**PSYCHOLOGISTS TACKLE UFO ABDUCTIONS** By Antonio Huneus

Public interest in UFO abductions has sky-rocketed lately with the phenomenal success of Whitley Strieber's bestseller "Communion," and to a somewhat lesser extent Budd Hopkins' second book on abductions, "Intruders." We can expect these two books to have still further impact in the future. A major Hollywood studio is considering a big-budget movie on "Intruders," while Strieber himself is involved in the production of the movie version of "Communion." Other books on UFO abductions written by the likes of Jacques Vallee, Brad Steiger, Phillip Klass, and others, are hitting the market, as are film or video productions dealing with the famous cases of Charlie Hickson in Pasca-goula, and Travis Walton in Arizona.

There can be little doubt that the American society of the late 80s is becoming accustomed to living with — and even accepting — the controversial accounts of people who claim to have been abducted by aliens. The abductees are of all social strata, who describe traumatic tales of kidnapping and medical examination at the hands of ET humanoid beings. Whether they like it or not, an increasing number of psychologists and psychotherapists are being consulted by clients or patients that have been affected by this uncanny phenomenon. This was clearly demonstrated with a recent symposium, titled "The UFO Experience: What Psychotherapy Tells Us," presented during the annual meeting of the American Psychological Association (APA) at the New York Hilton in August of 1987.

The UFO APA session was chaired by Dr. Aphrodite Clamar, a New York psychologist who was hired in 1978 by a group of investigators headed by Budd Hopkins, to use her skills in hypnotic regression with "people who had memories or thoughts or even serious recollections of missing time experiences." After 10 years of using hypnosis with this type of client, Dr. Clamar stated, "the question in my mind still persists: is the UFO experience genuine or a delusion?" However, she added that even though, "I still cannot answer this question to my

satisfaction, I cannot overlook the fact that to the UFOers that I have seen, this is indeed a true experience which I must therefore treat with respect and accept at face value."

Besides Dr. Clamar, the APA UFO session included Dr. Leo Sprinkle, one of the pioneers in psychological research and counseling for people who have had UFO experiences, and Dr. June Parnell, who compiled a psychological profile study of 225 persons with UFO experiences, collected over the years by Dr. Sprinkle at the University of Wyoming in Laramie.

**PITFALLS TO AVOID**

Dr. Leo Sprinkle is a counseling psychologist with a Ph.D. from the University of Missouri in Columbia. Currently he is a psychologist and Professor of Counseling Services at the University of Wyoming in Laramie. His background is well known among ufologists. In 1949 and 1956, Sprinkle had UFO sighting experiences, which eventually led him to join such UFO groups as APRO and NICAP in 1962, in order "to consider ways that psychologists could contribute to UFO research as well as to study the personal characteristics of persons interested in UFO reports," he wrote in a paper presented at the APA session.

In 1967, long before the current hoopla about alien abductions, Dr. Sprinkle began to provide hypnotic sessions for persons who claimed UFO abduction experiences, having assisted more than 175 individuals since then. At his APA talk, Dr. Sprinkle described, "what I think are some pits where you might fall" while pursuing UFO counseling work. "The first pit," he said, "is to believe that you can control the phenomena," something physical scientists are more prone to do, but which psychologists can also fall into. Another pitfall, he continued, is to believe "we can control the participants, that we can tell what their experience is and the interpretation of the experience."

Dr. Sprinkle described still other pitfalls, such as thinking "that we can control the information," not the confidentiality of information, "but what the participants wish to

talk about. Another pit we've known for a long time," he continued, "is to avoid the meaning of the UFO experience, to avoid the hand-writing on the wall." Psychologists should understand all these things, Sprinkle explained, because "the work of the therapist with the participant or client or patient is more important than the reality of whether it's a dream, an Out-of-Body experience, near-death experience, clairvoyant experience, shamanic journey, etc."

The Wyoming psychologist thus prepared the ground for what he called "the present pit that I am falling in, the contactee message." In his paper he wrote that "in 1980, after our first Rocky Mountain Conference on UFO Investigation, I sought hypnotic procedures with a fellow psychologist in order to explore my

Qualified researchers are urgently needed to advance in the field of UFOlogy. Right now around the globe there are on the average of 2 sightings being made every 24 hours. Many of the reports involve not only sightings of weird craft, but actual contact with humanoid beings from other worlds.

To date, Timothy Green Beckley (editor and publisher of the UFO REVIEW) has personally investigated hundreds of authentic UFO landings, and contacts and is keenly interested in expanding his international network of investigators.

No degrees are necessary, no expensive schooling or even mail order courses need be taken. There are openings available in all 50 states and in most foreign countries.

When you become a member of the UFO INVESTIGATORS LEAGUE for the next year you receive the following benefits:

1. Handsome membership card with your own personal ID number which gives you authority to officially investigate UFO cases and report your findings to headquarters.
2. Beautiful UFO Investigators certificate which you may hang with pride in your home.
3. UFO Investigators League Field Manual which tells you how best to interrogate witnesses. Give you the "important" questions to ask. And, what to look for the proof beyond a doubt, landing or contact has taken place.
4. A subscription to the highly confidential UFO SPOTTERS NEWSLETTER which contains TOP SECRET information on previously unpublished incidents too "hot to handle" in our regular publication. There is also a pen pal section, free swap it ads and photos of members.

own memories (dreams? fantasies?) of some childhood experiences. My current interpretation of those memories is that I experienced childhood encounters with a Space Being (SB) on board a space craft." Furthermore, Sprinkle added that his current hypothesis is that UFOs are some sort of "educational program." He ended his APA talk indicating that, "I think that the contactee message is double: to rebuild the planet and to assist humankind in its evolutionary development. If anybody here knows how I can extricate myself from this pit," he added philosophically, "I'll be glad to receive that information."

#### PSYCHOLOGICAL STUDIES

In contrast to Dr. Sprinkle's personal account of his own subjective feelings towards the UFO experience, Dr. June Parnell presented a more neutral paper entitled, "Measured Personality Characteristics of Persons Who Claim UFO Experiences." She wrote that, "over a period of 17 years, Dr. Sprinkle administered MMPI and 16 PF (psychological testing questionnaires) to 225 persons who self-reported UFO experiences to him, or were sent to him after initially making a report elsewhere." Dr.

Parnell added that "thanks to Sprinkle's efforts, I had available data from the largest 'n' of any study to date of persons who claim to have had UFO experiences."

