PA MUFON held its 1<sup>st</sup> UFO - Paranormal Conference Oct. 25, 2008 at Westmoreland Community College in Youngwood PA. We had great speakers and presentations. It was the place to be for information on the paranormal and UFOs, in Pennsylvania.

Anyone having information on the 1974 Carbondale Crash / Lantern / UFO incident or the 1966 Lake Erie, Presque Isle incident, please contact [butch221@dejazzd.com](mailto:butch221@dejazzd.com) or [rfisher@paranormalpa.com](mailto:rfisher@paranormalpa.com).

Pennsylvania UFO sightings have now topped the 200 mark since January 1, 2008. Our Field Investigators have been quite busy and continue to do a fine job in the field investigating reports of sightings throughout the state.

The Discovery Channel aired its first program on "UFOs over Earth" Monday the 27<sup>th</sup>. Two other episodes will follow. Watch the Discovery Channel for times, and dates. Mufon Investigators are the featured.
