NEW MEETING LOCATION

As of January, 1985, we will be holding our monthly meetings at a function room at JOHN MARTIN'S MANOR RESTAURANT, on US Rte. 1, (Southbound) in Saugus, MA.

We recently held a dinner meeting at the restaurant, and found it to be thoroughly enjoyable and conveniently located. At that time, the decision was made to move our meetings to the that location.

NEW MEETING FORMAT

We will now hold dinner meetings monthly, but members will have the option of coming at 7:00 p.m. for both the dinner and the meeting, or of coming at 8:00p.m. after dinner, for the meeting only. We will no longer have a refreshment break, but will have a brief coffee break.

DINNER ARRANGEMENTS

Prior to each monthly meeting, we will need a head count of those planning to have dinner at the restaurant at the meeting. If we have at least 15 persons have dinner, the function room will be available at no charge to us for the evening. If we have fewer than 15 persons having dinner, the room will cost us \$15 for the evening, which is less than the cost of our current location for the same amount of time. The accommodations at the Manor are much more pleasant than those at our current location.

Entrées at the restaurant range in price from \$8.95 to \$13.95. There is also a salad bar included in the meal price. Anyone who is planning to join us for dinner each month should please call the Hotline (944-0686) or call Marge (922-6406) or Jim Melesciuc (944-9570) at least one week prior to the meeting. Also, in order to facilitate matters, please be sure to have some \$1 bills on hand in addition to bills of other denominations.

FIRST MEETING

Our first meeting at the restaurant will be on JANUARY 19, 1985 (Sat.) at 8:00 p.m. DINNER WILL BE AT 7:00 p.m. This is the 3rd Sat. of the month, in order to give members ample time to plan for this change of meeting place and meeting format. We are hoping for a good attendance in Jan. so that we can get a consensus of how we like the new meeting place and format.

# Massachusetts UFO forum

The 1985 Mass. MUFON UFO Forum will be held at the Beverly Golf & Tennis Club ballroom. The Forum will run from 1:00 p.m. until 5:00 p.m. on Saturday, Aug. 17, 1985, and from 9:00 a.m. to 3:00 p.m. on Sunday, August 18, 1985. The Golf Club will take care of selling sandwiches and cold drinks for lunch on Sunday. Also, on Saturday evening, we will hold a private dinner (by invitation only at the Golf & Tennis Club), since the dining room capacity will be limited. Speakers to date include:

DR. J. ALLEN HYNEK  
MR. BUDD HOPKINS  
MR. BARRY GREENWOOD  
MR. DAN WRIGHT (Michigan)  
MR. JOHN SCHUESSLER (tentative)  
DR. DAVID M. JACOBS- MODERATOR

We will also have our display on exhibit, and will run a videotape at specified times during the Forum. Books and materials approved by Mass. MUFON will be on sale. There is a good possibility that Mr. Paul Cerny, of California, may also attend as a speaker, and will bring his famous saucer model.

The Forum will kick off our activities for the first National UFO Information Week, which will be the week of August 18-25.

Flyers on the Forum will be printed in the early spring, and more detailed information will be available at that time.

Please plan ahead, and work your vacation around these dates so that you will be here to help us make this Forum even more successful than our first one. We have heard from many out-of-staters who are all planning to return for this year's Forum. Mass. MUFON members, of course, will have precedence over out-of-staters for tickets.

**HAPPY  
HOLIDAYS**

and  
may you  
have many

## Please Note

It is hoped that the dinner prior to each meeting will afford us a time to meet socially and to get to know each other better as well as to exchange news from the field. In order to make our new type of meeting successful, we need the active participation of as many members as are able to join us for dinner as well as for the meeting. We recognize that everyone will not be able to do so on a monthly basis, but we hope that you will consider saving one of your dinners out, every few weeks, for our dinner meeting.

Several MUFON State organizations hold monthly dinner meetings at restaurant function rooms similar to this one, and this system has been very successful for those groups. Those of us who attended the December dinner meeting at John Martin's Manor Restaurant found the food excellent. The menu offers a large selection of beef, chicken, and sea-food. The restaurant will provide us with a coffee pot for coffee during the break. Those who do not come for the dinner may be asked to contribute \$1 at each meeting for the coffee. This has not yet been determined. We hope to see you on Jan. 19.

## Thank You

We would like to thank Jim Melesciuc for making the arrangements for us to meet monthly at John Martin's Manor, and for making the arrangements for the Dec. dinner meeting.

We would also like to thank Joanne Bruno for compiling our new meeting schedule of topics covering the contents of the Field Investigator's Manual.

We would also like to thank Joe Santangelo for donating the cost of the MUFON telephone Hotline for us, and for maintaining the Hotline. Joe also provides us with updated membership lists and address labels for our entire membership.
