We hope you like our new format. Starting this issue we are changing over from our newspaper size to what we believe is an easier to read and handle magazine. Many of our readers complained that their UFO REVIEW was arriving in the mail all tattered & torn, and we think that this sleeker style will be a lot less bothersome and will be more adaptable to being saved rather than the discontinued tabloid that we had been putting out for twenty-one issues.

Along with the format change, we are also "updating" our editorial to include more shorter stories instead of the long "rambling" features we sometimes carried previously. Also, little by little, we plan to broaden the scope of UFO REVIEW so as to feature more topical stories since it seems from your letters that you are interested in a lot more than sightings of unidentified objects in the sky. We've always felt that UFO REVIEW was ahead of its time—that we weren't meant for just everybody—and in keeping with this concept you'll be seeing quite a few changes in the future. But won't you take the time to let us know not only what you think of this issue, but what we could do to improve the relationship between reader and staff? Let us know what we've been doing right, and what we've been doing wrong. We want some feedback and only you can give that to us.

In the meantime lots of light & love from everyone here to everyone out there in readership land.

LET'S HEAR FROM YOU. LET YOUR OPINION BE KNOWN. HAVE YOU A THEORY YOU'D LIKE TO EXPRESS? HAVE A COMMENT YOU'D LIKE TO MAKE? THIS IS THE PLACE.

**MY PSYCHIC MESSAGE FROM SPACE**

I am enclosing a "Space Message" which possibly you might like to use in UFO Review. It is a very vivid "message" which I received telepathically some time ago, when I was deep in my metaphysical studies, and within a year after I had spoken to Dr. Frank Stranges in regard to his friend from beyond earth, Val Thor. I was requested to write a letter which he would then give to Val Thor. Also, Dr. Stranges told me that perhaps in time I would make my own "contact" which would mean a great deal to me. (It did occur, 3 years later, in Egypt).

When I was about to move to my new home in Wolcott, Conn., I was talking to a neighbor who came to see us. As we were working about the property he told us that just shortly after we had bought it (and just prior to moving in), a huge UFO was seen above the place at treetop level!

One evening as I prepared for sleep, I went to check the door and stopped in the living room near my piano since I "heard" my name being called (psychically). It seemed to emanate from a large blue-white light which suddenly appeared on the back of the music rack of the

# POWER

**BECOME A DYNAMO OF HEALTH - HAPPINESS - AND PROSPERITY. APPLY THESE SIMPLE RITUALS THAT WILL UNLOCK THE DOOR TO GOD'S HIGHER DIMENSIONS MAKING YOU A WINNER.**

**H**ave you ever dreamed of being P-O-W-E-R-F-U-L and rich? Of having command over others, as well as controlling your own most important and pressing situations?

As life has turned out, have you ended up feeling emotionally insecure, timid and unable to obtain that which would make you unequivocally successful?

Do you view others basking in material wealth...living in beautiful homes, driving in the latest model cars, holding hands with an attractive member of the opposite sex, or enjoying the fruits of an influential and prestigious job? Above all else, are you the least bit jealous when you see even your closest neighbors able to relax, as they seemingly watch the world roll by without a care to their name?

Finally!!! the door to your innermost dreams are unlocked. God has a master plan for us all. With a little bit of knowledge and practical application of seven simple formulas your life can change drastically.

Just recently a "Being of Spiritual Light" told Rev. William Alexander Oribello of the Mystic Light Church (Philadelphia) to share with deserving souls secrets of the "Seven Fold Path", which when learned properly can lead the initiated to a state of never ending personal bliss.

**CASE HISTORIES**

By using the special methods revealed in Rev. Oribello's MASTER BOOK OF SPIRITUAL POWER others have obtained startling results:

- A woman attracted B-I-G money \$25,000, by simply taking advantage of symbols.
- A very unattractive woman found herself a good husband by doing a simple ritual with candle wax and water (the process is as simple as one-two-three).
- A poor man became financially independent—worth over a million—by repeating the right magical words (we'll tell you what these words are).
- A loving father saved the life of his three children by listening to an inner voice that we often neglect (find out how to turn on your "psychic receiver").
- A lonely widow uncovered a plot by a stranger who befriended her to steal her money and turn her family against her (protect yourself against all foes).
- A young man saw Heaven by mastering the ability to communicate with his soul's spirit guardian (you can contact master teachers, guardian angels and departed spirits by the time you put aside this book).

**THE PATH**

THE MASTER BOOK OF SPIRITUAL POWER is divided into seven POWERFUL sections for mastering all which exists in God's universe.

1. THE SEVEN-FOLD PATH: This arcane ritual reveals how you may rip away human limitation and become a super-human.
- You will be instructed point by point on how other people like yourself gained true happiness by following this sacred formula.
2. DREAM MAGIC: Discover how a real Genie can change your life through dreams. You will be given the "Dream Potion Formula" handed down from Count Cagliostro, the 18th Century mystic master, said to help you have the dreams you desire so that you can take con-

trol of your life by the wisdom you receive. Four simple ingredients which make this secret formula may already be in your home.

3. INSTANT SOUL POWER: Tap the wisdom of the cosmos. Answer your most important questions about the people and events in your life. You will be able to take ordinary items and transform them into powerful psychic tools to look into the future. You will be told how to make an "Astral Tube" to see through walls, look into other dimensions, see and hear what others are really thinking about you. These simple techniques are fun to work with and spiritually potent. They are all based on sound metaphysical laws of God's Hidden Knowledge.
4. BANISH CURSES: The author reveals how a negative person can curse or jinx you. Discover the "12 Day Program" to rid yourself of all evil influences, not only from this life, but from all past incarnations. Learn how to make your own "Protectogram" which serves as a wall of protection to ward off future negative vibrations.
5. LIVING PRAYERS: Discover the prayer secrets of the ages, such as the right prayers to say, and when and where to pray. You will be taught the ancient wonder prayer (over nineteen hundred years old) which delivers its owner from all misfortune and brings success and power. You will be given the secret exorcism prayer to fight against evil spirits and the forces of darkness.
6. NAMES OF POWER: You will learn of mysteries too sacred to be revealed to all, by the highest of mystical initiates. Words and sounds have an uncanny power than can transcend space and time and attract the Lord's goodness without hesitance. These words are now yours to utter.
7. YOU CAN BE HEALED: Revealed at last are the six ways which God heals the sick, the four levels of the average existence, and how to align them with God's healing power.

## A PHANTOM CAR AND PROTECTION WITH THE RING OF FIRE

by Rev. Frank E. Stranges

### NOTICE

The information found herein has originated from an unimpeachable intelligence source in time and space. The reader maintains the option to either accept or reject its contents.

On the 11th of April, Dr. and Mrs. Frank E. Stranges were driving on Boulder Highway, returning from Hoover dam when all hell cut loose without warning.

The weather was clear, the sun was brightly shining and the Highway was uncluttered when, without warning.....a "PHANTOM CAR" cut directly in front of our car causing a series of events that almost promoted us both from this planet. Our car swerved to avoid hitting the "PHANTOM CAR", blowing a front tire.....being struck from behind by another vehicle, thus sending us spinning into the dirt meridian separating the oncoming traffic from that which we were traveling.

According to the Nevada Highway Patrol Accident report, the "PHANTOM CAR" was also viewed by witnesses who claim that the car was "NO WHERE TO BE SEEN" following the impact.

Dr. Stranges had no feeling from his neck down. When the emergency vehicles arrived on the scene, they carefully removed Dr. Stranges from his car (under the watchful eyes of a deeply concerned wife), on a steel stretcher, after being fitted with a huge neck-collar.

According to a later medical report, Dr. Stranges had suffered a dislocated collar-bone, a ruptured spleen and fractured hip. On the way to the hospital, (Which was a very painful ride), Mrs. Julie Ann Stranges (his newly married wife) sat in the front seat of the ambulance, continuously looking over her shoulder and wondering at the fate of her injured husband.

Upon arrival at the hospital, they were both taken to the emergency room. Mrs. Stranges suffered injuries in her neck as well as to her right wrist.

Dr. Stranges was taken to an isolated area where the resident doctor, following a quick examination, instructed that x-rays be taken immediately. The nurse administered a shot to diminish his pain while we was being prepared for the x-ray room. The long journey through the hospital corridors seemed endless as he lay helplessly watching the ceiling lights dash by. He was wheeled into the x-ray facility when a voice rang out from the corridor requesting that the three men come out to the corridor immediately.

THIS IS WHEN IT HAPPENED! From his right eye, Dr. Stranges saw a lone, unformed figure approaching the stretcher upon which he was still lying.

COMMANDER VAL THOR simply stated....."FRANK, PLEASE LIE STILL. DO NOT MOVE." (His head was still taped down to the steel stretcher upon which he had been placed at the scene of the accident.) Commander Thor then said.. "DO NOT WORRY, DO NOT SPEAK, EVERYTHING WILL BE ALLRIGHT". Commander Thor then placed both his hands over the top of Dr. Stranges head, and began to Pray.

Within seconds....Dr. Stranges felt what he described as 'warm water' passing from the top of his head to the very soles of his feet.

**ALL PAIN WAS GONE!**

When the technicians had returned to the x-ray room, Commander

IN ADDITION TO BEING A POPULAR CHRISTIAN EVANGELIST, REV. FRANK E. STRANGES IS A LONG TIME UFO INVESTIGATOR AND DIRECTOR OF THE NATIONAL INVESTIGATIONS COMMITTEE ON UFOS. BECAUSE OF HIS BOLD ATTITUDE ON THE SUBJECT OF EXTRATERRESTRIALS AND THE FACT THAT HE CLAIMS TO HAVE MET A SPACE BEING NAMED VAL THOR IN THE PENTAGON, REV. STRANGES HAS COME UNDER CONTINUED ATTACK FROM THE "MEN IN BLACK," AND OTHER LUCIFERIAN ORIENTED "SILENCE GROUPS" WHO HAVE TRIED TO KEEP SUCH MATTERS HUSH HUSH. HIS LIFE HAS BEEN PUT IN SEVERE DANGER ON MANY OCCASIONS. JUST RECENTLY, FOR EXAMPLE, HE WAS SENT TO THE HOSPITAL AFTER BEING PUSHED OFF THE ROAD BY A "PHANTOM CAR." IN THIS STORY, REV. STRANGES TELLS ABOUT THIS INCIDENT AS WELL AS HIS SPECIAL "RING OF FIRE" BLESSING WHICH HE HAS DEvised SO THAT OTHERS MAY SHIELD THEMSELVES FROM NEGATIVE FORCES AT WORK IN THE COSMOS.

Val was 'gone'. They proceeded to x-ray Dr. Stranges from head to toe.

Following this, he was quickly returned to the emergency room for further examination and evaluation for treatment. Dr. Stranges was then subjected to a host of questions by the Medical Doctors because (1) HE HAD NO PAIN ANYWHERE IN HIS BODY, (2) THERE WERE NO MARKS OR BRUISES ON HIS BODY (3) HE WAS SITTING UP, READY TO GET DRESSED AND LEAVE THE HOSPITAL UNDER HIS OWN (?) POWER.....

