THE TRUE PROPHETIC MEANING OF HALLEY'S COMET

by Marla Carta

As you read these words, chances are that the famed—and often dreaded—Halley's Comet will no longer be visible to the naked eye. But, even though you might not be able to see this tremendous ball of lumination as it jets out of our solar system, it by no means signifies that this massive globe of ice and gas won't still be having a strong influence on all of us for a long while to come. Psychics and astrologers fully realize that its most important impact cannot be charted by scientists even using the most powerful telescopes at their disposal.

Indeed, there is every reason to believe that Halley's Comet will be "felt" in many ways in the months and years directly ahead, just as its last passing in 1910 changed the course of history. For even if we cannot view the comet, it doesn't mean that this heavenly body won't be exercising a strong pull over our planet as it has done every time it has passed this way on its endless journey through the cosmos.

Skeptics may scoff at the idea that Halley's Comet is an evil omen, but there can be little doubt as to its true potential for negativity and transformation. Magicians and wizards—including the famed French seer Nostradamus—knew that along with the comet came an invisible hand that directed the destiny of civilization in all its aspects from changes in leadership, to the arts, to the potential outbreak of world wars.

There can be little disputing of the fact that astrologers were the first astronomers, using their knowledge of the stars and planets to foretell future trends particularly among the leaders who always kept an astrologer or two on retainer in order to know when trouble might be at hand. These "Magi" not only understood that the planets wielded a fantastic force on everything from the tides to the beheading of their favored rulers, but they also knew that larger passing, bodies like Halley's Comet were bound to have an influence that was just as strong, but often harder to predict.

According to several Biblical scholars, including Dr. James Fleming, Dean of the Jerusalem Center for Biblical Studies, there is now reason to suspect that Halley's Comet might have been around at the time of Jesus' birth. Dr. Fleming has even theorized that Halley's Comet might have been the Star of Bethlehem itself, since it would have been visible to the Wisemen in about 12 B.C., the year of the census that the Book of Luke says brought Mary and Joseph to Bethlehem. "The Book of Matthew says the three wise men reported the star appearing to them twice, which would fit the appearances of Halley's Comet since the comet is visible for several

UFO UPDATE

BOLD, NEW, GLOBAL FLAP UNDERWAY

by Timothy Green Beckley

The large circulation dailies seldom cover UFO reports anymore, and TV and radio is unusually silent on such offbeat events. But that doesn't mean that strange objects aren't being sighted in the sky anymore. On the contrary—despite what you might believe—there has been a steady, ongoing, number of observations of UFOs, and there is evidence to indicate that a big, new, global flap is in the offering.

SOVIET JET FOLLOWED

The pot seemed to start boiling early last year when the prestigious New York Times printed a dispatch from Moscow dealing with a Soviet airliner whose "amazed crew and passengers saw a star-like UFO beam down a thin ray on the ground and then suddenly turn its dazzling light on the aircraft and—just as abruptly—become a green cloud that escorted the plane until it arrived at its destination."

When the pilot was informed that the passengers were getting "anxious" the crew was officially told to tell everyone the object was in reality the "reflection of polar lights."

THE BOOMERANG

As reported in previous issues of the REVIEW, residents of upstate New York still continue to observe a boomerang-shaped craft the size of a football field which has been known to hover noiselessly as well as glide at tree top level. The number of witnesses in this ongoing UFO wave number around 20,000. One explanation, is that everyone has seen a formation of ultra-light airplanes. But this is not generally accepted by observers, and now the reports are fanning out to parts of Long Island, New Jersey and Connecticut.

In late November, 1985, personnel at Teterboro Airport in northern New Jersey were trying to come up with a plausible explanation for an object that attracted the attention of multiple witnesses. Not only were the "bogies" seen from the ground, but a Trans World Airlines pilot claimed that a V-shaped object with several center lights passed below his plane

"WARNINGS FROM THE MIB"

by Rev. William Alexander Oribello

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Ephesians 6:12
(the Holy Bible)

Dear friend, what I am about to share with you is of vital importance to you, your family, and all inhabitants of the earth. This message will cause unrest among those who pervert the way of truth, but will bring hope and comfort to all workers of the Light on this planet.

Since the beginning of time a battle has been in progress throughout the cosmos. This battle began in the misty past when the great light-bearer, Archangel Lucifer rebelled AGAINST the cosmic plan of God, and plunged into the lower regions of the cosmos, taking legions of rebellious spirits with him.

Much of humanity is influenced by these fallen angels of darkness and this has created all the negative thinking and deeds which have marred the original beauty of life. A person once told me that she believed that there is no such thing as evil—that if God is good and if God created everything, then everything is good, and there is no evil. My answer to her was this: Yes, God is good, and when God made all things he saw that it was good. However, it was the rebellion of the angels, and later humankind that caused the evil that is so evident around us. God gave all beings—angel and human, the mental and emotional power for good, but these beings misused this power to generate all types of negativity including wars, slavery, deceit and violence. The evil thoughts of corrupt men and spirits continue to plague the Earth.

In my own experience I have met several individuals who were representatives of a group known as the "Great White Brotherhood" or "the Masters of the Wisdom". These great beings walk among us to guide humankind into higher levels of thinking and progress. Some of the people who direct mystic churches and organizations are channels for the Masters of Wisdom. I also wish to add that leaders of nations who believe in the freedom of all are representatives of the Brotherhood of Light. An example of this is our own nation, the United States of America. This great nation was founded under guidance and inspiration of the Kingdom of God, and his blessing continues to flow to us in our generation.

I have also crossed paths with representatives of the brotherhood of darkness, who have tried to hinder and oppose my work for God. While growing up I kept seeking the right path and means by which I could fulfill my divine mission that I knew was assigned to me. However, at different crossroads of my life there were individuals who tried to steer me in the

wrong direction. Dear friend, take heed to my warning: when you are on the path of Light you become a marked person for the brotherhood of darkness; you may have a friend (so called) who may, in all appearances, be a normal human being—but beware, if they seek to influence you to neglect or depart from your path of Light they are (knowingly or unknowingly) working for the cause of the brotherhood of darkness. Some people, who appear very normal, may in fact be one who has sold their soul to Lucifer and live for the purpose of blocking the chosen of God. Some of these individuals have crossed the point of no return and are what is known as a "soul-less one" or an M.I.B. (men in black). The brotherhood of darkness does exist, and if you give in to their influence they will cause you to miss the purpose for which you were born.

I would like to share a more recent experience with you: When I completed my latest book "The Final Solution" the brotherhood of darkness tried to BLOCK its publication. To begin with, there were all types of problems which arose during the months in which I was writing the book; personal difficulties, of which I cannot explain, set backs in schedule planning, mechanical problems with office equipment, and other annoying events which delayed the completion of this book. The negative forces did not want this book published. May God ever bless my publisher Timothy Green Beckley of Inner Light Publications; he was a constant source of encouragement in getting this book out to the public. On the day that it was completed I was directed to take a train from Philadelphia to New York to deliver the manuscript in person rather than mail it. On that day I witnessed another great demonstration of the eternal conflict between the forces of Light and darkness. I will now share the details of that experience with you.

As I stood on the platform of the station in Philadelphia, I suddenly felt a negative energy at the back of my head trying to push me off of the platform, and onto the tracks. With such intensity of spirit I called from within my inner being on the name of Almighty God and the Masters of Wisdom who assist me. Then I felt a release of the negative force, turned around and saw two men staring at me. These men were very well dressed, like business men, but their clothing was all black. There was something evil about their very presence, and when my eyes met theirs it was like looking into the eyes of Satan himself. These men were representatives of the brotherhood of darkness, sent to destroy me so that this manuscript would never reach the publisher.

I invoked the great power of the Light of the Christ to surround me, and a few moments later the train arrived and I was on my way to New York. Mr. Beckley and I enjoyed a time of fellowship as we planned for this and other works to help humankind, and soon I was on my way back to the station

Dear Friend:

Through a series of telepathic contacts with the higher spiritual kingdoms I have been informed that great changes are about to take place on our planet and that each and every one of us should be prepared for what is ahead. From their lofty position in the mystical land of Shamballa the Legions of Light led by the Master Jesus have announced that time is running out for humanity. They say that our civilization is about to enter a "New Age" of enlightenment and that all deserving souls should be ready to take the next step up in cosmic consciousness to a new spiritual understanding. They also warn that there will be many great disasters taking place as the earth must be physically cleansed to rid it of Satanic forces now poised to take over the world by physical force and destruction.

I have much more to tell you, but before I go on perhaps those of you who do not know of me would like to have some information about my background. My name is William Alexander Oribello and I am pastor of Philadelphia's Mystic Light Fellowship. Since an early age I have been actively engaged in the spiritual field. While my parents were asleep in another part of the house, three strangers who identified themselves as the "Wise-men" or the "Magi" of the Bible appeared at my bedside and proceeded to show me a gold-bound book. The contents of this book would, they said, be implanted in my subconscious to be revealed to the world at the "proper moment," when humanity would be ready to receive the key to many complex mysteries that have long baffled man. Since that day, several other mysterious individuals (including the legendary Count St. Germain, John of Biblical fame and Ashtar head of the Space Brotherhood) have appeared out of nowhere to share with me information which I was told I must teach as I grew older. In my two previous books—THE SACRED MAGIC and the BOOK OF SPIRITUAL POWER—I have talked a great deal about what I have learned...but now there is even much more to say!

COSMIC MYSTERIES EXPOSED

Recently, I had a vision in which the Master Jesus and other Ascended Masters appeared and told me to go forth and spread the news about the Second Coming, and the arrival of a wonderful New Age of peace and abundance that is right around the corner.

They also instructed me to share with all those "students" who are interested a form of positive thinking, meditation, and cosmic awareness which they guaranteed would "lift man out of the depth of fear and limited consciousness and inspire him to soar God-ward without restriction."

REVEALING THE MYSTERY OF... SPACE CHANNELING

by Diane Tessman

What is space channeling? We hear so much about this phenomena today, but do we really have an understanding of its meaning? We hear about psychics being referred to as "channels" more frequently than we hear about psychics being "mediums," which is the traditional term for a similar phenomenon. Even the very popular author Ruth Montgomery writes about this enigma in her current best seller. In her book *ALIENS AMONG US*, the award winning Capitol Hill Journalist tells of my own physical encounters early in life which lead to my eventually receiving messages from highly evolved spiritual entities on a regular basis. But there is a lot more about space channeling which even Mrs. Montgomery did not have space to delve into.

First, we must become aware of the fact that channeling is nothing new. The Bible is composed of "books" within the larger document. These books are all channeled material, whether in the Old Testament such as Genesis and Revelations or in the New Testament such as Matthew, Mark, Luke and John. When you stop to think about it, the humans who wrote down these precious words were channeling information from God and from higher realms. Most of this information was received psychically; only on a few occasions did the "reporter" who contributed to the Bible witness the events firsthand. The person doing the "reporting" was almost always receiving The Word of God through spiritual, psychic means! These courageous humans were indeed among the first channels and their gift of channeling has given The Word of God to the human race throughout the ages!

