SPACE BROTHERS PREPARE LANDING SITES IN YOUR AREA!

IS THE LANDING SITE OF YOUR
CONSCIOUSNESS PREPARED
SPIRITUALLY AND MENTALLY
FOR OPERATION LANDING LIGHT?

By Phillel of Mark-Age

Hello again, friends, this is your fellow spiritual astronaut Phillel. I would like to answer "yes" to both the questions in this article introduction, but my intuition tells me there still is much preparatory work we all have to do to mesh our efforts with those of Federation forces waiting to appear among us.

So, let's continue our educational review of Operation Landing Light. Our topic is landing-site preparations. Or, what considerations do our space brothers take in attempting to land and make contact with us?

Before we get into specifics, I would like briefly to share a dream with you, for it sets a timely keynote for our topic. This dream is from my diary in March 1983.

In the dream, I saw a beautiful spherical spacecraft about three times the size of a full moon. It appeared as a semi-solid ball of light, aqua in color, but with

patterns fluctuating across its surface. This UFO, along with several other smaller craft, flew directly overhead and performed maneuvers in the sky.

I was excited by this close encounter and yelled up to the space brothers at the top of my lungs, "Why don't you land?" Immediately I received a clairaudient reply, "You know why we can't land now." Simultaneously, I received telepathically that their landing at that time would not be for the highest spiritual benefit of all persons gathered there.

Now, other than the personal interpretation of needing to prepare myself further for the landing of spiritual light into my consciousness, I also feel there is a symbolism here that is applicable to mass consciousness.

The message from the Federa-

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- () Do I want peace, joy, love and prosperity to fill my life completely?
- () Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- () Do I desire to help others overcome their problems through and by the great magical power I gain?
- () Do I want total control of all situations which manifest in my life?
- () Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you...Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

FIRST PERSON EXPERIENCE

MY "SPACE FAMILY" OFFERS ME PROTECTION & GUIDANCE

By Earl D. Blakesley, Jr.

My wonderful close encounter of the third kind took place in May of 1967, while I was stationed in the Army at Ft. Hood, Texas. It has taken all these years for me to be able to speak openly about it. I think most of my apprehension in making my experience known to the general public stemmed from the ridicule my grandfather received in the middle 1950's when he had an excellent UFO sighting. I didn't want to be scoffed at in the manner he was, and I certainly didn't want to be subjected to the public jeers he had to endure.

GRANDDADDY'S VISION

For many, many years he worked as the custodian of a small rural cemetery near the tiny town of Farragut, in southwestern Iowa. He had lived in Farragut almost his whole life and was well into his sixties at the time of his experience. He was an extremely hard worker and very well thought of in the community. In other words, he should have been a very reliable witness. But that was not the way he was received. It was in 1954 on a hot, clear July afternoon. He was busy mowing the grass around the headstones, when something caught his eye in the northern sky. It was silver and glistened in the sun. As it drew closer, the reflection almost blinded him, but he kept watching in total wonder and amazement. Directly overhead,

he could see it was saucer shaped and emitted a quiet humming sound. I remember him saying it sort of moved in circles and swooped down occasionally as if to say "hello." Then, with extreme speed, it moved quickly off to the southeast. He was so excited he stopped working and drove hurriedly to town to tell of his magnificent observation. Well, the people were not ready to hear of such things and immediately branded him a kook. This hurt him very much, but never stopped him from discussing it with the family for many years to come.

It's taken many hours of soul searching for me to come to the conclusion that the time is right for me to share my incredible story with the public. And in doing so, by sharing the knowledge and insight I now have, I hope to give inspiration and security to those individuals who might have anxieties and fear concerning possible cataclysmic events in the future. It is with this thought in mind that I now convey my story.

It was May of 1967 and I was in training for possible deployment to Vietnam. I was at Ft. Hood, Texas, which was my first duty station since graduating from basic. The entire company, a Personnel Service Unit, was scheduled to go on a weekend bivouac. With Vietnam looking everyone in the face, even people in personnel needed specialized training in field

operations. Loading up the five or six big flatbed 'cattletrucks,' it was a beautifully warm and clear Friday night. As we started on our way, we were looking forward to a really exciting weekend. Little did we know: We were well into the wide open spaces of the flat Texas countryside and the stars were shining brightly. There was a gentle breeze blowing directly off the Gulf of Mexico as my adventure began. An adventure that would change my life for all time.

MY MILITARY EXPERIENCE

We were approaching a large rock quarry and I glanced down at my watch to see what time it was. Someone in my truck had been listening to a transistor radio and it had suddenly went dead. My watch registered around 10:15 P.M. As our convoy wound its way through the slightly rugged terrain of the quarry, I noticed a fairly large body of water up ahead. Unexpectedly, the trucks all began to slow down until they came to a complete halt. The headlights then started to dim and continued to do so, eventually going out. Almost as if the batteries had been slowly drained. I remember asking the guy next to me, what was going on. Looking out toward the water, which was now alongside the trucks, my question was about to be answered. I'll never forget what I saw that night, for protruding from the surface of the small lake and towering majestically skyward, was a large multi-sided pyramid shaped machine, emitting a low 'whirring' sound.

The object appeared to be six-sided and instead of coming to a point at the top, there seemed to be a flat surface of some sort. I could only see the front three panels and they were each covered with a sheet of pulsating

colored light. One panel was glowing red and the other's blue and green respectively. I just stood there in awe, with my mouth hanging open. I finally turned to the guy behind me and said, "What in the hell is that thing?" But he just stood there transfixed and unable to speak. In fact, it was so quiet, you could have heard a pin drop. I was in the last truck and heard no sounds coming from the ones in front of me either. The sound the craft was making caused the truck to vibrate and it created a very calming sensation to my senses.

The silence was short lived, as I heard the sound of feet moving on the gravelled road near the lead truck. I glanced toward it and saw small figures scurrying from the bank of the lake toward the convoy. I couldn't make out their features, but they seemed to be rather stocky for their height. As they moved closer to our vehicle, a feeling of panic started to overtake me and the last thing I remember was the sound of feet directly at the side of my truck.

The next thing I recall is the feeling of the truck once again moving forward. Everyone was sitting on the floor of the truck, many without their shirts. There were two guys completely unclothed standing at the front of the truck. They were near me and they looked to have small red puncture wounds on their arms and legs. They were completely silent and expressionless. Clothing was strewn around throughout the truck and it was several minutes before anyone made a move to dress themselves. I had been left with my clothing intact, and as we began to regain our composure and stand up, I noticed almost an hour and a half had elapsed on my watch. I also remember having a slight headache and mild dizziness. But other than that, I didn't seem to be suffering

any bad effects. My mind was sharp and what confusion I had, would come later.

After we had gotten ourselves together, we just stood there silently in the truck until it arrived at our destination, a very remote area with a few scattered trees. As we began to unload our equipment, conversation could again be heard throughout the troops. But during the entire weekend, no one ever mentioned what had happened. In my case, it was refusal to admit to myself that we had had a close encounter. My mind just wouldn't register such an event. I'm sure there were others who were also afraid and tried to put it out of their minds altogether.

THE MYSTERIOUS STAR ON MY PALM

From then on, I spent many of my free evenings sitting outside and watching the sky. Others would join me, on occasion, but we never discussed the events of our 'special' Friday night. About a week later, as I took a shower and tried to remove some axle grease from my hands, I made a very startling discovery. Drying my hands I noticed something 'peculiar' on the palm of my right hand. Upon closer examination, I realized the lines had been entirely rearranged and a six pointed star was now visible on the left side of the palm. It had been formed from the lines on my hand. I just stared at it in complete disbelief. But there it was. And there it remains today! That's when mild confusion set in, as I tried desperately to remember what had happened during the time we all seemed to black out. But no matter how hard I tried, and no matter how hard I studied the palm of my hand, nothing would come. I just simply could not remember.

MY SPACE FAMILY
Continued from page 3

I also began to notice other dramatic changes in my mind and body. The most noticeable thing being the color change of my eyes. They went from dark brown to a light reddish brown. I also noticed a remarkable new strength in my arms and legs. And what psychic abilities I had had before, were now heightened tremendously. I got my orders for Vietnam in August and by that time, I could very accurately predict the weather and forecast minor events with amazingly good results. Since the encounter, we had all formed a strange "silent bond." And when the time came for some of us to leave Ft. Hood, it was if we were leaving our "real" family. It was only toward the end of my tour of duty there, that I actually heard any mention of the encounter. I overheard a sergeant say to another, "What happens when they start to talk?" There are some individuals that adhere to the idea that close encounters of the third kind are prearranged and I tend to lean toward that theory. Looking back on the situation, it all seemed so "natural." The trucks took that particular road at that particular time and the aliens moved so quickly, they almost had to be prepared. I have always felt the government was more aware of our Space Brothers than they would admit, but proving it would be virtually impossible.

UFOS SAVED US FROM VIET CONG

The next leg of my journey toward friendship with the aliens

happened when I arrived in Vietnam, that September. I should have been terrified at finding myself in the middle of war, but I had a strange sense of calm about me. In fact, the whole time I had been on leave at home, I kept reassuring my family that I would, indeed, return home safely. Conveying my story of the encounter seemed to bring an even bigger sense of assurance to me. I talked only to my immediate family about it. Anyway, stepping off the plane in Vietnam, I felt as if someone were watching me and guiding my every step. It's rather hard to explain, but I had come to the conclusion that my body had been reshaped to accommodate a Space Brother, whenever he might want to communicate with me. I absolutely had no fear of not returning home.