Result???? The car suffered over \$1500.00 damage and both Dr. & Mrs. Stranges are alive and well... Thanks be to the provision made by Almighty God by assigning His Ministering Angels to assist and help in the hour of deepest need. At this writing, they are both receiving minimal care from their family doctor in the city of Van Nuys.

As a result of the above, I, Dr. Frank E. Stranges present to you, for the very first time, a topic that will indeed be a challenge to all of our members...friends and associates, world-wide.

# BURN AWAY BAD LUCK

## The Strange Secret of a Dime-Store Candle.

I used to curse my luck. Anything I tried, anything I touched, turned to ashes. Tearfully, I joked about having all the luck. All bad.

In desperation, I wasted my time and money on charms, talismans, amulets, oils, even beads. Still no good luck.

### Suddenly, An Inspiration!

"It is better to light one candle than to curse the darkness... or your luck." Reading those few words in a magazine one day gave me an inspiration—and hope. I had tried everything else, why not a candle?

That very night, I composed a plain, straight-from-the-heart prayer. I lit a small, cheap candle, said the prayer, and fell sound asleep.

When I awoke the next morning, I felt absolutely wonderful. For some reason, I forgot all about the candle and the prayer. But what I believe is a miracle brought them both forcefully to mind again.

### The \$100.00 Convincer!

It was summer and plenty hot. To cool off, I went to the beach. While swimming in the ocean, I spotted a flat piece of paper floating on the water a few yards away.

The waves seemed to be pushing the paper to me. I reached out and grabbed it tightly in my fist. Peeking through my fingers, I was astonished to see that the paper was a bill of some kind.

The ocean had put money in my hand! I looked closer. I saw one zero, then another zero. It was a hundred dollar bill. Talk about luck! What are the odds against finding any money in the ocean—much less \$100.00!

### Luck, Incredible Luck!

From that moment on, my life started to change. The bad luck which had plagued me for so long seemed to disappear. Extraordinary good luck took its place.

Money began to flow toward me from unexpected sources. A long over-due loan to a friend was suddenly repaid. One business deal after another started to pan out. My income hit the roof. Hardly a day went by that I didn't find money in the street, at my feet. How? Why?

The only explanation for my new-found luck was my simple candle prayer. So why fool around with a good thing! Needless to say, I didn't. And my good fortune kept right on multiplying by leaps and bounds.

### Now, It's Your Turn!

Then an idea hit me. To form an organization to help others burn away bad luck with my mystical revelation.

That's how CANDLECULT was born. I pay for ads like this with my own money to tell my story to people whose luck is bad. And to offer them (and you) the opportunity to change it with my miraculous candle prayer.

I have no idea why my prayer works. Maybe it's the magic power of the words; maybe it's the special ritual I use with them. But who cares when the results are so fantastic!

If you'd like to try my personal ceremony to burn away your bad luck, I'll gladly send you my copyrighted prayer and ritual. To order, clip and mail the coupon right now.

### Judge For Yourself!

I am not asking you to believe a single word that I've said. I do ask you to try my prayer just once as a favor to the only person who will know the truth: You!

When you light a candle and repeat my short prayer, what happened to me could happen to you. Soon, you could be the one who is always lucky... who always wins contests... who attracts unexpected huge sums of money... who always escapes unharmed when disaster strikes... whose faithful, constant companion is Lady Luck!

So much in this world cannot be explained. There's no rhyme nor reason why my candle prayer works wonders. But you cannot argue with facts. Honest facts you can witness with your own eyes. Or your money-back anytime.

On the following pages of this special issue, I am presenting the secret of the "DOCTRINE OF THE RING OF FIRE".

You will read, for the first time, certain truths, that if properly applied can alter your life. Please remember, that this ceremony of which you will read, is also practiced by those from other spheres before they set foot upon this planet.

This particular issue of the SPACE-LINK CONFIDENTIAL NEWSLETTER will prove to be the most important document that you have ever read in your entire life. DO NOT BE AT ALL SURPRISED IF YOU FIND YOURSELF MOTIVATED TO TRAVEL TO VAN NUYS, CALIFORNIA, THIS MONTH IN ORDER TO OBSERVE AND TAKE PART IN THIS IMPORTANT CEREMONY THAT WILL PREPARE YOU TO MEET THE FUTURE HEAD-ON.

#### SPECIAL WARNING

THE INFORMATION THAT YOU WILL FIND ON THE FOLLOWING PAGES OF THIS SPECIAL ISSUE, SHOULD NOT BE TOLD TO ANYONE OUTSIDE OF THE MEMBERSHIP FAMILY OF THE SUBSCRIBERS OF THE INTER-SPACE LINK CONFIDENTIAL NEWSLETTER.....THERE WILL COME...AT A LATER DATE, A TIME THAT YOU WILL KNOW JUST WHY YOU MUST KEEP AND MAINTAIN YOUR WORD AS GIVEN ON YOUR ORIGINAL APPLICATION TO KEEP THIS INFORMATION COMPLETELY CONFIDENTIAL!!!

Now, please prepare yourself. Do not lay this report aside until you have completely digested the entire newsletter.

DO NOT ALLOW ANYTHING OR ANYONE TO INTERRUPT YOU IN ANY WAY, SHAPE OR FORM. DISCONNECT YOUR PHONE (IF NECESSARY) AND THEN, READ ON.

#### THE RING OF "FIRE"

For the first time, you are being informed, in this writing, of a major segment of Divine Order that was established before the very foundations of this planet were laid.

YOU ARE ABOUT TO READ POWERFUL WORDS THAT ARE "ABSOLUTE" IN ALL RESPECTS. THE MYSTERY OF THE "RING OF FIRE" WILL BECOME A VITAL PART OF YOUR LIFE, WHETHER YOU RESIDE WITHIN THE UNITED STATES OR ABROAD.

The "RING OF FIRE" is: a. essential

b. necessary

c. important

d. THE ONLY WAY that you will survive on this planet without being snuffed out like the flame of a candle.

#### PROPOSITION ONE:

Since war was declared (many eons ago in the Heavens, Lucifer, the son of the morning was thrust forth and literally cast out of the Holy sphere along with 'millions' of his angels (demons). Cast where? CAST DOWN AND INTO THIS PLANET EARTH.

#### PROPOSITION TWO:

Holy books the world over, record that since the dawning of that awesome morning, the Planet Earth has been captive by Lucifer and his evil forces. He is, in fact, the Prince of the powers of the air, the Prince of Darkness and also, the god of this world.

#### PROPOSITION THREE:

Lucifer is also the one who has polluted the atmosphere that you breathe. This condition is prevalent around this planet twenty four hours a day, seven days a week, three-hundred and sixty five days a year thus creating a devastating effect on the human family since the very beginning of man's sojourn on this planet. And....the situation is not growing any better. It is getting rapidly worse.

#### PROPOSITION FOUR:

EVERY evil act that is committed on Earth today by members of the human race as well as those of the animal kingdom is attributable to the Luciferian effect. Satans hold on this planet hangs heavily like a drape of doom. This also accounts for all of the ravages of crime, civil disorder and general disharmony on Earth today.

#### PROPOSITION FIVE:

Because of this condition, those from other planets are instructed to perform a ceremony called the "RING OF FIRE". This has been performed by a small number of people in bible days. However, because of the threat brought to by certain high Church Officials, few people today even KNOW of the power of the "RING OF FIRE".

#### PROPOSITION SIX:

There is a formula by which all of you can benefit by the Divine Protection which is the result of the Ceremony. Some of you may

## I Am that I Am A Metaphysical Course on Consciousness

- EXPERIENCE LIMITLESS FREEDOM.
- FEEL UNCONDITIONAL LOVE WHENEVER YOU WANT IT.
- BE IN THE PLACE OF ALL KNOWINGNESS.
- FEEL THE STRENGTH OF YOUR OWN PERSONAL POWER EXPAND BEYOND IMAGINATION.
- LEARN THE COSMIC LAW KNOWN TO THE MASTERS OF ALL AGES.
- EXPERIENCE YOUR OWN GOD PRESENCE.
- LEARN THE SCIENTIFIC FOUNDATION THAT WILL CREATE THE ABUNDANT FLOW OF ALL YOUR DESIRES, INCLUDING MONEY.
- TALK TO GOD DIRECTLY.
- SOLVE THE CORE ISSUES OF THE RECURRING CONFLICTS IN YOUR LIFE.
- BE TOTALLY FREE TO FULFILL YOUR GREATEST DREAMS.

These must seem like some pretty outrageous claims to make. But you would like to be able to "talk to God directly," wouldn't you? Or be in a position to fulfill every desire or dream that you've ever imagined? Right?

Jesus, Moses, Krishna, and Buddha experienced and possessed all that claimed above. And all of them taught the same basic truths clothed in one social/psychological garment or another. One winding path. These beloved Masters taught with the metaphysical wisdom of all ascended beings. These truths have always been universal, and till now shrouded in mystics of organizations, traditions and cultures. However, with the dawning of the New Age of Aquarius, anyone who will ask and do, can attain all the things claimed above and more.

I Am that I Am, the God presence in us all, and a metaphysical course on consciousness is now, for the first time, available to the general public. You can understand the inner mysteries and knowledge once reserved only for Masters and their devoted followers. You are initiated in the knowledge of how an individual soul metaphysically and spiritually relates to its whole environment and ones God Presence. This science of the seven major Chakras, Four Lower Bodies, Christ (Krishna, oversoul) and I Am presence are the founding metaphysical truths that define our inner reality. This inner reality controls our destiny and who we are. Master your inner reality and you master the world and heavens beyond.

"I Am that I Am" provides you with all the metaphysical science necessary to understand your complete inner reality. Then shows you how to apply that science to create transformation and expansion of that inner reality, so your full manifestation of all desires will take place in your outer world. The typical core psychological and sociological problems or blocks that occur in each part of your metaphysical structure are discussed, followed by scientific visualizations which will remove the block and expand that part of your consciousness.

Now, you don't have to spend large sums of money or go through endless initiations in secret organizations to understand what the Masters of all time have known, and become the master of your own time. I Am that I Am is complete in itself. Buy it. Know it, and fulfill all your desires and dreams within it.

# URGENT TRANSMISSION FROM THE SPACE BROTHERS: ALIENS ARE BEING HELD PRISONERS OF EARTH GOVERNMENTS!

by Diane Tessman

Everyone who is interested in the mysteries of UFOs and extraterrestrial intelligence has no doubt read about the cases where UFOs have crashed. In Issue #16 of the UFO REVIEW, we reviewed the multitude of documented data which has been gathered on the existence of crashed saucers as well as alarming information on the occupants of those objects. The governments of the United States, the Union of the Socialist Soviet Republic, and other earth governments, have stored the saucers—or the remains of them—in top secret areas. Usually these storage hangars are on military bases though in some cases, large corporations who contract with the military provide the hiding spots. This author recently talked with an ex-Air Force man who had top secret clearance during his military days. He gives the account of a chamber at Edwards Air Force Base, California, which is kept totally frozen by liquid nitrogen. Within this area is an entire saucer suspended forever in cryogenic freeze! He also tells of a good buddy of his who disappeared the day after he breached security and walked into the building where this chamber is out of curiosity. He never saw or heard from his friend again!!!

