Letters to the Editor

Dear Joan: I thought that procrastination was my husband's failing but I find that I am guilty of it, too. I received my Spring 1991 Journal, and noticed that you, dear soul, have carried me on beyond the date that my little label said I was legal for. So, I took myself by my little hand, sat me down at the typewriter and typed this epistle and money order to you. I am enclosing ten bucks, please send me your wonderful magazine for as long as this amount will pay for. Oops, there I go again. I also noticed your frantic appeal for the mailing label to be sent, too. That is enclosed also. So, please sleep nights now! Alice Gay, Fl.

* Dear Alice: I thank you and so does 'Beastie'!

Good Morning Joan: ... I'm enclosing a small quartz & amethyst as samples. I believe that crystals that we once used on Atlantis are re-surfacing. I believe that we powered everything with crystals and with the help of the mineral devas we are coming into those gifts one again... Judith, Wash.

* Dear Judith: Loved the comments and the 'samples'. Both were welcome and beautiful, so much so that we bought more of the crystals to share with our Members. Any readers out there who would like to purchase crystal or gem-stones? I will be very happy to give you the address.

HI! Glad to hear from you, too. I've been out of circulation for so long that G. Duplantier thinks I'm dead; according to Tom Lind. Sent him a letter (Gene) with black trim around edges of envelope! Shortened details of my silence will appear in "Would You Believe?" which I am working on now. Armand Laprade, MA.

* So glad to know you are still there and REALLY kicking! You were a part of the very cornerstone of Ufology for many years. As a UFO researcher AND as a Publisher of one of the finest 'zines' around-you have been missed! You, and your old partner, Joe, knew almost ALL the old 'contactees', such as Mr. Adanski, and many many others. Some of the best UFO photos ever published, were published by you. Thank you for being.

Dear Joan: As you can see, I am optimistic that the good old Earth will still be with us, that's why I signed up for three more years! SMILE! ... Mrs. J. Collett, Fl.

*

A BIG NOTE from Isabell : Thanks for letting me know - 1 Year at a time. At my age, I made it to 80, the 30th of Oct - NO wrinkles and some silver beginning to appear in the dark brown of this English/Scotch, Irishwoman. Rose Water and Glycerine, a m and p m helps keep the wrinkles from forming!

* Did you just hear my door close as I went out to my rose garden!

*

Dear NAJ: I'm a subscriber and I'd like to take this opportunity to tell you just how much I enjoy reading each issue... It's like a candle in the darkness. Roslyn De Cario.

* I'd like to take this opportunity also - to say a very heartfelt "Thank You" to our many readers who sent us Christmas & Happy New Year greetings. I thank you for caring.

*

Dear Folks: Thank you ever so much for such prompt service in sending the back issues. Just keep on presenting the information that ya'll do in the the Journal so that mankind will not have to experience the setbacks which followed the destructions of the continents of Lemuria/MU and Atlantis... Myron Felckowski, WI.

*

Dear Sirs: Inclosed is renewal of my subscription. Please forgive me for being late; it was due to illness. The subscription is for 3 years ... Thanks a million for "My kind of mag." Jean Keel, CA.

* Hope all is well now, and thank you for your welcome comments.

*

Dear Joan and Pat: Please send me approx 1200 names from your active subscription list - the same list as I used previously. I have always got a good response from this list... Gray Barker, Saucerian Publications, W. VA.

OPEN LETTER TO ALL ATLANTEANS! (New and otherwise!) With your help - AND- because of your renewals and advertising we have this happy announcement! It will NOT be necessary to raise any prices in 1932..... In fact, our renewal rate has never been stronger and you, the readers, have bought generously from our advertisers, and they have advertised with us again, and THAT is the why and the wherefor of all this good news. We all are working and helping each other. You get good products and services and we get the money to pay the printer. We would or could not exist without your caring and sharing... ..

THE RETURN OF THE ATLANTEANS!

In the gathering darkness it was said, "We shall not leave you forever, we shall find our own again, in a Future-Time Phase we shall come Home." The Long Nights had begun.

Those who were left behind began the task of surviving in any nook or cranny or cave that could be found beneath the engulfing muds of Earth. Ones who just days before were scientists and physicians, technologists and healers, learned how to struggle with no technology, no tools, or medicines. But, they had the most precious gift of Life: Memory. They could remember their Inner Knowledge, and in so doing could then pass this Knowledge along to the future generations to come.

They could also pass on the knowledge of the MISuse of Knowledge. They could forever instill within the MemorySenses the horror of complete destruction, of devastation and horror, so that the suffering the Previous Ones had to undergo might not ever be allowed to happen again. This was their desire. This was their duty. This was taught.

Many, many Long Nights passed. Generation after generation were raised. But the low frequency pollution was still affecting the Earth and many Memories were erased by this. The generations began who had No memory within themselves of the first Long Nights, so they knew not nor could they care less.

They distorted their Beginnings, their Teachings, their Knowledge. It became dark again within the EarthHomes. This darkness did not go unnoticed by the Watchers, who then reached out among the starry dimensions to those who Knew, who could help rekindle the inner fires of knowledge, because if One of us is hurt, we all hurt.

As we look around our Earth today we see again the beginnings of the Long Nights. The Cycle has returned and those of us who ARE aware of this must in turn inform and teach those who are not aware of this. Where are the returned Atlanteans? Who are they? What will they say? WE are the returned ones. WE are here, now. And, we ARE trying to restore the memory. If YOU remember, you must tell others of this. If just ONE of us knows, others will also know! Speak now.....

SAUCERS BY SIGVALD!

"SCOOP" snoops now in MUSCATINE, IA! A toll-taker, Alan Wagner, was getting ready to feed wild rabbits early one morning in July, '81, when he noticed something STRANGE. The rabbits, who usually ran away when humans come around, were STRETCHED OUT FLAT on the cement pavement! And ----- that's when he noticed a strange object hovering over the trees on the Illinois side of the Mississippi River. The object was described as an "egg-shaped" object that gave off an orange glow and had a yellow interior light. The object moved to within 250 yards of Wagner, and he estimated that it was about 30 feet wide and about 25 feet tall. The object flew at an altitude of about 350 feet, but shot straight up to about 500 feet to cross the top of the bridge. Then it descended toward the water, veering off toward the west before it disappeared. Shortly before the sighting, a power outage was reported on Muscatine's south side... There were other reports in the area.

SCOOP SNOOPS NOW IN SUWANNEE COUNTY, FLA. There have been sightings of some strange things in the air AND it appears some residents have been having some close encounters of the Suwannee County kind! Near Newburn Road, on a cloudy Tuesday night in August, '81, a HUGE MASS blacked-out the sky by the home of Al and Sandy Rogers. With RED LIGHTS at both ends and emitting tractor-like noises, the object hovered several minutes outside the house, causing barking dogs and frightening the people. It was BIG - about 60 feet long, and it just floated nearly 30 feet above the ground -- making the sky non-existend, according to Mrs. Rogers... Objects similar to the one spied by the Rogers family, as well as red discs have been spotted in cloudy skies in the area for as long as three years.

SCOOP SNOOPS NOW NEAR ROSWELL, N.M. Thomas Hundley, from Sarasota, Fl. was driving on US 295 near here, in Sept., '81, when "I thought I was driving into a patch of ground fog...It covered the road from side to side as wide as my headlights showed, and bout maybe 15 feet high..." "Just sort of glowing light"... Then, it "just went straight up in the air... whoosh." And within a second, a red light flashed in the sky..... This area in New Mexico is well noted for unusual UFO reports!

INTERNATIONAL REPORTS:

Their Warnings

"SCOOP" NOW SNOOPS IN: JAPAN - Two captains of All-Nippon Airways, saw the big, cigar-shaped object, with portholes, when they were bound for Miyasaki from Tokyo, in separate planes. This happened on Nov. 27, '81. Other domestic flights also put in reports of this object.

"SCOOP" NOW SNOOPS IN: KATMANDU, NEPAL - Mountaineers watched a UFO "the size of a full moon" for nearly three hours while climbing in the Himalayas. "It was moving very slowly ...it moved eastward and then went again southwest and drifted finally north to Tibet. This was reported October 12, '81. Also a joint Polish-British expedition sighted the object.

"SCOOP" NOW SNOOPS IN: PLYMOUTH, ENGLAND - Denise Bishop came home one night and claims now that she was attacked by a 'spaceship' and sustained an injury by being burnt by a beam from the craft. This was reported in October, '81. "... I had got out of a taxi and was walking up the steps to the bungalow between 11:15 and 11:30 pm, when I saw a spaceship that was the same shape as a crab...It was a massive ship with pink, purple, and white lights. The shell of the ship was metallic grey." "As I reached for the back door a lime green beam came down on the back of my hand. I couldn't move. Then the beam went back into the ship and I could move." She said it was absolutely silent. (Clipping carries a picture of the burned hand)

"SCOOP" NOW SNOOPS IN: SAO LUIS MARANAO, BRAZIL - A UFO, similar to a huge luminous refrigerator, with lights of intense brightness of green, orange, red and yellow hues, capable of provoking a kind of electric shock. It also makes people feel hot, go dumb, feel paralyzed and have the sensation of weightlessness. This is according to the witnesses. This case is provoking fear among the population of the municipality of Paranarana... According to a newspaper report, the object caused the death of four hunters in the forests of the region. The first victim was hunter Abel Boro, who was found at the foot of a tree. He was pursued by the vehicle (UFO) at night, said his friends. Antonio Miranda managed to escape after having suffered a terrific shock and lost his voice and felt his legs paralyzed. The second victim was found dead by his children on the forests near Canafists, with a strange expression of fear stamped on his face, which was entirely purple, according to the report. The other victims apparently died under the similar circumstances... (NOTE: All these reports are from our clipping service.) There are additional reports, one victim was apparently missing, and it was said that the family was hoping he would reappear. The clip said "the deaths occurred last month", and the date of the clipping was: Nov 3, '81. So it apparently occurred in October '81...

SCOOP SNOOPS INTO: THE 'STRANGE'!

We thank our Area Reporters who
sent in articles and clips.....

And - our clipping service!

HE CAN'T THANK HIS LUCKY STARS! Who? The Indian Astrologer who predicted that Prime Minister Indira Gandhi would die. He was arrested and held under a lunacy law. This was predicted in December, 81. Ram Avtar Gupta was detained in Gorakpur city.

*

QUETZAICOATLUS NORTHROPI - THOUGHTS ARE THINGS! I predict a new upsurge of "BIG BIRD" sightings! WHY? Because a model of the largest flying bird known to man (see title) has now been built and is soaring over the heads of visitors at the Smithsonian. A humongus flying bird has figured in our 'strange' reports in just a few years past. In Texas, and in Illinois... In Illinois it tried to pick up and fly away with - a child.

