# STAR GODS, DIVINE HOPI REVELATIONS AND THE MISSING SACRED STONE

by Chris Frantz

In January, 1985, I had a most unusual and vivid dream. In this dream, I was driving along a stretch of highway in the desert area of Arizona on an Indian reservation. Exactly which reservation it was I couldn't tell.

It was dusk, and as I was driving along heading west, I saw a rather large group of Indians walking off to the right side of the road. They appeared to be on a pilgrimage. Instinctively, I stopped the car and began walking with them. I sensed this was sacred ground and this pilgrimage was to be conducted on foot. I was accepted by the Indians as if I were one of them. We continued west and after walking for what seemed like a couple of hours, we looked up into the sky towards the north and saw a brilliant object coming out of a cluster of stars and headed straight for us. The object alternated in color white to red and back again. When it was about a mile above us it zipped heavenward and melted back into the constellation from which it came. To the Indians, this did not seem unusual and they did not get frightened or alarmed.

We continued our walk and by morning we arrived at the top of a mesa. By then I had progressed to the front of the group. A lone piñon plant decorated the top of this mesa. A medicine man and their chief was present. Our attention was turned towards the sky and a large UFO was coming down. I began praying at this point.

"Oh God," I said, "if this is a sign of peace to come let a white dove land on my arm." Instead of one white dove, two white doves proceeded out of the clouds and landed on my arm.

My attention was then focused on the sky, where a huge eagle about the size of a passenger jet was flying from east to west. Strangely enough, it had a white bear, (not a polar bear) and a deer riding atop its back.

At this point, I woke up, but the dream was so vivid I have never forgotten it. In fact, it was so life like that I called Dan and Alleen Edwards, directors of a group called the UFO Contact Center in Seattle Washington.

"Sounds like you should be taking a trip down to the Hopi reservation," Dan commented during our conversation.

"Why?" I was anxious to know. To which he responded, "We have been doing much work with the Hopi lately and they are very much into UFO's."

To assist in my quest, he gave me a list of names of who to contact if I decided to go to the reservation.

A little while later, I also called Dottie Burrow in Laramie, who is a long time friend of mine and also of Dr. R. Leo Sprinkle from the University of Wyoming at Laramie. I relayed my dream to her and her response was nearly the same as Dan Edwards had been.

"I've also been drawn to the Hopi lately," she said. "I have been working with a medicine woman and we're heading there ourselves next month. Why don't you come with us?"

Unfortunately, due to my duties and obligations as a mother, I had to decline until arrangements could be made later on for me to make such a trip.

At this point, I contacted my close friend, Jackie Blue, founder of the Center for UFO Studies in Glenwood Springs, Colorado, and told her of the dream and the way it seemed to be tying in with the experiences of other UFO Contactees.

"Something definitely seems to be going on!" she remarked. "Do you feel as if you are being drawn to the Hopi?" she asked.

"It sure seems that way," was my sincere response.

"OK, then," she said, "let's make a tentative date to go there and find out what this is all about!"

We decided on the end of May since the kids would be out of school and we could take them with us if necessary. Since it was still March we had a while to plan. We kept in touch with Dan Edwards, and it was during the course of the one conversation that he asked me if I knew "anything about the double eagle symbol?"

"No, never heard of it, what does it mean?" I was curious to find out.

"Well," he said, "there is a legend pertaining to two alien bodies in suspended animation somewhere in Arizona. When the time is right these bodies will awaken and command a fleet of ships buried somewhere in central Arizona. These two beings

are known as the eagles or commanders," he continued.

"I have had several dreams of eagles," I thoughtfully noted, and "I have seen myself turn into an eagle. I've seen a pure white eagle, a turquoise eagle, and another eagle as big as a house."

Then Dan wanted to know something else. "Have you had any dreams about finding a rock?"

At first I thought, "No not really," my memory failing me temporarily. Then I remembered a dream within the previous two months.

In the dream, I found myself

wandering out in the desert with a UFO hovering above me. I seemed to be able to see right through it. There were a lot of people on board... people who looked just like us! They were urging me to find a stone. I didn't understand at first, but they kept prodding me to look under this particular rock which was dish-shaped and rather heavy. I pushed it over and scraped away the sand and there was this flat sandstone rock, kind of round on one side and broken on the other. It had a six pointed star carved out on it.

"Then what happened?" Dan

Edwards asked, eager to hear the rest of my story.

"Then the ship came down and they let me inside. They took the rock which seemed to have some power to it. They told me they had been waiting a long time to return, but could not until the stone had been recovered. I asked them if they knew where the stone was all the time, why didn't they just come and get it? To which they replied, 'Because the time is not of our choosing.' They said when mankind recovered the stone he would be ready for the New World. They also told me they had lived here before, but left and since then had been

on it. As to what the drawing consisted of is not clear. The chief then took the stone broke it in two pieces, retaining a portion and giving the other to the Bahana. When someday the Bahana returned with the missing portion it would signify the entering into the Fifth World or the New Age as we know it.

Jackie Blue and I left for our trip on May 31, 1985. We drove all day. We were about seventy miles from the Hopi reservation still in the heart of Navajo land when we lost our muffler off of the van and it caught on the rear left tire. We panicked! Just then a brown van pulled up from behind. A cowboy got out. A real

waiting for the signal to return." "Then what happened?" Dan wanted to know.

"Then I woke up," I had to admit, saddened that it had been cut off like this.

Still Dan was noticeably elated. "Do you know of the story of the Bahana, the White Brother who possesses half of a stone table who is supposed to return someday bearing the stone at the beginning of the New Age?"

"Never heard of it." I had to be honest.

"This is incredible!" he exclaimed. "You need to get the book *Fourth World of the Hopi*. Get it right away."

I found the book at a local library and began reading. It tells of the Hopi coming out of their last civilization or Third World. As they begin their long journey in a new land or the Fourth World, they split into groups or clans. At the time the Bahana or White Brother was with them. As the Bahana went on their separate path the chief took a flat piece of stone and carved a picture

Billy Jack! "Looks like you ladies need some help," he said.

As I sat there drooling, Jackie explained to the man that it was a brand new muffler. "I can't imagine why it came off like that," she tried to make conversation. He examined the van and temporarily secured the broken piece.

"It won't hold very long," he said, "You need to get it fixed right away." "Great," I whispered to Jackie, "there's no garage within two hundred miles!"

Then the man who introduced himself as Mike said, "If you just drive it over across the highway there to that metal building, I'll weld it for you."

Jackie was afraid, "Where's the gun?" she asked.

"In the bag," I replied. I always carried it with me on trips—snakes you know. We drove over to the building and Mike met us there. "Bring it inside," he said.

We drove the van in and Mike began working on it. About that time

a Navajo lady came in with her two small children. She introduced herself as Mike's wife. We had brought children's clothing with us and invited her to help herself if she needed anything.

"I hope he takes Master Charge," I whispered to Jackie. "I'll bet this costs at least a couple hundred."

I was feeling sick at the thought. "Will you take a credit card?" I asked as Mike finished up.

"There's no charge," he looked right through us, "just pass it on down the road."

We couldn't believe it! This man possessed a genuine kind of human compassion. It was as if we were being protected by some unseen force. This stranger had just been there at the right time in the middle of the desert. If he hadn't been there we could have been stuck under the hot sun for days!

We thanked Mike sincerely. How could we ever forget such a lesson in trust and love! We went on our way and arrived at the edge of the Hopi reservation just after dark. At the border the van sputtered and died at the same time a yellowish-green light passed over our vehicle. It lasted only a couple of seconds.

"Wow, did you see that!" Jackie exclaimed.

"What was it, can you tell?" I asked.

"It's gone, whatever it was." Jackie stammered.

We arrived at the Hopi Cultural Center in New Oraibi, Arizona later that evening. The next morning we went looking for some of the contacts referred to us by Dan and Alleen. The first house we arrived at

She gave us directions and after a frustrating couple of hours driving around, we found him planting in a field with his sons and grandsons.

I coaxed one of his young grandsons over and tried to convince him to get his grandfather. It appeared the youngster didn't speak a word of English. So by pointing to his grandfather the lad finally figured out what we wanted. Augustine came over to us.

"We were sent to you by Nora," I said. "I need to talk to you."

"Wait for me," he said. He went back to leave instructions with the others. Then he rejoined us. "Take me home," he said, "I show you."

His English was not too good. I just hoped he could understand us. We arrived at a small meager hut.

"Here," he said. He took us inside. There on a shelf was a statue of the white bear!

"Look Jackie," I was tickled pink, "there's the white from my dream!"

Augustine asked us to sit. "Why are you here?" he wanted to know.

Once again I found myself relating the story. When I got to the part about the eagle, the bear, and the deer, his eyes grew bright. When I finished he said to us. "Come, I show you something." With this, he took us to a small prayer room off the livingroom. Inside on the wall was a mounted deer head decorated in exquisite turquoise.

"That is my God Father, you may pray for guidance."

We did as he said. Then he pulled back a curtain and revealed an eagle kachina the likes of which I have never seen. Continued pg. 26

**ARE THE STORIES PASSED FROM GENERATION TO GENERATION SIMPLY "TALL TALES," OR DOES AMERICA'S ORIGINAL NATIVES KNOW A LOT MORE ABOUT SPACE VISITORS THAN THE REST OF US, INCLUDING THE U.S. GOVERNMENT?**

**AMERICAN INDIAN MAGIC AND THE STAR PEOPLE** by Brad Steiger

When UFO REVIEW publisher/editor Tim Beckley asked me to put together an article about American Indian Magic and Magic in relation to the UFO mystery, I suspected that he realized that he was requesting material that most definitely would not be found in the standard anthropological reference books on American Indians.

Having been initiated into the Seneca tribe myself, I realized why, for very good and easily understandable reasons, the great majority of traditional practitioners of American Indian Magic are exceedingly reluctant to speak to anyone about UFOs. After all, there are already enough aspects of prejudice directed against Medicine men and women without adding the accusation of kookery and flying saucer fanaticism to the roster.

Because of the time that I have spent with traditional Indians throughout the United States and because of the confidence that they have in my work and my integrity, many Medicine people have shared with me their true feelings about their connecting with visitors from other worlds and dimensions. In the honorable tradition of Indian Magic, permit me now, in turn, to share some of these accounts with you. But before I do, let me just say that what I am about to reveal ties in closely with my findings as discussed in the newly published book released by Inner Light and UFO Review, AMERICAN INDIAN MAGIC: SACRED POW WOVES & HOPI PROPHECIES, but none of this has been taken directly from the book, so that it is virtually all "fresh" material.

The American Indian tribes took notice of strange lights in the sky long before the European invasion. It is perhaps of keen interest to note that just as the inhabitants of the British Isles had their fairy tradition and other Europeans had their own versions of the "wee people," so did the Amerindian people have a rich and varied tradition of an interaction with the "Star People."

An Amerindian tale from the Chippewa could easily be transposed to the British Isles and the Fairy Faith:

A young hunter named White Hawk was crossing a prairie when he discovered a peculiar circle upon the ground. The circle appeared to have been formed by a beaten footpath, and the curious hunter decided to conceal himself in the tall grass and learn what had created the mysteriously trodden area.