If alien space craft are kept under such tight security—and those who curiously wonder about them are “disposed of”—then what about the actual aliens whose bodies are taken by the military or “friendly” corporations with military ties? One can imagine the kind of security and paranoia which surrounds the areas where these ET bodies are being stored.

Leonard Stringfield's monographs on crashed saucers, THE ROSWELL INCIDENT by William Moore, and other reports on crashed saucers and their alien occupants, all mention cryonic freeze as the method for storing the alien bodies (apparently military establishments are fond of freezing evidence of alien life as an “easy” and comprehensive “answer” to the dilemma of what-to-do with this “white elephant”).

In several of the documented reports of crashed saucers and their occupants it seems that the aliens aboard the downed craft were not dead when their craft touched down on earth. In one report, one small fetus-like alien was moaning over the body of his companion who was being carried out of the craft on a stretcher. What became of this still-alive alien? And what of other aliens who were alive when taken into custody by earth governments?

At this point, we would like to give you information on this little-known tragedy from The Free Federation of Planets (The Brothers) themselves. This transmission was transmitted to me by Tibus, who is in active contact with earth in these latter days of the 20th Century:

Dear UFO REVIEW readers, this is Tibus. I come to you in love and light. I commend you for your abiding interest in our space craft (UFOs) and we who pilot them.

I am transmitting this urgent message at this time because it is vital that receptive and kind humans know what has happened—and is still happening—when our saucers crash land on earth.

Now, we understand that the skies above earth belong to earth people. We do not interfere with military's activities, we only observe. This is precisely why we do not use force to rescue our downed pilots and their craft. We have sworn our sacred oath that we will not interfere with earth's natural path. We do have high technology which could wipe out all earth militaries very quickly but of course we have never used these weapons, nor will we. We are beings of peace and love. Our weapons are defensive only...used to keep negative space forces away from earth and other planets which are only now emerging into the space age. If you doubt my transmission on this fact, you have merely to realize that no UFO has ever used its awesome weapons on an earth government or section thereof.

And so, dear friends, when one of our craft does have mechanical problems or is shot down by the military, we do nothing to help it; we can't, per our sacred non-interference oath. The pilots and crewmembers of these downed craft know that we cannot help them. It is risk they take just as earth pilots take risks when on a mission.

If an earth government decides to store away our downed craft in a top-secret place, this is acceptable to us. It seems “absurd” for the government to feel threatened by us that our craft must be dealt with in such super-secret a manner, but this is earth's prerogative and we respect it.

If an earth government decides to freeze the bodies of our companions who have gone down with their craft, this is sad, but we accept it. We do not truly understand why our dead friends must be put on exhibition for a few top echelon military men and government leaders to inspect as the years go by, but, again, risk was accepted by our crew and personnel.

However, there are those of our Federation who have been frozen alive by earth governments. This is by far the greatest wrong and this is why I am now transmitting this information to you. We still will not interfere with the earth government's decisions, but we do feel that we must let you, know about this terrible tragedy.

Place yourself in the bodies of our Federation companions for a moment. You have survived the crash of your craft and you have been surrounded by primitive military men and weapons who take you off to an installation which is very secretive and prison-like. Earth governments realize that some of our crewmembers need a slightly different atmosphere than exists on earth and they provide breathing apparatus for you if so requested. They attempt to question you, to communicate. They do not realize that you are a telepathic being who can read their minds' thoughts without verbal language being used. You know that they want to know the secrets of your people's advanced technology, especially its weapons. You also realize that the people who are holding you prisoner do not have the wisdom or sense of decency not to misuse advanced technology and you already know from your observations of earth that they already misuse the technology which they now have!

You tell them nothing. You refuse to cooperate with them at all. You are threatened by them as they realize that you are not cooperative (plus, you know that even if you did cooperate, they would get rid of you after information had been secured). They torture you, usually with drugs or other “subtle” devices.

You still refuse to give information about yourself, the Federation, or its technology.

They decide that you will be frozen alive, kept in cryonic suspension until time itself stands still. You read in their minds long before the medical technicians arrive to prepare you for freezing (chemicals must be added to the blood to keep it from forming deadly bubbles.)

Dear reader, our Federation companions who have been frozen alive were frozen in a state of semi-consciousness, knowing the terror as the numbingly cold liquid nitrogen crept over them in a sudden horrible micro-second, freezing all parts of the body. And what becomes of the consciousness (the soul) of these companions of ours? They remain in a state of limbo, in a dream/astral state which is haunting and frightening...for they are not dead and so the soul does not pass on to other realms as it does in the case of actual death for all universal beings.

Often we, their crewmates, as well as earth people, feel psychic communications from these poor souls, who exist as “ghosts” around the top secret installation where they lie frozen alive. Occasionally these Federation members have taken solid form, much as a tulpa does (a tulpa is a thought-form which the high monks in Tibet and we of

and with radiation by atomic particles and magnetic fields. In some instances the treatment has included electrically charged air that is breathed in by the patient.

While these methods are bringing medical science closer to the ancient practices they have still not rediscovered the simpler methods of using the natural fields of crystals directly.

Edgar Cayce, one of America's foremost psychics, revealed a number of ancient methods for assisting the body's healing processes by the application of certain crystals at particular locations close to the disturbed areas. In some instances it was recommended that specific types of crystals be worn around the neck, over the heart, or at the solar plexus. Sometimes it was suggested that the crystal be worn on the wrist or as earrings. In cases where the radiations might be too strong it was recommended that the crystal be encased in plastic or in clear quartz or glass. These materials, through their own internal atomic structure, had particular effects on the crystal's radiations and altered them in certain ways.

Interestingly enough, Cayce also stated that the great crystals used in Atlantis were topped with a specially faceted crystal. Evidently, this capstone modified the energy fields radiated by the main crystal, tuning it to a specific wavelength that would cause a resonance in similar crystals used for different purposes at different locations. When these remote crystals resonated with those at the power stations they released energy in usable quantities. In this way only a triggering signal was transmitted and this overcame the losses inherent in transmitting power over long distances.

There are other such examples of how the ancient societies used the amplified resonance of one crystal to induce strong resonance in similar crystals. The use of this technology seems to have covered almost every segment of their society. Yet, the knowledge of exactly how these feats were being accomplished were kept secret from the masses. The leaders were thus thought to have the power of God.

In a recent issue of INNER LIGHT Diane Tessman mentioned the practice of gazing into crystal balls and how the crystal interacted with the human mind. (See INNER LIGHT #5, Crystals and Precious Stones.) In this instance the crystals were quartz which she referred to as energy conductors for mind waves.

Cayce also mentioned the special nature of quartz. He suggested it as a filter for reducing the energies of other crystals and mentioned that quartz was the gate through which

all things pass. Quartz will pass a wider range of light going from infrared to ultraviolet which are limited by glass. It will also convert electrical energy into sound waves and sound waves into electrical energy.

This suggests that silicon dioxide (quartz) has the capacity to act as a wide band medium for passing a broad range of wavelengths. This characteristic becomes even more interesting considering that silicon predominates all other minerals in the earth. This fact might provide insights into some of the ancient sites around the world. These were said to be places where the subtle energies of the earth and cosmos mingled in a union. It was here that invisible radiations were said to have fountained from the earth in swirling columns of energy. These were the legendary temples with

invisible walls where healings, rejuvenation and communications with other intelligences took place.

Thousands of years have passed along the spiral of times since these ancient sites were put to use for physical healing or communication with beings or entities not of this earth. During that time the knowledge of the methods for operating these huge solid state devices has faded from the collective memory of humanity and a veil of darkness was drawn over the human mind.

Fortunately, the phone wasn't simply left off the hook by both parties. The space "Brotherhood," beyond earth has resorted to other methods or contacting selected individuals and awakening them from their half-distracted existence.

In some instances they have provided temporary openings in the curtain we call reality to allow glimpses of other realms and technologies that stagger the imagination of the most materialistic viewers.

During these contacts the unrecognized importance of crystals has been emphasized over and over in attempts to arouse human curiosity to the vast potential of untapped energy within their grasp; energy freely available through the manipulation of the very resonances that give crystals their shape and form. It is an energy that can heal the body and mind, power a whole new society and provide a freeway to the stars.

All of this has been well demonstrated to those contactees who were shown sophisticated crystal devices for navigating alien spaceships across the cosmos. Some were shown the crystal "engines" used to power these craft, others were physically healed by energies beamed from crystals. A chosen few were given excursions into other realms where brilliant "cities of crystal" sparkled in dazzling colors. And there are others who were simply stunned witnesses to the sight of UFOs that appeared as faceted jewels crossing the sky.

In the majority of these contacts the individuals experienced a feeling of tranquility and understanding beyond anything they had ever known before. Many look back on their encounter and express a feeling of kinship with the so-called aliens. Often they hope for another meeting no matter how brief it may be.

Nevertheless, during these contacts—and even during psychic communications—these entities or Space Brothers never reveal all of the technology required to provide a complete mastery of crystals and their vast store of energy. The information provided is purposely left incomplete to allow the human mind and will to progress through its own creativity towards its own destiny. While that destiny may be closely linked to that of the entire Cosmos, humans must learn how to "move their own mountains" and "calm their own seas." Only then can they regain their "lost glory" and be restored to full membership in the Galactic Brotherhood. ★

## CALIF. GROUP PLANS ELECTRONIC "CALL TO GOD"

● Anyone who knows me knows that I'm a big movie buff (I've even reviewed motion pictures for several publications over the years), but outside of CLOSE ENCOUNTERS OF THE THIRD KIND, I would never think of seeing a movie more than once. The only recent exception is RAIDERS OF THE LOST ARK, which, in my opinion, is about the best action film ever made; and it deals with a subject I find absolutely fascinating -- The Ark of the Covenant. Last November while I was in England I purchased the rights to a factual book on this very topic. GOD'S SECRET WEAPON is a mind blower. The author, David Medina, has spent years researching the topic and has proven beyond a shadow of a doubt that the Ark was a device used by Moses and the priests to speak directly to God -- and they even got an answer.

● Today we might pray, but very few of us can claim to get a verbal response. Yet, according to a news clipping right in front of me a California group plans to converse with the Lord very soon. They say they are recreating the Ark based upon Biblical scriptures. The article by John Picton in the TORONTO STAR says: "Robert St.Pierre expects to place a person-to-person call to God. And he expects God to answer. St.Pierre is head of St.Peter's Church in Llano, Calif., about 85 miles northeast of Los Angeles.

