## PSYCHOLOGICAL EFFECTS FROM OBSERVING UFO'S

by Richard D. Seifried

Helen steered the old VW "bug" along the winding, mountain road. She, her husband and twenty-one month old son were heading home along the Biltburger Strasse in eastern Germany. The time was 10:40 P.M. of November 25, 1978.

A red glow appeared above the tree tops of the gloomy pine forest. "What's that light?" Helen asked.

Her husband leaned forward and peered out of the front windshield. "Oh, my god!" he exclaimed.

An elongated oval shaped object with two white neon-like lights and a red blinking light whisked across the black, night sky. It passed just a few yards above the VW.

Startled, Helen stepped on the accelerator to increase the speed of the seemingly sluggish auto. They were home in about two minutes.

The young married couple argued about what they had seen. They traded seats and with the husband driving they hurried back to the location of the strange sighting.

Extremely dense fog inundated the region in a matter of minutes. It was impossible to see anything. When they arrived at their home again they thought that no more than ten minutes had elapsed since they had first seen the craft. However, the hands of the only clock they owned indicated that it was ten minutes after midnight.

More disturbing was the fact that their little son awoke the next morning with what looked like sunburned, doughnut-shaped circles around his eyes.

During the following weeks the

young American military couple had difficulty sleeping, spent endless hours peering out of the windows of their home, and actually chased several unidentifiable nocturnal lights.

Later, back in the United States, Helen contacted an Ohio UFO investigative group. The members paid for five hypnotic sessions with a licensed psychologist. The story that came out of the regressive hypnotic sessions was that Helen and her family had been abducted by strange, little beings and given examinations on board the craft they had seen.

The trauma that the family experienced did not go away. In an effort to acquire some badly needed money they sold their story to a weekly tabloid. Crank calls followed. Their lives were threatened by radical religious groups and they had to move and acquire an unlisted telephone number.

Helen's case was certainly sensational. The anxiety that followed was to be expected but it was never-the-less unpleasant.

People who see UFO's or have "encounters" react in a variety of ways. But all witnesses, at the moment of awareness, suffer a change, however slight, in their lives.

Usually observers of UFO's are people who see unexplainable nocturnal lights. Most become infatuated with the mystery. Not everyone does though.

# UFOS, SPACE ALIENS AND MYSTICAL HAWAII

by Brad Steiger

Even though Hawaii is our 50th state, many people think there is still something strange and remote about this faraway paradise in the Pacific.

There is something magical—very mystical—about the seven Islands that go to make up the Hawaiian Chain. My own research (which resulted in a popular book KAHUNA MAGIC) confirms that "peculiar" events do take place, and that they started back as far as written records go.

The South Sea exploits of the famous Captain Cook are well known, as is the fact that his dealings with the Hawaiians which later lead to his unfortunate death when it was discovered that he was not the god Lono as the natives at first assumed him to be. History books recount his many deeds, and colorful movies have portrayed his sea adventures. Very few, however, are aware of the fact that Captain Cook was the first white man to see UFOs in the vicinity of the Hawaiian Islands.

In *The Golden Haze: with Captain Cook in the South Pacific*, published by Weindenfeld and Nicolson, London, there is a quotation from the diary of a scientist who accompanied Captain Cook on one of his many voyages:

"On their last evening in New Caledonia waters, Forster reported a ball of fire to the northwest, in size and splendor resembling the sun, though somewhat paler. It appeared with a hissing sound and soon burst, leaving behind it a few shining sparks among which the largest, oblong in shape, sped from our view, followed by a bluish, flaming streak."

And while Captain Cook may have been the first white man to observe a UFO near Hawaii, writer-researcher Timothy Green Beckley makes a good case in his book KAHUNA POWER (Inner Light Publications) for the fact that strange aerial phenomena has long been part of the legends and the lore of the locals who have for centuries considered them to be signs, symbols and omens. It is generally felt that such glowing globes represent the spirits of dead ancestors who are able to show themselves as a streaking fireball. The gods themselves are also thought to be capable of flying about with a swiftness not to be matched even by the technically advanced aircraft of modern day science.

As part of my own ongoing research into strange things seen in the sky, I have more-or-less kept a log of reports from this part of the world. Maybe it has something to do with the fact that I consider Hawaii to

be a "special place," or maybe it's just the fact that UFO sightings here seem to take on unusual significance in the overall scheme of things.

On Saturday, July 11, 1959, a detailed report of flying objects was submitted to *Flying Saucer Review* by Captain George Wilson, a forty-three-year-old Pan American Airways pilot with nineteen years of flying experience. Four other commercial airline pilots also sighted unusual aerial objects that day, and they, too, submitted their accounts.

Captain Wilson was en route from San Francisco to Honolulu when, approximately 1,000 miles east of Honolulu, he saw one intensely bright light followed by four smaller lights. The captain immediately checked his watch and noted the time: 3:02 a.m., Hawaiian time. Captain Wilson's plane was cruising at an altitude of 20,000 feet with low clouds decked below them when the object first came into their field of vision. It was 1,000 feet above them, and over to their left.

"My co-pilot, Richard Lorenzen of Los Altos, California, and flight engineer Robert Scott, stared open-mouthed as the light came toward us at an extremely high rate of speed," Wilson stated.

"For at least ten seconds it maintained its course, which was on an opposite heading to us; and if it had been another aircraft it would have passed well to our left."

While under the three men's astonished observation, the object abruptly made a sharp turn to the right, traveling at a speed incon-

ceivable to any vehicle known to any of the three airmen. As it completed this turn, the object suddenly vanished.

"The smaller lights were evenly spaced," Wilson recalled, "and were either a part of the mysterious object, or this was an example of darned good flying formation."

Wilson had considered the possibility of the lights being some form of reflection, but he was forced to discount this theory. "It was pitch black," he pointed out. "A total of five planes sighted the same object. It is absolutely impossible that it could have been a reflection."

This was a difficult statement for the captain to make, for with all the furor aroused by aerial sightings, Wilson had in the past steadfastly maintained that "such foreign objects" could not exist. In view of his own observation of the lights, however, Captain Wilson was forced to admit the possibility of extraterrestrial craft.

"I've never seen anything like it," he told those in Honolulu when he landed. "In all my nineteen years of flying, I've never seen anything like it. I guess I'm a believer, now."

As indicated, four other pilots saw the unusual lights that night, and each filed separate reports. These other pilots were Captain Lloyd Moffatt of Canadian Pacific Airways; First Officer Erwin Zedwick of Slick Airways; Captain Novie Sprunger of Pan American Airways; and Captain E. G. Kelley, also of Pan American.

Captain Moffatt confirmed Captain Wilson's story. "You can take it from me, they were there," he

declared. "I never saw anything like it in my life, and there are five of us who saw the same thing at the same time."

At 6:24 a.m. policeman in Walkiki spotted the lights. He immediately radioed police headquarters and reported that a jet plane was approaching the lights. At 6:28 he called in again, stating that one jet was near the lights and other planes could now be seen approaching. Air Force officials denied that any jets had been sent to inspect the lights.

By dawn, "explanations" were being offered from different quarters. The Weather Bureau notified the police that in their opinion the lights were stars, since they vanished when the sun rose. The Air Force and local astronomers agreed that the lights were probably the star Antares.

The Air Force also suggested that at least one of the two unidentified flying objects could have been a missile fired from California. Spokesmen stated that a test missile was fired from Vandenberg Air Force Base, California, at 5:45 a.m., Hawaii time. "These missiles usually take a more southerly route and are not seen in the Islands," the spokesman said.

The last word had not been said yet, however, for in the January 26 issue of the *Advertiser*, a letter from Mr. T. Walter Hashimoto was published:

The UFO mentioned in your news article on January 23 was also seen in Hilo on the same date and approximately the same time (5-6 a.m., January 22).

## CONTACTING UFO INTELLIGENCE THROUGH YOUR DREAMS

By Chris Frantz

Chris Frantz with Hopi Medicine Man Agustine, Second Mesa, Arizona.

Over the years she had told her story to absolutely no one, and yet it was something she could not easily forget. Little by little, she began to remember bits and pieces which were starting to emerge during her dream state.

"I remembered picking up the stranger and driving for a while until we came to a side road which we turned off onto. The road led to a clearing where a strange disc-shaped craft was resting. My girlfriend and I were ushered onboard by the hitchhiker who kept repeating that he meant us no harm. There were other people inside the ship and they all went about their duties as if we weren't there."

During the course of the time she spent onboard, Janet asked why they had selected her and she was told by the alien being that it was because

DREAMS  
c/o Inner Light  
Box 753, New Brunswick, NJ 08903

In previous issues of UFO REVIEW, I described in detail my dreams about the Americans Indians as related to UFOs and predictions involving the so-called "End Times" or "Last Days." In my second feature, I indicated further that I thought some dreams were not just "dreams," but had special significance, especially to those of us who tend to be sensitive or psychic by nature.

Never in my wildest imagination did I suspect that my articles would generate such reader response. Over a period of a few months, I received mail from all over the United States, Canada, and from several foreign countries indicating that I was not alone in my seemingly unusual beliefs. From what I was being told, many people have recently found their dreams serving as a springboard for heightened states of awareness. One Houston, Texas man said every night while he slept he was being trained in higher mathematics for a purpose which he did not fully understand, but which would become clear to him in the next few months. A woman from Hollywood, Florida wrote to say that she had been taken onboard a mile long mothership several times and was given the power to heal. Both readers were mystified over how higher intelligences were using the dream state to literally get into their minds.

During numerous trips to the Hopi Reservation in Arizona, I have discussed the process of dreaming with several Indian medicine men. One in particular, a kind gentleman named Agustine, confessed that to the Hopi dreams have always been a sacred way of communication with the "other side" especially in times of great tribulation. Apparently, beings from other worlds, dimensions, and realms find this one of the best ways to communicate with us on an ongoing basis. And now that many of us are starting to have our Third Eye opened, more-and-more such seemingly strange occurrences will take place while we are supposedly "sound asleep."

Naturally, not all dreams are of a psychic nature, but some definitely are and this has even been "proven" in several instances.

Take for example, the case of the 38-year-old RN who poured her heart out to UFO writer and investigator Brad Steiger. I sat spellbound along with UFO REVIEW publisher Timothy Green Beckley and movie producer/writer Sherry Hanson, as "Janet" (not her real name) related an experience that took place some eight or nine years ago along a lonely stretch of Utah roadway.

According to this very practical career woman, she was riding with a girlfriend when they stopped to pick up a hitchhiker— something they would absolutely never do under normal circumstances.

"There was just something so compelling about him, and we couldn't do anything but pull over and let him into our car," Janet explained.

The next thing they remember is pulling into Janet's driveway near Phoenix. "A period of time had elapsed and while we were hundreds of miles from home when we last stopped, we didn't seem to have used very much gas."

In reality—as it turned out—three entire days had gone by. "We could not recall anything that transpired. It was as if we had a mental block." And while Janet's friend seemed to have suffered no ill side-effects from the experience, Janet became very upset and very uneasy. "It was as if my life were falling apart."

# X STANDS FOR THE UNKNOWN & FOR "MICHAEL X." — MASTER TEACHER OF THE NEW AGE

Several years ago the avatar Michael X. Barton was considered the leading teacher on matters of the New Age. Then one day he mysteriously disappeared. Some say he went to live in the secret city of Shambhalla with the White Brotherhood. Others maintain he went aboard a UFO returning to his home planet. Whichever may be true, Michael X. left behind a rich legacy for his books on transformational subjects are like no others. Until recently most of these titles were unobtainable, but thanks to the estate of the late Mr. Gray Barker of Saucerian & New Age Press, we have obtained a stock of many of the popular Michael X. manuscripts and are able to make them available to those serious students who would like access to this valuable material.

- Is there a war going on in our solar system that is being played out very close to the earth?
- When will the Ashtar Command and the Free Federation of Planets take control?
- Why is the U.S. & Soviet governments, as well as the scientific community covering up this data?

SHOCKING PROOF!  
ALIEN BEINGS HAVE  
ESTABLISHED BASES ON  
THE MOON

DREAMS & UFO INTELLIGENCE

she was the one who "held the key."

"I kept telling them that I didn't know what they were talking about...that I didn't have any 'key,' but they just kept shaking their head and insisting I did, and that I would find out what they were talking about when the 'time is right.'"

Attempting to get on with her life, Janet tried her best to push these dreams out of her mind, but they would still take place from time to time, and always featured the same "man" she had picked up at the roadside. Several years after the experience, Janet got married and in due process had a baby girl. One night when the child was about six years old she woke up screaming "I ran into her bedroom as this behavior was so unlike her. My little girl was crying 'Mommie, Mommie they're in the house and they want to see you. They say they've come for the key!'"