There have traditionally been psychics amongst spiritualist groups who have the gift of mediumship. This gift also involves receiving transmissions from other realms; however, it has not involved contact with space intelligence. It is usually a communication with the earth spirit world. This spirit world is composed of dear souls who have died—passed—on to this spiritual dimension. They may "come in" and share consciousness with the medium for a few moments, giving an urgent or loving message to a loved one left behind on the physical earth plane. The trance medium actually loses consciousness while the spirit transmits his or her message! This is a wonderful gift for mediums have given much-needed information, comfort, and encouragement to many people.

We have just stated that a medium communicates with the Spirit world which shares planet Earth with the human race. We have also stated that a channel, on the other hand, communicates with the higher realms of space intelligence.

"Light beings" are channeling through gifted psychics in the latter half of the twentieth century because the human race is in serious trouble with nuclear proliferation, polluted environment, and negativity. They channel messages of hope, perseverance, and reassurance, telling us that God and our brothers and sisters of the higher realms are still very much with us as we struggle to save ourselves and our planet.

When an individual channels a "Light Being" from another dimension or another planet, that individual is willingly allowing his or herself to be host to this other consciousness. This consciousness can then transmit knowledge and information which he or she possesses about planet Earth in the twentieth century. The visiting consciousness can give warnings, wisdom, or help. It can do this because it is from a higher level of consciousness!

We are beginning to realize that channeling is a higher being creating an energy link to a psychic's mind just as a river can channel through a tributary and reach the waters of another river!

Now, a question which we must always ask is, "How can a channel tell if he or she is in contact with a higher dimension instead of a lower one?" We might think of one river channeling through a tributary and reaching another river might be a good thing for both rivers—or a negative thing for both rivers. It is actually quite simple to solve this important question: If the type of message being received by the channel is hateful, petty, or of base sexual nature, it is from a lower dimension. If the message being given only serves the selfish ego of the channel, making him or her seem like a "god", then this channel's source is not one of good intent. Both the channel and the being with whom he or she is in contact must be of goodness and of God. If there is good intent, if there is light in the channel's messages, then it is surely a higher level source who wishes to help in whatever way possible!

Let's examine, close up, the actual mechanism of channeling! The brain of the human channel is used (with permission of the channel) by the essence of the visiting "light being." Otherwise, the channel could not interpret the message being sent, could not translate the concept into English (or whatever language the channel speaks). In other words, the Light Being does not send actual words from any human language; instead, the light being transmits concepts which the channel's brain then processes into a coherent message for humankind.

The brain of the channel is the common ground between the light being and the human. The gifted channel knows how to allow her own spirit to become calm and low key so that the visiting light being may successfully send his or her message. This is a gift just as some people seem to know how to play the piano instinctively. However, all humans do have the basic ability to receive messages from light beings! It is simply that a small handful of humans seem to have accomplished this skill at this point. In the future, the entire race will know how to communicate and interact with brothers and sisters of higher realms!

DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")

Dear Reader:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is real! It has been verified by a University Professor who subjected me to a grueling two hour hypnosis session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me, he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks" of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spacecrafts filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was small, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that once ago, on the continent of Atlantis, acientata had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that YOUR chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In an her dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation which was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book *THE TRANSFORMATION* will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

ADDITIONAL FREE GIFT

If you write to me without delay, I will put you on my mailing list to receive a free trial subscription to *INNER LIGHT* of which I am managing editor. This publication deals with prophecy, miracles, apparitions of the Virgin Mary and Jesus, experiential in unknown realms, and much, much, more.

IN A DISTANT CENTRAL AMERICAN COUNTRY SCIENTISTS AND PHILOSOPHERS STRESS BOLD NEW CONCEPTS, INCLUDING THE THEORY THAT MANKIND IS MUCH OLDER THAN THOUGHT, AND THAT GREAT SOCIETIES HAVE FLOURISHED FOR MILLIONS OF YEARS.

100 YEARS OF INVESTIGATION INTO THE UNKNOWN: CONVENTION IN COSTA RICA

by John A. Keel
Author *Strange Mutants*

Shortly, millions of people in dozens of countries will be treated to a television mini-series that will boggle their minds and change their consciousnesses forever. A cadre of the world's leading authorities on flying saucers will introduce them to the magical world of UFO contactees, sinister Men in Black and weird mystical concepts woven in stardust. The New Age has finally arrived!

Unfortunately, if you live in the United States you will probably miss the show. It was taped entirely in Spanish and will be broadcast to the Spanish-speaking world...a world that is much larger than most non-Hispanics imagine. It includes entire continents and even parts of Asia.

As the jet I had boarded in New York was about to touch down, it was hard to imagine looking out the plane window at the lush green country side below, that anything of a highly scientific nature could be accomplished in such a picturesque setting. But for six days last October, about three hundred people gathered in the posh Hotel Irazu outside San Jose, Costa Rica in Central America. The majority of them were scientists, doctors, diplomats and authors. Most were from South America, where UFO sightings are frequent and interest runs high. The conference was billed as "Del Congreso Internacional 100 Años de Investigación de los Grandes Misterios del Hombre". Meaning "The International Congress celebrating 100 years of investigation in the great mysteries of mankind". (It was about 100 years ago that the Society for Psychical Research was founded in Great Britain.)

Charles Berlitz, author of *The Bermuda Triangle*, *The Philadelphia*

Experiment and other international bestsellers, was on hand to report on new archaeological discoveries off the coast of Florida. Dr. Jacques Vallee, author of numerous UFO books, who actually served as the role model for the character "Lacombe" in the movie *Close Encounters of the Third Kind*, gave a presentation on the general history of flying saucers. Another famous scientist, Dr. Andrija H. Puharich, the man who "discovered" Israeli psychic Uri Geller and brought him to the United States, described his current research into ELF (extra low frequencies), a subject that is very important in the study of unidentified flying objects. Dr. Puharich also hinted dramatically that he had reason to believe that the scientists of NAZI Germany had developed a flying saucer during World War II.

Sponsored jointly by the Hotel Irazu (which supplied free room and board for all the speakers) and the Spanish television network which videotaped the proceedings, the congress was organized by Carlos Ortiz de la Huerta, an energetic young man who helped stage a similar convention in Acapulco, Mexico back in 1977, and Ricardo and Carlos Vilchez.

Ufologists in the United States have been paralyzed for years by meaningless side issues while researchers in other countries, particularly in Europe and Latin America, have been forging ahead and delving into the important metaphysical and philosophical aspects of the phenomena. This was very evident in the talks delivered at the congress. A brilliant young Mexican psychologist, Carlos de Leon, set the tone with a mind-blowing speech about what he had learned in India and Tibet, and how ancient teachings from those countries could help us better understand modern UFO manifestations.

A defrocked Jesuit priest, author of books with titles like *La Religión Entre la Parapsicología y los OVNIs*. Salvador Freixedo, was a big hit with

Special guests at the conference in Costa Rica included (from left to right) Enrique Castillo Rincon, Prof. John Keel, Salvador Freixedo, Charles Berlitz and Dr. Jacques Vallee.

VOICE FROM SPACE OFFERS HOPE & SALVATION

PROPHECIES CONCERNING THE FUTURE FROM THE SPACE BROTHERS BROADCAST TO EARTH

- HUMANITY WILL DEVELOP PHENOMENAL PSYCHIC POWERS.
- NEW FORMS OF ENERGY WILL BE FOUND.
- THE ANTI-CHRIST WILL MATERIALIZE UPON THE EARTH.
- DISCOVERY OF LIFE ON OTHER PLANETS & DIMENSIONS.
- AN END TO ALL WARS.
- MANY WILL BE LIFTED OFF THE EARTH EVEN IF IT IS DESTROYED.
- TO COME: LOVE, PEACE, PROSPERITY FOR ALL RACES & NATIONS.

The NEW WORLD ORDER is destined to become the most important book of our time, a commentary on humanity and what can be done to end the pain and suffering that has encircled our globe. Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time being "most simplistic," just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY are. Ashtar's philosophy will lift the hearts of all people. This is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

NOW THE TRUTH CAN BE MADE KNOWN!

Despite censorship on the part of the government—and the governments of other nations—the reality of UFOs and ETs can no longer be kept a secret. Through their "messengers of light," the Space Brothers have made startling predictions regarding the following topics:

- In a World War there will be NO winner.
- UFOs monitor our radio & TV broadcasts on a daily basis.
- Folly of our political systems.
- The TOP-SECRET mission of the ETs.
- Spiritual development of mankind.
- The selection of the "Chosen Ones" to be removed from the planet in the event of a global disaster.
- The inside of our earth is inhabited.
- The physical changes our planet will undergo in the next decade.
- Many of the inhabitants of earth came from space in another incarnation.
- Upcoming earthquakes.
- The possible destruction of New York & California.
- Life aboard orbiting space cities.
- Meditation for lifting our vibrations.
- Space people will demonstrate their powers on a vast scale.
- Cities to turn into jungles.
- The coming of open relations between earth and other planets.
- Tapping into the universal forces of light.
- UFOs responsible for blackouts.
- Educational craft orbits earth.
- Using the rays of the sun.
- A wealth of plenty for all—no need to be poor.
- Negative beings have infiltrated the military & government.
- Precious minerals stolen from the earth by interplanetary pirates.
- UFOs—symbol of hope for humanity.
- No one in space to welcome "deserters," and earth's return to paradise.
- Teleportation and astral projection become common place.
- More assassination attempts.
- True meaning of "the beast" whose number is "666."
- A warning from Mars.
- Solar Star—healer for earth.
- Aura Raines—female pilot of a spaceship speaks her mind.
- There are those in the Universal Council who would like to intervene.

DON'T LET DARKNESS STAND IN THE WAY

Now it is time for all truth seekers to find the light. Don't be left in the dark. Order your copy of the NEW WORLD ORDER today!

Several years ago a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar—Commander in Chief of the Free Federation of Planets," started to speak. During the course of the next few minutes this alien being told about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE

SPREAD THE WORD — JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special moment to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of Ashtar's existing new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

his easy humor and his penetrating insights into the religious implications of OVNIs or UFOs.

Remember the movie *The Day of the Dolphin* starring George C. Scott? It was about a scientist who learned to talk to dolphins. In real life he is Dr. John C. Lilly, one of the great geniuses of modern science. He attended the congress with his sparkling wife Toni. Together they gave a fascinating presentation on the problems of communicating with other life forms. Dr. Lilly is also the inventor of the isolation tank...which was used in the film *Altered States*. He is not only a potential Nobel Prize winner, he is also a UFO contactee and publicly described his experiences with the objects and entities.

Two famous Spanish authors, Andreas Faber Kaiser and Juan José Benítez, followed a more familiar course, advocating the always-popular extraterrestrial theory. Benítez has sold more UFO books than any author in the world. Mr. Kaiser was the editor of the Fortean magazine *Mundo Desconocido* which received all kinds of awards and was one of the most outstanding journals in the field until its demise in 1982.