● "Pierre claims to have cracked the secret of the Ark...Now he and his congregation are rebuilding the Ark on a five-acre site the church owns, using the revolutionary science St.Pierre says he's interpreted from the scriptures. He says: 'For over 3,000 years, the record of Moses speaking to God has been recorded in the Bible, but no one understood it, or paid much attention to it. Most considered this record a fantasy, or a mystery. Well, it is no such thing. It is a fact!' When completed, St.Pierre says, his reconstruction will be capable of generating 10 million volts of electricity, equal to several lightning strikes. And according to George Gondin, a computer engineer who's helping with the project although he's not a member of the church, 'St.Pierre opens up the possibility of the existence of a window to other dimensions in his astounding, provocative, yet extraordinarily persuasive discourse.' "

● According to the TORONTO STAR story St.Pierre has already started to build a tent the equivalent of the "tabernacle" mentioned in the Bible -- that will be 50 feet long, 17 feet wide, and 17 feet high. It will be charged with static electricity created by friction from desert winds brushing over its surface. "We want to reestablish communications with God," St.Pierre concludes, "and we expect to do that if our science is correct."

● If you want to find out all about the Ark order GODS SECRET WEAPON (use coupon on next page or the order blank in the back of this catalog) and we will send you FREE OF CHARGE a beautiful, heavy charm that might help you speak with God.

## THE ARK OF THE COVENANT EXISTS!

**A POWERFUL NUCLEAR REACTOR?**

**A RADIO TRANSMITTER**

**TO TALK TO GOD?**

Though the phenomenal motion picture THE RAIDERS OF THE LOST ARK helped popularize the topic, the mystery and power of the Ark of the Covenant has long been known—and respected!—by members of both the Christian and Jewish faiths. Its very existence plays a prominent role in the scriptures that make up the Old Testament.

Atop Mount Sinai Moses spoke directly to the Lord. The clay tablets with the Ten Commandments written on them were brought down and instructions were given to Moses to build a special "container" into which the tablets of stone were to be kept. A vessel or hollow receptacle used for conveyance was called an ark. The commandments were known as the covenant (thus the term "Ark of the Covenant" came into being).

**FIERCE SUPERNATURAL POWERS**

The lid of the ark was called a mercy seat and was made of pure gold. At each end there was a cherub or angel, looking toward the other across the seat, with their wings spread high, so that they covered the mercy seat (see above illustration). According to the instructions given to Moses, God would speak to him from above the mercy seat, between the two cherubim. Moses was also given very specific directions on constructing a tabernacle which would be used to house the Ark. Only the priests were supposed to go near the ark and they had to wear special vestments consisting of twelve jewels when using it to communicate with the Lord. Moses was told that if these instructions were not followed the Ark would become activated and could possibly endanger the lives of those who came into contact with it. The Ark proved to be a powerful nuclear reactor. On one occasion 50,000 Philistines died when they came into contact with the Ark having captured it from the Israelites during a fierce battle. "And there went a fire out from the Lord, and devoured them, and they died."

It has been estimated that the power of the Ark is greater than any atomic bomb ever exploded on earth, and yet at the same time, its energies could be used to benefit all when—and IF!—God's words are obeyed. It even supplied a primitive form of electricity which helped the Israelites to escape their tormentors and provided manna for them to eat in the desert.

**THE TRUTH BE KNOWN**

Biblical student David Medina has thoroughly researched the story of the Ark. In GOD'S SECRET WEAPON he explores its varied uses, how it was constructed, what it was to be used for, and what made it so powerful. His conclusions are explosive and controversial. His work is sound and scientific. He theorizes that the Ark's current resting place will soon be discovered—AND THE ARK POSSIBLY USED!—within our lives.

**CAN ITS POWER BE ACTIVATED EVEN TODAY?**

**FASCINATING READING**

The spellbinding subjects covered in this book include: • The Breastplate of Judgement. • The cloud that hovered above the tabernacle. • The mysterious death of Aaron on Mount Hor. • The crown of gold. • Electrical effects and fire from "upon high." • Leprosy and plagues caused by the Ark. • The sacrificial altar. • The Temple of the Sun.

This is the first time an entire volume has been devoted to the Ark of the Covenant. GOD'S SECRET WEAPON is fast paced, easy to follow and MUST reading. It is the most exciting Biblical story ever told... a story that every person who believes in the almighty power of God should read.

**FREE ARK OF THE COVENANT CHARM AS A GIFT TO YOU BELIEVE IN "CONTENTS" OF CHARM AND ALL YOUR PRAYERS WILL BE ANSWERED!**

Experience the beneficial aspects of the original Ark when you wear this beautiful heavy metal charm that has been cast using Biblical texts as reference. Since the original Ark of the Covenant was used as a transmitter by which Moses could speak directly to the Lord, it is suggested that you keep this good luck medallion near you at all times, especially when you have a special prayer you wish to be answered. If your desire is strong enough this Ark could be the vessel that will fill your cup to overflowing with success, money, good health, new friends, and an altogether better life. # WHEN ON EARTH WILL THE SPACESHIPS LAND?

By Phillel Of Mark-Age

When on earth will the spaceships land? When will the mass landings, the official contacts, the concrete proofs occur that we've all been waiting and praying for these many years? When on earth will the spaceships land?

Let's come to a new perspective on where we as a planet stand in our preparation for receiving more overt, physically materialized encounters with the space visitors. Since the very beginning of the spiritual space program in 1960, the space brothers of the Federation of Planets of our solar system have maneuvered themselves for official, mass landings of their craft on earth. Specifically, attempts to land were made in 1961, 1963 and 1966. Also, in 1968 they communicated through Nada-Yolanda, primary channel of Mark-Age, that they were holding to the ideal that landings would occur no later than 1972. [Editor's note. Yolanda's interdimensional communications and contacts are detailed in the Mark-Age text *Visitors From Other Planets*. See book coupon this issue.]

But now we are midway through the 1980s and still are awaiting fulfillment of these plans. So, where do we stand? What can we expect?

To answer these questions, let's define first what we mean by mass landings. Mass landings do not necessarily mean the landing of massive numbers of spacecraft. Rather, they can mean the selective, possibly simultaneous landings of a few ships that will be witnessed or known about by mass numbers of people.

Granted, thousands of landings have occurred on our planet since the beginning of the modern UFO era almost four decades ago. But what we're discussing here are those encounters that will bring undeniable, irrefutable, concrete evidence to the world at large that we have now established official contact with visitors from other planets.

Let's remind ourselves here of some of the principles involved in mass landings. Because of the evolved spiritual consciousness of our visitors, they are bound by cosmic law not to interfere with or to override man's free will. Therefore, landings can only occur when man's consciousness has been raised to accept these events and all the dramatic changes that will result on a planetary scale.

But man's receptivity is not the only thing involved. He must also be spiritually prepared to handle the higher vibrational frequencies that the space visitors bring with them by the very nature of their materialized forms. You see, in order to land, the visitors have to transmute or lower their frequency vibration into our third dimensional level, to appear solid. This applies not only to those beings who express on a fourth dimensional, etheric level but also to those who express on physical vibrations that yet are more refined than our own.

So, a certain meshing or merging of our two vibrational levels has to be expertly synchronized before lasting contact can be made. This means that as they lower their vibration to make contact, we simultaneously must raise our vibration—psychically, physically and otherwise—to interlock with their level. Sounds pretty complicated, doesn't it?

Here's the way Dr. Hannibal, an etheric space commander, put it in a channeling through Yolanda on January 3, 1969: "We cannot allow you to have much contact with our solidified form until you have been raised sufficiently to satisfy your concepts and your own body forms without destroying them or damaging them to a degree that would be irreparable.... We will not do this until you are ready to be able to indulge in the higher rates of frequency that we shall bring with us by the nature of our being."

This brings us back to mass landings. The fact that they haven't occurred fully yet means that up to this point we have been able to handle only so much direct contact with their forms. Of course, this is evolving and changing all the time as the mass spiritual awakening on the planet unfolds.

## MASS EDUCATIONAL PLAN

A great part of this spiritual awakening comes through educating the masses to the realities of spiritual life in our universe. And even

though mass landings have remained as a plan in the works all these years, what has been stressed equally is the need to educate and to prepare mankind spiritually.

Actually, the space visitors in the early 1960's outlined in advance just how their program generally would proceed, regarding mass sightings, landings, contacts and education. Their predictions have proven out. Listen to these excerpts. The first two were channeled through Yolanda, and the second two were channeled through Gloria Lee.

On September 11, 1960, a space brother named Euell said this about landings: "There may be a few isolated cases, where we feel friendly reception will take place, that there will be face-to-face communication."

On November 14, 1960, Wains stated: "You will have some physical contact during the mass sightings, those who are ready for such; but it will not be on a large scale. It will be very selective. When the full educational program is completed...we can walk among you as equals and help you to overcome the false concepts of your world."

On December 14, 1960, J.W. channeled: "Much educating of the planet would be done before any mass landings would take place....When this has been done and the people understand the reasons and the causes of why we are here....then will they be given opportunity to view our ships by our landing and placing ourselves at your disposal....Until we can focus the love vibration and can use every possible means at our disposal to help in the educational program of the planet, we will not create mass demonstrations until we have seen whether or not this will be successful."

Again, on December 19, 1960, J.W. said: "We are working in the

etheric realm...to fulfill a great educational program that will bring attention of us to the public in general. As this program is being developed there will be more sightings through various parts of the planet. This in a sense will be to back up what is given in the educational program....

"All these things will manifest right along with the educational program. So even though there are not the mass sightings as you have anticipated, there will be other forms of diversion which will take place in your skies both day and night for the whole planet to

take place in your skies both day and night for the whole planet to view and to understand."

There you have it. From the early days, the space brothers revealed how they would coordinate landing attempts with a planetary educational program. And this is exactly what has happened. These promises have been fulfilled: 1) We have continued to have mass sightings. 2) Selective, isolated landings, involving close encounters of the second and the third kind, have occurred. 3) The masses have been conditioned by a literal barrage of educational materials on space visitors, ranging from scientific investigative periodicals to popular books and magazines to positive films like "Close Encounters" and "E.T." Millions of people worldwide have been exposed to reports and experiences of contact with extraterrestrials. All this has been part of preparing man for eventual contact with his brothers and sisters of the cosmos.

## ON THE THRESHOLD OF CONTACT

Let's jump a step further. From 1972 to 1984, the spiritual plan was in a phase known as the mass educational program. This was one of three major cycles of this transitional period from 1960 to 2000 AD. In 1984, the mass educational phase was completed, and the Hierarchy announced that we had entered the third and last cycle, known as the demonstration phase. This is where we stand now.

The light workers throughout the planet are beginning a new level of demonstrating Christ consciousness. This involves new manifestations of our resurrected, fourth dimensional form, known as the light body. Yes, the veil between dimensions is thinning rapidly, and the spiritual program has entered an entirely new octave. As was stated in the popular movie "2010", "Something wonderful is going to happen!"

