# "MONSTER DISC" OVER CONN.

These days it seems that the majority of UFO sightings never get any publicity. Witnesses are either reluctant to report their experiences and even if they do, it appears that newspaper editors and producers of radio and TV news programs have other things on their minds. This is not to say that reports are not being made to civilian UFO

groups as well as to the offices of this particular publication. One of the most recent UFO flaps has been rather "silently" taking place in the state of Connecticut. Telephone calls to our office indicate that the area around New Britain has been a focal point of a lot of this activity with "low flying objects" of a variety of colors

being most often seen. Most often the strange aerial intruders are seen after dusk parading from one end of town to the other with numerous observations being made over the city park and a nearby golf course. On several occasions unmarked helicopters have been seen in the vicinity as if they are scanning the

## UFOs In Fast Food Business? 'SAUCER KING' VS BURGER KING

Regardless of what even the most conservative UFOlogist thinks, it is a pretty obvious fact that UFOs have landed and contact has been made with their occupants. In the majority of cases the UFO-nauts are said to resemble humans - remarkably so. Over the years, stories have cropped up from time to time which indicate that these alien beings are actually living amongst us, but undetected for the most part because they are so like mankind in physical appearance. Some of these "they walk amongst us" stories have been written about in previous issues of the UFO REVIEW and in books such as TIM BECKLEY'S BOOK OF SPACE CONTACTS.

Finally, another UFO group has gotten around to confirming such incidents. Vol. 30, No. 12 of the APRO BULLETIN contains one such account which the editors of the publication, Jim and Coral Lorenzen, seem to place faith in. In the story titled "New 'Wrinkle' In Abduction Cases," they explain how the episode came to them after their address was published in the NATIONAL ENQUIRER. A letter arrived in their mail at 3910 E. Kleindale Road, Tucson, Arizona 85712, from a woman who seemed very disturbed over something that had happened to her and eight members of her immediate family back in July of 1953 or '54. Little by little, the details of this case

have been coming back to those directly involved.

The family was driving along US 97 in Oregon when they took note of the fact that they were running short on gas. They decided to stop at the next rest stop and refuel before going any further.

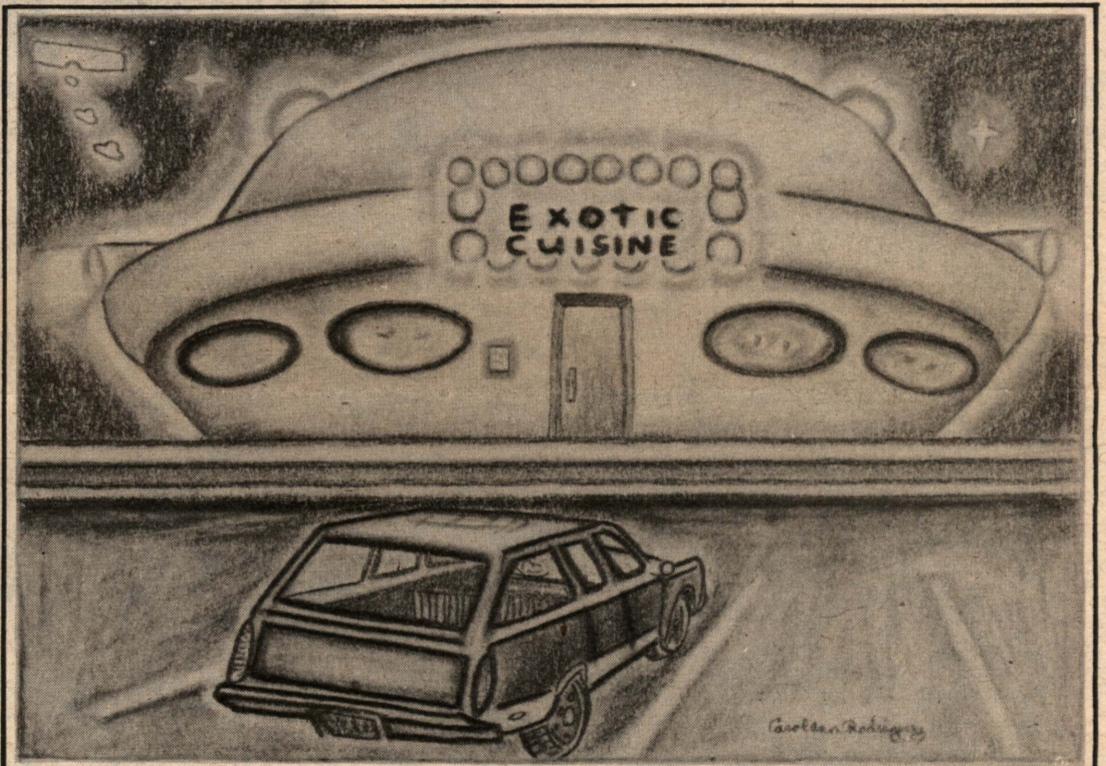

At a bend in the road they saw this giant, saucer-shaped restaurant and "coasted" into its parking lot with the idea in mind of getting a bite to eat before going any further.

"The place had exceptionally bright lights," the APRO story goes on, "and when they entered the building they found themselves in a circular enclosure where everything was well lit, very bright and the walls seemed like mirrors."

The family sat around a large plexiglass table and ordered a meal from one of the waitresses, all of whom looked pretty much alike dressed in a silver uniform and wearing boots with black trim.

The strange thing was that the family had never seen the restaurant before, even though they had driven the route previously.

"Mrs. R. says she recalls picking up their ticket and going to a round-shaped cage-type place to pay the bill. The group then left and got in the car which didn't start, but sort

of coasted out to the highway. She also remembers telling her mother that they had better find a gas station as soon as possible. Part way down the hill as they went around a curve,

the car started by itself. She discovered that she had over a half tank of gas so she decided that they could drive into Chenault and gas up there."

Along the way they ran into a crew of men

working on the highway and decided to ask them when the "big restaurant" had been put up. The men just looked at the passengers of the car like they were crazy,

# UFO BEAMS DOWN HEALING RAYS —

HANNA SPITZER

## "NOW I CAN SEE!"

My husband, Damian, and I came to Mt. Shasta just last September. We were drawn here by the majesty that surrounds this area. Damian had been here before and so he was familiar with the surrounding communities and the people who reside near this locale.

Our closest friend, Patrick, a very talented young artist, had been my husband's companion on his earlier visit, and he also was captivated with Mt. Shasta. As luck had it, he was to be commissioned by a local restaurant owner to paint a huge mural of Mt. Shasta and the many legends that have long surrounded this magical mountain.

Before our arrival, my husband had filled my head with all sorts of wild tales. He said that the mountain was not only extremely magical, but it was the scene of numerous UFO sightings.

Discussions of this type have always excited me, so much so that I could hardly wait to visit Mt. Shasta. Having lived in the open desert of Arizona, Damian and I had both had previous UFO experiences. Once, when I was still in high school, I spotted a craft with a friend. We were returning from the desert late at night when we noticed a light that was brighter than any star through the windshield of the car. We stopped and watched the light move, then stand still before disappearing entirely. Because of this observation, I became interested in all forms of the unexplained. Both my husband and I are vegetarians, and thus we have grown to have great respect for Mother Nature, and that includes all aspects of her, in particular, the beauty of the galaxies.

The author busy at her desk.

Because of our background we were really looking forward to living with our friend Patrick in the hills facing Mt. Shasta.

We arrived at the base of the mountain around five in the morning. What we saw literally took our breath away. The mountain had a halo of clouds around her peak almost resembling the rings of Saturn.

Quickly, we moved up the side of the mountain and set up camp. From here we had a picturesque view of Mt. Shasta City. This tiny village consists of ski shops and sleepy little hide-a-ways, with a few occult bookshops and health food stores thrown in for good measure.

Almost immediately, we were confronted by the unexplainable. For example, once on the mountain, I went to gather some things and when I returned Damian was trying on a pair of beautiful leather gloves that fit his large hands perfectly. This is beyond coincidence, for on our way across California, Damian had repeatedly mentioned how he needed a good pair of gloves to protect his hands from the cold. While pitching the tent, he had found such a pair hanging on a tree right in front of him. It was then that we knew our adventure had really begun.

Since I was really exhausted, I went to sleep immediately. My husband, on the other hand, went back down the road to the local restaurant to inquire about our friend Patrick's whereabouts. An hour later, Damian had returned with our friend in tow.

Patrick was as delighted to see us as we were to see him and couldn't wait to introduce us to some of the locals and to show us his painting. We packed up and broke camp, and headed for the land Patrick was living on.

The property, as it turned out, belonged to Priscilla, who owned the restaurant Patrick's mural decorated. Her land is nestled high up in the forest. Mt. Shasta is practically sitting in her front yard and the view is breathtaking. There is no running water except for a couple of small creek-like streams that flow

through the land. There is a wood burning stove in the larger of the two trailers that sits on the property. Patrick had been living and painting down in a lovely green field. In order to enhance his view, he had built a spectacular see-through teepee using thin sheets of plastic. This way he could easily watch the stars from his bed at night.

To say the least, Damian and I were really overwhelmed with this wonderful place. Mt. Shasta is meant for studying, painting, relaxing and getting back in touch with nature. We were invited to stay for as long as we liked, and that was just fine with us, as we wanted to get to the heart of this holy place.

Days went by quickly with our nights spent talking around the camp fires. Mostly, we exchanged stories about the peculiar goings on which take place regularly in the shadow of Mt. Shasta.

## MT. SHASTA— HEADQUARTERS OF THE SPACE GUARDIANS

More and more there are those who seek a spiritual significance to the UFO mystery. Not content to chase objects across the sky, they are more interested in the meaning and purpose of these craft and how they can be applied to our personal growth of awareness.

Born in West Virginia at the turn of the century, Sister Thedra has always had an inquisitive mind. Raised a Baptist, at a relatively early age Sister Thedra began to search for the truth of creation and the meaning of life. Though she was attracted to the word of the Bible, to her way of thinking there had to be more to creation and so she continued to reach out in order to expand her consciousness.

In May, 1950, Thedra was in a horrible automobile accident. She had to stay in a plaster cast for a long, long time, and when the doctors finally removed it they discovered that she had developed cancer.

"The doctors told me that I should get my affairs in order," she recalls. "I was getting very painful treatment, and nothing seemed to help. One night I prayed to the Lord. I said I was ready to go."

At that, the form of Jesus materialized in front of her. "He told me that He would heal me, that I would be restored to my former self. In turn I asked what I could do for Him, to which Jesus replied, 'You can feed my sheep.' I

MT. SHASTA

We heard many stories about the Lemurians, a race of people nine feet tall, who were first written about by Madame Blavatsky in her book, *The Secret Doctrine*. Legend has it that these people were from a lost continent which existed in the Pacific Ocean. The Lemurians, it is said, now reside in the center of Mt. Shasta in a splendid golden city. Residents who believe in the existence of these giants bring supplies of clothing and food and leave them on the side of the mountain. I also heard about the elementals - the elves and fairies - who live on the mountain and who, from time to time, show themselves to a few deserving individuals. Another popular Mt. Shasta story deals with the Sasquatch or Big-foot whose often seen running up the steep sides of the mountain.

But, perhaps the most prevalent of all tales are the ones about UFOs and the Space Brotherhood. Practically everyone on or near the mountain, claims to have seen or heard them at one time or another. For example, someone told us about a strange light that had been seen while this person was out camping on the same property where we were living. Apparently, she awoke from a deep sleep and saw numerous flashing lights and heard a whooping noise. When she went into town the next morning she found that others had undergone similar experiences.

Throughout our stay, Patrick kept telling us about a wonderful lady, a very gifted psychic, who was said to be a real "powerhouse," and who could attract a lot of phenomenon herself. Her name was Aendreious, and Patrick had invited her to come and stay with all of us. I was really fascinated by what I had heard, and couldn't wait to meet this woman.

One day when Damian was in town doing some chores a striking woman in a turban approached him. It was Aendreious. Damian brought her up to the land that afternoon and immediately we were struck by her presence. As gifts, she had brought each of us a crystal. She spoke in a very knowing manner. On top of this, she was very meditative and peaceful and extremely fascinated with the mountain. Through this lady we learned quite a lot about magnetism and attraction. I knew - as we all did - that if we were to have a sighting, it would be while she was living with us.

Aendreious had a wonderful attitude about flying saucers and aliens. She thought of them as masters, not

little green men to be afraid of. Her talking calmed me a bit and I soon lost any fear I might have had. For days the men had been teasing me about the dark and about creatures who would try to grab me and take me away.

Going into town became an experience in itself. We loved to speak with the people there and hear about their experiences first hand. There was one charming lady who walked through the streets talking to everyone she met about the saucers. She always wore a shiny yellow hat and seemed very devoted to her task.

# «EARTH REFUGEES OF THE AQUARIAN AGE»

I believe many of us have come to realize that we've prepared and have been prepared to participate in a coming special event. Through incarnation, astral orientation, and successive physical rebirths, we have been guided to an area that has generally been referred to as the "promised land".

A project was initiated, when Atlantis was destroyed, to restore physical contact with our extra-terrestrial family. Although others from all parts of the globe were involved in this important task, the Jews were the more visible participants. The appearance and death of Christ shifted the task to those who were forced to go underground in carrying on the master's message.

Although perceived as such, the promised land was never a permanent terrestrial settlement where the chosen ones would forever live in peace. True peace would not be realized until all of the negative Karma of prior and continuing action was dissipated. The promised land, in reality, was that geographical area where those involved in the project would gather to be re-united with their extra-terrestrial family. This fact is realized by many in varying degrees of clarity. Arrival at this area would require much time and numerous incarnational experiences for most.

Many of you may have wondered why you found it difficult to really call this environment your home. It is obvious by now many are not from earth, but volunteered for the project to assist. Those of us more intimately tied to Atlantis and Lemuria also do not feel quite at home. The reason is because at the peak of our friendship, we had enjoyed a much more attuned love and environment. No successive environments on earth we experienced have come close to the harmony we once treasured.

You may have also wondered why you would have to dispense with the attempt to free yourself from the wheel of life after experiencing the thrill of discovering such a concept existed. The project necessitated our becoming conscious of the law of Karma or cause and effect. However, it was realized that the goal and nature of the project required that we pay special attention to visible manifestation, instead of extensive journeys toward inner interdimensional environments.

When you had sufficiently grasped the spirit of your ever growing awareness, extra-terrestrial experiences and information gradually became an intimate part of life. Many do not fully realize that UFO appearances have sparked dormant "re-union" seeds in the sub-conscious which is

later experienced in the form of a fun-thrill. This same thrill, by the way, was experienced during astral orientation periods when this particular project was discussed.

Each of us are contacted differently due primarily to strategy, safety, and our respective abilities of perception. Since it is a project, or a mission in a sense, all positives and negatives are taken into account, and acted upon accordingly. Therefore, do not be too distressed if UFO information seems fragmented or contradictory, for if all the cards were laid out on the table at once, those opposed to this re-union could easily zero in. As for safety, there is an increased energy factor on the body associated with extra-terrestrial contact similar to that experienced during the higher meditative levels. Every effort is made to ensure we can efficiently digest the information being conveyed without adversely affecting normal body and mind functioning. Finally, regarding perceptions, each of us condition ourselves or are conditioned to acknowledge and define reality in a given way. Our extra-terrestrial family is aware of this and feed our spirit accordingly. It is for this reason why some need only to read or hear about UFOs to believe while others must be taken a step further. Please don't confuse the latter with those select few who participated in minor projects designed to assist the race.