Most psychological studies of UFO witnesses to date have concluded that there appears to be no visible psychopathology in those persons reporting UFO experiences or contacts. A study made in 1980 by the Austrian psychologist Keul "hypothesized that mental illness of claimants is a factor to be considered in UFO reports," wrote Dr. Parnell. However, "a more recent study by Keul and Phillips (1986) found 55 English and Austrian witnesses 'normal' in responses to psychological assessment instruments."

Dr. Parnell's study of 225 persons in various types of UFO experiences showed again little evidence of "psychopathological conditions." Although "certain unique characteristics" were noted, Dr. Parnell wrote that "the mean scores for most scales for those who claimed no communication and those who claimed communication with UFO beings were in the normal range and showed little variation between those who did not report a communication experience and those who did."

4 UFO

One of the more in-depth psychological studies to date was funded a few years ago by the Fund for UFO Research in Washington, D.C. The study dealt with "the psychological testing of nine individuals reporting UFO abduction experiences." The tests and evaluations

were conducted in New York by Dr. Elizabeth Slater, a professional psychologist. The individuals were provided by investigators Ted Bloecher, Dr. Aphrodite Clamar, and Budd Hopkins, who also wrote the "Summary Report" based on Slater's

# IS EARTH A VAST GENETIC LABORATORY?

by Brad Steiger

**H**as our species been genetically engineered? Was early *Homo sapiens* guided around some evolutionary dead ends?

Only the human species, among species in the natural state, comes in such a great diversity of "breeds." It is as if we have been domesticated and controlled in a manner similar to the ways that we employed to assist Nature in creating the great varieties of domesticated dogs and cats. In any other of the primate species, such as the gorilla, all of the members are essentially alike.

If one were to make an extensive study of the characteristics peculiar to each genus of the primates, *Homo sapiens* has three hundred and twelve differences from his closest cousins among all the creatures on the planet. To itemize only a few, we may note humankind's dexterity with thumb and index finger; the big buttocks for walking; the thick layer of subcutaneous fat beneath the outer skin; the mobile facial muscles capable of over one hundred subtle expressions; the furless skin.

Of greater importance is the explosive speed at which the neocortex of *Homo sapiens* has evolved in the last 500,000 years. If all the primates began the evolutionary trek three to five million years ago, why was it that only humankind has become so clearly dominant and superior?

The brain of the human is three times the size of the gorilla. It has ten billion neurons, ten times as many as the chimpanzees. Human intelligence is one hundred times greater than that of any ape, since intellect leaps geometrically with increased neurons.

And why is it that today the intelligence of apes remains static, never making any dramatic leaps forward, never accomplishing any breakthroughs? In spite of numerous experiments being conducted, it seems doubtful that extensive training has been able to improve a chimpanzee's intelligence quotient.

The consensus among modern anthropologists and paleontologists is that evolution is a very slow and uniform process and that no animal species, other than *Homo sapiens*, has shown any dramatic or sudden evolutionary changes within the last few million years. Any major change in animal's size, limbs, internal organs, or basic structure takes tens of millions of years, according to the experts who examine the fossil bones of various species. Humankind itself, so states the general agreement among scholars, did not change qualitatively for about 900,000 years; but then, only about 15,000 years ago, *Homo sapiens'* brain suddenly expanded to the point where he could begin to fashion civilization.

Is it too heretical to suggest that humankind may have received some external assistance in its evolutionary trek?

Does it remove humankind too much from the center of the universe to wonder if there might not have been a world of experimental and developmental humans before our own?

Rather than asking the question whether or not the UFO abductors are conducting genetic experiments with unwilling men and women today, the more powerful query is whether humankind may have been structured by UFO intelligences in the beginning.

Dr. Paul MacLean, one of the world's most eminent brain researchers, theorizes that during the course of evolution humans have acquired three very different brains; a primal mind from reptiles, an emotional mind from early mammals, and a rational mind from more recent mammals. The very center of our brain is composed of the primitive reptilian brain, largely responsible for our self-preservation.

Dr. Carl Sagan made extensive use of Dr. MacLean's theory in his best-selling book, *The Dragons of Eden*; and the trine brain hypothesis has stimulated numerous scholars in the social sciences. Is it really too much to suggest that there may be an even more dramatic, more direct, reason for our reptilian heritage?

## Reptilian Genesis

In my more than twenty years of investigation into the UFO mystery, I have heard those human participants of close encounters with

alleged UFO-nauts most often describe the aliens as smallish, reptilian-appearing humanoid with disproportionately large heads.

The serpent is almost universally recognized as a symbol of the waveform of energy, a sperm-symbol representative of life. Nearly every ancient culture has its legends of wise Serpent Kings who came from the sky to advance the beneficent and civilizing rule of the Sons of Heaven, upon Earth — e.g., Quetzalcoatl, the "feathered serpent" of the Incas, who descended from heaven in a silver egg. The awesome respect that our ancestors had for these wise serpentlike humanoid could surely have been retained in our collective unconscious today.

Let us suppose, then, that a highly advanced reptilian species with an astonishing technology has been interacting with developing life-forms on Earth for millions of years.

Let us suppose, further, that, upon the emergence of humankind's earliest ancestral relative, they made a decision to interfere with the gradual evolutionary process of *Homo sapiens* and to initiate a program of genetic engineering whereby they would accelerate the physical and intellectual development of certain of the bipedal creatures.

Exceedingly patient, detached, almost emotionless in its approach to scientific projects, let us imagine the reptilian race experimenting with skin pigmentation, facial and body hair, height, weight, and intelligence in their efforts to improve developing humankind. And while they were conducting their experiments in genetic engineering, they could not help leaving behind certain physical evidence of their visitation to prehistoric Earth.

On Dec. 17, 1888, the *Los Angeles News* printed the following account:

"Captain Lacy of Hammondsville, Ohio, had some men engaged in making an entry into his coal bank, when a huge mass of coal fell down, disclosing a large, smooth slate wall, upon the surface of which were plainly carved several lines of hieroglyphics. No one has yet been able to tell in what language the words are written. The letters are raised; the first line contains 25. It is probable that they were cut in the coal while in its vegetable state and during its formation into coal."

The men discovered the wall with its undecipherable hieroglyphics about 100 feet below the surface. If the letters were cut into the coal in its "vegetable state," as the anonymous reporter suggested, then we are back in the Carboniferous Systems, approximately 250 million years ago.