In late 1981, Dr. Hannibal, etheric commander for space activities and manifestations in the Western hemisphere, revealed to Yolanda that during the transmutation cycle we are in now—which has been dubbed the rending of the sixth phase of the seventh veil, and which lasts from 1982 through 1988-92—we would have more direct proof of and contact with visitors from other planets.

It is now 1985. Are you beginning to understand what this means? That's right. *We are on the verge of contact that will give man of earth incontrovertible evidence to life in our solar system and beyond.* Though momentarily poised on this threshold, soon we are to be born into our cosmic citizenship amongst the stars!

The vibration of the planet and all life forms on it is being raised to make this connection. The image that comes to my mind is that of two beings reaching out to one another, their arms stretched to the limit, their hands piercing inch by inch the misty veil that separates them. Their fingers, quivering with the strain of extension, move ever nearer, slowly closing the narrow gap. Now, in a burst of heroic effort, they are about to touch, to glide smoothly into contact, finally to clasp.

So, my friends *when* on earth will the space-ships land? Today? This year? Next year? This decade? Since we are on the threshold of a cosmic event, the answer is: soon! Only Spirit knows the day, the hour, the moment; for only Spirit knows the precise timing of this delicate synchronization.

So, in our meditations let's grasp that arm extended to us from outer space and higher dimensions. With love welling up within us, transforming us, raising us, let us move ourselves to merge with our space brothers and sisters. This love, this desire, this thought will help raise the entire planetary force field. Yes, my dear brothers and sisters of planet earth, the contact and reunion we yearn for is—how shall we say it?—*strictly inevitable!* ■

moments (there is an old earth song entitled "Have You Ever Seen a Dream Walking?"). You see, Federation beings have a lot of force, a lot of energy in their beings; they are telepathic beings who are highly evolved. And so they are able to "manifest" in the astral state more easily than most humans could under similar circumstances.

We also wish to transmit that this terrible method of freezing aliens is used because earth governments feel they might want to wake up the frozen sleepers at some future moment in an attempt to gain information considered vital. In a few cases, sleepers have been awakened and threatened that if they did not communicate, they would be frozen again. Each man and each woman who has been unfrozen in this way chose not to talk; we send them our respect and admiration for their bravery! They were then again frozen.

Cryonics is a science which earth is learning about quickly. There are private cryonic societies who successfully freeze individuals who die but who want to take the chance that they can be revived in 50 or 100 years after a cure for their illness is found (needless to say, the freezings must take place 30 minutes after death has occurred). These people feel they have nothing to lose since they have died anyway. They hope beyond hope that they can be revived and cured. This is perfectly all right and we admire their pioneering spirit and hope. However, to *misuse* this technology and freeze any person or being against his or her will is indeed a sin against God and the Universe!

The process of waking a sleeper (unfreezing) is a complicated one which involves a total transfusion of life-fluids. Many of our frozen

# STRANGE BREW

by Timothy Green Beckley

The legends and lore associated with UFOs are many and extremely varied. This is one of the reasons this subject holds a tight grip on those who have become fascinated by stories which science could never possibly explain in rational terms. For, while the public may be familiar with the multitude sightings of unidentified craft that has continued to be seen in our sky over the past four decades, most people are not all that much up on the bizarre aspects of this enigma.

They are probably not familiar with such occurrences as the sighting of "Spinwheel Jack," a "man" dressed in a black cape who a hundred years ago knocked on the doors of solid British citizens waking them in the middle of the night, jumping over hedges, landing on rooftops and leaving "hoofprints" in the snow. Nor, do they realize that huge flying creatures nicknamed "Big Bird," "Moth Man," or the like have been seen over a wide area from Coney Island to the mountain towns of West Virginia, as well as the smallest rural communities in South America.

Nor is it likely they know too much about the cases where motorists have driven into an eerie fog bank and emerged in an instant only to find themselves transported—or "teleported" hundreds of miles away. Add to this brief list the sightings of phantom cats, huge black monster dogs, Bigfoot creatures, little men with ray guns, animal mutilations, and you have yourself a mystery that even the great Sherlock Holmes would probably have to give up on. All the above—and a lot more—"oddities" have time and time again been blamed on, or at least associated with, the appearance of UFOs. Is it any wonder that the scientific community, the government, and the military all "play ball" together to keep this topic under lock and key? After all, how could they go about explaining such incidents?

*The Bairs continued on their trip, but the ships, or creatures followed them in their semi. The individual things were described as shaped like about eight inch people with V-shaped heads, wings on their backs. When the things got hostile with the truck and the drivers they shot fine needle-like shavings like silver metal through the glass of the windshield. "They were shaped like a pre-historic bird," he said.*

*"It just ruined the truck," Jackie said, pointing out paint chips and nicks in the new paint job.*

*"Every time I touched them I got blisters on my fingers and it turned into a V." He showed one on his wrist. In the dark their fingertips glowed from the unknown substance they had touched.*

*"We might be dying right now!" Bob said. "We don't know what it is. We have to get to a doctor."*

*The creatures were hostile, and went into attack modes several times, putting up dense fogs. One time when they stopped, "It was like a backwards tornado" coming from the mouth of the leader of the ships. "It was like a ray that he was sending down with the funnel. He did it five times, then we left."*

*"We didn't think it would harm us any." Not at that point, anyway.*

*They drove on for seven miles, stopping two, three, four times, getting out of the truck and holding on to the top to look at the lights in the sky.*

*Then they experienced "little black things, thousands of them coming out of the sky, squiggly things, all around us." Jackie described. They both experienced it.*

*Then, back in the truck and moving, the lights kept up with them, even at 65 or 70 miles an hour.*

*Then, things that looked "like vitamin E capsules" began forming on*

*the passenger side windshield, as they moved. "They formed all around the window, the whole inside of the frame was covered with them. At first they were real little." They got bigger, there were big black ones the size of baseballs, whatever their size or color they all had a crystal-like thing inside them.*

*Then three were different colored things, yellow, lavender and green. Then they got bigger in size.*

*"It would seem like we were hitting them, but when we hit nothing was there, like bubbles," Jackie said, having difficulty describing something that was unimaginable to her. "When they hit the ground there was a spot the same color on the ground or on the tree," she said.*

*"There was one about this big," Bob said, spreading his arms. He was driving about 70 miles an hour at this point, and then there was another and a third, what they termed "spaceships." The third one they hit, a cloud burst off, and something shaped like a big peanut fell along side the highway, about 15 inches thick, and hourglass shaped.*

*"It hit ground and it was a dirty yellow," she added.*

*At one point the things shot a piece of metal "clean through the window and the sleeper and my jacket," she said, shaking her head, and looking out the window.*

*Jackie and Bob were trying desperately to get someone to see what they had seen. When they stopped the "birds" or spaceships stopped, flocked and waited for them to start traveling again.*

*"We don't know why they are following us. Maybe one of them got on the tank or in the truck somehow," they said. "Maybe they are trying to get it back."*

*They had called the UFO center in Seattle from Montana and had had an appointment to meet an agent in Madison, Wis. after delivery of their cargo. They were afraid to go further than Sauk Centre, because when they stopped at Getty Truck Stop to fuel up, the ships had tried another attack and had landed in the trees across the highway.*

## DID YOU KNOW YOU HAVE A "HIDDEN" MIND? TAP THE COSMIC POWER OF YOUR SUBCONSCIOUS THROUGH SUBLIMINAL STIMULATION™

You've read in *Time*, *Omni*, *Psychology Today*, *the Wall Street Journal* and elsewhere about the exciting success of subliminal techniques. Now, thanks to recent breakthroughs by leading psychologists, you can use these same innovative techniques to turn your life around.

Maybe you want to improve your memory, increase your income, lose weight, build your self-confidence. These are just a few of the accomplishments within your reach.

The subconscious mind is a mysterious thing. We're finding out more about it every year. It's not like your conscious mind. Instead it soaks up impressions. You'll be amazed how fast the "success-mechanism" within you makes big changes in your life.

### SUBLIMINAL TECHNIQUES ARE THE PROBLEM SOLVERS FOR THE 1980s AND BEYOND.

Subliminal Stimulation is used today in countless ways. For example, to reduce shoplifting, department stores nationwide are finding that a "hidden" message in the public-address music cuts pilferage substantially. This message repeats—over and over—such tested phrases as "I am honest; I don't steal."

Customers aren't even aware of it. Yet inventory statistics reveal a big decrease in shoplifting. In fact, in some cases by as much as 67 percent.

### YOUR SUBCONSCIOUS IS YOUR ALLY. LET IT WORK MIRACLES FOR YOU AS IT DOES FOR THOUSANDS TODAY.

Until recently, scientists were unable to harness the powers of the hidden mind. For years we knew it controls our destiny. But the question was: "How can we tap its strength?"

Through constant testing a breakthrough came. The credit goes to some of the top researchers in this country. Their untiring efforts have enabled people of all ages, from all walks of life, to enjoy exciting self-improvement fast.

### EVERY TAPE YOU SELECT BRINGS YOU TWO DIFFERENT KINDS OF STIMULATION.

On one side, subliminal stimulation. You hear waves breaking on the shoreline. But your subconscious hears more. There are subliminally embedded messages at work—literally hundreds. Chances are, you won't be able to hear them consciously. But your subconscious will. And, it will obey. Listen while you work, read, play, relax, watch TV, or even while jogging or driving your car. The sounds of the waves create a pleasant background while alone or with others. A brief introduction on each tape lets you know the exact wording of the subliminal messages coming up.

While you go about your activities, you'll be fully awake and alert. Yet all the while your subconscious will be listening and heeding.

You'll get all the benefits of subliminal

stimulation—and more. On the other side of each tape is an audible hypnotic session. You'll hear suggestions, affirmations, in a very real sense "orders to your subconscious." Yet all you do is relax. Put forth no effort whatsoever. You're in full control. Both sides provide you with an experience unlike any you've ever had before. And the results are *sensational*. In fact, these techniques are widely used by professional therapists and hospitals.

Each side inspires you and revitalizes you. So listen again and again. Very soon you'll see an exciting change in your life. That is why more aware people—people who want more out of life—are finding new happiness today. These Subliminal Stimulation™ Tapes are the long-sought answer.

### WHAT AREAS OF IMPROVEMENT DO YOU NEED? THESE TAPES WILL SURPRISE YOU WITH DRAMATIC RESULTS.

By stimulating your subconscious, you'll feel more youthful and dynamic. You'll get more out of life—because you'll be programming your subconscious to bring out all your hidden abilities. Instead of being satisfied with what each day brings, you'll be able to achieve more and enjoy long-held ambitions.

You'll capture opportunities so much more easily because your inner strength, your subconscious, will be working for you, not against you. You'll rid yourself of childhood-acquired hangups and misconceptions

about yourself. In their place will be a truly new you—a you you'll like so very much more. You'll gain more happiness, more fulfillment, and a better life than ever before!