Nothing really new has been said. The abundance of UFO information now emanating from contactees, public observation and research is sprouting the dormant seeds of the project into the conscious minds of many. Although the earth is deteriorating, the UFO grid system has been repaired and completed. It is now possible for a large number of small ships, or a small number of large ships, to land.

What remains to be completed is the human grid system. This will occur when we dispel inhibiting ego roadblocks, and come together in a loving, trusting and caring way. This accomplishment, in essence, is the final phase and it rests upon our shoulders.

The joy will snowball as we become more conscious of the reality of the project initiated in the far distant past. Adversity will continue to confront us, but its grip will be largely weakened by the infusion of light that will be experienced as we approach the final months and weeks of the re-union.

The possibility of an evacuation, or what has been referred to in some religious circles as the "Rapture", is no longer questioned by many. Many do continue to

wonder how the landing and re-union will come about. Information regarding this matter appears diverse. Some say that spacecrafts will land simultaneously around given areas of the world to evacuate millions. Others believe that millions will be beamed up. These beliefs should be respected and seriously considered for it is within the capacity of extra-terrestrial technology to achieve this. However, I'm not so sure it is within human capacity, at this time, to coordinate the diverse evacuation of millions. Although efforts have been made to neutralize the UFO censorship, it appears that the biblical projection of 144,000 may prove to be fairly accurate.

Traditional science has generally taken the position that paranormal activity as psychic phenomena, UFOs, etc. are unnatural, bizarre, intangible, etc. One aim of the evacuation will be to dispel this notion. This will be accomplished when human beings walk aboard a physical craft. The incredulity of witnessing flesh and blood boarding Jonah's whale will also have a startling affect on those who interpreted Revelation somewhat differently.

As mentioned, many of those who have participated in the project will have, through successive incarnation, moved toward the re-union geographical area. The position is taken that the re-union area lies within the United States. Although there are a number of reasons for this view, one in particular predominates. The United States has the largest cross-cultural representation on the planet. Inter-continental migration, since the destruction of Atlantis, apparently, has resulted in many Aquarian Refugees ending up in this country. What has been said up to this point should not surprise too many reading this brief article.

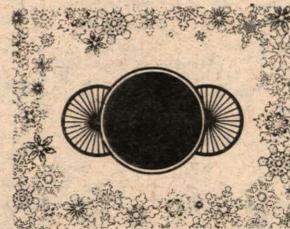

Admittedly, what will now be said will raise some eyebrows as it is based more on projection and faith, but not blind faith. Nearly all human experiences are based upon projected time factors and the evacuation will be no exception. Before we can help coordinate a landing, a specific date must be projected. A date is needed to ensure that such an event can be carried out in a reasonably orderly and acceptable manner. More importantly, a date allows "thought forms" to develop which allows us to gauge our progress toward the desired goal. It should also be mentioned that an evacuation does not undermine any universal principle for if it is within the evolutionary consciousness of beings to inter-change with higher life forms, so can this be arranged. Consciousness determines

movement and time factors, and not vice versa. During our brief stay in the earth's center we will be taught and shown, among other things, that this type of evacuation experience is a highly repeated event in this star system alone, as is reincarnation. The date would be made to coincide with events which could be used to assist the race before our departure. The Fatima Message, given to the race in 1917, was the final warning regarding the serious affects of greed and suppression. The message, initiated by the Father, discussed by the council of this star system, and delivered by our extra-terrestrial family, if adhered to, would have averted the Rapture and Tribulation. A lot of money exchanged hands during the World Series in 1917 and the Vatican has suppressed an important part of the message.

Today the Superbowl has replaced the World Series as the most popular annual human event. Imagine it is Superbowl Day, 1984. In one area the game is played while in another area the evacuation is taking place. Orbiting satellites carry the game to radios and T.V.s all over the world. If the extra-terrestrials could somehow control wave direction and intensity, they could safely accomplish in thirty minutes what they haven't been able to safely do since Atlantis sank 12,000 years ago. Imagine the waves are directed in a way which shifts transmission from the Superbowl game to the evacuation momentarily. Millions, internationally, observe as over 100,000 board waiting spacecrafts. UFO censorship and football will never again be the same after normal transmission is resumed. Neutralizing the censorship will awaken many dormant seeds in time to give hope to many who would have had none during the Tribulation.

I would hope your love for me is as great as my love for you. It is my belief that we are an intimate and inseparable part of the Father's WILL, or Wisdom, Infinity, Love and Light. It is this very Force who has nurtured, cradled and guided us toward greater realization of the beauty and bliss in creation and in ourselves.  
Love,

# AN EXCLUSIVE INTERVIEW WITH HAROLD SHERMAN

## USING ESP IN THE NEW AGE

INTERVIEW CONDUCTED BY TIMOTHY GREEN BECKLEY, PUBLISHER UFO REVIEW

**T.G.B.** - Harold, you have been involved in E.S.P. work and parapsychology for many, many years. Exactly, how did you get started in all this?

**H.S.** - When I was 17, I was in my family home in Traverse City, Michigan. It was becoming dark and as I was getting up to turn on the light which was suspended from the ceiling, an inner voice said, "Don't turn on the light". It was such an eerie impression that I could not go against it. I went back to my typewriter and typed for perhaps ten minutes longer. Then it was really getting dark as the sun was setting. I reached for the light again, and more persistently than before, this inner voice said, "Don't turn on the light". While I was hesitating, someone had run up the porch and was banging on the door. Without having turned on the light, I ran downstairs and opened the door. An electric linesman burst in and said, "Don't turn on the light, there is a high voltage wire down across your line outside". I couldn't explain it at the time, but as I had fixed my mind on the light, somehow I had tuned into the mind of the electric linesman, who had reported on a trouble call about ten minutes before. He found the high voltage wire down across the line of two neighbors across the alley and had run to their homes to tell them not to put on the lights. He had this one thing on his mind and I had picked up his thoughts.

**T.G.B.** - What was the status of parapsychology in those days? Wasn't it frowned upon and thought of as something only spinsters were into and smacked of charlatanism?

**H.S.** - That is completely right. I went to a local library hoping to find some information to explain what had happened to me. I thought, if this happened once, it could happen again. It must indicate the existence of some higher part of the mind. You can imagine how little information of an authoritative nature was contained on what was not even called parapsychology

then. They did have the word psychic phenomenon, but very little was known about it. I decided that if I was to learn more about what had happened to me that afternoon, I would have to make a guinea pig out of myself and do some experimenting. I told a school chum of my interest in telepathy. He said that he always slept very soundly every night and that if I wanted to try an experiment, I could try to telepathically wake him up one night at a specific time. I said, "Well, that sounds like a good idea, Homer, I'll try it". I waited a few nights so that he would not be overly expectant. Then, one night, after ten o'clock, when I could be reasonably sure that he would be asleep, I talked to him. I got hold of my old high school annual, found his picture and looked at it until I could carry an image of him in my mind's eye. While concentrating on his image, I said, "Homer, when the clock strikes two, you are going to wake up and think of me". I continued that for about ten minutes. I had the sensation which felt as if some energy were going out of me to Homer. The next morning he called me and asked if I had tried to wake him up last night. I told him I had. He asked, "What time"? I told him two. Homer said, "Harold, as the town clock was striking two, I woke up thinking of you so strongly, that it was as if you were right there in the room with me. I couldn't turn off the light all night. Don't ever try that again. You scared the hell out of me!"

**T.G.B.** - Why do you think that some people have this ability that they can use, and yet, with others, it's like you can put them in front of a piano and they don't even know one key from another?

**H.S.** - I think that we all potentially have E.S.P., but much depends on the training, the religious training. I still have it thrown at me that it's the work of the devil. The school system taught you that you could only be aware of something through one or more of the five physical sen-

ses. You weren't supposed to have any knowledge beyond that.

**T.G.B.** - What were some of the outstanding experiments that you conducted during your lifetime that you think shows really good concrete proof that telepathy does exist?

**H.S.** - Some years later, while I was in New York City, I had the first real opportunity to prove the case for E.S.P.

The Russians had attempted to fly non-stop over the North Pole and land in the United States. Two planes were successful but the third plane was forced down some 200 miles from the pole and was never heard from again. They arranged an expedition with a friend of mine, Hubert Wilkins, the famous explorer.

I confessed to Wilkins that I had been experimenting with telepathy and he suggested that we try an experiment. For three nights a week, Mondays, Tuesdays and Thursdays. From 7:30 to midnight, I was to concentrate on him wherever he was in the far north and then record in mental images whatever was happening during his expedition. Wilkins thought that we should have a scientific witness in case anything of significance came of it. For this purpose, we got Dr. Gardner Murphy, head of the psychology department at University. I recorded my impressions at the end of each day and mailed it to him so that it would have a postmark and therefore be on record. This was done for five and a half months. Over seventy percent of the impressions turned out to be remarkably accurate. For example: On Armistice night, 1937, I sat concentrating on Wilkins. I had the feeling that he was headed toward Saskatchewan, Canada and ran into a blinding snowstorm and had to make a forced landing in some town that sounded like Virginia. I saw an Armistice Ball and men in military attire. I saw Wilkins in evening dress.

I later found out that Wilkins had recorded in his diary for that day: "This morning took off on flight hoping to

reach Saskatchewan but was caught in a blinding snowstorm. Was forced to turn back and make a forced landing in Regina. At the airport I was met by the governor of that province, who invited me to attend an Armistice Ball to be held this evening. My attendance at the ball was made possible by the loan to me of an evening dress suit".

I was astounded at how easy it was to get specific impressions once I had a good man to concentrate.

**T.G.B.** - You mentioned this experiment which took place over a distance of two or three thousand miles. Don't you think that if telepathy can work over that distance, that it can also work in space?

**H.S.** - I absolutely do. In my book, THOUGHTS THROUGH SPACE, Edgar Mitchell testified that one of the men walking on the moon, participated in a test with four psychics. They picked up impressions from E.S.P. cards at a distance of 150,000 miles. There is no limitation in time or space when it comes to the operation of the mind.

**T.G.B.** - A question arises. If we here on earth have just only learned to use a very small fraction of these mental capabilities, doesn't it stand to reason that perhaps beings elsewhere in the universe might have developed these same capabilities way beyond this point?

**H.S.** - I am absolutely convinced of that. This has occurred in several instances that I know of. I am the founder of the History Resources Foundation. We are doing research in that area. It is possible, that if one retains one's identity after death, for living mortals to communicate with those who have passed on.

**T.G.B.** - Back before the era of UFO's, didn't you actually predict the coming of the saucers and the space people?

**H.S.** - In 1946, yes. I actually dreamed the coming of the space people. I wrote a serious detailed article about my vision on how people would react to visitors from space. No one took "THE GREEN MAN AND HIS RETURN", seriously. The

only way I could get my story across was to write a science fiction novel which I sold to AMAZING STORIES. Ray Palmer was the editor. THE GREEN MAN was first written as a humorous story of a super-intelligence that arrives on earth and had certain abilities. He could stop power lines, cars and had an electrical influence on people. These effects, have been reported later on, by thousands of people. After Kenneth Arnold's UFO sighting, which took place a year after my story was published, Ray Palmer received hundreds of letters from readers who wanted me to write the next story about the new plan of living which the aliens were supposed to bring to earth.

**T.G.B.** - Over the years, many things you wrote about in your story have come to pass. Do you think it is possible that these space beings were actually tapping into your conscious mind and putting this information there, to sort of put out feelers to the public, to see what their reaction would be?

**H.S.** - I'm almost compelled to believe it now. I wasn't conscious of it at the time.

**T.G.B.** - Have you ever had a physical UFO sighting yourself?

**H.S.** - During the late 1950's, my wife, Martha, and I, saw a UFO over Hollywood Boulevard as it stopped all traffic. We were at the Hollywood Roosevelt Hotel.

**T.G.B.** - What exactly did it look like?

**H.S.** - It looked like a big luminous ball about the size of a full moon and was a couple of thousand feet above the hotel. It started as a small, extra-bright, star-like object, which kept coming down until it caught everyone's attention. Hundreds of people saw it and stopped their cars. It was written up in all the Hollywood papers including The Los Angeles Times. When it got down low enough, it turned a pulsating red and then exploded. As the cloud began to drift away against the clear sky, we thought, "That's the end of that". But a couple of minutes later, it suddenly blossomed out again as a luminous, white light. I went up

onto the roof with my binoculars and watched it for about ten minutes as it went higher and higher until it disappeared.

**T.G.B.** - Did you feel any telepathic communication, or did you feel any vibes from this at all?

**H.S.** - No, I didn't, but I didn't attempt to get any impressions.

**T.G.B.** - Have you had any telepathic contact with people who may have been from outside this planet? Have you investigated any accounts that you think are legitimate?

**H.S.** - There is a remarkable woman who came to visit me in the Ozark Mountains. Her name is Gretta Woodrow. She has written a book, "ON A SLIDE OF LIGHT". She has been possessed by an alien civilization. Gretta can do anything Uri Geller can do. She was with us for a few days. At one point, she went to sit down at the dining room table and all the silverware began to jump and bend. She waved her hands to break the magnetic lines of force and said that since she has been in contact with these higher beings, she has been walking around with a magnetic field. If she isn't careful, it affects the objects she comes in contact with. We have sterling silver spoons that are all doubled up, which she didn't even touch with her hands. She took three spoons of equal size, piled them on top of each other and said, "I'm going to tell one of them to shrink". The middle spoon shrank before our eyes.

Gretta has been speaking to groups of scientists whom she holds spellbound with her stories of things to come. She has been told that there is going to be a

great change taking place on the eastern coastline within the next year and a half. Gretta and her husband have sold their beautiful place in Westport, which they had for thirty years and bought a place further from the coastline in North Carolina.

**T.G.B.** - This is the type of contact that we are getting more often now from people who profess to be in contact with extraterrestrials. One of the reasons that they are coming here is to warn us about these earth changes and disasters that are slated to happen. Have you found this in your line of work?

**H.S.** - Yes, but you have to be very careful, some people are very excitable and very imaginative.

**T.G.B.** - Is it possible these spirit beings that you have written about, might actually be in communication with UFO people? Do they operate on the same level?

**H.S.** - No. I've asked them that. They are in different dimensions and spheres of activity than we are. If a space being died and went into a dimension beyond the so-called physical experience, there would then be a connection. There are all kinds of planes of existence that I have become conscious of. Each plane possesses certain vibrations. When we leave this plane, we go to the plane that is determined by our spirit gravity. Those whose spirit gravity is low, need help to go higher.