After White Hawk had lain in wait for a time, he heard the sound of distant music coming from the air. His eyes were drawn to a cloud that was descending from afar. As it drew nearer, the hunter saw that it was not a cloud at all, but a basket device in which sat twelve beautiful maidens, each gracefully striking a drum. Soon the basket had settled itself in the midst of the magical circle, and the maidens leaped out and began to dance.

The young hunter was entranced by the beauty of their form and the grace of their dance. The drumming sound seemed to be coming from the basket, and each of the young maidens struck a shining ball at each step. In his delight, White Hawk reached out to touch the dancer nearest him. But the moment the maidens saw him, they jumped into the basket and were instantly withdrawn into the heavens.

The saddened hunter returned to his lodge, bewailing his misfortune. He complained to all who would listen that he had missed his opportunity to have a Star Maiden for his own. At night his slumbers were haunted by the sounds of the celestial music and the sight of the lovely maidens dancing in a whirling circle. He at last resolved to return to the magic circle and wait until the maidens returned.

Secreting himself in the grass, White Hawk covered himself with hides of opossums and patiently sat back to maintain his vigil. He had not waited long until he once again heard the delightful strains of the same sweet music. The basket was again descending from the stars.

When the Star Maidens were engaged in the movements of their dance, the man began stalking the dancer nearest him. But again they sensed him and sprang for the safety of their basket.

White Hawk's third attempt to attain a Star Maiden proved to be successful. This time, he disguised himself as a stump near the magic circle. When he jumped up and seized one of the Star Sisters, the other eleven fled to the rapidly rising basket.

White Hawk gently led the beautiful Star Maiden to his lodge, telling her how fine life was on earth. He treated her with so much kindness that she consented to become his bride.

Winter and summer passed joyously for the happy hunter, and his joy was increased by the addition of a lovely boy child to his lodge circle. But the Star Wife was growing weary with life on the tribal confines. She was a

daughter of the stars, and her heart was filled with longing to return to her native land.

While her husband was away on a hunt, she constructed a wicker basket inside the charmed circle, placing within it certain objects from the lodge as gifts for her father, the Star Chief. Then, taking her son in her arms and seating him within the basket, she raised her voice in song and tried to meet a star basket, which took her to Star Land.

White Hawk was disconsolate with grief and spent many seasons sorrowing for his lost wife and son. At the same time, his son grew lonesome for his earth father. Grandfather Star Chief observed the boy's unhappiness and instructed his daughter to return to earth to invite White Hawk to Star Land and live with them.

The Star Maiden did as she was told, and the joyful hunter gladly returned with them, bearing a large variety of game to present to the Star Chief. White Hawk's father-in-law was pleased by the gifts, and he prepared a great feast to welcome him. When the Star Maiden saw what joy could be had between the two, she and her son agreed to return to earth with White Hawk.

The magic circle of this Amerindian legend reminds us of the fairy rings, of which an ancient writer said: "They [the fairies] had fine music among themselves and danced in a moonshiny night, around, or in a ring, as one may see upon every common in England where mushrooms grow."

The fairies, says another authority, referring to the Scots-Celtic belief, are "a race of beings, the counterparts of mankind in person, occupations and pleasures, but unsubstantial and unreal, ordinarily invisible...noiseless in their motion. They possess magical power, but are mortal in existence, though leading longer lives than mankind. Nevertheless, they are strongly dependent upon man, and seek to reinforce their own race by kidnapping human beings. They are of a nature between spirits and men, but they can intermarry and bear children."

Amerindians divided their supernatural visitors and companions into two categories, the glowing lights in the sky, the Star People, and those who inhabited field and forest, the Puckwudjins.

Here we have one of the cross-cultural references which prove to be so thought-provoking. Puckwudjin is an Algonquin name that signifies "little vanishing people." Puck is a generic of the Algonquin dialect, and its exact similitude to the Puck of the British fairy traditions is remarkable. Puck, or Robin Goodfellow, is the very personification of the woodland elf; he is Shakespeare's merry wanderer in *A Midsummer Night's Dream*—"sweet Puck," who declares what fools we mortals are.

Puck is no doubt derived from the old Gothic *Puke*, a generic name for minor spirits in all the Teutonic and Scandinavian dialects. *Puck* is cognate with German *Spuk*, a goblin, and the Dutch *Spook*, a ghost. Then

there are the Irish *pooka* and the Cornish "pixie." To break down Puckwudjin even further and concentrate on its suffix, we find *Jinni*, the Arab's *Jinni*, or genie, the magical entity of the remarkable lamp.

Interestingly, the guidelines for Amerindian-Star People interaction, which were no doubt derived over eons of time, bear amazing similarities to the observations compiled by British and European countryfolk regarding the wights and gentry. And just as there are legends in Great Britain and Europe which suggest that, in certain instances, the melding between mankind and their other-worldly companions became extremely intimate, so are there Amerindians who believe that such a blending may have taken place with their own kind and those from the stars.

I personally have talked to a number of Cherokee Indians who feel that they are either the result of such a blending of terrestrial and extraterrestrial or that they are actual aliens on assignments of elevating Earth's consciousness. In addition, I know of several psychic sensitives, including my wife, Frances Paschal Steiger, who bear the Cherokee heritage within them as a part of their genetic composition.

Let the skeptical chuckle these people away as being but gullible, ill-educated men and women who are easily impressed by watching "lights in the sky," let me point out that one of these Cherokees is a physicist. He told me that he recalled a past life in the Pleiades and that he was able to fit his alien memories together with tribal legends which asserted that the Cherokee people had come to Earth from another world.

"We lived in domed cities with translucent walls," he said. "We could fly, communicate with animals, our senses instantly to other parts of our planet. I remember our city as a golden color—a place of great beauty and calm."

"I came with others from my planet to help Earth through its birth pains into an intergalactic community and we were members of the priestcraft in ancient Egypt; we were alchemists in the Middle Ages; we were scientists and clergy in the Middle Ages."

There are certain risks in ascribing "ancient astronaut" motifs to petroglyphs (stone carvings) and pictographs (stone paintings). These may have been inspired by an artistic flight of fancy rather than an alien spaceship. "Domed space helmets" often turn out to be representations of horned headdresses, exaggerated in size to denote a chief's prowess and a medicine man's power and skill. I do believe, however, that some petroglyphs and pictographs are worthy of examination as a record of Amerindian interaction with the "Star People."

## FREE "DEVILS TRAP" WILL PROTECT YOU FROM HARM—WARD OFF EVIL

The ancients—as well as many people today—believe strongly that evil can be warded off through the use of magical charms and amulets. During Biblical times the Magi, or "Wise Men" carried with them a sacred talisman they received on their journeys to Fes. Known as the DEVIL'S TRAP, it had secret Arabic hieroglyphics inscribed on it which they claimed enabled them to do God's work without undergoing any harm from Satan. This talisman has been handed down and preserved to this day by students of the occult mystery schools, though it is not in wide circulation otherwise. Readers of DEMON LOVERS will receive a copy of this DEVIL'S TRAP talisman printed on fine quality parchment-like stock FREE of additional charge. Post the talisman over your doorway to protect and bless your home, or carry it on your person to ward off negativity and attract good luck. (Talisman not necessarily endorsed by the author.)

"This book allows us to glimpse the dark side of sex and the supernatural without fear of recrimination. It will, hopefully, increase our awareness of the overlap between sex and PSI...This very interesting and enlightening book focuses on the darker side of these primordial forces—both in ourselves through our repressed sexual urges, and within the outer realms of paranormal powers. We can learn something in these pages that will help us have a better understanding of the psychology of human sexuality."— *Dr. Barbie J. Taylor, Ph. D., Clinical and Media Psychologist, writing in the Introduction to DEMON LOVERS*

"It's a serious account with a lot of well-told tales of the way in which sexual force, physical or psychological, can be cited as an explanation of many psychic phenomena. Brad starts with the best-known phenomenon, that of the poltergeist, which usually depends for its magnetic force on the presence of some pubescent girl. This phenomenon is so well-known by now that even conventional psychologists, when flying dishes and showers of stones are reported, look around for the inhibited girl on the threshold of menses, or the sex-starved adolescent boy who can't seem to get at ease with his own erupting virility...Stelger is probably the first writer who has tried to explain this phenomenon without a lot of obscure chatter about Kundalini and the chakras. He talks, in plain language about the close relationship between man's sexual nature and his religious emotions; he doesn't give any final answers—he is neither a doctor nor a philosopher. But anyone who has ever encountered occult phenomena is going to read the book with a sort of delighted surprise...Above all, this book opens up a new field for research—to know whether the intimate relationship of occultism and sex has to do with the psychological effect of unusual stimulation of the emotions; with the peculiar effect of endocrine unbalance; or with electro-magnetic phenomena in the human body and around it. People who read it for any of these reasons—or just for the fascination of reading about the strange and wonderful—will love it."—*Taken from a review by Elfrida Rivers, in the EAST VILLAGE OTHER*

"...Have you ever pondered 'the mysterious link between puberty and poltergeist? Wondered about 'ghosts that torment lovers and create havoc in the bedroom?' Spent sleepless nights contemplating 'out-of-body astral sex?' Leapin' Lucifer! Well, nothin says lovin like something from the coven—or so we gather from Valley parapsychologist BRAD STEIGER, who plumbs the depth of satanic lust in his new book DEMON LOVERS. Now before you go trotting your cloven hooves over to your favorite bookstore, you might want to consider buying it directly through the mall—order now and you will receive absolutely free a gold-plated 'Devil's Trap' talisman, believed to cool the ardor of even the most devilish suitor. Check the back pages of your favorite check-out tabloid for full details—sounds like one hell of a deal..."—*From a humorous news item NEW TIMES*

"I couldn't put down DEMON LOVERS until I had read it from cover to cover. It's one of the few books in this field that is not only educational in that it tells the reader how to protect themselves from negative influences, but it is fast paced. Better than a Stephen King novel. I highly recommend it for all serious students of psychology, theology and demonology. You won't be disappointed."—*Timothy Green Beckley, recognized expert on the paranormal, publisher of UFO REVIEW & INNER LIGHT*

NOTHING IS IMPOSSIBLE ONCE YOU HAVE UNLOCKED THE SECRETS OF HOW...  
**AMERICAN INDIAN MAGIC CAN WORK FOR YOU!**  
SACRED POW WOWS & HOPI PROPHECIES THAT ARE GUARANTEED TO CHANGE YOUR LIFE

Dear Friend:

My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Wows which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

### EIGHT STEPS TO PERFECTION

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic richness, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...

- Hold your own "Vision Quest."
- Communicate with spirits and angels, and get them to assist you in all that you desire.
- Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

- Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.

- Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.
- Ward off evil spirits and protect yourself from any harm others might be trying to send your way.

- Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.

- Develop your Third Ear as well as your Third Eye.
- View the future and change it to suit yourself.

- Become a great "Spiritual Alchemist," the American Indian way.

- Send out "smoke signals" using your mind to contact and influence others many miles away.
- Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool, the most important friend you will ever have.

### HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days," and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

## AMERICAN INDIANS: HOW DO THEY FIT INTO THE UFO PUZZLE?

*I am in this world  
I travel in the air  
I was not born in the earth  
I was born in the sky  
My father is the North Cloud  
My mother, the South Cloud*

*I will come to call you from the ocean  
You will be needed in this world  
When the trees come, you will  
quicken them  
When people come, you will comfort  
them  
You will make the life of the people  
Do not refuse me  
I am not deceiving you*

from ANNKADEL  
by C. Hart Merriman

The above poem reflects the mystical quality which has always existed in the American Indians' way of living. And beyond that, it strongly suggests that American Indians have had on-going contact with Space Intelligences. In fact, one might read this poem as a message from a space brother or sister, being given to an enlightened human down on Earth. Indeed, it is similar to many of the transmissions being received regularly by space channels and star people, sent from UFO beings high above Earth in orbiting craft.