I, on the other hand, took the opposing Ultraterrestrial side, stunning the convention with a speech showing the comparison between witchcraft, black magic and the occult with the modern UFO reports. I contended that the whole extraterrestrial concept, is merely a contemporary explanation for events we cannot understand. Former priest Frelxedo, Dr. Vallee and others seemed to agree with me. Dr. Jacobo Grinberg Zylberbaum, a psychologist and neurophysiologist from Mexico, lent erudite support to my conclusions with a lecture titled: "A Comparative Study of Psychophysiology of the Creation of the Experience". It was a followup to Carlos de Leon's talk on the nature of reality.

In fact, analysing the true nature of our reality became a central theme of the congress except, perhaps, for Dr. Javier Cabrera Darquea's fascinating address about the thousands of mysteriously engraved stones he has discovered in Peru. Dr. Darquea, a famous surgeon, has spent years collecting and studying some 11,000 stones covered with carvings which he says show advanced knowledge in medicine, astronomy, geography, etc. "Millions of years ago," he wrote in his book *The Message of the Engraved Stones of Ica*, "men of unimaginable wisdom and amazing antiquity came from an established planet of the cosmos and arrived on Earth when life on our planet was still in the early stages of

evolution..." Why they bothered to leave their mark by carving on thousands of small stones is unexplained.

With his inherited gift for languages, Charles Berlitz became a favorite with the members of the press who attended. But the real "star" of the show was a modest engineer from Venezuela...Enrique Castillo Rincón. Although he is a very famous personality in the Spanish-speaking world, he is little known to most Americans. Unlike all of the other participants, Mr. Rincón has not published any books.

Rincón's amazing story began in the early 1960's when he and another engineer were installing scientific instruments on the edge of a volcano in Costa Rica as part of a government study. Suddenly a high-pitched whine filled the air and a circular object flashed over the volcano. Both men were instantly paralyzed and remained so for about seven minutes. Then there was another ultrasonic whine and they were able to move again. In the months that followed, Rincón had more sightings and experiences. Eventually he not only had a contact episode, he later began to meet with the pilot of a UFO who was now dressed as a normal person and called himself "Cyril Weisz".

The South American press carried articles about Enrique and while he was living in Bogotá, Colombia he was approached by two men claiming to be from the U.S. Embassy. They invited him to visit the United States "for tests" and promised him he would be well-paid for his time. So he voluntarily agreed. The two men accompanied him on a commercial airliner to Washington, D.C. where they were met by a limousine with heavily tinted windows. For an hour or more, they drove around, trying to keep him distracted so he wasn't able to look out the windows. Finally, they arrived at a hospital-like building set in a forest or park. Since Enrique had never been in Washington before he was not familiar with the location. (It could have been the C.I.A. complex outside Fort Meade, Maryland.)

In the hospital, Enrique was surrounded by nurses and doctors who spoke perfect Spanish. He was served meals of all his favorite Latin foods. For three days, he was subjected to all kinds of tests including, apparently, injections of truth serum and hypnosis. Although all this happened in 1974, according to Enrique, he has total recall and is able to describe the doctors, nurses and building. There were other "patients" but he had little contact with them. It is clear that the people in this installation were trying

MORE CLOSE ENCOUNTERS OF THE SPIRITUAL KIND...

by Phillel of Mark-Age

Let us voyage into the realm of the psychic and investigate more close encounters of the spiritual kind.

Many years ago the space visitors revealed that they would make contact with us in a number of ways, including through psychic and dream experiences. All of this would be part of the conditioning process to make man of Earth aware of and receptive to visitors from other planets.

One interesting side note to this is that these psychic experiences are not just occurring to light workers who already accept and work with space phenomena. No, they are happening also to many others who have psychical close encounters that end up transforming their lives and stimulating further psychic experiences. More and more, this is drawing the attention of scientists and others in the field of ufology.

So, let's get on with our investigation. In sharing these experiences, I'd like to point out some of the correlations between psychic encounters and actual psychical encounters, to show you how there is a blending of the two levels.

The first experience is a dream reported by one of the staff members here at Mark-Age.

"I was standing with a group of people watching a flight of UFOs. Suddenly, one approached us and hovered just above the ground. It was a

emotional and physical bodies of this individual, temporarily throwing him out of balance until a new alignment at a higher level could be achieved.

Are you surprised to learn that these same temporary symptoms also have been reported by physical contactees? Many times these symptoms have been associated with what some have only been able to describe as a form of radiation sickness, induced by coming into direct physical contact with the higher electromagnetic force field of a landed UFO. Happily, the typical result of such an encounter is an eventual return to full health and balance.

Now I don't want to conjure up fear with the use of that term "radiation sickness." Exposure to landed craft, however, can have its potentially dangerous effects. This is due to the difficulties of attempting to mesh two different vibratory levels.

So, we always have admonished that if you experience a physical landing you should approach the craft only when you have been given a clear indication that it's safe to do so; and even then, approach with caution. Notice I did not say "approach with fear." Rather, always approach with joy, love and welcome, for it is in this consciousness that these visitors travel to Earth.

Yet, we still have to realize that manifesting spacecraft from higher

IT MAY SOON BE YOUR TURN TO HAVE A CONSCIOUSNESS LIFTING!

round disc-shaped scout craft seating four persons side by side...The people were human but with faces somewhat different....One beckoned to me and, as I approached him, asked if I wished to ride with them. Of course, I accepted eagerly and stepped on board, seating myself beside him.

"He turned to me and said that I might experience some nausea but the trip would be safe. I replied that that would be alright, since I experienced nausea infrequently. Then we flew off. I do not recall anything else before awakening."

In this congenial dream encounter, I was struck by two things: 1) the direct mention of nausea; and 2) the lack of recall, or amnesia, about what took place after flying off. Though this contact occurred at a psychic level, these same two symptoms have been experienced commonly by contactees having psychical encounters with landed ships and humanoid.

These experiences—nausea and amnesia—are related to the change in vibratory frequency that occurs during a space encounter. In other words, anytime a contact occurs, a synchronization of energy levels must take place: their fourth dimensional or etheric frequency (or even highly refined psychical frequency) with our comparatively dense, psychical, third dimensional frequency.

In order to move into our plane of existence and reality, the space visitors must transmute or lower their level of vibration in order to materialize and appear solid, or even semisolid. At the same time, the contactee is being raised in vibration: his mental, emotional, psychic or astral, and psychical aspects or bodies are being more finely tuned up, so to speak, to a level that will mesh with the vibrational level that is being lowered into our dimension.

To those contactees whose bodies have been adequately conditioned and aligned with higher spiritual levels prior to contact, these same symptoms may not appear; or at least the reactions may not be as severe. Reactions, of course, are entirely individual, and will always depend on the circumstances peculiar to the contact. But conditioning of the four lower bodies remains part and parcel of aligning oneself with space contact. For this reason, it is important for us to work on ourselves spiritually, to prepare ourselves to receive higher vibrational input; and also to be receptive to conditioning from the space visitors.

Let's move on to the next experience. This was shared with us some time ago by one of our group leaders.

"At our meditation meeting, I had a space contact in which I psychically saw a craft over our house. Also, I experienced several rushes of energy through my body. The next week I had many physical symptoms, including high fever two days, a 'strange' sort of sore throat, as well as feeling very emotionally 'delicate.'"

Now, what can we gain from this sharing? Well, what we have is a spiritual transmutational experience which reverberated through the

dimensional levels, including higher physical levels, is an intricate procedure that involves complex preparation of land, atmosphere, animals and people who may be involved, so that potential damage or imbalance is eliminated or alleviated. This preparation can take months and years to bring about before a landing can occur. Also, at the actual time of landing, it can still require some time to properly synchronize the vibrations.

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of castingspells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible for the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different cultures—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid...information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS JESUS WAS CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid which will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale: earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

weeks before it passes behind the sun and then reappears," noted the authority on historical geography and archaeology.

We need not question ourselves as to what impact the birth of the Christ child has had on our earthly existence, for it undoubtedly has been the most important event to take place since the creation of man. The fact that Halley's Comet could have been the Star of Bethlehem shouldn't be at all disturbing to even the most hardened fundamentalist as in the Book of Genesis it says that "the lights were placed in the heavens for the determining of the seasons and the giving of signs." Most certainly the Star of Bethlehem was the "sign of all signs," and there is a good chance that Halley's Comet to this day continues to be a "sign" of tremendous things to come as our planet approaches a vibrant New Age of change.

Some might ask "what is the difference between Halley's Comet and any other comet?" Well, the difference is that history has shown Halley's Comet to be a great transformer not just due to its periodic appearance in our solar system, but because it is accompanied by specific solar and lunar eclipses that really are responsible for its overall influence. Such is the thinking of Mr. J.P. Daniels, a long time astrologer and friend of mine who has traced the impact of Halley's Comet from most previous its appearance in 1910 back to Biblical times.

As of this writing, we have already experienced some of the solar and lunar activity that is identical to that of the year 1910 when Halley's Comet was last seen. On April 9, 1986 there will be another solar eclipse. On April 21, there will be another lunar eclipse. In April of 1910 there were two major solar and lunar eclipses which were responsible for bringing the world to war. This passage of Halley's Comet may be the one to bring great devastation to the earth, especially when we realize that now we have powerful nuclear weapons which did not exist at the last appearance of the comet. And let us not forget that in the Bible it is mentioned that on the plains of Esedraelon near the river Chibar many battles were fought. This is in the area of what is now Lebanon which was called "Har Megiddo" in the Bible, the site of the last battle of Armageddon which probably is not too far off with world tensions the way they are today, especially in this exact same local.

As far as natural disasters go, a look at the nightly news on T.V. will convince you that the planet is going through many changes. There are serious droughts, volcanic eruptions, earthquakes as well as a rash of other disasters. Back in 1910 there were great rains which flooded cities in Europe, mud slides and negative conditions which were to develop into an outbreak of war. It seems that every time Halley's Comet comes our way there are assassinations and attempted assassinations. World War marked the end of the great monarchies, and as Halley's Comet pulls further away from the sun in September, 1987, the world will, I believe, start to see a great political change in which at least seven world leaders will fall.

The reason for the downfall of these rulers can be found in the planetary placement of Neptune, Saturn, Uranus, and Pluto. Also, it just so happens that these planets will, in addition, have an adverse effect on organized religion which will in many cases begin to topple along with other recognized symbols of the Piscean era which is now dying out to make way for the Age of Aquarius. Another area to be strongly affected will be organized crime. As Pluto starts to show its influence (as it did in 1910 with the last passing of Halley's Comet) there will be further turmoil amongst organized crime. Pluto, after all, controls the underworld and already we've begun to see a drastic increase in the number of gangland-style executions with some of these "rub outs" taking place in the streets of New York at the height of the rush hour.

So dear reader, yes, there is every reason to believe that Halley's Comet is still having a strong influence on all of us even if you can't see it any longer. But take heart, I am more optimistic than ever that good things are coming up ahead for those of us who do not give up hope. For it is my sincere belief that man's urge to create will ultimately be stronger than his urge to destroy.

for my return trip to Philadelphia. At this time one of the messengers of Light manifested and encouraged me with a gesture of blessing in my determination to do my work for the Kingdom of Light.