**T.G.B.** - Have you personally done research on this yourself?

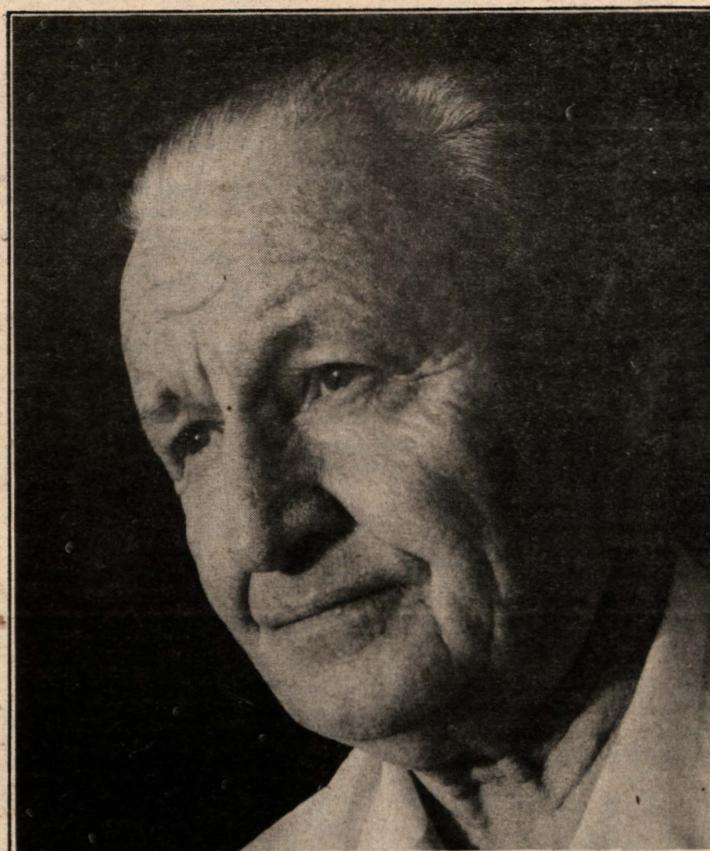

**H.S.** - Yes, and I am in contact with other researchers all over the world. Anyone who has a tape recorder can experiment with spirit communication in their own home.

You should pick a certain time, usually at night when your mind is clear and you would not be disturbed. Then turn on the recorder and begin speaking to a friend or relative that has died, as if you are making a phone call. Ask them to respond, if they are within reach of your voice. Just leave the recorder on and let it run for two or three minutes. It will help if you meditate for a few minutes before you start to clear your mind of any fear or destructive thoughts. Send out feelings of love. Play the tape back and listen for any sounds or voices that may have been picked up. It may not work the first time. Do the same thing again the next night. In time, you will hear spirit voices, and will encounter light, sound, static or interference through which these spirit voices have to come. Sometimes they are low or in whispers, but you will know without a doubt, that they have to be coming from another realm of existence.

**T.G.B.** - What have you picked up on tape, what sort of communications?

**H.S.** - Here is one that I would like to tell you about.

The Lamoreaux brothers are two unusual pioneers experimenters in Washington State. They have recorded hundreds of voices in the last ten or fifteen years. One of their friends, Jim Remick, was killed in an accident. They communicated with, and asked him questions about his experience in the after-life. One question they asked him was, "Do you have any rule of living, where you are now? Is there any God over there?" He said, "We have never

seen God and many people ask if we have seen Jesus or any of the great spiritual leaders. No, we don't know anything about that. But we do feel the presence of a great Higher Power, who has over all care of life and existence on these planes. We have six rules of living:

- 1- To live as you are a part of everyone.
- 2- To help everyone.
- 3- To not let anyone feel alone.
- 4- To love everyone.
- 5- To forgive everyone.
- 6- To learn to live as you are one with

everyone and everyone is one with this higher power. Jim suggests that since these rules are so basic, everyone on earth should start living by them to prepare for the life to come. Twenty years ago, Jurgesen, the Swedish naturalist, was out in the forest recording bird sounds. When he played the tape back, he heard his deceased mother's voice. He continued to experiment for the next few years. Jurgesen has developed an in-

SISTER THEDRA  
CONTINUED FROM PAGE 3

told Him I didn't know if I was worthy of such a task, nor did I know if I had it in me to do such a job. To this He simply replied: 'You go and I will give you the food.'

Sister Thedra traveled to the Andes and there she studied with some very wise and educated men in the ways of ancient teachings. During this period Sister Thedra started channeling not only Christ, but masters from space. Many of the messages paralleled those of the early UFO contactees. A good percentage of the information dealt with end times prophecies.

In 1962 Sister Thedra moved to Mt. Shasta. "I

was drawn here as if by a magnet," she explains. If anything this totally transformed her life and opened up her senses even more acutely than they had ever been before.

"I began channeling on an almost daily basis. Jesus and St. Germain are only two of the members of the spiritual hierarchy who have communicated with me."

UFOs have, of course, played an intricate role in her work. In addition to having observed them near Mt. Shasta, she even managed to capture one of these interdimensional craft on film.

"There it was right outside my door. Some people might say it was only a cloud but I swear that it stayed in one place for four days and

than on the morning of the fifth day it disappeared." Sister Thedra says that almost everyone living near the 14,161 foot mountain take UFOs for granted. "Just a few months ago," she recalls as an example of the intensity of their appearances, "the sheriff told me he was chased by a saucer for over a mile."

One of the things that concerns Sister Thedra the most is the upheavals slated to cleanse the earth in these "End Times." Sister Thedra maintains that California will be one of the states to be rocked by earthquakes. There are even those who believe that Mt. Shasta, a dormant volcano, will blow its lid just like St. Helena did in Washington state. Sister

Thedra says that when, and if, that should happen, her spiritual contacts have promised to give her plenty of notification.

A highly respected spiritual teacher, Sister Thedra says that if we pulled ourselves up by the bootstraps all might be averted. "None of this has to happen if we change our ways and become more concerned about one another and the plight of the earth."

Recently, Sister Thedra's group, the Association Sananda & Sanat Kumara (named after two of the leaders of the spiritual hierarchy) have been increasing the output of their literature, circulating it free of charge to all those who wish to be enlightened about the role of the

Masters in today's world. Their most recent publishing effort is a book, "A Planetary Saga & Return of Alizantil - A Journey in Space with Alizantil (\$7.95).

To her, Mt. Shasta is a great cosmic center. Far from being afraid of the powers that apparently dwell here, Sister Thedra seeks to soak them up. "I think that the powers that be are our guardians. I believe that the creator meant for us to keep in touch with Him. I believe it's all natural, not supernatural at all," she concludes.★

(NOTE: Those who wish to contact Sister Thedra can write to her at Box 35 - # 1 Vista, Mt. Shasta, Calif. 96067)

Taken in her home on Mt. Shasta, Sister Thedra is shown working in her study.

# REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stores." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book **PROJECT WORLD EVACUATION** by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. Comes complete with sturdy silver chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

Crystal, chain and special channeling sent by first class mail for extra protection. Total price \$15.00. Send now to: UFO REVIEW, 316 Fifth Avenue, New York, N.Y. 10001

**DATA BEAMED DOWN INTO TINY CRYSTAL**  
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube. The system, which is still in the research stage, uses laser to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam. The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.

## A VOICE FROM SPACE OFFERS SALVATION

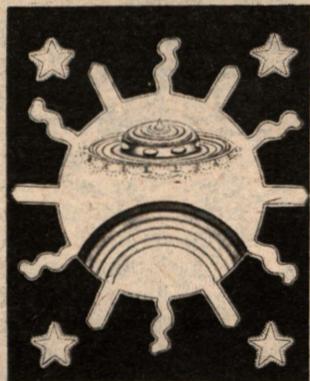

CHANNELED PROPHECIES CONCERNING THE FUTURE OF HUMANKIND FROM THE SPACE BROTHERS

Across the vastness of space, a superior intelligence speaks out—offering a practical solution to earthly problems and warning that humans MUST mend their ways, or suffer the consequences. Possible destruction of our planet. Two years ago, a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar"—Commander-in-Chief of the Free Federation of Planets, started to speak. During the course of the next few minutes this alien being spoke about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him, who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

The NEW WORLD ORDER he designed to become the most important book of our time, a commentary on humanity and what can be done to end the pain and suffering that has long engulfed our globe. Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time, being "most simplistic." Just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY Y are. Ashtar's philosophy will lift the hearts of all New Age people, and is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

**SPACE GODS SPEAK**

**TRANSMISSIONS FROM THE SOLAR COUNCIL**

Right now in the vortex in space, mankind's fate is being deliberated by highly evolved beings who have watched over our Earth since the time in antiquity when our world was but a gas-like ball. Totally unique, every word in "THE SPACE GODS SPEAK" has been transmitted from a high, spiritual source. Referred to often as Ascended Masters or the Spiritual Hierarchy, these ethereal beings have reached a state of pure bliss only experienced by the holiest of saints or avatars of our backward world. Far more advanced than even the "Space Brothers," these entities represent a cosmic council of majestic souls—the God or overseers of our solar system.

According to many of our modern-day UFO contactee and space channels, these beings, or "Gods," hold regular council meetings on one of the planets in this solar system where there directives are handed down to members of the Ashtar Command for immediate action. Unlike the occupants of UFOs, these "superbeings" are composed of pure light and energy. Furthermore, they need not fly about in spaceships, as they are able to journey freely throughout the cosmos utilizing the forces in their ethereal forms.

"Each planet has a God who has created that planet," one transmission states. "You people of Earth have a wonderful God who created the planet. He loves all his creations just as we all do. It has been said, God is love, and that is true of all Gods. All the planets near Earth have Gods of love and the inhabitants of these planets in turn love their Gods with all their hearts, minds and strength. It would be impossible for the people of these planets to deliberately injure any other being. They all live lives of love and joy, for true love is joy."

We are also told that there is an attempt to hold back the Earth's development into "cosmic realms," but that truth will soon win out, because truth is too great to be resisted. "More persons on your planet," it has been channeled, "will be seeing our space craft, because as your old human saying goes, 'Seeing is believing!'"

**CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE  
SPREAD THE WORD— JOIN THE LEGIONS OF LIGHT**

Ashtar and the Space Brothers have repeatedly said that it is time we New Agers show our behalf in the existence of more advanced life in space. As a special moment we are offering for a limited time only a beautiful medallion depicting the symbol of the NEW WORLD ORDER—a rainbow with a flying saucer hovering above it. This medallion can be worn, carried in your pocket, or used as a keychain. Other "believers" will be able to

spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered as a keepsake to true believers. If you have not received your medallion with our previous book THE NEW WORLD ORDER, there is still time for you to order while the supply lasts.

According to these transmissions, "The Earth is the only planet in this solar system, which is not peaceful and happy..." Yet, the Earth is never without great teachers who have preached and prophesied urging their followers to love God as well as one another. Unfortunately, few have heeded these words of wisdom and our planet has suffered.

## UFO CONFERENCE REPORT

Last November a two day UFO conference sponsored by restaurant owner Miguel Ribera was held in Reno, Nevada. The event received ample news media attention as the local papers, television and radio stations were filled with news of the event. Those in attendance came from over a dozen states and many well known speakers were on hand. As promised in a channeling session through Bob Short UFOs were seen in both Nevada and California during the program (one sighting was over San Miguel Mountain just outside of San Diego). During the sessions, UFO REVIEW's own publisher conducted several interviews which we are running here with photos taken at the historic conference.

Do you feel "different," or "unique?" Are you "out of touch" with the crowd. Have you thought that your parents are not your real family - that you really come from out among the stars?

If your answer to any of these questions is YES! I believe I can assist you in finding out who you really are. Tell me about yourself, your problems, "hang-ups," inner desires and enclose a snapshot if possible. I will communicate with my Space Brother guides and give you a complete printout of what your special mission is while here on Earth. Enclose \$20 and a stamped, self-addressed envelope.

## DR. FRANK ALPER Atlantis & Space Brotherhood

NEARLY A DECADE AGO, DR. FRANK ALPER COMPLETED HIS INITIATIONS AND WAS GIVEN THE SPIRITUAL NAME OF "CHRISTOS" WHICH MEANS "THE ENLIGHTENED ONE." SINCE THAT TIME HE HAS BECOME ONE WITH HIS SOUL "ADAMIS" AND CHANNELS HIS TRUTH ON A CONSCIOUS LEVEL. OVER THE YEARS HIS AWARENESS HAS EXPANDED TO WHERE HE IS CAPABLE OF INTEGRATING ENERGIES DIRECTLY TO THE CORE SPIRIT OF MANY MASTERS AND UNIVERSAL ASPECTS OF CREATION. IN ADDITION TO BEING AN EXPERT ON CRYSTALS SOME OF THE MASTERS WHO SPEAK THROUGH HIM INCLUDE, MICHAEL, SANANDA, MURVIN (COMMANDER OF JUPITER I), AND KRYON, FROM THE QUADRILLE V UNIVERSE. HE IS DIRECTOR OF THE ARIZONA METAPHYSICAL CENTER, AUTHOR OF "EXPLORING ATLANTIS," AND AN AUTHORITY ON THE LOST CONTINENT.

**REVIEW:** How did you become so involved in research on Atlantis?

**ALPER:** During my growth as a channel, one night when I was in meditation, the energies of a being who had reincarnated on Atlantis, named Strenth, came to me. He said I should start a class dealing with At-

lantis, and that I would be told about the conditions of life there, and would be given information to share with mankind on quartz crystals.

**REVIEW:** When did you first start to channel?

**ALPER:** My earliest stages of communication were done through automatic writing, and I did

that for several years. Then, through the writing, Solomon, who was my master, said, "I want you to get some people together and sit down and we are going to stop the writing and start channeling." I told him that I'd never done that and he said, "You have

## THELMA TERRELL The Materialization Of Ashtar

"TUELLA," IS THE SPIRITUAL NAME GIVEN TO REV. THELMA TERRELL BY THE HIERARCHY. A FORMER PASTOR, SHE IS THE FOUNDER AND EXECUTIVE EDITOR OF GUARDIAN ACTION PUBLICATIONS, A FIRM DEDICATED TO INTERPLANETARY FELLOWSHIP AND UNIVERSAL PEACE. TUELLA IS THE SPIRITUAL MESSANGER AND CHANNEL WHO COMPILED "WORLD MESSAGES FOR THE COMING DECADE," AND THE MORE RECENT BEST SELLER "PROJECT: WORLD EVACUATION," BY THE ASHTAR COMMAND. TUELLA SAYS IT IS TIME MANKIND AWOKE AND BECAME FAMILIAR WITH THAT WHICH IS SLATED TO HAPPEN. "THE GUARDIANS WHO ORBIT THE EARTH HAVE SENT TO EARTHEANS THEIR FINAL WORD -- THIS IS OUR MOMENT OF TRUTH, TO CAST ASIDE THE OLD TRADITIONAL HANGUPS AND BE LIBERATED THROUGH OUR FREE WILL TO CHOOSE TO BE CHOSEN TO BECOME A PART OF THE NEW WORLD ORDER!"

**REVIEW:** You are one of the many channels who are in regular contact with Ashtar and his command. What sort of messages are now coming through?

**TUELLA:** Most of the recent channelings have to do with a mass

evacuation off this globe before a disaster strikes. My book PROJECT: WORLD EVACUATION was meant to help get people ready and to know what to expect. In this way much of the trauma is removed should that event become necessary.

**REVIEW:** How did you first start channeling, what is your background in this field, and what were you doing before you got involved in all this?

**TUELLA:** I was a servant of Jesus Christ

## DR. FRED BELL NASA Scientist Meets Female Saucer Pilot

A FORMER NASA SPACECRAFT CHECKOUT ENGINEER, DR. FREDERICK BELL ONCE COLLABORATED WITH AEROSPACE GENIUS WERNER VON BRAUN AND WORKED ON BOTH THE SATURN AND APOLLO PROGRAMS. A DIRECT DESCENDENT OF ALEXANDER BELL AND ETHAN ALLEN, DR. BELL SAYS HE HAS ESTABLISHED FACE-TO-FACE CONTACT WITH BEINGS FROM ANOTHER SOLAR SYSTEM, THE LEADER OF WHICH IS A SLENDER AND PETITE SPACEWOMAN CALLED SAMJASE FROM THE PLEIADES. BELL CLAIMS HE HAS RIDDEN ON THEIR SHIPS AND THAT THEY HAVE PREDICTED THAT WITHIN A FEW YEARS EARTH MIGHT DESTROY ITSELF DUE TO ECOLOGICAL REASONS. DR. BELL IS THE AUTHOR OF "DEATH OF IGNORANCE," AND IS CONSIDERED TO BE AN EXPERT ON HEALTH AND NUTRITION.