## Footprints In The Strata Of Time:

In the early 1930s, Dr. Wilbur Greely Burroughs, head of the Geology Department of Berea College, Kentucky, was guided to a site in the Kentucky hills where he was able to locate 10 complete manlike tracks and parts of several more in Carboniferous sandstone. All the accumulated evidence indicates that they were impressed upon a sandy beach in the Pennsylvania Period of the Paleozoic Era — which dates the humanoid impressions somewhere around 250 millions years ago. Dr. Burroughs kept his work secret for seven years. One can imagine that he wanted every opportunity to study the amazing tracks.

"Three pairs of tracks show both left and right footprints," Dr. Burroughs told Kant Previetta of the *Louisville Courier-Journal* many years later (May 24, 1963). "Of these, two pairs show the left foot advanced relative to the right. The position of the feet is the same as that of a human being. The distance from heel to heel is 18 inches. One pair shows the feet about parallel to each other the distance between the feet being the same as that of a normal human being."

Regardless of the tests to which Dr. Burroughs subjected the tracks, the results were always the same: the footprints were genuinely those of a bipedal creature. It positioned its feet like a human, had a heel and five toes, and walked exclusively on its hind legs.

## Giants In the Earth

In 1888, H. Flagler Cowden and his brother, Charles, unearthed the fossil remains of a giant female, over seven feet tall, who they

## THE PROMISE OF A NEW—"GOLDEN"— AGE IS ABOUT TO UNFOLD IN OUR LIFETIME!

Dear Reader:

**G**od is not dead! We are not alone in the Universal. Recently, a fully ordained minister with a Harvard doctorate conducted a survey of 14 different congregations and discovered the astonishing fact that thirty per cent of those questioned had personally experienced some sort of divine intervention in their lives. This included materializations of holy figures such as Christ or Mary, prophetic dreams, heavenly voices and visitations from spirit beings.

This same minister also suggested "there indeed may exist a spiritual world normally invisible to us, which may interpenetrate our space and manifest itself on occasion." In his studies, the clergy points out that those who experience such paranormal events are often "somewhat above the norm in education and intelligence, and somewhat less than average in religious involvement... This phenomena," he further notes, "is even happening to elite scientists who insist that such things cannot possibly happen."

And while I am by no means ordained (though my wife is a minister), as a writer on spirituality who has devoted a lifetime to research, I can only come up with similar conclusions of my own.

### DRAWING DOWN THE HOLY SPIRIT

As I conducted my interviews with revelators, theologians, psychologists, and various observers of the contemporary scene, I wanted to know if everyone agreed that there seemed to be a great outpouring of the Holy Spirit in our age. Did every one view our generation as the recipient of a profound spiritual revolution? Did everyone believe that there really was a basic, cosmic truth to the much-touted Age of Aquarius?

### STRENGTH FROM HIGHER INTELLIGENCES

Scattered throughout the world, are small groups of sincere men and women who are clustered together in small circles, communicating with various energies, who may or may not be the same source. These groups are independently coming up with a great deal of the same material, the same communications, emphasizing that man may draw strength from Higher Intelligence, that man has all the requisite spiritual abilities within his own being, that man is One with all things, that man is approaching a New Age, a period of transition, that other-dimensional entities are present to assist man in leaving the old and adjusting to the new.

The consensus of orthodox religious opinion has it that the gifts of the Spirit promised by God through His Old Testament prophets was climaxed with the dancing tongues of flame on the heads of the Apostles on the Day of Pentecost in A.D. 30 and was terminated on the Isle of Patmos in A.D. 95. St. John's apocalyptic Revelations is the last book in the Christian Bible; and, in the eyes of orthodoxy, it seems to bring down the cosmic curtain on the Holy Spirit's dramatic interaction with humankind.

After exhaustive research and interviews, I am convinced that the soul-igniting mechanism of the gifts of Spirit did not cease with the prophets and saints of antiquity. I contend that the Divine Fire — the transfer of thought, spirit, and power from an Infinite Intelligence to a finite, human intelligence — is a vital, continuing process which observes no denominational boundaries and employs a spiritual mechanism that is timeless and universal. Daniel, Zechariah, the Apostles, and all of the world's great saints, mystics, and inspired men and women of history are our spiritual contemporaries.

### COMING "DAY OF GLORY"

Saul, a young firebrand, a member of the Sanhedrin who were dedicated to halting the Apostles' preaching of Christ, was struck blind on the road to Damascus. When he recovered his

sight by heeding instructions given to him in a vision, he not only changed his name, his religion, and his life's work, but he may have altered the course of history. In like manner were a salesman in South Dakota, a businessman in New Jersey, and a policeman in Nebraska temporarily blinded by a strange and powerful light that appeared above them as they traveled lonely highways. When they recovered their sight, they changed their names, their occupations, and began to devote their lives to the preaching of peace, love, brotherhood, and the coming Day of Glory.

The boy Samuel heard his name being called at night. When no earthly voice could be found responsible, Eli, the priest whom Samuel would one day succeed, told the lad that it must be the Lord calling. Samuel was told to lie down and say, "Speak, Lord; for thy servant heareth." When Samuel did this, the Lord came and stood before him. Samuel became the last of the judges, the first of the prophets, and as founder of the monarchy, the sole ruler between Eli and Saul, whose principal mission was the organization of the Kingdom of Israel.

In like manner did a housewife in Colorado hear her name being called at night. When no earthly voice could be found responsible, she opened herself to the Lord. Now, a few months later, she is practicing touch healing, speaking in a tongue that confounds academic linguists, providing spiritual lessons to an ever-growing flock, and prophesying on both an international and a personal level.

### WHEEL WITHIN A WHEEL

Ezekiel saw a wheel within a wheel land before him. He watched four angelic occupants emerge, and he felt the Spirit enter him when one of the beings spoke to him. From that day on, Ezekiel had the gift of prophecy and the ability to work miracles. In like manner a television copywriter in California, an Air Force pilot in Florida, and a college girl in Washington observed the landings of unknown aerial vehicles. They communicated with the occupants, felt the Spirit enter them, and later discovered that they had remarkable precognitive and clairvoyant abilities.