The first sighting I had in Vietnam was at night during an outside movie, which we were

treated to on many occasions. I was stationed in Cam Rahn Bay. As we sat enjoying the film someone shouted, "Hey, what's that up there?" I looked up and saw a formation of white lights moving rapidly in a triangular

shaped formation. I thought at first, it might be one large object, until some of the "lights" fell out of formation at irregular intervals. As they moved out of sight, I felt as if they had not seen me and were leaving without me. I

actually cried, I felt so lonely for them. A part of me obviously now belonged to 'them' and I ached for companionship.

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

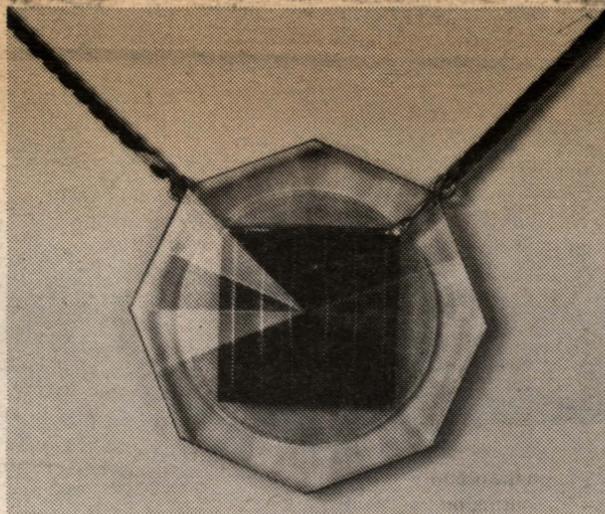

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort lead him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

MY SPACE FAMILY

ed after I was sent north to a very dangerous area near Da Nang. We were in the middle of a very big battle and some of us had to pull guard duty. Four of us went to the base of Marble Mountain and four went to the river, near a very large bridge. Suddenly all hell broke loose and my companions panicked, but I became furious. I stood my ground and the others joined me. One of my friends remarked, after the battle, "You seemed like a different person tonight. I didn't know you were so brave. Your voice even sounded different."

Back in the barracks, the other four returned from the river and were speechless. Finally, I got one of them to talk, who looked as if he had been sunburned. He told me that their position was about to be run over when a strange glowing object suddenly rose from the river and hovered overhead until the Viet Cong stared in terror. "It saved our lives!" he said, beginning to cry. "I know," I answered, trying to console him. Nothing else significant happen in Vietnam and the day I arrived safely back home, the first thing I said to my family who were eagerly waiting in the airport was, "I told you I'd be back!" That was September of 1968.

GLOW IN THE WOODS

One month later, I was sent to Ft. Leonardwood, Missouri. During my thirty day leave at home, I continued to have good sightings, but only at a considerable distance. It was as if they were just saying, "Don't worry, we're still here..."

At Ft. Leonardwood, I had one spectacular encounter. Driving back from a weekend in Columbia, Missouri, my friend and I had taken all the back roads to make better time. It was about 9:30 P.M. and we were in the middle of a very wooded area on a poorly graveled road. Suddenly, the car stopped and the lights went out. A great feeling of elation came over me. "They've come for me!" I shouted, leaping from the car. My friend was obviously confused. "Who's come for you?" he yelled apprehensively, as I sprinted toward the glow. He followed, thinking I'd gone crazy, but once he saw how bright the glow had become, he stopped dead in his tracks and refused to continue. I kept going and as I got near enough to see the craft, it took off with a tremendous "whoosh." I was devastated and terribly disappointed. I couldn't believe

they hadn't waited for me. But upon further contemplation, I decided they could have possibly been aliens not related to my particular "family." I say at the least, I had a lot of explaining to do to my friend, who took the episode fairly well in stride. He kept to himself for several days, coming to grips with the facts and finally came to me and talked fully about my life and special abilities. I had no other exceptional sightings at Ft. CRYSTAL TRANSMITTER

Over the years, I have learned to channel messages from my Space Brothers and they continue to guide my every move. In 1977, I stumbled across a large quartz crystal I had purchased as a boy during a trip to the mountains of Colorado. With the use of this crystal, serving as a transmitter, I'm able to receive

messages and send thought patterns back. And by holding the crystal in my right hand, against the star in my palm, I'm able to perform minor healing to myself and family. I can actually feel the presence of my wonderful "space family." I grew up a rather sickly child, but am now the picture of health. Anything other than sniffles is extremely rare for me and I owe it all to my "brother" that coexists with me.

I still don't know why I was chosen as a receptacle for the use of my "space family," other than to be able to help myself and those around me. I am able to predict and protect, as well as heal. Maybe a much bigger purpose will arise in the future. I'm just not sure. But I know for a fact, that should that awful day arrive, when mankind will be faced with total annihilation, those among you who are true believers, will be saved and taken to safety. Take heart my friends...WE ARE NOT ALONE!

BURN AWAY BAD LUCK

The Strange Secret of a Dime-Store Candle.

I used to curse my luck. Anything I tried, anything I touched, turned to ashes. Tearfully, I joked about having all the luck. All *bad*.

In desperation, I wasted my time and money on charms, talismans, amulets, oils, even beads. Still no *good* luck.

Suddenly, An Inspiration!

"It is better to light one candle than to curse the darkness... or your luck." Reading those few words in a magazine one day gave me an inspiration—and hope. I had tried everything else, why *not* a candle?

That very night, I composed a plain, straight-from-the-heart prayer. I lit a small, cheap candle, said the prayer, and fell sound asleep.

When I awoke the next morning, I felt absolutely wonderful. For some reason, I forgot all about the candle and the prayer. But what I believe is a *miracle* brought them both forcefully to mind again.

The \$100.00 Convincer!

It was summer and plenty hot. To cool off, I went to the beach. While swimming in the ocean, I spotted a flat piece of paper floating on the water a few yards away.

The waves seemed to be *pushing* the paper to me. I reached out and grabbed it tightly in my fist. Peeking through my fingers, I was astonished to see that the paper was a bill of some kind.

The ocean had put money in my hand! I looked closer. I saw one zero, then another zero. It was a *hundred* dollar bill. Talk about *luck!* What are the odds against finding any money in the ocean—much less \$100.00!

Luck, Incredible Luck!

From that moment on, my life started to change. The bad luck which had plagued me for so long seemed to disappear. Extraordinary good luck took its place.

Money began to flow toward me from unexpected sources. A long over-due loan to a friend was suddenly repaid. One business deal after another started to pan out. My income hit the roof. Hardly a day went by that I didn't find money in the street, at my feet. How? Why?

The only explanation for my new-found luck was my simple candle prayer. So why fool around with a good thing! Needless to say, I didn't. And my good fortune kept right on multiplying by leaps and bounds.

Now, It's Your Turn!

Then an idea hit me. To form an organization to help others burn away bad luck with my mystical revelation.

That's how CANDLECULT was born. I pay for ads like this with my own money to tell my story to people whose luck is bad. And to offer them (and *you*) the opportunity to change it with my miraculous candle prayer.

I have no idea why my prayer works. Maybe it's the magic power of the words; maybe it's the special ritual I use with them. But who cares when the results are so fantastic!

If you'd like to try my personal ceremony to burn away your bad luck, I'll gladly send you my copyrighted prayer and ritual. To order, clip and mail the coupon right now.

Judge For Yourself!

I am not asking you to believe a single word that I've said. I do ask you to try my prayer just *once* as a favor to the only person who will know the truth: *You!*

When you light a candle and repeat my short prayer, what happened to me could happen to you. Soon, you could be the one who is always lucky... who always wins contests... who attracts unexpected huge sums of money... who always escapes unharmed when disaster strikes... whose faithful, constant companion is *Lady Luck!*

So much in this world cannot be explained. There's no rhyme nor reason why my candle prayer works wonders. But you cannot argue with facts. Honest facts you can witness with your own eyes. Or your money-back anytime.

RIDDLE OF TWO UNSOLVED UFO ABDUCTIONS

BY DIANE TESSMAN

Until this moment, I have not made these two UFO encounters public! They are incredible cases which I painstakingly researched myself over periods of many months. Each case is well-documented with reports of other UFO sightings in the area at the time of the encounter and, in one of the cases, with a physical mark on the man's body which simply cannot be dismissed with ordinary explanations. I feel that the time has come to share these two amazing UFO encounters with UFO REVIEW readers!

In the first case, a fourteen year old Canadian girl was abducted by UFO occupants and held for approximately fifteen minutes on August 4, 1979. While on board the starcraft, she talked with a forty-three year old business man who had also been abducted. She also saw a cat roaming freely about the craft; the UFO occupants told her that they had "grown" the cat (possibly this meant that they had cloned it). The girl, whom we shall call Sarah, was later intimidated by a strange "Man in Black" whom she felt was not of this earth but was not of the same species as the small, thin beings who originally abducted her. This case was thoroughly investigated by the respected Canadian UFO Research Network as well as private UFO investigators like myself. The investigation of Sarah's case included extensive hypnosis as well as in-depth interviews with other people who had been sighting strange craft in the area for days before and after Sarah's encounter. The conclusion was that this is indeed a real and very fascinating case!

The series of UFO sightings before Sarah's August 4th abduction include several sightings on August 2nd when UFOs were sighted by hundreds of people over the eastern part of Toronto, Canada and 1,150 miles away in southwestern Nebraska and northwestern Kansas. In Sarah's own neighborhood in Toronto, seven teenagers, thirteen parents and one young boy saw six arrow-shaped UFOs zoom overhead!

On August 2, at 9:50 p.m., Sarah saw the arrow-shaped UFOs and told her two friends to follow her to a field nearby, which is owned by Ontario Hydro Power Company. Once in the field, the teenagers gasped with amazement for overhead were two brilliant UFOs, hovering over the high tension power lines!