Just how do the American Indian's spiritual gifts and mystical experiences fit into the general UFO phenomenon and the specific field

of contact with the occupants of UFOs?

The key to these questions lies in the fact that the American Indian practices a very advanced form of mysticism. The Indian really blends the mystical and the logical into a way of thinking, living, feeling, and being. In the past, this was even more dynamic than it is today because the Indian ways have faded as the white man's religion continues to invade the Indian's world.

Most people feel that UFO beings are highly advanced in the fields of technology. Obviously this is true. One has only to sight a UFO zooming through the sky at tremendous speeds, doing impossible maneuvers to realize this. However, what most people do not take into consideration is that UFO beings are also very advanced spiritually. They are highly mystical beings with powers of telepathy, healing, prophecy and other paranormal abilities. It is easier to contact these UFO beings through advanced psychic abilities than it is to build a spaceship and contact them through highly advanced technology.

In other words, no one on Earth has been able to build starships which equal UFOs in speed, agility, and ability to travel great universal distances. However, a few people on Earth do have the mystical know-how and telepathic gifts to reach the UFO beings through advanced

paranormal means. This is humanity's "best bet" for contact with space brothers and sisters, especially when these UFO beings also send messages, with the great hope that a human somewhere will hear it. Therefore, one might not have to reach telepathically all the way to the starship, because the Space Intelligences are searching all the time, sending telepathic messages to Earth. These messages are as near as the air you breathe and the sunshine you walk in.

Now we can see how the American Indian, with advanced mystical abilities, has been contacted so much throughout the years. The entire Indian lifestyle is (or used to be) designed around nature. The Indians do not distinguish between nature down on Earth and the cosmic energies out in space while the white man tends to separate nature as being on Earth only and "space" as being a totally separate concept, when in fact, nature is cosmic energy personified within a planet's atmosphere. The wisdom which the American Indian possesses in his daily lifestyle is great. Until the interference of the white man, the Indian lived in total harmony with nature and universal energies. In fact, the Indian is/was one with nature...a part of it as surely as the owl, the oak tree, the moon and the stars.

In researching the UFO mystery,

this "nature connection" has been overlooked by scientists and skeptics. Mysticism is not valued as important or even a valid reality. Yet, American Indians have lived as mystical beings for thousands of years and in doing so have encountered many other forms of life, from Earth and beyond.

One group of humans who realize how important this mystical connection is, are the Star People. Therefore, the Star People also feel a strong sense of identity with the American Indian. Of the thousands of letters I have received from Star People and UFO contactees throughout the years, about three fourths of these letters have expressed the feeling that the writer has lived a past life as an American Indian, or that the writer has studied American Indian ways and spent time in Indian country or with Indians. I have been told of a past life I lived as an Apache; as a child, I always played in my "Indian stronghold" (there were no attacking cowboys, I simply imagined a very natural Indian life). In the letters I have received, individuals have mentioned their strong feelings of other past lives in France, China, Peru, Atlantis, England, etc., but there is no other singular experience which is mentioned more often than the American Indian experience. Is it a Star Person drives through Indian

## A GOLDEN OPPORTUNITY

ANGELIC, GOD-LOVING, BEINGS FROM ANOTHER DIMENSION HAVE INSTRUCTED ME TO HELP EARTH BOUND SOULS RECEIVE ALL THEY DESIRE BY DRAWING UPON THE SPIRITUAL AND HEALING POWERS OF THE POWERFUL...

# 'CROSS OF CRYSTAL'

Cross enlarged to show detail

DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

### HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

### ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

### NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

### TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

### Dear Reader:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

### CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I fooled around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

### SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different" and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

# DO HOPI PROPHECIES HOLD KEY TO MYSTERIOUS ARTIFACT UNEARTHED AT SITE OF AUSTRALIAN PYRAMID?

Research report by Bruce Raphael

An unusual discovery of a strange artifact made half way around the world has lead an Australian woman to meet with representatives of an American Indian tribe in hopes of obtaining some answers linked to the origin and meaning of a mysterious 92 lb. rock showing a sun symbol and two serpents carved into one side.

On March 25, 1982, Marilyn Pye of Queensland was told while attending a psychic channeling session that a "golden pyramid" existed ninety miles north of Cairns, Australia. Within five weeks, Marilyn had sold her home, walked out of a newly opened business and had retained the help of a well-known New York psychic, Bryce Bond, to help her unlock the secret of these pyramids which, at first, Australian archaeologists even refused to acknowledge the mere existence of. Responding to nationwide media coverage, Marilyn was lead to the town of Toowoomba, Queensland, where a strange basalt crystal rock was unearthed beneath 24 feet of soil. Quite easily it was determined that this stone and its peculiar writing was not the work of aboriginal natives, though legends of the local tribes do tell of not one, but two "golden pyramids" in the near vicinity of this remarkable scientific find.

Packing the 92 lb. artifact in a special crate, Marilyn flew with her "precious cargo" first to Hawaii to meet with the Kahuna who did a reading on the rock. They concluded that the engraving had been done 30,000 years ago with three different sized laser beams. They also said the rock was a "computer" which could be used to bring wisdom and peace to the world.

At this stage in her quest, Marilyn became aware of the Hopi prophecies concerning the return of the true white brother, which tells of a white person bringing the symbol of the sun to the Hopi. The Kahuna said there were three other rocks, while a Hopi representative told Marilyn that several engraved rocks exist on a different continents and that they must come forth before the day of purification.

Marilyn sensed that she had to meet with the Hopi. Four days after arriving in New York, she was introduced to John Hill, an Iriquoit Indian who was in Manhattan to speak at the United Nations regarding the "last days" which many Indians feel are approaching.

When Marilyn showed Mr. Hill the rock, he became very excited and arranged for many important people to view the artifact while Marilyn remained in the city. The effect on people was amazing. The rock seemed to be putting out incredibly beautiful energy. People would become light and very energized. Through a chain of events, the Hopi found out about the rock and were anxious to determine if, indeed, it was the missing rock from their prophecies.

Six days before Christmas, Marilyn decided to travel to Arizona where she would meet with Medicine Men familiar with such religious and spiritual matters.

As can sometimes happen on cross country jaunts, the journey turned into a nightmare. Planes were delayed. Flights were missed. Connections got crossed, but finally Marilyn and a Peruvian Indian traveling with her arrived at their destination (though only after the friend had been arrested for drunken driving because he had pulled over to the side of the road to rest up from the long drive). They both felt that some supernatural power was trying to prevent them from getting the rock to the Hopi.

It had been arranged for Marilyn to meet with Grandfather David, who is over 100 years old and blind. He felt the rock's engraving and became very excited. "This is what we have been waiting for. There are three others to come," is all he would say. Marilyn was asked to leave the rock behind so that the Hopi priests could take a closer look at it.

The rock was returned to her six days later, after the Hopi had taken a rubbing of the artifact's surface to determine its origins and meaning. To date, the Hopi have remained tight lipped about their findings, which has convinced Ms. Pye all the more that there is something to her startling discovery.

The story of the rock is apparently far from over. Marilyn dearly believes that there is much more to be said about this ROCK OF AGES and is now trying to get government support in her native Australia to dig for the "golden pyramid(s)" which she is convinced exist(s) in Australia and may have origins dating back thousands of years to a previous civilization which may have existed on this planet long before the time of Noah's flood. There is reason to believe the Hopi could help her unravel the pieces of this cosmic jigsaw puzzle.

# LEADING EXPERTS TELL YOU HOW TO TALK WITH SPACE BEINGS

## BE PART OF AN UNUSUAL EXPERIMENT

Millions of tax dollars are being spent to construct giant disc-shaped radio telescopes that span the sky in the unlikely hope of picking up random signals from star systems millions of light years away. At the same time, NASA proceeds with an out-moded space program, building rockets that are both expensive and which utilize a backward propulsion system which will never get us out into the cosmos.

Yet, actually, according to thousands of ordinary individuals living around the world, contact with other life forms is possible and at almost no cost, and can be accomplished by methods other than those devised by the established scientific community. UFO channels and flying saucer contactees maintain that they have established a communications link-up with extraterrestrial beings-human-like aliens from far more advanced worlds - who are hovering around our planet on a mission of peace and well being. It is claimed that these aliens, often referred to as our "SPACE BROTHERS," are here to help in individual spiritual development, and have much to offer our civilization in the way of technical advancements. These other-worldly beings will make themselves readily seen as soon as a larger percentage of the population lets them know they are welcome in love and understanding.

The "BOOK OF SPACE CONTACTS" offers several methods which might enable you to become a UFO contactee and actually communicate with the occupants of these silvery, disc-shaped objects. You will learn what "Talking Them Up," means; how PSYCHIC COMMUNICATION can bring you closer to them, and how a simple meditation can be successfully used to talk with friendly space beings. Furthermore, it is even possible to communicate with extraterrestrial masters by constructing a device which should cost only a few hundred dollars using simple electrical equipment that can be found in any stereo store.

Also, learn how to identify space aliens who are said to be walking amongst us right now and discover exactly what their purpose on earth is. WARNING! There are those aliens who mean harm. The "SERPENT RACE" is the "BEAST" of the Bible, and they should be avoided at all costs. Over sixty types of aliens are coming to earth and the "BOOK OF SPACE CONTACTS" contains a large section describing fascinating - and highly incredible - face-to-face confrontations with many of these strange beings from the far reaches of the universe.

The "BOOK OF SPACE CONTACTS" is totally unique. It is fully illustrated and is meant for the individual who is looking to expand his consciousness and "reach out" in an attempt to develop both psychically and spiritually.

## FREE ★ FREE

FREE! FREE! FREE! If you order now, we will include at no additional cost, a handsome 10x15 poster containing an authentic photo of an alien UFO pilot. # LINKING UP WITH SPACESHIP #10 OF THE ASHTAR COMMAND FLEET

by Phillel, of Mark Age

Yolanda of Mark-Age

**WHILE YOU MAY NOT BE ABLE TO SEE THEM, AT THIS VERY MOMENT HOVERING HIGH ABOVE THE EARTH ARE HUGE SILVERY MOTHERSHIPS THAT ARE HELPING TO LIFT THE VIBRATIONS OF THE PLANET AND PREPARE THE WAY FOR A GOLDEN AGE OF WORLD PEACE AND BROTHERHOOD TO COME SOON.**

On Pentecost of last year, May 26, 1985, the etheric flagship of the Starfleet Command, designated ship #10, moved from its orbit over the southwestern border of Russia and China towards the north pole. Its orders from the Hierarchal Board were to begin new orbital maneuvers to prepare Earth for its final transformation into the New Age of Aquarius.

As we have reported several times previously in Mark-Age's bimonthly magazine MAIN, the thirty-year orbit of ship #10 comprises a spiraling, cork-screw motion, from east to west, travelling from the north pole to the south pole. Instructions are to stop for approximately one month at each longitudinal meridian (there are 360 in all) for special energy projections into the planet. Once it reaches the south pole, around the year 2015, the ship will orbit the equator for an indefinite period.