Before giving my closing remarks and words of blessing, I want to tell you of a recent vision. It was late at night and I was working on a forthcoming book, when suddenly, the scenes of the room vanished and a great multitude of people appeared. These people looked fearfully and a great light which appeared and became brighter by the second. And then it was as though an intense heat emanated from the light and their clothes melted off of them, and they stood naked before this great light. Then I noticed that a mud like substance began to form over the bodies of these horrified souls, and they began to scramble violently to escape the light. Suddenly a voice said, "these are the souls of them who have failed to enter the path of Light to bring about the progress of their own souls, some through slothfulness, others through dedication to evil principles. The closing of a Cosmic Day and the Great Judgement is near. Therefore, tell the people that now is the time to look within and find the Kingdom of God. It is time for souls everywhere to awaken to their true nature in relation to the cosmos."

Dear friend, I strongly suggest that you read my new book "The Final Solution" published by Inner Light. It reveals life's mysteries in a simple, yet profound manner, which will give you the power to overcome your problems and take control of your life. You will receive, with your copy, a lovely crystal heart which the Masters of Wisdom have inspired for your protection and good fortune. And now, I pray God's blessings come to you in every way. May the Light of God surround and protect you, and may peace be with you always. Amen. ★

SPIRITUAL ENCOUNTERS Continued from pg 12

For example, there have been reports of craft having landed; and while on the ground they continue to glow, to change colors, to solidify their vibration, and finally to manifest as a shiny metallic disk. This is indicative of the step-down process inherent in physical materialization. So, use caution and discernment, yet approach with love.

It's important to recognize that the space visitors never intentionally harm anyone. Their purpose is to assist man in his spiritual transformation into Christ awareness and expression. They aid us in any number of ways, such as through thought projections and through the use of special space beams to heal and to stimulate our spiritual centers, thus helping us align ourselves more readily to our higher consciousness.

But transmuting ourselves to higher spiritual alignment, as we all know, is not without its temporary side effects on the mortal bodies.

Let's continue with our last close encounter of the spiritual kind. This dream also comes from one of our staff members.

"As I was looking up at the clouds, I spotted a cylindrical spacecraft. It was silver with a smaller cylinder on its side. Without another thought, I lifted off the ground—somewhat like a superman—and pursued the craft, which began to climb up and away as soon as I spotted it. Even though I was moving as fast as I could, I knew I could not catch the craft.

"So, at the top of my voice I shouted, 'Welcome, visitors from other planets!' My thoughts must have been telepathically sent to the beings in the craft, for there was no way for them to hear my shout. Immediately, the craft stopped, then turned around and came toward me. Simultaneously, it began to light up, getting brighter and brighter....

"As I watched the craft approaching me, without warning I suddenly blacked out. Before this took place, I was happy the space visitors had returned as the result of my welcome call."

What a marvelous demonstration! UFO report files, of course, are replete with examples of telepathy exchanged between spacecraft occupants and contactees, including some where movements of the craft correlated with what the contactee was thinking or projecting. Also, there are a few reports on record of levitations having occurred as a result of being in the vibrational force field of a spacecraft.

But again, we have here a blackout into unconsciousness. This too has happened time and again in physical encounters, and is due to not being able to handle the dramatic change in vibratory frequency. Many times contactees either have lost consciousness; or have gone into semi- or full trance-like states; or have been induced into an out-of-the-body projection, wherein the rest of the encounter is experienced primarily in the astral body and not the physical body. Most of the time the result is total or partial amnesia, whereby recall gradually may return months or years later, or will be evoked through hypnotic regression.

Now, what we always have to be careful to discern is that since close encounters induce these altered states, any information consciously retrieved has to be filtered through the individual's subconscious; which means that discoloration of the event can occur due to the person's emotional fears, or mental biases, or simply to the trauma produced as a result of coming into contact with something completely alien to everyday experience.

So, any investigation of such cases must take these things into

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

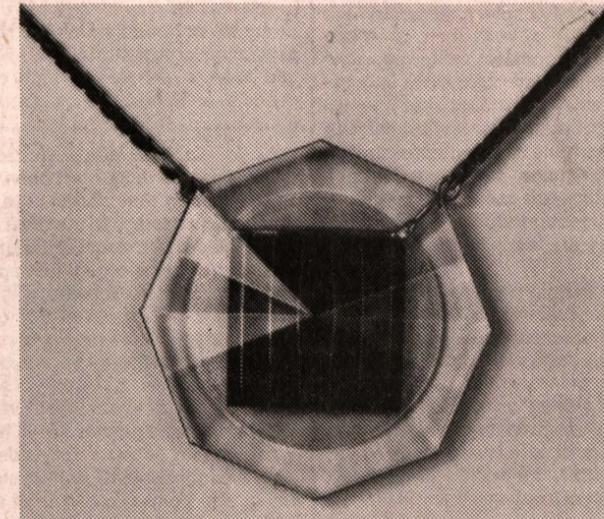

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort led him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

UFO REVIEW/16

UFO REVIEW: How did you become first interested in the paranormal?

HARRY LABELSON: I had a UFO experience in 1955 while I was a senior in high school. Adjacent to the school was a baseball field. We were on lunch break, and I had wandered over to the field just to get away from everybody—to get a moment by myself—when I looked up in the sky and saw a metallic disk. It appeared to be floating as if a leaf had fallen off a tree, making swishing noises from left to right. I blinked my eyes in disbelief as I had never been exposed to anything of this nature. I had no interest at all in UFOs. Then, of a sudden it shot off over the horizon and just disappeared. Unfortunately, nobody else saw it, so I was the only witness to the event. The sighting sort of peaked my curiosity and that was how I got involved in UFO search.

UFO: How did you come to take a job at OMNI Magazine?

HL: It was through a quirk of fate. I was working in New York City and, being a photo-journalist I was pretty adept with a camera, so I went up to OMNI at the suggestion of my agent, to do a photographic story on Dr. Shuttles, who was a famous doctor who had devised an embryo implant and was one of the first pioneers in artificial insemination. As a result, I met the managing editor of the magazine, and even though the deal happened to fall through I started hanging around the office. One day the managing editor said to me, "Look, can you write?" to which I replied, "Of course I can write." Actually I really hadn't extended myself in that direction since my interest is mainly in photography. He says, "Since you did have one UFO experience from what you told me how would you like to do a column on what the state of the situation is regarding UFOs worldwide?" Being very brainy I said, "Well, sure I'd like to do it. Just tell me what you want and how much time I have." He pointed towards his secretary's office. "Why don't you go and sit down there you can even have free use of the phone." So, naturally with free use of the phone, I was able to get sources anywhere in the world. What I did was take about two weeks and wrote an article. The editors all liked it a lot and it got published. That was the beginning of my two year stay at OMNI.

Interview By Timothy Green Beckley

UFO: What was the article of?

HL: Worldwide sighting of UFOs. Not from the beginning of time, but from about 1960 to 1980.

UFO: For the most part, OMNI Magazine has presented itself as kind of a negative voice on UFOs in particular, and psychic and paranormal events. In general did you find yourself at odds with the governing management there as to what you could say, what you could print in your features?

HL: No, I didn't, because at that time OMNI was pretty open-minded regarding UFOs. In fact, the UFO Update column, which is now sectioned off in the rear of the magazine in the "Antimatter" section, was once a predominant column in the magazine where you could print up to 2,000 words. There was no interference from management. As long as I could document what I was writing about, they felt free to print it, supplementing that with photographic evidence of one kind or another. For the most part, I felt I had a lot of freedom up there and I was able to exercise some kind of discipline as to what would go in the magazine in conjunction with the managing editor's decision. I tried to present an objective look at the UFO phenomena. I didn't go in for contactee stories. I didn't go in for anything that could not be based in some way, manner, shape or form on some kind of evidential material.

UFO: Was there ever anything that you saw that crossed your desk that you wanted to publish which they told you not for any reason?

HL: Well, yeah. There were some photographs that were sent to me. For instance, the Lake Ontario color slides that you sent me. I found those fascinating as there were many witnesses who said these craft were shooting out of the lake regularly. But the managing editor said, "There's really no documentation to back them up, so we can't just run a pictorial on UFOs. So we're just not gonna go with it."

UFO: Where would you say the UFO phenomena stands today as opposed to when you were working at OMNI?

HL: Well, today I think there is a great deal of negativism in the field in general. There are next to no magazines publishing any UFO information. What is published—what is coming out of OMNI right now—I think, is totally negative. Basically, they cater to anti-UFO points of view not only in the UFO column but in other columns and in interviews where questions are asked about UFOs. The subject is sort of scoffed at by saying there is no physical proof which happens to be a matter of fact, not fiction.

UFO: Now, is that because there is suppression at some point? Or, has the government told them not to publish this? Or, just why do they take this anti-UFO attitude?

HL: Well, if I was paranoid, which I don't think I am, I feel there must be some kind of problem there because for two years—while I was there—a liberal attitude prevailed regarding UFOs. Since then, the attitude's gone around 360 degrees, and what they print now is not at all tangible. A lot of the pieces they print deal in the abstract. They don't deal in nuts and bolts, any longer. And even if they present something as evidential—such as the Westchester "boomerang" sightings, they usually end the piece in something that denotes a sense of fantasy, so that denigrates the rest of the piece and voids it, altogether.

UFO: Do you think this attitude stems from their contributors being who they are, like the Amazing Randi and Isaac Asimov?

HL: Well, I think people like Randi naturally want to debunk the phenomena, because it doesn't fit in with their concept of reality and so they feel threatened. The skeptics are afraid of all the possibilities. How are they gonna adjust to a new sense of consciousness? How do they fit into the scheme of things? Also, if they make their money debunking UFOs—if proof is finally given in some material sense where scientists can, in a nuts and bolts way, prove the existence of UFOs or any kind of psychic phenomena—then these guys are gonna be out of a job.

UFO: Now, you've investigated a lot of cases first hand, not only while you were at OMNI, but since you left. What would you say is the best evidence as far as you're concerned, that UFOs are not a figment of the imagination?

HL: I think the case involving Betty Cash and Vickie Landrin which took place in December of 1980, along a highway in Texas, best proves the existence of some kind of phenomena. Their exposure to gamma radiation from some type of diamond-shaped metallic object, and then having the government deny that they have any type of prototype object which could have been responsible for that radiation, seems to indicate to me that if it isn't a government prototype, it certainly can't be an object from the Soviet Union because that would show that our defenses aren't worth a hoot. So, what I think this does is indirectly say that if it's not one of ours, it's gotta be one of theirs. "Theirs" meaning something that we can't explain. Possibly an extraterrestrial object.

UFO: This is the case where the witnesses reported seeing a number of, I believe it was 21 or 22, helicopters in the vicinity actually circling the object as they watched from beneath, in their car on a deserted road. Wouldn't that indicate that the government knew of the existence of the craft, being in the area?

