta, Calif.

*THE PASSPORT TO GREATNESS IS HOW MUCH YOU CAN DO TO HELP OTHERS.