## WAS THEIR "VISION" ONE OF UFOS, OR DID THEIR EXPERIENCE INVOLVE SOMETHING EVEN MORE UNEARTHLY?

Once in a blue moon a truly bizarre UFO story does get some attention (as minor as it might be). Such was the case late last year when the HERALD out of Sauk Centre, Minnesota printed a story by staff reporters Roberta Olson and Craig Bihrie concerning an episode that is hard to rationalize even in light of all the oddball things that have happened to date involving UFOs.

The story from the HERALD follows exactly as it appeared in the edition of October 11th:

*They were completely unnerved, the thin man nicknamed "Killer" and his wife, sitting in the coffee shop sipping coffee and continuously smoking cigarettes.*

*"I'm scared to leave," Robert (Bob) Bair said, and the look in his eyes left no doubt in your mind that he was, indeed frightened. He was not only frightened, he was terrified, continuously looking and motioning out the window.*

*He was terrified, his wife, Jackie, was terrified. They had been experiencing unexplainable phenomena for three days, 900 miles, across three states, and when they stopped in Sauk Centre, Minn. and begged for help hardly anyone believed them.*

*Bob and Jackie started out from Seattle, Wash. three days before on a routine trip hauling liquid cooking oil to Madison, Wis. In a run they make regularly, weekly.*

*Things went smooth. They were enjoying the trip, and the shiny three-week old paint job on their semi-trailer boosted their morale. Then they got into Montana.*

*A couple miles ahead they spotted lights. "We thought it was a plane," Bob said. The story of their bizarre experiences poured out of them, hands shaking as they drew sketches of the creatures, and interrupting each other to agree or expand on a point.*

*It was just turning daybreak when they came into Montana, they said. "It was out there with the stars. They made people think they were stars." Another man at a rest stop in Montana also saw the lights—nine little ships and one big ship, Bob reported, moving up and down, back and forth in a lurching motion.*

even take issue with the manner in which this power is invoked. But, this is *IMMATERIAL*. The Name in which the invocation is pronounced may cause friction. But, I will take this liberty of informing you of this great truth because by ignoring it, you may lose your life.

### PROPOSITION SEVEN:

The proof lies in the results. The formula has been 'time tested'. IF THOSE FRIENDS FROM SPACE HAVE INVOKED THIS DIVINE PROTECTION BEFORE SETTING FOOT ON THIS PLANET...CAN WE BE SO COMPLACENT THAT WE CAN AFFORD TO ALLOW THE EVIL FORCES ON THIS PLANET TO CONTINUE TO "RULE OUR LIVES"...PLUNGE US INTO CONSTANT DANGER, PLAGUE US WITH AN ATMOSPHERE UNTIL THERE IS NO MORE LIFE LEFT IN US ???? OR, SHALL WE MAINTAIN AN OPEN MIND AND ACCEPT THIS FREEDOM AND PROTECTION THAT HAS BEEN PROVIDED ??????

### AND NOW PROPOSITION EIGHT:

FIRE has always represented divine protection, cleansing and purification. The three Hebrew children (of the Old Testament) walked freely in the fiery furnace that was heated seven times hotter than usual at the command of the evil King because the three refused to bow down to his idol. They survived (accompanied by a FOURTH MAN who was also seen with them in the furnace. In this 20th Century, far too many people are perishing BEFORE their time. UFO researchers are fast becoming the target for ungodly forces. Sickness and disease are running out of control in this generation. Governments are likewise deceiving the people into believing a great lie. In view of all this, DO YOU OR DO YOU NOT NEED TO BE SURROUNDED BY THE "RING OF FIRE"?

### PLEASE DO THE FOLLOWING.

1. in the privacy of your home, office etc., place a lighted white candle before you on a table.
2. DO NOT permit anyone or anything to disturb you until you are completely finished with this ceremony.
3. REPEAT THE LORDS PRAYER.
4. PRAY THE FOLLOWING PROCLAMATION WITHOUT DOUBT IN YOUR HEART. AS YOU PRAY, BELIEVE THAT THE GOD OF CREATION IS HEARING YOU AT THE VERY MOMENT THAT YOU ARE PRAYING! DO NOT CLOSE YOUR EYES, BUT LOOK INTO THE FLAME. MAINTAIN YOUR FULL SENSES AND KNOW WHAT YOU ARE DOING AT ALL TIMES! THEN, REPEAT THIS PROCLAMATION ALOUD! "ETERNAL FATHER, CREATOR OF THE UNIVERSE HEAR MY PETITION. SURROUND ME NOW...WITH YOUR DIVINE RING OF FIRE. THE FIRE OF PROTECTION, THE FIRE OF YOUR ABUNDANCE, THE FIRE OF COMPLETE HEALING AND THE FIRE OF DIVINE ABUNDANCE. I COMMAND THE HAND OF ALMIGHTY GOD ON MY BEHALF. LET IT BE SO...THIS MOMENT, IN THE BLESSED NAME OF THE LORD JESUS CHRIST. AMEN!"

### FINALLY:

Extinguish the candle. Do not remove yourself from the room for at least three full minutes. Stand before the extinguished candle with your eyes open and feel the presence of the RING OF FIRE. You will never be the same.

DO THIS. FOLLOW THE INSTRUCTIONS VERY CAREFULLY AND YOU WILL FIND ACTUAL CHANGES TAKING PLACE IN YOUR LIFE.

companions have "alien" life-fluids but their blood was taken from them before freezing, stored, and will be used to transfuse back into them (as they cannot accept human blood successfully) if they are awakened.

The thing which concerns us most is the state of limbo these companions exist in, drifting in and out of reality much like a vivid "bad dream" which you may have had at some time in your life. These dear friends live a constant dream-state, sometimes lucid, sometimes in the black hole of limbo and disembodiment.

At this time, there is nothing you as an individual can do for these Federation beings, just as there is nothing which we can do from "on

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

### Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

### New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor.

### Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of a famous clinic located near the shores of the Dead Sea in Israel. He began working with a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the team inspired him to begin searching for alternative methods of applying this energy to benefit people in all walks of life. His efforts lead him to discover that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be supplied by the small solar cells used to power spacecraft!

### A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

### Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

### 30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

### For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

### Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

### U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

high". However, we wish you at this time to be aware of their plight. This is very important! The time will come when your knowledge of this tragic situation will be of help to the sleepers! Please know what I have transmitted to you at this time and store it in your conscious mind. This is urgent that you do so!  
 Meanwhile, the dreams of the sleepers continue...  
 God bless you.  
 May the healing light of God and goodness surround you always,  
 Tibus of The Federation

Here the transmission ends. There is great urgency and emotion accompanying this transmission. We should all consider it seriously! After all, what has become of the pilots of the crashed UFOs...those pilots whose craft landed intact, who were not dead but were taken prisoner? It is an earth-shaking question of enormous implications!

"We're not leaving town until somebody helps us," Jackie said pleadingly. "We called our boss and he said get a motel and keep the truck running."  
 They spent the night at the Travel Host Motel. The motel manager reported they had not seemed distraught, or reported anything unusual to him.  
 Jackie called this reporter at home Monday night and said unusual things were happening in the motel room, with formation of metal filings on the bedsprings, and formation of the same vitamin E like things in the shower, which would blister her leg when they dropped. Now the blisters formed not only a V, but a T, C and L, she said.  
 She was very frightened. "When we moved the truck over here hundreds of 'birds' followed us. We knew they would come."

Because no one else could see or reported seeing the things, she analyzed, "I am damn sure they turn invisible."  
 The police and Highway Patrol were in contact with the couple. None of the officials could see the objects Balrs claimed to be in the trees or on the lightposts waiting for them.  
 "They were very scared people," Police Chief Trierweller agreed. "But I did not see what they saw."  
 Trierweller said he talked to the couple's boss in Yakima, Wash. They had worked for him for 18 years, and were the best drivers he had. The truck they were driving is owned by S.D.T. Inc. at Yakima.  
 S.D.T. sent a relief driver to Sauk Centre to meet the Balrs Tuesday morning. They left town about 1 p.m. with Jackie driving a rental car, and Bob riding with the new driver.  
 One or two people believed their stories, nobody could explain them. At least one witness saw the semi and rental car leave town Tuesday, but saw nothing unusual like fogs, formations or shapes following them.  
 Skeptics had their own theories. Many people agreed that they believe things can happen that cannot be explained in terms that people understand. Many people believe there could be creatures, space ships and unexplained happenings as described by the Balrs.  
 Whatever people believe, the true story, a logical explanation, will probably never be found.  
 It will become another folder in the federal UFO investigation files, unsolved.  
 Probably none of us will know what really happened on the open road to these obviously shaken individuals. But if it was all a "daydream" how does one go about explaining the strange markings reporters and police could clearly make out on the cab of their vehicle?  
 (AUTHOR'S NOTE: Readers interested in the more eerie aspects of UFOs should make an effort to read my book STRANGE ENCOUNTERS: BIZARRE & EERIE CONTACT WITH UFO OCCUPANTS which describes in full detail ten of the most thought provoking cases I have personally had the opportunity to investigate. plan! After this, my mind seemed to "open up" and all my metaphysical studies suddenly became "simple" to me.

I also had the definite feeling of "urgency" to study and complete the studies because "there was not much time left" I studied night and day, and in the course of my studies somehow came into contact via various ads with order persons who were of similar study and interest, and involved with UFO material. Within a short time, (and I have news clippings of these) UFOs were seen in the area quite vividly for several nights in a row, and in fact, almost regularly.

One late afternoon in particular, I was going to attend a chapter meeting of a mystical society, when suddenly around 5 PM after I had an inexplicable "urge" to sleep...as if simply to lay my head down on the arm of the couch, which I did (this was most unusual for me to do, at this hour of the day). Within a few moments, with my dog lying nearby, I began to "hear" a distinct male voice starting to give me "instructions". I was not really asleep, and even though my physical eyelids were closed, I could "see" psychically, the room about me, but in a different "dimension" it seemed. The dog seemed to hear this voice too, since her ears began to perk up as the voice continued on. Each set of instructions were very important and I repeated them mentally as each one was told me. At instruction # 9, suddenly it stopped and a loud "BOOM" sounded seeming to rock the foundations of the house. The dog then fled the room, and I came out of the sleep-like condition (light trance I guess) and looked out the window to see what had caused the "boom."

Since we were on the other side of a mountain where, in nearby Thomaston (where my sister lives) and where they were building and doing some construction work, I wondered if perhaps dynamite had been used there. I promptly called my sister to find out...she said that no work was done in her area after 4:30 PM., and no dynamiting. By this time it was approximately 5:30 PM. I let the incident pass and left to the meeting in another town. The moment I arrived, my fellow-members excitedly asked me if I had seen the large UFO which was reported in my area....about 5 PM! I said no, I had not seen it, and how did they know of it? They said it had been reported by police as "hovering for about 20 or 30 minutes" in the area!