**REVIEW:** You have quite an impressive background both as a scientist and as a New Ager who has experienced a good many things.

**BELL:** I suppose I have, but then again, I got started when I was about 14. I was working at the University of

Michigan on atomic energy experiments on a federal grant, so I got an early scientific exposure. I also studied some of the eastern masters which gave me a degree of spiritual awareness.

**REVIEW:** I understand you worked on a number

of different projects while with NASA.

**BELL:** I started working for them in 1962 and I worked until late 1966 I worked on the Apollo, the Gemini, and the Saturn space craft. We did things like internal navigation. I personally

to have faith." So I called together a group of 22 people and we sat down and I channeled. All of my channeling is done at a conscious level. It's just a matter of putting my personality aside. To date, I have channeled the energies of Moses, and the Christ, and Peter, as well as different people who are incarnated, living on other planets and also on ships.

**REVIEW:** Is there any theme that runs throughout these messages?

**ALPER:** Most of what I channel is to assist people in spiritual growth, to help with their awareness, their responsibilities, to bring them information, not

so much on the technical level, but on a level to open the doors of their minds to let them know who they are. The main theme is to get people to understand that they are children of the universe, not just of earth. We have talked about Creation and what happens to a soul from the instant it is created. They've also given a history of the evolution of our universe.

They've also given out a considerable amount of information on the use of crystals to generate a vibrational field that will help people get into spiritual communication, and to help alter their own energy systems to make them crystalline in nature, so that they

too can tune in to the universe.

**REVIEW:** And Atlantis, what about Atlantis?

**ALPER:** Part of Atlantis was settled by the Lemurians and part of it was settled by ships that came from other worlds and landed off the eastern coast of the United States. It is my information that the first descent was made in 77,000 B.C.

Many of these beings were of a superior nature. There was a cast system and there were mutants who were a labor force of much lower evolution. There were problems there, just like we have now. The people were not allowed to pass the boundaries of the vibration of their soul. They were confined to certain areas of evolution and growth.

They had some wonderful methods related to energy transmutation to help people grow by putting them inside a little absys in buildings and sealing them up with crystals to set patterns of vibrations for their function and service on Atlantis. They didn't have any time to mess around. We might say that they were even programmed from a vibration to do what they came there to do.

**REVIEW:** We've been told that they had a very advanced state of technology.

**ALPERT:** That's quite true. Most of their technology was wrapped around the use of magnetic crystal power. Many of the crystals they had were seeded. They grew them from small crystals, and also they were materialized out of thought.

**REVIEW:** They, I take it, had an on going relationship with the Space Brothers?

**ALPERT:** There were certain beings that incarnated there, who were

what we call universal channels. Their function was to act as a relay station between the Space Brothers and the general working class of Atlantis. Under their direction much of the machinery and much of the construction of the city was run.

**REVIEW:** Is it possible that some of the ships we see in the sky today may be piloted by Atlantians?

**ALPER:** No doubt. The souls that came in from Atlantis also were the souls who founded the original 12 tribes of Israel and spread out to the four corners of the world. This is why the Bible says they are the "chosen people." They don't mean chosen as in favorite people of God. They mean that they were chosen at the soul level to resettle the earth on the surface at that time.

**REVIEW:** What do you think is the plan? How do the Space Brothers and the UFO movement tie in with this?

**ALPER:** The Space Brothers are sending us energy patterns to open the doors in our mind, so that all the knowledge that the enlightened ones had will come to the conscious level. This is why we are becoming so aware of crystals. The energies have always been there, this isn't new, it's just that we're now awakening and finding ourselves capable of getting into that level of vibration.

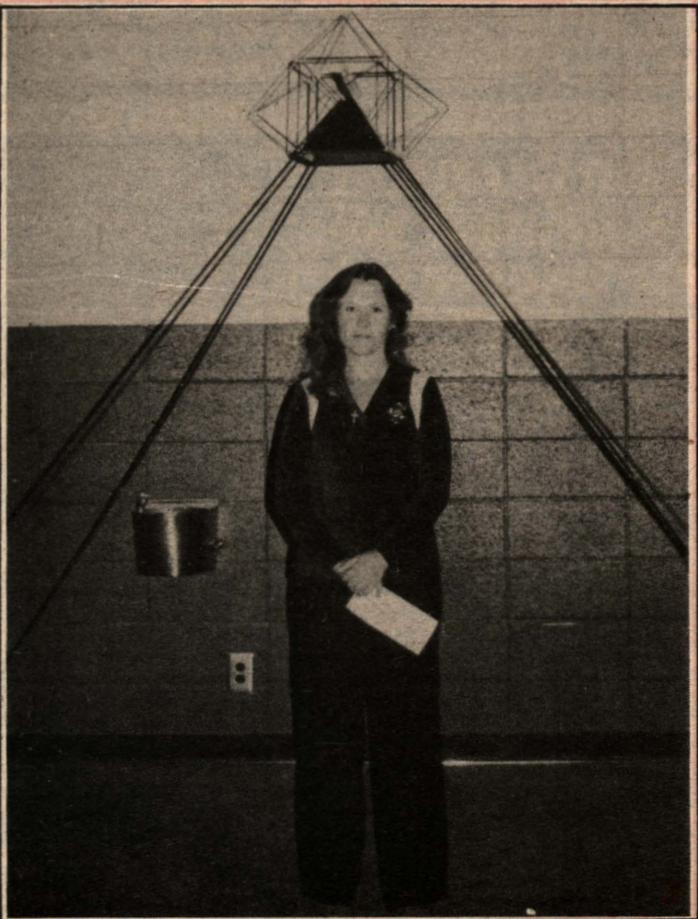

Many are being beamed on board and information is being planted in their subconscious mind. This data later comes to the surface when something triggers it and they are able to utilize it.

**REVIEW:** Where is this all headed, what is our destination as a planet as a whole?

**ALPER:** The destination is still a variable

because we are subject on this planet to the karmic law of free will of mankind. The Space Brothers are here to assist us, but they really are not allowed to interfere within our choice of the course for our life. They are trying to dangle all the carrots in front of our noses so that we will

long before I knew anything about this. I was a pastor, an evangelist and I was a lover of the scriptures. My first unusual experience came when I'd be seeking scriptures for my sermons. Someone would be standing behind me discussing certain passages. It began in that fashion - someone hover-

ing over me and teaching me. Then, finally, the things I was taught far exceeded the creed to which I was bound. Soon, I moved out and the teachings expanded. That is how I found a closer relationship with my own spiritual teachers.

REVIEW: For those not so familiar with this sort of thing, could you tell us something about Ashtar, and the Ashtar Command, and those that make up his group?

TUELLA: Ashtar himself is a very beautiful being. He is from the Venus heritage line. There are six planets up there, there is Venus, and Astara, Volga, and Ashtar, and Eros, and that group of planets. He is from that line, but he is the Commander in Chief of this hemisphere, for all the fleets that are coming in from all of the other planets and galaxies. We have other commanders who are in charge of other hemispheres. Ashtar has been called the Christian Commander and he is very close to the Lord Jesus Christ. Of course, Jesus is referred to as our great beloved Commander. The next in authority over Ashtar is Jesus Sananda Himself. All that takes place within the atmosphere of the earth is the responsibility of the space federation which is under the direct jurisdiction of Ashtar himself.

REVIEW: You are a space channel. You do receive messages from Ashtar and from those under his command. Have you ever seen Ashtar materialize? Have you seen him in the physical sense, and could you describe him?

TUELLA: He does not materialize. These fellows from this level of evolution do not materialize. What they do is send a projection of themselves to you, so

that rather than seeing, you perceive. If you are sensitive, you sense what they look like and what they are wearing.

In the opening pages of my book, I do get into a description of what it was like when Ashtar appeared to me and I use the term "appear" loosely. When he appears, it is a projection that he sends, mind to mind, just as he sends his words mind to mind. It is truly a function of telepathy.

REVIEW: How many messages have you channeled to date?

TUELLA: I have no idea there have been so many. I still have in my files pretty much everything I have ever received. I have 12 years of training with them.

One of the beings very prominent in my training is a being called Athena. I did not know at the time anything about the Space Confederation, but I found out later that Athena is the twin flame of Ashtar. He has said to me that he could turn over the whole command to her and no one would even miss him. She is that efficient in her job. She is the one who had taken over my training for many years. It was not until 1980 that Ashtar came in and asked me to take over a certain chore, and began to communicate with me in a direct way. But, even now, he does not come in unless it is something of great importance. Usually, one of the other commanders or someone else comes in.

REVIEW: What, at this moment, would you say is their most important function?

TUELLA: The most important thing right now is that they want the world to know why they are here. They want fear removed so it will not hinder what they are trying to do. And they want the world to know

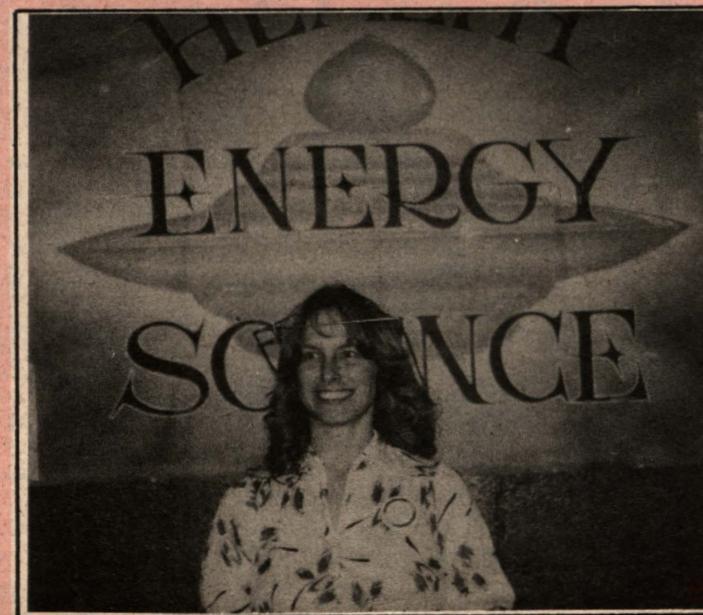

that there is a very, very strong possibility that events may make a world evacuation necessary before much longer.

They have indicated that there probably will be great geological changes, not necessarily war. They do not intend to let nuclear war go on for any length of time. But, nuclear war may precipitate severe geological events.

REVIEW: How many people have they chosen for this evacuation and how have they been chosen?

TUELLA: They do not choose people for this evacuation. The people have already made their choices long ago. Therefore, they qualify by virtue of the lives they have lived, and by the frequency of their own electromagnetic field or their aura as it is called. If they had their way they would take everyone and everyone would go. Everyone will receive an invitation, but not everyone can endure the frequencies of the levitation beams.

did some of the designs for the crystals which kept the vehicle from getting lost in the dark of space. You know of course that I also worked with Dr. Von Braun.

REVIEW: Did you ever discuss your New Age thinking with him?

BELL: No, I never talked to him a whole lot because he didn't like to talk a lot. He was a very quiet person. He was not a very happy man. He was very dissatisfied with the way he had been treated when he defected from Germany during World War II. So he was almost a hostile person. The man was very intelligent. He knew what he was doing and was very intollerant of those who didn't know what they were doing. I was inclined to agree with him by the way as the whole space program was being mismanaged in those days.

REVIEW: When did your first UFO contact come about?

BELL: When I was four years old I believed in them. I tried to share this knowledge with my parents, but they didn't understand, so they suppressed it in me. I

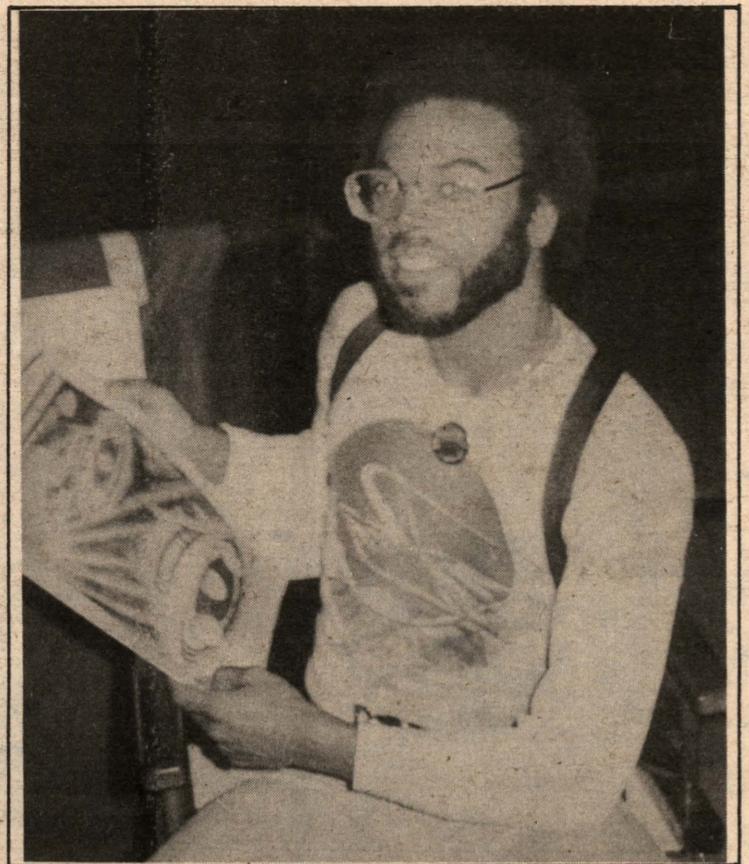

had seen craft from time to time, but I'm the type of person that unless I see them really close, I'm really skeptical. I don't look at twinkling lights in the sky or a reticular cloud and immediately see a UFO. So far, I have had three contacts during my life. They have been with beings from Reticulum, from Iarga, and from the Pleiades.

I had studied the Urancian book and had wondered about the race that had fallen from grace in space - something like George Lucas' Star Wars. The Iragians came to me and I did some channeling with them. They revealed that they were this race that fell from the grace of God eons ago. They were one of the first races in space. Today they are totally civilized and far more advanced in peace and harmony than we are. But because of the karmic debt that they had to pay, they are here on the earth at this time. Their whole planet is covered with water. They had lived in fire before. Their whole race payed some of the heaviest dues, and as

a result they are today one of the most liberated planets in the universe, as far as I can tell. They are powerful and very, very physical. The beings from the Pleiades on the other hand, are a very beautiful people. They are also a very gentle people. They cannot handle the stress, and all the garbage in the atmosphere, and all the pollution on this planet like the Iragians can.

My contact with the Pleiadians began in 1972. It was a few years before Billy Meier had any contact with them. It began as a psychic impression. You have to understand that in 1972 I wasn't that psychic. My spiritual development was only really beginning and I wasn't a whole lot more enlightened in that area than most people are today.