To say the least, Janet was flabbergasted because here was additional proof that her experience was not just a figment of her imagination. "I had never told my daughter about the man in the craft, my dreams, or anything to do with my experience and here she was repeating the same phrase to me that I had been told directly. Somehow they had gotten to my daughter in her dreams to pass on a message to me."

Janet says she still has no idea what they want or why they picked her, and she isn't one hundred percent sure she wants to find out.

Sometime back I had a somewhat parallel experience happen to me though—it didn't directly involve missing time.

Three years ago I was warned by an unknown figure in a dream that if I left my husband my son would become temporarily blinded in an accident due to events that would follow after my separation. During the dream, I asked the entity to spare my son.

"Please," I begged, "let me take his place. Don't let him suffer!"

On June 16th, 1985, I left my husband and moved in with a man by the name of Robin who had been my horse shoer. I needed a place to stay and being broke at the time, I had no other alternatives. Robin and I grew very fond of each other. He was also recently separated and we found some comfort in each others misery.

During a trip we made together to Durango, Colorado, we came across two quarterhorses for sale that we were very much interested in. One was a tall, boxy horse, well built and lean. The other was a stout, heavy muscled zebra dunn. The dunn was a real beauty and I decided to buy him for Robin as a gift. We named the tall, lean, red horse Roger and the dunn we named Buck. And so Buck and Roger came home with us to our small town of Black Hawk, Colorado.

We soon found that the horses could not be separated. I had a fear of horses because of an earlier accident, so Robin began working with Roger to make sure he was safe for me to ride. Unfortunately, whenever Roger was taken out of the pasture, Buck would go crazy. He would run up and down the fence line, ready to charge the barbed wire at any given moment.

"Please tie him up. He's going to go through the fence!" I pleaded more than once.

Robin tried tying him up to one of the posts in the barn, but Buck was so strong that he broke the post and almost caused the barn roof to collapse on top of him.

"This is not going to work." I said, "We need something much stronger."

The next day, I went and bought two strong nylon halters and a heavy duty bull rope. We tied Buck up with both halters and strung the rope to a nearby telephone pole. He fought so violently, that at first I thought he was going to break his neck. After several lessons Buck finally settled down. Robin decided then that it would be alright not to have to tie Buck up anymore. I was not so sure.

On August 16th, Robin, I and my son, Dusty, went to the pasture so Robin could continue training Roger. Robin rode around the outside of the fence with Buck merrily following along, while my car was parked on the road next to the barbed wire fence. Just on the inside of the fence near my car was a small pond which was about twelve feet deep. Robin rode past me and the car, and when Buck tried to follow, he came to the pond and panicked. The horse tried to jump the fence and entangled his back legs in the attempt! In his pain he became a dangerous runaway locomotive.

I was standing behind my car with the trunk lid up. I began yelling at Robin frantically. He was barely inside hearing range.

"Look out!" I yelled to him. "Buck went through the fence." I heard the barbed wire whistling in the air. I could hear it getting caught and snapping free like an overstretched rubber band. Things began to move in slow motion.

Dusty was standing next to me. The remaining barbed wire strand was just on the other side of him. Buck had reached the car by now and was just running past trying to get to Roger, his buddy who he thought, would save him. I could hear the wire whipping through the air. I knocked Dusty to the ground and the wire missed him, but it caught on the hood ornament of my car and sprang loose catching me across the eyes and throat. It felt like all the bones in my face had been smashed. My throat felt constricted, I knew my trachea had been damaged. I lay on the ground in agony. The reaction of my son and boyfriend were oblivious to me.

"I always wondered how I was going to die," I thought. As I was laying there gasping for air, I heard a voice say to me, "Just calm down, you're not going to die."

Buck had taken out 400 feet of wire and two solid posts. I was certainly lucky to be breathing. Robin rushed me to the emergency room of the nearest hospital which was 30 miles away. He gave me a handkerchief to cover my face. My wounds were unbearable. I was sleepy and I could barely breathe. My lungs had started to swell. I tried to swallow but couldn't. I started to choke and I was in shock.

When I got to the hospital, I was lifted out of the car and put on a stretcher. I drifted in and out of consciousness. I remember at one point talking to the entity who had warned me about the accident.

"I spared your son," he said "That's all I could do. You will be alright, you will live," the being continued.

The doctors pulled the rag off my face. I heard one of the nurses gasp. As I tried to look up I could see only white light.

It was like trying to look through a glass of milk. I took 60 stitches around my eyes. I was bandaged like a mummy. When my condition stabilized the doctors explained to me that night that the retinas on both of my eyes had been torn loose from the impact of the blow. They told me my chance of ever seeing again were 50-50. I could see the doctor was not optimistic.

When I started to cry, the doctor got very upset, "Don't cry, Don't sneeze, Don't cough, Don't even get up to go to the bathroom or your eyes will start to hemorrhage again."

For almost three weeks I laid in bed. Robin stayed by my side the whole time tending to my every need. Finally, slowly my sight returned. The blinding had only been temporary as told to me by the entity in my dream, which I am convinced was a warning from another loving consciousness not of this world.

Many people are prone to believe that most dreams are not very significant...that events of the day may have triggered meaningless labyrinths of garbled pictures or perhaps they are the minds bizarre correlations of trying to make sense—or nonsense—out of the life's daily challenges.

But people often do not pay attention to the fact, that while in an altered state of consciousness, our "higher self" is exposed nightly to outside influences, and that during this state, higher intelligences may be able to make contact with us.

These dreams in which warning or messages are given, may in reality be of greater significance than ordinary dreams, and can be placed in the category of visions. Often, these types of "dreams" are more vivid and seem more real than ordinary dreams. Often such visions arrive in the form of symbols, leaving us to decipher the true meanings and making us resort to dream books to find the answers we seek. However, the meaning cannot be expected to be exactly the same for everyone. Each persons life is different and therefore the symbology for each and every one of us is unique and serves a different purpose in our growth and awareness.

Are you the type of person to seek out the meaning behind the symbols and do you then follow the paths they take you on? If the answer is yes, then you are—and continue to be—a very spiritually advanced soul. If you do not follow the paths the symbols will occur less and less.

Your higher state of consciousness needs growth just as the physical body needs food. If a muscle is not used over a period of time it atrophies or, in other words, it shrinks due to lack of use.

To stimulate higher consciousness activity, you should meditate daily for at least twenty minutes. There are many good books published on meditation. After a week you should notice a decisive difference in your sense of awareness to your surroundings. You should be able to gain new insight into the meaning of life, and feel joy in discovering abundant knowledge, and the love that accompanies it. Begin your meditations and continue with them faithfully. Practice them with a sincere desire to grow spiritually, and you will be placed in contact with higher intelligences, who will contact you during sleep.

I have been in communication with entities before I had any idea of what was taking place. I thought everyone had, and was aware of such experience. One night in June when I was 12 years old and living in Cleveland, Ohio, my father told me to go out and empty the trash. I remember going out the front door because the back door was blocked by a ladder. As I stepped off the porch, everything became misty. Suddenly I was aware that I wasn't in Cleveland anymore. (I can certainly sympathize with Dorothy from the Wizard of Oz!)

I still had the trash in my hands so I set the bag down. I saw what appeared to be a small circular metal craft. Now, I had just watched THE DAY THE EARTH STOOD STILL on TV a few days earlier, so in my minds eye I knew I must be dreaming, so I just "played along" with the events at hand. I was curious so, of course, I went inside the craft. I heard someone coming and dream or not, this was a little spooky. I hid behind what looked like a computer, but in those days I had never heard of computers or seen one. My knowledge consisted of learning to clean and cook. We were old fashioned people. I heard a voice say to me, "You can't hide, we know you are here, we are not going to hurt you."

I came out and I saw two "men". They looked just like regular people to me. They sat me in a big chair. I guess I fell "asleep" in my dream because the next thing I remember is the ship being in a totally different place, because now there was a large lush green meadow surrounded by tropical vegetation. There were horses grazing peacefully when all of a sudden a herd of zebra came out of the forest and attacked the horses! These were not ordinary zebra as they had claws instead of hooves. When they attacked they ripped the horses flesh and drove them off.

Then one of the men came back to the ship. He seemed like he was perturbed that I had left my seat. I was horrified by what I had just seen. The

man was not, however. Then he said to me. "Do not try to understand all that you see, knowledge is gained through acceptance."

Well, for years I thought many times about this experience. It was so vivid, I could remember it so well. I have a son now who is eleven years old and he talks constantly about becoming an archaeologist. Recently, I bought him a book about dinosaurs. I decided to browse through it when I came across a creature that according to the book was an ancestor of the zebra. It looked very much like the creature I had seen in my dream. It even had claws instead of hooves. I read the adjoining description. It claimed that these prehistoric zebra had claws used for digging and for defense!

Then it really hit me! Either I had an out of body experience, a close encounter, or I had a dream vision. I feel that someday it is possible that this animal will be discovered still living in South America, as well as I feel this is where the experience took place. Perhaps someday my son will become the archaeologist he dreams of and discover this long thought to be extinct creature.

In the bible it constantly talks of the prophets and wise men and women of old talking with the "angels" in their dreams. Time and time again they are given both warnings and information. If the angel had not "appeared" to Joseph in a dream we might still be waiting for the teachings of Jesus.

We are time and time and again being told that ETs cannot physically interfere with man's affairs. Ah! But they can contact us if we allow them to in our dreams. Visions and dreams have always had their place in the various religions of the world lending credence of the fact that there is contact from higher intelligence.

## TWO OF THE MOST IMPORTANT NEW AGE/UFO BOOKS OF ALL TIME HAVE NOW BEEN COMBINED INTO ONE BIG EDITION

### GEORGE ADAMSKI'S FLYING SAUCERS HAVE LANDED & INSIDE THE SPACESHIPS

More than any other flying saucer contactee, the late George Adamski provoked controversy. Supposedly the Pope granted him an audience, and he once had lunch with the Queen of the Netherlands. In 1952, in the California desert, a scout ship landed and a being from another planet emerged from the craft in full view of six witnesses. Adamski approached the golden-haired alien and conversed with him in sign language for a period of several minutes.

Adamski's first book FLYING SAUCERS HAVE LANDED was a run away bestseller both in the United States and overseas. In this book he told about his many attempts to photograph space craft—which he supposedly did on several occasions, producing the clearest shots of UFO's ever published anywhere. He also wrote of subsequent contacts with this same being and what the program of the Space Brothers was to include. Later, in his book, INSIDE THE SPACESHIPS he told about travelling out into space and seeing the "firefly phenomena" which our own astronauts later reported.

Now, after many years, the texts of these two books (minus the original historical reference section by Desmond Leslie) have been put together in one deluxe, quality soft covered edition of 300 pages. For those who missed reading these books by George Adamski, because they have only recently become interested in the field, or due to the fact that their copies of the original editions have been read by dozens of friends, now you can get this combined edition at the special price of only \$12.95 plus \$2.50 for 1st class postage and handling. **NOTHING IS IMPOSSIBLE ONCE YOU HAVE UNLOCKED THE SECRETS OF HOW...**  
**AMERICAN INDIAN MAGIC CAN WORK FOR YOU!**  
**SACRED POW WOVES & HOPI PROPHECIES THAT ARE GUARANTEED TO CHANGE YOUR LIFE**

Dear Friend:  
 My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Woves which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

**EIGHT STEPS TO PERFECTION**

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic richness, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...

- Hold your own "Vision Quest."
- Communicate with spirits and angels, and get them to assist you in all that you desire.
- Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

- Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.
- Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.
- Ward off evil spirits and protect yourself from any harm others might be trying to send your way.
- Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.
- Develop your Third Ear as well as your Third Eye.
- View the future and change it to suit yourself.
- Become a great "Spiritual Alchemist," the American Indian way.
- Send out "smoke signals" using your mind to contact and influence others many miles away.
- Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool, the most important friend you will ever have.

**HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"**

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days", and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

**SECRETS REVEALED**

What I will tell you doesn't stop here, and I trust you are interested enough to send for my full illustrated, 200 page, book titled AMERICAN INDIAN MAGIC: SACRED POW WOVES & HOPI PROPHECIES.