I realized then, that I had been "contacted." The instructions which had been given went into my subconscious mind and would be "triggered" by a particular incident or whatever, when the "TIME WAS RIGHT"

I didn't know about this until later in the day (right after the night it had been spotted), but around 11 AM I suddenly began to "receive" words which seemed important so I began to write them down as they came. All the while a beautiful wise face appeared in my inner vision, with white hair, but a youthful appearance I knew or felt this person was very ancient, yet appeared youthful. The words continued, sentence by sentence, dictated to me seemingly by this wise being. (I thought perhaps it was my Master or Spiritual Guide.)

Below is the "message" as I received it, with the emphasis which I heard, in caps or underlined.

THE "MESSAGE"

"Ancient philosophies and ancient history speak of a past

'golden age' in which the mind and soul of man gained precedence, and because of which human civilization also reached a peak, flourishing and benefiting itself materially as well, in that era.

"In these troublous times, human beings everywhere are beset with woes and worries about the wars, riots and the future of the human race...and they have just cause to worry! However, as we see it, there IS YES TO COME, a newer and more brilliantly-beautiful 'Golden Age' which will by far, surpass ANY the earth has ever known! This is not only possible, but WILL BE MADE POSSIBLE!

"Down throughout history, and at the present time, man has fallen far short of God's Plan and Purpose for Mankind. Wars and killing were NEVER meant to be!...Racial prejudice was NEVER meant to

be!...Nor the torture and slaughter of animals for food and 'experimentation'!! These are MAN'S ERRORS, NOT GOD'S!! Consequently, mankind is paying the 'price' for these 'errors'.

"In the present turmoil and state of affairs, people wonder when or how such a new 'Golden Age' can come about...the 'NEW AGE,' the Golden Age, such as foreseen by 'Mystics', 'Visionaries', and those whose hearts are attuned to the Cosmic, the Divine Father for ALL. This is indeed a just question, and perplexing to many. As in all things, 'adjustments' must be made; adjustments both in your own 'inner selves', and in the material 'outer world'...Adjustments in your way of thinking and manner of living.

SCIENCE FICTION or SCIENCE TRUTH ... YOU BE THE JUDGE ...

Experience the ultimate truth in why you are here FOUR BOOKS GUARANTEED TO HELP YOU FIND GOD

WHY ARE YOU HERE NOW? by Joyce A. Sandersen

The next 20 years brings us to the year 2000 A.D. What this group of souls inhabiting the Earth do here this time is crucial! Our fates depend on each other! Never, in all history, have we been so directed by teachers and guides — both here and on the other side. What we do is entirely up to us. We may progress as a mass group of souls, or we may fail to recognize truth again. We'll either make our way back to the Source together, or we'll find ourselves having to reincarnate again to balance out more Karma. We need to grow in understanding and Universal Love in order to succeed. Why Are You Here Now? A helpful guide to any seeker.

THE DETA FACTOR Dolphins, Extra-Terrestrials and Angels by Timothy Wylie

"It is becoming more evident to us that our small planet is considered the pearl of this area of the Universe and its demise amid atomic destruction is simply not being allowed to occur. This is not an act of coercion or a diminishment of our free will by those whose function it is to watch over Universe affairs because no human being truly desires in its heart to see their planet destroyed. It is the long-awaited helping hand for which we have all so ardently hoped and prayed. The presence of extra-terrestrials and angels, entities from other levels and domains of the Master Universe, seeks to help us mend a situation which has been regarded as immensely difficult for the last 200,000 years, and which happened through no doing of ours." A book for all who seek.

LIFE NEVER ENDS by Kay Leedy

YOUR PAST LIVES and the HEALING PROCESS by Adrian Finkelstein, M.D. A Psychiatrist Looks at Reincarnation & Spiritual Healing. When I was about ten or eleven, I told my parents that the dog belonging to Aunt Fanny gave birth to eight puppies. That same day my parents asked my aunt if it were true. She denied it. As a result, my parents scolded me for telling a lie. Then I told them I meant that the dog will give birth to eight puppies. On the following day it did, indeed, give birth to eight puppies. I have been made aware that in my practice that whenever I operate intuitively, using more my "feel" for the patient's problem rather than my scientific approach, I get much better results. I can then see how a patient improves under my very eyes and remains well thereafter. A truly new insight into the practice of Twenty-First Century Psychotherapy.

ANGELIC, GOD-LOVING, BEINGS FROM ANOTHER DIMENSION HAVE INSTRUCTED ME TO HELP EARTH BOUND SOULS RECEIVE ALL THEY DESIRE BY DRAWING UPON THE SPIRITUAL AND HEALING POWERS OF THE POWERFUL...

'CROSS OF CRYSTAL'

Dear Reader: My name is Diane Teasman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

SHOCKING REVELATIONS In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different" and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

CHILDHOOD EXPERIENCES It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks" of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the like of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself!

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the occultive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
A loved one to comfort you.
A decent job.
A means to lift all curses that have been placed on your soul, thus improving your karma.
A way to own a new home.
A means to win the lottery.
To drive around in a beautiful new car.

To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request. My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be infinite if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakenin. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as well intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book, THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

5. This is the number of the pyramid for it is composed of four corners at the base and the point at the apex. Man is created with a built-in reminder of this Cosmic revelation, for man has five extremities which are two arms, two legs, and a head. Therefore, 1985 has been a year of rebuilding the states of consciousness within each individual. Terrorism, famine and local violence has beset those of a lower vibration. On the other hand, those who are tuned into the Light have initiated new acts of love and peace to fellow humans. The balance of this year will reveal further indications of this pattern.

The single digit vibration of 1986 is 6. Therefore, 1986 will be a year of further progress for the Great White Brotherhood and the Space Federation in behalf of humanity on earth. Many strange signs and wonders will be perceived in the cycles of nature. There will be more outbursts in both the nature of men and from within planet earth. Yet, in the midst of all undesirable events, there will be a great awakening in the minds of the elect. Remember the Biblical example of how the Christ turned water into wine from six pots of water, and how the creation took place in six days. Therefore, be encouraged and know that during 1986 you will be transformed into a greater expression of the chosen of God if you remain strong.

The year 1987 will vibrate to the number 7. This is the Sacred Number of Perfection. Therefore, you will see a great spiritual awakening during that year. This great awakening will be initiated by the combined efforts of the Space Federation and the Masters of the Wisdom through our earth channels. Such channels will find themselves suddenly locked into the seventh octave of the Violet Ray, and be able to control events in the Fourth Dimensional field of manifestation. This will result in new awareness among the general inhabitants of earth and many will begin to search out the illuminated channels.

Looking further ahead 1988 will vibrate to the number 8, and this signifies the point beyond perfection. During this year, many will take the extra steps to work more than ever in cooperation with the Hierarchy of Light. Some will vanish from earth because they would have proven themselves worthy and able to assist us aboard our vehicles.

The year 1989 will vibrate to the number 9, and this is the number of initiation. Some will take the mark of the beast, which is the vibration of 9 in the ultra-red scale of diabolical manifestation. Others will take the mark of the chosen of Christ, which is the vibration of 9 in the ultra-violet scale of Godly manifestation.

1990 is the year of number 10. That year, with its remaining decade, will see many events of major significance. The nature of these events will seal the doom of forces which hinder the progress of God and the day of divine intervention will be at hand. The children of perdition will run in utter madness to escape the intense vibrations of the Light. But the children of God will become stronger and more assertive as a ruling force in the New Age.

My precious brothers and sisters, know that we have intervened and have saved humankind from its self-imposed destruction many times. Even as you read these words, there are five tons of explosive weapons to every human on planet earth; Famine creeps over the planet like a cloud of darkness as 48 million people die of starvation every year; Criminal and political terrorism is spreading around the globe like a cancer; The economy is in serious trouble worldwide, and men's hearts are more afraid than ever before. Yet, many have forgotten that they are indeed their brother's keeper. Do not be overcome by the madness of the hour: look toward the Light of God and be protected. I now give you a plan which you can be a part of. Study the messages now available to you through this channel and pray often as you behold the rising Sun. Think of the words, RA—MA—SEH as you greet the sunrise. I will speak to you again. Be at Peace.

I AM ASHTAR

And so the message ended, a feeling of total well being overcoming my entire being providing assurance that the message originated from an enlightened source. Indeed, many other messages of equal importance have channeled through me from a variety of ascended masters, as well as the master, Jesus Himself. Truly God has a plan for us in the second half of the 1980's; a detailed outline being the basis of my latest book.

May God bless each and every one of you! ★

## WINNING WITH WITCHCRAFT

Although my book is called "Winning With Witchcraft" it is not a book for witches. Fully fledged witches will not find anything really new in its pages and indeed they may disapprove of many of the things written in it. They will not like the fact that I have removed the "mystery" of witchcraft, dispensing with all the complicated paraphernalia usually associated with the Craft, in order to demonstrate to the ordinary person that to practise it is really very simple indeed. My book is definitely only for the everyday lay woman or man; the person who is fascinated by witchcraft and its possibilities, but is either too busy or apprehensive to actually get involved in it.

### HOW TO WIN IN LIFE

I do not in my book bog the reader down with the theory or history of witchcraft. That can be found in other books. No, my work is an "action" book, one of practice rather than speculation. In it I show you how to win in life with witchcraft. There are two sides, or dimensions, to witchcraft: the religious, spiritual dimension, and the dynamic "active" dimension, i.e. that of deliberately manipulating events and circumstances for one's ends. My book is about this second, exciting dimension. But before I continue let me tell you something about myself. My name is Jean Williams, and for the last twenty years I have been actively practising witchcraft in the pursuit of securing personal objectives. I am a perfectly ordinary woman, not possessing special psychic powers of any kind. Neither am I particularly bright or good looking. I mention these points because I want to show you that the wonderful, fast acting powers of witchcraft can be at anyone's command, regardless of ability, once the secret of witchcraft is understood. I have never belonged to a coven or occult group of any kind. There is nothing special that you have "to be", or no one special you have to know, in order for you to begin working wonders with witchcraft from the very moment you know what to do.

### IMMEDIATE RESULTS

Immediately you have finished reading my book you can begin casting magic witchcraft spells to obtain whatever you desire. And you don't have to worry about trying to obtain difficult to get herbs or special equipment; almost all of the rituals I give involve very little or no paraphernalia, and what things you may have to get can be purchased very easily and inexpensively. For twenty years I have been "winning the game of life" through witchcraft. With my book you can start doing the very same the minute you have read it. With simple witchcraft spells and rituals I show how you can make any member of the opposite sex desire you immediately...compel a reluctant lover to marry you...stop the romantic interest of someone you would rather be without. With witchcraft you can forget about being a loser in love, in money, or anything else. By using witchcraft I show how you can actually take control of the "forces of chance" and make everything you touch seemingly turn to gold. You will be able to play a bingo game, place a bet, enter any contest, and know that you will win. You can have any man or woman you want, or any luxury you choose. With witchcraft these things become automatic when you use the appropriate spells or rituals to obtain them. I can say all this with absolute confidence for this has been my experience from practising witchcraft. I have benefited handsomely from witchcraft and I only seek the pleasure of sharing my knowledge with you. Witchcraft, I believe, should not be the jealously guarded secret of a selfish few, but should be made available to all who seek a better and more fulfilling life.