*

CRASH GO THE DEAD! Researchers will soon be crashing cars into corpses - in order to see what injuries occur and how. The research is funded by a grant from the National Highway Traffic Safety Administration. The 16 cadavers, which all have been donated for scientific purposes, will be posed standing up, in shrouds. Then a car will be propelled toward them at speeds up to 30 mph... It has been explained that dummies cannot furnish accurate indication of actual injuries...

*

TO LIFE! TO LIFE! - AGAIN? - A snail which had been glued to a seaside souvenir which stood on a dressingtable for more than three years ----- suddenly came to life! Mr. Joseph Bell had been given the souvenir by a friend, and the ornament had incorporated a number of seashells, an oyster shell and the snail, bearing the legend "SKEGNESS". The snail had been accidentally knocked off its original base and Mr. Bell had meant to stick it back on. He left the snail, a large yellow-white-lipped snail which lives on the seashore and grows on seaweed, on the top of his refrid-erator. "I put it on top of the fridge and, blow me, the little fellow crawled across the top and went down the side. This snail was examined at the Trent Polytechnic, Nottingham, and a doctor said "I have it in front of me and it is definitely alive. It has been crawling around quite happily and we are now studying it to try to find out how it could live so long without food." Snails are vegetarians which rely more upon body fluids than on solid food.

*

SHARKS ALIVE! - In fact so alive they scared off hundreds of bathers off Key Biscayne Beach in Miami. There were over 300 sharks sighted.... This was blamed on the unusually warm weather that Florida has had. The **NORMAL** migration takes place in March not Feb... By the way, as I write this it is 36 degrees and it is Feb. 15th.

WHO GUARDS THE LOST HALL?

by J. R. Jochmans, reprinted
from FORGOTTEN AGES, Box 82863
Lincoln, Neb. 68501.

and The New Atlantean Journal

In the last issue of FORGOTTEN AGES, we read about Edgar Cayce's psychic scenerio for the finding of the Hall of Records in Egypt. However, the prophet also added the warning that, should the attempt be made to enter the Hall by other means, at the improper time, or by those who are not spiritually prepared, they will be dealt with by certain mysterious elements within the Hall itself...

Tom Valentine, who has done extensive investigation of the Great Pyramid recorded the story of an American Army Colonel who was a member of the attache staff in Cairo in 1945. One night, in a discussion with King Farouk on ancient mysticism, the King offered to take him out to the Sphinx to show him a secret. Upon their arrival below the gazing figure, the American watched in amazement as Farouk touched a certain spot and a slab opened before them. The King entered, and the American fearfully followed him down a narrow passage. In the dim light, the officer saw "a large chamber," and standing in front was a statue of a "guard with a sword". They did not approach further, but returned to the surface. Farouk has since died, and no one else has been able to locate the secret entrance again. What gives this story a note of truthfulness is a Coptic tradition which also describes certain secret entrances in the are of the Pyramid, also being guarded by statues, with special powers. There are three in number. The first is an idol of black agate, with eyes open and shining, sitting on a throne with a lance in his hand, and the image has the power to produce a "whispering sound" which takes away a man's senses, so that he loses consciousness and dies. The second, made of marble, standing, with a lance or sword in his hand, has the power to "bite and choke" an intruder, until he dies from lack of breath. The third statue is of alabaster, and sits. It draws a person to it until he is "stuck fast" and cannot move.

Looking beneath the mythical elements and defining the "guards" defense mechanisms in modern terms, we find the use of: (1 a vibration which disorientates the motor center of the brain (2 an injection of poison that disrupts either the respiratory or cardiovascular system (3 an air-borne gas or toxin which attacks the nervous system and causes paralysis. The use of such sophisticated defenses were well known to the ancient Egyptians who used them to discourage robbers from breaking into the tombs of their royalty... If the Egyptians utilized such elements in their tombs we would expect equivalent defense mechinisms would have been incorporated in something as important as the Hall of Records...

THE STELLAR ENERGIES - 1932

Channeled June 2, 1931 - Published # 61, July-Aug., '81.....
With the coming of the alignment, mankind now has the opportunity for which many have chosen to be incarnate at this time. 1932 unlocks the door to the hidden mysteries which be within each and everyone of earth's children.....

Now as never before will the SOUL contact be made and felt. Those who are able to survive the fiery destiny of 1932 will be tempered as steel is, in a fiery furnace of initiation.

The world enters a period of graveness as the planet begins its initiation into higher realms. As has been foretold, the planet will eventually reach the degree of vibration associated with the fourth dimension and all those who are to travel with the planet MUST undergo the primary cleansing period.

This cleansing period begins in earnest in APRIL of 1982. Tremendous stellar energies will be let loose upon the planet affecting its magnetic lines of force. Strange happenings will occur along the "LEY LINES"; events that can be charted by the wise ones. The planetary energies will go haywire and not only affect the planet's surface, but necessarily all those upon its surface. Again, the testing and cleansing comes as each one must react to the torrents of energies let loose by the stellar lineup itself -- and also the seven eclipses which will open a regular Pandora's Box.

The world should be forewarned to be on the lookout for diseases that have been suppressed for years, suddenly rearing their ugly heads and decimating populations already on the verge of starvation in the Third World nations. Although these peoples will eventually be replaced by the new root race about to make its appearance in a newly cleansed world, nevertheless, this becomes an unbearable situation. Not only must the guardians of the world health guard the populace against rare diseases which will travel quickly around the world by airborne traffic, but the population should also be on the lookout for a manipulation of their minds by psychotronic warfare. In 1982, this awful weapon of the mind will become even more of a concern to the aware populace than it has been, as more and more agitation and warfare is stirred up with these weapons in conjunction with the energies let loose upon the planet by the lineup and eclipses.

But, there is Light and Hope also to unfold for those who are truly on the Path. A year to touch the inner Soul and to become the Christ as the Christic Energies begin to be lowered closer to the third dimensional plane to help those whose long Journey towards the Light has been thwarted by the dark forces and the darkness of the times. Therefore, with the eclipses and the stellar lineup causing great stresses upon the earth and the body of peoples upon the earth, expect greatness. Great changes beginning in the principalities upon the earth and extending into its peoples ----- much more warlike, and on the reverse, more spiritual. The extremes will become even more extreme as the separating of the wheat from the chaff is speeded up. If it becomes necessary to evacuate certain peoples during 1982, that will be accomplished with great expediency. The Space Commands hover ever near in a protective canopy of Light to protect the Light Bearers during these critical times acoming. Those of you who are aware may begin to notice a change beginning in Late November or early December '81. To be increased in the powerful energies all during '82. The changes are more subtle during '81, building up into '82.

Due to the tremendous activity in the heavens above influencing the magnetic vibrations, the energies released from this stellar alignment will only be the opening chords of the symphony of earth changes. These energies will continue to peak, increase again, peak again, all through '82 and into the beginning of 1983. It is in this manner that the cleansing can truly begin. The energy must be sustained long enough to filter through every layer of effluvia that surrounds the earth and its people.

NO ONE CAN RUN AND HIDE. All must stand fast in their Light. That Light which they have been able to generate for themselves through SERVICE to mankind throughout the eons of Time that they have served the planet. All that is false will now be exposed and washed away. The Christic Light must shine once more upon the planet earth as it takes its rightful place in the galaxy.

I bid thee adieux. Peace and comfort to each and everyone of you who reads my words. Ponder them. Seek wisely and the meaning will be revealed.

I AM MICAH...

John G. Elliott, D.A., M.S ,M.L.S.

This work is a base rock philosophy concerning the invisible bio-electromagnetic plasmic second body. Sometimes called spirit. It will show that life on earth is bound to the earth portion of the Universe by bio-electromagnetic and nuclear forces.

This philosophy, with the ideas of value and meaning, will be helpful in thinking through many of life's problems. \$4.50 soft copy --- \$6.95, hard copy, plus 60¢ postage. Send to: GIBSON-HILLER CO. PUBLISHER, POB A22, Dayton, OHIO 45406.

NEW UNDERSTANDINGS OF PAST WONDERS

AND

REVELATIONS FROM THE ANCIENT SITES!

by Dr. Ronald P. Anjard

ARE YOU INTRIGUED BY THE PYRAMIDS? THE ANCIENT SITES SUCH AS STONEHENGE? Are the lost continents of Atlantis and Lemuria a curiosity? Do you believe in UFOs and Ancient Astronauts? Or -- Psychics? If you are interested in these areas, then this information will have a special interest! Psychics have visited selected locations around the world and what I'm offering now is a portion of their impressions to integrate with your own understandings and feelings.

The Pyramids and Sphinx have been a mystery for centuries and have held many in their 'powerful grip'. A psychics sharing is "enlightening"... "... The purpose of the Sphinx was navigational as pertains to flights of souls entering the Earth's field, as a target from which energy could be broadcast as pertains to transmissions sent far afield. In several dimensions this energy was useful; in the use of this force-field, understand that powerful radiations were used at that period to energize that continent and the area. The animal kingdom was raised through such energy blasts and over Egypt the highest souls in service to the Earth could congregate with less friction. Radial lines of energy transmitted to Europe, the power points there aligned with Giza. All centers of radii were chosen from Earth's magnetic 'pressure points'. Fields of force were fully recognized by the effect upon the body by the men of old. The field around Giza was of undisputed power. Forceful attractions continued there for centuries and spurred through 'mental alignments' to the 'idea world' the discoveries and advancements which put Egypt at the pinnacle of power. The decline of that greatness occurred after the 6th century BC. There lay a vast reservoir of understandings of magnetic force-fields subsequently lost in the world. Atlantean information in Egypt added to the development of this 'mystical technology' whose working propelled the study of gasses and ethers, the crystallized aton (particles of matter) and finally in the use of the octave of twelve notes. Unlike all other cultures, Egypt strove for purity in consciousness at this period, and pronounced the Earth dead of spirit."

"The alignments to stars and etheric force-fields was thought indispensable for lifting man out of the mire, the retardation into which he was caught. Every opportunity to reverse this condition was given those who came for Initiation, the spiritula elite. In turn, these spirits freed could achieve for their land tremendous accomplishment."

PYRAMID DESIGN FOR GREATER EFFECTIVENESS

by Dr. Ronald P. Anjard

The Earth's magnetic field originates at the poles and extends around the Earth at a general distance of 4.42 miles. This magnetic field effectively is the source of our gravity. This magnetic force relates to Pyramids in various ways. In other articles I have reported that energy has been found flowing through the Pyramid's apex. This magnetic force is the same force which powers all Pyramids. The Ancients who built the Pyramids did so knowing that it is important to 'recycle' this energy back to Earth.

The Pyramids around the world serve many functions. One aspect usually overlooked is that the BEAM from these Pyramids effectively charges negative ions in the Earth's air. Thus Pyramids are ecological tools because their magnetic attraction draws down the dust and undesirable contaminants out of the atmosphere. Each Pyramid form built and used by "citizens" helps to clean the very air we breathe.