Moses spoke to the angel of the Lord as it appeared in a pillar of flame near a wilderness bush. The voice from the fire assured Moses of Divine aid and the power to work miracles. In like manner a voice from a glowing orb spoke to an artist from England, a clergyman from Illinois, and a sailor from Kentucky and promised them paranormal abilities. All have since forsaken their former callings and have devoted their lives to cleansing the Earth for the coming New Age.

Brad Steiger

**NOTHING IS IMPOSSIBLE ONCE YOU HAVE UNLOCKED THE SECRETS OF HOW...**  
**AMERICAN INDIAN MAGIC CAN WORK FOR YOU!**  
**SACRED POW WOVES & HOPI PROPHECIES THAT ARE GUARANTEED TO CHANGE YOUR LIFE**

Dear Friend:  
 My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Woves which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

**EIGHT STEPS TO PERFECTION**

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic riches, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...  
 • Hold your own "Vision Quest."

• Communicate with spirits and angels, and get them to assist you in all that you desire.

• Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

• Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.

• Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.

• Ward off evil spirits and protect yourself from any harm others might be trying to send your way.

• Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.

• Develop your Third Eye as well as your Third Ear.

• View the future and change it to suit yourself.

• Become a great "Spiritual Alchemist," the American Indian way.

• Send out "smoke signals" using your mind to contact and influence others many miles away.

• Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool, the most important friend you will ever have.

**HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"**

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days," and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

**SECRETS REVEALED**

speculated was a member of a race of large primitives who had vanished from the face of the earth some 100,000 years ago.

Astonishingly, the Cowdons had found their giant woman in Death Valley, an area that, while desolate in modern times, may have been an inlet for the Pacific Ocean in prehistoric times. In the same strata with the female skeleton were the remains of extinct camels, elephants, palm trees, towering ferns, and fish life.

One thing is certain: If the giant female was seven feet, six inches tall, than, assuming the same kind of height ration which exists in modern times, the mala of the vanished valley paradise would have been eight feet tall.

It is difficult not to feel tiny prickles of recognition of genetic engineering when we learn that the Cowdons discovered a number of anomalous physical appendages and attributes not found in contemporary man. They noted a number of several extra "buttons" at the base of a woman's spine, "and every indication betraying the woman and her people as endowed with tail-like appendages." The brothers also found that the woman had canine teeth twice the size and length of modern man.

The hasty will scoff at the suggestion that giant humans with tails once walked the Americas, but the *New England Journal of Medicine* of May 20, 1982, described the birth of a baby with a two-inch long tail. The slender, tapered growth was surgically removed at Children's Hospital Medical Center in Boston. Dr. Fred D. Ledley saw the appendage as a "vivid example of man's place in evolution."

While noting that few tail cases have been documented in the latter part of this century, Dr. Ledley stated that the "wall-formed caudal appendage" represented a "striking clinical confrontation with the reality of evolution."

Humans may have diverted from their most closely related tail-bearing primates twenty-five million years ago, Dr. Ladley agreed, but "human genes still contain information for tail formation."

Than there is the account of the party of miners working near Bridalveil Falls, California, who, in July 1895, found the tomb of a woman whose skeletal remains were six feet, eight inches in height. The miners had found the Amazon behind a wall of rock that had been shaped and fitted together with an apparent knowledge of masonry. The corpse had been wrapped in animal skins and covered with a fine gray powder. She was clutching a child to her breast.

Scientists in Los Angeles agreed that the mummy was that of a woman from a race that had flourished on the continent long before the Amerindian had become dominant. Their consensus was that she would have stood over seven feet tall in life, thereby making the males of her kind at least eight feet tall.

A newspaper account dated April 4, 1874, tells of a veritable catacomb of giantlike skeletal remains that was unearthed when workmen were opening a way for the railroad between Wildon and Garrysburg, North Carolina:

"The skulls were nearly an inch in thickness; the teeth were filed sharp. . . the bones were of wonderful strength, the femur being as long as the leg of an ordinary man, the stature of the body being probably as great as eight or nine feet. . . The bodies were found closely packed together, laid tier on tier. . . The mystery is, who these were, to what race they belonged, to what era, and how they came to be buried there. . ."

An article in the *New York Times* for May 4, 1912, tells of eighteen skeletons that were found while excavating a mound near Laka Delavan, Wisconsin. The remains of the males were those of giants, with remarkably large heads, while the woman were of normal size with smaller heads.

Subsequent news articles of the find described the males as possessed of sloping foreheads with nasal bones that protruded far above the cheekbones. "Their jawbones were long and pointed, bearing a minute resemblance to the head of a monkey. The teeth in front of the jaw are regular molars."

There seems to be a growing amount of evidence — a bit more than circumstantial — which suggests that an organized program of genetic engineering was conducted on Earth by agents of an extraterrestrial civilization of advanced technology. Judging from certain prior discoveries which have been made on this continent, it would seem that North America in particular may have served as a vast and unique laboratory for a number of experimental programs.

The question of what it is to be human may begin to acquire new,

dramatic, and startling answers. And the specific question of how humankind evolved on the North American continent suggests answers that may be considered too startling and heretical for the anthropological traditionalist.

EXPOSED FOR FIRST TIME...  
**MYSTERIOUS "SUPER RACE" WHO RULE MANKIND FROM THEIR SECRET HIWAY IN THE HIDDEN CITY OF SHAMBALLA**  
**FREE OFFER**  
**RECEIVE THE "MYSTIC CRYSTAL HEART" AND CONTACT THE "MASTERS OF UNIVERSAL WISDOM" FOR ASSISTANCE IN STRENGTHENING YOUR AURA, IMPROVING YOUR HEALTH, AND TO ATTRACT UNENDING BENEFITS**

Do you sometimes hear strange "voices" seemingly coming from "out of nowhere?" Do you believe there is a secret society of masterful beings with superhuman powers who have the ability to control others and help shape the destiny of mankind? Since a very young age Wm. Alexander Oribello (director of the Mystic Light Society) has been in contact with these "Wise Men" who live in a spiritually advanced utopia known as the city of Shamballa located inside the Himalayan Mountains near Tibet. For centuries these great Masters known popularly as "THE GREAT WHITE BROTHER HOOD," have taught deserving souls great occult secrets known only to a trusted few in the outside world.

Here for the first time you will be taught how to actually communicate with—and meet on the astral plane—such loving immortal souls as:  
 • COUNT ST. GERMAIN: Said to have first lived in 18th century France and who appears—upon taking physical form—today to be about 40 years old. He serves as administrator of the Holy Spirit through the Violet Flame Energy.