During its spiraling orbit, this command ship, as well as all solar system forces of light connected with the fleet, will wrap the planet in a protective force field in order to bring forth the birthing of a new heaven on a new Earth. This new auric envelope will lock out all lower astral forces and will allow only celestial and etheric forces to guide mankind on Earth. As a result of this extraordinary implantation of spiritual energies, unlike what the planet has yet seen, a new renaissance in spiritual consciousness will appear amongst the people of Earth. But there will also be certain "negative reactions" to this change in vibration, which will affect all life forms on the planet.

The spiritual Hierarchy of our solar system has inspired us with new instructions in order to cope with the vast acceleration of spiritual energies bombarding the planet, transmuting it from third into fourth dimensional frequency. Here, then, is our first directive regarding linking with master ship #10:

As a cohesive network of light broadcasters, more powerful in our influence than anything the planet has seen since Atlantis, it is our duty and obligation henceforth to co-participate more consciously and actively in this new series of hieronic (higher plane, electromagnetic) energy relays from ship #10. We're on standby as the countdown begins for the Second Coming demonstration, to be fulfilled around the end of this century.

The energy broadcasts beamed from ship #10 are under the complete coordination of the Hierarchal Board and the Federation of Planets in our solar system. The entire solar system is now moving into the final stages of completing its 206,000-year orbit around the central sun of our galaxy. This is a crucial time for all planets and dimensions in our system, due to the delicate balance and integration that must be achieved as it crosses into the cycle known as Aquarius.

Ship #10, under Commander Sananda's personal guidance, has taken these new orbiting measures in order to insure Earth's solidification with the entire procedure now under way in our solar system. Beings from all planets and dimensions are aboard ship #10 and other spaceships of the

## DID YOU KNOW YOU HAVE A "HIDDEN" MIND? TAP THE COSMIC POWER OF YOUR SUBCONSCIOUS THROUGH SUBLIMINAL STIMULATION™

You've read in *Time*, *Omni*, *Psychology Today*, *the Wall Street Journal* and elsewhere about the exciting success of subliminal techniques. Now, thanks to recent breakthroughs by leading psychologists, you can use these same innovative techniques to *turn your life around*.

Maybe you want to improve your memory, increase your income, lose weight, build your self-confidence. These are just a few of the accomplishments within your reach.

The subconscious mind is a mysterious thing. We're finding out more about it every year. It's not like your conscious mind. Instead it soaks up impressions. You'll be amazed how fast the "success-mechanism" within you makes big changes in your life.

**SUBLIMINAL TECHNIQUES ARE THE PROBLEM SOLVERS FOR THE 1980s AND BEYOND.**

Subliminal Stimulation is used today in countless ways. For example, to reduce shoplifting, department stores nationwide are finding that a "hidden" message in the public-address music cuts pilferage substantially. This message repeats—over and over—such tested phrases as "I am honest; I don't steal."

Customers aren't even aware of it. Yet inventory statistics reveal a big decrease in shoplifting. In fact, in some cases by as much as 67 percent.

**YOUR SUBCONSCIOUS IS YOUR ALLY. LET IT WORK MIRACLES FOR YOU AS IT DOES FOR THOUSANDS TODAY.**

Until recently, scientists were unable to harness the powers of the hidden mind. For years we knew it controls our destiny. But the question was: "How can we tap its strength?"

Through constant testing a breakthrough came. The credit goes to some of the top researchers in this country. Their untiring efforts have enabled people of all ages, from all walks of life, to enjoy exciting self-improvement fast.

**EVERY TAPE YOU SELECT BRINGS YOU TWO DIFFERENT KINDS OF STIMULATION.**

On one side, subliminal stimulation. You hear waves breaking on the shoreline. But your subconscious hears more. There are subliminally embedded messages at work—literally hundreds. Chances are, you won't be able to hear them consciously. But your subconscious will. And, it will obey. Listen while you work, read, play, relax, watch TV, or even while jogging or driving your car. The sounds of the waves create a pleasant background while alone or with others. A brief introduction on each tape lets you know the exact wording of the subliminal messages coming up.

While you go about your activities, you'll be fully awake and alert. Yet all the while your subconscious will be *listening and heeding*.

You'll get all the benefits of subliminal

stimulation—and more. On the other side of each tape is an audible *Natural Response™* session. You'll hear suggestions, affirmations, in a very real sense "orders to your subconscious." Yet all you do is relax. Put forth no effort whatsoever. You're in full control. Both sides provide you with an experience unlike any you've ever had before. And the results are *sensational*. In fact, these techniques are widely used by professional therapists and hospitals.

Each side inspires you and revitalizes you. So listen again and again. Very soon you'll see an exciting change in your life. That is why more aware people—people who want more out of life—are finding new happiness today. These Subliminal Stimulation™ Tapes are the long-sought answer.

**WHAT AREAS OF IMPROVEMENT DO YOU NEED? THESE TAPES WILL SURPRISE YOU WITH DRAMATIC RESULTS.**

By stimulating your subconscious, you'll feel more youthful and dynamic. You'll get more out of life—because you'll be programming your subconscious to bring out all your hidden abilities. Instead of being satisfied with what each day brings, you'll be able to achieve more and enjoy long-held ambitions.

You'll capture opportunities so much more easily because your inner strength, your subconscious, will be working for you, not against you. You'll rid yourself of childhood-acquired hangups and misconceptions about yourself.

In their place will be a truly new you—a you you'll like so very much more. You'll gain more happiness, more fulfillment, and a better life than ever before!

Ashtar Command fleet in order to constantly monitor and support all activities with the Saturnian Council and other hierarchal governmental divisions.

All is now in place for new actions to be generated from the etheric and the celestial realms. All command ships are in place and are poised for transmission of energy relays at Sananda's command. This includes St. Germain/Dr. Hannibal's mother ship #1235, which coordinates key light-worker units in the Western hemisphere, and Summalt's craft #7423, which performs a similar function in the Eastern hemisphere. All spaceships in our atmosphere and ringing our planet, whether they be etheric or physical, report to their authorized division in the hierarchal chain of command, and ultimately answer to ship #10.

#### HOW TO ALIGN OURSELVES WITH SHIP #10

Our functions, as light workers anchored on Earth, now must be moved into complete alignment for receiving and transmitting energy relays into the planet. We must be the physical grounding rods for successfully transferring these hieronic energies into mass consciousness, to help all citizens of Earth assimilate the transformations already begun. Here is how we do this:

First of all, our dedication and commitment to the Second Coming maneuvers must be supreme. In this, through our I Am Selves, we are totally united. This superconscious commitment and responsibility is to be transferred more fully through our unified conscious and subconscious aspects of mind. We are to experience new amplifications of our light bodies, which will propel us into further spiritual understandings and demonstrations.

Second, we must join ranks fully with one another, serving the I Am Self of each other light worker in this network and elsewhere. In our unity is our strength. In our spiritual resolve is our success.

Third, we must make new efforts to link with and to be receptive to energy relays from celestial, etheric and Federation space forces. We must open our hearts, hone our discernment to razor-sharp, and be ready to act at once in I Am consciousness. We must be ready, with love divine, to respond to all conditions, personal and planetary.

#### RELAY SYSTEM OF UNMANNED SPACECRAFT

In all these efforts we are aided by specially equipped forces under monitor and relay of Star-fleet Command. In 1970, a relay system of unmanned, etheric spacecraft was set up for coordinating light foci around the planet. Here is what Sananda channeled through Nada-Yoland of Mark-Age about this on April 29th and 30th of that year [see pages 232-235 of Mark-Age text "Visitors From Other Planets"]:

*"With the aid of the circuits offered by the spacecraft, the electromagnetic equipment, we can screen out any other interference and also amplify the broadcasts that are filtered down to your level and which reach us from your level in this activity. Consider this an authoritative device based on many eons of experience in other places on other spheres, but not tried ever before on Earth...."*

*"The Mark-Age Unit has been asked, as spokesman for the Hierarchal Board and as the coordinating unit on the planet of this Hierarchal Board's activities, to seek those who in joint effort will see and will remain steadfast according to certain principles and decrees we issue forth from this level, which you respond to on your level and which we then amplify via this hieronic equipment which we have designated special and unique for this program in the electromagnetic force field covering the Earth planet."*

*"In this manner you will be able to build a shield of thought form or thought energy around your own governmental territory which you term the United States of America, then expand it out to several others who are in close range geographically or via mental-spiritual inspiration and aligned with you by intention of will and service to the good Lord and the higher program purposes, eventually making it ring around the entire globe as we can proceed...."*

*"You have been given this added equipment via monitoring space beams which are automatic and mechanical and not manned by physical entities; as you would call them, or personality individuals. They are a series of monitoring computers which record many reflections of Earth plane thinking and activity. By the end of each cycle or event we have set into motion we can ascertain the results. Much like a giant computer, it gives us a number of responses that allow us other qualities and facilities not seen easily by instantaneous intunement with you...."*

*"It is my earnest desire that those of you who are cooperating on this special technique of seeking the one principle and thought form to be projected out for our amplification, be notified herewith that as soon as your call is made and your coordination techniques are solidified through the one coordinating unit—which we already have designated to you as the Unit #7, Mark-Age—then we will equip your center and your activity with a computerlike setup as herein described...."*

*"In addition to this it is now assumed that these computer-type*

*systems—monitored by myself personally and St. Germain in the Western hemisphere and by Summalt...in the Eastern hemisphere—when we do bring about this total coordinating facility, will be able to interchange information and to support each other in an exchange type of program which will link up all light centers and will feed back an energy relay that has been unlike any other secured upon the planet since prior to the days of Atlantis."*

There you have it, our commission is to look up and link up with energy relays from ship #10. As other hierarchal communications through Nada-Yolanda have stated, there is not a single area on our planet that is not covered or influenced by hieronic broadcast from etheric ships stationed in our atmosphere. So, no matter where we are, we are being given the opportunity to make this conscious connection and develop this active co-participation.

The etheric and celestial guardians of our planet, united in full cooperation with all forces of the Federation of Planets, stand by not only to perform their services as midwives for our planet's new birth, but also to assist each and every one of us in anchoring and assimilating the new higher-plane energy force now coming in. This assistance and amplification radiates out to all in mass consciousness—physical planet and astral planes—as well as to all life forms of every kingdom. Therefore, be alert and conscientious in your endeavors to assist wherever your I Am Self inspires you to be.

As you intune with your I Am Self, automatically you will be coming into strict alignment with energy relays transmitted from Sananda's ship #10. For the energy matrix that is ship #10 represents the fully coordinated goals, interests and desires of your I Am Self and the I Am Selves of all souls in and around Earth for the Second Coming program. Ship #10 is the focusing point for the Hierarchal Board's plans and activities for bringing about the coordination of Earth planetary energies with the rest of the solar system. So, fellow light workers, in our meditations let's open our minds and hearts to new contact, new instructions from ship #10.