Included will be much that will absolutely blow your mind such as my dealings with:

- A midnight seance on an Indian Reservation and the haunted house on sacred burial grounds;
- The terrifying power of the Chindi, supernatural beings feared even by the Indians;

For good luck and protection most American Indians carry at all times what is known as a "Good Luck Medicine Stone." Such stones are considered sacred and they are believed to be supremely powerful. Simply by "talking" with their stones, the Indians believe these natural gems are able to carry out their every command. Dear Friend:

Recently I returned from the Hawaiian Islands where I saw and heard many mysterious things that few others possess knowledge of.

For while many visitors may speak freely about the absolute beauty of our 50th State, few outsiders dare discuss the supernatural ceremonies and strange rituals performed by the native Hawaiians, many of whom still follow the beliefs of their great ancestors.

In fact, so powerful was the magic of the "Kahuna" thought to be, that for over a century the occult practices of the wise and spiritually-minded Hawaiian priests were officially banned. It actually became illegal to worship the old gods who had served them so well for untold generations.

Along with highly respected psychic Maria Carta, I traveled to the islands not as a tourist, but as a serious researcher in search of the truth about the sacred charms, chants and prayers that were said to be so potent that when properly used they could actually bring back the dead!!!

Indeed, the mere mention of the name Kahuna strikes fear in the hearts and minds of many rational people who do not know that Kahuna simply means "keeper of the secret," or "heart lore."

A Kahuna was a priest, a minister, or an expert in a particular profession. He might have been a doctor, a surgeon, a scientist, herbalist, navigator, or musician. The secrets of the Kahuna were carefully guarded so that they did not fall into the wrong hands where they could be used for negative purposes. A Kahuna would only pass on his knowledge shortly before death, usually by whispering into the ear of his personally chosen successor.

By learning to control the forces of nature, the Kahuna harnessed powers that remain totally beyond the scope of modern science.

They were—and still are able to...

- Communicate with higher dimensions and the departed souls of loved ones whom they call upon for personal guidance and assistance in all matters of everyday life.
- Predict and even sometimes control the course of future events.
- Cure almost any disease or ailment through the proper use of herbs which they cultivate in the islands.
- Ward off negativity, anxiety and draw to them that which is of a higher—more positive—nature.
- Engage in mind-to-mind contact from one island to another, as well as walk over burning wood, and handle hot coals in their bare hands.
- Actually "talk" to animals and get them to do a person's bidding by having them interact with the invisible kingdom of elementals that exist all around us.

If all this sounds like so much "science fiction" be advised that I have personally walked among the Kahuna, heard their magical prayers, sang their powerful chants, and actually witnessed trances during which the voices of the long deceased came forth with shocking clarity.

Likewise, I have heard of magical potions so strong that with one pinch it is possible for the deceased to breathe once again. And while scientists may scoff at such accounts, they are slowly starting to accept as reality the Kahuna's reputation as a potent herbal "doctor" whose use of natural remedies are said to have cured a variety of diseases and chronic ailments from asthma, to bronchitis, diabetes, cancer, tonsillitis, kidney and bladder disorders, high blood pressure, backaches, blisters and insomnia. And while the author of KAHUNA POWER makes no claims as to their supernatural benefits, and offers strict caution about using such herbal formulas, several dozen pages are devoted to the Kahuna's practice of homeopathic remedies.

**USE THE MYSTICAL CHANTS & PRAYERS OF THE SACRED HAWAIIAN HIGH PRIESTS TO POSSESS ALL YOU DESIRE & NOW!!!**

Taking us into their confidence (due to our background in esoteric and spiritual matters), the practicing Kahuna of Hawaii told Maria and I much about their system of magic and how they are actually able to accomplish these astonishing "miracles" through the raising of what they call the "mana" from their lower physical body to a higher, more mental, state of consciousness. Properly tapped, the Kahuna claim this expanded state of awareness would allow all of us to obtain the seemingly impossible goals we seek. For the first time, I shall share with you the exact ritual and tell you how to perform seemingly "impossible" feats of magic even while you are asleep.

Furthermore, I was repeatedly told of the existence of the "Little People"—the Menehune—who a person can call upon to do all kinds of tasks from providing gold to constructing houses overnight and nobody is the wiser. A few simple "direct commands" and they appear as if out of thin air to do as you request—NO QUESTIONS ASKED.

What anthropologists classify as superstition and folklore, many Hawaiians—due to their keen insight—accept as gospel. Also, while tourists may think of them in terms of "UFOs," the locals maintain that the bright, phosphorescent spheres that whiz across the night sky are actually the "Akulelo" or dwellers of the spirit land who carry messages over vast distances from one world to the next. Once you have found out the true meaning of such "Omens" it is possible to put them to beneficial use.

In KAHUNA POWER—AUTHENTIC CHANTS, PRAYERS & LEGENDS OF THE MYSTICAL HAWAIIANS, you will discover much about this "secret society" of magicians that can be applied to your everyday life and for the betterment of all. Not a small "pamphlet," this is a full length book of 160 pages, with many fine illustrations and quality, color, laminated cover for lasting protection.

Yours in Love & Light,

WHAT IS THE HIDDEN MEANING BEHIND THE NEW WAVE OF SIGHTINGS?

# 1987 UFO SKYWATCH

by Diane Tessman

Since this year began, there have been thousands of UFO sightings all over the globe.

In April, a British Airways jetliner made a diversion over the Soviet Union to avoid what the crew reported as being an unidentified flying object. The plane was flying from London to Bangkok, Thailand. The crew described themselves as "bitter, skeptical aviators" who had seen all sorts of space debris, meteorites, and other phenomena which might be considered to be UFO by untrained observers. The crew insisted that the strange object was indeed *unidentified* and like nothing they had ever seen before!

During the first half of 1978, Belleville, Wisconsin underwent what has been described as "UFO hysteria" with police officers reporting clusters of lights which hang motionless "flashing red, blue, and white," as well as hundreds of other citizens reporting strange craft in the skies. This UFO flap has gone on since January. Also, southern California has been a hotbed of UFO activity in the month of July, with giant glowing fireballs hanging over the Pacific Ocean and smaller craft tumbling inland, sighted by hundreds of citizens, police, and military. The Eastern Portion of the U.S. has also undergone a revival in UFO interest and sightings. In short, the entire United States from East to West is abounding with UFO activity almost like never before, and certainly not in over a decade.

In China, Australia, and other remote points of the world, the reports are the same: multitudes of brightly colored, strange lights pulsate across the darkened heavens, and khaki-colored and silver "tanks" and discs abound in the daylight skies. Without doubt, there is a tremendous upsurge in the number of alien spacecraft in the atmosphere of Earth. Why? Our alien friend Tibus whom I channel, explained what's going on to us in a recent transmission:

My friends, this is Tibus. I come to you in Love and Light.

The reports of our craft in Earth skies are understated, not overstated. The news media is somewhat controlled by the governments of Earth to withhold news of our craft. And so, there are more "UFOs" (as you call them), in Earth skies presently than reports indicate. In other words, there are indeed many so-called alien craft above you—as even the newspapers tell you in a limited way.

In the autumn of 1987, a new phase will begin for planet Earth. There will be an increased awareness of the fact that humans are not the highest form of life in the Universe. There will be an increased awareness as well of the fact that humans are not alone in this galaxy and that we "aliens" have been your big brothers and sisters for millennia. Particularly since 1947, we have been busy on Earth and in Earth skies. Now, in 1987, a new phase begins, the stage is set...

You have heard many times before of our concern about Earth's misuse of nuclear energy, an on-going problem in many areas of your globe, since the end of your World War. You have also heard before our concern over humankind's abuse of the natural environment of your beautiful planet, and of our awareness of Mother Earth's anger. However, many of these concerns are now entering a crisis stage; they cannot be "undone" as they might have been ten years ago.

Nuclear plants and nuclear weapons have continued to be created at an alarming rate. The overkill quotient for both major Earth powers (the U.S.S.R. and the U.S.) are *thousands* of times multiplied above the actual "kill quotient" (that is, enough nuclear weapons to eliminate all life on Earth). Pollution of Earth has continued with everything from toxic waste to the destruction of beautiful forests adding to the tremendous problem—this aspect also is in the "overkill" stage. In other words, humankind has gone beyond the line of merely hurting the planet. Enough damage has already been done so that all life will die on Earth unless drastic positive steps are taken soon.

Yes, we could take some of these problems by taking "drastic steps," and in some ways, we are and have...however, the major "drastic steps" must be begun with planet Earth as origin. *Humans* must be aware of what they are doing and their consciousness must be raised "from within." We would be wrong to "commandeer" the planet and her path, fixing

everything. This would break our non-interference directive and this we cannot do. Yet, in a way, we are interfering because our craft in the skies are not natural to the planet. They have over the years, caused many humans to think and re-think their views on life and the Universe. However, we are not *directly* interfering in any way, and if we are causing humans to think (to raise their consciousnesses), then this is exactly our goal.

In 1987, we have many specific missions being flown because Earth technology has made giant leaps in recent years and there are areas which need specific observation by us. In a few cases, we have even interfered with the new Earth technology, being careful that no one is hurt by our interference. We refer to certain high technology weapons and experiments which may be found on military bases and within private installations which do "high tech" research. We also observe nuclear plants, as any reported UFO sightings over these facilities can attest to.

In 1987, we are allowing these specific flights to be observed as never before. We do this in a desperate attempt to raise consciousness and to enter into the human mind that we do indeed exist. Many people know that we are real and that we are here to help Earth in this time of tribulation, yet many other people choose not to believe in anything or anyone, because they have been taught that they are the highest form of life which can be found in the universe. How wrong they are! And what a lesson they will learn shortly!

We do not wish to punish anyone, however, certainly not those who do not believe in our existence. This is not our place! And so we have increased our flights many fold so that as many as possible can see us—and know that we are not balloons or hallucinations.

By "knowing us," we mean that there will be increased psychic contact as well as increased sightings of our craft. Very few individuals on the face of planet Earth will go unaware of our existence by the time this new phase is completely implemented, which is a necessity due to the sad state of affairs on Earth...a state of affairs which cannot be reversed at this time as it could have been a few years before.

And so, our "new phase" has just begun. The current abundance of sightings will pale in comparison to the number of sightings—and contacts—in the near-future. We do this so that all will know we are here and so that many more will know us well as events in Earth history unfold. We do not want to be strangers when these events occur.

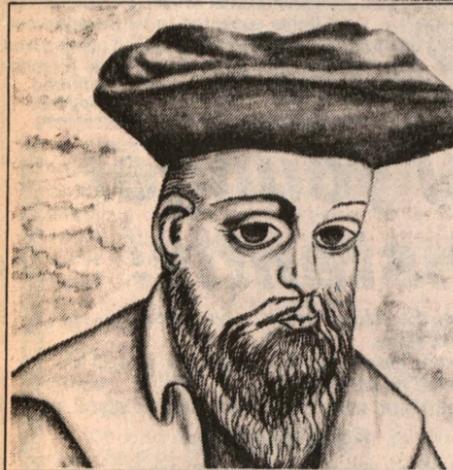

We await future contact with you.  
May the healing light of God and goodness surround you, always.  
TIBUS

This is the transmission received from Federation officer Tibus on the recent rash of UFO sightings. His words ring true. Even the harshest skeptic would have to admit that "something is up." Recent sightings have been by very competent, dependable observers. And it is also true that psychic contact, new interest in channeling, new fascination with New Age concepts, is sweeping the planet. These are indeed exciting, thrilling days to be living in and we wish you many happy sightings and contacts!

## MAJOR EVENTS OF THE FUTURE REVEALED!

AN EXCLUSIVE HISTORICAL FIRST! HIS UNPUBLISHED PROPHECIES

DARE YOU READ THEM?

Nostradamus is credited with being the greatest prophet of modern, non-Biblical, times. His uncanny, in-depth, forecasts are considered to be highly accurate. Nostradamus, in the 16th century, predicted both World Wars, aerial battles, submarine attacks, Hitler's aggressions, and escape, as well as the assassination of both Kennedys.

The seer warned the world of the coming of the atomic bomb. He wrote of space flights, and about the rise and fall of Russia. In one of his most amazing predictions he revealed how Iran would be taken over by a religious fanatic writing the following in rhymed quatrains: "Revolution, famine, war will not stop Persia (now Iran). Religious fanaticism will betray the monarch (the Shah). Of which the end will begin in Gau (France)." Everybody knows that the Ayatollah Khomeini started his revolution while exiled in France.

For the future, Nostradamus predicts that there will be war in the Middle East in the next five years, during which the big powers will intervene. He even talks of the coming of the anti-Christ and how the U.S. and Russia will combine forces, if only for a brief period. He also speaks of a "religious war" and the Vatican's having to move the tomb of St. Peter to a safe place.