### WHAT WITCHCRAFT CAN BRING YOU

- In my book you read about:
  - Winning the admiration and respect of people. Stop them exploiting and using you.
  - Using witchcraft to promote you self interests at all times, without harming the interests of others.
  - Commanding things to happen through powerful spells and invocations. With witchcraft you don't have to grovel or pray to God for help.
  - Magic witchcraft spells that quickly make you more self-assertive, confident, and sought after by the opposite sex.
  - The Binding Love Spell that makes someone of the opposite sex love you.
  - Simple witchcraft remedies that alleviate pain, reduce fever, stimulate hair growth.

### THE SECRET SCIENCE OF NATURE

It is unfortunate that many people associate witchcraft with devil-worship. Most witches don't even believe in the Devil! I certainly don't. Witchcraft is not Black Magic. But, fortunately, witchcraft can be used to protect one's self from Black Magic. My book shows how you can quickly and easily break any evil curse, and shows also how you can forever make yourself safe from harm and evil of every kind. Some people also harbour the idea that witchcraft is just "superstitious nonsense"; in fact quite the opposite is true. Witchcraft is the secret science of nature. It could not possibly work if it was merely based on old wives' tales. I personally am not superstitious; I was born on the 13th, I live in a house no. 13, I walk under ladders, etc.; but I very much definitely believe in the powers of witchcraft. You will believe, too, once you have tried the simple rituals in my book! Nor is witchcraft just "positive thinking". I know lots of people who use positive thinking and yet they are losers in life. Witchcraft is more dynamic. With witchcraft you don't, and cannot, fail; you only succeed and win.

### THE ULTIMATE WITCHCRAFT RITUAL

The very end part of my book I have saved for what I consider to be the ultimate witchcraft ritual, at least in material terms; a ritual that unleashes a tremendous torrent of opportunity, riches and good fortune. I consider this ritual to be little short of sensational, but I will be frank with you: I have only ever used it once. It worked so well that I just couldn't handle all the good things that came from it. I am not one of those people who can handle immediate, or even gradual, wealth. But if you are one of those people who believe they can then you should try this ritual. It could change your life! I do not claim my book to be the best or finest written on the subject of witchcraft. But I do claim it to be the most practical. If you are one of those people who has always wanted to try their hand at witchcraft, but were too busy or apprehensive to do so then my book is for you. It is written for you, and I promise you that what you pay for it will be the best spent money of your life. Witchcraft works. Those who practise it know. They are life's winners.

## DOOMSDAY IS AROUND THE CORNER!

# WILL CIVILIZATION END BEFORE THE YEAR 2000?

### PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- ATOMIC WAR — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- COLLAPSE OF GOVERNMENTS — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- ENVIRONMENT TO STRIKE BACK — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

UNEXPLAINABLE OCCURRENCES — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

MASS EVACUATION — But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

# REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. Comes complete with sturdy silver chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

Crystal, chain and special channeling sent by first class mail for extra protection. Total price \$15.00. Send now to:

DATA BEAMED DOWN INTO TINY CRYSTAL  
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube.  
The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.  
The company said the system theoretically could store a trillion bits of information in a cubic centimeter of the crystal.

'adjustment' MUST be made, if you are to survive as civilization! In other words, mankind is presently 'Reaping' the 'Harvest' it has sown...it is suffering from its own errors, created by inharmonious and selfish purposes and actions. Life returns to us, THAT which we SEND FORTH INTO IT!!!

"Life, and the World must be 're-balanced', once again, in order to achieve the 'Golden Age' which will become a reality in the coming Century and perhaps even sooner.

"The power of good and harmonious thoughts cannot be over-estimated... The power of prayer, individually and collectively cannot be over-estimated; for here lies the secret and the peace of Mankind...and the entry into the 'Golden Age', for ALL Mankind!

"It cannot be the work of only ONE individual, but of MANY, for Mankind is not individual, but many individuals!!! Be of service and of help to your fellow-man, for even your worst 'enemy' is a part of God...all life is one...Pray, individually, and together...for this is your great bulwark and your 'weapon' against the inharmonies of the present hour, and world condi-

tions...above all, pray sincerely.

"All life is one...This cannot be stressed enough...the life which flows in each human being and every creature on earth and in the universe, was given from ONE SOURCE...The power and light of GOD, our Divine Father. The universe was, and is created on the Trinity Principle of 'LIFE, LIGHT AND LOVE'; and any action CONTRARY to these Divine Universal Principles results in 'inharmony', unhappiness, disease, and strife and absolute disaster in the life of the individual, nation or the world itself!

"Be ever-mindful of the THREE Great Divine Laws...The principles of Life, and Love and Light!!!

"Life...all life. Is one life, given from 'love'...the Divine Source, the all-embracing love and power of God, which is the Eternal 'Light' of the world, The Supreme Intelligence and Divine Mind of the Universe!!!"

PS. In 1969 I travelled to Egypt and there met a strange being... Each time I wanted to ask him directly if he were indeed one of the space brethren, my questions seemed "changed" in mid-air! (I had been "told" via the Inner Self, as I prepared to go to Egypt, that there would meet a "very special person" and as I met each person on the trip

I inwardly asked if this were the special person. Each time I received a definite "no"...until I met this person.

He wore "glasses" which I thought was the reason why his eyes seemed a bit "unusual" UNTIL one day when we were together, and discussing the world situation, etc., he removed the glasses and I saw that indeed these were not the eyes of a human being from earth! THE ENTIRE EYE WAS OF COLOR!...no white of the eye was visible at all! (Obviously he wore the "glasses" as a kind of cover-up.)

There was a strange cosmic rapport between us the very day we met at Luxor, and the position he held was quite in keeping with his being able to be "gone" from a particular place or where he lived, without being suspected in any way for weeks at a time, when he had to be assigned to another place, or even country, he said!

When he had removed his glasses, I telepathically said to him (the question which I had been asking and trying to ask verbally) NOW I KNOW you're from another world! He picked up my thought readily, and smiled in that strange, silent manner he had about him. He was a very sensitive (almost ethereal being) and had a "golden" type of skin, and was NOT at all like

any of the other "Egyptians" we met there!

"It is in the past year or so, that I learned his real name is AHNEM and that he will return at the time of the new "colonization", or/and (after?) the cataclysm or thereabouts, but that our meeting had been a necessary one to establish a mental communications and rapport, and to establish the "change" which took place in both my consciousness and in my physical cells.

Recently a fellow-psychic/meta-physician "picked up" on AHNEM and said we had worked together before, and we will work together again— I had obviously known him in the other worlds. This was given me through trance medium Elwood Babbitt, of Turners Falls, MA who had worked closely with Dr. Charles Hapgood on several books.

# PSYCHIC ATTACK

\*FREE \$19.95 L.A.D.D. project cassette tape. (limited)

RUOIOU  
OL MOH ONU

DR. KOLAI BABB

EVERYBODY IS SUBJECT TO PSYCHIC ATTACK, and it can happen any time, any place, and without a moments notice. It can be planned by someone familiar with the black arts, but it is more likely to be created by a subliminal desire for revenge, caused by some insignificant action that has hurt the feelings of a revengeful person. And in our society there are an abundance of them. And more often than not, the person sending out the negative and harmful energy is not even aware of it. Either way, nobody enjoys being the recipient of another's negative wishes.

DR. KOLAI BABB has spent many years studying this problem, traveling all over the world to learn why and how these attacks are manifested, and not only how to protect yourself from such an attack, but how to avoid sub-consciously sending out your own psychic attacks.

DR. KOLAI BABB directs his abilities toward taking the complications out of metaphysics, and teaching in the most simple but equally powerful form. His courses normally take minutes to master, as opposed to many similar courses that may take months, or even years to master. He immediately gets right to the root of the lesson, and by-passes all that is not required to get satisfactory end results.

This is a special comprehensive home study course, simplified and to the point, and can be mastered in one short evening. And regardless of whether you are experiencing un-intentional, intentional or no psychic attacks at all at this time, your life will immediately change for the better if you follow the simple instructions. A few minutes a day will make your life a joy to live. Every day.

WITH YOUR ORDER: Research cassette tape, the L.A.D.D. project, "LIFE AFTER DEATH DOCUMENTATION." This tape regresses ones memories back in time to a former life, then takes them through the death scene, into memories of the in-between or etheric world, back to conception and birth into another lifetime, new life, where the cycle continues on. new life, where the cycle again repeats itself.

All we request is that you enjoy the tape, then fill out the and return the research forms. You keep the tape. This tape sold worldwide @ \$19.95. Please make check payable to U.A.R.C.

Within an hour of the time you start your studies, you will experience a warm glow of peace and well being, and soon after that you will realize that you are the master of your own destiny, and the only one who can stand in your way is yourself. You will actually build an invisible shield around your body that is completely impervious to any form of negativities, whether they be thoughts or actions.

You are not limited to building a protective force field around yourself, but will learn to protect your children, your pets, your house, car, or plane either you or a loved one will be riding in. This method of learning to avoid psychic attacks can be taught verbally, and should become part of the teachings of all metaphysical instructors. It is so simple to teach that Dr. Kolai Babb often times allows a few extra minutes to teach it as a bonus in his lectures. It is always the first part of any group workshop or class that he conducts.

We have even gotten reports from battered women, who claim that their husbands (or lovers) seem to be mysteriously stymied and confused when they cannot break through the invisible protective barrier that surrounds their intended victim. The situation then becomes a comedy as he attempts to make excuses of why he is holding back.

And, As with all of his Metaphysical Training Aids, DR. KOLAI BABB UNCONDITIONALLY GUARANTEES YOU WILL BE 100% SATISFIED, or return the booklet within ten days for a full purchase price refund, with no questions asked.

On a beautiful day in mid-July, 1985, I was preparing to leave my home to tend to my daily errands. As I opened the front door to leave, a powerful vibration from a higher dimension saturated my entire being. It was a distinct vibration which I had felt before while living in California. Suddenly, a telepathic message beamed into my consciousness from Ashtar, Commander-in-Chief of the Free Federation of Planets. I perceived that his message was being transmitted from a space ship hovering above Philadelphia at that time, although invisible to ordinary sight. I was instructed not to go out as planned, but to sit down and write the New Message of Ashtar. The powerful master gave me some personal instructions and words of encouragement regarding my new book, "The Final Solution," which is being released through UFO Review and "Inner Light Publications". Ashtar imparted the following message:

"Greetings my earthly brothers and sisters. In the three-fold power of the Cosmic Unity I come to you in the essence of the one light.

"The early part of 1985 was a time of great battle between the forces of Light and Darkness. The numerical symbolism of 1985 is significant when it is mathematically reduced to its single digit vibration; if you add these numbers you will have 23. Add these and you have number