When discussing the Pyramid's interrelationship with the magnetic fields, another very important key is FREQUENCY. In other articles, I've discussed aspects of the various Chinese Pyramids -- especially the Shensai series of SEVEN distinct and different-sized Pyramids. The seven Shensai Pyramids are read from north to south. They literally represent the SEVEN centers of Man's consciousness -- referred to also as CHAKRAS. The most northerly Pyramid relates to Man's highest vibration, his spirit, while the seventh and smallest is the Earth's vibrations. While comparing Shensai Pyramids to the Cheops Pyramid, several important concepts must be shared.

First, Cheops is a smaller and inferior copy of the main Shensai Pyramids. Most Pyramids commercially sold reflect the 51 degree angle of Cheops... For greater efficiency, the 53 degree angle of SHENSAI is required. Further, the usual practice is to align Pyramids based on magnetic north... Considering the discussion of magnetic fields emanating from the Earth's poles, activation depends on polar alignment.. This is IMPORTANT news... This article presents several important NEW insights obtained directly from several very reliable experts. Please advise this author of YOUR results using the correct 53 degree Shensai angle and proper polar alignment as compared to the common, "copy" system.

PYRAMIDS WERE ORIGINAL OCTAHEDRONS: Pyramids are usually considered to be huge four or three sided structures of stone, brick or dirt. They are to be found not only in Egypt and Mesoamerica, but in Peru, China, and other sites. In other articles I've shared that the Kivas of the SouthWest U.S. are more than important religious sites and observatories for our Native Americans. The Kivas are actually inverted Pyramids according to highly reliable Indian sources. They were to originally have the normal Pyramid top, but for various reasons only the lower, subterranean sections were built. The original Kivas were to be Octahedrons. The concept of this completed "octahedron Pyramid" has rarely been discussed or published. Recently in information supplied by "AWARENESS TECHNIQUES" - a diagram of the Egyptian Pyramids with BOTH upper and lower sections is shown. According to William Swygard, the "Original Pyramid at Gizeh was actually TWO Pyramids, one being inverted below ground level forming the base of an upright Pyramid above ground level." Reportedly, it was constructed of a "glass-like substance and capped top and bottom with copper. The copper top attracted the energies of the plane to be directed within the structure." According to Swygard, the present Pyramid at Gizeh was constructed much after the first, or "about 12,000 years ago." "It was constructed of stones which were levitated into position." (This agrees with data I've shared in other articles and according to an 80 year old Egyptian engineer, the stones were lifted into place using energy from a focused, power CRYSTAL -- thus levitation.) The major concept is that Pyramids were originally designed to be octahedrons to "control energies."

INSTANT ZAP!

The mysteries of the Ancient Ones which have lain dormant for countless centuries are now restless in their selfimposed silence. The lifting of the Time-Lock which guards the recycling vaults has been accomplished. The physical world has now moved into the plane of vibratory frequencies which will facilitate the 'openings' of various Halls that are scattered over and under the surface of the world of Mankind. Beware the coming of the Guardians who are entrusted with the knowledge of these Sacred Places. Know also that all these Places are THOUGHT-GUARDED. Vibrationally coded. It is YOUR vibrations - and YOURS alone, which will permit entry into the sanctuaries.

They all possess a very special door- a door which has no physical key, but a spiritual one. A Key that cannot be copied, nor destroyed. It fits into a Lock which again is NOT physical but composed of the etheric properties that are properly attuned to the EXACT pitch. Any frequency which does not EXACTLY match that of the Time-Lock will be instantly eliminated, obliterated, sent back into the void. No Access. For many thousands of years there has been a Frequency Barrier that was between the Material/Physical world plane - and the Sanctuaries. This no longer exists. But the frequency of the personal entity DOES. This is the Selector of the body that will be 'first' into the ancient halls, wherever they may be located.

YOU, as YOU, are a sum total of all your past-life experiences and the present-life Karma. The YOU that is YOU vibrates to an exact frequency. It may vary a bit from day to day, but essentially it falls into a coded frequency between certain levels. THIS is YOU. NOT what you say, nor what others Say. It is what you ARE. And - nospoken words carry the Key that can change that. It is this vibratory pattern that the YOU that IS YOU brings to the long buried Openings.

Your vibrations, in their present state, decree whether or not YOU will be among the 'First' -to find a pyramid, or a Sacred Cave, or a Record. No one gives anyone the Right to be a Selector - only you. You decree for yourself. It is your responsibility, not the Creators'. It is with this in mind that I bring forth to you this Knowledge, as the Time-Lock has been lifted, and the Openings are becoming physical instead of vibratory. They can, and they WILL BE found! INTENT is the 'Key' to the Opening. I guarantee you that if the INTENT be of an EGOnature, of SelfGlory, of the vainfulness of wanting to be FIRST - the Key will not only NOT fit, but it will not even exist. You shall be led to the doorway and refused entrance. So shall it be in these the last days of the Present Cycle.

COSMIC SEEDS FROM SPACE?
EARTH'S FUTURE CHILDREN!
BY PATRICK O CONNELL

"In the beginning..." Lemuria and Atlantis (and other civilizations before them) were 'seeded' by what many researchers are coming to term 'inter-dimensional forces', energies, or intelligences. Whether one called them Space Intelligences (P.K. Owens) or Intelligences from Space (Dr. Andrija Puharich), it matters little, because the facts seem to indicate that a re-seeding is taking place now!

In the September 1973 issue of GNOSTICA magazine, Dr. Puharich is reported as having claimed that they (purportedly hundreds of metal-bending children around the world) represent the new dawn of a reseeded race of human beings. Each of these starchildren supposedly come from different Inter-dimensional systems! In fact, Puharich claims that many advanced civilizations (far in advance of earth technology) have created a "giant pyramid clearinghouse in inner space" where the souls of the starchildren are tested and evaluated for suitability for life on earth." It is claimed that each child is chosen for a different mission or task. Dr. Puharich goes on to claim, according to the article in GNOSTICA, that the majority of the parents of these children have RH positive blood, whereas the children have RH negative. Incredibly, it is alleged that in some cases, the father of the child was not present (not at home) at the time of probable conception.

I think it appears likely, based on various news reports and evidence, that where there are known Ley Lines, ancient megalithic structures and complexes (Stonehenge, Mexican temples, etc.) that the probability should be quite high that there would be an increased incidence of the conception of these children. Evidence mounts in Mexico, England, Japan, and the Scandinavian countries having the greatest concentrations of these metal-bending, levitating, mind-over-matter, children who reportedly teletransport and heal, plus perform any one or a variety of these Super-Talents, abilities and powers. There seems to be a direct connection or link between the occurrence of ley lines (especially the intersection of these powerful earth-energy lines of force) and these weird events such as UFO window areas, alien encounters and landings, and possible the children. It would appear (almost) that perhaps we may be witnessing a replay of events recorded in religious scripture, that occurred thousands of years ago!

UFO

probe

SOURCE: TELEGRAPH & ARGUS - YORKS., ENGLAND -
DATED: OCTOBER 12, 1981

TOP EXPERTS in UFO sightings are to start a hunt for witnesses to the "LOST FIVE DAYS" of a man found dead in West Yorkshire. After a special meeting in Leeds, three leading figures in the UFO research decided to co-ordinate their investigations into the disappearance of Mr. Zygmunt Jan Adamski, 57. His body was found on a tip (top of coal heap) at Todmonden on June 11, five days after he went missing from his home in Leeds. A number of UFO sightings were reported about that time in Yorkshire, and several UFOS have been spotted since in the Baildon and Ben Rhydding areas. NOTE: THIS IS A FOLLOWUP TO OUR PREVIOUS ARTICLE ON THIS MYSTERIOUS CASE. THE REAL MYSTERY IS HOW THE BODY COULD HAVE BEEN PLACED INTO THE POSITION IN WHICH IT WAS FOUND..... A very large coal heap upon which there were no footholds or any apparent way for the man to have climbed there on his own. Futhermore, even if he did, he could not have 'hid' there in plain view of all the traffic and people. Also what is most mysterious to the UFO investigators is the man's name: ADAMSKI! One of the most famous names in UFOlogy!

In Search of Dinosaurs.

In October 1980 many news agencies reported on an expedition into the remote jungles of the Congo to search for dinosaurs. The expedition began in February that year and was led by Dr Roy Mackal, of the University of Chicago and author of *The Monsters of Loch Ness* (1976), and Texas zoologist James Powell. Although they have described their adventure in various US popular science mags, we thought it would be a good idea to put their original report to the Congolese government on the Fortean record, and with their permission to do so. Dr Mackal's latest book, *Searching for Hidden Animals* was published by Doubleday in September 1980. Mackal & Powell hope to return to the Congo in Aug 1981 to renew their search.

**Mackal-Powell Likouala Expedition Report
(Original Text)
26 February 1980
Impfondo, Africa.**

PURPOSE:

To establish in so far as is possible whether the reports of the *Mokele-mbembe* refer to a myth or real animals. If the latter to determine whether the animals are extinct or still in existence and to obtain as much information as to their nature and habitat as possible.

BACKGROUND:

In 1776 the Abbe Lievan Bonaventure Proyart published a book entitled *Histoire de Loango, Kakongo, et autres royaumes d'Afrique, redigee d'apres les memoirs des prefects apostoliques de la Mission francaise* which contained reports received from several prelates, attempting to establish their missions in the area bounded by the west coast of Africa, the Congo River in the south, Camerouns in the north, and the Oubangui River in the east. This area includes roughly what is now the Peoples Republic of the Congo, Gabon, and Cameroun.

Abbe Proyart reported that the missionaries, while passing through a forest, observed the track of an animal which they did not see, but which must have been monstrous: The marks of the claws were noted on the ground, and these formed a print about 90 centimeters in circumference. The arrangement of the footprints indicated that the animal was walking, not running, and that the distance between its footprints was 2.1 to 2.4 meters. The Belgian zoologist, Bernard Heuvelmans, estimates that this establishes the size of the animal as intermediate between that of a hippopotamus or rhinoceros and an elephant. He points out that only the largest elephants carry their feet at a distance of 2.1 to 2.4 meters apart. None of

these animals, of course, has claws.

Later, Alfred Aloysious Smith ('Trader Horn') wrote of reports of a similar animal which he heard about while trading up and down the Ogooue River in Gabon in the late 1800s. He was told that the *Jago-nini* was still in the swamps and rivers. He states that he believes this animal to be the same as the *Amali*, whose footprints he had observed, about the size of a frying pan with three claws. He also states that there are drawings of the animal in Bushman caves.