But, perhaps most astonishing of all, is the fact that Nostradamus saw his own death in time to help with the funeral arrangements!

THE MOST MYSTERIOUS MAN WHO EVER LIVED

Legend has it that celestial activity was extremely powerful for several nights before the birth of Nostradamus. Reports of bright, round objects in the sky over St. Remy de Provence are recorded in the archives at Salon.

UFOS & ARMAGEDDON

NOSTRADAMUS' BLACK PROPHECIES

SO DEVASTATING THEY WERE SUPPOSED TO BE SEALED FOR ALL TIME?

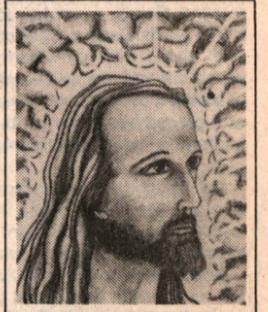

Because of the traumatic nature of certain of his predictions we are sealing them inside a special envelope which will be included with your copy of this amazing book. If you feel you cannot take these startling revelations we suggest that you put this envelope aside UNOPENED. These so-called "Black Prophecies" deal with the actual date that the world will come to an end, and the events leading up to this physical transformation of the earth.

THE ANTI-CHRIST

THE SECOND COMING

WAS HE A WIZARD? A SERVANT OF GOD? A SUPER PSYCHIC? A DEVIL WORSHIPPER? OR A BEING FROM ANOTHER PLANET

HIS PREDICTIONS WERE 100% ACCURATE

Nostradamus' birth itself was rather remarkable because Blanche Nostradamus (the family's real name), presented her husband with a perfect baby. In the 16th Century, perfect babies were almost unheard of. The mortality rate was very high.

He had an incredible intellect. He was very young when he mastered several languages and advanced math. He became a licensed physician at 23. He walked among plague victims for months without catching the dread disease. With a strange mixture of herbs and ingredients unknown to the world, he was able to cure many of the afflicted, thus becoming known throughout Europe as a miracle healer.

In his day, Nostradamus made friends with kings and queens who were impressed by his ability to see into the future. Royalty came far and wide to be in his presence, so anxious were they to know what the stars had in store for them. Many were disappointed as Nostradamus knew well in advance about beheadings, revolutions, and the unfaithfulness that abounded among society's most prominent figures.

THE SECOND COMING & THE ANTICHRIST

Though Nostradamus considered himself an expert astrologer, he studied the stars in a totally unique way. He used a special device when scribbling. The device was basically a magic wand which he used in conjunction with a tripod of flame and bowl of water. Nostradamus also considered himself a very religious person, and while he was born a Jew, he later converted to the Catholic faith, utilizing mystical elements from both practices in his work. Many of his predictions dealt with the Second Coming and the appearance of the Antichrist.

There are some who maintain that Nostradamus was a direct messenger of God, and that his predictions were divinely inspired. To give credence to this claim, the French seer was once introduced to a young Franciscan friar, a poor village lad, and upon meeting the youth dropped to his knees. Asked why he had done so, Nostradamus declared: "Because, I must bow and kneel before his Holiness." Years later, this youth became the Pope, under the title of Sixtus the Fifth.

Others believe that Nostradamus was a time traveler from the future, or perhaps a being from another planet. All these theories are explored in detail.

A curious manuscript has been making the rounds of Europe where books on Nostradamus have been frequent best sellers in recent months. Up till now none of this material has been released in the U.S.

Shortly before his death, Nostradamus apparently penned a series of prophecies so startling that he never had them included in any of his published works. Supposedly because he was afraid of the effect they might have... These predictions were circulated only to royalty and were thought destroyed for many years until they were uncovered, hidden in the basement of the house where Nostradamus died.

The title page of this newly discovered manuscript reads: "Century XII, Number 63." The seer's last supposedly quatrain, published, was "Century XII, Number 62." The assumption is that Nostradamus wrote more than twelve centuries, but had not wanted these predictions to be widely read. As far as can best be

determined, there are a total of 21 or more pages to his original prophecies that have only now been translated and interpreted.

These are just a few of the provocative subjects dealt with in this new material:

- The reappearance of Jesus to the world.
- Mysterious wonders in the sky turn out to be a friendly invasion of alien beings from other worlds in space.
- Rare knowledge which will lead to the elimination of disease and sickness.
- New inventions far superior to anything currently in use on this planet.
- A terrible war in space.
- The time when night becomes day.

- The destruction of the Catholic church and the last Pope.
- The great earthquake which will kill many.
- Riots in the streets of many great cities.
- Gold missing from Fort Knox.

Indeed, no prophet has ever lived who knew more about the future than did Nostradamus. With the world's current state of affairs, mountains, international tensions, and the realization that these are the "Last Days" the Bible speaks of, you cannot afford to miss reading NOSTRADAMUS' UNTOLD STORY: HIS UNPUBLISHED PREDICTIONS (not sold in bookstores, order using coupon below).

One medical doctor was with a party of six who clearly observed a huge, beautifully lighted "ferri wheel" type of UFO during a tornado warning in eastern Nebraska. The doctor's reaction, although they all saw the object clearly, was that it was of no consequence. Fortunately the others didn't agree.

Most people become mildly excited and exclamations of "Wow!", "Ohh!", and "Look!" are the usual reactions.

One UFO appeared nightly in the northern area of Alberta Province, Canada. A large white "star" would appear, stop and emit tiny white objects from its bottom. The little spots would zip off in all directions. A few hours later they would return, reenter the "mother ship" and the white light would move off in the direction from which it had come.

The human reaction to the phenomena, which occurred in the winter season, was that the local ranchers threw card parties on the weekends. Friends from the town of Peace River would drive out to see the lights.

The children would call the adults to the window when the white light appeared and again when the little objects began returning. The UFO sighting had become the source of badly needed recreation.

A married school teacher in Ohio decided to take a picture of a disc moving slowly down her street just thirty yards away and about twelve feet above the pavement. It was nighttime and she was alone. Just as she raised the camera to the window and placed her finger on the shutter button a pinkish light illuminated the object.

Realizing that she might be in danger the lady fled the room considering the pink light to be a warning. "Don't take pictures!"

Some observers of UFO's become nervous, suffer emotional problems and a few live in constant fear of the unknown.

An elderly woman who lives near Lewisburg, Ohio reported that she saw UFO's often. Once a ship landed in her back yard and small men got out. At other times UFO's follow the witness and her lady friend when they drive to and from church at night. A retired police officer supported her story by indicating that he had seen some of the strange lights.

It was unfortunate for the poor lady, who lived alone, constantly feared she would be subjected to some unimaginable horrors.

The first UFO cases that I investigated were in northern Idaho, where the Salmon River winds tortuously through rugged mountains.

A law enforcement ranger for the United States Forest Service was one of five government employees in a jet-boat who saw a robin's-egg blue disc sitting on the shore of the river. The ranger reported the close encounter and was ridiculed, although five reputable men had seen it. By the time I contacted him Ben was a very angry, frustrated and deeply hurt individual.

He wanted to forget the whole experience and the humiliation it had caused him.

In contrast, Elvira, a lady fire lookout, saw eight objects over a two-year period and enjoyed the whole experience, feeling absolutely no intimidation or danger.

After the second year of sightings, in spite of other witnesses, the U.S. Forest Service replaced her as lookout.

The same forest district had an officer who was married to an Australian lady. He told me that when his wife lived in her homeland she had traveled with a group of friends in a jeep to the famous Outback of that mysterious island continent.

There the party had come upon a landed UFO and experienced some sort of an encounter with aliens.

The ranger was certain that his wife would talk to me. The next day he returned and reported that she had become very nervous and frightened and that I was not to visit her. He wasn't playing a trick on me. The officer was very serious and was

sorry that he had mentioned her encounter.

As was to be expected, the United States Air Force made a thorough investigation of the pilots and their claims. Each pilot was interrogated and asked to fill out a questionnaire regarding the sighting. These reports were forwarded to Pacific Air Command in Honolulu, to the North American Defense Command, and to Washington, D.C. Reports of the sighting were carried in the United States by the newswires of United Press International.

On January 23, 1967, the Honolulu Advertiser carried a detailed report of yet another unexplainable saucer sighting. The UFOs, seen over the island of Oahu, added one more case of strange aerial phenomena to the already burgeoning files of UFO investigators around the world.

The object was seen by at least seven policemen, several commercial pilots, and a ship at sea. It was reportedly first seen by the police at 5:50 a.m., moving generally from Koko Head toward Ewa. The UFO was under observation for six

minutes. In their written report, police described the object as "a bright, yellow-orange light, similar to a star except for its color. It was centered in a circular blue mist about 100 times larger than the light."

The strange light remained centered in the blue mist as it crossed the sky. When watched against the sky, it appeared to be moving slowly, but when gauged against the stars it could be seen to be moving quite rapidly. The object did not leave a discernible vapor trail.

"We watched it for six minutes as it moved seaward and toward Ewa," policemen stated. "Then, in a period of about thirty seconds, the mist faded away and a few seconds later the light vanished. Due to the night time conditions, we could not estimate the height of the object, but it seemed very high."

Four minutes later, at 6:03 a.m. the second object was sighted. It was described as two bright lights. These lights appeared to be hovering over the Koko Head area but moving west to east, or in an opposite direction from the first object. *continued page 28*

## Look and feel younger ... almost instantly!

THE LEGENDARY "Fountain of Youth" is fact, not fiction, and once you learn its secret, you can look and feel years younger — almost instantly.

That's the promise of an exciting new book called *Ancient Secret of the Fountain of Youth*.

### Guaranteed to Work

It guarantees you'll benefit in ways you thought impossible.

The book tells the story of a retired British Army Colonel and his expedition to a remote corner of the Tibetan Himalayas.

There, in a hidden monastery he discovers aging Lamas who live, look and act like healthy, strong young men.

"There was a man whom you would have sworn was not over 35, who acted like a man of 25," reports the Colonel.

### Miracle

"He was actually more than a hundred years old. If I told you how much over a hundred, you wouldn't believe me."

The Colonel goes on to fully reveal the secret of this miracle: five ancient Tibetan rites which normalize invisible energy vortexes in the body.

After performing the rites just once a day for a

month, the Colonel claims he turned back his age fully 15 years.

And he insists that anyone else can benefit too — including you!

If in doubt, read what others have to say:

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

### Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

### New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

### Simple Method of Energizing the Body Discovered by Inventor

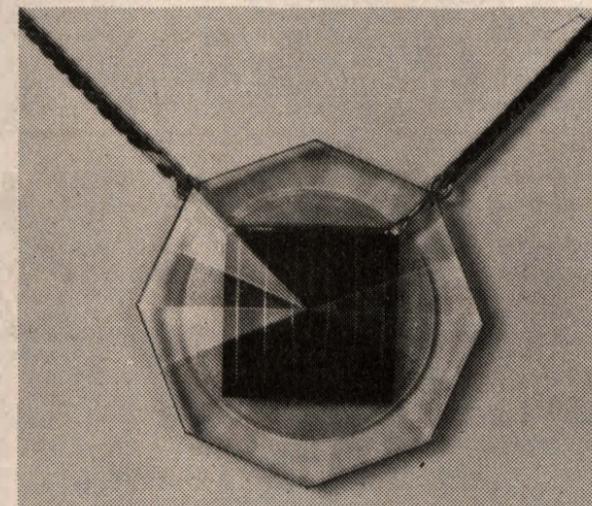

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort led him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

### A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

### Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

### Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

### U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

Invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

### 30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

### For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

# Just Released

Thanks to Shirley MacLaine and the entities Seth, Lazaris and Ramtha, the phenomena of "Channeling" has become popular. And now the world's best selling author on metaphysical and New Age topics says everyone can raise their consciousness to allow "higher energies" to come through, thus enabling you to communicate with "Higher Intelligence" for spiritual as well as personal growth. In essence, each of us can be our own Channel.

## AQUARIAN REVELATIONS:

## CHANNELING HIGHER INTELLIGENCE

# BRAD STEIGER

**YOU NEED NEVER BE ALONE...LOVING SPIRIT BEINGS EXIST TO PROTECT & GUIDE YOUR LIFE IN ALL MATTERS IN A SHORT WHILE YOU WILL BE ABLE TO... CHANNEL YOUR OWN HIDDEN POWERS!**

Dear Friend:

You've probably heard actress Shirley MacLaine talking about the mystical process know as "channeling". Or maybe you've read or heard the words of such enlightened entities as Seth, Lazaris, and Ramtha who speak from invisible realms said to exist all around us. In fact, channeling sessions have even taken place on prime time television, and now—some say—even exceed the use of the Ouija Board and Tarot Cards as a tool for psychic enhancement and spiritual growth.