• KUTHUMI: Also known as the Master K.H., he shares with Jesus the office of world teacher and has been incarnated as Pythagoras and St. Francis of Assisi.

• EL MORYA: This great being is the Master of Synthesis who inspires the blending of belief systems and philosophies into one unit of truth manifested. He is his job to unite all religions. He has incarnated as King Arthur and Sir Thomas Moore.

• KUAN YIN: This illustrious Lady Ascended Master is the Oriental representative of the Mother God aspect, as Mother Mary is to the Occidental world. She is the Goddess of mercy and prays for disciples on the path.

• MASTER JOHN: The entity that manifested as the young Apostle John and was the author of the original Gospel of St. John and the Book of Revelations. Today he represents the "I AM Presence" to all workers of the light.

**COSMIC SECRETS EXPOSED**  
 Here is a sample of what you can expect to find in THE FINAL SOLUTION which some have called the most important book written in the New Age so far: • The manifestation of God, Arch-angels, Angels, demons and what kingdoms they rule. • The divine names of God. • The types of beings who compose the Hierarchy. • The 10 rulers of darkness identified. • Why God placed us on this planet. • Earthbound entities and how best to deal with them. • Identifying good spirits and false prophets. • Channeled revelations from space from the Ashir Command. • Secret signs of contact and protection. • The best time to make contact with the Masters. • How to make certain you get through to them. • Knowing your role in the Divine Plan.

**EXTRA BLESSINGS—FREE**  
 During one of their visitations to the Earth plane, the Masters told the author they wished all truth seekers to wear a specially blessed "Mystic Crystal Heart" that would act as a powerful magnet or "activator" to contact them whenever the wearer was in need of assistance or wished something of a positive nature to transpire in their life.

To communicate with them directly, a person need only rub the center of the heart in which there has been placed a genuine rhinestone, and repeat the invocation given on page 48 of THE FINAL SOLUTION, whereupon, they should immediately feel a dramatic change come over their entire being.

SPACE PEOPLE'S PLAN

**YOU NEED NEVER BE ALONE...LOVING SPIRIT BEINGS EXIST TO PROTECT & GUIDE YOUR LIFE IN ALL MATTERS IN A SHORT WHILE YOU WILL BE ABLE TO...**

**CHANNEL YOUR OWN HIDDEN POWERS!**

Dear Friend:  
 You've probably heard actress Shirley MacLaine talking about the mystical process know as "channeling". Or maybe you've read or heard the words of such enlightened entities as Seth, Lazaris, and Ramtha who speak from invisible realms said to exist all around us. In fact, channeling sessions have even taken place on prime time television, and now—some say—even exceed the use of the Ouija Board and Tarot Cards as a tool for psychic enhancement and spiritual growth.

As an investigator of the paranormal and author of over 100 metaphysical books, I am prepared to show you personally how to go about raising your own consciousness to allow "Higher Intelligence" to come through, thus enabling you to communicate with spirit beings who can assist you in obtaining all you desire on this the physical plane of life, plus protect you from all negativity and harm.

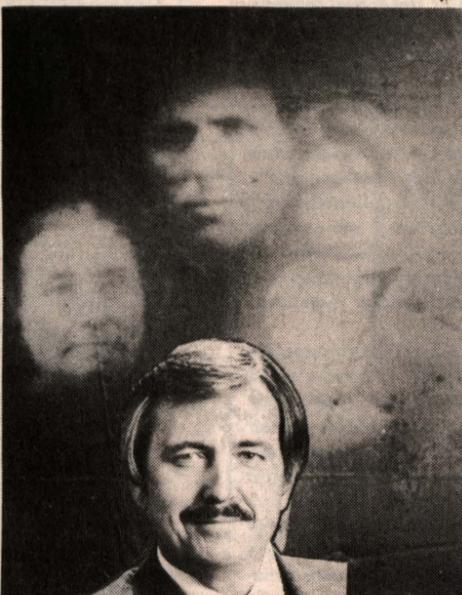

Over the years, I have come to accept as fact the idea that the universe is literally teeming with life which, because of our limited five senses, most of us are unable to see or communicate with. Yet, I can guarantee that by the time you have finished reading AQUARIAN REVELATIONS: CHANNELING HIGHER INTELLIGENCE, you will have set up harmonic convergence with the cosmic mind we call God. There are, I've discovered, three basic types of beings who we may actually call upon in times of personal need.

**HELP FROM THE ANGELIC KINGDOM**  
 In Genesis the Lord created the angelic kingdom to watch over humankind. In the Bible, angels guided to safety those lost in the wilderness, freed the persecuted from fiery furnaces and dank prisons. Jesus Himself was fed by angels, defended by angels, strengthened by angels. We are repeatedly told that angels are actual beings, that they are God's personal messengers, and not just symbolic. And while most of us take for granted that angels once interacted with the prophets, the saints, as well as early members of the Christian faith, few realize that the angelic kingdom is still very much active today and that these beings of pure light and love are at our beck and call whenever we need them the most.

**MEETING YOUR SPIRIT GUIDE**  
 Likewise, there exist other multidimensional beings who can—and frequently have!—materialized to aid humans during periods of crises or in moments of receptivity to universal teachings.

These beings can take on the form of personal spirit guides, master teachers, or loved ones who have passed on. Frequently, they appear in our dreams or in visions. Such concerned entities most often have our best wishes at heart, and upon being spoken to can direct our lives in a most positive manner. They have been known to show the way to buried treasures, missing wills, or other items of importance. They have even whispered the winning lottery numbers into the ears of deserving souls, and saved many individuals from what should have been certain death or injury.

**LOVE, PEACE & BROTHERHOOD FROM BEYOND THE STARS**  
 In the late 1940's, strange objects which defied science, and which became known as UFOs or flying saucers, were first seen by thousands around the world. Today, the reality of alien visitors is widely accepted, some going so far as to claim repeated physical and telepathic contact with more advanced creatures from outside our earthly reality. Stories

Master guides and spirit teachers exist to offer assistance in everyday matters. Here Brad Steiger seems to be surrounded by such entities in a photo taken for demonstration purposes.

abound of alien abductions, and there are those who say that advanced spiritual beings—termed the Space Brothers—are watching over our planet as we continue to walk the narrow path to global destruction. Offering humankind a way of salvation, these highly elevated souls have also been known to heal the sick, and, in general, bring love into the lives of those who have had close encounters with them.