HL: Well, whether or not they picked this UFO up on their radar and sent the helicopters up to intercept the craft...whether it was a government prototype in trouble and the helicopters were there to try to intercept and

haul it back to possibly Fort Hood (which would possibly be the nearest base in that vicinity)...is a question that has yet to be resolved. The question also remains as to who is going to pay the hospitalization costs for these women? And who is gonna give them some kind of monetary payment for the damage that they've suffered physically?

UFO: I understand that one of the women involved has had both her breasts removed due to cancer.

HL: That's what I understand.

UFO: And what about some of the other symptoms?

HL: Some of the other symptoms have been that Vickie Landrin—the elder of the women—has suffered severe cataract deterioration of the eyes where she no longer has vision or very little if any vision in one eye. The experience has handicapped them in numerous ways. Physiologically it's upset their body chemistry.

UFO: What about the boy who was present, was he hurt?

HL: You mean, Colby the nephew of Vickie Landrin? He was the third individual in the car to view this object which was hovering over this two lane highway at treetop level. And it was that exposure, that two or three minute exposure to the object which was spewing sparks and flames out of what I believe was the base of the object, that caused all the radiation damage. Fortunately, the women sent the boy back to the car so, he suffered minimal damage.

UFO: There is a case in court at the moment whereby the witnesses are suing the government.

HL: Actually, the case is in limbo. They are waiting for a judge to make a decision. The last I heard, the government filed for a discontinuance on the case, claiming that there's not enough evidential material, that the women don't have any evidence to present in their defense. In addition to which, I found out that the government, even if it was a top-secret prototype vehicle made in the U.S.A., and the women accidentally came in contact with it, that the government is immune from prosecution under law.

UFO: And why is that?

HL: There is a law on the books that states that the U.S. military, or the government is not responsible, that the people should not have been there in the first place during a test. This is totally irrational to me.

UFO: There is a whole series of incidents that you've been involved with, in the Westchester county area where probably upwards of twenty thousand individuals have now professed to have seen this giant boomerang shaped object in the sky over various communities in upstate New York. I understand that your own experience involving UFOs in this area goes back a year or so before the actual incident received publicity in the local newspapers.

HL: Yeah, I had a series of sightings in a small town in New York state about twelve miles outside of Middletown called Pinebush, where I along with other witnesses saw an object that fits the description of this Westchester boomerang or whatever you want to call it.

UFO: What, actually did you see? What were the circumstances?

HL: It was evening. The sky was very dark blue at this point, and we were there because a young couple who had recently settled in that area had reported experiencing UFO phenomena. We were there pretty much as interested individuals, not representing any investigation group or anything.

UFO: You were still on the staff for OMNI at the time?

HL: I was still on the staff at OMNI at the time. We were trying to see if there was any validity to the couple's repeated experiences. You might say we were just acting out of curiosity when we saw this triangular-shaped thing which was approximately as big as a football field, pass to our right over an empty farm field that had recently been plowed. It made no noise. At the exterior points of the triangle which appeared to be equilateral, there was a red light. What we, in essence saw was a black silhouette against a dark blue sky that blackened out the stars that were out that night.

UFO: How many other witnesses were there to this?

HL: There were two of us; Ellen Chrystal and myself.

UFO: But, on other occasions you did bring other people up to this area and they witnessed the same thing themselves?

HL: Yeah! We had brought up a physicist from Stevens Institute of Technology, New Jersey and he had independent sightings during the night that he was up there. We also had police from the various nearby counties who also witnessed the phenomena. People seem to have taken an acceptance to what they see up there. We did a segment for the syndicated PM Magazine TV show and in that segment I stated that people have come to sort of accept the phenomena as you would an uninvited guest for the weekend. Even with the Westchester sightings, eventually we're going to take a much more casual attitude toward it, even though there now seems to be a pressing situation, to find out what it is folks are observing.

UFO: Indeed, with all these people having sightings on a regular basis, why isn't something being done about it?

HL: That's a good question. I'd like an answer to that myself. I don't

By loosening the bonds of the flesh through complete relaxation and metaphysical guided visualization, the essence of a person's awareness can be freed to soar in the ASTRAL SKY. Once experienced in this method of ASTRAL TRAVEL, it is easy to transfer awareness at will any time, both to and from the ASTRAL REALM . . . while retaining the infinite knowledge and wisdom of these incredible travels.

Your new powers will bring you gifts of health, wealth, creativity, and good fortune.

Once you have learned to transfer at will to the ASTRAL REALM, you will have access to all kinds of secret knowledge and abilities. A feeling of peace and contentment will come into your life as you gain more and more control over your ASTRAL JOURNEYS . . . and learn to tap the incredible power of your natural psychic abilities.

Four easy steps to Psychic Power and Astral Travel—

Arlene's complete program consists of four Metaphysical Visualization™ Cassette Tapes, described in detail below.

Step 1 - RIVER OF LIGHT—Total relaxation is crucial to successful ASTRAL TRAVELS, especially during the entry and re-entry phases. Arlene gently guides you to visualize and merge with the "River of Light," which will cleanse your body/mind of harmful stress and negative thoughts. Feel all tension wash away as you immerse yourself in Arlene's soothing voice and the healing sounds of a bubbling river, blended with cosmic music.

Step 2 - CREATIVE DREAMING—Before engaging in conscious waking ASTRAL PROJECTION, it is important to learn control of Dreaming. Listen to side one as you drift off to sleep, and you will learn the power to recall your dreams. This is an excellent way to solve problems and resolve inner conflicts. On side two, you learn to consciously experience and control your dreams through the process of "Psychic Daydreaming."

Step 3 - MIND EXPANSION—Through these guided meditations, you will transcend identification with your own negative thoughts and be free to re-establish your connection with all things. Arlene guides you to immerse yourself into stillness . . . feel your "Self" as unlimited . . . and then expand your mind beyond your body and out into the universe. Now, deeply relaxed and totally aware, you can see yourself in a new light—the light of "universal vision."

Step 4 - ASTRAL MEDITATIONS—With the metaphysical visualizations on this tape, you will finally transfer consciousness from the physical to the ASTRAL BODY. You will transcend negative attachments and experience higher states of awareness. Side one contains a special deep relaxation, preparation and focusing process, bringing together everything you have already learned . . . culminating in the gentle directed out-of-body experience on side two. Numerous students have written to Arlene describing successful ASTRAL

JOURNEYS, and we welcome you to report your similar successes.

INTERVIEW
Continued from pg 18
A relaxed chat on a variety of offbeat topics was carried out recently in Miami by (Left to right) hychlc Maria Carta, SAUCER SMEAR publisher James W. Moseley, ex-OMNI editor Harry Lebelson and Tim Beckley (Who can't be seen in the picture since he is holding the camera).

know, although in Pinebush the local police accept the phenomena, realizing there's nothing they can do with it. They just don't have the sophisticated facilities to investigate it further. So, all they do is make reports on what they see. And the same thing with the nearby Bridgeport, Connecticut police and the Westchester county police. Nothing ever seems to go higher than that. It stays just a report, and is filed away in a file cabinet amongst other things.

UFO: But as far as you know, there's been no involvement by the government in any of these investigations?

HL: None that I know of.

UFO: But yet there always seems to be someone who has a pat explanation for the sightings?

HL: Well, yeah. Discover Magazine, as far as that Westchester thing goes, ran what I guess they call an expose. They said it was a group of what they call "lights," which are very light planes which fly in formation. I assume these planes were flying in formation long before the Westchester phenomena manifested. They're trying to say that these planes are responsible for all these sightings. As far as I'm concerned there's just too many sightings for those planes to have been in the sky on all those occasions. And, the occasions vary to such extremes that it makes sense that the planes are not responsible for the phenomena. Not only would they not have the facilities to be in the sky at all the times designated for the sightings, because by now the list of sighting has gone up in number, I would say over a thousand at least. And another thing is that the V-shaped formation of lights which appears to have been seen, are always equal distant to each other in flight. If the object were a group of planes the light patterns would change in the sky as the planes turned. This is the major problem with that explanation. Not even the Blue Angels are that perfect.

UFO: We're talking about sightings that happen almost always after dark?

HL: In the case of the Westchester and Pine Bush sightings it's been nocturnal. I only know of one case that there's been a daylight sighting and that was near Great Gorge by the Playboy Club. In fact, I saw photos that were taken by this guy who was barbecuing with his wife in the backyard of their home. They looked up in the sky and saw this disk, and had a camera and photographed it. But since the photographs were "grab shots" all that came out on the film was a slightly blurred image of what looks like a disk. You could never make an analysis from the pictures because they were too vague.

UFO: The hundred thousand dollar question remains, from your own personal experiences and even from talking to other people, do you see any pattern or purpose behind the appearance of these objects in the sky?

HL: No, I don't see any particular pattern. I don't see why an object with the dimensions that's been credited to this Westchester thing, would want to fly over a heavily populated area. Not only is it a heavily populated area, but the type of people who live within the confines of the Westchester area are very highly educated professional people. Not that professional people are any better observers than working class, lower level income people, but the fact that it would fly over a heavily populated area, where people who have a higher intellect live, and continue to fly back and forth, is totally irrational in my book. I don't know what would be gained by doing that.

UFO: In addition to UFOs, you've also made a study of two other paranormal areas. One is of the so called phantom hitchhikers that have appeared on a worldwide basis. The other is of the mysterious panther-like cats that have appeared in areas where there are supposedly no pantherlike cats. Can you give us some incidences that you've investigated of these paranormal happenings and also how they might tie in with UFOs?

HL: That's what I'd like to talk about first because the reason my curiosity was aroused as far as phantom hitchhikers and phantom panthers, goes was because I thought that there might be a connection between the mechanism involved with this type of phenomena and the mechanism involved in UFO sightings. Yes, I think there could be a parallel. We have to ask ourselves, how do UFOs appear and how do they out distance our fastest planes? Is it speed or is it the fact that we're dealing with a phenomena, as Dr. J. Allen Hyner has suggested is interdimensional? What if there's a parallel universe? What if there's a parallel world, another dimension where a different system of physics applies, something that maybe Quantum physics is just beginning to on at this point in history? Maybe the riddle can be unlocked through using Quantum mechanics as a level to get through the doors that lets this phenomena manifest.

UFO: What are some of the cases of phantom hitchhikers....