At first, I started to do a drawing of this girl that I kept seeing in my mind. Believe me, when I tell you, I thought I might be going crazy. A friend of mine came over to the house who is a high level sensitive and revealed that he had had the same type of experience. Also, a couple of lady friends were visiting my home which was in the same area George Adamski started out in, and they were having the same flashes. We collaborated on a drawing which is now hanging on the wall side by side with the police sketch that Col. Wendelle Stevens had which was done for P.M. Magazine. I didn't know her name in 1973, she refused to tell me it. I said, "Who are you. I know I've known you from before," and she replied, "I can't tell you who I am." "Why?" I asked.

UFO REVIEW subscriber Mick Jones is a singer in the rock band "The Catch." Many of their songs are New Age including the tune "History Mystery." "I've seen lights coming out of the sky at night. All I want to know is wether I'm wrong or right. Maybe they'll come down and take us away, Because I'm ready to leave the Earth today. If they came, I'd leave right now. When I came back, I want you to know, That there is such a thing as a UFO, I should know, Because I just got back. You can't believe in all you see, What you know, it may not be. When they tell you, all their lies, That's when you know, it's no surprise." (copyright 1978 Mick Jones)

"Because, if I tell you my name, the experience won't be real. My name will come to you from another land and an other place.

What happened was that in 1977 I came out with a book called THE DEATH OF IGNORANCE and at the same time Col. Stevens was involved in publishing UFO CONTACT FROM THE PLEIADES. Well, there is a section in there that has esoteric knowledge. It talks about the Book of Job and the Pleiades. I had the same chapter, though I had no contact with Wendelle Stevens

or Billy Meier or any of those people previous to 1979, yet here we were on the market with the same chapters in our books. It was identical.

In 1980 I knew what Semjase's name was. She said, "I'm going to present myself on one of our beam ships to a group of friends of yours." She told me to assemble a few people and get them to a mount-ainside. She said, "Get some skeptics." My wife was a skeptic at the time.

Semjase came on

### JUST OFF THE PRESS! THE LONG-AWAITED RETURN TO ATLANTIS

This book is a story in epic proportions incomparable in the literature of Atlantis and unique in itself! It is a biographical history of the rise and fall of Atlantis based upon information received "mentally" from the Greek historian, Herodotus.

RETURN TO ATLANTIS kes you on a magnificent guided tour of the Atlantean cities, homes and countryside. Read the vivid descriptions of the Atlanteans' scientific and cultural development, taught to them by their teachers, the LIGHTED ONES from the higher Spiritual Worlds. Man's progression and retrogression is narrated in a running commentary by Herodotus, concluding with a prognosis for the future.

Volume 2 of RETURN TO ATLANTIS provides a detailed biographical history of POSEID, THE SPIRITUAL FOUNDER AND LEADER OF ATLANTIS, RUTH E. NORMAN, now incarnated, who had come to reeducate and rebuild the damaged psychics of the aboriginal Atlanteans. Poseid incarnated 25 lifetimes to help bring to man his forgotten spiritual heritage. Still Atlantis fell to negative forces in 12,000 B.C.

Volume 3 of RETURN TO ATLANTIS tells of recalls by Unarius students of their negative life experiences associated with the destruction of the continent of Atlantis. These pointed recalls can help the reader tune to his own past in Atlantis and so be healed by the recollection.

# RESEARCHERS BAFFLED BY WOMAN'S CLAIM THAT SHE IS FROM ANOTHER PLANET

Several years ago a mysterious, but attractive, dark-haired woman walked into a New York City radio station and requested that she be allowed to speak with the famous host of an all night talk program. When the receptionist asked the nature of her business, the woman replied that she had come on a "long journey," and that her visit might save the world from destroying itself. Thinking she was some sort of a crackpot, the station employee was about to usher the woman to the door when she suddenly felt compelled to push the intercom button to the inner studio. Moments later, the talk show host walked out of his office wanting to know why he had been disturbed.

"This woman has something important to see you about," the receptionist remarked as if in a hypnotic trance, going against all lines of reasoning. "Well, what is it then?" the radio personality demanded, wanting a prompt response so that he could get back to his hectic schedule.

"I've come to the Earth from another planet and I have a great deal of information to pass on to humanity and I know that you can help me because you have a vast audience who will be eager to hear what I have to say."

As it turned out a guest who had been scheduled to appear that Saturday night had to cancel at the last moment and the strange woman who claimed to be from another planet was allowed to fill in. The rest is history. According to the testimony of the late Long John Nebel (whose program aired nightly from midnight to dawn on NBC radio), in the days to come the station received more than ten thousand letters, postcards and telegrams from listeners demanding to know more about the mysterious woman who identified herself only as VIVENUS.

## HER STRANGE ARRIVAL

According to the story VIVENUS told, she said she had arrived on Earth in 1960, replacing a young woman her own age—her double—who led a rather tragic life and was contemplating suicide. The "switch" took place in New York's Central Park when VIVENUS'S craft (a UFO) lowered her out one side of the ship and beamed aboard the troubled woman through a hatch on the other side of the flying saucer. VIVENUS took over the other girl's life, only this time she had a mission to accomplish—to bring love to the Earth. Over the next two decades, VIVENUS traveled across North America to bring her message to those who were willing to listen. "Every day of my travels was like a miracle," she insists. "People changed before my eyes. Violence dissolved into kindness, hurt into laughter. Fear and confusion washed away to be replaced by love."

For many years publishers tried to get her to tell of her life on a far away world in space. Up till now she refused because she knew they would go out of their way to sensationalize her adventures. It is only now that she has agreed to come forward and reveal information that is destined to shed a ray of sunshine upon all

those who read these prophetic words.

VIVENUS admits that there is much to do in the time just ahead. Though she sees the messages as being more important than who she is and where she came from, she now speaks of her past much more willingly. Here are just a few of the topics she discusses in her book VIVENUS: STARCHILD.

## LIFE ON VENUS

"The 'things on Venus are not really 'things' as they seem to be on Earth," she states. "We make what we make for the most part with our minds. No sounds of hammers pounding nails. We vision our house, and the house is there. We can envision it being built brick by brick, or we can see it all at once perfect and complete."

"My world is a planet of life—living souls with forms that cannot be seen by the Earth's physical eyes...must not be seen by the planet that would 'claim' it and make it like itself. The Father and His angels protect our world. They form cloud-like vapors over us in those times those on Earth try to probe with their space ships."

"My family and I lived in a house made of clay-like substance in the shape of yellow bricks. My house at home is pale yellow, four windows without glass in them, two doors without locks, no curtains, no roof, no floor. We were not 'poor' but simply in keeping with the 'style' on Venus, why should we shut out the glorious sky with all its changing colors? It will never rain, never snow, never be too cold, never be too windy. The soft, white grass of home cannot ever be covered. It is sacred ground. We wear no shoes, for the touch of our ground is blessed when we are moved to touch it."

## DIFFERENCE IN TIME

"I was born on Venus. There was no year," VIVENUS explains. "For only the Earth counts days and measures miles. Perhaps a day on Earth is but a moment in the eternal spheres. I do know that when America was born, I was already in existence because I heard its initial vows. Great moments of light reached our world, and touched our hearts. I do remember being born on Venus several times."

## ABUNDANCE FOR ALL

"Venus is seemingly a planet of withouts: We don't have money; we don't have wars; we don't have jobs; we don't have cars; we don't have bombs; we don't have guns; we don't have pain; we don't get lonely; we don't have misunderstanding; we don't have ridicule; we don't have misfortune. We don't have a lot that the Earth has—and there is no lack anywhere."

## UFOS KNOWN AS "SWOOPS"

"On my world we call flying

saucers by another name—we know them as "swoops," because if you name a thing it is named for what it does rather than how it looks. A spaceship does swoop as a bird swoops. Our swoops come in all sizes, shapes and colors. There are several giant swoops that carry many smaller ones inside, to let them disembark over the lands they must keep vigil. At home, there is a special part of our land to house our swoops. We do not need them on our world, but only for travel to other planets. There are many on Earth who have seen and many who felt pure love from their UFO experience, and that is the way it should be. The swoops in your skies can make themselves visible or invisible. They are piloted by usually two male souls. They have trained their whole life to maneuver these craft. They know how to form clouds around themselves. In flight you feel no motion at all, and yet as you look through the little windows you see the colors of the changing atmosphere and you know you are en route."

## SPIRITUAL EXPERIENCE

"I have met the Father," VIVENUS declares, telling of her meeting with the man known as Jesus. "I knelt for the longest time and I felt only quiet. Then He appeared. He is the one known on Earth as the Christ: He is the Father when the Father wants to appear as a form to us; when He wants us to feel strongly His friendship. I did not speak, and He only smiled. It was a smile that

LAST PHOTO OF EARTH GIRL

caressed my being: 'Lighten the Earth planet with love.' He held a crown in His hand—a crown so gloriously arrayed in jewels of sapphire and rubies and white pearls. His appearance was a gift of ultra love, but I was not the only one to whom He ever appeared. For any on Venus who had need of His presence, ask and He comes."

## RESEARCHERS PUZZLED

Many private researchers who have met with this amazing woman admit that they are truly baffled. Gray Barker, author of five books on UFOs and an interna-

tional investigator of repute has said: "I cannot account for her story. It is totally unique and admittedly difficult to accept on face value. Yet, she tells it with such utter sincerity that one has to believe what she has said."

Bill Cox, editor of the highly respected journal the Pyramid Guide has commented: "There are many people living on Earth now who seemingly have come from elsewhere in our time of need. These 'Walk-Ins' have unusual psychic powers and tell stories that are utterly convincing. VIVENUS is one such person."

Timothy G. Beckley, publisher of UFO Review, concludes: "When you look into her eyes you know she is sincere."

## FREE VENUSIAN LOVE AMULET FEEL YOUR SPIRITS SOAR THE MINUTE YOU PUT IT ON!

According to mythology, Venus is the planet of love and harmony. Now you can own a beautiful, heavyweight, gold amulet based upon sacred designs given to wisemen centuries ago as printed at the beginning of recorded time in the Cabala. Believed to have been given to the elders by beings referred to in modern literature as THE ANCIENT ASTRONAUTS, such amulets were considered to be powerful tools to attract good. They were said to bring balance to all those who wore them and who believed in their potency. Now you can test these forces yourself and see if they don't make your life more harmonious and attract others to you. The Venusian Love Amulet vibrates with an essence that is plainly "supernatural." This attractive keepsake is being issued at this time to commemorate the visit to our planet of VIVENUS whose story is told in the thrilling new book described in this ad. This amulet (which can be worn or carried in a pocket or used as a keychain) is meant for both men and women and will be a welcome addition to your wardrobe. WHICH POPE...

TURNED WORTHLESS METAL INTO GOLD? SPOKE WITH JESUS? COULD REVEAL MINDS? ENVISIONED THE END OF THE WORLD?

"There are Peter and on this rock will I build my church, and the gates of Hell shall not prevail against it. And I will give unto thee the keys of the Kingdom of Heaven."

Christ gave this command to Peter and it was recorded by St. Matthew in Chapter 16, Verse 18 of his gospel. It marks the birth of the papacy and the inception of the prince of the Apostles as the first pope.

Today, millions of Catholics the world over view the Pope as the spiritual link between Jesus and ourselves. Other Christians generally think of the Pope as a wise and holy man who has his feet planted firmly on the ground, one who is aware of all things worldly and all things beyond the pale.

However, when it comes to the most mystical powers and supernatural experiences of the Popes, the church has remained eerily mute. Perhaps fearing this information would be used unwisely by the untitled. For historical reference shows that many Popes possessed powers that were awesome, or were involved in paranormal events so devastating that scribes were told to curtail them for the upper echelons of cardinals and bishops, let alone the common man to go to their graves without breathing a word of what they knew to another living soul. Many of the manuscripts containing such information have either been burned or have been kept under heavy lock and key to prevent their release.

Now, thanks to the tireless efforts of religious historian Arthur Crockett, occultic texts as well as the sacred writings of the priests and saints have been dusted off and are presented in a

thoroughly modern manner, with the intention of enforcing currently accepted beliefs, but going beyond even what one has already been taught through regular channels.

In this startling new book you will read the following stories as well as many other astonishing—but all incredibly true—accounts not written in ordinary religious works:

### MYSTERY SURROUNDING THE DEATH OF THE FIRST POPE

St. Peter—the first pope—was said to have been crucified upside down. For centuries his exact burial place was unknown until a sixteenth century excavation of Rome uncovered an underground chamber, and removing some bricks, a worker discovered a grizzly site—a decomposed skeleton. Pope Clement VIII was summoned; with members of his papal court, he hurried to the dark cavity carrying a flaming torch. Clement VIII peered into the void and peered back momentarily, a look of utter shock on his face. Initially, he was too stunned to speak. Later, he reported that he had had a dramatic vision inside the crypt which ties in with a prophetic warning and a subsequent death. The chamber—thought to be that of St. Peter—was sealed up at once and was only opened centuries later by another Pope (again under a veil of mystery and forbidding).

### A POPE'S VISION OF JESUS

Though it is not generally acknowledged, one pope on his death bed had visions of Christ and the Virgin Mary, and later experienced another phenomenon often associated with the appearance of Fatima—the falling of the one toward the earth. This pope survived his trials and eventually became a great healer, going as far as to enable a blind boy to see.

### THE POPE WHO WAS AN ALCHEMIST AND THE SAINT WHO CREATED A MAN FROM METAL

Alchemy, the ability to turn base metals into gold, was the "chemistry" of the Middle Ages. One pope was known to possess this ability which many good churchmen associated with the devil. He denied he had this ability, but when he died no one could explain his vast personal treasure including 18 million florins in gold, and 7 million in jewels. In his notes found after his death, he told how he accomplished this feat of magic.

This pope also canonized a saint who built the first robot—a man made of metal whom he later broke into pieces, "because the image would not cease talking to me."

### THE POPE PREDICTED WORLD WAR I

Over fifty years before the outbreak of the first World War, a pope wrote a letter to the Bishop of Vigevano in which he predicted a terrible outbreak of world tensions and bloodshed. One nothing that had ever engulfed the globe previously. This same pope also possessed the uncanny ability to foresee who was about to die and to heal the ailing.

### REVEALED: PROPHECY OF THE POPES

Among the most startling prophecies to be found outside of the Bible were those made by St. Malachi in the 12th century. They concern each unborn pope starting with Celestine II and coming to a halt with the 111th pope (who remains unknown as yet) and the "end of the world." This chapter reveals the untold story behind St. Malachi's prophecies and the (wonderful) his yet unfulfilled predictions held for our

Several issues ago I told of my offbeat adventures in Belo Horizonte, Brazil and the fireballs that seemingly come out of the base of a tree. Well, other peculiar things happen in this area. For example, nearby can be found two lakes where extraordinary UFO sightings have been confirmed by more than mere visual observation. The types of space vehicles reportedly seen at Lagoa Fervadouro ("Boiling Lake") and Lagoa Sumidouro ("Disappearing Lake"), a four hour drive and 35 kilometers north of Belo Horizonte, respectively, differ somewhat, but they both have one thing in common - the lakes have never been quite the same following these visitations.

This issue I'll discuss what several witnesses say in 1977 at Lagoa Fervedouro. According to sworn testimony, an enormous transparent cube settled down lightly upon the surface of the water.

With no attempts to disguise its presence, this giant geometrically

shaped craft remained stationed near the lake center for about three hours. Astounded local residents gathered around the lake blinking their eyes, asking one another if this giant, floating, glass cube was real or imagined. Word travelled fast, and soon others joined the original observers. They too gazed upon this bizarre intruder, pondering its possible meaning and potential effect upon their community.

