NUMBER 1

The Weekly Research Magazine's Look-See is published in cooperation with the UFO Information Exchange Alliance. For information, write c/o UFO Exchange, 2875 Sequoyah Drive, Atlanta 5, Georgia.

70 UFO'S OVER LANCASTER: Over 70 mysterious lights invaded Lancaster, Pennsylvania skies in seven separate V-formations consisting of approximately 10 lights per formation. This sighting and several witnesses are being investigated and interrogated by CORAP.

HRS - CORAP REPORT AERIAL FIREBALL: A dazzling multi-colored light appeared in the skies and was sighted by witnesses from Kansas to California on Wednesday, April 18, 1962. An exploding sound was heard by some witnesses as the "fireball" vanished. Reports indicate that this may have been a meteor.

NETHERLANDS STUDY GROUP REPORTS: UFO OVER HOLLAND: Early in the morning of January 2, 1962, a big green ball was seen above the central part of Holland at an altitude of about 500 meters. The time was 6:00 A.M. to 6:25 A.M. It moved with a quiet regular speed in a southwesterly direction. It came from the northeast. The size was 10 cm at arms length. The distance was estimated by the observer at about one kilometer. He could follow it until it disappeared behind some bushes. He had the impression that it was metallic in character.
