

PA MUFON NEWSLETTER

August 1, 2008 Vol. 1 No. 8

Pa MUFON was again #1 in CMS for July. Thanks to all FI's for making that possible.

Welcome to our three newest Field Investigators: Tracy Roy, John Weaver and James Matthews. That brings our FI staff to 10 Investigators.

A Field Investigator Training Class has been scheduled for September 28, 2008 and FI's will be notified by email as to times and location.

August 11, 2008 PA MUFON presented a lecture at the Spirit Society of Pennsylvania on the Todd Sees Investigation. A great turnout, for an interesting, although strange case.

The PA MUFON Paranormal UFO Conference is scheduled for October 25, 2008 at the Westmoreland Community College, in Youngwood PA. Please see our website for more information under Special Announcements.

Book of the Month: Witness to Roswell by Tom Carey and Don Schmitt. Available at www.amazon.com

Video of the Month: Kecksburg, The Untold Story by Stan Gordon. Available at www.stangordonufo.com

The HazMat training class is being scheduled and FI's will be notified by email as to date and time.

PA MUFON will be setting up a Sky Watch in November. Date and place, to be announced.

There were 63 reported sightings in Pennsylvania in July with 38 cases reported in the Bucks County area of the state. Thanks to FI's, Bob Gardner and Elisa Simon for a job well done, in the handling of the Bucks County flap.

"KEEP YOUR EYE'S TO THE SKIES"

Thank you for your time and dedication.