Shortly after it landed, the lake surface immediately around the UFO became ruffled and with a low roar, the agitated waters intensified in their movement. Observers, however, were puzzled by the fact that there was little or no wind in evidence, and that the remaining lake-top continued to stretch out to its margins with near absolute smoothness. "It was like watching a floating, bulls-eye ice cube remaining stationary in a liquid target of boiling water," said one witness.

After awhile, the

"boiling" subsided and the lake surface returned to its former calmness, but the estimated, several-stories-high, see-through cube maintained its position. Another witness said the structure resembled a glass office building often seen in big cities. Other than the turbulent waters and initial landing activity, no other signs of life or movement in or around the spacecraft were noted.

At the end of its three hour stay, suddenly, and without warning, the giant cube abruptly lifted off and disappeared from sight in almost an instant.

Later on, many UFO sightings were reported in the area, but these craft were of more conventional saucer shapes. Some months later, two area residents claimed that they came upon and surprised a little man who was an estimated one meter, 30 centimeters tall. They reportedly seized the tiny being and one of them successfully held him for some time while his friend ran for assistance. But in due course, as so often happens in cases of this nature, the little fellow managed to get away.

Now, you might think that this is the end of the report, however, baffling events of other types followed: After the sighting, certain places around the shoreline contained pockets of material something like quicksand. Those who strayed too close, were later relieved to find that an ordinary person could only sink into the mire up to his or her chest.

Finally, when standing anywhere along the shore, and when one or more persons clap their hands, an approximate 20 x 20 square meter area of the lake boils up, only coming to a calm after the applause ceases - hence Lagoa

Sumidouro or "Boiling Lake." In the next issue of UFO REVIEW I'll tell about another lake, Lagoa Sumidouro which is a true mystery. ■

**Editor's note:** Names of witnesses in the following have been withheld for their protection. Have the military establishments of not only the U.S. but other nations already made contact with alien occupants of UFOs and withheld this information from the public?

If this has indeed taken place, why has the greatest news story in the history of modern journalism been suppressed? Because the revelation would threaten Big Energy and break its stranglehold upon the common man? Because it might render banking systems obsolete by providing a cheap and simple transmutation of "base metals" into gold, or by revealing how people on other planets manage without money and the interest charged thereon?

Or because the coming of the UFO-nauts might herald massive planetary physical changes, the evacuation of humanity from Planet Earth and the resulting ruptures in established religions which cement society?

Or is it the Government, itself which has the "saucers"? Our government along with other governments? Does the military-industrial complex, warned about by the late President Eisenhower, fear that revelation of such a secret could eliminate its bloated, fattening place at the public trough and its economic/political hold on the masses?

A well-documented "saucer crash" in Great Britain during 1980 and contact with its occupants by the U.S. Air Force can feed the "paranoia" suffered by the writer and no doubt some readers. Or perhaps some thoughtful reader can come up with a rational explanation that can set these fears to rest, at least for the time being. The

"crash" itself has been investigated by the top civilian UFO researchers of the United Kingdom, along with our own lesser efforts.

**The Mysterious Forest**

Rendlesham forest, an immense wooded area nestled among the hills in the sleepy farm country of East Anglia about eight miles northeast of Ipswich and close to the coast of England, has long been a subject for superstition and legend. Ancient tales of fairies and trolls harbored within its dark interior abound in the folklore of the area. J. J. R. Tolkien's foreboding forests of his Rings series may have been inspired by these woods.

Clusters of "ley" place names abound in the region, suggesting chains of ancient landmarks that may have guided aerial navigation in the distant past.

But antiquity does not hold exclusive claim on unusual events transpiring in the Rendlesham Forest. In December, 1980, a Flying Saucer may have landed and its occupants contacted by the U.S. Air force!

This fascinating account begins on a sunny June day with a young woman in a flowered dress flitting gaily among the shop windows of a Suffolk area town. Although her presence had nothing to do with UFOs, and other business had taken her there, it seemed Jenny Randles could find no escape from her role as Britain's best known and most popular investigator-writer on that controversial subject, especially since the publication of her popular book, UFO Study.

Entering a little pub and scouting a table to place her packages, her eyes suddenly met another familiar pair. The look of mild shock on both faces melted into sheepish grins as she recognized Paul Begg, a UFO Skeptic with whom she had experienced many pyrotechnical verbal run-ins on television interviews and at "saucer" symposia.

"Please sit with me, and we will promise not to argue," Beg, author of the popular

Thin Air book (in which mysterious disappearances are examined skeptically) persuaded.

As they sipped coffee and made small talk, Beg broke the ice.

"I've been thinking about you this week. In fact, I almost telephoned you. For I have a choice rumor for your UFO mill!"

The writer then told how he and his wife encountered a young man while dining out in their village. The informant had just come from work at a civil radar base, a part of the large East Anglian complex that monitors the strategic area. During the past week a friend going off duty took him aside and told him of a dramatic UFO tracking that had taken place the previous night.

The base had tracked the unusual target as it headed toward Suffolk and east of Ipswich at an incredible speed. Other bases tracked the same object.

"At first this sounded much like the many unfounded rumors of UFO radar cases," Beg continued, "but the young man then turned up some additional details which intrigued me.

"Two or three days later U.S. Air Force officers - remember I said United States Air Force, not the RAF - came to the base and confiscated the taped recordings of the tracking. He thought they were from the USAF Base at Bentwaters.

"I was intrigued mainly because the Americans were involved. You may remember that story in the Sunday Telegraph about the United States taking over a flying saucer type of aircraft that was being developed by British Rail."

Randles remembered the article, which had been largely tongue-in-cheek, pointing up British Rails general inefficiency. But she knew what Paul was getting at. He had once stated that if UFOs should ever be proven "real," they would be "real" UK or US products.

Once the arch skeptic confided the name of his contact, they parted with the promise to phone each other

about further developments and to act with more civility during their mutual public appearances.

**The Landing at Woodbridge**

Enlisting the aid of civilian radar experts, Randles contacted the witness, who confirmed his initial report to Beg and then added some attractive tid-bits:

"We were led to believe that the object tracked on radar landed near the Woodbridge Air Force Base. Later scuttlebutt from our own officers indicated it landed inside the base! Obviously it was a metallic aircraft of alien nature. Its occupants were contacted by base personnel!"

After the interview (Randles told me during a transatlantic phone call) she and the experts sat down to analyze the case.

"The man seemed to be honest and truthful, and I concluded that behind the smoking rumor there surely must be some fire. But we really had nothing concrete to go on until good fortune struck in a contact with Norman Oliver."

Oliver, editor of BUFORA Journal, a UFO magazine, forged another link in the Rendlesham Forest mystery.

One of his U.S. investigators had managed to obtain similar information from an American serviceman, who had returned to the States and felt more free to talk. According to this new information, "something big" had occurred at Woodbridge Air Force Base the first part of the year, probably December.

This reminded him of another report he had scanned briefly, then laid aside during the hectic preparation of the

latest Journal issue: Two of his own British Associates had submitted the report in March, 1981, some time before either his Randles' involvement.

The interests of Brenda Butler and Dot Street, local Suffolk residents, had been piqued when a personal friend, an officer at the USAF base who had previously confided UFO information, gave them essentially the same account. He had informed her a month before any of the others rumors surfaced. After they promised secrecy, at least until the story might surface elsewhere and he thus could be taken off the hook, he told essentially the same story, but with dramatic additions:

This was not the first UFO incident which had taken place at the base. But this one was the most dramatic, because it had involved contact with the occupants of an alien craft!

A farmer on the edge of the forest called the base on Dec. 30, 1980 to report a brilliant light and a possible crash in the area. Military police investigated and radioed back, "There's a bloody Flying Saucer out here in the woods!"

Rather oddly, a reporter from the base newspaper was the next person involved, possibly because of the inertia in the base commander's getting together "a high-level team" to investigate. The reporter obtained both still and motion pictures of the object on the ground, and possibly of its occupants!

The commander stripped the team of all weapons and briefed the men to "avoid showing any hostility to any unfamiliar personnel you encounter. Do not react hastily,

## NIKOLA TESLA

- WIZARD OR ALCHEMIST?
- SUPER PSYCHIC?
- EXTRATERRESTRIAL BEING?

Though chosen to share the 1912 Nobel Prize in Physics with Edison, Nikola Tesla refused the award and during his life tore up royalty contracts which would have earned him millions of dollars. Tesla held more than 1200 patents and yet he is one of the most mysterious men who ever lived. Though he is not mentioned in most text books and is virtually unknown to most Americans, Tesla actually discovered Alternating Current, produced the first electric motor, the radio (he preceded Marconi by several years), the arc light, broadcasted the first television waves, and even created an earthquake that virtually rocked Manhattan in 1896. The device which shook buildings and shattered windows for miles was an apparatus so small it could be placed in a person's pocket. Later, before his passing, Tesla stated that this device was so powerful it could prevent a Third World War.

Not very much is known about this "strangeloner," as Tesla spent most of his life in total seclusion. However, those who did know him even slightly say he was not a normal human, but a real SUPERMAN, either a reincarnated master—or a spaceman with superior mental powers placed here to assist in earth's technological development. The following books are hard to come by, have been privately published, and are meant only for the sincere truth seeker.

**RETURN OF THE DOVE** by Margaret Storm  
A personal, non technical view of Tesla written by a close friend with whom he dared to share his great metaphysical knowledge. Discusses in passionate detail where Tesla thought this "time bomb" called earth was headed, and how we can still prevent our planet from exploding. Revealed: Cosmic link with UFOs and Alien intelligence. Seven Rays of Light. Christ Forces. Spiritual Hierarchy. Masters of Ageless Wisdom. Tesla's Anti-War Machine. The Elemental Kingdom. Venusian Space Brothers. 294 5x7 pages, spiral binding; \$16.95.

**THE WALL OF LIGHT — NIKOLA TESLA AND THE VENUSIAN SPACE SHIP** by A.H. Matthews  
Today, the author of this book carries on Tesla's work near his home in Quebec, Canada. Before passing, the great genius gave Matthews a personally written account of his own life which began on a distant planet. Tesla's early life reads like a fairy tale. He was no common mortal. He led a charmed life—given up by doctors at least three times as dead, he was a young man at seventy with a brain that was super keen. Tesla died that he believed he came from Venus, and during the landing of a UFO on the author's property, the members of the ship said Tesla was a child from Venus. As hard as it may be to believe, Matthews says he was taken on a trip to Mars and given gold rocks by his alien friends. 138 8 1/2 x 11 pages, stiff binding; \$11.95.

**ENIGMA FANTASTIQUE** by W. Gordon Allen  
Why was only a small portion of Dr. Tesla's work permitted to be used by world industry? What were the incredible secrets of mind control he demonstrated? Do mystics of science and religion use some of the same secrets of mental development? Can you train yourself and your children to use them also? Who are the world "groups in control" who have fettered the mind of man for many hundreds of years? Is their control in jeopardy today? Is the space race the key to the opening of man's minds? 197 8 1/2 x 11 pages, spiral binding; \$12.95.

**OVERLORDS AND OLYMPIANS** by W. Gordon Allen  
The wife of the president of Mexico, First Lady Carmen Romand de Lopez Portillo, recently visited New York and purchased a video tape version of this book which has been aired widely on television as "Overlords of the UFO." This book ties in Tesla's work with many of the author's "New Age" discoveries. Sections included on: The Super People, Psychic Detectives, Uri Geller, Invisibles and Alien Intelligences, Demonic Possession, The Stendek Encounters, Four Bodies of Man, Rudolph Steiner, Nutrition, Organ Energy, Tesla Spheroid - a Levitation Device, Gravitic Anomalies, Secret Brotherhoods. This volume is a bit more technical and far reaching than the others, and must be studied for hours for a full grasp. It is suggested you purchase this book after reading all the others. 184 8 1/2 x 11 pages, spiral binding; \$12.95.

order

no matter what unfamiliar circumstances you may face!"

At the site the team was amazed to confront a large, shiny metallic craft on the ground. It apparently had been damaged in landing, and three tiny beings, wearing silver-colored uniforms, seemed to be supported by rays or light beams emanating from the ground, as they were suspended in the air, while apparently repairing the machine's exterior.

The informant told quite freely how the commander had taken the cameras and film from the base reporter, still on the scene, and ordered a total information blackout. Then he conversed with the occupants while they worked. After about four hours the occupants halted their work, climbed back into the craft which rose slowly to treetop level before shooting off rapidly.

Although written reports by the two women made little importance of one facet, it could be an important clue to unraveling the mystery. Although their informant talked freely of other aspects he refused to discuss two important points: A more detailed description of the craft's appearance, and the conversation between the commander and the occupants.

**Confronting the Commander**

Dot and Brenda personally confronted the Base Commander who had allegedly led the party to the crash scene and communicated with the occupants:

On February 18 Brenda and I went to the air base and made an appointment to see the Commander. While we were talking to his secretary and arranging the interview, we sensed reluctance on her part, until we mentioned the January sighting, to which she replied (without prompting), "The beginning of January?"

When we confirmed this to be so, this seemed to break the ice and she appeared to be more willing for us to see the Commander, which she was able to arrange later in the day.

As we told him of the sighting we knew about, he began to smile. When we had finished he said he didn't know anything about it. He then asked if we planned to continue our investigation. I replied in the affirmative.

"What do you plan to do with your information?" he asked.

I told him we probably would make a written report for submission to UFO investigation groups.

Although the Commander was entirely noncommittal, we got the distinct impression that he knew all the details we sought. He also seemed concerned that we planned to report it, but of course he did not say so in actual words - he knew we

were civilians and that he would have difficulty suppressing our findings.

We then went to the forest location where the landing was said to have taken place, but by that time it was late in the day and we left. That might have ended our investigation had not Brenda heard from a man who insisted the landing report was true and gave her directions to the site.

So on February 24 we decided to pay another visit to Rendlesham Forest. However we soon found that the directions were rather vague and were not leading us to the site.

Finally we visited the Forestry Commission's office where we had an interesting conversation with a person on duty. He told us that he had been working in the office on January 1st, when a man walked in and said he had just been talking to a farmer, who, on December 29, 1980, had heard a very loud noise which frightened his animals. The farmer also said that his farm had been illuminated by a very bright, white light. He then called the RAF Base at Woodbridge which promised to investigate.

Unfortunately the Forestry worker had not thought it important to ask the farmer his name. We heard another rumor that people who had sighted anything unusual that night had been asked to keep quiet about it.

While we were at the office another forestry worker came in and told us that his wife's friend's husband had also seen a UFO that same night.

Neither worker mentioned a rumor we heard later to the effect that workers had discovered a section of forest with the tops of trees scorched. Our source said they had reported this to the Air Base but had been told to keep quiet about it.

After leaving the office we talked to people living in the immediate area. At one farm house we were told that the residents had been visited by two men on January 1st, who had asked the same questions as we. These people also told us of a rumor that "something happened" that night on the Air Base bomb disposal site.

In closing this report which admittedly depends upon rumors and unidentified witnesses for much of its content, it is interesting to the writer

because it contains elements that tie in with some other most unusual Close Encounter reports.

Why did the military informant confide so much to Street and Butler, yet specifically refuse to (1) Describe the appearance of the craft, or (2) Reveal any of the conversation between the Base Commander and the occupants?

More than one speculation can be offered. For example, could have a better description revealed that the craft was manufactured on Earth, or some other specific point of origin that must be kept secret. Might the conversation have revealed that the military had previously, and perhaps for some time been communicating with UFO occupants from some other world? Indeed, such facts would seem to require utmost security!