As an investigator of the paranormal and author of over 100 metaphysical books, I am prepared to show you personally how to go about raising your own consciousness to allow "Higher Intelligence" to come through, thus enabling you to communicate with spirit beings who can assist you in obtaining all you desire on this the physical plane of life, plus protect you from all negativity and harm.

Over the years, I have come to accept as fact the idea that the universe is literally teeming with life which, because of our limited five senses, most of us are unable to see or communicate with. Yet, I can guarantee that by the time you have finished reading AQUARIAN REVELATIONS: CHANNELING HIGHER INTELLIGENCE, you will have set up harmonic convergence with the cosmic mind we call God. There are, I've discovered, three basic types of beings who we may actually call upon in times of personal need.

### HELP FROM THE ANGELIC KINGDOM

In *Genesis* the Lord created the angelic kingdom to watch over humankind. In the Bible, angels guided to safety those lost in the wilderness, freed the persecuted from fiery furnaces and dank prisons. Jesus Himself was fed by angels, defended by angels, strengthened by angels. We are repeatedly told that angels are actual beings, that they are God's personal messengers, and not just symbolic. And while most of us take for granted that angels once interacted with the prophets, the saints, as well as early members of the Christian faith, few realize that the angelic kingdom is still very much active today and that these beings of pure light and love are at our beck and call whenever we need them the most.

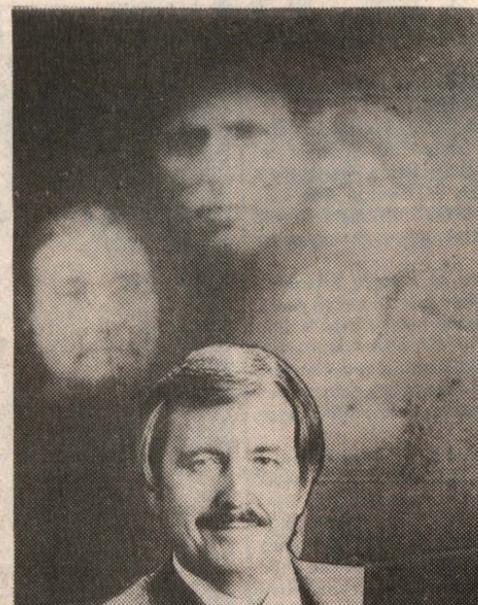

### MEETING YOUR SPIRIT GUIDE

Likewise, there exist other multidimensional beings who can—and frequently have!—materialized to aid humans during periods of crises or in moments of receptivity to universal teachings.

These beings can take on the form of personal spirit guides, master teachers, or loved ones who have passed on. Frequently, they appear in our dreams or in visions. Such concerned entities most often have our best wishes at heart, and upon being spoken to can direct our lives in a most positive manner. They have been known to show the way to buried treasures, missing wills, or other items of importance. They have even whispered the winning lottery numbers into the ears of deserving souls, and saved many individuals from what should have been certain death or injury.

### LOVE, PEACE & BROTHERHOOD FROM BEYOND THE STARS

In the late 1940's, strange objects which defied science, and which became known as UFOs or flying saucers, were first seen by thousands around the world. Today, the reality of alien visitors is widely accepted, some going so far as to claim repeated physical and telepathic contact with more advanced creatures from outside our earthly reality. Stories

Master guides and spirit teachers exist to offer assistance in everyday matters. Here Brad Steiger seems to be surrounded by such entities in a photo taken for demonstration purposes.

abound of alien abductions, and there are those who say that advanced spiritual beings—termed the Space Brothers—are watching over our planet as we continue to walk the narrow path to global destruction. Offering humankind a way of salvation, these highly elevated souls have also been known to heal the sick, and, in general, bring love into the lives of those who have had close encounters with them.

### A HOW-TO METAPHYSICAL COURSE THAT ACTUALLY WORKS!

During my years of personal involvement with metaphysics, I've learned many things which have changed my life, and which I can now assist you with. I will teach you how to listen with your "Inner Ear" to advice that our loving guardian angels, spirit guides and space brother friends are so willing to give.

I will actually open you up so that you will become more "in tune," more "receptive," more "sensitive" to universal and Godly influences. I will show you how to become your own "Channel" so that you can be a radio receiver for divine inspiration and speak directly to your "Higher Self" like Edgar Cayce and so many other great sensitives since Moses have done.

I will lay before you in simple words and terms the proper methods, meditations, chants and prayers that will elevate your soul.

I will teach you how to...

- See an aura.
  - Draw upon the energy of others in a beneficial way.
  - Turn negativity into a positive force.
  - Develop sensitivity to all living things be they of the earth or above it.
  - Train to become a master of the oversoul or macro-microcosm.
  - Maintain spiritual power once you have obtained it.
  - Use your dreams for problem solving.
  - Grow in harmony with the great spiritual Earth Mother.
  - Journey to unseen worlds beyond space and time.
  - Work in the light of eternal brotherhood.
- Previously, I have taught these same short cuts to personal growth and spiritual development groups across

the country, charging as much as \$300 for a weekend seminar. Now, however, I feel it is important to communicate my inner most feelings directly with as many sincere individuals as possible as we rapidly approach a New Age of discovery on this planet. Thus, I hope you will join with me as I share these important secrets in an easy to follow, step-by-step manner, in what I believe is going to be my most important book published to date. Reading AQUARIAN REVELATIONS: CHANNELING HIGHER INTELLIGENCE may just be the thing to expand your horizons.

Yours in Love & Light,  
BRAD STEIGER

# A TALE OF (AT LEAST) TWO WORLDS RENDEZVOUS WITH GANYMEDE

by Antonio Huneus

Are UFO beings walking amongst us? Do space aliens live cleverly disguised along-side terrestrial humankind?

And, do they go about their business influencing some of us, without knowing about it, according to some hidden design?

As far-fetched as these questions may be, there are those who believe that such is very much the case. In fact, this "they walk amongst us" concept has long been a popular one in UFOlogical circles, ever since it was first popularized by early contactees such as George Adamski, George Van Tassel and Truman Bethrum. All of these individuals (as well as many other contactees) spoke of aliens "infiltrating" our society as far back as the 1950's.

Interestingly enough, despite the emergence of a more scientific-oriented UFOlogy, such a theory has not diminished even in recent years. Indeed, stories of alleged UFO contacts, of space beings manifesting themselves to earthlings either physically or communicating telepathically, continue to flood the literature. Real or imagined, there are people across the globe who swear that, for one reason or another, they have been chosen to receive, and in turn dispense to society information of great cosmic importance.

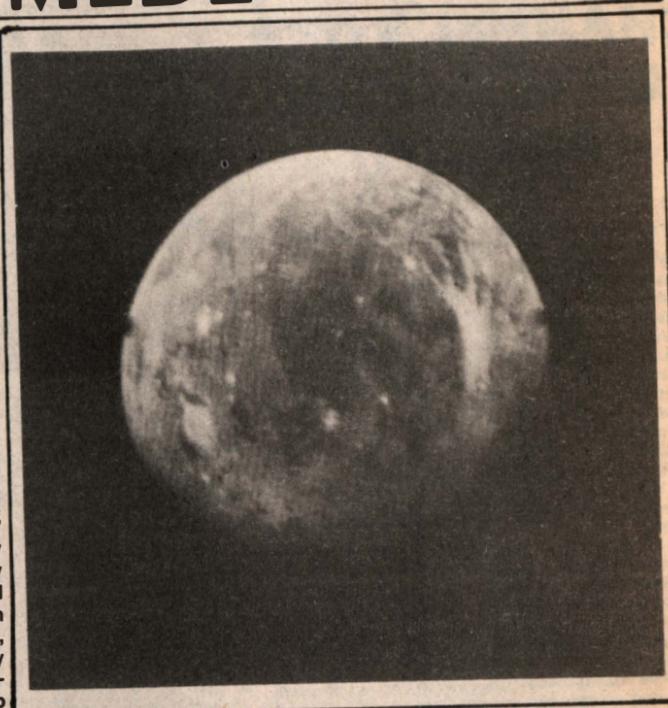

When I decided a few years ago to get involved in UFO journalism, I started, by reading the edited version of the U.S. Air Force Project Bluebook files. I thought the Air Force would be the most "objective" source of information, knowing the military, engineering-type of mentality and their penchant for exactness in reporting things that may ultimately cost them their lives (and that of all of us as well.) Yet, years before I had any definite or conscious interest in the UFO phenomena—at a time when as a science & technology editor for a weekly magazine in Santiago, Chile, it was easy for me to dismiss the "little green men" stories, when one day somebody tossed me a copy of a book entitled, *I WAS IN GANYMEDE—THE WONDERFUL WORLD OF UFOS*. Its author was a certain Yosp Ibrahim, presumably a Jewish citizen from Peru, and the book was in something like its 18th edition.

The book told the strange story of a friend of the author who was contacted and later joined the UFO beings from Ganymede, Jupiter's largest moon. The extraterrestrials seemed to fit the ideal "Space Brothers" description; that is they were humanoid in appearance, had mastered space flight and the cosmic energies, were God-loving, had a perfectly organized society and were truly concerned about mankind's folly. Their destiny had been interwoven with that of Earth since they had once resided on the "Yellow Planet" (presently the Asteroid Belt between Mars and Jupiter). Ancient Astronauts, a utopian space fantasy, and the modern mysteries of UFOs, were mixed in this book which also dealt with Biblical prophecies and a cosmic rebirth after doomsday. The book was written in an easy and entertaining style, the sort that gets you more wired as you go on. I remember having looked avidly at the Chilean skies after reading it, waiting for the spaceships from Ganymede with an attitude like, "I have my doubts about this stuff, but just in case."

I soon forgot about the Ganymede story, and my skeptical side received an extra boost when the exquisite photographs of NASA's Pioneer and Voyager Missions didn't reveal any extraterrestrial presence on the Jupiter system. From time to time, however, I would hear from South American contacts that a new Ganymede book had appeared which was far more sensational than the original one, and that its followers were rapidly becoming a space cult in Peru. Exit Ganymede and enter Rama.

I can't remember exactly when the first clippings on the "Rama groups" from South American newspapers made their way into my UFO files. It took me a while to discover that Rama and Ganymede were one and the same and that the aliens' new name for the Gallean satellite was "Morlen." The rest of the story was more or less the same, except for the fact that the saucers were now allegedly manifesting in front of larger numbers of people. These included a wealthy Spanish industrialist, Benito Robles Ordaz, who was so impressed with the light show displayed by a UFO fleet above a Peruvian beach, that he decided to bring the message from Rama to Spain at his own cost. Maybe it was time for me to start looking into this "Ganymede/Rama/Morlen" business, and what follows is what I have been able to piece together regarding this remarkable affair.

Dr. Carlos Paz Garcia is the President of Peru's largest UFOlogical organization, the Peruvian Institute of Interplanetary Relations (IPRI), a presumably serious group which in the past has sponsored courses on the UFO phenomena for Peruvian universities. Around the mid-seventies, Dr.

Paz Garcia's son, Sixto, was telepathically contacted by the beings from Morlen and he then proceeded to found the "Rama Mission" to spread the message—of which some 800 members now claim to have made contact with the extraterrestrial guides.

The "Rama Mission" gained notoriety in the Peruvian press during 1979 when entire fleets of UFOs were said to conduct maneuvers in the district of Chosica, some 70 kilometers east of Lima, every Wednesday after 11:30 P.M. On July of the same year, there were also rumors of strange exercises conducted by hundreds of members of the Rama groups on an undisclosed beach some 120 kilometers north of Lima, in which the lucky humans were treated to a spectacular UFO "exhibit" with "teleportations" aboard the saucers and special "bonus trips" to Ganymede. These rumors may have been linked with other newspaper reports from my files indicating that UFOs were also making routine appearances over the towns of Yungay, Caraz and Matacoto in the northern suburbs of Lima.

Something seemed to be happening in the Peruvian skies alright, for even the January 19th, 1980 edition of the prestigious *N.Y. Times* carried a brief dispatch from *Reuters* stating that, "About 3,000 residents of the southern town of Paipa saw eight unidentified flying objects last night." And that according to the numerous witnesses, "They watched as the objects remained stationary in the cloudless sky, giving off intermittent flashes of different colored lights." Another unconfirmed report from around the same time—late 1979, early 1980—mentioned two "globe-shaped" UFOs which had buzzed the capital city of Lima for about two hours while two Peruvian Air Force SU-22 jet fighters were scrambled to chase the objects from Peruvian airspace.

