There were 43 reports of sightings in Pennsylvania for the month of January. We were #4 in CMS ranking.

We would like to welcome 3 new Field Investigators. Greg Mazzotta and William Weber, both in the Phila. Metro area, and Richard Sanner in Section 4.

There are now 24 Field Investigators in the State of Pennsylvania and more to come as new members apply to be FI's.

A date has been set for the Awareness Day in the Philadelphia Metro area and it will be held on July 19, 2009 at Germ Books, same location as last year.

A date has also been set for the PA MUFON UFO Conference at Westmoreland Community College and more on that as soon as all speakers are lined up.

Awareness Day planning is underway for the Harrisburg PA area and should be announcing that date soon.

Upcoming Events:

International UFO Congress, Feb. 09

Atlantic UFO Conference, Feb. 09

Please check out and support, The National Museum of Mysteries and Research Center.