A puzzling incident to which the above may relate

is described in *The Philadelphia Experiment*, by William L. Moore and Charles Berlitz. In 1975 Robert Suffern, of rural Bracebridge, Ontario, Canada, saw a UFO in the sky and then suddenly an alien humanoid directly in front of his speeding car. He braked to a halt and would have collided with the creature had it not suddenly jumped aside. Later that evening a UFO appeared over his house.

After an initial period when many curiosity seekers came to interview Suffern, both he and his wife suddenly stopped discussing the event and gradually the incident was almost forgotten. Nine months later, however, an independent film maker came to the area to check on several UFO reports. In the course of his research he visited the Sufferns who still refused to discuss the event.

But after a slip of the tongue Continued next page

**THE ONLY WAY OUT IS IN!**

When you've sought for answers to life's mysteries from many sources and still experience only a quagmire of confusion, consider this:

The Only Way Out is IN. There is a peaceful path, there is an Inner Way to the Eternal Quest. All the sages, saints, gurus and teachers from time immemorial have admonished:

"Go in, Seeker, go in!" But the Inner Light keeps vanishing and the restless mind refuses the quiet repose of perfect meditation. How do you "go in" to find there the hidden "Kingdom of God"? Is there a lost key to the Gateway - a Lost Word to rend the veil to the Inner Temple?

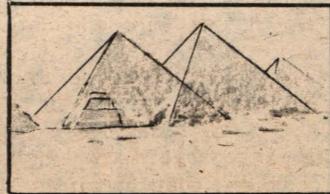

Astara teaches an inner way - a sure way, a safe way. Perhaps it is your way. Our free booklet *Finding Your Place in the Golden Age* may hold a new approach to an old, old quest. It is yours for the asking. We wait to honor your request for it.

**ANCIENT EGYPTIAN TECHNOLOGY (Psychotronic Rediscoveries)...** This paper reveals little known information about the ancient power technology of early Egyptian, Sumerian and Babylonian races. Subjects include comparisons between current physical (objective) and the venerable prephysical (subjective) sciences, modern day psychotronics being the re-emergence of ancient intutional physics (figuratively mind over matter; mind controlling the behavior, movement, disintegration and reintegration of matter and form). Subjects cover: CO-EXISTING TECHNOLOGIES COMING TOGETHER, SOPHISTICATED INSTRUMENTATION, ACCORD BETWEEN OBJECTIVE AND SUBJECTIVE PHYSICS, (SACRED) SCIENCES, THE SACRED SCIENTIST'S METHOD, A MASTER'S INSIGHTS: UNIFYING ART, PHILOSOPHY, RELIGION & SCIENCE: THE "TET" OF INITIATION, A MODERN PSYCHOTRONIC GENERATOR, "TET" BODY ALIGNMENT: EGYPTIAN HIEROGLYPHS AND ANCIENT PICTOGRAPHS, A LOCAL BATTERY TELEPHONE SET DIAGRAM MADE UP OF HIEROGLYPHIC SYMBOLS. (Illustrated).

**RESONANCE IN THE KING'S CHAMBER...** (In the Great Pyramid) The Master Frequency, Paper by Rocky McCollum and Bill Cox. The resonant musical pitch of the Great Pyramid's main vaults & passages, the astonishing tonal quality and accurately tuned chambers found in the Egyptian pyramids & tombs is thoroughly explored by Pyramidologist McCollum and writer - former professional musician, Cox.

**FORM ENERGY, Rediscovering an Ancient Science...** This paper by Bill Cox, was first given at a St. Petersburg, Florida, Parascience Conference in 1976, later expanded and updated for presentation at the U.S. Psychotronics Ass'n Conference August 19, 1977. It is based upon more than 20 years of research and experimentation by the late and internationally known Dowsing Master and Psychic, Verne L. Cameron, including six years of research and compilation by the author, and a thorough investigation of the source, behavior and potential uses of pyramid, cone and other geometric shapes, such as cylinders, cubes, spheres, hemispheres, tetrahedrons etc.

**SENSING: TOUCHING AT A DISTANCE**

(Mind Energies and their Remote Control)... The subjects of this paper, will be of particular interest to Dowsters, Psychometrists and other questers of information beyond the limitations of one's so-called 5 senses (there are more than 30). Highlights include: Higher Sense Perceptions, Science Ignoring the Unknown: Two-dimensional Apprehension in a 3-dimensional World; Awareness, a function of Consciousness, ESP, a Misnomer: Various Modes of Cognition 1. Clairvoyance (extended sight); 2. Clairaudience (extended hearing); 3. Claircension (extended sense of smell); 4. Clairgustation (extended sense of taste) and 5. Clairresence (feeling or touching at a distance).

**EGYPTIAN & FORM ENERGY HEAD-DRESS OF THE ANCIENTS...** This fully illustrated paper shows the seven major basic styles of head coverings worn by early Egyptian royalty, high priests and initiates. Numerous combinations and variations of the "original seven" are also described and shown; their energy and initiatic principles revealed. Functional head coverings of other civilizations and tribes are also presented in illustrated form.

All Papers @ \$2.00 each P.pd. in the U.S.A. (foreign, add 50¢ for each Paper). A \$2.00 discount is offered, when ALL 5 Papers are purchased at one time, that is, \$8.00 full price for all five.

**INTUITION VS. INTELLECT**... An exploration of how the Subjective (Intuition) and Objective (Intellectual Senses) mind functions can coordinate, to produce heightened awareness, clairvoyance, and other Extended Sense Perceptions. The various aspects of Human Thinking (Conscious, Subconscious, Collective Unconsciousness and Super conscious levels of mind are pursued, along with insights given on Subliminal and Supraliminal states, enabling one to safely coordinate and express between the Higher (Knowing) and Lower (Thinking) mind.

**ANCIENT ENERGY INITIATIONS AND MAGIC (two tapes)...** The subject of early Egyptian Initiatic ceremonies and their purpose is presented here: A new look at wall paintings, petroglyphs, monuments and historic hieroglyphs, beyond ordinary religious, ceremonial and symbolic definitions given by Egyptologists.

**FORM ENERGY (side 1) and WORLD PYRAMIDS IN ANCIENT AND MODERN TIMES (side 2)...** For Form Energy cassette review, see description of the paper given by B.C. in this brochure. **WORLD PYRAMIDS...** a comprehensive analysis is presented suggesting that pyramid belts around the earth (30 degrees north and south latitude) are part of a possible ancient pyramid grid system networking our planet.

**FORM ENERGY-A NEW SCALE OF VIBRATIONS...** One of several lectures given by B.C. expanding upon written information presented in the paper of the title described elsewhere in this brochure.

**SECRETS OF EGYPTIAN PYRAMIDS...** Just what the title implies. Little known mysteries rediscovered as a result of Cox's scholarly Egyptian investigations with Mark Singer's regular expeditionary treks to the Great Pyramids, Sphinx and ancient sites in North Africa. Several new finds, re-interpretations of data and rediscoveries are presented in this "recorded live" tape session.

**SHAMBALLA...** The mystical, magical, mysterious legendary city of Avatars, Adepts and Ascending Masters is revealed in great detail in this tape lecture. Shamballa, its purpose, possible location in the Gobi Desert; meaning, past, present, and future implications are carefully examined.

**PYRAMID FORM PRODUCES SUPERPLANTS...** (2 cassette tapes) Bill Cox interviews Gilbert "Gib" Milne, Toronto, Canada, amateur horticulturist who has produced abundant and convincing evidence of his outstanding, innovative and successful pyramid-form energized, plant experiments. Nature lovers, greenhouse farmers, florists and green-thumb gardeners will be inspired by the enthusiastic explanations of Gib Milne, responding to questions asked by B.C. Proof of Pyramid Power is most evident in form and plant tests; moreover, Gib's added Electroculture and Acupuncture techniques bring new dimensions to this area of study and experimentation.

by Mrs. Suffern they finally admitted that military authorities had asked them not to talk about it.

Then he reluctantly told how he had been visited by both Canadian and U.S. high ranking military personnel who answered his questions about the event freely. They confided they had known all about UFOs ever since 1943, and that they had been cooperating with the aliens for quite some time!

In Document 96, by the late Frank Martin Chase, the author repeats an account told by his friend, Rex Ball. While sleeping outside his car in Illinois, he was awakened by small, Oriental men and taken to a vast underground complex manned by U.S. military personnel. After witnessing the Orientals preparing for a UFO flight, and strange weaponry and uniforms stored along the walls, the commanding general ordered that Ball be hypnotized and made to forget. Later, however, he recalled most of the experience.

Can the Mystery of Rendlesham Forest be resolved as over-blown rumors repeated by enthusiastic civilian UFO investigators? Is this modern version only a repeat, in a different guise of tales of Fairies and trolls within its dark, foreboding recesses? ■

### GRANT'S PASS UFO

The amazing photo that graces the cover of UFO REVIEW this issue, is, to the best of our knowledge, one of the clearest pictures in existence. It was taken in September, 1972 by Tahaklila Fry near her home in Grants Pass, Oregon. The picture, published for the first time, was presented to UFO REVIEW'S Tim Beckley while he was in Reno as MC of the UFO & Planetary Alignment Conference. The above photo is yet a second shot, and it is a real puzzler. The bottom of the ship seems to have either "opened up" or perhaps the original craft is being mated to a second ship. What makes these photos even more amazing is that the woman who took them saw nothing unusual in the sky. It was only after she developed her roll of film (taken for purpose of selling some property she owned) that the object (or objects?) appeared.

# Miraculous Talisman Of The Ancients

*New age awakening to age old secret*

The ancient astronauts lived extraordinary lives, blessed by serenity, longevity and prosperity. These mysterious people built magnificent structures, such as the Pyramids, which are only now beginning to be faintly understood. They were, without doubt, the master stone masons of all time, and the stone they treasured above all others was the natural clear quartz crystal. These people's phenomenal love of crystal for thousands of years shows up over and over in archeological digs and legends. The great crystal of Atlantis, the crystal skull of the Incas, the crystal ball used since the dawn of mankind, as well as the use of crystal as the ancient's most treasured talisman cause us to wonder—what is the secret of crystal? Can it help us today?

- Our research has found—
- Crystal emits negative ions and absorbs positive ions, clearing the energy field of the wearer.
  - Quartz crystal has a refractory index of 1.55. When worn next to the heart chakra, crystal reflects lesser vibrations, causing evil thoughts to be reflected back to sender.
  - Crystal stimulates adrenal function.
  - Crystal protects the Vagus nerve.
  - Crystal takes in only light, protecting your body from dark forces.
  - Crystal elevates the level of consciousness of the wearer.
  - Crystal intensifies the mind powers of the wearer.

- Crystal balances the magnetic field of the wearer.
- The crystal is the most perfect geometric structure known to man.

We stand on the dawn of a new age. The secrets of ages past are being unearthed to help those whose awareness is developed enough to understand.

Crystal is used today to power watches and computers. Yesterday it was used to make crystal set radios. Tomorrow, in the golden new age, crystal will take its true place to once again bestow upon mankind the powerful, protective aura of the ancients.

As part of a research program, we are offering you a chance to discover the miraculous power of crystal in your life and lives of your loved ones. Each crystal is capped with 24K gold electroplate and will be sent to you for the low price of \$10.95 plus \$1.25 postage and handling. We ask that you report to us any extraordinary blessings you receive for our research.

Each crystal is natural and unique. You may specify if you wish a smaller or larger size stone. When our limited supply is exhausted, orders will be returned unopened.

Mt. Shasta  
Continued from page 4

On the other hand, there was another woman who would scream at the mountain night and day. People say she got too close to things on the mountain, and was never the same after that.

As we stayed on longer we grew and learned a whole lot about ourselves. What with no TV and hardly any radio to keep our minds occupied, I noticed we were getting more in touch with ourselves.

One night after a hearty meal, Damian, Patrick and Aendrius were sitting around the stove in one of the trailers. It was a very clear night out, not cloudy as it often gets during the summer. The stars looked beautiful and we had a good view of them up above through the skylight. I remember we were all laughing and kidding with each other. Our spirits were very high and we were really enjoying ourselves. Mt. Shasta had definitely cast her spell over us.

For some reason this particular evening, the woods seemed unusually silent. Aside from our laughter, hardly another sound drifted our way. Even the crickets were singing softer than normal.

Then suddenly, right in the middle of one of Patrick's corny jokes, a light brighter than the light of day passed over us. The forest was glowing. The light was brighter than the spotlights used on police helicopters - plus there was absolutely NO sound. Not a hum, not a whirl, not a whistle.

We all ran out of the trailer as fast as lightning. We figured the light had to have been very close to the ground to have been so intense. The light had disappeared as quickly as it came, and without a trace. There was no light in the distance in front of us or behind us.

Our hearts were beating faster than they had ever beaten before. We were all startled and completely shocked, so much so that we couldn't open our mouths. Looking back on our experience, we were totally dazzled and amazed.

Tears were streaming down our cheeks, and smiles of joy were bursting from our faces. We knew we had been touched by something quite beautiful and definitely unexplainable.

Later, we tried to go over our observation slowly and scientifically, trying to sort out what we had seen and felt.

Patrick, who had sat diagonally from the skylight had seen a sort of golden object pass overhead. He couldn't really detect a shape, the light was much too bright, but he did make out an object of sorts.

The rest of us had seen just the light through the door and windows of the trailer. It was bright enough however, to light up everything around us. Each of us had felt the light - that's how strong it was. There had been a tinge of color to it all, a bit of blue and gold as I could best recall.

We were all pleased at the way we had scooted out the door so quickly when the light beamed down. None of us had panicked, just ran like heck to try and determine the source.

We were all elated at having had such an overpowering experience. We were filled up with emotions of joy and brotherhood. Now, we really felt bound to one another as we had all shared in this amazing experience.

For quite some time we stayed up unable to sleep. We were thrilled that we had been flashed by a "Master." For hours we discussed our sighting and its implications. I felt it was an initiation of sorts, because that simple flash brought us such feelings of love and warmth. Sitting in that trailer together, we all wanted the experience to happen again and so we waited up a long while before finally turning in.

Damian and I had chosen to sleep in a tent outside the trailer. I must admit that I did feel a bit creepy after that light and all. Interestingly enough, Damian and I didn't get to sleep for a while due to some strange happenings nearby.

All night, we swore we heard dancing and singing in some unknown tongue. There was also humming and the sound of little feet marching. Suddenly, after that flash, the forest had come alive and all the animals in the woods were going on about their business. Damian and I have long believed in things that can't be seen, and we knew that "they" - whoever "they" are - were all around us that night.

In the morning, I was the first to break camp. I was anxious to look around to see if I could find any signs of our nocturnal visitors. Since I didn't want to wake anyone else up by fumbling around for my contact lenses (I'm blind as a bat without them), I sat on a lawn chair and soaked up some early morning sun.

Incredibly, I remember looking at the trailer and being able to read the words that were written in small print on it's side. It took me a moment to realize that I wasn't wearing my glasses nor did I have my contacts in. Yet, I could see perfectly. My heart began to pump much faster than normal, just about as fast as it

had when the UFO streaked over us. I could see! Damn it I could see! There had been a healing. I was overwhelmed, so much so I didn't know if I should laugh or cry.

It was amazing. As a child I had to wear corrective lenses and the condition had never improved. If anything, it had gotten worse. Now, I could see clearly without them. I was ecstatic, I knew the light - the UFO - had performed the healing. There could be no other explanation.