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

### Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

#### New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

#### Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort led him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

#### A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

#### Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

#### 30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

#### For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

#### Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

#### U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

# CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee, to keep thee in all thy ways."  
 Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."  
 Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold I will send my angel, who shall go forth before thee, and keep thee in thy

journey, and bring thee into the place that I have prepared."  
 Now for the FIRST TIME, you can learn all there is to know about God's special helpers—why angels were created; what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.  
 Here's a sample of what you can expect to read in an amazing new book just released titled ANGELS OF THE LORD:

## ANGELS WALK AMONGST US!

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

## NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden dangers; help in the saving of our soul; pray for and with us; assist us in praising God and help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

## HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Night and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

## DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example:  
 • The New York woman whose guardian angel led her to a job when she was totally destitute.  
 • The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II.  
 • The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding.  
 • The band of angels that prevented dozens of GI's from freezing in Korea.

## ROLE OF ANGELS IN HISTORY

• George Washington had a vision in which an angel appeared to him and foretold the future history of the United States.  
 • The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic.  
 • Sainly Padre Pio, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others.  
 • St. Benedict claims that angels actually joined the holy monks in song.  
 • St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life.  
 • St. Frances often read at night by the light given off by the glowing hair of her guardian angel.  
 • There is even evidence that the writing of the Constitution was done with the help of an angel.

## UFOs OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

## LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye utilizing a method which science has only begun to dream of.

## WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools which Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age old war, and what it means to follow the "Great White Light."

## A POWERFUL FREE GIFT TO ENRICH YOUR LIFE

To evoke this special blessing, it is necessary to carry this talisman on your person at all times. God wants you to be in touch with your personal guardian angel, and you will be properly equipped.

# SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

## THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- ( ) Do I want peace, joy, love and prosperity to fill my life completely?
  - ( ) Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
  - ( ) Do I desire to help others overcome their problems through and by the great magical power I gain?
  - ( ) Do I want total control of all situations which manifest in my life?
  - ( ) Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?
- If you can answer "YES" to a majority of these questions then this is obviously the path for you...Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

## SEVEN GREAT MONEY SECRETS

Revealed for the first time are secrets possessed by the extremely powerful and extremely wealthy. Yes, there is a magical power in money and that power can be controlled. You will discover the seven great secrets of money and good fortune. You will also be provided with two potent money rituals to bring you greater prosperity. God wants you to prosper, and now you will find out how to obtain what you need and MORE and as soon as you need it.

## POWER OF THE SPOKEN WORD

Hidden within the Holy Scriptures are words of power for good fortune, healing, success, love, business and personal relationships. Through these words you may overcome demons, negative thoughts, guilt, fear and other unwanted situations. This section reveals how one can use this power to obtain happiness, victory, confidence, trust and respect. It also reveals the illustrious 22 words of power and how to use them.

This Volume will tell you how mystics apply certain ingredients with a potent symbol to turn this magic mirror into a treasured tool which will enable you to: 1) Change your current habits; 2) Develop spiritual sight; 3) Communicate with the subconscious mind to know what is going on all around you even in invisible realms and other dimensions, all of which affects you; 4) Ask questions of Higher Intelligence in the spirit world and on other spiritually advanced planets; 5) See your past lives and understand how they affect you

## STONES, COLORS & CANDLES

You will discover the magical use of colors to influence yourself and others for healing, peace, inspirations and love. You will learn how to turn ordinary olive oil into a powerful blessing elixir. There is also a secret of how to convert a candle into a spiritual dynamo...even when to burn the candle.

## KEY TO NATURE'S SECRETS

In this section, you will discover methods to improve health, stay youthful, and maintain harmony within your physical and spiritual being. THE SACRED MAGIC will also reveal the greatest realization of life as it was given to Rev. Oribello by a Mystic Adept who was over 300 years old.

**MYSTERY OF UNDERGROUND ALIEN INFESTATIONS**

by Don Worley

When Coral and Jim Lorenzen of the Tucson-based UFO group APRO sent me into the isolated strip mines area of southcentral Indiana, I was little prepared for what I was to uncover. The intensity and boldness of the aliens during the 1966-67 sighting wave was unbelievable. Domed discs and oval-shaped craft were being seen by many witnesses and at close range.

For example, on the Curry and Smith farms burnt circles 20 feet in diameter were found. So much was going on that there was really no way to keep up with it all in the limited time I could spend on the scene. As a result of all the activity, many people thought that the UFOs must be hiding in the bottom of the strip mine lakes, though no "hard" evidence to prove this theory was ever forthcoming.

One amazed farmer, George Pratt, said he often watched UFOs playing around over his farm. The round, yellow, bright light came so often from the strip mines nearby that he used the expression "it came up," like he was talking about the moon or sun.

"This thing came all summer long in the evening," Pratt said, "it didn't make any sound, but it sure tore up my radio. It would set up there for about 15 minutes then usually move off to the south. As the days grew longer in the summer, it was a round silver thing in the daylight. People laughed at me in town, but when they came out here on the road they would spot in on the way. About 14 others have seen it. One night three of them jets came in from Terre Haute and chased the light. I could see their wing lights and hear their motors. That thing flitted about the sky like a firefly and played game with the jets. They never could get near it. I don't know, I still don't believe they come from space."

In those young wild days, I was startled at the scope of the infestation in the strip mines area, but now we know that it was really nothing new and probably not even comparable to events elsewhere.

There are instances where the concentration seems to be in just a small locality affecting few persons. When Bernice Neblett moved to her small island home near Vancouver, British Columbia, she discovered that she was in the midst of a teeming UFO swarm. For weeks she watched all kinds of strange flying objects around her lonely island. She learned that they were not going to hurt her. She even named one "the red flasher," and one night actually heard laughter issue from the small barrel-shaped craft.

A somewhat wider radius was involved during the latter part of 1976 and early 1977 in Michigan's Upper Peninsula. Briar Mountain (near the town of Norway) was the focal point of a 20 mile in diameter area that has seen intense UFO activity over a period of three decades. Most of the 50 employees of the ski lodge on Briar Mountain have seen as many as 20 or more UFOs. To them, it was a disconcerting sight to see glowing craft zipping down the slopes much like skiers would. One observer, a shocked publishing wannabe, returned home with his friends and remained silent about what they had seen at the lodge.

Infestations also occur over bodies of water. Many Canadians living on the shores of Lake Ontario between Oakville and Toronto are convinced that a base for UFOs exists under the restless water of the lake. For years many witnesses have seen lights shooting in and out of the lake, and a number of photos—like the ones that accompany this story—have been taken, Harry Pickett, and aeronautical engineer, pilot, and aircraft research firm owner, has watched the lights for years from his Niagara-on-the-Lake home. The orange lights are seen to hover, fly erratic patterns, and sometimes zip straight up in the air and out of sight. What are all these

lights, and why are they being seen in these locations?

South America has been an incredible hot-bed of UFO activity for ages. Near the little town of Demerval Lobo, in northeastern Brazil, in the spring of 1984 the antics of egg-shaped craft were so prevalent that laborers working in the fields abandoned their jobs and fled.

Everyone was certain there was a UFO base nearby. In an area formed by the Brazilian town of Odios, Monte Alegre, and Santarem in the Amazon river basin it was believed a base existed under the water. Fishermen pulled up their lines because of the boldness of the objects. Charles Tucker, an investigator from the USA, as well as a Brazilian Air Force investigator, went into the region in the summer of 1981. I never found out what happened to them, but I'm sure they came up empty handed on the hidden base theory.

At another South American location so many UFOs were seen shooting out of, or entering the gulfs of San Matias and San Jorge, that they became commonplace and received little attention. Several Argentine UFO groups after accumulating years of data, became convinced that submerged alien bases surely exist in the sea off the southern coast of Patagonia.

Another phenomena in other areas has been the perplexing underground motor sounds. The sound of underground motors can often affect many witnesses, but the case that occurred at Michael Richardson's Hillside tin mine (located 61 miles south of Marble Bar in Australia), was by its isolated nature heard by few. Three Aborigines stopped by "Max's" camp and called his attention to the motor sounds he had already begun to hear emanating from the hills above his camp. A search was made of the rugged area where no vehicle could travel, but no cause for the sound was apparent and it continued even as they searched for its origin.

But, it is the "other" events that took place during the motor sounds period that are really quite interesting.

On May 19, 1978, Max was visited by a tall "normal looking" male wearing overalls. We cannot say exactly normal since the visitor's left hand looked transparent "as though it had been burned and it was new skin." This person, whose speech was normal, arrived in a Land Rover with unusually small wheels bearing a plate number that Max later checked

and found to be registered to someone else. The name and place of residence the man gave also proved to be false. The man seemed obsessed with beryllium and kept questioning Max on it. This is an interesting sideline of the case, because I recall that in one high intensity cow mutilation area of Colorado, the sweet smell of beryllium often filled the air and even the wind didn't disperse the odor.

It was a hot day, but the stranger refused any liquid refreshment during the two hours he was there. Max asked him to aid in lifting some iron sheets and Max discovered the man had no strength at all. He began to tremble, toppled over and Max had to help him up.

About a week later Max had retired to his bed under the stars. Suddenly, the night sky brightened as a glowing object came at him from two kilometers away. As it sped low overhead it became an enormous zeppelin-sized orange glowing craft with a revolving white light. The following morning Max found that his compass heading had been altered, his dog now possessed boundless energy, and he also had surprising energy. He could now lift 180 lbs. pipes with no effort at all.

About one week later, something in the sky projected a brilliant beam which bathed Max's entire camp in bright light for about three minutes. The period of "charged power" and "super-energy" at Hillside Mine lasted over two weeks. It would be foolish not to suspect that whatever was making the motor sounds in the hills above the camp also was capable of the other strange things that occurred.

We are offered additional clues about concentrations when we note other broader scale infestations and the mind staggering phenomena that can become associated with them. Landings, contact with UFO occupants, surgical cow mutilation, and encounters with ape-like entities often begin to occur.

Campers around Big Bear Lake on the eastern edge of the San Gabriel Mountains in California had seen some 30 UFOs in three weeks time. They also encountered great ape-like figures. It was also discovered that you could pick up strange mechanical sounds upon planting a microphone on the forest floor.

Within one hundred miles of Calvert, Texas, there were missile silos, radar units, air force and army bases. However, all the multiple phenomena that engulfed this region in 1973 did not seem to have anything to do with these establishments since alien concentrations also occur in areas not having defense establishments. There were many UFO reports, plus landings, alien contact, mutilations, and again strange underground sounds.

The Yakima Indian Reservation located in southcentral Washington State is a region of hundreds of square miles of rugged forestland. During periods of high UFO activity forest lookouts in fire control towers watched glowing objects maneuvering over distant ridges and moving about down into the canyons. Most of the other usual phenomena we have come to expect was present. When aerial activity was the heaviest, Chief Fire Control Officer, Bill Vogel, reported a sound similar to turbines or large truck motors which could be heard running underground. It sounded like a truck laboring to get up a hill and never getting there, it was reported.

Meanwhile, just south of the reservation and north of the Columbia River another investigator, (who formerly worked twenty years as a Los Angeles law enforcement official), reported yet another unbelievable situation. The area had been the scene of much UFO activity for some ten years. One ranch family believed the UFOs must be engaged in some kind of mining operation. The source of the machinery sound seemed deep underground. Ape-like entities (Big Foot critters) had shown up so much that the ranch horses and dogs no longer went into a panic when they appeared. This family also claimed they had seen weird animals such as pure white and black cougar-like cats with long front legs, short back legs, and a ringed tail. They also reported a pink flamingo-like bird, huge beaver tailed porcupines, strange insects (such as pure white "black widow" spiders), and enormous moths. The family thought some of the creatures they had seen could be tropical in nature. I came away convinced of the reality of their claims.