More information comes from Captain Freiherr von Stein zu Lausnitz, leader of the Likouala-Congo Expedition of 1913-1914. This is the region now known as the Republique Populaire du Congo. The information consists of reports by experienced guides and trustworthy Africans. The reports refer to the Lower Oubangui, the Sangha, the Ikelemba, and Congo.

Its preferred habitat would seem to be the frequent deep pools excavated by whirlpools at sharp, narrow bends in the rivers.

'By choice, the creature is said to retire into the depths of the numerous caves hollowed out below the water level in the clay banks. Even in broad daylight it climbs the shore in search of its strictly vegetable food. The favourite plant of the beast is a sort of riverside liana, with large white flowers, which secretes a rubbery latex, and bears nut-like fruits resembling apples. At the SSombo River he was shown, beside a heavy growth of these plants, a great breach which the animal had opened up in the dense vegetation lining the bank, in order to get at its food. However, since there were also numerous tracks of other animals it was impossible to recognize any particular spoor with certainty.'

'The animal is said to have a smooth skin, brownish-gray in color. Its size approximately that of an elephant, or at least that of a hippopotamus. It seems to have a long, flexible neck;

and a single tooth, but a very long one, which was sometimes described as a horn. A few also spoke of a very long tail, as powerful as a crocodile's. Canoes approaching the beast are immediately attacked and capsized, and the occupants killed, but not eaten.

In 1938, a German scientist, Dr. Leo von Boxberger, obtained similar reports.

In 1976 and 1979 James Powell, while studying crocodiles in Gabon and Cameroun, heard additional reports in these areas.

RESULTS:

From discussions with over 30 Congolese (including pygmies) in the Impfondo and Epena areas we were able to confirm practically all of the details described earlier, including the alleged food plant of the animals, the *molombo* of which we obtained a specimen and which has tentatively been identified as a species of *Landolphia*.

Eyewitness descriptions establish the largest of these animals as up to 15 meters in length, long snakelike head and neck 2-3 meters long, long tail, reddish brown to gray in color. Thickness of long neck ranging from the size of a man's arm to the thickness of a man's thigh. In some cases a rooster-like comb was described as being present on the head.

A number of miraculous aspects were attached to the more factual descriptions, including the widespread belief that if a *mokele-mbembe* is observed nothing must be said about the event or death will follow. This belief of course contributes to the difficulty of obtaining information.

A number of other reports of strange animals were obtained. It is not clear whether these refer to different animals or are different versions of the *mokele-mbembe*.

Most importantly we were able to confirm and establish more details concerning a vague report at Impfondo that two or three animals had entered Lake Tele near Epena some 20-25 years ago and that one of the animals had been killed there.

We obtained reports at Epena that two animals had entered Lake Tele in 1959 and returned to the Bai River (also known as the Tibeke). The animals apparently moved back and forth between the river and the lake disturbing the fishing activities of the pygmies. They proceeded to construct a stake barrier across the *molibo* (one of the 4 or 5 riverways connecting the lake to the river, through which the animals were traveling in and out of the lake). As one of the animals was at the barrier attempting to enter the lake the pygmies speared the animal killing it. It was then cut up, the task being described as endless because of the long head-neck and tail of the animal. It was alleged that all those participating in the killing (and eating?) of the animal died. Apparently the pygmies in the area are very reluctant to discuss the episode.

CONCLUSIONS

From the reports received we conclude that *mokele-mbembe* refers to a real animal, not a myth, although a variety of magical or miraculous aspects are attached to the tradition. Our survey of the Impfondo and Epena areas suggests that the original more widespread range of these creatures has been greatly reduced during the last two hundred years and now is centred in the Epena district along the Likouala aux Herbes, Lake Tele, and the Bai River and tributaries. The animals appear to have been rare even in the recent past and may now be extinct, although we obtained eyewitness reports as recent as 1979.

From the descriptions of the animal, we conclude that they are a species unknown to science as a living form.

RECOMMENDATIONS

On the basis of the information obtained, and the possibility that a few animals may still exist, further investigations should be made in the Epena district in order to make observations and obtain photographs of these creatures, if possible. This will require an extensive, time-consuming, well-funded expedition, involving the Congolese government and scientists in various fields.

A high priority should be the construction of a concrete highway between Impfondo and Epena, of some 90 kilometers, suitable for regular vehicular traffic. This would not only aid further research, but would benefit the Congo immensely by facilitating the development of the interior of the Likouala Region.

ACKNOWLEDGEMENTS

We wish to express our gratitude to the Congolese government and its officials for their help, encouragement and splendid cooperation in this study. We wish to thank all the Congolese people who so kindly provided information and services to us, especially the hospitality of the people of Epena and Impfondo.

Specifically, we wish to thank the officials of Impfondo, the Commissar Politique, M.A. Mouele, the Secretary-General, M.G. Nzombo, and the President of the District of Epena, M.S. Kolonga.

Also the Permanent Congolese Commission at the United Nations and the invaluable aid of Pastor Eugene Thomas and his wife, Sandy, for permitting us to use their home as a base of operations, and to Pastor Thomas, as a guide, interpreter and for liaison with Congolese government officials.

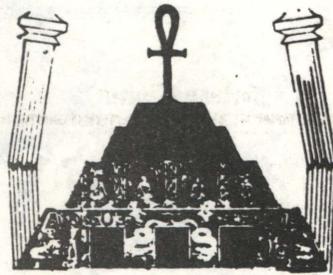

Lastly, we wish to thank the U.S. Ambassador, William L. Swing, and John Archibald, Cultural Attache at the U.S. Embassy at Brazzaville, for their help and interest in our study.

MA-NOA

LOST CITY OF THE
ANCIENT ATLANTEANS?

by Patrick O'Connell
President: New Atlanteans

The Sierra Parima region of Brazil is perhaps one of the most inaccessible, unexplored areas remaining in the world today. This wild and dangerous area is identified in Figure (1), and extends from northern Brazil, eastward to the town of Boa Vista, on the Branco River. Some idea of the inaccessibility and dangers that exist in the Sierra Parima, especially on the Uraricoera River which extends from the Parima mountains to Boa Vista, may be seen in Figures (2) and (3).

While in Boa Vista, Professor Marcel Homet discussed the tradition of a "GREAT ANCIENT LOST CITY" with a chieftain of the Maku Indians; and in "SONS OF THE SUN" (Neville Spearman, 1963) Homet provides incredibly specific directions to travel to the 'Lost City'. The Maku chieftain related "If you follow the Uraricoera upstream for 11 days you will then come to a small river which flows into the large one. You must follow it for 4 days more, not because the distance is so great but because there are many rapids and the current is very strong."

The Chieftain mentioned that there is a great rock covered with Ancient inscriptions which is painted red. Opposite the rock are remains of a small village, whose houses have fallen into ruins. The houses were built in long rows, separated by broad regular streets. Apparently the Ancients built in much the same manner that cities of today are! The Chieftain continued, that once the traveller comes to the Parima mountains "... you will come ... to a high wall. You cannot go through it, you must search for a stone gate under a great arch; it leads into the Earth."