**A HOW-TO METAPHYSICAL COURSE THAT ACTUALLY WORKS!**

During my years of personal involvement with metaphysics, I've learned many things which have changed my life, and which I can now assist you with. I will teach you how to listen with your "Inner Ear" to advice that our loving guardian angels, spirit guides and space brother friends are so willing to give.

- I will actually open you up so that you will become more "in tune," more "receptive," more "sensitive" to universal and Godly influences. I will show you how to become your own "Channel" so that you can be a radio receiver for divine inspiration and speak directly to your "Higher Self" like Edgar Cayce and so many other great sensitives since Moses have done.
- I will lay before you in simple words and terms the proper methods, meditations, chants and prayers that will elevate your soul.
- I will teach you how to...
- See an aura.
  - Draw upon the energy of others in a beneficial way.
  - Turn negativity into a positive force.
  - Develop sensitivity to all living things be they of the earth or above it.
  - Train to become a master of the oversoul or macro-microcosm.
  - Maintain spiritual power once you have obtained it.
  - Use your dreams for problem solving.
  - Grow in harmony with the great spiritual Earth Mother.
  - Journey to unseen worlds beyond space and time.
  - Work in the light of eternal brotherhood.

Yours in Love & Light,  
**BRAD STEIGER**

**GENETIC LAB. Continued from Page 10**

**Cracking The DNA Code**

In 1963, Francis Crick and James Watson launches a "biological revolution" with their discovery of DNA, the master molecule that contains the genetic code. In 1962, for their successful solution of the DNA puzzle, Crick and Watson shared the Nobel Prize for Physiology and Medicine with physicist Maurice Wilkins.

Today, Crick has boldly suggested that the seeds of life on Earth may have been sent here in a rocket launched from some faraway planet by "creatures like ourselves." Science writer David Rorvik explored such a provocative theory, together with other subjects, in an interview which appeared in the March 1982 issue of *Omn!* magazine:

*"At [a meeting in Soviet Armenia in 1971] we discussed the idea that uniformity of the genetic code makes it look as if life went through a rather narrow bottleneck. In addition, I came to realize that sufficient time had elapsed for life to have evolved twice — that is a civilization capable of sending out rockets could already have come into existence at the time the solar system and the earth got going. Leslie Orgel [a biochemist at the Salk Institute] and I, in collaboration, came up with the idea of a directed panspermia."*

When asked by Rorvik to comment on precisely which things made the theory of panspermia attractive to him, Dr. Crick replied: "The easiest way to see that it's attractive is to realize that we might find ourselves doing the same thing a thousand or two thousand years from now, seeding life in the same way."

One of the greatest gulfs between humankind and the primates lies in the exploratory instinct. The apes live together in bands, small pseudotribal units, never functioning as single animals. Young apes are never allowed to roam or to explore beyond the perimeters of their immediate environment. Nor does the limited brain of the ape ever permit the creature, whether young or old, to explore any area of thought beyond those of eating, mating, and self-protection.

The human child, on the other hand, begins to explore the day it begins to crawl. All through childhood there is a drive to seek out the new and the unknown. No other species of animal even remotely displays the insatiable and driving curiosity of *Homo*.

The quantum leap from restricted, nonexploratory primate to space-traveling human in a brief million years could well have been due to the catalyst of genetic engineering at the hands of the Serpent People. The restless and eternal drive to learn everything and to travel everywhere may have been instilled into our DNA construct by intelligences who have already begun to chart the universe.

**Is Earth A Biological Laboratory?**

The reptilian humanoids may have come to this planet and viewed it as a great biological laboratory. They must have seen a hundred thousand possibilities for this terrestrial be'!

They must also have computed that would take the slow process of evolution a hundred million years to alter a species or to develop a new one. For whatever specific reason they chose to become involved, they made the decision to accelerate evolution and to fashion a rational creature before its time.

It is obvious that the Serpent People did not always get the results that they wanted! In the United States alone, various excavators have discovered fossils and skeletal remains of primitive men and women over seven feet tall, hominids with horns; giants with double rows of teeth; prehistoric people with sharply slanting foreheads and fanged jaws; pygmy cultures which had survived in living form with primitive awareness. Such anomalous discoveries might cause us to consider that even the monster-humans of mythology might have been abortive genetic experiments which were rejected by the Serpent People as they sought to achieve *Homo sapiens*.

From the perspective of the UFO intelligences, the process of evolutionary trial and error may not yet be completed. They may still be monitoring the development of our species through the programmed process of UFO abductions.

**FIRST TO CAST SPELLS**

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

**PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!**

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask.

**ATLANTIS AND THE ANCIENT ASTRONAUTS**

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

**A TIME CAPSULE UNDER THE GREAT PYRAMID?**

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

**BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS**

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

**WILL THE CROSS JESUS WAS CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?**

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

**MYSTERY OF A SPACE SHIP**

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

**GOLDEN OPPORTUNITY**

**AWARENESS LESSON BY DIANE TESSMAN**

**A SPACE BEING ANSWERS THE QUESTION... DOES THE GREENHOUSE EFFECT MEAN THE END OF THE EARTH?**

The summer of 1988 was a difficult one on planet Earth. The climate of this blue/green planet "failed," thus drought and extraordinary heat did much damage to human, animal, and plant life. Not all manifestations of these tragic climate conditions disappeared with the autumn coolness. In fact, the climate problems will continue, not only into the winter of 1988, but into the future of the planet in the 1990s.

Are the drought and extreme temperatures the beginning of "The End?" Has the mundane dimension started to crumble? The foundation for life on a planet is its weather conditions, thus Venus is too hot and Mars is too cold, to sustain life as we humans know it. After all, just a few degrees variance in temperature is enough to condemn many species of life to extinction. This even happened to the mighty dinosaur; many scientists feel they became extinct because of temperature variances which spanned only a few degrees.

Is this the beginning of the end? Yes, it is. However, we hasten to add that there are always alternatives as long as human intelligence and spirit survive.

The sun is in retrograde in the early 1990s, which means that due to a loop in the sun's orbit, it will actually be going backwards (not discernable to the naked eye) in relation to its usual direction in the heavens. This natural phenomenon always causes irregularities in Earth's climate.

In addition to this sun-in-retrograde phenomenon, humankind's pollution has caused "the greenhouse effect" to occur on Earth. This means that the climate is becoming more extreme... hotter in the summer, colder in the winter. Also, it is becoming drier. Many areas are becoming arid and desert-like which were moist and green just a few years ago.