HL: Since I've moved to Miami Beach, I've come in contact with a person who's wife was a librarian at the Miami Beach Library not too far from my home. She told me that I should get to meet her husband because he has experienced something very interesting and he might like to relate it to me. Finally, one night we got together for dinner at her house and I met her husband who was in military intelligence during the second World War. He was an investigator in the Office of Special Investigations and was sent to a military base in England that Britain shared with the United States in that both British planes and U.S. planes would take off from there and make raids on Germany. He told me that he was sent to the base because an airman had been killed on the flight line while refueling one of the planes, and, his job was to investigate this shooting. What he claimed was that he had interviewed a sentry, an American airman who was on duty near one of the planes that were being refueled, when he saw an individual running across the field. He had hollered, "Halt!" to this individual, but the figure didn't stop. The sentry then shot at the individual with his rifle as he had been commanded to do seeing that this was a security zone. Being that he did not see anyone fall to the ground, he went on the field and headed in the direction of where he had seen the individual. It was, he noted, pretty dark out being there were only a few landing lights on the field. The sad part is that the bullet he fired hit a mechanic who was working on one of the planes and killed him. So, my friend had questioned this guy and he said he definitely saw what appeared to be an airman. He saw a guy in a helmet, with a fur collar on his jacket, running across the field, and he told him to halt and the guy didn't halt and he fired at the guy because he was commanded to do so. In order to get to the bottom of the situation—to see if there were any other witnesses—they queried some of the other airmen, both British and U.S. who were stationed at the base. One of the airmen told a story that appeared to have great significance. He

had been driving a jeep on one of the roads parallel to the runway delivering coffee to some of the guards on duty. As he was driving along a British airman flagged him down and asked him for a ride. So he says, "Sure Mack jump in."

According to his story, the guy hopped in next to him dressed in full British pilot's regalia—the whole outfit—including the bombardier helmet with the guard that goes over his eyes. Moments later, the British soldier says, "Hey Yank, do you have a Camel cigarette?" The guy was driving, and to his right was this RAF pilot. So he says, sure, and he reaches into his pocket, and gets out a cigarette pack and handed it to him. The guy took a cigarette and gave back the pack. They had just gotten to the edge of the flight line where he was gonna give the sentry the coffee when the guy next to him said, "Hey Mack, do ya got a light?" With that he took a lighter out of his pocket and flicked it when all of a sudden the lighter fell to the seat. And he looked around. There was nobody there. So he panicked. He took the jeep and he backed up on the flight line and jumped out of the truck and looked around. This guy was gone. The fellow, Ben Bordeaux, who was the OSI officer, was totally incredulous at what they guy had said. So, what he did was go to the control tower of the airport, which was a British airfield before the Americans had gotten permission to share it, and looked in the record books. There on file in the ledger, was a story which dealt with a crash landing of a British bomber that had gotten shot at by the Germans over one of the terminals. The pilot had radioed that he was coming in for a landing, that the plane was badly shot up. The plane came in and crashed, and the rest of the airmen rushed over and found the British pilot dead. He had been shot, and he was dead when he landed. As a consequence of this story, they started asking around the field and discovered that other airmen at the base had reported seeing and having interacted with what they described as this phantom hitchhiker. As a result of that, they found the airman who fired the shot innocent and let him go.

UFO: How many cases of phantom hitchhikers are there?

HL: There seem to be quite a few. There's a girl in Connecticut who didn't pick this person up, but the guy at the side of the road holding a sign that said "Home" on it. As it turns out she went to eat at this restaurant nearby and when she came out she again rode up that highway and, on the opposite side of the highway, she saw that figure again with the sign that said "Home." She pulled over to give the guy a lift, and as she pulled the truck over, she said he vanished right in front of her. So, she went home. And what did she find? That her father had had a heart attack and was laying on the floor. And she called the emergency squad and was able to save her father's life.

Another woman in Oklahoma who I spoke to on the phone told me she had also interacted with the phenomena known as the phantom hitchhiker. She had been going to see her sister in Claymore Oklahoma, which is about an hour ride from her home, and it was dusk as she made this curve in the road near a school. It was winter time, and she saw this boy along the side of the road who had on only a light shirt and a pair of slacks and sneakers. She pulled off the road and asked if she could give him a lift to which he says "Yes, I would appreciate that." The boy who was about 12 years old-started up a light conversation telling her how much he liked her car. She said she thought he was a very nice boy, but what was he doing out there? He said he was playing basketball. Now, where she picked him up, there was a school but there was no basketball court that she could see. He talked about his home and when she asked him where he came from, he told her he had a sister and his mother and they lived just up the road a piece. As she drove up the road and it was a very winding road, they came to this convert and he says, "You can let me off over there," pointing to his right. She looked around when he said "over there" to see where he was pointing, and the kid vanished.

UFO: What did she do?

HL: She jammed on the brakes, jumped out of the car and looked all around. The kid was nowhere to be found. Where he was pointing there was nothing but a desolate area, with sagebrush or whatever the heck it is that they have on the roads there. To this day, she swears the kid was as real as you or I. She said the thing she questions, which she neglected to ask him about was why he was wearing such a light shirt in the middle of winter.

So, anyway, she went home and forgot about the experience. One day she decides to have her house painted. This house painter comes in and starts painting the interior of her house. And while they're talking the guy notices that she has some books on the occult. He says, "Did you always have an interest in that?" To which she replies, "No, I didn't. But I had something happen to me that aroused my curiosity." And she started to tell him about this kid, getting into the story, and before she had a chance to tell him where she picked the kid up, he says, "I'll tell you where you found that boy." And he went on to tell her the exact location. So she asks, "How do you know that?" The painter says, "There's a story that's been going around this area since 1943 of people who have picked up a young boy dressed similarly to what you said, with brown hair and blue eyes, fair complexion, at the same location. Then she said the revelation almost knocked her down.

UFO: Since we only have a few minutes left why don't you tell us one of two quick stories regarding phantom cats?

HL: I've been doing some research on it. In the latest issue of Pursuit magazine, there was an article, a woman who claims to have taken a photo of what she described as a phantom panther because that's what it looked like to her, and that's what it looked like to her neighbor. At first it was described as resembling a bear, a baby bear, but on later examination when the color photo was processed, they found a very long tail on the animal which a bear just doesn't have. And they found pointed ears on the animal, which a bear doesn't have. The photo showed a feline type animal like a cougar. The only thing that's very suspicious is the fact that there was a collar, there appeared to be a collar around the animal. Now, there aren't any cougars in that area. There also aren't any bears there either. Nor was there a circus anywhere nearby. So, where did this animal come from? Nobody's been able to find out.

UFO: There have been reports of these phantom cats not only from the United States, but from England and other points of Europe as well, I understand.

HL: There is a book out called "Allen Animals" in which this type of phenomena is thoroughly documented. In fact, here in Florida we have our own versions of Big Foot, which we call the Skunk Monster which originally came out of the Everglades. It's been mainly seen in an area called Government Cut, which is now a marina, but, before it was just barren land with a bay down there.

UFO: What do all these mysterious animals mean?

HL: I wish I were able to discern what they mean, but what I think is interesting is, out of nowhere these animals, sort of, are just there. Now, whether they're materializing from somewhere, or whether they're all explainable through explanations—I just don't know.

UFO: I understand there have been several cases where people have cornered these phantom animals and shot at them, and they've disappeared right in front of their eyes. I know there have been cases that have been told to me, where a sheriff's posse would surround one of these creatures and shoot at him only to have him go poof, they were just gone. The same with Big Foot, too. There was a night watchman in Florida that just shot at one, and he disappeared right in front of his eyes. Then there's the case recently in Washington State of the talking bear, where this couple went into a camp and apparently this giant bear came padding through their camp and chased them for several miles actually talking to them...telling them to get out of there and not to come back. He was going to break their necks or something. Of course, they reported the experience and the sheriff and the authorities just thought they had smoked too much wacky weed or something.

HL: Well, so many people have developed different theories on this like John Keel and even Carl Jung's who said that they're projections from the subconscious mind which have manifest and actually are given form because so many human beings believe that these things exist, so, therefore, it is. Even Sigmund Freud had his theories about the collective unconscious. I think it's all interesting, but I don't think we're getting very far in solving anything.

UFO: Will the phenomena disappear as the belief in these things eradicates?

HL: I think the phenomena will disappear, personally. I know probably a lot of other people probably don't agree with that, but, I think people are getting too busy coping with everyday existence to stop for the phantom hitchhiker anymore!

DO YOU WANT TO BE SURROUNDED BY
PROSPERITY AND WEALTH?

Here is the chance to solve all your money

This is the original MONEY MAGNET—one of the world's most famous and sought-after occult talismans. First made in the 1920's by occultist ABRAHAM, and although now retired, he has agreed to make a limited number of these amazing items especially for readers of this magazine.

ATTRACT MONEY LIKE A MAGNET

Just think of it: Never having to worry about money ever again. All the riches and wealth you will ever need.

Maybe you have already asked yourself why some people seem to enjoy a life of luxury and have the knack of making money easily. A few of these folk are stars of stage and screen, business tycoons etc., but many are just ordinary men and women—just like you or I. Somehow they seem to have the mysterious power to attract money, good fortune, riches and success. It's a fact that some people are still using their MONEY MAGNET today, some sixty years after it was originally bought. Some have been handed down from one generation to the next. Not surprisingly the MONEY MAGNET is one of the world's highly-prized occult talismans—one or two of them have been sold...apparently for hundreds of dollars.

NOW THIS GENUINE POWERFUL OCCULT TALISMAN IS OFFERED AT A PRICE YOU CAN AFFORD

A large number of people are becoming interested in mystical and occult items, but many are quickly disappointed. They try a 'magic spell' and it does not work, or they buy a useless 'lucky charm' and soon realise that they have wasted their money. Now you can prove that occult forces do exist, and that mystical talismans really work. Together with your Money Magnet we will send you a chart, so that you can actually see how much it has helped you. No mind-training to do! No silly rituals to perform! IT'S SO EASY TO USE ANYONE CAN DO IT.

AMAZING...FABULOUS...MARVELLOUS...SUPERB

to find out how much he knew and, more importantly, were concerned with delving into his subconscious to find things he had forgotten.

At the end of the three days, he was ushered into the office of a man who appeared to be the head of the hospital. This alleged "doctor" went into a rage, accused Enrique of not telling the truth, said he was just wasting their time and ordered him to be released. This is a classic psychological ploy. It has been used on many other contactees such as Ohio's Olden Moore. It is designed to confuse and silence the contactee.

Enrique was flown back to South America, but he was never paid for his visit to Washington, despite the promises that had been made to him. Since then, Enrique has voluntarily submitted to lie detector tests and hypnosis in Germany and elsewhere, passing them with flying colors. In 1976, the German publication *UFO-Nachrichten* acclaimed him as one of the best documented UFO speakers in the world and "one" of the three greatest contactees of this century.

A brilliant man, scientifically trained, with a psychologically centered (balanced) mind, Enrique Castillo Rincón is, indeed, a very impressive contactee and an articulate public speaker. But all of the speakers at the Costa Rican congress could be described in much the same way. All were learned men with extensive background in science, religion and the arts. Three were medical doctors. One was a professional astronomer and computer specialist (Vallee). Two were Doctors of Divinity (Keel and Frelxedo). Charles Berlitz was able to communicate in over a dozen languages. Three were experienced airplane pilots, as well. Collectively,

this small group had published over one hundred books, several of which had been international bestsellers. Yes, it was a most impressive gathering.