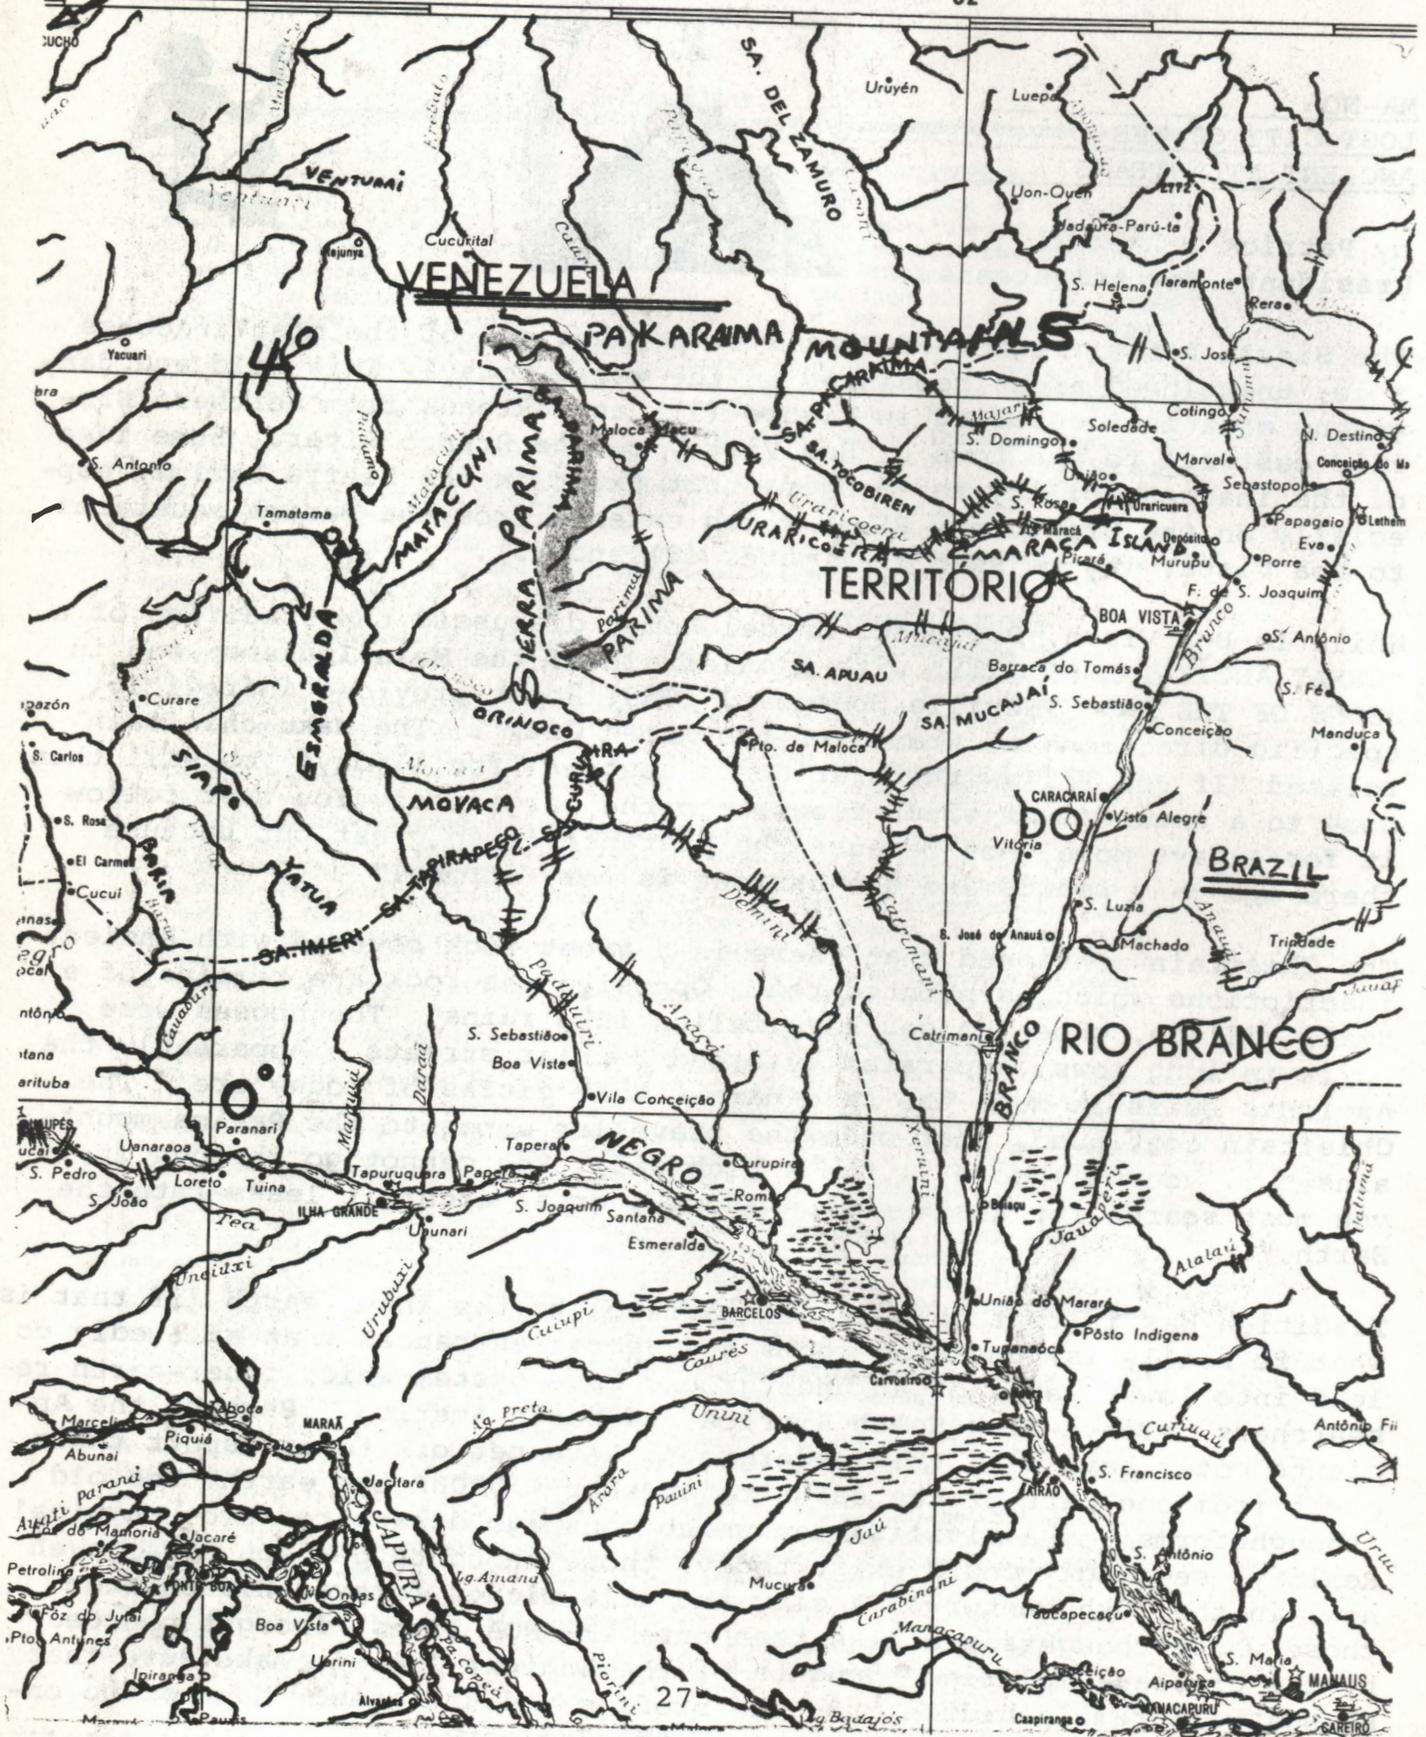

Tradition has it that this tunnel-entrance to the inner earth (if that is what it really is) contains rooms and secret entrances that allegedly do lead into lower parts of an underground cave-system which inner-earth researchers believe link South America and North America. Perhaps the Ancients could have used this underground cave-network to transport their craft from one part of the earth to another - UNDER the earth! The old 'thoughtforms' of a civilization which eons ago disappeared from physical Reality, seemingly could exist today: those thoughts perhaps live, even now, in the 20th century! A city and its riches forever hidden from those whose thoughts are less than pure. MA-NOA lives! Thought-guarded by the crystal-amplified thoughts of the Ancient Ones to make sure that MA-NOA will remain hidden from the profane and the greedy humans who only would seek to loot the Temples of the Ancients... ..

MESSAGE FROM ANOTHER PLANET.....
 CONCERNING
 THE LOST ATLANTIS!
 by Michael Hesemann
 West German Area Reporter for
 THE NEW ATLANTEANS.....

In the Summer, 1930 issue of The New Atlantean Journal, our President, Pat O'Connell mentioned the first contact of George Adamski happened on November 20, 1952 in the desert of California. Also, the the UFO came back on December 13, 1952. At this time Adamski got two written messages - from this stranger from another planet. The first was a symbolical one put on the foot-print of this man...

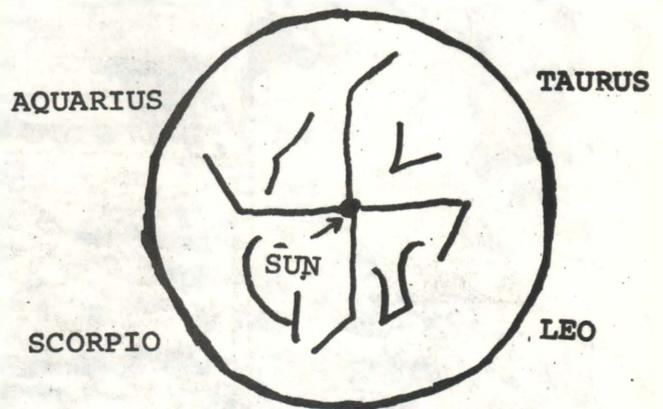

The Stranger strongly impressed his footprint upon Adamski's mind, and after this close encounter, Doctor George Hunt Williamson made a cast of the footprints, as they were covered by very strange markings... Many people tried to explain the symbols, but on December 13th, 1952, the UFO-naut gave Adamski a negative film, and after developing the film, a strange message with unknown symbols was found. In his book "Flying Saucers Farewell" - Adamski wrote about these messages and his later contacts: "The Brothers (Spacemen) have acknowledged that some history of ancient civilizations on Earth, as well as some of the philosophy of those civilizations, which conforms to that known on their planets and lived today by the people there, were included in the symbols."

In fact, with this Message the Spacemen revealed the truth -- about one of the oldest riddles in the history of Mankind
 The Lost Atlantis!

Using the symbols on the photographic message I not only found the similarities with the carvings on the Pedra Pintada, but with ancient writings all over the world, older than the Phoenician writing. The more than 12,000 years old metallic (often gold) tablets of the Pater-Crespi Collection in Cuenca, Ecuador, are often overlooked and covered with letters of this same writing. Erich von Daniken wrote about the treasures of Pater Crespi in his book "The Gold of the Gods". Also, the rock of Yolo, Peru, was covered with them as the ancient town in the Brazilian city, Sertao, described by Wilkins.

In the south of France, in Glozel, Rochebertier and Maz d'Azil flints and rocks were found, 15,000 years old, with the paint off of these hieroglyphics. In fact, the writings of the Guanches, the original Indians of the Canaries, claimed to be descendants of the old Atlanteans. Near Dusseldorf, West Germany, I investigated an old Holy Place of the protoceltic people there, the "Frauensteine" (women-stones), that were raised in the last Ice Age (12000 years ago). There are huge rocks covered over and over with ancient glyphs. In fact, the writings of the ancient pre-Incas the Spanish, Arabians, Indians, Phoenicians, Hebrews, Etrusks, Germans, even of the Greek and the Roman might descent from these other ancient writings - Atlantean writings? Imagine, only the Adamski Message made the finding of these very important facts possible. Could the Spacemen have used ATLANTEAN writing in their message... or... was it originally their writing, brought with them to earth?

One of my German friends, Herbert M. revealed in 1976, the true meaning of the box over the script- it is an AERIAL VIEW of the SouthWestern part of ANDROS ISLAND, of course, strongly schematized. At the coast of Andros, a little swastika is drawn in. Possibly the position of an important Atlantean building?

Herbert explained the footprint as a chart of the Bahama region.....

COSMIC INFLUENCES -- SPRING 1982

Six planets, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto will all be retrograde by apparent motion this spring -- that is these planets will appear to be moving backwards in orbit. Mars turns direct in apparent motion around the middle of May but the other planets continue to be retrograde until Summer. Thus very little will be happening in the world this Spring. Introspection and self-examination will be the order of the season.

The Sun opposes Mars, Saturn and Pluto in April. This could be good for business. Inflation will be slowing down and business picking up. Romances and relationships of all kinds are favored for April.

Things continue to be slow in May and newspaper editors will have a hard time trying to fill up their publications with anything more than local gossip.

June will be a very favorable month and the cause of world peace may advance somewhat.

ARIES -- There is some danger of accidents for you in April but they can be avoided if you remain alert. May should bring insight into financial matters for you. Good luck for you in June, especially in matters relating to travel, writing and communications.

TAURUS -- Avoid arguments and confrontations at work in April. May is a good month for buying clothes and luxuries. June favors business matters for you. June is also a good month for you to buy books or to write them.

GEMINI -- Attend parties in April since this is an excellent month to make friends and influence people. Examine your innermost thoughts and feelings in May. June will be a fun month, take your vacation now and enjoy!

CANCER -- Career advancement is possible for you in April. Social activities are favored for you in May. June favors the study of occult, metaphysical and spiritual subjects as well as the study and practice of meditation and hypnosis.

LEO -- Travel over long distances can bring you excitement and adventure in April. You may get a raise in pay in May. Unusual ideas could increase your creativity in June -- don't be afraid to experiment with new techniques and new ways of doing things now.

VIRGO -- Romantic and sexual adventures possible for you in April. The study of art is favored in May. June could bring you job advancement.

LIBRA -- April will be a very stimulating month and could bring you advancement in life and financial gain. Financial matters are also favored for you in May. June will be a very lucky month for you, you will be very charismatic and could gain considerable influence over others now.

SCORPIO -- Difficulties at work possible in April, avoid confrontations. May could bring problems with one to one relationships. You could come into money in June, possibly from a tax or insurance settlement or rebate.