The three girls watched, spellbound, as the two huge objects rose abruptly when they arrived, one heading south and the other heading north. From inside a house, one of the girl's fathers

also observed these mysterious "arrowheads" at the same time. At 9:52 p.m., the arrowhead objects reappeared, heading back toward the northwest.

One minute later, Sarah and another friend observed a startling cigar-shaped object which was black with white lights around the periphery and a glowing green light at one end. The cigar-shaped craft was following an arrow-shaped craft at about 500 feet elevation. The cigar craft emitted a sound like a generator running at low power.

An oval-shaped UFO then zoomed into sight at 9:55 p.m. It had a green haze around it and four curved legs longer than the object. You can imagine how fascinated and shocked the residents were by this time! Just like CLOSE ENCOUNTERS OF THE THIRD KIND, this was an absolute parade of brilliantly colored alien spacecraft! The oval green object had red and yellow lights dancing around its circumference. It was now hovering over the senior high school roof, two blocks to the northwest of Sarah's home. All three girls saw the object and when one of them (not Sarah) approached the wall of the school, she felt paralyzed and began to cry hysterically.

In all, seven teenagers saw the object land on the roof of their school. They noted that all the crickets stopped chirping during the incident. After participating in the observance of these strange, other-worldly craft, Sarah went home to bed.

THE EERIE ENCOUNTER CONTINUES

The next day, August 3, the same group of observers plus several more adults went to the open field adjacent to the school grounds. Again, all signs of life suddenly ceased and no cars were seen or heard on the busy street which leads to the airport (most unusual!). 300 feet over their heads, they saw an oval-shaped object the size of a football field! It was flat, dark, and solid in appearance. Over its surface was a checkered pattern and three large "fans" of 50 foot diameter beneath. The entire object turned over slowly before their eyes, rose, and headed slowly to the south. Also observed that night were many arrowhead-shaped objects which "exploded," separating silently like a jigsaw puzzle and flying off in many "parts."

At this time, Sarah inexplicably experienced the urge to go to another field three quarters of a mile northeast of the hydro field. There she saw four bright lights hovering about 500 feet over-

head. The time was 10:10 p.m. She returned home and went to sleep.

On August 4 (the day of the abduction!), once again many people began seeing the arrowhead objects and pointed toward the sky as they had on previous nights. They screamed, whispered, and shook their heads. Who—or what—were these strange craft? They flew as no plane or helicopter possibly could. What did they want?

At 9:50 p.m., Sarah felt compelled to walk away from the main group of observers toward an area northeast of the hydro field. All sounds of life suddenly stopped and she felt no need to look for cars as she crossed the usually busy road! Reaching the field at 10:05 p.m., she saw an arrow-shaped object settle onto the grass of the field in front of her.

FOUR FIGURES

As soon as the mysterious craft was settled on the grass, four shadow-like figures emerged from it and hovered in a semi-circle about 2 feet above the ground. They did not walk—they floated! The figures were four feet tall, appeared to be somewhat oval-shaped humanoids except that they were very very thin in depth (Sarah called them "wafers").

Sarah looked at these incredible beings for a fleeting moment, then passed out. She awoke fifteen minutes later, stretched out on the ground of the field, unharmed. The craft had departed.

Under hypnosis, Sarah remembered being aboard the craft for those missing fifteen minutes. She told the medical hypnotist who regressed her to that she had met and talked with a casually dressed man, greying at the temples, who told her he was forty-three years old. This man had been out for a walk in the area when taken aboard the craft. A subsequent search was launched to find this gentleman, but he could not be located.

Sarah also remembered observing a grey cat roaming freely about the craft. The "wafers" beings told her telepathically that they had "grown" this cat. Later it was guessed that they had meant they'd cloned the cat; however, English being a very confusing language, they may have meant simply that they were raising the cat on board as a pet.

Several weeks later, Sarah and her family experienced an ominous visit from a Man in Black. He was dressed in black clothing, made little sense in what he said, but threatened them if they talked about Sarah's abduction.

A GOLDEN OPPORTUNITY

ANGELIC, GOD-LOVING, BEINGS FROM ANOTHER DIMENSION HAVE INSTRUCTED ME TO HELP EARTH BOUND SOULS RECEIVE ALL THEY DESIRE BY DRAWING UPON THE SPIRITUAL AND HEALING POWERS OF THE POWERFUL...

Cross enlarged to show detail

'CROSS OF CRYSTAL'

Dear Reader:

My name is Diane Tesson. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning...

All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I fooled around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations, I have heard strange t.e.p.s inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

ADDITIONAL FREE GIFT

If you write to me without delay, I will put you on my mailing list to receive a free trial subscription to INNER LIGHT of which I am managing editor. This publication deals with prophecy, miracles, apparitions of the Virgin Mary and Jesus, experiences in unknown realms, and much, much, more.

Starting with issue one of the UFO REVIEW, Gray Barker had been a regular contributor and columnist for our publication. His column CHASING THE FLYING SAUCERS, which previously had run in Ray Palmer's FLYING SAUCERS magazine, made it in all but one issue of our newspaper. After a lengthy and serious illness, Gray passed away in a West Virginia hospital in early December of 1984. Up till the end he continued to publish his GRAY BARKER'S NEWSLETTER as well as numerous books and other publications. He had customers in many countries and was known worldwide. The following are some recollections by his best friends.

TIMOTHY GREEN BECKLEY REMEMBERS

It seems like I've known Gray Barker just about all my life.

I first met the towering UFO investigator (G.B. stood almost 6'4") in New York when I was only 15. Jim Moseley, publisher of a now defunct magazine called SAUCER NEWS, used to sponsor monthly lectures at various mid-Manhattan hotels and I had taken a bus from my home in New Jersey to hear Gray speak about the men in black and other bizarre aspects of the UFO mystery that he had become familiar with through his personal research.

But my admiration for this renown gentleman goes back believe it or not, even further. Never an especially "brilliant student," and particularly poor in English, it seems more than a coincidence that a book review I did in the seventh grade received a B+. The review was of Gray Barker's now classic book *THEY KNEW TOO MUCH ABOUT FLYING SAUCERS*, which detailed his involvement in the hush up of a Connecticut UFO investigator named Albert K. Bender, who had supposedly been visited by three sinister individuals dressed in black clothing—who warned him to remain silent after he apparently stumbled upon the answer to the flying saucer enigma and planned to publish his findings in a widely circulated publication he put out called *SPACE VIEW*.

Barker's now out of print book was written like a mystery novel even though the characters and events were all too real. *THEY KNEW TOO MUCH* became a best seller of sorts selling out five or six editions as well as eventually being translated into several foreign languages. Because of this limited best seller status, Barker became a minor celebrity of sorts and was invited on numerous radio and TV talk shows and even traveled to England to speak at a science fiction convention. Later in his career others (such as Barker's close friend, Jim Moseley who now considers himself a UFO cynic) would accuse Barker of overly dramatizing his prose and combining fiction with fact. But, I've always believed that Barker's writing style was formed through a simply curious psychological, twisted pattern that made him want to try and recapture the glamour and attention that resulted from his

TRIBUTE TO GRAY BARKER

AN OBIT— By JOHN KEEL

He came ambling out of the darkness at Flatwoods, West Virginia in 1952. An awkwardly tall man with a soft, gentle Southern accent who was somehow born to spend his nights studying the starlit skies above the mountains. There was a poet's sensitivity about him and it often shone through in the many books and articles he wrote. He was a very gifted

writer and probably could have made his living in the precarious literary business if he had so chosen. Instead, he elected to remain in his native West Virginia, a scholarly sophisticated hidden among the more common folk of Appalachia.

Back in 1952, when an eerie monster descended upon Flatwoods, Gray joined Ivan T. Sanderson in an investigation that changed his life. Sanderson, a British zoologist and experienced pursuer of the unknown, introduced him to a strange

earliest literary achievement.

And though he became a fairly successful publisher of UFO and New Age books written by others (included on his Saucerian Press seller list is Howard Menger's *FROM OUTER SPACE TO YOU*), never again did he, himself, achieve the success *THEY KNEW TOO MUCH ABOUT FLYING SAUCERS* was to bring him in the late 1950's at the peak of his writing career.

True, Barker was a story teller and while in the last few years of his life he might have become a bit disillusioned with the field he loved so much, it would really be hard to classify him as a "non-believer" as Jim Moseley might. If anything, Barker put everything he had into UFOs even when the hard core following the subject had built up over the years started to dwindle in number to the point where he was no longer able to sell two and three thousand copies of his various books. Toward the last days of his life, Barker purchased some economical offset and binding equipment as well as a home computer to print and set type without having to send it out to high priced commercial establishments. In short, he

became a one man operation, working well into the night doing just about everything himself, a factor which might, indeed, have played at least a minor part in his untimely death. And while those more conservative minded might have openly criticized him for publishing "fringe" or "crackpot" material, Barker seemed to operate on the theory that all things were possible. Thus, he issued on a regular basis material dealing with the hollow earth mystery, the "Philadelphia Experiment," and other "limited appeal" publications of special interest to the psychic-UFO-New Age audience, an audience that he had catered to before his passing for close to three decades.

When I was twelve or so I remember listening to Gray on the midnight till dawn Long John Nebel Show which was broadcast over WOR radio in New York. He was a frequent guest on this lively program, invited to appear whenever he was in the metropolitan area. Often, Barker found himself in the position of having to defend some poor contactee such as George Adamski, Dan Fry or Howard Menger who would be

world of smelly creatures with glowing eyes and huge circular sky craft that hummed as they wobbled across the galaxy. Barker became one of ufology's most articulate spokesmen. He gathered the puzzling reports of the next three decades around himself and whittled them into stylish books like *They Knew Too Much About Flying Saucers*, unintentionally stirring acute paranoia among his readers while he played with literary license and lyrical phrases. He didn't lie exactly. He took the objective facts and garnished them the way an expert chef garnishes a meal. He sauteed the truth a bit and, with a gleam in his eye, made the ufological dinner tastier.