The great profusion of assorted UFOs and other eerie happenings in the forested northwestern region of New Jersey in the 1975-76 time period was also most amazing. This sparsely settled region of hills, lakes, swamps, and forests in the counties of Morris, Warren, Hunterdon, and Sussex was the site of another one of those macabre infestation scenes.

Great sky flashes, brilliant ruby-red UFOs, and an estimate that there could have been as many as 600 sightings of ape-entities gives you some idea of the "problem" that afflicted the inhabitants. The hairy ones seemed to do a lot of howling and crying all over the place and left many tracks. We are primarily concerned here with the truck sounds reported by so many citizens for several years.

Near White Meadow Lake, N.J., witnesses reported sounds resembling underground construction work or subterranean machinery. The sound of a truck climbing a hill was frequently described. The sounds would often last much of the night. One housewife thought they came from the direction of high voltage lines in a distant woods. Another witness, who had heard the sounds off and on for several years, pinpointed their location as that of a water storage tank behind his home. He also heard the sound of a baby crying which came from the same direction. This identical baby crying sound has been known to come from the throat of the ape-entities. Another couple in the same area discovered a row of tiny unusual footprints in their yard.

Dr. Harley Rutledge, a respected physicist, conducted a valuable five-year study of an intense area in southeastern Missouri. He did not solve the burning mystery of alien presence in such abundance. A number of investigators have espoused the "magnetic fault line" theory. Like many theories I'm afraid it has too few facts to support it, and would still leave much unexplained.

What are we to think about these disturbing underground sounds? Due to descriptions that often tally, I do assume that the witnesses are accurate and the sounds are coming from beneath the ground. I believe they are not being fooled by a massive stereophonic sound penetrating everywhere and only appearing to come from the earth. Don't think for a moment that I am in any fashion being swayed toward a foolish theory that originate from "Under the earth theory." One fact is proven beyond all doubt by the alien infestation modus operandi. That fact is, there must exist a space-time dimensional entrance (and exit) from our plane to some other realm. The "nuts and bolt boys" will have to bow out on this one. No explanation they could ever give would ever provide them with a leg to stand on.

In any event, it's pretty certain that the government will never reveal the truth about these awesome matters. They know that on the day that earth's masses awaken to the realization of the fanatic stellar ultra-technology we called UFOs, social disintegration could become a very real possibility.

What are the aliens doing in these infested areas? Make no mistake, the UFO intelligence is up to something. At present its motives and ultimate purpose lie beyond our limited awareness and comprehension. Comparatively we are like blind slugs. The aliens' covert influence upon all things human may be much more than we suspect.

**ABOUT THE AUTHOR**

Since 1965, Mr. Don Worley has investigated over 300 UFO cases, concentrating for the most part not so much on "objects seen in the sky," but on the far weirder ground level phenomena often associated with the appearance of flying saucers. One of the few successful writers in this field, the 64-year-old aircraft patternmaker represents both the Center for UFO Studies and the Aerial Phenomena Research Organization in his home state of Indiana. In years past he has had official Indiana police authorization to investigate strange happenings and in 1967 he acted as part of a reporting network for the University of Colorado's government funded UFO study.

Says L.J. Lorenzen, director of APRO: "We have found Don Worley to be resourceful, reliable and thorough. Because of the nature of our research, it is necessary that our investigators take a down-to-earth non-sensational approach to the problem and at the same time maintain an open mind. Mr. Worley exhibits all these qualifications." Added the late Dr. J. Allen Hynek: "Mr. Donald Worley (is) a fully accredited investigator working with the Center for UFO Studies...and is prepared to cooperate fully with law enforcement agencies in the investigation of UFO reports, and is competent to do so."

The following story is part of the author's ongoing research efforts into a very strange aspect of the UFO puzzle.

# UFOS AROUND THE WORLD: THERE ARE SIGHTINGS GALORE IN THE PHILIPPINES

by Rico R. Magda  
 Freelance journalist, University of the Philippines at Los Banos College, Laguna

**PUBLISHER'S NOTE:** While we seldom hear about sightings in the Philippines, over the years there has been an ongoing number of sightings in this foreign land which have never been explained. Interestingly enough, several years ago the deposed president of the Philippines, Ferdinand Marcos, made a very positive statement about the subject to another noted world leader. The Earl of Clancarty, Brinsley Le Poer Trench (member of Britain's House of Lords), received a personal letter from Marcos about the possible existence of ETs. Said Marcos: "The possibility of our planet's receiving visitors from outer space is, I am certain, not remote in the face of the wonders that we, right here, have witnessed; and indeed it is a thought and idea that brings intense and magical excitement which I, for one, would not unduly set aside until all avenues pro and con have been examined. I am often staggered by the thought of the vastness of our universe and the massive secrets the skies hold, which we on this Earth have barely scratched. Since I am of an adventurous bent, I shall not be the first to say that it is not possible for other planets to be inhabited, nor that people in outer space, or whatever creatures they are, do not have the capability which Earth people are now developing to travel through space and perhaps discover other planets."

At the time this statement was made there was no reason to suspect that Marcos knew any more than he was willingly open to admit. Now, however, reports of UFO landings in the Philippines have become more frequent, leading one at least to admit the possibility that the ex-ruler knew more than he could safely tell about the subject.

For example, a report reaching us by way of a Sydney based UFO group tells how three Filipino farmers have submitted eyewitness reports on an observation of a UFO and its crew. The reported sighting took place at 4 A.M. and 9 A.M. on November 1st, 1968, near the Philippines Communications Satellite ground station inside a valley in Rizal Province, 32 miles east of Manila.

Colonel Aderito de Leon, former manager of the station, wrote a detailed report on the sightings based on interviews he and former assistant station manager, Rufino Santiago, made with the farmers. Their separate accounts were more or less identical about seeing a white, lowlung, saucer-shaped vehicle landing and taking off near where they were, and of two passengers seen inside. One of the farmers gave a more detailed description of the UFOs as being Caucasian looking, with one about six feet tall and wearing white flying suits without identification, and glass-like or plastic headgear.

The site of the landing was visited shortly thereafter by a Colonel Patterson of the U.S. Air Force and he reportedly spoke to another embassy official who had been at the satellite ground station earlier. When asked about his impressions of the different accounts, Patterson said: "As you know the U.S. Air Force has an interest in this type of thing, apart from satisfying my own curiosity." He also said he had no ready explanation for the sightings and added: "We just don't have enough information to make a decision or an investigation."

The following is a more complete report filed by a young journalist living in the Philippines.

**H**ere in the Philippines, we have just as big an interest in UFOs and possible alien visitations as anywhere else. Like elsewhere, sightings do not receive a lot of attention in the press, but people know of their existence just the same. In fact many Filipinos hold that the first UFO sighting happened during Christ's birth, clinging to the belief that the star of Bethlehem was actually a UFO. They point to what the Bible says in Mathew (2;1-2): "Now when Jesus was born in Bethlehem of Judea, in the days of King Herod, behold, Magi came from the East to Jerusalem saying 'where is He that is born king of the Jews? For we have seen His star in the East and have come to worship Him.'"

Others, understandably, regard the appearance of this star as a harbinger or—omen—of evil rather than of goodness: death rather than birth.

Even the technically minded are puzzled by what it says in Mathew's text (2: 9-10) "And behold, the star in the East went before them (the Magi), until it came and stood over the place where the Child was. And when they saw the star, they rejoiced exceedingly." If accepted literally, this passage cannot be explained logically. The Bible does not follow the astronomical fact that stars are unmoveables—no egress, regress—no ups or downs.

Because of this, some try to explain the star of Bethlehem as a supernatural UFO that guided the Magi's journey from the East. This sighting is still remembered to this day traditionally among the Filipinos who commemorate the event by displaying Christmas lanterns in their homes.

In more recent times, the first "strange sighting" was recorded in 1923 and printed in one of the daily newspapers. The incident took place on Cuyo Island in Palawan. Here is the story. There were two fishermen who left their homes at about 1 A.M. to prepare the coral for the next day's tide. Due to the hour it was cool and dark, but with a starry sky. Suddenly, they were surprised by the popping out of a fireball atop an uninhabited rocky area about 2 miles away. Later two more fireballs came out from the lower parts of the island moving towards the original object they had seen. The three fireballs then merged producing a great spark. Suddenly, there was total darkness all around.

Getting their nerve back, the two continued their work. As they resumed their task, there surfaced again a big fireball that moved swiftly along the irregular coastline in their direction. They ran but the fireball followed them closely. When it was about 50 meters from them, one of the fishermen flashed his battery-powered light on the object which stopped dead in its tracks.

Recalling the experience, one of the fishermen described the object as about the size of a cooking pot with a dull, orange glow, like a 10-watt bulb, that surrounded the object. Inside this orange fire was a second layer of green fire. A third layer, according to the fisherman, was composed of a round object with many holes.

Both were amazed at the eerie sight as the object moved closer, finally stopping about 20 meters from the fishermen one of whom said, "musterling whatever courage was left in me, I was cold and trembling only armed with a bola (machete) and a flashlight I flashed my light again on the object."

**UFOS IN PHILIPPINES**

The men felt numbness as they saw a round object, which they later described as "a skull," with fire shooting from the "sockets of the eyes, nose, mouth, and ears." The fishermen moved a few meters away without flashing the light. Then they heard a loud and very strange sound. The fire coming from the UFO grew to about twenty meters high and five meters in diameter. The men ran toward the municipal building and reaching the hall they asked a night guard for help but he refused their request for assistance.

Early next morning, one of the fishermen surveyed the area and saw the burned up green leaves where the fire had been. The case has never been solved.

Years later, Dr. Gregorio Yabes reported that he himself saw some UFOs on two occasions. First was in May, 1947, at about 6:30 P.M. at the construction site of the Quezon Memorial College (QMC). Upon looking up, he saw a motionless, cigar-shaped object with portholes from out of which a bright light was leaking.

His second sighting was at 5 P.M. on May, 1950, atop the QMC building. He said that he saw 7 helmet-like flying objects glistening with light from the setting sun. Some of these flew together while others flew separately.

So intrigued did Dr. Gregorio Yabes become with UFOs that in 1956, he formed the Flying Saucer and Cosmic Ray Fellowship, Inc. aimed at studying UFO sightings and the "messages" from them.

Asked about any beings that might possibly be inside the UFOs, Dr. Yabes reportedly said, "These are beings similar to us, many of whom originally came from earth but now populate other planets." Asked about what planet they came from he answered "Saturn—the most thickly populated planet."

Another sighting was reported by a newspaperman, Rod Villa Jr. of the defunct *Manila Chronicle* in June, 1967. Villa claimed that he saw the UFO from a car for more than 30 minutes at around 9 P.M. The object came as an unusual light brighter than any star. The UFO hovered in the local direction of Quezon City, zooming towards the Laguna de Bay where it hovered for 10 minutes illuminating a wide section of the water. "At this time," Villa remarked, "more people took to the streets."

He added that the object continued to hover for about 10 minutes over Cavite during which the many observers had time to compare it with ordinary jet planes that commonly flash red and green lights. But this object, they decided, was different as it was brighter, soundless, and the light was more yellow. Moving south of the Manila Bay, the object faded into thick clouds, Villa said.