SAGITTARIUS -- An unusual romantic encounter is possible for you in April. You will be able to accomplish a great deal at work in May. June is an excellent month for you to study the occult and an unusual mystical experience is possible for you.

CAPRICORN -- A disruption in your home life is possible in April, also beware of accidents of all kinds in your home and at work. May favors business and financial matters for you. June will be a month of hard work.

AQUARIUS -- Your mind will be unusually ingenious and inventive in April. Difficulties and accidents possible in your home in May. June will be a month of good luck and positive growth experiences.

PISCES -- Out of control events could cause financial losses for you in April. May will be a month of sweetness and light for you. Beware an attack of nerves in June, problems and accidents in your home environment are also possible now.

MYSTERY HILL

by Arthur H. Hayward

or

THRU THE TIME PORTAL

IN ANCIENT NEW ENGLAND

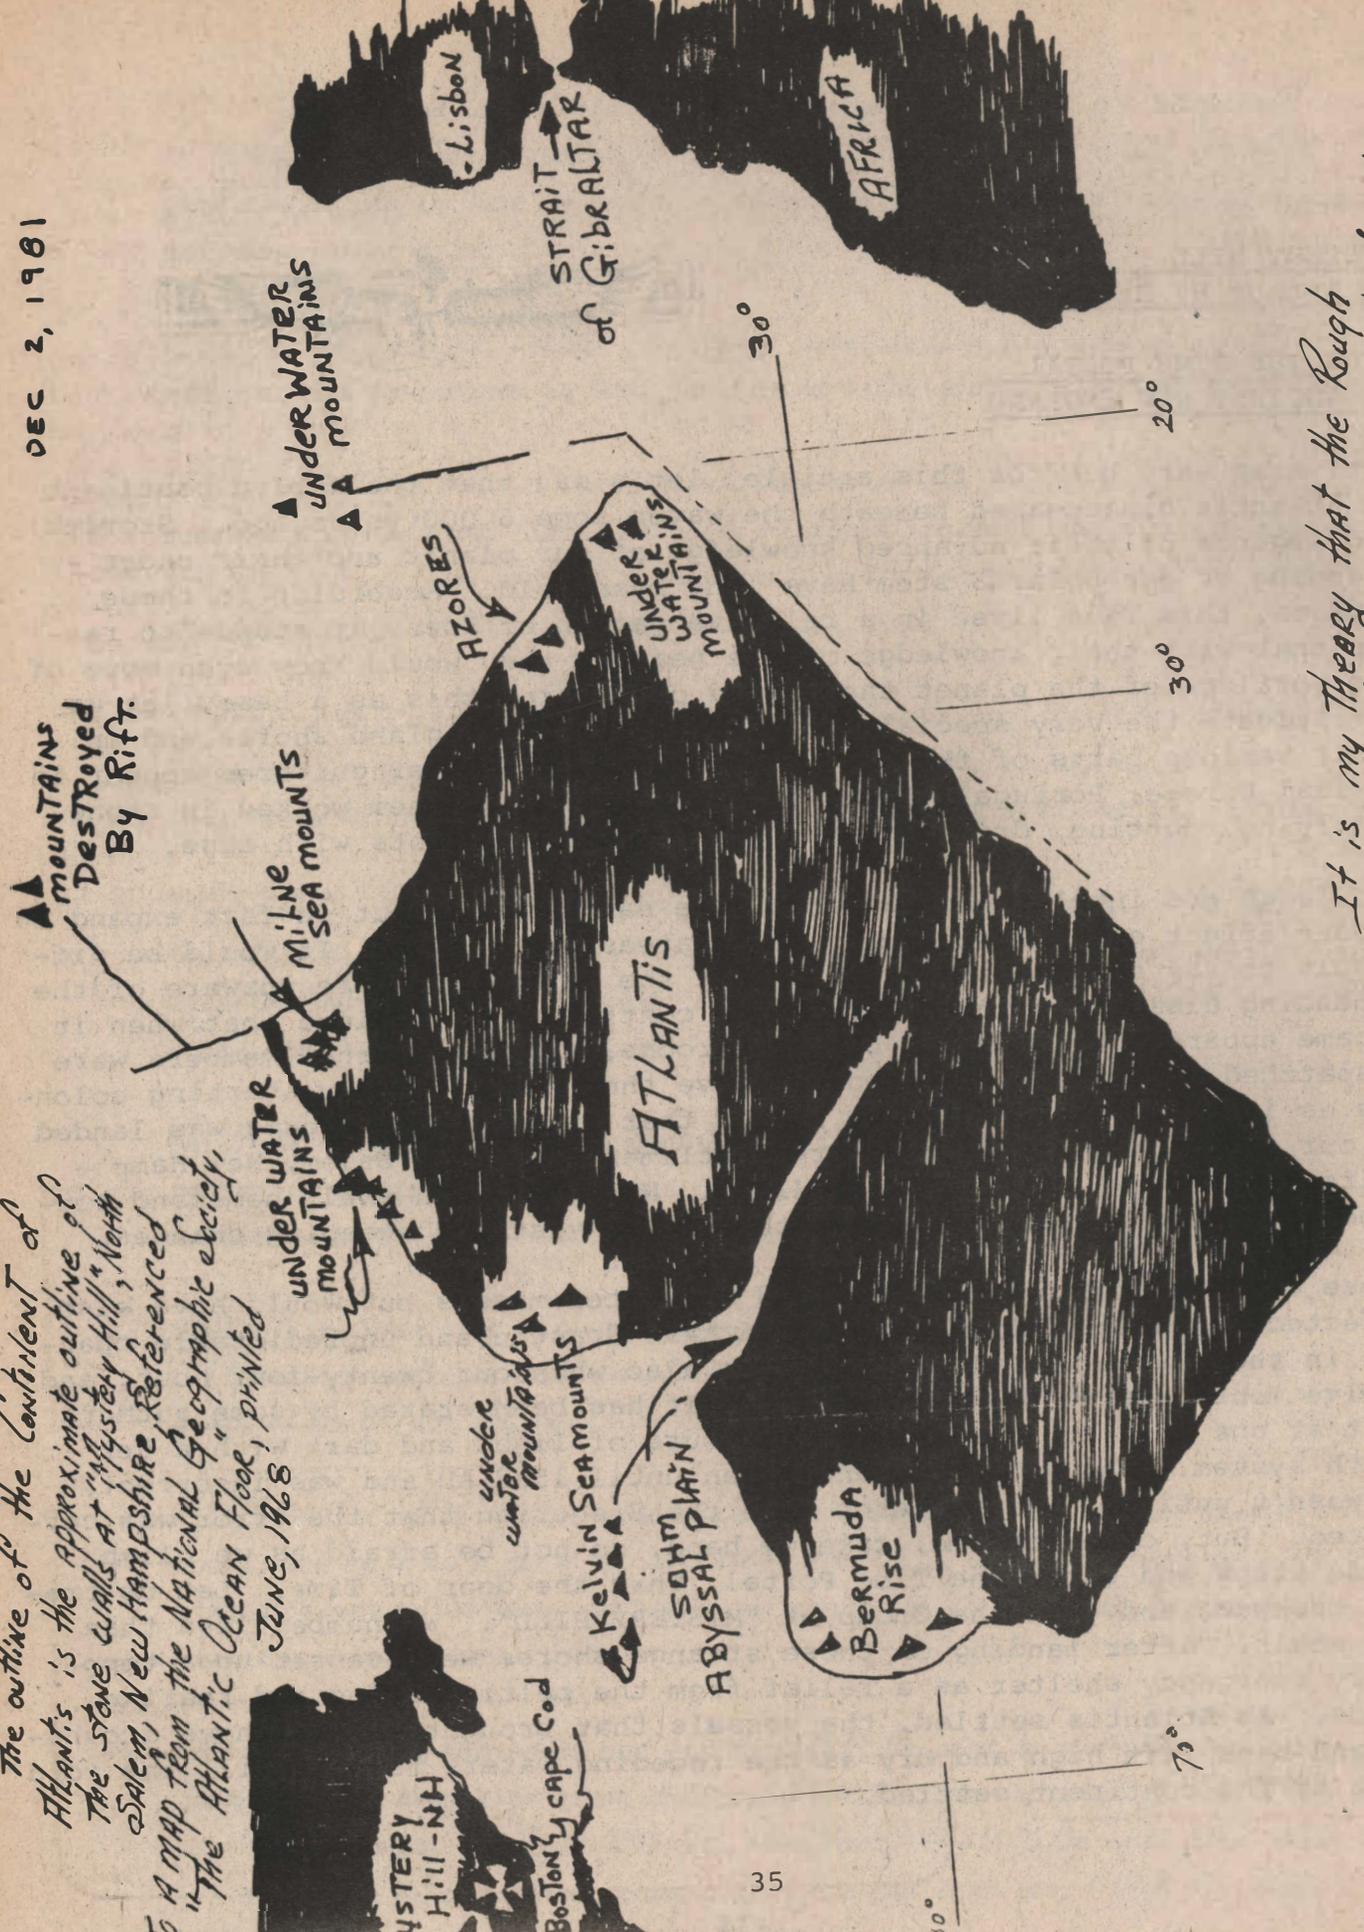

Estimates vary but for this article, let's say that the fabled continent of Atlantis disappeared beneath the waves some 6,000 years ago. Stories and legends of their advanced knowledge of our planet and their understanding of our Solar System have long been told. According to these sources, this race lived in a relative garden of Eden. It stands to reason that with their knowledge of the heavens they would know even more of the workings of the planet they lived on. Using this as a base, let us investigate the very special visitors on our New England shores and in other various parts of the world. Remnants of similar cultures appear in coastal Europe, Portugal, Malta and Spain. All of them worked in stone, quarrying, cutting, drilling and moving massive weights with ease.

Knowledge and intelligence are not like narrow beams but in fact expand in a cone effect encompassing many other areas and fields. It would be difficult to say and convince anyone that the Atlanteans were unaware of the impending disaster which overtook the continent. I believe that when it became apparent there would be a catastrophe, certain learned members were dispatched outward in order to preserve their knowledge by starting colonies as it were. It is also my belief that one of these groups was landed on our shores and had a temporary settlement in North Salem, New Hampshire, a place we call "MYSTERY HILL". However, when their homeland continent settled beneath the waves there were vast and sweeping changes.

These occurred not only to the land and water masses but would have also affected the atmosphere. This would have drastic and unpredictable changes in the weather. Perhaps this was also when our twenty-four hour, and twelve month system was established. It has been stated by some authors that at one time our system was ten hours of light and dark with a ten-month system. The Julian Calendar ran until 1582 AD and was incorrect, it wasn't until 300 years later with the Gregorian that the error was corrected. But, come with me, take my hand, do not be afraid as we climb those steps and enter the Time Portal, thru the door of Time. Let us travel backward and join the Group at "MYSTERY HILL". We number less than 250 souls. After landing on these strange shores we have set up a temporary emergency shelter as a relief from the pelting rains and roaring winds. As Atlantis settled, the vessels that brought us here have grounded and been left high and dry as the receding waters rush to fill the void left as the continent settled.