Gray Barker was already a 15-year veteran of the Star Wars when I first met him. Together we traipsed through the muddy fields of West Virginia in a series of bizarre adventures centered around the appearance of a giant human-shaped entity with legs... known locally as "Mothman." I found him to be an entertaining companion with a fine sense of humor and none of the painful obsessions that haunt so many ufologists. Later, he wrote a sensitive book, *The Silver Bridge*, about the Mothman caper, choosing to make it half fiction and half fact... somewhat to the confusion of his more obsessed readers.

Millions heard Gray when he guested on radio talk shows around the country. Thousands of others heard him speak when he appeared at UFO conven-

explanation for who the "mysterious caller" was and how he was able to sound exactly like someone with the station whom Long John knew. Were the "three men" out to silence Barker and terminate the conversation that had centered on this controversial aspect of UFO research? For many years, Barker fostered the idea that this might be the case.

A true fiend and a close associate, Gray Barker will be missed by all those who came to know and love him.

So long, dear pal, we will miss you...and another chapter in the history of UFOlogy comes to a tragic close.

JAMES MOSELEY'S MEMORIES

I first met Gray Barker in the Fall of 1953. At that time I was traveling by car around the country, gathering information for an intended book on flying saucers. By coincidence, I met Barker just a few weeks after the famous "hush up" of Albert K. Bender by three alleged Men in Black. I also met Barker's friends August C. Roberts and Dominick Lucchesi in New Jersey. These three had been the nucleus of Bender's International Flying Saucer Bureau—based at Bender's apartment in Connecticut. The IFSB, founded in 1952, was probably the first serious UFO investigative group in this country.

Bender's "hush up" had thrown his three friends into confusion and panic. Because I tended not to believe Bender's story, and because I was generally "negative" in my approach (then as now!), the three through for awhile that I represented the government or some form of "Dark Force." It was only after I got to know them well, over a period of time, that they realized I was just another saucer researcher, but with a different approach to the subject.

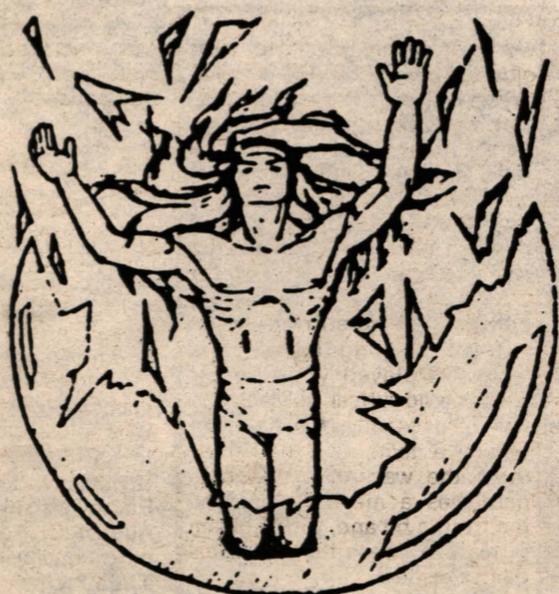

Gray Barker strongly believed Bender's story at first, and of course he wrote his best-known book (1956) *THEY KNOW TOO MUCH ABOUT FLYING SAUCERS* largely about the Bender case. Gradually thereafter, Barker lost faith in Bender's story, and I think his final disillusionment was when he eventually saw the manuscript of Bender's book, later published under the title *FLYING SAUCERS AND THE THREE MEN*. Interplanetary beings from under the polar ice caps were a bit too much for the mind of a well-educated man.

Somehow and for some strange reason, the Bender story represented the flying saucer mystery for Gray Barker. When he became disillusioned with it, he lost his belief in the other, more rational UFO cases of that era. He continued writing, but with more and more fiction mixed in, and with what he called "purple prose." Perhaps his height of literary achievement in this regard was *THE SILVER BRIDGE* (1970), which was largely what today might be referred to as a "docudrama." As John Keel has remarked very recently, why did Barker make so much of the book up when the truth (about the Mothman sightings, etc.) was so exciting in itself? We will never know for

AURA BREAKTHROUGH

NOW—NO GOGGLES NEEDED!

**In less than 20 minutes
you will learn to see the
human aura with your
naked eye!**

Dr. Kolai Babb spent over 10 years developing a most unique system that assures your seeing the auric force that emanates around all living things. No goggles or other aids to look through, simply a method of training your eyes to focus properly, at will.

Upon receipt of your order, you will be sent a kit containing four business-size plastic cards, beautifully colored, each card embedded with 70,000 microscopic magnifying lenses, perfectly aligned to aid you in learning to properly focus your eyes for aura viewing. Complete, easy-to-follow instructions are included.

After viewing these cards for a couple of minutes, you will see a beautiful hazy glow begin to appear around their perimeter, and

with a few more minutes of practice you will be able to look at any living thing and view its aura. Then, after a couple of practice sessions, you will no longer need the cards, as your eyes will be able to focus naturally, at will. (The cards are reusable. You can give the kit to a friend, or sell it and get back your investment.)

Now, with further practice, you will learn to see trouble spots in the aura and how to correct them. Plus much more!

The kit has been test-marketed at psychic fairs, lectures and training seminars, as well as by mail order. Thousands have been sold and none have been returned. You are assured of a 100% money-back guarantee if you are not fully satisfied.

One of the most intriguing subjects in the lore of Atlantean accomplishments is the source of energy used to power their civilization and permit astounding feats. Unlike today's atomic fired steam engines turning generators to force current through a copper-cobweb prone to breakdowns, brown-outs and black-outs, the Atlantean power system apparently by-passed these problems. Their energy was said to come directly from a readily available natural source, was stored, then transmitted much like radio broadcasting. And this energy apparently did more than power street lights and corn poppers; it levitated aircraft, powered submarines, and kept the Atlanteans physically young and healthy for generations.

However, the method of gaining access to this abundant natural source is still as much of a mystery as the Atlanteans themselves. This is because the bulk of the information concerning Atlantean technology comes from psychic sources which are equally mysterious and require a greater understanding of psychic phenomena than is generally available today.

Even so, speculating about Atlantean technology is none the less fascinating to the inquiring mind. Particularly so in a world where soaring energy costs threaten to plunge civilization into financial collapse and bring on a twilight of despair.

The more positive psychic sources, on the other hand, reveal that this natural energy is an abundant commodity that Atlanteans had learned to tap into.

