C.I. Witkowski, Star Team Member John Bainbridge and FI Tracey Roy attended the X-Conference in Gaithersburg MD from April 16 to April 19. As usual it was a sell out and followed up on Monday April 20, 2009 with a press conference at the National Press Club in Washington DC. The conference was educational and enlightening with a first class line up of speakers. I highly recommend trying to attend this conference next year. Book early as this event sells out quick.