A few important points were stressed throughout the meetings (which lasted from 11 a.m. to 11 p.m. daily). One was that there was considerable evidence that mankind was much older than had been previously assumed, and that great civilizations may have flourished here millions of years ago. A majority of speakers also felt that UFO manifestations were an integral part of this planet's environment and had been around since the beginning of time. These manifestations had inspired all of man's religious beliefs and had encouraged his philosophical explorations. But the millions who watch these speakers in the television mini-series will have to serve as the final judges. The convention in Costa Rica was a unique event and one that is not likely to be repeated in the near future.

consideration, regardless of what the individual claims or perceives as having happened. Of course, this makes investigation work very tricky indeed, and again discernment must be uppermost.

So, I hope this has stimulated new thoughts in your consciousness, so you can apply this reasoning to your own psychic and/or physical contacts. Let's all remain receptive to yet more close encounters of the spiritual kind. Write us, and tell us your results.

Archaeological & Biblical Proof of "GOD'S SECRET WEAPON"
THE ARK OF THE COVENANT EXISTS!

**A POWERFUL NUCLEAR REACTOR?
A RADIO TRANSMITTER**

TO TALK TO GOD?

Though the phenomenal motion picture THE RAIDERS OF THE LOST ARK helped popularize the topic, the mystery and power of the Ark of the Covenant has long been known—and respected!—by members of both the Christian and Jewish faiths. Its very existence plays a prominent role in the scriptures that make up the Old Testament.

Atop Mount Sinai Moses spoke directly to the Lord. The clay tablets with the Ten Commandments written on them were brought down and instructions were given to Moses to build a special "container" into which the tablets of stone were to be kept. A vessel or hollow receptacle used for conveyance was called an ark. The commandments were known as the covenant (thus the term "Ark of the Covenant" came into being).

FIERCE SUPERNATURAL POWERS

The lid of the ark was called a mercy seat and was made of pure gold. At each end there was a cherub or angel, looking toward the other across the seat, with their wings spread high, so that they covered the mercy seat (see above illustration). According to the instructions given to Moses, God would speak to him from above the mercy seat, between the two cherubim. Moses was also given very specific directions on constructing a tabernacle which would be used to house the Ark. Only the priests were supposed to go near the ark and they had to wear special vestments consisting of twelve jewels when using it to communicate with the Lord. Moses was told that if these instructions were not followed the Ark would become activated and could possibly endanger the lives of those who came into contact with it. The Ark proved to be a powerful nuclear reactor. On one occasion 50,000 Philistines died when they came into contact with the Ark having captured it from the Israelites during a fierce battle. "And there went a fire out from the Lord, and devoured them, and they died."

It has been estimated that the power of the Ark is greater than any atomic bomb ever exploded on earth, and yet at the same time, its energies could be used to benefit all when—and IF!—God's words are obeyed. It even supplied a primitive form of electricity which helped the Israelites to escape their tormentors and provided manna for them to eat in the desert.

THE TRUTH BE KNOWN

Biblical student David Medina has thoroughly researched the story of the Ark. In GOD'S SECRET WEAPON he explores its varied uses, how it was constructed, what it was to be used for, and what made it so powerful. His conclusions are explosive and controversial. His work is sound and scientific. He theorizes that the Ark's current resting place will soon be discovered—AND THE ARK POSSIBLY USED!—within our lives.

CAN ITS POWER BE ACTIVATED EVEN TODAY?

FASCINATING READING

The spellbinding subjects covered in this book include: • The Breastplate of Judgement. • The cloud that hovered above the tabernacle. • The mysterious death of Aaron on Mount Hor. • The crown of gold. • Electrical effects and fire from "upon high." • Leprosy and plagues caused by the Ark. • The sacrificial altar. • The Temple of the Sun.

This is the first time an entire volume has been devoted to the Ark of the Covenant. GOD'S SECRET WEAPON is fast paced, easy to follow and MUST reading. It is the most exciting Biblical story ever told... a story that every person who believes in the almighty power of God should read.

UFO UPDATE Continued from pg 1

while he was taking off from Kennedy Airport. FAA officials termed the sighting a "genuine" UFO. And as late as January, 1986, 200 eyewitnesses watched in amazement as a UFO hovered over Highland Lake in Winsted, Conn. The object was described as a cigar with square windows, and a "boomerang with red, white and green lights."

HIGH IQ UFOS

Residents were heard joking about the possible high IQ of UFOs seen in Cambridge and nearby Boxborough, Massachusetts. The events seemingly got underway on October 19, 1985, when two Boxborough police officers saw "two bright lights that lit up the whole sky and the surrounding trees." The eerie glow radiated from an object about 200 yards away from their police cruiser. At about the same time, two Cambridge area residents (Cambridge is the home of Harvard University) said they were at home watching a movie when they looked out the window and saw "two round objects the size of the moon, orangish, hovering over the field and pulsating at treetop level."

SPACE SHUTTLE MYSTERY

In the past—despite a news blackout—a good many of our space launches have apparently been monitored by UFOs. Over the years, several engineers and scientists at the Cape Canaveral space installation have told of watching unidentified craft darting around in the sky as our own rockets were sent into space.

In fact, NASA admitted that officially they were stumped by the strange light and boom that followed the take off of the space shuttle in mid November. The shuttle took off at 7:29 and was followed twelve minutes later by a "house-shaking rumbling." George Suchary was one of several area residents who say they saw a strange light hanging in the sky near the launch site. Suchary said the light moved left and right, and back and forth. "It didn't flicker like a star, and it was too big to be a star," he added. Officials discounted that it might have been a jet or a helicopter.

In light of the recent space shuttle tragedy such sightings should be investigated more fully. NASA spokesman Charles Redmond said that the space agency is interested in determining what the sound and light might be because "it would answer a couple of intriguing observations passed on to us during previous launches."

UFOS FLEETS OVER CHILE, PERU & BOLIVIA

Throughout July and August residents of towns located on the Chilean, Peruvian, and Bolivian borders were convinced they were being invaded by aliens from space. Professor Alex Clavijo was among a hundred observers who saw an "elongated body similar to a cigar giving off intermittent flashes of light," that first appeared over the city of Japa, Bolivia and then continued at great speed toward the mountains. At the University of Chile's Cerro Calan Observatory, photos were taken of a UFO that was determined NOT to be a balloon, satellite, or any other conventional aircraft. Scientists Carlos Torres and Herbert Wroblewski, claimed that they had never seen anything like this before in their studies of the universe and that the craft had the shape of a pan suspended in space that "I saw very clearly, the sun shining on one of its side."

But despite all the excitement and feeling that some of these craft might be hostile, ex-Chilean Air Force officer Pedro Castro Zapata tried to put his countrymen at ease. "There's nothing to worry about, these beings have been visiting us for a long time. They are studying us, since their only mission on earth is to keep us from destroying ourselves. They are trying by all means to avoid the feared nuclear war." He further explained that the sightings along the border were being carried out "to supply their engines with energy which they take from the highest peaks of the mountains and hills which have different underground minerals." Castro adds that he has been in telepathic contact with space beings for years and that they come in peace. "They are studying us step by step in order to be able to avoid with their presence the war between the big world powers."

Even the skeptics must have been thinking twice when following the retired Air Force officer's statement an enormous UFO strolled along the Chilean/Bolivian border and even the disappearance of six fishermen were being blamed on ETs.

ALIENS IN ITALY

Likewise, it was no different in Italy where aliens seemingly roamed the warm countryside looking to converse with whomever might pass their way.

For example, two motorists in Pordenone claimed that they were approached in their stalled automobile by several humanoid beings, while in Brescia huge footprints were found in the soft soil following a reported UFO landing. Not to be outdone, another couple said several "armless" UFOs floated toward their car.

Dr. Eduardo Rosso, president of the National Centre for UFOlogy said it was the largest number of sightings he could ever recall having investigated. Other reports came from Florence, Rome, Pavia, Bari and in

UFO UPDATE Continued from pg 28

Trieste, 28 UFOs were seen performing aerial aerobatics for well over an hour.

RADAR PICKS UP 60 "UNKNOWN" OVER TUCSON

For those who think that UFOs are normally only seen in rural or desolate areas, this report from Tucson, Arizona may turn their heads completely around.

Even the Federal Aviation Administration had to admit this was something right out of a Steven Spielberg script. There were no military flights in the area at the time to account for the blips, nor was there any atmospheric condition which could account for the sixty unknown blips which showed up in "waves" flying over the city at an estimated 7,000 feet.

The objects were monitored for about 90 minutes. Radar picked them up southwest of the city, near Ryan Field, and lost them as they flew north easterly through Redington Pass, air-traffic controller Patrick O'Sullivan announced, adding that "I have no idea what they were."

The controller reported that 15 groups of four to six objects each were monitored on the airport's highly sophisticated radar equipment. The objects were traveling at about 300 miles per hour and were seen by several dozen observers on the ground.

The case is now under investigation by the Arizona-based Aerial Phenomenon Research Organization (APRO) who maintain this to be a highly substantial episode.

UFO FOLLOWS AUSTRALIAN PREMIER

In early September, a UFO paced an aircraft carrying Australia's Premier Wran and State Agriculture Minister Jack Hallman over the north coast. The two high ranking politicians were passengers in a Government chartered jet when the UFO, which was described as "extremely bright and spherical," pulled alongside and was even photographed from the cockpit of the jet.

In a rare candid statement regarding the object, the Australian premier had this to say about the UFO: "It was quite eerie...quite spooky...and had a large oblong shape. It was very bright and shiny...I have never come across anything like it before and neither has Mr. Hallam, or the two pilots who are very experienced."

Verification that something strange was aloft in the sky came when the Sydney Meteorological Bureau reported contact with an object hovering almost stationary 100,000 feet above Coffs Harbor that appeared to be too high and too unmoving to be a normal weather balloon.

ZIMBABWE PILOTS GIVE CHASE

The identity of the bright flying object seen over parts of Matabeleland and Bulawayo, Zimbabwe, and which out performed two Hawk fighter jets is still a mystery.

The incident took place in late July and according to the Commander of the Air Force of Zimbabwe, Air Marshal Azim Daudpota, was witnessed by scores of people. The object, orange in color, was tracked by visual sightings and when finally the two jet fighter planes were scrambled the object accelerated upwards at a "tremendous speed," with the Hawks levelling off at 31,000 feet and the UFO stopping at 70,000 feet. Giving up the chase, the pilots returned to their base only to find that the UFO had followed them back and was hovering overhead, but conveniently out of reach.

MOUNTAIN HIKE ENDS IN CONTACT

The number of reported encounters with UFO beings seems to have maintained a steady level during the last few years, with news coverage of such incidents very sparse to say the least. It is only while investigating a UFO sighting that received publicity that such contacts are eventually uncovered by special researchers for the various UFO groups.

Staff columnist Bob Welch of the Bellevue, Washington JOURNAL AMERICAN had carried the sighting of a UFO seen by an Eastgate woman when regular readers of the paper started writing in about their own experiences. One gentleman, 59 year old Joseph Cook (a pseudonym), said that he had actually been taken aboard a flying saucer and was willing to tell what happened to him as long as his identity was kept a closely guarded secret.