If the wave of sightings in Peru sounds sensational, the psychological and spiritual implications of the "Rama Mission" are far more incredible since they delineate not only the purported place of origin of UFOs, but also their mission here on Earth. The members of Rama claim that through contact with the extraterrestrials, they are able to cross "dimensional gates" known as "Xendra steps."

Sixto Paz Garcia was the first human to cross this gate when an alien materialized in front of him and told him: "I am Oxalic. I project myself through a dimensional gate called Xendra, which is artificially created due

# How to Live Again and Again — and Again!

## "Back-From-The-Dead" Psychic Reveals Why The Grave Is Not The End, But The Eternal Continuation of Your Past Existence!

By Frederick Field

Dead men tell no tales. I am the living exception to that rule. According to my doctor, I died. My heart had stopped and my skin was deep-blue. That's what happens when someone drowns.

But it wasn't finis for me. Today, I'm alive and well. Here to tell my tale. And what a tale it is! Filled with hope, joy, and total freedom from the fear of death. Plus astounding revelations about why you and I have not only lived countless times before—but will enjoy many more lives in future eons.

Let me admit right from the start: I do not know what strange forces permitted me to return "from the great beyond." My sincere feeling is that whoever or whatever they are tapped me to be some kind of messenger. Ever since my return to the land of the living, I've had a compelling urge to share my knowledge and uncanny insights with others.

### FINALLY! "THE OTHER SIDE" — UNVEILED!

Aided by what I consider to be an unseen guiding hand, I've put it all down in a special report, "The After-Death Dossier." Prepare for a jolting shock when you read it. It totally shatters virtually every concept about death and dying that you've ever heard about. And it makes mince-meat out of the theories of the famous, but ill-informed, channellers and spiritualists so much in the public eye today. How many of them have died and lived to tell the tale?

Because it is packed with such revolutionary dynamite, my Dossier will seem incredibly unbelievable. Even out of this world! But I must tell you straight up and down. Every single word is true. And I welcome investigation by hard-nosed skeptics, slide-rule scientists, and anyone else who sincerely thinks that death is unquestionably the living end.

My Dossier proves that it is *not*. It reveals the real reason why you should never say "die" but "continue." And why you need never again be afraid of death. Nor fear that after your physical passage, your life is over. Again, it is *not*!

You will discover just as I did, how and why you will live *again*. More important, it

will give you extra-ordinary step-by-step instruction on what you must do right now to *re-live* a much better life. One filled with nary a care about money—an income level far beyond your fondest dreams. A sweeter life chock-full of true happiness and utter contentment. Blessed with everything and anything you've ever desired but despaired of achieving in today's world.

### GET READY NOW FOR A GREAT, NEW NEXT-LIFE!

Heed this word of warning. You must take the proper action *at once*, without a moment's delay, while there is still time. My Dossier reveals how to:

- Make your own "pre-death" choice of who you will be, where you will reside, choice of religion, even whether you will be male or female!
- Select in advance the most suitable person to act as your "personal transmitter" empowered to receive communications from you after you have passed away!
- Turn a "death wish" into a "life wish" to convert your days here on Earth into a veritable paradise!
- Make absolutely certain that you and your loved ones are *spiritually linked* together into eternity!
- Pinpoint one or more of your *former* lives including who you were, occupation, rank, country of residence, and romantic attachments!

Yes, you have it within your power at this very moment to do all of these things and more. But you must know *how*. My Dossier will show you how in plain, ordinary English.

to our control of the cosmic energy. This gate is linked with Morlen. You should not tell yet what you will live, but wait for a while and meditate about it, since you will not remember everything."

Sixto Paz was then "teleported" to the Crystal City of Ganymede where the Council of Elders of the Worlds' Confederacy are said to have their seat. While Sixto thought the whole trip had lasted hours, it turned out that only 15 minutes of Earth time had elapsed. (A similar case of highly distorted 15 minutes is recorded in one of South America's classic abduction cases, when corporal Armando Valdez, the chief of a Chilean Army patrol near the city of Arica, disappeared inside a UFO that had landed near the patrol in April, 1977. When the corporal returned 15 minutes later under a state of total amnesia, his beard and the calendar of his wrist-watch indicated that five whole days had elapsed.)

It was following his alleged trip to Ganymede, that young Sixto Paz Garcia founded the "Rama Mission on Earth," which is reputed to have presently over 1,000 members in Peru, some 600 in Spain and more in other Spanish-speaking nations.

"It's about time to abandon the anecdotal or science-fictional aspects that have been woven around UFOs to delve deeper into the reasons of why the extraterrestrials are visiting us," Sixto Paz told a reporter from the Spanish news-agency EFE. Although Paz and fellow members of Rama insist that their group is not intended as a new religion, their message sounds very similar to the spiritual-oriented teachings of other contactees around the world. According to Sixto Paz, "The extraterrestrials give us faith in life and love to others in order to find a new state of consciousness based on the human integration of yourself and others."

The Rama phenomenon gained some notoriety in Spain when Benito

Robles Ordaz, an Industrialist from Leon, Spain, joined forces with Paz Garcia. In July 1979, Robles apparently underwent a series of transformations and encounters with flying saucers from Ganymede on a beach located in the north of Lima, where hundreds of members of Rama conducted a series of exercises prior to establishing contact with the spaceships. According to the Industrialist, these then materialized in front of them and he and others were "teletransported" through the "Xendra gates" to the UFOs and given a spectacular show. No wonder Mr. Robles promptly became a convert and decided to form a European branch of the mission in Spain. Says he: "Everybody knows already about the existence of UFOs; we must abandon the external and spectacular concept that has been given to the sightings. All the governments of the world possess information about their existence and what is important to know now, is why they are coming and what is the purpose of their visits."

The next "convert" of some importance was Sixto's own father, the President of the Peruvian Institute of Interplanetary Relations (IPRI), Dr. Carlos Paz Garcia. Dr. Garcia was informed by his son that the extraterrestrials had offered to put on another "exhibit" in a place near the plateau of Marcachuali. Taking the aliens at their word, Dr. Paz and other members of IPRI journeyed to this area, and they were certainly not disappointed by what they saw. Dr. Paz tells of what they saw in his own words: "The first thing we observed was a series of flashes in the sky that we assumed were coming from the flying saucers. We observed next, a light over the plateau, from where a cloud with the shape of a mantle started to rise. It had an approximate diameter of 50 meters and it soon changed its shape. Then the figure of a question mark appeared in front of

continued on page 22

Yet, actually, according to thousands of ordinary individuals living around the world, contact with other life forms is possible at almost no cost, and can be accomplished by methods other than those devised by the established scientific community. Telepathic UFO channels and flying saucer contactees maintain that they have established a communications link-up with extraterrestrial beings (human-like aliens from far more advanced worlds—who are hovering around our planet on a mission of peace and well being. It is claimed that these aliens, who are often referred to as our "SPACE BROTHERS," are here to help in individual spiritual development, and have much to offer our civilization in the way of technical advancements. These other-worldly beings will make themselves readily known as soon as a larger percentage of the population lets them know they are welcome in love and understanding.

THE BOOK OF SPACE CONTACTS offers several established methods which might enable YOU to become a UFO contactee and actually communicate with the occupants of these silvery, disc-shaped objects. You will learn what "Talking Them Up," means, how PSYCHIC COMMUNICATION can bring you closer to them, and how a simple meditation can be successfully used to speak with friendly space people. Furthermore, it is even possible to communicate with extraterrestrial masters by constructing a device which should cost only a few hundred dollars using simple electronic equipment that can be found in any stereo store.

Also learn how to identify space aliens who are said to be walking amongst us right now and discover exactly what their purpose on earth is. WARNING: There are those aliens who mean harm. The SERPENT RACE is the "BEAST" that the Bible speaks of, and they are to be avoided at all costs. Over 60 types of space beings are coming to earth and the BOOK OF SPACE CONTACTS contains a large section describing fascinating—and highly incredible—face-to-face confrontations with many of these strange beings from the far reaches of the universe. THE BOOK OF SPACE CONTACTS is fully illustrated and is meant ONLY for the individual who is looking to expand his consciousness and "reach out" in an attempt to develop physically and spiritually.

our eyes. The cloud formed next the numbers one, three and eight." The entire show was said to last some 30 minutes.

Even though the Argentinian contactee, Candido Del Prado—who was also present at the Marcahuasi encounter—considered this experience a spiritual manifestation, the members of Rama categorically deny that the sightings are a product of mass hallucinations. They concede that, "although real, the encounters are hard to believe," and they insist they don't use alcohol or drugs as part of their mental exercises and meditations prior to establishing contact with the extraterrestrials.

The experience, however, does differ according to the level of consciousness of the different individuals involved. Those less prepared by the previous meditations would only feel their minds going blank with a kind of amnesia that would prevent them from remembering anything. Yet, others are able to cross different levels of the "Xendra steps" and visit the stars in a trip that promises to be better than Dr. Sagan's "spaceship of the imagination."

Finally, there are those like Sixto Paz who are rewarded with a trip to the Crystal City on Ganymede where they meet personally with the Council of Elders of the Worlds' Confederacy. Furthermore, the Rama followers assert that the inhabitants there, occasionally reward them with "crystals of cesium" that act as catalyzers of the ultraviolet light—the energy of the central Sun of our galaxy, the Milky Way. These crystals are said to materialize in the hands of advanced Rama adepts. When applied to the chest with the hands crossed over the solar plexus, they are said to enhance ESP powers, apparently making it easier to receive telepathic communications from beings like "Oxalc" and his galactic peers.

These are the pieces of the puzzle that I have been able to put together regarding this strange affair. However, in order to accept this information, we are forced to consider at least the following assumptions:

1) Regardless of the psychic and spiritual sides of these contactee groups, it seems that there was indeed a rash of UFO sightings in Peru between 1979 and early 1980. The fact that at least one story was carried by Reuters and the N.Y. Times rules this out as purely a mystical story. Then, there

Ganymede Continued from last pg.

was the wave of rumors concerning sightings in the village of Chosica, on the unnamed beach north of Lima, in the Marcahuasi plateau and in the communities of Yungay, Caraz and Matacoto on Peru's Ancash province. Finally, there is the case of Dr. Carlos Paz Garcia putting at stake the "scientific" reputation of IPRI to verify the experiences of his son Sixto, the founder or Rama.

2) While all of the above confirms that at least there were some legitimate UFO sightings in Peru, in order to accept the full story it is necessary to deal with the suggestion that the UFOs are coming from Ganymede, Jupiter's largest moon discovered by Galileo in 1610. It so happens that thanks to NASA's Pioneer and Voyager Missions, we now know more about the Jovian system than ever. With the help of NASA's extraordinary photos, Jay L. Inge of the U.S. Geological Survey's Branch of Astrogeologic Studies, made a detailed map of Ganymede. Of course, we have neither heard about nor seen photos depicting a Crystal City or any signs of intelligent settlements on Ganymede. In fact, it is Europa in Jupiter's system and Titan in Saturn's moon system which rate among the worlds with the highest possibilities for some kind of primitive life in our solar system. But an article in *Science News* about the map of Ganymede does indicate that this satellite "certainly appears in a subjective viewing to have been designed in defiance of the 'rules.'" What has puzzled most of the geologists studying this world, continues the article, is "a most unusual feature: a global network of grooves and ridges, branching, weaving and intersecting in bizarre array. And many are not just single lineaments, but families in parallel, with some paths showing as many as 20 grooves and ridges running side by side for tens of hundreds of kilometers." What could all this mean, but that Ganymede may be inhabited even, if only at incredible odds.

3) Next there is the statement that the UFOs' original world was what they called the "Yellow Planet," known to us as the Asteroid Belt between Mars and Jupiter. This is perhaps one of the most credible parts of the Rama story since there are several scientists who do believe that, given Johann Bode's law of planetary distances, the Asteroid Belt must have once been a planet which exploded for some unknown reason. The Soviet Academician Sergei Orloff named it "Phaeton." For well known Soviet UFOlogists Aleksandr Kazantsev and Felix Zigel, Phaeton's fate is self-explanatory. A highly advanced civilization did at one time exist there, but was annihilated in a chain reaction of nuclear explosions of which the "tektites," (those hard glasslike tiny meteorites which have been found around the world), were the silent witnesses of Phaeton's tragedy. Phaeton is also a favorite of Kazantsev and Zigel when it comes to account for at least some appearances of ancient astronauts in Earth's mythical past. To them it is logical to assume that if the "Phaetonians" had nuclear power, they also had rocketships in which a few lucky ones were able to escape (and resettle on Ganymede according to our story).

