## Missouri MUFON January 2017 Newsletter

### Dates of Interest:

Around the March equinox ... fireball season!

A fireball is just an especially bright meteor. Northern spring and southern autumn - for a few weeks around the March equinox - is a good time to see one. It's fireball season - a time of year when bright meteors appear in greater numbers than usual. In fact, in the weeks around the equinox, the appearance rate of fireballs can increase by as much as 30 percent.

Author of THE PSYCHIC SASQUATCH AND THEIR UFO CONNECTION, THE  
 SASQUATCH PEOPLE AND THEIR INTERDIMENSIONAL CONNECTION, and his  
 new book SASQUATCH MESSAGE TO HUMANITY

<https://sasquatchpeople.com>

Kewaunee Lapseritis, AS, BA, MS, is a Holistic Health Consultant, Master Herbalist and Master Dowser with background in anthropology, psychology, conservation, and holistic health. His academic degrees are from: Greenfield Community College, Greenfield, Massachusetts; University of New Hampshire-Durham; North Adams State College, in North Adams, Massachusetts, and University of Wisconsin-Milwaukee. He also attended Williams College in Williamstown, Massachusetts. Kewaunee taught anthropology for one year at North Adams State College and later taught dowsing and psychic development at the Wisconsin Society for Psychic Research-Milwaukee. As a world authority on the Bigfoot/Sasquatch phenomenon, he has meticulously researched the subject for the last 60 years. Mr. Lapseritis is also a social scientist and both a Sasquatch and ET "contactee."

Kewaunee's new book is the ultimate book on the Sasquatch phenomenon. Because the Sasquatch are genuinely people-not animals-Kewaunee is a crypto-anthropologist, not a crypto-zoologist. He elaborates on why they are humanoid beings and their purpose here, based on 32 years of interacting with the giants (and ETs) (out of the 55 years researching them). Kewaunee draws information from 187 witnesses who also experienced telepathic communication. Quantum physics describes the reality of mental telepathy, invisibility, inter-dimensionalism, and other PSI phenomena, and is actually juxtaposed with psychic Sasquatch and ET behavior.

Don't miss it!

**For your convenience, we will have some copies of Kewaunee's latest book available for sale at this meeting**