EDGAR CAYCE AND THE ATLANTIAN CRYSTAL

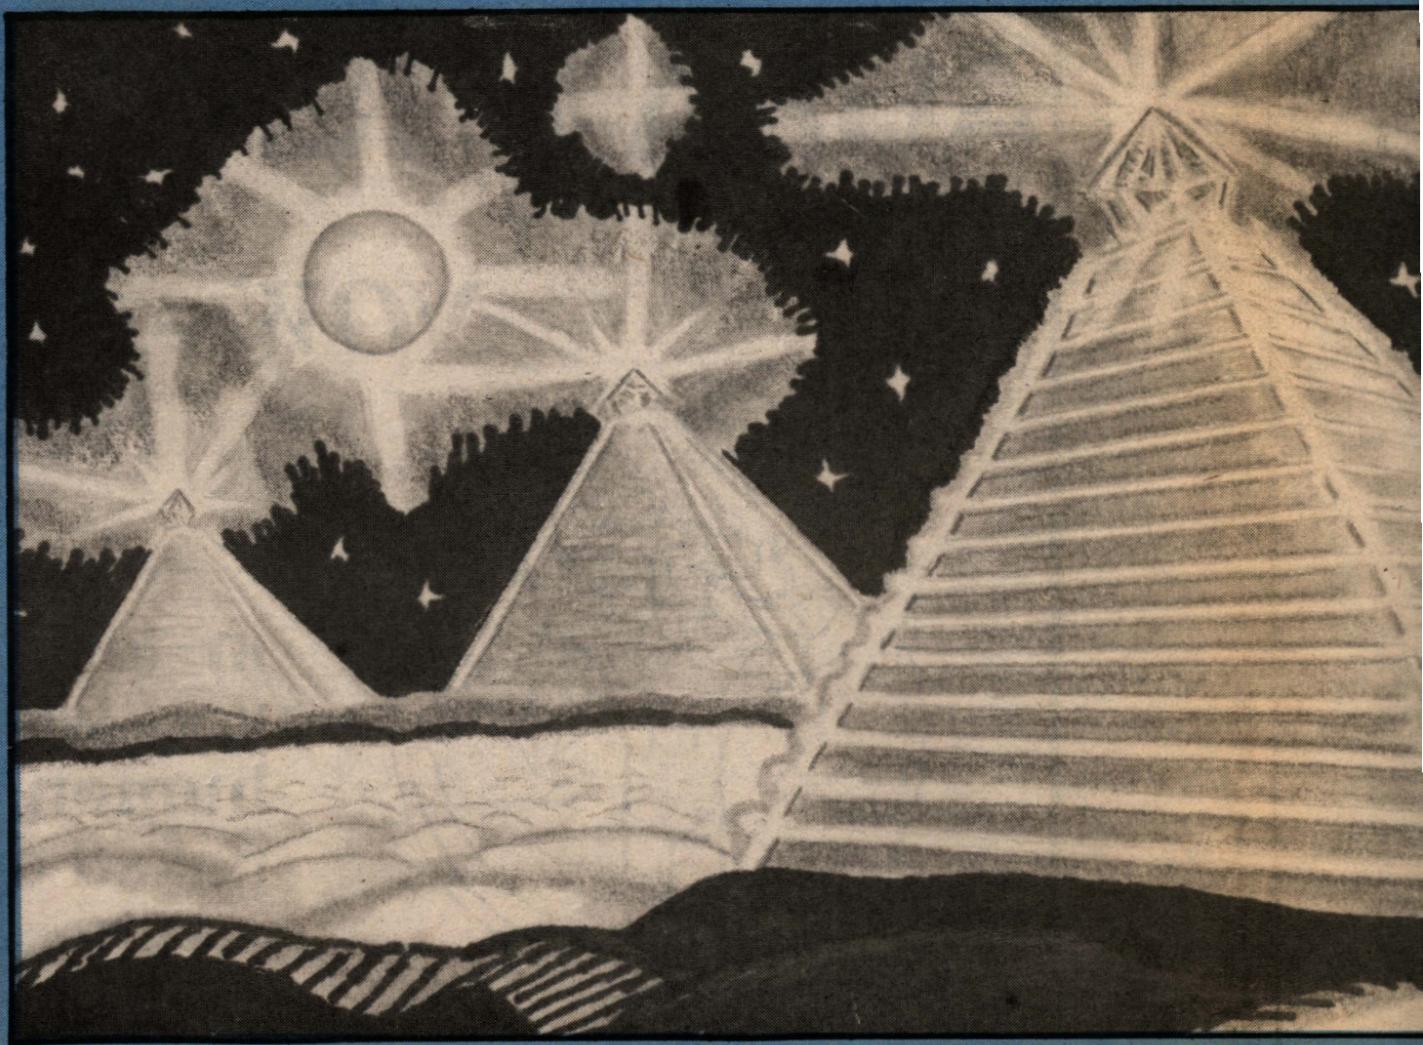

Edgar Cayce, a noted American psychic, revealed much about the Atlanteans and their

method of combining certain natural energies from the sun with those extracted from the earth. In Cayce's description—supplied while he was in a psychic trance—the Atlantean power plants consisted of a domed building constructed over an insulated pit sunk into the earth. In the pit a huge crystal or glass column was positioned where it made contact with sources connecting it with the "internal influences" inside the earth. Directly above this column a faceted stone (believed to be a ruby) was fixed to focus certain rays of the sun, or other stars, when the sliding dome was opened.

Evidently it was the combination of these earth and solar energies interacting in the space between the top of the column and the faceted capstone that produced the energy which was stored or transmitted. The simplicity of the system came from the fact that the capstone also served as the transmitting mechanism for the broadcasting of the energy. At the receiving end the energies were induced into a similar stone whose output was coupled to the devices that made actual use of the energy.

This generalized description of these installations fails to reveal any of the theory or practical details of the energies involved or the methods of putting these energies to work. It does not, for instance, reveal the wavelengths of the energies in the sun's rays. Although they apparently were not those of heat or light. Nor does it explain what the "internal influences" in the earth are, or the way in which both were combined and stored. In fact these psychic readings do more to tantalize the imagination than to provide a clear understanding of the processes involved.

The "Evergreens"—a group of entities who speak through the trance medium Michael Blake Read of Blackstock, Ontario—are equally evasive about specific methods used by the Atlanteans. They reveal that the Atlanteans had learned how to

ATLANTIAN ENERGY & THE ANCIENT

manipulate the natural resonances in various types of crystals and stones and were able to use this for different purposes. One was said to remove gravity from the material and cause it to levitate. This was not anti-gravity that involves a repulsion effect. It was a state of

no-gravity that made the material absolutely weightless.

But how does one manipulate these resonances? Does it require a specific type of energy? Is it done at a particular wavelength on our established frequency spectrum?

RUSSIAN'S EXPERIMENT

Seeking answers to these questions had led researchers on a years-long hunt through ancient texts and manuscripts dating back thousands of years, while experimenters have sought to devise methods for capturing or generating these elusive energies. The list of their reported finds includes: vital energy, prana, mana, and an energy called munis and one called magnale magnum. In recent times they have reported animal magnetism, odic force, motor force, N-rays, X-force and organ energy. Along with these are Tesla's earth energies and the old standby etheric force. All are said to be rich in energy.

In most instances these researches appear to have stumbled on to a "life force" that was induced into the experiments by themselves or drawn from other living matter. It is not the same energy that the Atlanteans drew from the earth and sky.

These researchers admit that this energy comes from living matter and that it can be transferred to, and stored in, non-living matter. This practice was part of an ancient system in which humans were sacrificed and the "life force" extracted from their bodies and put into other individuals. It became a cult among Atlanteans because of the rapid rejuvenation it offered as opposed to the slower rejuvenation provided through the solar and earth radiation methods.

Nevertheless, these researchers have made some interesting discoveries. They have found that by combining different materials in different shapes and forms allows the object to become a strong resonator capable of producing specific effects. They offer the pyramid form as an example and have designed an array of devices which they call psychotronic generators.

PLANETARY KUNDALINI

The same "life force" seems to be the energy that Russian and other Eastern European groups are experimenting with in their psychotronic devices. They claim this energy can be reflected, refracted, polarized and combined with other energies, and it is said to create effects similar to magnetism, electricity, heat and luminous radiations. Yet it is different from what we term electromagnetic energy. Because it can be conducted by paper, wood, silk, wool and many other materials known to be insulators. Yet in passing through these its strength is not greatly diminished.

Several of these researchers have performed demonstrations for scientific groups to show how the human mind can exert control over this energy when it is stored in psychotronic devices. Working at a distance, they have caused this energy to turn small pinwheels, making them stop, start, or turn in reverse in commands from the operator's mind. They were able to do this while the devices were enclosed inside electromagnetic and electrostatic shields. This seemed to prove that the energy could move through any type of

ENERGY DEVICES WORN BY ANCIENT MAGICIANS

These researchers admit that this energy comes from living matter and that it can be transferred to, and stored in, non-living matter. This practice was part of an ancient system in which humans were sacrificed and the "life force" extracted from their bodies and put into other individuals. It became a cult among Atlanteans because of the rapid rejuvenation it offered as opposed to the slower rejuvenation provided through the solar and earth radiation methods.

Nevertheless, these researchers have made some interesting discoveries. They have found that by combining different materials in different shapes and forms allows the object to become a strong resonator capable of producing specific effects. They offer the pyramid form as an example and have designed an array of devices which they call psychotronic generators.

PLANETARY KUNDALINI

Several of these researchers have performed demonstrations with scientific groups to show how the human mind can exert control over this energy when it is stored in psychotronic devices. Working at a distance, they have caused this energy to turn small pinwheels, making them stop, start, or turn in reverse in commands from the operator's mind. They were able to do this while the devices were enclosed inside electromagnetic and electrostatic shields. This seemed to prove that the energy could move through any type of

material or shielding without being affected.

However, they did not demonstrate how this energy could be applied to stop or reverse the chaotic energy greed-storm afflicting this world today.

But the energy we are seeking here, unless it is an extremely strong accumulation of a "life force" that has charged the earth, or a planetary Kundalini—the fiery serpent force—natural to this planet, would have to be a different sort of energy than what these researchers are working with.

An alternative to this "life force" is the natural energy radiated by the mineral elements. According to the ancient texts, each type of mineral or crystal is said to give off invisible radiations characteristic of its species. Some of these radiations were said to be beneficial to certain organs in the human body while others aided the overall health of an individual.

This might not be too unexpected since the same mineral elements are extracted from the food supply consumed by each person. In the ancient belief, however, it was only the radiations that passed from the mineral to the organ in the body. And it worked from outside.

Science already grades mineral elements by their electric charge and a variety of natural radiations are known to be emitted by those minerals in the radioactive series. These radiate the alpha, beta, gamma and X-rays. They are invisible and are capable of penetrating and altering matter including living tissue. This supports the idea that natural energy is available

from a variety of sources, one being the earth and its huge quantities of mineral elements. But the undiscovered energy we are seeking should have capacities greater than these.

There are some clues in Cayce's description of the Atlantean power plants. According to Cayce, the crystal or glass

column was positioned where it made contact with the sources connecting it to the "internal influences." The sources doing the connecting suggest that each power plant site was specifically chosen because they had these connecting sources. These sources would have to be reliable and capable of supplying a consistent output.

INVISIBLE FOUNTAINS

Among the ancient beliefs it was said that rivers of energy—ley lines of serpent force—flowed deep in the earth. Where two or more of these rivers intersected the repulsion forced one of the rivers to loop up and erupt on the surface in an invisible fountain that radiated a strong field around the site. These were the "power points" believed to possess miraculous energies.

If these invisible fountains were a fundamental component in the Atlantean system, finding the location of a strong outflow would be the first requirement. This may not have been too difficult since the Atlanteans, like other ancient groups, probably had developed efficient dowsing methods. When a favorable site had been selected, a pit would be dug until the underlying rock was exposed to the point where the energy emerged.

This emergence point could have been a crack or fissure in the rock. In ancient times great interest was shown in such cracks or faults in rock masses. They were believed to be doorways into other realms, or places where contact could be made with deities or the great powers that ruled the earth. Today's researchers have shown that major faults in the earth are focal points for many UFO events or unexplained phenomena. In fact, social groups appear to progress and develop faster in

areas directly over major fault systems. New York and California are just two examples in the present century.