In April, 1974, unidentified objects were seen hovering for several minutes flashing streaks of blue, red, green, and white in Zamboanga, Masbate, Davao del Sur, and in the three towns of Bohol. These objects eventually faded into the upper atmosphere.

Observations also have come from the southern part of the Philippines. Reports from there say that when Alfredo Tayo Jr. of Iloilo City was on an excursion trip on October 15, 1977, with some of his college students, they saw between 7:30 and 7:50, and object approximately one kilometer away. The UFO was hovering motionless over the town of Buenavista, Guimaras Island. Tayo said the craft was glove-shaped with a dark belt across it, which made the object look like a flying saucer. Seemingly, it was made of glass or transparent materials, with its surface regularly giving off a pulsating white glare. The object remained motionless for 15 minutes then faded out gradually from view.

In an undated report, in Ormoc, Leyte, and elderly woman was reported to have seen a spacecraft land from which thick smoke emitted. From the woman's description, the craft was spherical, 25 feet high with six landing legs. She also said that the UFO sent out a hollow pipe which noiselessly bored a hole in the ground. Later, the pipe was withdrawn and the spacecraft flew away. The woman surmised that the craft had taken soil samples of the area.

Having gotten exceedingly close to the object she was able to see inside the spacecraft's innermost compartment where there appeared golden lights which were twinkling on and off. Of the creatures aboard, she said that they were seemly communicating with each other through the use of "invisible waves" (telepathy).

The most recent sightings occurred in March 1986. These sightings were reported in a local paper here stating that a commercial photographer, Hernan de Cartagena, saw and photographed a UFO flying over Cubao, Quezon City. The photographs, which he submitted to the Philippines' PAG-ASA astronomical division in Manila, are considered to be the first UFO picture taken in this country.

An account of his sighting follows. First sighted at 6:50 P.M. on the 17th of March, with a followup sighting at 6:55 P.M. on the 18th. His second sighting was also witnessed by Basilo Noe, an astronomer with the PAG-ASA observatory at the University of the Philippines' compound at about the same date and time.

Asked about the sightings, he said: "I dismissed the thought that it could have been a satellite because of its erratic movement and also because there were no reports of any satellite passing over the country at that moment or day."

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- ATOMIC WAR — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- COLLAPSE OF GOVERNMENTS — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- ENVIRONMENT TO STRIKE BACK — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

• UNEXPLAINABLE OCCURRENCES — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

**MASS EVACUATION**

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. WHY DID THE COURTS & U.S. FEDERAL GOVERNMENT TRY TO HUSH UP THE  
AUTHOR OF A STARTLING NEW BOOK ON THE BASIS OF "NATIONAL SECURITY?"**

My name is Rod Edwards and I want to tell you my shocking story. And though what I have to say is incredible, every word is absolutely true...I swear it! In 1973, I discovered a means to photograph spirits of the dead as well as other worldly beings and UFOs. By utilizing the proper mathematical equations and chemical formulas, I was able to produce at will pictures of ghosts from almost any film negative.

As fantastic as my discovery might have been, I was continually harassed, my telephone tapped and illegal entry and searches were made of my apartment. I was arrested on a trumped up charge, thrown in jail and, in front of a judge, it was declared: "He found the key to life!...Unless he is heavily sedated until death, he will cause the downfall of Orange County, the United States and the world!"

At considerable expense, I have

decided to share my findings with the rest of the world. I have turned down offers of millions of dollars from those who would use these discoveries for their own financial gain instead of the betterment of humankind. Because of what I found out, I am able to:

- Understand Revelations within the Bible without difficulty.
- Know where the gates of Heaven are.
- Know where Jesus currently resides upon the earth, since he really never left.
- Defeat Satan against his many challenges, and

**HOPÍ REVELATIONS**  
Continued from pg. 2

"This is my God symbol," he told us. "You were wise to follow your dream. The white bear is my clan. You have been sent to me. Come now I make you a Hopi."

He took us back to the livingroom. He produced some eagle feathers, pahohs (prayer sticks), and other religious paraphernalia. He began chanting and then said, "Now I make you well."

At the time, I was having pain in my left hip. I never let on, nor did I tell him about it. I mentioned it to Jackie earlier in the day so she already knew about it. What we saw next absolutely amazed us! Augustine reached into the left pocket of my jeans and pulled and pinched and finally yanked out some gray matter which came right through the material of my pants! Then he simply tossed it into the fireplace.

"You have asthma since a child," he told me. "You have problems with your lungs too."

He was correct on both counts. Then he told me, "You have bad heart, if you not come to me you would die."

Well even though I never had this problem diagnosed, I knew I was prone to having an irregular heart beat at times. From each of these areas he would either pull out gray matter or something that looked like a small stone. It was incredible!

"There are people who wish evil on you, that is why you are sick," he went on to explain the cause of my condition.

When he was finished with me he did the same thing to Jackie. When he was done with us, we had some pretty bad bruises, but we didn't let on that it hurt.

Finally I asked him, "Why did I see a UFO?"

"What?" he asked.

"UFO," I repeated. "Why did I see a ship come down out of the sky?"

"Forget you see it," he said almost angrily. "You need not know. It is not important for you to know!"

It was as if we had overwhelmed him with that question. It seemed we had touched upon something sacred within the Hopi realm and we dared not intrude.

"You Hopi now, what clan are you?" he asked us.

Jackie and I both hesitated.

"You belong to spider clan," he informed Jackie.

"Yuk," I said "I hate spiders."

"What clan you choose?" he asked me.

"I don't know," I said, a bit bewildered by all of this.

At that time, I was fidgeting with a six pointed star necklace I was wearing around my neck.

"You belong to star clan," Augustine said holding my necklace in his hand. "Take me back now," he said, "I give you medicine."

We drove him back to the field. While we waited for him, we gave some clothing to his grandchildren who flocked around us.

A few minutes later he came back with a jar of Hopi tea made out of desert plants.

"Take this three times a day, this much," indicating the proper dosage. "Take some now."

It tasted like weak iodine, but not too bad. Finally we thanked him and left. Though we originally had planned to stay on the reservation at least three days we decided to leave for Sedona, Arizona at the last minute.

We took the medicine for a couple of days and noticed a mild tranquilizing effect it was having on us.

"Do you think we should drink this stuff?" I asked Jackie at our campsite just below Sedona.

"I don't know, do you think we should get rid of it?" she asked.

"Let's ask for a sign," I said. "If we're supposed to drink this stuff let a rabbit cross right here in front of the van."

"Oh heck, Jackie, no rabbit is going to cross here, we haven't seen a rabbit the whole trip."

So we dumped the stuff out. Just then a rabbit crossed right in front of the van where I said it should. We just looked at each other...

It seems as though through the dreams I had, a whole new realm was opened up to us. The symbols fit exactly into place when we were led to Augustine. And what of Mike, the friendly cowboy who happened to be at the right place at the right time? Was something trying to stop us from our purpose, and yet somehow good intervened as it always seems to do if you give it a chance? Was it pure chance he happened to be there out in the middle of four hundred square miles of desert? And what of the lesson we learned? We were mistrusting and this man showed us faith in humankind.

But, of course, the main question is why were we led to the Hopi? I think that question will be answered for all of us in the future in the New Age. From what I've come to understand, our spiritual brother, the American Indian, will play an important part in our finding a safe haven at the time global disaster strikes. The Hopi have many prophecies which tell of grave dangers due to mankind's negativity, his misuse of the planet, and his generally destructive ways. Many tribal legends make reference to God-like beings from the Stars who landed openly in eons past to share their wisdom and knowledge with the redman. It is said these spiritually advanced souls are about to return in greater numbers than ever before and will renew their long standing friendship with our native Americans.

Isn't it apparent that the Indians have an important message to impart to all of us, and isn't it about time we listened?

**THE DYNAMICS OF COSMIC RELATIONSHIPS**

by Dr. Diane Tessman, D.D., D.L.

This manuscript is new, given to Diane in the form of several transmissions from Tibus, her Star Guardian.

**THE DYNAMICS OF COSMIC RELATIONSHIPS** explores the relationship of the Star Person and the Special One (Star Guardian). It reveals methods for clearer contact and gives a specific guide to establishing a dependable, loving, working relationship with this wonderful being of the Higher Realms who is especially yours.

How can you be sure that your Special One is also your soul mate?

**THE DYNAMICS OF COSMIC RELATIONSHIPS** also reveals the dynamics of the relationship one may establish with a guardian who is not the Special One but who is a member of the spiritual family, much like a mother or father angel. How can these loving higher beings be recognized by you? How can they help your daily life and your star path make better progress?

**THE DYNAMICS OF COSMIC RELATIONSHIPS** also deals with romantic relationships with others in human form. How can you tell if there is a "cosmic element" in your relationship? How can you know if there have been parallel aspects (past & future lives) with your human lover? How can you avoid being hurt if the person you love is totally of the mundane world?

How can you find your soul mate if he or she is in human form?

**THE DYNAMICS OF COSMIC RELATIONSHIPS** also explores the cosmic nature of the friendships which Star People feel with each other. Why do you sometimes feel you have known another person for eons when in fact you have just met? How can this feeling be used to its fullest and best potential?

What happens if you apply mundane rules to a relationship which has a "cosmic element"? And, the reverse of this: what if you long for a cosmic aspect to a relationship but just end up getting hurt all the time? And why do the Star Guardians tend to "fade" in contact when we apply mundane rules and demands to them?

All these urgent and personal questions are answered by Tibus in this brand new manuscript, plus much more....

**FIRST TO CAST SPELLS**

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

**PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!**

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In **THE GREAT PYRAMID SPEAKS** you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

**MOSES — MOST FAMOUS INITIATE**

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

**ATLANTIS AND THE ANCIENT ASTRONAUTS**

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprang up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible for the construction of the Great Pyramid which remains an architectural marvel.

**THE GREAT PYRAMID SPEAKS** answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

**A TIME CAPSULE UNDER THE GREAT PYRAMID?**

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid. Information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

**BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS**

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's case say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

**WILL THE CROSS JESUS WAS CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?**

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale: earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In **THE GREAT PYRAMID SPEAKS**, Diane's etheric contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

**MYSTERY OF A SPACE SHIP**

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this space ship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

1100 A.D., the Fremont culture occupied the canyon, and the records they left in the form of petroglyphs and pictographs comprise the heaviest concentration of rock art in the world today.

The Fremont people developed their own art style, which, interestingly, was typified by horned, trapezoidal-bodied human-like "anthropomorphs." Were these creatures somehow symbolic of nature spirits? Or did they truly represent visitations by beings decidedly different from the other Amerindian neighbors of the Fremont people?

In one dramatic petroglyph in Nine Mile Canyon, one may view an unusual depiction of one of these horned (an ancient astronaut enthusiast might say, "antenna-spouting") anthropomorphic figures. In this instance, the creature is standing before a row of upraised human hands, which seem to imply awe, reverence, or fear. To the anthropomorph's left, there is a disc-like object. To the disc's left, there is an upside-down anthropomorph faintly etched in the stone.

Another petroglyph in Nine Mile Canyon shows what is definitely a scorpion standing between two mysterious figures. Some authorities have said that the etchings represent a fish and a tree, perhaps worked in an experimental style by some venturesome Fremont artist. Others, though, have wondered if the petroglyph might not pay homage to a dramatic energy or power assigned to a strange, blob-like object that had the ability to "sting like a scorpion."