4) Finally, we have to contend with the business of the dimensional gates or "Xendra steps," the most speculative aspect of the whole story. It certainly seems as if this aspect was conceived after watching too many *Star Trek* episodes. But, on the other hand, teleportation is not a new phenomenon either, if we accept the literature going back as far as Charles Fort, and of which the so-called "Philadelphia Experiment" is a most famous incident. If the U.S. Navy was toying with invisibility and teleportation back in 1943 using Einstein's Unified Field Theory, then it's no wonder that the ancient Ganymedians could have perfected it over the course of the last several centuries. But then again, who can say for sure?

**WINNING WITH WITCHCRAFT**

Although my book is called "Winning With Witchcraft" it is not a book for witches. Fully fledged witches will not find anything really new in its pages and indeed they may disapprove of many of the things written in it. They will not like the fact that I have removed the "mystery" of witchcraft, dispensing with all the complicated paraphernalia usually associated with the Craft, in order to demonstrate to the ordinary person that to practise it is really very simple indeed. My book is definitely only for the everyday lay woman or man; the person who is fascinated by witchcraft and its possibilities, but is either too busy or apprehensive to actually get involved in it.

**HOW TO WIN IN LIFE**

I do not in my book bog the reader down with the theory or history of witchcraft. That can be found in other books. No, my work is an "action" book, one of practice rather than speculation. In it I show you how to win in life with witchcraft. There are two sides, or dimensions, to witchcraft: the religious, spiritual dimension, and the dynamic "active" dimension, i.e. that of deliberately manipulating events and circumstances for one's ends. My book is about this second, exciting dimension. But before I continue let me tell you something about myself. My name is Jean Williams, and for the last twenty years I have been actively practising witchcraft in the pursuit of securing personal objectives. I am a perfectly ordinary woman, not possessing special psychic powers of any kind. Neither am I particularly bright or good looking. I mention these points because I want to show you that the wonderful, fast acting powers of witchcraft can be at anyone's command, regardless of ability, once the secret of witchcraft is understood. I have never belonged to a coven or occult group of any kind. There is nothing special that you have "to be," or no one special you have to know, in order for you to begin working wonders with witchcraft from the very moment you know what to do.

**IMMEDIATE RESULTS**

Immediately you have finished reading my book you can begin casting magic witchcraft spells to obtain whatever you desire. And you don't have to worry about trying to obtain difficult to get herbs or special equipment, almost all of the rituals I give involve very little or no paraphernalia, and what things you may have to get can be purchased very easily and inexpensively. For twenty years I have been "winning the game of life" through witchcraft. With my book you can start doing the very same the minute you have read it. With simple witchcraft spells and rituals I show you how you can make any member of the opposite sex desire you immediately, compel a reluctant lover to marry you, stop the romantic interest of someone you would rather be without, with witchcraft you can forget about being a loser in love, in money, or anything else. By using witchcraft I show you how you can actually take control of the "forces of chance" and make everything you touch seemingly turn to gold. You will be able to play a bingo game, place a bet, enter any contest, and know that you will win. You can have any man or woman you want, or any luxury you choose. With witchcraft these things become automatic when you use the appropriate spells or rituals to obtain them. I can say all this with absolute confidence for this has been my experience from practising witchcraft. I have benefited handsomely from witchcraft and I only seek the pleasure of sharing my knowledge with you. Witchcraft, I believe, should not be the jealously guarded secret of a selfish few, but should be made available to all who seek a better and more fulfilling life.

**WHAT WITCHCRAFT CAN BRING YOU**

In my book you read about:

- Winning the admiration and respect of people. Stop them exploiting and using you.
- Using witchcraft to promote you self interests at all times, without harming the interests of others.
- Commanding things to happen through powerful spells and invocations. With witchcraft you don't have to grovel or pray to God for help.
- Magic witchcraft spells that quickly make you more self-assertive, confident, and sought after by the opposite sex.
- The Binding Love Spell that makes someone of the opposite sex love you.
- Simple witchcraft remedies that alleviate pain, reduce fever, stimulate hair growth.

**THE SECRET SCIENCE OF NATURE**

It is unfortunate that many people associate witchcraft with devil-worship. Most witches don't even believe in the Devil! I certainly don't! Witchcraft is not Black Magic. But, fortunately, witchcraft can be used to protect one's self from Black Magic. My book shows how you can quickly and easily break any evil curse, and shows also how you can forever make yourself safe from harm and evil of every kind. Some people also harbour the idea that witchcraft is just "superstitious nonsense"; in fact quite the opposite is true. Witchcraft is the secret science of nature! It could not possibly work if it was merely based on old wives' tales. I personally am not superstitious. I was born on the 13th. I live in a house no. 13. I walk under ladders, etc.; but I very much definitely believe in the powers of witchcraft. You will believe, too, once you have tried the simple rituals in my book! Nor is witchcraft just "positive thinking". I know lots of people who use positive thinking and yet they are losers in life. Witchcraft is more dynamic. With witchcraft you don't, and cannot, fail; you only succeed and win.

**THE ULTIMATE WITCHCRAFT RITUAL**

The very end part of my book I have saved for what I consider to be the ultimate witchcraft ritual, at least in material terms, a ritual that unleashes a tremendous torrent of opportunity, riches and good fortune. I consider this ritual to be little short of sensational, but I will be frank with you; I have only ever used it once. It worked so well that I just couldn't handle all the good things that came from it. I am not one of those people who can handle immediate, or even gradual, wealth. But if you are one of those people who believe they can, then you should try this ritual. It could change your life!

I do not claim my book to be the best or finest written on the subject of witchcraft. But I do claim it to be the most practical. If you are one of those people who has always wanted to try their hand at witchcraft, but were too busy or apprehensive to do so then my book is for you. It is written for you, and I promise you that what you pay for it will be the best spent money of your life. Witchcraft works. Those who practise it know. They are life's winners.

# SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

## THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- ( ) Do I want peace, joy, love and prosperity to fill my life completely?
- ( ) Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- ( ) Do I desire to help others overcome their problems through and by the great magical power I gain?
- ( ) Do I want total control of all situations which manifest in my life?
- ( ) Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

## SEVEN GREAT MONEY SECRETS

Revealed for the first time are secrets possessed by the extremely powerful and extremely wealthy. Yes, there is a magical power in money and that power can be controlled. You will discover the seven great secrets of money and good fortune. You will also be provided with two potent money rituals to bring you greater prosperity. God wants you to prosper, and now you will find out how to obtain what you need and MORE and as soon as you need it.

## POWER OF THE SPOKEN WORD

Hidden within the Holy Scriptures are words of power for good fortune, healing, success, love, business and personal relationships. Through these words you may overcome demons, negative thoughts, guilt, fear and other unwanted situations. This section reveals how one can use this power to obtain happiness, victory, confidence, trust and respect. It also reveals the illustrious 22 words of power and how to use them.

## TRUE PSYCHIC/SPIRITUAL GIFTS

This section will clear up many misconceptions and fears regarding psychic powers. You will be given examples from the Holy Bible revealing their place in the true foundation of religion as practiced by Christians. You will be told of the great

magic word of the Magi and exercises which can help you to develop these wonderful powers which are positively God inspired and not from the Devil as some misguided theologians have lead many to believe.

## MAKE A MAGIC MIRROR TO LOOK INTO THE FUTURE

Know what the future holds! You will be taught how to turn any mirror into a magic mirror and when to use it for best results. This Volume will tell you how mystics apply certain ingredients with a potent symbol to turn this magic mirror into a treasure tool which will enable you to: 1) Change your current habits; 2) Develop spiritual sight; 3) Communicate with the subconscious mind to know what is going on all around you even in invisible realms and other dimensions, all of which affects you; 4) Ask questions of Higher Intelligence in the spirit world and on other spiritually advanced planets; 5) See your past lives and understand how they affect you

## STONES, COLORS & CANDLES

It will be revealed to the reader how mystics use certain stones to preserve youth, repel evil, develop psychic powers, and attract health, happiness and prosperity. You will discover the magical use of colors to influence yourself and others for healing, peace, inspirations and love. You will learn how to turn ordinary olive oil into a powerful blessing elixir. There is also a secret of how to convert a candle into a spiritual dynamo...even when to burn the candle.

## KEY TO NATURE'S SECRETS

In this section, you will discover methods to improve health, stay youthful, and maintain harmony within your physical and spiritual being. THE SACRED MAGIC will also reveal the greatest realization of life as it was given to Rev. Oribello by a Mystic Adept who was over 300 years old.

## INDIVIDUAL LUCKY NUMBERS

Find your individual "name number." We all have certain numbers that vibrate on our behalf for good luck. Once you've found out what they are you will become an INSTANT WINNER at whatever you attempt. You will be told how to know the best time of day to do anything. This is called your "Magical Hour," and it differs from person to person. You will learn the mystery of the number nine.

## ASTOUNDING CASE HISTORIES

Personal testimonials validating an astounding new method of astral projection or soul separation are being reported on a daily basis as indicated in the following case histories:

### • CASE 461 — FROM POOR BOY TO \$100,000 A YEAR WAGE EARNER

Edward P. of Michigan wanted to attend an Ivy League college, but his parents couldn't afford to send him. There was so much Edward wanted to learn, but tuition costs were staggering and even the books he needed were so high priced that he could never be able to purchase them. That was ten years ago. Today, he is considered one of the most educated men in America. Besides holding a tremendously important government job, Edward is constantly in demand to lecture and conduct seminars at universities around the country. Much of his education came about without leaving home, by "visiting" the great museums, art galleries and libraries of the world and by "tapping" their resources with his mind by mastering soul separation.

### • CASE 874 — WOMAN SUCCESSFULLY OVERCOMES PAIN

Betty A. was in an auto accident so serious that there were fatalities. Her own injuries were so critical she spent long months in the hospital under heavy sedation, and the doctors said she would have to continue medication even at home. Rather than become a drug addict, she wondered if there was some way she could mentally rise above the pain. Laying in bed, tormented by the agonies afflicting her, she learned to project her thoughts to a beautiful, cool, place where her mind could remain at ease. Eventually the pain disappeared altogether.

### • CASE 88 — THE MAN WHO BROKE THE BANK AT ATLANTIC CITY

Larry T. was broke. He was to be evicted from his one room apartment. He was hungry and cold. With nothing to do and nowhere to go he had no reason not to accept an invitation to join a junket to Atlantic City since he knew he would be entitled to \$10 in quarters and a meal. Over the years, Larry had made a living as a magician and a mentalist. On the way to Atlantic City he remembered reading several texts on astral projection. That day, he applied what he learned and was able to "see" into the machinery of the one armed bandits and was able to tell which slots were ready to pay off. Before leaving the boardwalk he had won six figures with soul separation.

### • CASE 193 — WOMAN LOSES POUNDS

Susan W. was so disgusted with herself that she couldn't stand to look in the mirror. She was extremely overweight, so much so that it had become a health problem. None of the diets she had tried worked at all and she was getting desperate to the point of suicide. One night, Susan successfully left her body and saw her true self minus all that unattractive fat. While out of her body, she had a divine revelation and in no time she lost seventy pounds with soul separation. Today she is married and has two children...and isn't afraid to look into the mirror anymore.

### • CASE 16 — MAN MARRIES WOMAN HALF HIS AGE

Tony B. was aged fifty-six when his beloved wife passed away of cancer. Tony felt helpless and alone. He took to drinking and being by himself. He was very shy and had a difficult time meeting women. There was, in particular, a very beautiful younger lady who lived in the apartment across the hall, but he couldn't bring himself to speak with her. By mastering out-of-body travel Tony was able not only to attract this woman, but eventually—even though she was twenty years his junior—got her to marry him.

### • CASE 269 — PAST LIFE RECALL ELIMINATES PHOBIA

Mary B. was deathly afraid of heights and was claustrophobic, so much so that she had to quit her job in a high rise office building. It got so that she had to walk up and down eight flights of stairs to get to her own apartment. Finally Mary solved her problem by traveling back in time via soul separation to a previous life time where she saw herself falling from a great height. Realizing this was the root of her current difficulties her phobia was quickly resolved and today she leads a normal life.