If these deep-seated cracks in the earth do provide routes for the flows of invisible energy, then placing the crystal or glass columns directly over such an outflow could bathe the column in an invisible fountain of energy. The result may have been a laser-like stream of coherent energy beaming up the center of the column to target on the space between the top of the column and the capstone. Combined with the radiations drawn from the sun and focused at this gap, the two energies might have produced a pulsing plasmod of energy whose radiations were retransmitted or fed to accumulators for storage.

Whatever the method, the interesting point is the flow of energy through the crystal column was of such a nature that it required that the interior walls of the pit be lined with special heat resistant materials. There had been some suggestion that this liner was a ceramic or clay based material that could be baked to a hard surface to protect the outer walls. It may also have served to contain the radiations and prevent the surrounding earth from absorbing and reducing the amount of useful energy.

Another interesting feature in the Atlantean system was the use of similar type stones for transmitting and receiving. This would provide a natural tuning since both would react to the same wavelength.

It is still too early to say just how close this psychically received information is to the actual system used by the Atlanteans. But there is some evidence worth examining.

First it should be remembered that the Atlanteans are said to have drawn excessive amounts

REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. Comes complete with sturdy silver chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube. The system, which is still in the research stage, uses lasers to permanently imprint images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam. The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.

TRIBUTE TO G. BARKER
Continued from page 8

sure, because Gray Barker was a strange and complex man. UFO research became a "trip" to him, in which he blended truth and fiction so well that probably even he didn't know just where the line between them was drawn.

Barker's death in December of 1984 has left me sad and depressed. Many of my memories are not suitable for expression here. But an era in UFO research has surely passed. Never again will the flying saucers have that air of mystery and pure magic which Barker could weave better than anyone else.

GENE
DUPLANTIER
REMEMBERS GRAY
BARKER

It was back in 1956 that I saw an ad for the SAUCERIAN REVIEW—A Report of Flying Saucers. The term "flying saucers" presented a mystery that tweaked the curiosity of many, including me.

So, I sent away my 35¢ and got in return a fat booklet filled with wild stories and many photos and illustrations. I was overawed by this publication and wrote my first letter to the editor, Gray Barker. I complimented him on the fine job he had done in bringing this new subject to the attention of the public.

Soon Gray asked me to do some artwork for him which I continued to do off and on right until his demise.

Gray always had humorous stories to tell and delighted in recalling them. Gray was very fond of his little grand nephew Christopher, who was five years old in 1982. At that time, it seems that Christopher came up with the words "MIB" before he could print even his own name. Of course he was in kindergarten then for almost a full term. He did write down UFO for Gray, but that was at his father's prompting. One time he got hold of some paint and a brush. He painted some of the outside doorknobs a sickly pink color, then the trunks of the small trees in front of Gray's house. Finally, he actually painted a neighbor's dog (or at least about 70% of his body) and Gray wondered how Chris made the dog stand still.

On June 12, 1983, Gray detected a "Ghost Odor" when he awakened at 5:30 that morning. It smelled like the mimeo stencil maker does when it burns into stencils and thought the house might be on fire. A patrol through the house indicated everything was O.K. and the adjacent trailer wasn't on fire. Only the familiar musty odor came from the basement.

When Gray walked outside the odor was even stronger. He suspected it might have been a skunk, but the odor smelled more like an electronic thing blowing up. He thought there might have been a tanker spill on the Interstate Highway that runs near his home and that the fire department and police might be along any moment evacuating the populace. Nothing happened so he took another swig from the Gallo bottle and went back to sleep.

That evening, Gray and his assistant were chugging up the Sam Cutlip Mountain (between his home and the Interstate

Highway) when Gray heard a noise as if the wheel had picked up a rock and thrown it against the back fender.

Near the top of the hill a loud banging and pounding commenced, as if a rock were stuck in the fan blade. They cut the ignition and started the car again, but still the banging continued. After Gray's assistant raised the hood and found nothing visibly wrong then closed it, the car started up normally and they proceeded home.

About a week later the same thing happened at the very same spot, and again the trouble went away as soon as the hood was opened and closed. Gray explained this away as "the Devil being in the car."

Recalling our last visit, I can still see him waiting in the doorway of his house as we backed up our silver car into the gravel driveway, near his blue Mustang.

And we didn't even take a picture for remembrance this time. We thought there would be a next time. How wrong we were!

tions and symposia, always holding back somewhat shyly; so hungry for human contact yet final years, he doggedly labored with a home computer, painstakingly sifting through every issue of FATE and SAGA magazines to extract all their UFO articles and feed the info into his computer. He also published great stacks of UFO books for a small mail order business which he ran on the side. Many of those books were ghostwritten by himself. All of

these were solitary pursuits for Gray spent most of his 59 years alone. Hitting the field to investigate monsters and Mothmen provided him with an escape from that terrible loneliness.

This was also the stuff of legends and Gray Barker was one of the few authentic ufological legends...even more legendary than "Dr." Morris K. Jessup, the astrophysicist who became the central character in several of Barker's literary efforts. Jessup's non-involvement in the mythical "Philadelphia Experiment" would have been quickly forgotten if Gray had not impishly kept the tale alive. It was his impish, often very subtle sense of humor that I found to be his greatest—if least known—attribute. Over the years, we played many practical jokes on each other and I must grudgingly admit that his usually topped mine.

Now, suddenly, this complex

man is gone. There will be no more entertaining, informative newsletters out of West Virginia. No more humorous notes scribbled on the stationery of flea-bag motels and signed, simply, "Grunt." When times were dull and UFO sightings were few, he stirred things up. He feuded with Jim Moseley the way Jack Benny used to feud with Fred Allen. He produced UFO photos that were soberly declared to be authentic by computer specialists and assorted experts while he chortled with glee. Yet many of his investigations and reports were models of thoroughness and honesty. His many contributions to ufology were monumental. He kept a special notebook in his desk in which he recorded some very unusual sightings and events, planning to use it as the basis for a very special book one day. But soon

So, we should continue to educate ourselves and our fellowmen to a spiritual perspective and understanding of landing operations. For the landings of spacecraft into our atmosphere and dimension bring higher vibratory frequencies into the earth plane environment to help transmute and uplift mankind and all life forms into the fourth dimension. Landings also are for new attempts at coordination, preparing earth to be reunited with the Federation of Planets of our solar system after the Second Coming around 2000 AD.

As light workers, our role is to project these energies out to be assimilated and utilize constructively by others in mass consciousness. In this way, we help nurture man's receptivity to contact.

Over the past two decades, the Hierarchy has given us extensive information, through the channelings of Nada-Yolanda, to help us understand some of the complex preparations involved in landing spacecraft into our third dimension. Landing procedures are intricate, due both to the nature of manifesting high-energy or other-dimensional forms onto the earth plane, and to the balance that must be maintained so as neither to shock man and his environment nor to override man's free will.

As we review this information, let's remember that preparing landing sites has a double entendre here. For *Operation Landing Light* involves not just the physical landing of spacecraft, but also the landing or anchoring of light into our consciousness for spiritual growth and change. This landing of light is being accelerated now that we are in the twelve-year demonstration cycle (1984 through 1995).

**ASHTAR
COMMAND**

First of all, let's look behind the scenes to the organization of command for landing operations. The etheric Ashtar Command, a group from other planes and planets involved in

frequency for earth.

The Starfleet Commander for Ashtar Command is Ashtar Gabriel, who is the pilot of Sananda's master ship #10. Sananda/Jesus, the spiritual Prince of Earth, coordinates the

through this command post.

The spiritual Hierarchy, therefore, ultimately directs and supervises all spacecraft manifestations, both etheric and physical, on earth.

Psychic

Attack

AND HOW TO AVOID IT

BREAKTHROUGH

Dr. Kolai Babb is offering a special comprehensive course in reversing and preventing psychic attacks.

We are all subject to psychic attack at any time. All it takes is a negative thought to provoke such an attack. And the attacker may not even be aware of what he or she is doing. (Think of what a thought of revenge can do). If you are having seemingly unsurmountable problems that you do not deserve, you may well be under a psychic attack.

This special course, researched and developed by Dr. Kolai Babb and the staff of the Universal Awareness Research Center, will teach you how to break the hold of even the most influential psychic attacker; how to return the negative force back

to the sender; and how to positively protect yourself, your loved ones, your home, car, etc. from psychic attack. Best of all, you will experience a sudden warm glow of well being within minutes of starting the lesson. Anyone can learn this incredible but tremendously effective method.

As with all metaphysical training courses offered by the Universal Awareness Research Center, Dr. Kolai Babb, director, personally **GUARANTEES 100% SATISFACTION**, or return the training material within 10 days for a full refund. **NO QUESTION ASKED.**

LANDING SITES - from page 13

occasions that scout ships relay special observations and test data that help establish such factors as Earthman's thought temperature, or mental and physic receptivity, to projected landing plans.

Other space crews, such as the group from the Arcturus star band, have been used to cleanse or clear the atmosphere for the Ashtar Command, and to make recommendations both for the concentration of energies and for certain plans and schedules.

An important point we should not overlook about coordination is that for every physical demonstration in the spiritual space program there is a spiritual backup crew. The backup crew is an overall team that supervises the spiritual awakening of those who may be involved in any space contact. Such crews are essential to make sure that man's natural spiritual growth and understanding are not shocked, disturbed or thwarted by space demonstrations. Man of earth must be prepared spiritually to receive space visitors and to handle properly the scientific innovations the space brothers will introduce.

Individuals might react adversely, however, to such inner plane preparations and thus cancel out their key participation. Remember, anytime individuals are involved, free will is involved, so any number of complications or problems could set in and cause alterations in the landing plan, even at the last stages of preparation.