DEC 2, 1981

The outline of the Continent of Atlantis is the approximate outline of the stone walls at "Mystery Hill", North Salem, New Hampshire, referenced in a map from the National Geographic Society, "The Atlantic Ocean Floor", printed June, 1968

It is my theory that the Rough map shown here is an approximate location and configuration of the lost continent of "ATLANTIS"

Survival now becomes our prime concern and our bodies endure great suffering as the climate becomes colder. Living in a southern paradise has not prepared us for this alien world. Construction of our New Atlantis proceeds slowly. The work is hard and heavy and the worsening weather begins to drain us.

First to go are the aged ones, the weak and the very young. Even with our knowledge of herbs and healing we are rapidly succumbing to the final victor "Mother Nature". Our time is now running out and a change of plan now must be initiated if any of us are to survive. A council was called and our decision was made. We would leave as much as possible of our knowledge and provide an Indicator of who we are and from whence we came. A magnetic north/south axis line was laid out relative to the central position of our Atlantean home. From this we laid out stone walls outlining its contours. Encompassed within these walls and caverns we placed as much knowledge as possible. Placing pointed stones in the walls - aligning the heavenly bodies in their celestial paths, hoping that in antiquity, following generations or races will have gained the ability and intelligence to use the Key and give new life to our Legacy. The present natives of the land are too primitive to understand their use nor their dangers. It is our belief that when a civilization reaches a point of understanding to use the Key it will have attained the intelligence to use it wisely... Our stay in the Time Portal has run out and we must return to the present... When next we meet and go thru the Door of Time we will trace the course of their presence down our New England shores. Also, we will view a possible explanation of the methods they used in construction. PART TWO: NEXT ISSUE!

STRANGEST UFO BY DOCTOR C. RALPH CAMPO

=====

Exclusive report for the NEW-ATLANTEAN JOURNAL

=====

A youngman from Argentina was hit by a car. He was taken to a Hospital in Los Angeles, California and operated on his brains. He laid in coma unable to respond.

My ex-students concerned about the well-being of this youngman called me urgently to see if I could perform a PSYHIC HEALING on him. Also his brother was called and arrived in Los Angeles from Buenos Aires, Argentina when he learned about this accident and event.

I arrived at 1AM at the General Hospital, where he was in intensive care. After introducing myself to the nurses I was guided by the patient's bed. I started to pray for him. Then I tried to talk to him. I got absolutely no response, I decided to press on the (7) vital acupressure points, but got absolutely no indication that he was alive eventhough they kept him breathing with artificial means.

Next day, I met the visibly perturbed brother of the patient and told him that I had no hopes for him to get well. His brother was so upset that he wanted to kill somebody, especially the one who accidentally killed his brother.....I was lucky to be able to relax him totally, and then, in a state of deep alpha level of the mind, I began to talk to his subconscious and superconscious mind to get rid of those revengeful ideas and to act with more maturity and patience.

He said that his brother had hidden money in his apartment but he could not find it eventhough he looked every-where. I taught him briefly how to use the pendulum to be able to find it.

The young man died a few hours after this and his brother behaved with dignity and concern. He had to call his parents to give them the bad news, and they wanted the body to be send to Argentina.

Back in the apartment, the brother of the deceased man start to ask the pendulum about the money and soon enough, he heard some water-noise coming from the bathroom. He got up and went there but did not find anything abnormal.

So, he return to the chair to ask the pendulum again. This time, the noise in the bathroom was even louder. It sounded as though, someone had opened a large faucet and let the water run full open.

He returned to the bathroom at once, again not to find anything wrong. He decided to lift up the lid from the toilette's tank. Nothing was dripping however, as he accidentally turned over the lid, he found the money wrapped in a plastic envelope glued to the inside of the lid!

There were \$2,300the cost to ship the casket to Argentina was \$2,300!

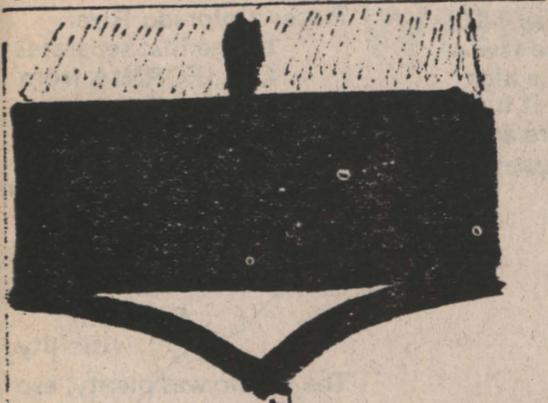

I thanked God for everything -an eventhough the fatality of the youngman's transition, I felt that in some ways, something good came out of it.

As I was driving back to Arizona, the night was clear, the moon was shinning through and the trip back was right, eventhough I was beginning to feel a little bit sleepy, and the episodes of what had transcurrred run through my mind.....Then, suddenly, out-of-nowhere a huge black massive object flew over my head, over the car.....

It was flying at a fantastic speed and it was so low, that I instinctively lowered my head just not to be hit by that object.....My heart started to beat faster and as I was wondering what was going on and what in the world was that black thing....a second one, even larger than the first one flew over my car at an incredible speed!

I pulled over and waited in case other UFO would appear, but after waiting for about a half hour I decided to continue my trip toward Arizona. I was on Freeway I-10, about 40 to 45 miles e West from Blythe...the time was 10:20 PM California time.....What in the world was it?

FRONT VIEW OF UFO - NO LIGHTS

The UFO was flying very low over the EAST-BOUND SIDE OF FREEWAY I-10 - about 8 feet from the road, at a very high speed.

The massive craft was totally black. No noise or smell was detected.

As soon as I got over the scare for the craft was flying so low, I thought it would hit me....my heart accelerated its beat and soon enough, the next one was there even bigger and larger than the one before!!!

REPORT: I was driving toward BLYTHE, CALIFORNIA, TUESDAY NIGHT at 10:20 PM (CA-Time) when I saw this huge black UFO it had no lights, and no sound. It was coming toward me at a very high speed. The craft was so low, that I instinctively bowed my head not to be hit by this unknown black massive UFO. It must have been a block long (at least).....5 minutes after seeing that craft, another one, even larger and longer made get off the road and honestly I got scared for I thought it would hit my car!

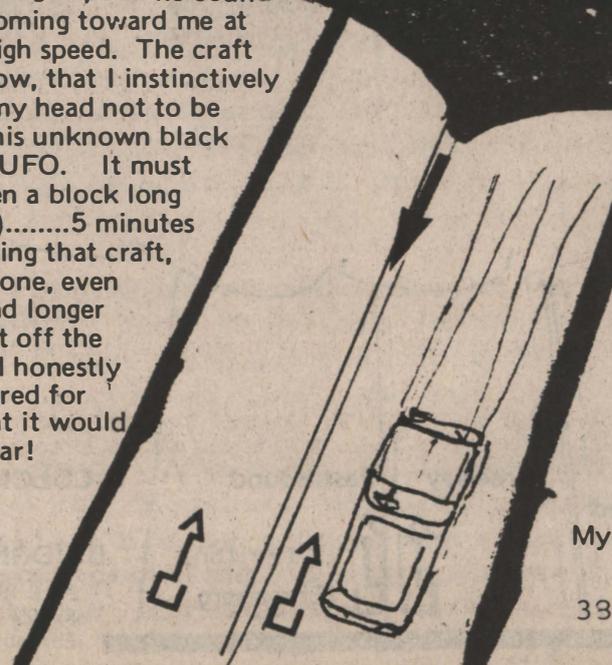

Tuesday, December 15th, 81
Time: First sight: 10:20 PM
Second sight: 10:22 PM
(California time)

Place: On Freeway I-10 about 40 or 45 Miles East from Blythe.

The moon was shining brightly and some clouds were drifting by. The UFO seem to be a very heavy, massive, solid block, without any lights or sounds emanating from that strange craft.

I declare under oath over the Sacred Bible that these statements are true to the best of my knowledge. I also declare that I do not use (and have never used) any types of drugs, drink alcohol, smoke marijuana or even cigarettes.

My only and sincere concern is for the safety of our country and for security reasons only

Report: Dr. Campo was driving EAST on Freeway I-10
 As crossed the Colorado River bridge, he saw
 in the sky, a bright green light falling at a high
 speed, over the mountains. Suddenly it turn
 red and looked like a huge red ball of fire and
 exploted violently....Red smoke was

WEIRD ENCOUNTER

Six members of an army patrol were bedding down for the night when they say two strange objects appeared. Their tale is bizarre . . .

BY JOAN O'CONNELL

It was 4:15 am in Chile's far north desert and six members of an Army patrol were bedded down for the night --- suddenly --- two bright objects began descending from the sky. One dropped into the Andes foothills out of sight, but the men in the patrol could see the glow of its light. The second object lowered almost to the ground about 500 yards away from them and it shone with a violet light. The leader ordered his men to take up their weapons and then he set out to investigate. He then simply vanished from sight. Fifteen minutes later he returned to his men and tried to speak, but he then passed out. They said he regained consciousness about 7 am -- but -- that his watch showed only 4:30, the approximate time he reappeared. They also said that the date on the watch showed it had been advanced five days, and that now he had about a week's worth of beard growth! According to his men, when he was beginning to come awake, he said: " You do not know who we are, nor where we come from. But I tell you - that we shall soon return." This happened on April 25, 1977, and there were also other UFO reports from this same time frame and area...

What you have above are all the classic symptoms of a mental and a physical CONTACT. Time loss, memory loss, being physically removed and - then returned -- and with the mental admonition that 'they will return'. It is again the 'classic' type of 'message'. However, in this case we have interjected a note of newness! The PHYSICAL growth of the beard! On the surface this would IMPLY that 5 days had been actually and physically 'spent' SOMEWHERE and NOT in our 'time' or 'space'. AND that is EXACTLY what 'they' want us to believe! How nice of us to oblige!

After over 20 years of UFO research, I have learned ONE relevant fact about 'them'. And, that fact is that if you take everything that is relevant to a case, the most obvious clue, the most 'evidence', the physical and psychic effects, and you then work them up into a recognizable theory --- you will come closer to the REAL truth is you will then do one more thing! And, that is to REVERSE all the 'logic' that you had previously put together! Because in a majority of contact cases, the contactee is TOLD one thing, and in actuality it become quite another! This is most prevelant in cases where the contactee has been placed under hypnotic regression.