The experience, which took place not far from where the first modern-day UFO sighting was logged by civilian pilot Kenneth Arnold, was printed in detail in Bob Welch's column and is reproduced below:

The incident, he said, happened while he and a friend, Cassandra Wright (also a pseudonym), were at Crystal Mountain, just east of Mount Rainier. The two originally had planned to ride two chairlifts to the Summit House and take photographs. But Wright had sprained her ankle and decided to stay at Crystal Mountain Lodge while Cook went on up.

The miners Basin chairlift, which goes from the base to midway up the mountain, wasn't running. But Cook, wearing slacks, a long-sleeve shirt and dress shoes, decided to hike up the mountain and get on the Iceberg Ridge lift, which goes to the top. He and Wright parted. It was 2:30 p.m. on a warm, clear Sunday.

The next thing Cook remembers is lying face down on rocky Powder

Pass, 2,000 feet above the point where he'd started to climb and about a quarter-mile east of the Summit House. "I was panting like a steam engine," he said. "I was petrified. I had no recollection of how I'd gotten there."

"Emotionally drained," he vaguely remembers stumbling back down to the lodge, his back and ribs aching. He arrived at 4:30 p.m. "I don't know how I got there," Cook told Wright, "but I was up there on those rocks."

IN THE TWO WEEKS that followed, Cook was "incoherent," according to Wright. "He jump at every little noise—like the telephone ringing. He's never shed more tears. He didn't leave the apartment for a couple of days. He didn't want to be alone."

"It was the first time in my life," said Cook, "that I didn't have control over an event."

Adding to the mystery were five puncture wounds on Cook's back, wounds which Wright said looked like "needle marks." Though they've faded now, the marks were photographed by Wright.

On Aug. 8, hypnotherapist Fred Rantz of Kirkland—whom Cook sought out after a recommendation from a friend—placed Cook under hypnosis. Wright observed. Rantz, in California last week, couldn't be reached for comment on the matter. But Cook and Wright say the session revealed that Cook had been taken aboard a disc-shaped spaceship.

"It was about 200 to 300 feet in diameter and was blue—the undersurface was," said Cook. It had no lights on it. It hovered above him, he said, close to the ground.

"I don't remember how I got into the ship; I understand they can levitate you. But anyhow, the next thing I remember—the only other thing I remember—was I was on a white hospital bed and there were about 25 or 30 figures around me and they were diffused. You couldn't see their features but they were humanoids. It wasn't like an E.T. They were blurry."

Cook doesn't remember whether he was clothed, whether any of the "grayish-green humanoids" bent over him or whether any instruments touched him. But he's convinced he was being examined.

And he's convinced he's seen two disc-shaped UFOs since the incident. On Aug. 11, said Cook, he was hanging up the phone in his downtown Bellevue apartment about 7 p.m. when he saw a blue disc hovering above the Seattle Trust Building. Then, in "two seconds," it shot straight up and disappeared.

On Aug. 21, at about 5:30 p.m., Cook said he was turning on the evening news when a disc shot by his window, heading east, "like a bomb."

In the time between those two sightings two representatives from the UFO Information Service in Seattle interviewed Cook about the Crystal Mountain incident. "I'm not privileged to talk about the case," said Dale Goudle, one of the two. "It's still under investigation."

Goudle wants to meet again with Cook with two psychiatrists so we can "distinguish fantasy from reality." In the meantime, he calls Cook's story "very convincing—we had a lot of UFO reports in this area at that time."

Thought nothing was reported on the day Cook claims he was abducted, the center had eight reports of UFOs in Washington in the two-week period from July 10 through July 25.

"Every year we get cases like this," said Goudle. "This is the third we've had in Washington. One was in Olympia in January and one in eastern Washington in February."

Cook, who has an engineering background and is now in sales, says for weeks after the hypnopic session he denied the abduction story. But he and Wright ventured back to Crystal Mountain last weekend. He double-checked to make sure there wasn't some way he could have gotten up to the rocks on Powder Pass and back to the lodge in two hours. (It's four-mile trip that would take an avid hiker about 2½ hours, according to a Crystal Mountain spokesman.)

Impossible for him, Cook decided, particularly since he was wearing street clothes, hasn't hiked in years and is admittedly in poor physical condition. He said he hadn't been drinking or taking drugs. He denied he fell and hit his head, mistook something else for Powder Pass, is mentally off balance or is playing lying.

"There's no doubt," he said, "that this happened."

JOURNAL AMERICAN, Bellevue, WA
Sept. 2, 1985

So dear friends, do not become discouraged if you do not hear of that many sightings in your area or even nationally. But you can be assured that UFO sightings still go on and that strange craft will continue to be seen in the sky as they have for centuries, and especially now that mankind is on the verge of traveling into space and installing its highly dangerous "star wars" technology out among the stars. —

NOSTRADAMUS' LUCKY NUMBER DREAM BOOK — You could be a "big winner" in life. Find out what the world's greatest seer says regarding your dreams and how to utilize knowledge given in them; \$10.50 INNER LIGHT PUBLICATIONS

We might ask if a channel's mind frequency has to be similar to that of the light being doing the transmitting. Yes, this is a factor in the success of channeling! While channels are flawed humans just like everyone else, he or she does have a mind frequency which is similar to that of the light being. This is analogous to finding a frequency on the radio dial; if you search for 98 on the radio dial, a frequency of 99 can pick up traces of this 98 radio station. However, if you turn to 54 on the dial, you will not hear the 98 station at all. We hear much talk about "frequencies" when dealing with psychic concepts and, indeed, they are most important in gaining an understanding of the communication process!

Some channels have the gift of being able to pick up many other "radio stations" ("light beings" transmissions) while other channels can only pick up one or two other frequencies. Channels also vary in their accuracy; sometimes channels receive transmission from many light beings but their ability to pick up detailed information may not be as great as the channel who simply picks up one or two light beings. All is in balance and the entire channeling phenomenon is a wonderful plan on the part of the higher realms to help the human race become one with the higher realms!

Contact is always being sought by the higher realms. They are constantly reaching out to you for they cannot do enough to help us! There is an infinite and mighty love for us! You can tell that contact is being sought when you have an urgent and illogical need to explore the unknown and to gain universal knowledge. At this point, you should find a gifted channel who can tell you who is seeking contact with you and for what reason.

It may well be that the higher realms are "enlisting" you in the struggle to save planet earth and guide it into a higher future consciousness... a shining new age. It may well be that you yourself have the potential of being a channel for a light being's messages!

Channeling is indeed a wonderful tool for contact with those loving light beings who wish to help us both as individuals and as a human race. We must cherish and value the channel's words for they are the guideposts to our own enlightenment and to our own salvation. ★

These must seem like some pretty outrageous claims to make. But you would like to be able to "talk to God directly," wouldn't you? Or be in a position to fulfill every desire or dream that you've ever imagined? Right?

Jesus, Moses, Krishna, and Buddha experienced and possessed all that claimed above. And all of them taught the same basic truths clothed in one social/psychological garment or another. One winding path. These beloved Masters taught with the metaphysical wisdom of all ascended beings. These truths have always been universal, and till now shrouded in mystics of organizations, traditions and cultures. However, with the dawning of the New Age of Aquarius, anyone who will ask and do, can attain all the things claimed above and more.

I Am that I Am, the God presence in us all, and a metaphysical course on consciousness is now, for the first time, available to the general public. You can understand the inner mysteries and knowledge once reserved only for Masters and their devoted followers. You are initiated in the knowledge of how an individual soul metaphysically and spiritually relates to its whole environment and ones God Presence. This science of the seven major Chakras, Four Lower Bodies, Christ (Krishna, oversoul) and I Am presence are the founding metaphysical truths that define our inner reality. This inner reality controls our destiny and who we are. Master your inner reality and you master the world and heavens beyond.

"I Am that I Am" provides you with all the metaphysical science necessary to understand your complete inner reality. Then shows you how to apply that science to create transformation and expansion of that inner reality, so your full manifestation of all desires will take place in your outer world. The typical core psychological and sociological problems or blocks that occur in each part of your metaphysical structure are discussed, followed by scientific visualizations which will remove the block and expand that part of your consciousness.

Now, you don't have to spend large sums of money or go through endless initiations in secret organizations to understand what the Masters of all time have known, and become the master of your own time. I Am that I Am is complete in itself. Buy it. Know it, and fulfill all your desires and dreams within it.

AN EXCLUSIVE HISTORICAL FIRST! HIS UNPUBLISHED PROPHECIES

DARE YOU READ THEM?

Nostradamus is credited with being the greatest prophet of modern, non-Biblical, times. His uncanny, in-depth, forecasts are considered to be highly accurate. Nostradamus, in the 16th century, predicted both World Wars, aerial battles, submarine attacks, Hitler's aggressions, and escape, as well as the assassination of both Kennedys.

The seer warned the world of the coming of the atomic bomb. He wrote of space flights, and about the rise and fall of Russia. In one of his most amazing predictions he revealed how Iran would be taken over by a religious fanatic writing the following in rhymed quatrains: "Revolution, famine, war will not stop Persia (now Iran). Religious fanaticism will betray the monarch (the Shah). Of which the end will begin in Gaul (France)." Everybody knows that the Ayatollah Khomeini started his revolution while exiled in France.

For the future, Nostradamus predicts that there will be war in the Middle East in the next five years, during which the big powers will intervene. He even talks of the coming of the anti-Christ and how the U.S. and Russia will combine forces, if only for a brief period. He also speaks of a "religious war" and the Vatican's having to move the tomb of St. Peter to a safe place.

But, perhaps most astonishing of all, is the fact that Nostradamus saw his own death in time to help with the funeral arrangements!

THE MOST MYSTERIOUS MAN WHO EVER LIVED

Legend has it that celestial activity was extremely powerful for several nights before the birth of Nostradamus. Reports of bright, round objects in the sky over St. Remy de Provence are recorded in the archives at Salon.

Nostradamus' birth itself was rather remarkable because Blanche Nostradamus (the family's real name), presented her husband with a perfect baby, in the 16th Century, perfect babies were almost unheard of. The mortality rate was very high.

He had an incredible intellect. He was very young when he mastered several languages and advanced math. He became a licensed physician at 23. He walked among plague victims for months without catching the dread disease. With a strange mixture of herbs and ingredients unknown to the world, he was able to cure many of the afflicted, thus becoming known throughout Europe as a miracle healer.

In his day, Nostradamus made friends with kings and queens who were impressed by his ability to see into the future. Royalty came far and wide to be in his presence, so anxious were they to know what the stars had in store for them. Many were disappointed as Nostradamus knew well in advance about beheadings, revolutions, and the unfaithfulness that abounded among society's most prominent figures.

THE SECOND COMING & THE ANTICHRIST

Though Nostradamus considered himself an expert astrologer, he studied the stars in a totally unique way. He used a special device when scribbling. The device was basically a magic wand which he used in conjunction with a tripod of flame and bowl of water. Nostradamus also considered himself a very religious person, and while he was born a Jew, he later converted to the Catholic faith, utilizing mystical elements from both practices in his work. Many of his predictions dealt with the Second Coming and the appearance of the antichrist.

REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube. The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam. The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.