Space intelligences have long been warning humans that they must take better care of their planet, stop pollution and abuse of a fragile natural world. But now, space intelligence also offer humankind a spark of hope. They assure us that all is not lost.

Here is a channeled message from my star guardian Tibus of The Space Federation, on the current tragedy of the drought affecting Earth in 1988 and extending into the 1990s:

*My Earth friends, this is Tibus. I come to you in love and light.*

*We grieve with you over the suffering of humans, animals, and plants during the terrible drought of the summer of 1988. We also rejoice with those of you who joined us in prayers and the sending of healing energies to planet Earth. Rain has managed to fall bringing cool relief and save many suffering lifeforms.*

*However, the basic anomalies which caused your recent drought are still manifested on Earth. There is nothing anyone can or should do about the orbit of the sun, even in retrograde. However, there is something humankind can do about the greenhouse effect which it has caused. It is too late to say that it can be averted if humankind straightens up its act (stops polluting its planet unmercifully). However, in physical terms, the greenhouse effect can be lessened (every little bit less is to the positive!) as humankind realizes what is happening and stops his abuse now. The sad element in this truth is, it is big business, big corporations, governments of the world, which are doing the most damage and they have the lowest awareness. They care the least. The individual citizen of Earth cares much more for the planet and is more responsible.*

*There is something which individual Earth citizens can do, however, which is not physical in nature. Just as the cooling, healing rains fell, powers of the mind and soul abound. Humankind has great destructive powers, but also it has great healing powers. Psychically and spiritually, humankind is schizophrenic, doing demonic harm and Godly good. This is why we emphasize that humankind must grow out of adolescence and take its place as aware, responsible citizens of the galaxy, along with the "aliens" who also inhabit the galaxy.*

*While some damage has been done and more is to come, humankind's spiritual power can ward off "the end." If conditions are allowed to develop as they are, it will be the end of life on Earth as is presently known, but if enough human beings become aware and fight the climate disasters with*

*the power of the beautiful minds and spirits, the end will instead become known as The Change. A new world will emerge, where humans who are also galactic citizens fully recognize the beauty of their psychic powers. As true representatives of the Creator Spirit, they will bring freedom, peace, love, and ecological good health to a once-troubled planet. Theirs is the power of great natural healing and rejuvenation, theirs is the Kingdom of Light. They are you dear friend, and together we can help save Earth!*

**DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")**

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks" of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB's. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

**HOW THE CRYSTAL CROSS CAME TO ME**

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days" which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always contained the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glimmering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the force of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

**ARE YOU IN NEED?**

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.

To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this—and more—is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

**NOT FOR SALE**

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to place these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

**TAKE PART IN AN EXPERIMENT**

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

Dear Reader:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

**CHILDHOOD EXPERIENCES**

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

**SHOCKING REVELATIONS**

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different" and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

## SPECIAL BOOK & CASSETTE PACKAGE

LISTEN TO THE SPIRIT VOICES YOURSELF

In order to make your efforts easier, Jeff Vilencia has put together a special 30-minute cassette tape recording which you may play for additional tips on how to conduct your own "seance" with a tape recorder or radio.

On this tape you will actually hear what are said to be the voices of several famous individuals including Winston Churchill, Elvis Presley, John F. Kennedy and Albert Einstein. Decide for yourself if these "paranormal voices" are real or not. They have baffled many scientists and now this is your golden opportunity to hear them for yourself. But, amazingly enough, you do not have to be famous in this world to speak from the next dimension, nor do you have to be rich or know the "right people." In this New Age, spirit beings have said new avenues of proof of other realities would be "opening up," as Earth and its inhabitants change its vibrations to one of a higher spiritual order. Now you can be part of this movement which is based upon solid thought, a belief in a Higher Being, and proveable scientific knowledge.

Dear Friend:

Have you ever wondered if it were possible to speak to the "dead?"

Is there someone you love on the "other side" whom you would like to talk with?

For over a decade, serious research has been going on in an attempt to perfect a way to record paranormal sounds and voices which investigators believe are regularly transmitted from beyond life's door, as a means to convince the living that death is not the end of existence — that there are other dimensions to inhabit once we have left this world behind.

### AS SIMPLE AS SPEAKING ON THE PHONE

Jeff Vilencia is head of Vilencia Entertainment Group, and is a motion picture, video and record producer with numerous credits. Several years ago, Jeff stumbled across the work of several European researchers who claim to have logged more than 72,000 transmissions broadcast from unseen realms. Skeptical at first, Vilencia experimented and found that not only could such "spirit voices" be picked up on a regular basis, but almost anyone could learn the rather simple methods used to start a two-way conversation with the next world.

Using a simple cassette tape recorder and/or an ordinary radio, now it is possible for anyone regardless of education or technical background to engage in productive research of their own. Thousands of individuals have already reported recording the voices of their deceased loved ones. Some of the "conversations" have been short, while others have been more lengthy and have transpired more than once, on a repeated basis. From these recordings it is possible to learn much about what it is like in the after life.

- Does Heaven exist?
- Is there a Hell?
- What does God look like?
- What form do spirits take in the next world?
- Is there love, peace, total harmony with the universe in the after life?

The author guarantees that you will be able to produce your own positive results the same night as you finish reading his special report which tells you all you need to know.

THE ANCIENT HIGH PRIESTS OF EGYPT KNEW IT AS "SOUL SEPARATION." RELIGIOUS MYSTIC AND SAINTS PRACTICED "BI-LOCATION," WHILE TODAY SCIENCE HAS COME TO DEFINE THE PHENOMENON AS "OUT-OF-BODY," OR "ASTRAL" PROJECTION.

NOW YOU CAN LEAVE YOUR PHYSICAL BODY BEHIND TO EXPERIENCE...

# SUPER SUCCESS

Parapsychologists working with trained scientists have recently developed a simple method by which almost everyone can leave their body behind to find valuable treasures, explore spiritual realms and heavenly dimensions, as well as tap the collective unconscious to solve all personal problems that may be ruining your life.

Now it is possible to LET YOUR SPIRIT SOAR. Furthermore, we guarantee that once you learn this method for out-of-body projection that you can be among a growing number of individuals who have changed their hum drum lives for the better and have actually...