Damian awoke soon after I had made this discovery and I ran to tell him of the miracle of the night before. He was overjoyed and he hugged me tight. He also noticed that his eyes had felt a lot clearer this morning and he could hardly wait for Patrick and Aendrius to get up.

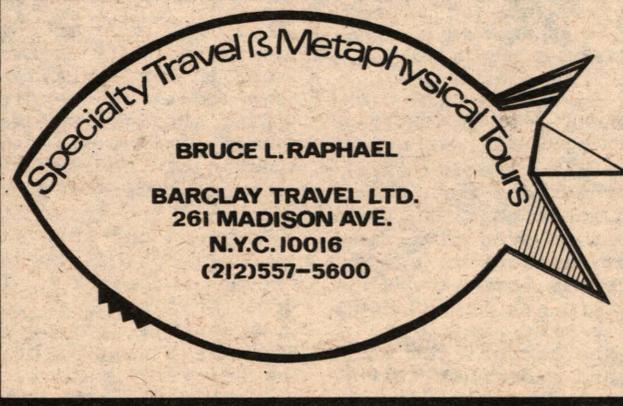

When they awoke, we found that they were seeing clearer, even though they had thought of themselves as having normal vision. If you have to wear glasses, you must know what a miracle it is to be able to see without them. I cannot express the delight that overpowered me that morning. Soon after my initial discovery, I noticed a huge rock lying atop the trailer doorway. None of us had placed it there. I couldn't help but conclude that this was another sign from our heavenly friends. How happy we were that day.

Slowly, we got ourselves organized and made our way into town. All the while we continued to discuss what had happened. We checked with the locals to see if anyone else had seen anything odd. Apparently, no one had though one of our neighbors had had a sighting a few days earlier during the eclipse of the moon. He told us that he had seen a formation of lights streaking across the face of the darkened moon. The lights were in groups of threes, and he along with several companions were truly amazed.

The next few days brought us all closer together. Patrick was now even more inspired with his art. There was a common bond between three humans, like there had never been before, and all because of that UFO.

We hated to leave Mt. Shasta. But we're talking about going back there and getting together next year as sort of an anniversary celebration of our sighting. Maybe - just maybe - our new found friend will pay us a return visit.

Nobody can imagine how thankful I am for my healing. It was a gift from above. I'll always feel very close to that light for the rest of my life. The Masters greeted us well.

strument which he has sold to a manufacturer in Sweden. He claims that he can record twenty minutes of conversation on it and will be revealing it this spring. It is difficult to get the funds to research anything of this nature.

**T.G.B.** - Why do you think funding is so difficult? Is it insecurity on the part of both the government and the religious groups, when it comes to life after death?

**H.S.** - Years ago, Dr. J.B. Ryan, the famous investigator at Duke University, told me that a very wealthy man, a great religious leader, came to him and offered him fifty thousand dollars for his work. There was one condition to the offer, which was that Dr. Ryan should not do any research on life after death. When Dr. Ryan asked him why, he said, "How do you suppose that makes our religion look when and if you can prove that everyone survives death, regardless of religious faith? In other words, there are efforts to protect what people feel they have and believe, even at the cost of knowledge?"

**T.G.B.** - Do you think there is a New Age of awareness ahead, where UFO's will land openly, and all mankind will communicate telepathically and we'll know that our loved ones exist on the other side?

**H.S.** - There is this new film E.T. Can you imagine the number of

people who developed a real human feeling for this little extraterrestrial? They are willing to accept, not with fear but with love, the appearance of beings from a higher planet. We are being prepared for something. Perhaps, it is an evolutionary process that is taking place in our consciousness.

A few years ago, Ingo Swann and I were assigned by the Stanford Research Institute to take a psychic poll of the planets Jupiter, Mercury and Mars, and record our impressions of what existed there. We were one hundred percent right as to what they would find there as the space modules have in recent history, passed those planets and transmitted tangible data, which backs up the impressions we received way before those modules reached those planets.

Through the development of instrumentation, all of this knowledge is expanding the mind of man. This is an exciting time to be alive, if we don't destroy ourselves.

**T.G.B.** - Are you working on anything currently?

**H.S.** - Yes, my new book, **DEAD OR ALIVE**. Norman Vincent Peale was nice enough to say, "How marvelous is your sensitivity, productivity and your insight. I find it very thoughtful indeed". It pleases me that people of that caliber are finding value in it. ☺

accept what's there. When we show an openness to accept all of this information, they will tell us who we really are. We are capable of transporting our energy systems aboard the ships for learning, for knowledge, and for cleansing. This is a great part of their function. We have had many great beings - souls - from space reincarnated here on earth in recent times.

**REVIEW:** Have you ever experienced the

er an Atlantean or a materialization of either space being?

**ALPER:** I have seen many materializations of Atlanteans and a few of the Space Brothers. I have personally been transported on board space ships innumerable times, not physically but at energy level, with limited recall. This is because there is certain information that, though it has been planted in my subconscious, they don't want to take a chance that it will slip out because mankind is not quite ready yet. ☺

It was incredible because she was describing the operation of the ionizing effect of the ship as it reacted to the atmosphere of the earth. informing them that as far as they knew no such restaurant existed in the spot they mentioned. And even in town later on, their worst fears were confirmed - the entire incident seemed like something out of the TWILIGHT ZONE - as no such cafe was said to exist where they said it did.

Deciding to take matters into their own hands, the carload of people returned to the place where they had eaten only to find NOTHING! For the next while they drove around thinking perhaps they had taken the wrong turn in the road, but this just wasn't the case.

More and more they have come to accept that they were inside a UFO. The woman who reported the experience to the Aerial Phenomena Research Organization says that at one point they got up to go to the bathroom and walked into another room which looked as if it were "going to be made into a cocktail lounge or dance floor. It was a huge, round room with lots of windows around it about two feet from the ceiling." In addition to looking like clones of each other, the witness says that the "voices of the 'people' she talked with were soft and musical," as has been said with other encounters with UFO beings.

To make matters even more complicated they later checked and found that even though they had bought a meal they "had the same amount of money they had before the visit to the cafe."

Despite their being puzzled, APRO comments that they have considerable investigation to do into this matter and presented it in their bulletin "because of the radical departure from known descriptions of other similar cases." ☺

air. All our fossil fuel devices are totally destructive. She made five passes. It was something like the Aurora Borealis, watching this craft go up and then this huge flash would follow. It was a clear night and one quarter of the horizon just lit up. It was breathtaking.

**REVIEW:** I understand that you have had many contacts and have been on their craft?

**BELL:** I have not been on board physically. That was a misquote in a newspaper. What happened was that in 1980 we were out in the desert and she allowed me to control the ship - with witnesses present - changing directions from a vertical descent to a horizontal descent, to get a feel-

ing of the control system, working through her energies. I was doing it telepathically, but it became visible. I would tell people what maneuver I was going to make and it would follow my instructions. Semjase commented that what I was able to do scared her a little. Her brother was freaked out. He didn't want to do the experiment. I don't know his name, but I do know her father's name is Ptaah. She also has a sister by the name of Playa. I have a picture of her on a video tape that I got from Col. Stevens.

Getting back to the operation of their craft. When a ship is under manual control, the men

or women on board only have to move their hand and the ship follows the path of their hand. Its a really exhilarating feeling. I really got excited and did a crazy maneuver and she really didn't like it. As a result we broke off contact for about six months.

We've had our share of personality problems that we've had to work out. It's not because of her, it's because of me. It's because the human ego sometimes gets involved with these ET contacts and it's totally offensive to them. So it's best to keep your ego in check when contacting them. Right now, I'm writing a book that is being co-authored by Semjase. ☺

 surrounding area looking for something. One subscriber to the REVIEW who asked not to be identified says that there are a number of abandoned

missile and military bases in this area and that some of the sightings seem to center at these points. This same person says he has been "watched" by two men in a

black car who seem intent on keeping track of their sky watching activities so as to make sure they do not find out too much. To date the best report seems to be that of a former Enfield Town Councilman who may be missing some time after having experienced a close encounter with an object that followed him on the highway last Oct. 20th.

Paul A. Boucher is described as a "down-to-earth guy" who from 1977 to 1980 was district director of Enfield's Republican Club and a Town Councilman. On the evening in question he had turned from Elm Street onto Washington Road when the next thing he recalls is "being on Washington with my foot on the brake and looking up at a monstrosity of a disc."

Rimmed with approximately 300 basketball-sized lights, the object was only a couple hundred feet above his automobile and it "impressed the hell out of me," he told the Hartford Courant in a story they published some time later. Boucher described the UFO as "a watery gray, like sharkskin," and said it cast a bright, white light down over the entire area. He also said that he could see heat waves rise from the hood of his white 1978 Chrysler New Yorker, but didn't

feel any heat himself. However, he did hear a "low-pitched, grinding whir like the sound of a motor that won't turn over."

When the lights went out seconds later the whirring noise halted, and the UFO turned a "flaming red" and shot up through the clouds and vanished. "I was bawling. I was really shaken up. My digital clock said 7:02 p.m.," adding that he left his house at 6:30 and that the drive to the Republican Club should only have taken 15 minutes.

"Ever since I've been confused," he notes, adding that he has an "eerie feeling it's going to happen again." Representatives of Dr. Hynek's Center for UFO Studies were quick to interview the witness and expressed confidence that the case held considerable merit and was worthy of further study.

Readers in Connecticut who know of other sightings are urged to report them to us for analysis.

## I CHING CUBES AN INCREDIBLE NEW BOOK

**I CHING CUBES**  
 Throw the I Ching easily and simply. Plus a New Way to Answer Yes or No Questions.

Private research has revealed the next step to the COSMOS & G. Dickerson has completed the Cosmic Formula for translating and interpreting the I CHING CUBE ENERGIES. This information along with complete instructions is now available.

For all those interested in by-passing conscious reasoning in favor of obtaining information directly through your subconscious which is your connecting link to universal knowledge. Copyright © 1978 by Lawrence G. Dickerson

It's THE ONLY I CHING BOOK that gives you a clear and definite YES or NO answer to your questions and the reason why.

Many people who are successful in their private and professional lives are so because they will not make an important move without consulting the I CHING CUBES book for its straightforward answers.

You'll never make a bad decision again as long as you consult your I CHING CUBES book before you act. This incredible book can answer all kinds of questions. These are just a few examples:

When the question was asked, "Will President Carter win the 1980 election?", the answer was clear and definite. Trigram No. 4 came up, which is titled UNTRAINED or INEXPERIENCE. It went on to say: "The answer to your question is NO, because of a lack of experience or training in dealing with this matter." This is correct. It is exactly the reason President Carter was voted out of office, because he

didn't have the proper experience or training to deal with the matters connected with the office of the Presidency.

Then the question was asked, "Will Governor Reagan win the 1980 election?" The answer that came up was trigram No. 58 titled ENCOURAGING. It went on to say: "The answer to your question is YES, but do not be critical or opinionated. Create harmony by encouraging people in their goals. You should keep in mind that continuing success is contingent upon your connections with others."

Now let's analyze the answer. He most certainly won the election. He said he would not be critical or give any opinions about the handling of the hostage situation until he took over the office of President. Part of the reason he won the election was because he said he wanted to create harmony in the country by encouraging people in fulfilling their goals. One of the ways he proposed to do this is by cutting taxes. He's also given a warning which says that for him to continue to be successful, it is contingent upon the connections he makes with others.

Ms. L.S. wanted to know if she should invest a thousand dollars in a particular financial deal. The answer was a clear and definite NO and went on to say, "You could have the shock of your life, and release unpredictable forces or events. Your intentions should be completely altered or you will receive many shocking experiences." Ms. L.S. didn't invest the thousand dollars. A few days after receiving this answer, a scandal broke out in all the Public News Media, that this particular enterprise was a fraud, and many people who had invested in it were being ripped off and others were being investigated.

Mr. K.L. wanted to know if he should buy a particular used car. We informed him that according to the I CHING CUBES book the answer to his question was a clear and definite NO. However, about two months later we received another letter from Mr. K.L. in which he said he had bought the car and now was very sorry he had. About two weeks after buying the car one of the wheels almost fell off. Then he discovered a major oil leak; he had to buy new brakes, new shock absorbers, and motor mounts. Mr. K.L. said he learned his lesson, the next time he has to make an important decision he'll follow the advice of his I CHING CUBES book.

NOW YOU CAN HAVE THIS INFORMATION WHICH IS BEING REVEALED TO THE GENERAL PUBLIC FOR THE FIRST TIME. YOU'LL WANT TO ADD THIS EXCITING NEW BOOK TO YOUR COLLECTION.

## UFO WARNING \$8.95

By John Stuart. First published in 1963, the first edition of UFO WARNING sold out quickly. Because of its shocking and terrifying nature, the publisher did not reprint this book. Things have changed, however, and students of the UFO mystery are more knowledgeable and mature. Also, a wave of strange happenings, similar to those described in UFO WARNING has recently developed, and sincere researchers should and must have this information. So the publisher has decided to make a limited re-printing of what is probably THE MOST FRIGHTENING AND HORRIFYING BOOK ever published on the subject of UFOs. It tells the strange story of John Stuart, head of an Australian group, "Flying Saucer Investigators". He and his pretty co-director, Barbara, discovered what they felt was the secret of the discs, after which they were beset by strange occult forces and terrible warnings. Their failure to stop their work resulted in the appearance of a vile, lecherous monster. "UFO WARNING" will tell you what NOT to do in UFO research and what subjects to avoid, lest you too, be given the WARNING.

# THE MYSTERIOUS PAUL VILLA PHOTOS

For a period of several years, Paul Villa of Albuquerque, N.M., remained a rather mysterious figure in UFO research. Like many other contactees, Villa claimed to be in telepathic communication with advanced beings from other worlds. What placed him in a slightly different category was the fact that he was able to produce, just about on command, photographs of outer space craft which hovered and darted about near his house. According to Villa, he would receive a message via ESP that his other-worldly friends were in the neighborhood and he should go outside. There in the sky would be a silvery disc like nothing manufactured on earth. The ships Villa saw and photographed ranged in size from just a few feet across to well over 30 feet in diameter.

As might be expected, the UFO skeptics - those who do not believe that

advanced space people communicate with simple earthlings on a regular basis - began to attack Villa's photographic evidence. They claimed that his photos were a fake - offering as proof supposed computer enhancements which are open to various interpretations. After a while, Villa became silent. There were rumors that he had been threatened and that his house had even been set fire to.

What did Paul Villa believe: "UFOs are only a small part of God's huge armies that will soon invade earth and redeem humanity from their present, fallen condition." He also believed that aliens live and work amongst us getting us ready for "the great day when we shall meet our maker."

The photos that accompany this story have never been released before and are of a rather

dynamic nature. They come from the collection of Miguel Ribera, a long time student of UFOs who lives in Reno, Nevada, and who was in touch with Villa throughout 1963 and 1964. They supposedly show a UFO hovering over Villa's home as well as over his farm equipment out back. In one picture, two UFOs

that look like spinning tops stand by the larger ship as if to protect it. Villa also claims that the weeds in this photo were wilted due to the magnetic field which surrounded the craft as it came in low over the ground.

While Villa's claims are admittedly "open to debate," his photos are

certainly food for thought and remain among the clearest in public hands. Though they might be products of the "dark room" it is interesting to note that Villa never profited from them. Instead he sent out hundreds of copies free of charge to schools, prisons, libraries, and government officials.