## COMPUTER AGE TECHNOLOGY

Parapsychologists in conjunction with computer experts have recently developed a method of enhancing a person's ability to leave their body and let their spirit soar freely wherever it wants to go. Utilizing the ancient art of creating a "Mandala" as a psychic tool, it is now possible to become a SUPER-BEING. The "Mandala" is a highly symbolic design which represents the unity of life and the integration of a person's true spiritual soul. The Buddhists have used "Mandalas" in their meditations for centuries. Now computer experts have stumbled upon certain combinations of patterns which when meditated upon cause a shift in consciousness and allow a person to alter their brain waves and astral project with little difficulty.

## FREE MANDALAS

When you order your copy of SUPER SUCCESS THROUGH SOUL SEPARATION you will receive as part of your order six reproductions of these computer age graphics which will assist you in doing the amazing things others have accomplished with relative ease.

The mandalas printed in SUPER SUCCESS THROUGH SOUL SEPARATION are by necessity reproduced in black and white simply because to publish them in color would be so expensive that it would place this book out of the financial reach of a majority of our customers. We have found, however, that the colored computer mandalas increase out-of-body travel about five to seven percent, and for those who want to have a set of original colored patterns (six different ones not printed in the book) we will include them in our special deluxe edition.

Now thanks to serious work in the field of parapsychology and soul separation you can have the healthy body you long for. You can have that prestigious job, that beautiful mate, all the wealth and power you want, to say nothing of that elusive peace of mind you've dreamed of. With our simple method you can literally do the following:

- Pass through walls;
- Live a longer, more productive life;
- Discover past lives;
- Project yourself into the future and reshape what is to come;
- Enjoy a more fulfilling relationship with others, and find your soul mate;

We urge you to act today ordering your book right away.

**HAWAIIAN SPACE SHIPS**  
I was fishing at Hilo wharf, when another fisherman pointed to this strange mass in the sky. The mass was the most unusual thing I had ever seen. It was a huge, round mass with a bright object in the middle. It somewhat resembled a cell with a nucleus in the center, but unlike a cell, the nucleus was moving in an irregular, haphazard manner. I can even go so far as to say it was bouncing.

Unlike the report that said it was about 100 times larger than the light, I saw that the mass was far, far larger. It was very distinct since it came almost directly overhead and moved in the direction of Mauna Kea. I didn't notice any specific color, and the height was indeterminable.

As the mass approached Mauna Kea, it began to dissolve slowly, just as the moon changes its phases from a full to a quarter moon. As the mass disappeared the light continued moving toward the direction of Mauna Kea. But a few seconds later, sparks appeared; the object kept on moving and more sparks appeared.

At this point Mr. Hashimoto was forced to discontinue his observation of the mass, as he was distracted by a tug on his fishing pole. When he glanced toward the sky, the mass had either gone from view or was camouflaged against all the stars.

Hashimoto concedes that the whole sighting could have been an optical illusion, but his own opinion is that he saw something "resembling lightning bolts shooting out of the lighted object." It should be remembered that Hashimoto was an experienced night time observer, as the lure of fish often brought him out at night.

Hashimoto concluded his letter with a plea that the paper check with other people's observation of the lights, to see if their reports would tally in any way with his.

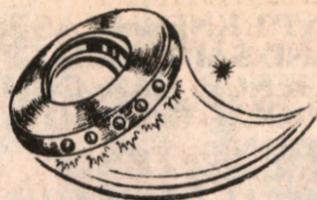

In an April 13 letter to *Flying Saucer Review*, Albert Hanochano, Jr., of Honolulu offered a final bit of corroborative information. He stated that one of the UFOs was photographed by a commercial airline pilot who was in the vicinity. Apparently this bit of film was repeatedly mentioned on radio newscasts but had not appeared in any other news media. Hanochano also wrote that on January 23 (6:00 p.m. news, channel 9) "at 1:30 p.m. five Air Force officers observed a group of UFOs in formation over Hickam Air Force Base."

This fact has not since been mentioned, and investigation is now closed.

## DID YOU KNOW YOU HAVE A SECOND MIND? TAP THE AWESOME POWER OF YOUR SUBCONSCIOUS THROUGH SUBLIMINAL STIMULATION™

You've read in *Time*, *Omni*, *Psychology Today*, the *Wall Street Journal* and elsewhere about the exciting success of subliminal techniques. Now, thanks to recent breakthroughs by leading psychologists, you can use these same innovative techniques to turn your life around.

The subconscious mind is a mysterious thing. We're finding out more about it every year. It's not like your conscious mind. Instead it soaks up impressions. You'll be amazed how fast the "success-mechanism" within you makes big changes in your life.

### SUBLIMINAL TECHNIQUES ARE THE PROBLEM SOLVERS FOR THE 1990s AND BEYOND.

Subliminal Stimulation is used today in countless ways. For example, to reduce shoplifting, department stores nationwide are finding that a "hidden" message in the public-address music cuts pilferage substantially. This message repeats—over and over—such tested phrases as "I am honest; I don't steal."

Customers aren't even aware of it. Yet inventory statistics reveal a 67% decrease in shoplifting.

### YOUR SUBCONSCIOUS IS YOUR ALLY. LET IT WORK MIRACLES FOR YOU AS IT DOES FOR THOUSANDS TODAY.

Until recently, scientists were unable to harness the powers of the hidden mind. For years we knew it controls our destiny. But the question was: "How can we tap its strength?"

Through constant testing a breakthrough came. The credit goes to some of the top researchers in this country. Now, Steve and David Gordon have combined their extensive skills in metaphysical programming with these new discoveries. The result? The most powerful, effective subliminal self-help tapes ever created. These bestselling tapes are helping thousands of people to tap their inner power and master their lives.

### EVERY TAPE YOU SELECT BRINGS YOU TWO DIFFERENT KINDS OF STIMULATION.

On one side, subliminal stimulation. You hear waves breaking on the shoreline. But your subconscious hears more. There are subliminally embedded messages at work—literally hundreds. Chances are, you won't be able to hear them consciously. But your subconscious will. And, it will obey. Listen while you work, read, play, relax, watch TV, or even while jogging or driving your car. The sounds of the waves create a pleasant background while alone or with others. Steve Gordon's brief introduction on each tape lets you know the exact wording of the subliminal messages coming up.

While you go about your activities, you'll be fully awake and alert. Yet all the while your subconscious will be listening and heeding. You'll get all the benefits of subliminal

stimulation—and more. On the other side of each tape is an audible *Metaphysical Hypnosis* session by Dr. Matthew Cohn, director of the Applied Hypnosis Institute. You'll hear suggestions, affirmations, in a very real sense "orders to your subconscious." Yet all you do is relax. Put forth no effort whatsoever. You're in full control. Both sides provide you with an experience unlike any other, an easy enjoyable way to create your ideal reality.

Each side inspires you and revitalizes you. So listen again and again. Very soon you'll see an exciting change in your life. That is why more aware people—people who want more out of life—are finding new happiness today. These Subliminal Stimulation™ Tapes are the long-sought answer.

### WHAT AREAS OF IMPROVEMENT DO YOU NEED? THESE TAPES WILL SURPRISE YOU WITH DRAMATIC RESULTS.

By stimulating your subconscious, you'll feel more youthful and dynamic. You'll get more out of life—because you'll be programming your subconscious to bring out all your hidden abilities. Instead of being satisfied with what each day brings, you'll be able to achieve more and enjoy long-held ambitions.

You'll capture opportunities so much more easily because your inner strength, your subconscious, will be working for you, not against you. You'll rid yourself of childhood-acquired hangups and misconceptions about yourself.

In their place will be a truly new you—a you you'll like so very much more. You'll gain more happiness, more fulfillment, and a better life than ever before!

### ORDER TODAY. READ ABOUT THIS SPECIAL MONEY-SAVING OFFER!

Each Subliminal Stimulation™ Cassette sells for \$14.95. But during this Special Introductory Offer to readers of this publication, the price is only \$9.95. You save \$5.00 on each and every selection.

But here's still more good news. You get one FREE for every three you order! Just fill out the No-Risk Express Order Form and rush it back today, along with your check or money order. Or use your Visa or MasterCard. You're protected by our FULL MONEY-BACK GUARANTEE: We call it our "triple-length" guarantee because it's good for 90 days, not 30. ### PSYCHOLOGICAL EFFECTS

*continued from page 14*  
In late August of 1985, at exactly 10:30 P.M., Rocky Mountain Time, nine people (rangers and spouses) in Glacier National Park, Montana, saw six red lights flying in formation. The night was clear and still. A full moon was just rising over Divide Mountain. No noise could be heard although the objects were a little over 1/2 a mile away and moving several hundred miles per hour.

I was one of the witnesses. Fortunately, society has become more receptive to sighting stories. Hopefully the support of friends, family and the authorities will eliminate much of the potential unpleasantness of being a UFO witness.

Some of the readers of this article will witness a UFO sighting. Others already have.

I hope they enjoy doing so. It will occur, if it does, when they least expect it.

Keep looking!

At this point, I suppose it is expected that I make some kind of statement either validating or invalidating the entire Rama story. I could perhaps conclude by simply stating that I don't know what the truth is, and as far as I'm concerned it's up to the reader to decide what he wants to believe. I have put together all the information I've so far collected on this case, and this information clearly shows that something connected with UFOs is going on in Peru. Yet, it's another thing to accept the whole idea of the Crystal City of Morien, the Xendra gates, the Council of Elders and the crystals of cesium with ultraviolet light. This much, however, is safe to conclude: If the extraterrestrial contacts are not true, there is no doubt that somebody or something is playing with the minds of a large number of Peruvians, making them see things and programming them to believe complex tales. Are these the weird shenanigans of the worldwide secret order of Melchizedek described in Jacques Vallee's book, *Messengers of Deception?*, or are they the casualties of some kind of large scale "mind control" experiment put out by the CIA or some other similar secret agent, as researcher Dr. Leon Davidson believes? Perhaps they are nothing more than the usual dimensional tricksters described by John Keel and other authors. I just don't know...make your own choice. As for myself, I am still waiting for my own "rendezvous with Rama," and I hope it doesn't turn out to be a long wait!

# THE GREAT PYRAMID SPEAKS

## FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

## PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a suprememover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how you chant its name repeatedly, it is said that you will receive all that you ask

## MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

## ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

## A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

## BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's case ment say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning predicts smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

## WILL THE CROSS OF JESUS BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid which will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

Dear Friend:  
It's a good thing we live in an enlightened age, because in previous times men and women would do anything to keep these spells and rituals a closely guarded secret—for you see their lives might depend on this! Let me explain.

If a person wanted to perform a particular spell, ritual or ceremony he would have to seek out dusty and neglected tomes of hidden and forbidden knowledge (known as A Book of Shadows) in order to discover the secrets which would enable him or her to master a particular situation by calling upon the proper spirit or asking directly the help of the Divine Power.

Often it was nearly impossible to come by such a book because the knowledge contained within such brittle and worn pages was so secret that men and women would undergo terrible torture to keep this information out of the wrong hands.

In fact, in previous ages it was the custom to burn the writings of occultists when they passed on, as it was highly dangerous for the surviving family to have been caught with such a book.

Today, thanks to the dedication of the master adept Tarostar—a certified Magister Sacrorum—such is no longer the case.

A member of several secret occult orders (including the Circle of Stameadow and the Ancient Order of Bell, Book and Candle), Tarostar has—AT LAST!—consented to publish for the first time an intimate record of his most personal spells, as well as the necessary rites of passages, Sabbat, and rituals of rules into the ancient and highly secretive craft of Wicca.

A BOOK OF SHADOWS is not a book to be taken lightly, for it contains magic so powerful that many will not be certain how to handle the knowledge that is almost certain to transform your life overnight.

Within mere minutes after you have begun to turn the pages of Tarostar's "Grimoire" or "Spellbook," you will understand so much that it will seem as if you have been asleep for most of your existence and are just now awakening to a new and much brighter world.

Soon nothing will be beyond your personal command.

"Want a new car?"  
"Long to live in a beautiful house that is totally paid for?"  
"Wish to find that "Special Someone" who will make your life more complete?"

"Have you the desire to be in totally good health and live well up in years?"

"Want to be able to turn back negatively on those who have sent it your way?"

"Seek to have great spiritual wisdom and be able to make personal contact with the "Divine Force" of the Universe?"

Today, it is possible for people of all ages and backgrounds to take direct control of their destiny and to live the kind of relaxed life they desire and deserve in accordance with the laws of universal attraction.

May we suggest that you take advantage of this offer and secure your very own copy of A BOOK OF SHADOWS before this offer is possibly withdrawn due to pressure from those individuals and organizations who are determined to keep humankind enslaved.