The most interesting fact that seems to come out of these cases is that the contactee was given ONE story and was told to tell this one story to the UFO investigator, and under regression, a SECOND STORY was uncovered, one which totally differed with the first one! SO! WHAT IS GOING ON???? Obviously, some of our Uninvited Visitors don't want us to find out! They want us to look in ONE place, when they are doing their 'thing' in quite another! Our Chilean Soldier is merely an up-dated version of the old Rip Van Winkle scam! Think about it!

PSYCHIC ENERGY
the Magic Power of the Mind

\$7.45*

Have you ever wondered what life is all about, its purpose and meaning? What comes before birth and what follows death?

Factual and inspiring, this down-to-earth book reveals the secrets of life and tells of man's slow awakening to his psychic powers.

"Man is a subsidiary god in his own little half-acre," the author states. *"He makes his own heaven and hell. But he can by learning improve the manifestations which come into his life."*

Written in the language of the layman, this book is for everyone, young and old, the student, teacher or parent, judge or lawyer, psychologist or the social worker . . . all will gain a better insight into the workings of the mind and soul.

The author explains psychic energy and the formula which we use both consciously and unconsciously, and presents an analysis of the ten stages of psychological development that we pass through from birth on to maturity.

What is psychic energy? We do not know any more than we know what electricity is. Yet man has been using this great power for ages without realizing just what he has been doing, being unaware of his true creative nature.

Now we are learning to use psychic energy with conscious intent. We are minor gods.

The author explains all this comprehensively by analyzing the symbology of mythical and religious tales. Revealed are the mysteries of:

Aladdin and His Magic Lamp
The Sphinxes
Mona Lisa's Enigmatic Smile
Oedipus and Electra
Primitive Man's Fire Dance
The Motives of Sacrifice
The Purpose of Rebirth
Jonah and His Big Fish
The Garden of Eden Story
Samson and Delilah
and other symbolic tales.

THE POWERS THAT OPPOSE US
From below us - above us
To the side of us - and -
Within us.

Since the Dawn of the Ancients, the Sacred Ones of all esoteric religions have possessed the knowledge that there exists an Opposing Force to the dissemination of Truth. While recognizing the fact that there are so-called forces of evil, it is also reasonable to assume that there are other entities which act to hold the negative forces in check.

One of the most reprehensible 'tools' of the Opposing Force is: Prophecy - both true - and - false. Such prophecies have variously been given by an amazingly wide spectrum of 'entities' that range from the 'extraterrestrial', to the often more religious 'angel' type, who, strange as it seems, BOTH can bear the SAME message. On ALL occasions that such prophecies are then given there exists one of two possibilities: Either the 'entity', whether he proclaims himself an 'extraterrestrial' or an 'ultra~~ter~~restrial' IS revealing one of the Sacred Truths which at this time SHOULD be revealed - or - that a 'revelation' is now in progress that could set Mankind back another few generations!

What can be accomplished with such false prophecy? When a TRUE type of revelation is FINALLY revealed, even by similar telepathic means, it will be DISbelieved immediately. Such are the tremendous forces we are now discerning. Why DISbelieved? Because after so many TRUE prophecies are transmitted: quakes, floods, destruction, etc. - and when these events do happen, a belief system is then instilled within the mind of the person receiving this. Then, a real 'Biggie' is transmitted... California will fall into the sea, New York will flood out, etc. etc., this person will run to the nearest tabloid and tell all. But- when that Really Big One FAILS to happen our erstwhile soothsayer is left with a considerable amount of egg on his or her face and they will NEVER get another inch of space in the news again. Then --- when a TRUE revelation appears --- no one will give it national distribution! Neat, huh?

I have been in this field for over twenty years, and I have a great amount of books and magazines, newspapers, etc. containing years and years of so-called prophecy. And- you know exactly what I am going to say next! -- Right! Very few 'prophecies' actually did happen. It is ONE thing to say that 'there will be an earthquake in South America' - it is quite another to say 'a quake will be felt on Tuesday, the 12th of Never, at 25 o'clock!'

IF I only had the energy (which I don't) to catagorize only the "spacemen will land on earth" variety of predictions, 'they' have done this for years. But - obviously they haven't. What went wrong with these type of predictions? And - I wish I had a dollar for every prediction that Castro wouldn't last, a cure for cancer would be found, and the Virgin Mary would appear in a,b,c,d,e, or f places!

SOMETHING IS VERY WRONG
SOMEPLACE

TIME alone can reveal whether or not a 'message' is true or false. The ONE thing that IS revealed at the time of the 'receiving' is that 'someone' - 'somewhere' WANTS something to be made public! Such a tangled web 'THEY' weave, as they practice to deceive!

We know that there are those message-givers that are outside of ourselves. However, the real problem of prophecy is WITHIN ourselves. Our own belief systems trick us. WHY do we believe? Mostly because we WANT to believe that a cure will be found for cancer or that the Virgin Mary is going to come down somewhere and save us all... Across this desk pass at least 10 or 15 'isms' a month. Each one contradictory. No one agrees with the other. It is quite plain to see that they all can't be right --- or --- wrong totally. What then IS the Truth? It is what YOU want it to be...

EARTHCHANGES: INNER AND OUTER:

by Rev. Thomas Allen Long

We look around us today and see the changes being wrought in our World; both in its outer aspects of natural happenings, along with economic and political upheavals; then also in the changes we see in people around us and in other nations. Perhaps of most concern however, is the changes we are experiencing in our own lives. Our mind processes of thoughts and the ideals that continually adjust to each changing situation. Also - the physical changes within our own bodies.

In a recent conversation with the Editor of this magazine, a very appropriate phrase "popped" forth: "To have Hope is to Cope". Both hope and cope must be founded on Understanding of what is happening within ourself, and that which is occurring so rapidly around us and throughout our lives. Understanding dispels fear; fear is the ONLY enemy of hope, and it is our fearful thoughts which prevent one from being able to cope with the changing times and events.

Yes, we are experiencing "the changing of the ages" spoken of in many of our sources of inspired writing. Our scientists know this as the ending of one Solar Year (about 26,000 years) and the beginning of another. Our Sun has journeyed through all twelve of the 'signs' of our heavens ---- or --- space. However, there has been a movement in orbit of our entire Solar System within our Galaxy. This MUST be understood at this point: We are influenced (NOT CONTROLLED) by these changing energy patterns - both within our Solar System as an 'immediate' effect; then the energy patterns that change and affect us from the galaxy of which we are an integral part. WHY THESE CHANGING ENERGY PATTERNS?

There could be NO development and evolution of life (ALL LIFE) to its higher manifestations unless these myriad influences were existent.... This is what FORCES us to exercise our own individual free will and choice in response to them. SO, we individually make decisions and they become a part of the conditions of our economic and political structures; which in turn creates the environment of the physical material life we have NOW. But - what of the changes of Earth, the storms and upheavals, cataclysms of so many kinds? Again, this fact of truth MUST be understood: Our very thoughts disturb not only the "mother Earth" or our human life-form, but also our Sun; which is the sustainer of all material and physical life-matter on earth. This is now a proven scientific fact. So, in view of the understandings which we are now only dimly realizing, we can see where and how we have brought about the very changes associated with this 'end time' of ONE age of human development, and that it is now our own response to these changes that will build a New Age and a New Civilization!

Where is the hope? It begins with each individual person; in their seeking out and APPLYING the concepts of SELF-LESS-NESS in an IMPARTIAL manner in every aspect of their daily lives. This is the ONLY concept in Harmony and Balance with the intertwined, interpenetrating FLEXIBLE structure of Cosmic Creation and Evolution. THIS MEANS CONSTANT CHANGE. This is the only 'cure' for mother Earth, we have caused by our own selfish thoughts and exploitation of our soil, forests, air, water, and all the many basic materials provided by this 'mother' of our physical Form-Matter. This same dying condition is going on WITHIN us, as we see manifest in the burgeoning disease toll upon all humanity... So... We MUST make a decision to now bring our thoughts, our will and choice, into a proper 'orbit'. To become in Harmony and balance with a selfless and IMPARTIAL Creation of this we should be in AT-ONE-MENT with -- instead of only 'taking' without the regard to all other aspects of life.

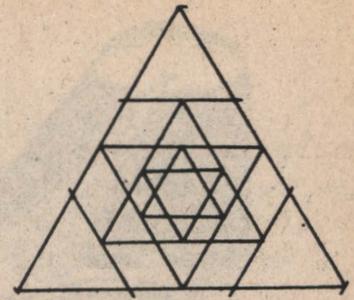

So - Hope is in knowing and understanding that WE are creators of our TOTAL environment, that we are each RESPONSIBLE for what we have created, and - that we, as part of the whole of all humanity MUST make that first individual step in learning and applying our understandings... Only then does the 'COPE' come, naturally and in response to that which builds HOPE..... THERE IS NO OTHER WAY, IT IS A MATTER OF FREE WILL AND CHOICE BY THE EACH OF US.

To KNOW brings on the responsibility to PREPARE, to PREPARE brings on the REALITY, the REALITY brings on future CHANGE. Perhaps a 'technical' explanation might help: Each of us is a bundle, or set, of energy patterns. We live in an "energy Creation", as we are learning. There are infinite varieties of energy patterns within an equally infinite variety of energy 'fields' . The great KEY is that EACH of these energy patterns can and DO manifest in many forms, yet every energy and every form is compatible and in Harmony and Balance with the WHOLE, or ONENESS of all Creative energy. It is the human being, unique in its REPLICATION of these myriad forms, which can upset the apple cart; BY THE THOUGHTS AND THE ACTS OF SELFISHNESS... Perhaps each of us can think upon what is given here, and through it is a foregone conclusion that no two of us will understand exactly in the same manner, our future thoughts and actions WILL be in harmony and balance as in all other energy patterns and fields. Indeed --- thoughts are things; these THINGS are energy. So, you can see how EACH of us are individually responsible for our energy projections and creations. And - how, IF they are in harmony and balance with a selfless and impartial ideal, they do become part of, and share equally, the WHOLE, or ONENESS of all Creation. Is not this understanding that which builds HOPE? Then - COPE is its natural and eternal result!

Bid to show Nessie isn't just debris

PRESS AND JOURNAL, Aberdeen, Scotland
April 21, 1981

The most sophisticated sonar equipment used in the search for evidence of a monster in Loch Ness will be brought into operation by this summer. It will be used by a team led by Surrey naturalist Mr. Adrian Shine, who has been involved in previous expeditions on Loch Morar in search of its reputed monster: "Morag". Last year he turned his attention to Loch Ness and this summer he plans to return to conduct an ecological study of the loch.

Over the Easter break he was in the area to construct a cabin for the sonar equipment on the 50 foot raft he plans to use this summer. His equipment will tell him much more accurately what size the objects are and at what angle they are moving. One of his aims is to prove that it could not be floating debris...