Individuals might react adversely, however, to such inner plane preparations and thus cancel out their key participation. Remember, anytime individuals are involved, free will is involved, so any number of complications or problems could set in and cause alterations in the landing plan, even at the last stages of preparation.

Number 4. Animal and vegetable kingdoms in your area, as well as the actual physical land or ground, have to be prepared. The land must be cleared magnetically, and its vibration raised, so as to hold the force field of the higher vibration, and the coming and going of a spacecraft that can materialize and dematerialize at will. The special preparation of the land is to prevent damage due to the higher frequency vibrations of spacecraft; which, after all, must be injected into earth in order to help raise it.

Number 5, and our final point. Certain areas are more suitable for landings. The space visitors, for instance, have informed us that it is easier for them to make contacts at high altitudes than at lower altitudes. The accessibility has to do with magnetic lines of force as well as a clear or clean environment and a rarified atmosphere.

So, these of you living in Southwest USA, for example, are in luck, for one of our contacts, Dr. Hannibal, has said that the Southwest is one of the most important focal points for contact. But that doesn't daunt me, living in South Florida at sea level! I just remember that the Miami-Ft. Lauderdale area was one of the few friendly landing ports during the latter days of Atlantis!

We all are aware, of course, that space sightings and landings have occurred all over the world, in all types of environments and altitudes, and have involved people of all ages and walks of life.

LANDING PREPARATION STEPS

It takes months and years for the Federation to adequately prepare landing sites. So, the ongoing fulfillment of the Landing Light operation is truly a marvel of hierarchal planning.

What steps do the space visitors take in selecting and preparing landing sites? Let's take a hypothetical situation, and say that a landing site is being prepared in your area. (Of course, I'm sure each of us trusts this is not too hypothetical, since most of us probably would like to walk outside right now and step aboard!) Again, in your meditations apply this symbology also to your consciousness, since the landing site of your

mind, body and soul likewise is being prepared.

Number 1. Spacecraft coming from other dimensions must first travel through the astral planes of earth to arrive on the physical dimension. So, astral forces in your area have to be prepared in order to secure the physical landing site. For example, one instance is reported in our book "Visitors From Other Planets" where interdimensional space forces, in order to secure permission to land, negotiated with astral Indian forces for uses and rights of certain areas.

Number 2. The atmosphere in your area, both mentally and physically speaking, has to be tested, screened and cleansed of certain situations or conditions before spacecraft can manifest. Apparently, from what we have received, certain atmospheric conditions have to be taken into consideration only at the time of demonstration, and so it is difficult for the Federation to outline successfully in advance just what space

activity will prevail. Number 3. As a contactee, or as a channel for these demonstrations, you must be cleansed and cleared by your inner plane guides and teachers, as well as by your own high Self, so that everything checks out satisfactorily. Also, other persons in your area, such as business or government officials who may be required to follow through, must be cleared enough to allow the higher force to penetrate.

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of castingspells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES - MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible for the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
• Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
• Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx, as well as the Great Pyramid. Information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS JESUS WAS CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid which will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

TWO UNSOLVED UFO ABDUCTIONS
From page 6

PSYCHIC ABILITY INCREASED

Before the experience, Earl had felt himself to be a somewhat psychic person, but afterward, his ESP ability became highly active. He saved a boy from drowning in a pool several blocks away, for instance, a month after his UFO encounter. He said simply, "I kept hearing the boy scream for help." However, there was no way Earl could have heard the boy gasp for help several blocks away in the middle of the noisy city of Tampa, Florida!

He also accurately described the number of cars and the color of the cars which toppled over the Skyway Bridge in the 1980 disaster in St. Petersburg, Florida. Earl described these hours before the first car was retrieved from the murky waters of Tampa Bay!

He drove a plain black car. Sarah never heard from him again, however, and her life eventually went back to that of a normal teenager. We may wonder, though, if she will ever forget her abduction experience at the hands of apparently peaceful and curious UFO aliens!

AN INCREDIBLE JOURNEY

The second abduction I wish to make known to the UFO REVIEW readers is one on which I was the chief investigator. It happened only two months before Sarah's abduction which is, I feel, no coincidence!

In June of 1979, Earl Charles sped toward Trenton, a small town in northern Florida with his bride Nancy and her twelve year old son. Earl was anxious to arrive in Trenton, where relatives live, so when a bright light appeared behind his Lincoln, he assumed it was a police car. However, it soon became apparent that the light was over his car and that it was shaped like a light bulb.

This strange light shone a blue beam directly on Earl's car and both sides of the road lit up with the power of this beam. Earl could see that the core of this object was glowing red and that from a slightly different angle, the object resembled two pie plates facing each other.

Earl does not consciously remember his abduction at that point. His bride and her son are also at a loss to explain what happened. All three have at least an hour of missing time from their lives.

What they all do remember is that they then arrived at the outskirts of Trenton in 2 to 3 minutes, when it should have taken at least another hour for the journey. Earl states that he knows the road well; he knew exactly where they were when the craft appeared and it was still over an hours drive to their destination.

Little fear was felt by any of the family during the experience. Earl described his curiosity about the object and his bride described the object as "simply beautiful." However, they did feel exhausted and only partially lucid when they arrived in Trenton.

Upon inquiring in Trenton, we found that other people had

been seeing unidentifiable craft within a 100 mile radius and that even the local minister had seen "strange people" in the exact area of Earl's experience.

Earl's artistic abilities were greatly enhanced as well. For example, he has expressed a desperate urge to return to the exact section of road at which his encounter occurred, time and time again.

On the other hand, Earl's bride and her son settled back down to the daily routine and encouraged Earl to do so as well. However, Earl was sure that he had in fact been aboard the mysterious object he encountered on that fateful night...and he has the physical evidence to prove it!

Earl bears an odd scar on the inside of his elbow which he cannot explain. It appeared directly after his experience. There are two white marks, as if

Have you always believed in your heart that somewhere there IS A REAL talisman of great power? A talisman that can change your life for the better?

The Ancient people had such a talisman—one that has withstood the test of time. The Ancients who built the pyramids, were surely the greatest stone masons of all time...and the talisman they treasured above all others was natural clear quartz crystal. Crystal was their magical gemstone of divination and power.

Why did they spend 300 years hand rubbing the crystal skull of the Incas? Was there really a great crystal of Atlantis?...and did it supply power for a whole continent? Could this power work for YOU? What do we know about crystal today?

- Natural crystal has a measurable electrical charge, focusing power on the wearer.
- Natural crystal emits negative ions, dramatically expanding the energy field of the wearer.
- Crystal takes in only light, protects you from dark forces.
- Crystal has a refractory index of 1.55. Worn over the heart, it reflects lesser vibrations, returns evil thought to the sender.
- Crystal intensifies the mystic mind powers of the wearer.
- Crystal automatically raises the consciousness of the wearer.

- Crystal balances the magnetic field of the wearer.

WINNING WITH WITCHCRAFT

Although my book is called "Winning With Witchcraft" it is not a book for witches. Fully fledged witches will not find anything really new in its pages and indeed they may disapprove of many of the things written in it. They will not like the fact that I have removed the "mystery" of witchcraft, dispensing with all the complicated paraphernalia usually associated with the Craft, in order to demonstrate to the ordinary person that to practise it is really very simple indeed. My book is definitely only for the everyday lay woman or man; the person who is fascinated by witchcraft and its possibilities, but is either too busy or apprehensive to actually get involved in it.

HOW TO WIN IN LIFE

I do not in my book bog the reader down with the theory or history of witchcraft. That can be found in other books. No, my work is an "action" book, one of practice rather than speculation. In it I show you how to win in life with witchcraft. There are two sides, or dimensions, to witchcraft: the religious, spiritual dimension, and the dynamic "active" dimension, i.e. that of deliberately manipulating events and circumstances for one's ends. My book is about this second, exciting dimension. But before I continue let me tell you something about myself. My name is Jean Williams, and for the last twenty years I have been actively practising witchcraft in the pursuit of securing personal objectives. I am a perfectly ordinary woman, not possessing special psychic powers of any kind. Neither am I particularly bright or good looking. I mention these points because I want to show you that the wonderful, fast acting powers of witchcraft can be at anyone's command, regardless of ability, once the secret of witchcraft is understood. I have never belonged to a coven or occult group of any kind. There is nothing special that you have "to be", or no one special you have to know, in order for you to begin working wonders with witchcraft from the very moment you know what to do.

IMMEDIATE RESULTS

Immediately you have finished reading my book you can begin casting magic witchcraft spells to obtain whatever you desire. And you don't have to worry about trying to obtain difficult to get herbs or special equipment; almost all of the rituals I give involve very little or no paraphernalia, and what things you may have to get can be purchased very easily and inexpensively. For twenty years I have been "winning the game of life" through witchcraft. With my book you can start doing the very same the minute you have read it. With simple witchcraft spells and rituals I show how you can make any member of the opposite sex desire you immediately, compel a reluctant lover to marry you...stop the romantic interest of someone you would rather be without. With witchcraft you can forget about being a loser in love, in money, or anything else. By using witchcraft I show how you can actually take control of the "forces of chance" and make everything you touch seemingly turn to gold. You will be able to play a bingo game, place a bet, enter any contest, and know that you will win. You can have any man or woman you want, or any luxury you choose. With witchcraft these things become automatic when you use the appropriate spells or rituals to obtain them. I can say all this with absolute confidence for this has been my experience from practising witchcraft. I have benefited handsomely from witchcraft and I only seek the pleasure of sharing my knowledge with you. Witchcraft, I believe, should not be the jealously guarded secret of a selfish few, but should be made available to all who seek a better and more fulfilling life.