John Magor, writing in *Canadian UFO Report* describes a most intriguing "flying object" pictograph which is located in a natural grotto near Christina Lake, B.C. The drawing depicts a white disc with black wing-like protuberances, hovering over four figures who appear to have bent their knees in an attitude of reverence. Squiggly lines, perhaps suggestive of rays of light, emanate from the top of the object. Longer, more irregular lines, possibly portraying smoke or fire energy, extend from the bottom of the disc.

Magor points out that although it was a practice of these primitive artists to depict exactly what they saw, they no were doubt limited by their inability to draw in depth. In order to compensate for this lack of perception, the artist may have tilted the object to indicate its discoid appearance. At the same time, he probably retained the wing-like outline, which no doubt impressed him.

Despite the limitations of paint upon rock, Magor feels that the unknown artist showed great skill in conveying the idea of something extraordinary in the air.

"Because of its comparative size," Magor says, "it is obviously not a bird. And just as obviously because of its shape (perhaps that is why he retained the winged look) it is not the sun."

Magor feels that the touch of real brilliance on the part of the Amerindian artist lay in the use of the four human figures. "Not only do they lend size and height to the object, but by their suggestion of a worshipful attitude, they create the impression that this was an event of rare spiritual importance."

There is another impressive similarity between Amerindian pictographs and "charlots of the gods" in the cone-shaped, rocket-like objects discovered near Cayuse Creek and Kootenay Lake. Quoting from Alan Jay's article in the *New Westminster Columbian*:

Yet another rock painting at Cayuse Creek shows what is clearly a cone-shaped rocket with smoke and flame trailing behind it. And it contains a single humanoid figure apparently holding on to the inner wall of the rocket.

A...pictograph near Kootenay Lake depicts the same kind of enclosed vehicle, also containing single humanoid figure. The drawing also shows sections resembling the firing stages of a modern lunar rocket and two appendages closely resembling the retractable landing 'legs' of lunar space module.

Magor does not feel, as some interpreters have suggested, that these rock paintings depict the sun shining on water. The pictographs remind him of contemporary UFO descriptions of glowing, eggshaped objects.

"The wavy lines underneath might have been the artist's way of showing the object was in motion," Magor theorizes. Or since early Amerindian craftsmen were meticulous about visual impression, the lines might indicate some kind of vapor trail.

In a Fraser Lake pictograph, there are no rays protruding from the upper surface, which, in Magor's opinion, "virtually eliminates any notion that the artist was drawing the sun." The more obvious Amerindian symbol of the sun was a circle with short straight lines emanating from the entire circumference. In the Fraser Lake pictograph, however, only the zig-zag lines underneath are shown, "suggesting once more the idea of motion or propulsion."

Wisely, John Magor continually cautions his readers about ascribing to strange petroglyphs and pictographs depictions of early interactions between Amerindians and entities from "out there." There is one other petroglyph, however, which may bear enough circumstantial evidence to merit additional investigation—or at least theorizing.

At Roberson Point, Prince Rupert, there is an unusual intaglio (incised carving) of the outline of a human-like figure. In Tsimshian legend the

petroglyph is known as the "man who fell from heaven." John Magor comments: "Perhaps we can accept this as a literal definition. The carving is so utterly unlike anything else of early Indian origin on the West Coast that its history must be extraordinary."

Magor tells us that one theory has it that the Tsimshians who lived in that area might have one day returned to camp to find the body of an exceptionally strange man within their parameters. The considerate Tsimshians may have conceived the carving as an open grave to permit the stranger's spirit to return home. But if it is a grave, Magor reminds us, it certainly had not been intended for one of the Indian's own kind, for the practice among the northern native groups is to shelter graves, not expose them.

It would not have been at all remarkable for the early Amerindians of any tribe to believe that a stranger might have fallen to earth from the sky. Amerindians adhered to the universal belief which holds that the stars are the residences of spiritual beings who have a definite connection with, and a mysterious relation to, human souls.

The majority of Amerindian Medicine People today believe that the Star People and the Spirit Guardians of the Earth Mother are becoming active at this time in an effort to aid mankind survive a coming Great Purification of the planet.

On August 2, 1974, during a lovely and meaningful ceremony I was adopted into the Wolf Clan of the Seneca tribe by the Repository of Seneca Wisdom, Twylah Nitsch. At a private ceremony, I was also initiated into the Wolf Clan Medicine Lodge. My adoptive name is *Hat-yas-swas* (He testifies), and I was charged with continuing to seek out and to share universal truths.

In October, 1974, Twylah received a vision about the role of the Medicine People in the coming days of strife, chaos, and cleansing.

"We are presently here because we are aware of the coming cleansing of Mother Earth," Twylah said. "Man has exerted an imbalance on her way of life; he has exhausted her natural resources. Medicine People must retain and guard the use of her gifts, or she will no longer be able to nurture her creatures. After the Earth Mother has been cleansed, Medicine People must seed the decrees of the Creator in the next world.

"When the transition occurs, our spiritual light will guide and protect us as we evolve as people of wisdom and as messengers of the decrees of the

These must seem like some pretty outrageous claims to make. But you would like to be able to "talk to God directly," wouldn't you? Or be in a position to fulfill every desire or dream that you've ever imagined? Right?

Jesus, Moses, Krishna, and Buddha experienced and possessed all that claimed above. And all of them brought the same basic truths clothed in one social/psychological garment or another. One winding path. These beloved Masters taught with the metaphysical wisdom of all ascended beings. These truths have always been universal, and till now shrouded in mystics of organizations, traditions and cultures. However, with the dawning of the New Age of Aquarius, anyone who will ask and do, can attain all the things claimed above and more.

I Am that I Am, the God presence in us all, and a metaphysical course on consciousness is now, for the first time, available to the general public. You can understand the inner mysteries and knowledge once reserved only for Masters and their devoted followers. You are initiated in the knowledge of how an individual soul metaphysically and spiritually relates to its whole environment and ones God Presence. This science of the seven major Chakras, Four Lower Bodies, Christ (Krishna, oversoul) and I Am presence are the founding metaphysical truths that define our inner reality. This inner reality controls our destiny and who we are. Master your inner reality and you master the world and heavens beyond.

"I Am that I Am" provides you with all the metaphysical science necessary to understand your complete inner reality. Then shows you how to apply that science to create transformation and expansion of that inner reality, so your full manifestation of all desires will take place in your outer world. The typical core psychological and sociological problems or blocks that occur in each part of your metaphysical structure are discussed, followed by scientific visualizations which will remove the block and expand that part of your consciousness.

Now, you don't have to spend large sums of money or go through endless initiations in secret organizations to understand what the Masters of all time have known, and become the master of your own time. I Am that I Am is complete in itself. Buy it. Know it, and fulfill all your desires and dreams within it.

## UFOS IN PHILIPPINES Continued from pg. 24

On a global basis, doubt still exists as to the authenticity of UFOs although one thing is for sure, they are certainly under scrutiny. In order to accept the phenomenon, sightings should convey the most credible logic and convincing evidence possible.

At the Manila Observatory, cautious scientist Francis Heyden, S.J. gave his thoughts: "There are all sorts of things which people see but can't explain....If these UFOs came from the nearest star, at 50 kilometers per second, it would take them about 27,000 years to get here. By the time they reach earth, they wouldn't survive since they need another atmosphere, another temperature."

Another enthusiast, Fr. Victor Badillo, likewise quipped, "Why don't they (UFO creatures) make themselves more manifest like perhaps presenting their credentials at the UN headquarters or appearing on TV?"

Though some sighting reports in the Philippines are inconclusive, there are some common factors with regard to similarities to sightings over other countries. This includes the use of telepathic communication; the object being saucer-shaped with blinking lights; strange marks in the soil where the spacecraft landed; the spacecraft's extraordinary speed; and other exhibited phenomena that defy explanation. Just like the witnesses to the Philippine UFO sightings, their foreign counterparts truly believe that what they observed were somethings which they had never seen before.

Unlike the wave of sightings in the U.S. which soared into the news in 1973, sightings in the Philippines have come like a trickle. And for the most part, the observers' experiences have never been verified through scientific means, such as regression hypnosis, or with the use of advanced polygraph tests which are available in scientifically advanced countries. Philippines researchers simply cannot probe deeper because of a technology gap.

As more UFO trackers find the work more intriguing, more and more reports will carefully be lodged, indexed, and tucked away in files.

Meanwhile, the most recent UFO happenings come from thousands of miles away, from Brazil where fighter jets chased more than a dozen ping-pong like UFOs. A pilot who chased the UFO said that the object "was not like anything in existence." Reports said that before the chase, the objects had shown up on radar at the Brazilian government's Air Space Defense Center in Sao Paulo. The chase took three hours, the pilots coming back when the gauges indicated that the planes were running out of fuel.

As more and more countries openly acknowledge the existence of UFOs, more men in the Philippines will likewise find the extraterrestrial phenomenon a very real and frightening problem. Total skeptics have continually asked: "Don't you believe?" For which, the answer has to be: "Well, UFOs remain with us to be seen."

Creator. Each messenger, according to the level his gifts and abilities have developed, will assist others in seeking the Pathway of Peace."

Will there be assistance from other entities and intelligences from other dimensions of being?

"Yes," Twylah answered, "all over this world and on other worlds there are Messengers sitting in council. They will come to convene with us. This has happened before, and this communication will continue for time eternal."

A SCIENTIFIC-PSYCHIC APPROACH...NOT RELIGIOUS DOGMA  
**CHRIST TO RETURN SOON!**

**REVEALED—THE SPIRITUAL SIGNIFICANCE  
 OF THE WEeping ANGEL  
 PHENOMENA AND HOW IT  
 PROVIDES THE MISSING CLUE  
 TO THE GREATEST SINGLE  
 PROPHECY OF OUR TIME**

- JESUS TO APPEAR IN THE SKY.
- EARTH CHANGES HERALD A NEW "GOLDEN AGE."
- AN END TO SUFFERING.
- ABUNDANCE FOR ALL.
- THE DEAD TO RISE.
- NO MORE ILLNESS.

Based upon Biblical prophecy, most devoted Christians strongly believe that the Son of God, who ascended into heaven after the crucifixion nearly two thousand years ago, will eventually return to rule over a glorious Golden Age of peace and prosperity that will encircle the globe.

Scientific evidence now exists that proves the Second Coming of Jesus will take place in our life, sometime between 1987 and the year 2,000.

This proof has been provided by an Englishman who not long ago discovered a mysterious painting in his garage. The canvas shows the Angel of the Lord announcing the birth of Jesus. Just as the man was about to discard the painting (for he was not particularly religious), a Christ-like figure appeared in front of him, blocking his way. The masterful being reached out his hand and touched the glass-framed picture. The glass on the picture shattered into bits and the mysterious figure then vanished in a blaze of orange light. The Englishman instinctively thrust his left arm upward to shield his eyes, but suffered a burned left forearm and the angel picture was blackened and blistered.

A short time later, however, the print REPAIRED ITSELF and the angel in the painting began to weep real tears, and has continued to do so intermittently ever since. In addition, the Christlike apparition has appeared more than 6,000 times. Dressed in coarse robes with a red outer garment. He always appears REAL and SOLID. The "vision" has brought GREAT NEWS about the SECOND COMING and the true meaning behind the weeping angel in the painting.