WHAT WITCHCRAFT CAN BRING YOU

- In my book you read about:
 - Winning the admiration and respect of people. Stop them exploiting and using you
 - Using witchcraft to promote your self interests at all times, without harming the interests of others
 - Commanding things to happen through powerful spells and incantations. With witchcraft you don't have to grovel or pray to God for help
 - Magic witchcraft spells that quickly make you more self-assertive, confident, and sought after by the opposite sex
 - The Binding Love Spell that makes someone of the opposite sex love you
 - Simple witchcraft remedies that alleviate pain, reduce fever, stimulate hair growth

- A powerful ritual that compels an unwanted neighbour to move away
- A simple Moon Spell for miraculously solving financial difficulties
- An ancient ritual for making a barren womb fertile
- A simple divinatory rite for immediately telling if your mate is true or not
- Compel a thief to return stolen property
- A Romany Love Spell for catching all the men you will ever want!
- A simple formula for finding out which of two lovers loves you the most
- An ultra-simple ritual for keeping your partner true
- A spell that compels a deserting partner to return to you
- How to leave your physical body and travel invisibly anywhere. You can invisibly "spy" on your lover, rival, enemy, completely without his/her knowledge! This way you always win in the game of life because you can anticipate in advance the actions of others! "Invisible travel" is easy; it only needs practice. I succeeded on my third try. It is not only easy, but fun, too. And it is perfectly safe
- A simple step you can take for stopping any witch from invisibly spying on you!
- A powerful self-rejuvenation ritual for renewing your personality and character; extremely potent!
- How to use The Witchcraft Circle to break disease and ill health and regain perfect well being.

THE SECRET SCIENCE OF NATURE

It is unfortunate that many people associate witchcraft with devil-worship. Most witches don't even believe in the Devil! I certainly don't. Witchcraft is not Black Magic. But, fortunately, witchcraft can be used to protect one's self from Black Magic. My book shows how you can quickly and easily break any evil curse, and shows also how you can forever make yourself safe from harm and evil of every kind. Some people also harbour the idea that witchcraft is just "superstitious nonsense"; in fact quite the opposite is true. Witchcraft is the secret science of nature. It could not possibly work if it was merely based on old wives' tales. I personally am not superstitious; I was born on the 13th, I live in a house no. 13, I walk under ladders, etc.; but I very much definitely believe in the powers of witchcraft. You will believe, too, once you have tried the simple rituals in my book! Nor is witchcraft just "positive thinking". I know lots of people who use positive thinking and yet they are losers in life. Witchcraft is more dynamic. With witchcraft you don't, and cannot, fail; you only succeed and win.

THE ULTIMATE WITCHCRAFT RITUAL

The very end part of my book I have saved for what I consider to be the ultimate witchcraft ritual, at least in material terms, a ritual that unleashes a tremendous torrent of opportunity, riches and good fortune. I consider this ritual to be little short of sensational, but I will be frank with you; I have only ever used it once. It worked so well that I just couldn't handle all the good things that came from it. I am not one of those people who can handle immediate, or even gradual, wealth. But if you are one of those people who believe they can then you should try this ritual. It could change your life! I do not claim my book to be the best or finest written on the subject of witchcraft. But I do claim it to be the most practical. If you are one of those people who has always wanted to try their hand at witchcraft, but were too busy or apprehensive to do so then my book is for you. It is written for you, and I promise you that what you pay for it will be the best spent money of your life. Witchcraft works. Those who practise it know. They are life's winners.

MILLIONS TESTIFY TO ITS STRANGE MAGICAL POWERS NOW YOU CAN CARRY THIS GOOD LUCK CHARM FILLED WITH "MIRACLE WATER" FROM LOURDES THE HEART OF OUR LADY

Each year over a million pilgrims travel to an out of the way grotto in Lourdes, France where in 1858 the Virgin Mary appeared to a peasant girl and pointed to the location of a hidden spring of water at which the Blessed Mother said a sacred shrine should be constructed. Though skeptical about Bernadette's vision, the devotees flocked to the site only to return home with documented accounts of incredible healings and miracles of all types performed at the very spot of the apparition. The blind were made to see again, victims of every known disease (including tuberculosis and cancer) have gone away totally cured. Others found that visiting Lourdes and sampling the water brought them fantastic GOOD LUCK and subsequently they found riches waiting them they have never possessed before.

Now for the FIRST TIME we are making available to the public a beautiful blue heart encased in silver with an etching of Bernadette's vision on the front of this very special miracle medal, and on the reverse a special sealed compartment containing the world's most powerful "good luck" substance—water actually drawn from the Miraculous Spring of Our Lady in Lourdes, France.

Academic studies done at several colleges has proven scientifically the reality of reincarnation. More and more, even members of the clergy have come to accept the fact that we live more than once. A number of psychologists are even treating patients with "past life therapy," acting on the belief that past life experiences can cause emotional disturbances, phobias, and a variety of hangups in an individual's present life situation.

MERCURY PRESS BOOKS, P.O. Box 62, Montrose, CA 91020

By William Alexander Orbello

In the early part of 1983 I was establishing a soul awareness group in Los Angeles, California. One morning I was awakened by a subtle message from a higher dimension. I quickly got up and noticed that it was about 3 A.M. something had told me to meditate.

A psychic message began to enter my consciousness as it had many times during my life, and the name Ashtar flashed across my mind's screen. I was told this entity was one of a group of planetary guardians—a cosmic master of the Space Brothers, part of a group known as The Free Federation of Planets. This was not my first contact with UFO's or the "Cosmic Guardians," but it was one of the most unusual.

I then began to see a vision of a great earthquake and tidal wave. I saw buildings collapse and people running in total panic. As the vision faded, Ashtar transmitted to my consciousness this message: "The earth is a living entity which has absorbed the negative thoughts and deeds which the bulk of humanity has perpetuated. In rebellion against the works of darkness the earth now passes through her season of purification. Great changes are coming

THE NIGHT ASHTAR'S GREAT PREDICTION CAME TRUE!

the words RA-MA-SE seven times. They are to do this every day until the danger has come and passed. You will know they have been obedient when they tell you they have seen a pyramid shaped light or space ship in the sky during the evening hours. You will tell them only these simple instructions, and they will receive power to assist you."

"Dear friends, everything that was revealed by Ashtar came to pass! Tidal waves did much damage in Santa Monica and Malibu on the beach properties, and one day two tornadoes touched down in Los Angeles while earthquakes registered near the beaches. It was unusual that all these things happened during the same time without more damage. My students who joined me in the special practice did report that they saw UFOs in the form of pyramids.

In the spring of 1984, I was directed to return to Philadelphia as my West Coast mission of light had been completed. At that time, I had already written two books and began to work on yet a third. I was told that a man named "Beckley," who was a messenger of light, would bless my work. It was not until the fall that I discovered UFO REVIEW

man race will have more time to pool its efforts towards global awareness before the midnight hour. Within ten days a series of tidal waves, earthquakes and tornadoes will strike the Los

Angeles area. There will be a limited amount of damage if you instruct your students to do the following... You must request that they wake up early and face the dawn. Then they shall repeat

These required low levels of energy and the natural system of the earth remained in balance. When the more avaricious Atlanteans became involved they pushed the system to the extreme to satisfy their desires for a more convenient existence.

GOD-LIKE POWERS

Egyptian priests who were able to make stone blocks float in the air would suggest that many of the Egyptian priests were descendants of the Atlantean refugees and able to carry on the practice of their technology long after Atlantis ceased to exist.

It is interesting to note here that Moses was trained from childhood by an inner circle of Egyptian priests. He was probably taught much about the secrets of Atlantean technology and put the knowledge to use when he broke away from the Egyptian ruling group. Therefore the construction of the Ark of the Covenant, done under the guidance of Moses, was probab-

ly a variation of the Atlantean devices.

In operation at sunrise the Ark was housed inside an enclosure of cloth, hide and wood, with its eastern end open to the rising sun. During the ceremony a brilliant blue plasmoid formed in the space between the wings of the angel forms and the lid of the Ark. This light was called the "Shakina Glory" or God's Presence. It certainly would indicate the presence of an extremely intense core of energy.

Later, when the Ark fell into the hands of unskilled operators, misadjustment or faulty operation on several occasions triggered a massive brilliant flash of energy that set off the same type of catastrophic forces that had ended the Atlantean civilization. The explosions and earthquakes caused by these misadventures took a toll of thousands of lives. (See Numbers 16:30-35, 1 Samuel 6:19.)

What may be another example of this sort of malfunction is the remains of a completely demolished Egyptian pyramid at Abu Rawash, five miles north of Giza. It has been estimated that this pyramid stood 200 feet high. Today it is a flattened pile of rubble. This destruction may have been due to a serious miscalculation on the part of the priest-architects. When the pyramid was finished and became fully charged it may have erupted in an uncontrolled energy excursion that terminated in a mighty blast.

The name pyramid itself means "fire in the middle." An apt description of these ancient solid-state energy devices.

SECRETS UNFOLD

It is only since the late 1970's that science has begun to recognize the true nature of the huge solid-state devices. In tests made at a number of the stone circles in Britain they have

detected and recorded the unsuspected solar microwaves that activate the quartz crystals in the upright rocks causing them to radiate ultrasonic sounds that reverberate back and forth around the circle in complex wave patterns. These, along with an unexplained pulsing, permeate the area inside the circles and generate an invisible field that radiates upward

Today at the equinoxes when

the sun's first rays break over the horizon scientists with the latest equipment stand stoney-faced in the unexplained silence inside the circle trying to fathom the technology behind these crude constructs.

Uneasy they stand at the threshold to another dimension beyond material science. This is the realm of the ancient magicians and the gateway to tomorrow.