- Made millions on a new invention they "discovered;"
- Come out a big winner in the stock market, in real estate, or at gambling even if they thought they had no talent for such things;
- Found a prestigious-high paying-job and climbed the corporate ladder, despite all attempts to hold them back;
- Started a successful business of their own, even if the "odds" were stacked against them;
- Overcome great pain, personal suffering, or healed themselves—or someone they love—of supposedly "incurable" diseases or ailments;
- Lost the exact amount of weight they wanted to;
- Overcome any phobia that might have been holding them back in life;
- Tapped the subconscious to learn anything they wanted to know, and instantaneously;
- Seen their own past lives, as well as traveled to the future, or other dimension, and even allen worlds deep in space.

Researchers have for hundreds of years known that all individuals are made of two bodies—the non-material etheric or astral body and the physical body. Both exist in the same space, but under the right conditions may separate. During the separation the consciousness remains with the astral which is able to see and pass through walls and travel vast distances to obtain knowledge not available otherwise. Various saints and popes have adapted soul separation as part of their religious practices, and hundreds of successful individuals worldwide are now adapting an easy method they have learned to leave the body and perform incredible feats.

### ASTOUNDING CASE HISTORIES

Personal testimonials validating an astounding new method of astral projection or soul separation are being reported on a daily basis as indicated in the following case histories:

• **CASE 461 — FROM POOR BOY TO \$100,000 A YEAR WAGE EARNER**

Edward P. of Michigan wanted to attend an Ivy League college, but his parents couldn't afford to send him. There was so much Edward wanted to learn, but tuition costs were staggering and even the books he needed were so high priced that he could never be able to purchase them. That was ten years ago. Today, he is considered one of the most educated men in America. Besides holding a tremendously important government job, Edward is constantly in demand to lecture and conduct seminars at universities around the country. Much of his education came about without leaving home, by "visiting" the great museums, art galleries and libraries of the world and by "tapping" their resources with his mind by mastering soul separation.

• **CASE 474 — WOMAN SUCCESSFULLY OVERCOMES PAIN**

Betty A. was in an auto accident so serious that there were fatalities. Her own injuries were so critical she spent long months in the hospital under heavy sedation, and the doctors said she would have to continue medication even at home. Rather than become a drug addict, she wondered if there was some way she could mentally rise above the pain. Laying in bed, tormented by the agonies afflicting her, she learned to project her thoughts to a beautiful, cool, place where her mind could remain at ease. Eventually the pain disappeared altogether.

• **CASE 88 — THE MAN WHO BROKE THE BANK AT ATLANTIC CITY**

Larry T. was broke. He was to be evicted from his one room apartment. He was hungry and cold. With nothing to do and nowhere to go he had no reason not to accept an invitation to join a junket to Atlantic City since he knew he would be entitled to \$10 in quarters and a meal. Over the years, Larry had made a living as a magician and a mentalist. On the way to Atlantic City he remembered reading several texts on astral projection. That day, he applied what he learned and was able to "see" into the machinery of the one armed bandits and was able to tell which slots were ready to pay off. Before leaving the boardwalk he had won six figures with soul separation.

• **CASE 193 — WOMAN LOSES POUNDS**

Susan W. was so disgusted with herself that she couldn't stand to look in the mirror. She was extremely overweight, so much so that it had become a health problem. None of the diets she had tried worked at all and she was getting desperate to the point of suicide. One night, Susan successfully left her body and saw her true self minus all that unattractive fat. While out of her body, she had a divine revelation and in no time she lost seventy pounds with soul separation. Today she is married and has two children...and isn't afraid to look into the mirror anymore.

• **CASE 16 — MAN MARRIES WOMAN HALF HIS AGE**

Tony B. was aged fifty-six when his beloved wife passed away of cancer. Tony felt helpless and alone. He took to drinking and being by himself. He was very shy and had a difficult time meeting women. There was, in particular, a very beautiful younger lady who lived in the apartment across the hall, but he couldn't bring himself to speak with her. By mastering out-of-body travel Tony was able not only to attract this woman, but eventually—even though she was twenty years his junior—got her to marry him.

• **CASE 269 — PAST LIFE RECALL ELIMINATES PHOBIA**

Mary B. was deathly afraid of heights and was claustrophobic, so much so that she had to quit her job in a high rise office building. It got so that she had to walk up and down eight flights of stairs to get to her own apartment. Finally Mary solved her problem by traveling back in time via soul separation to a previous life time where she saw herself falling from a great height. Realizing this was the root of her current difficulties her phobia was quickly resolved and today she leads a normal life.

### COMPUTER AGE TECHNOLOGY

Parapsychologists in conjunction with computer experts have recently developed a method of enhancing a person's ability to leave their body and let their spirit soar freely wherever it wants to go. Utilizing the ancient art of creating a "Mandala" as a psychic tool, it is now possible to become a SUPER-BEING. The "Mandala" is a highly symbolic design which represents the unity of life, and the integration of a person's true spiritual soul. The Buddhists have used "Mandalas" in their meditations for centuries. Now computer experts have stumbled upon certain combinations of patterns which when meditated upon cause a shift in consciousness and allow a person to alter their brainwaves and astral project with little difficulty.

### FREE MANDALAS

When you order your copy of SUPER SUCCESS THROUGH SOUL SEPARATION you will receive as part of your order six reproductions of these computer age graphics which will assist you in doing the amazing things others have accomplished with relative ease.

The mandalas printed in SUPER SUCCESS THROUGH SOUL SEPARATION are by necessity reproduced in black and white simply because to publish them in color would be so expensive that it would place this book out of the financial reach of a majority of our customers. We have found, however, that the colored computer mandalas increase out-of-body travel about five to seven percent, and for those who want to have a set of original colored patterns (six different ones not printed in the book) we will include them in our special deluxe edition.

Now thanks to serious work in the field of parapsychology and soul separation you can have the healthy body you long for. You can have that prestigious job, that beautiful mate, all the wealth and power you want, to say nothing of that elusive peace of mind you've dreamed of.

With our simple method you can literally do the following:

- Pass through walls;
- Live a longer, more productive life;
- Discover past lives;
- Project yourself into the future and reshape what is to come;
- Enjoy a more fulfilling relationship with others, and find your soul mate;

# WHO ARE THE SUPER CHILDREN?

(Publisher's note: This manuscript was recently received in the mail without an author's name. We present it because of its seemingly serious nature at this phase in the history of UFOlogy.)

## HAVE ALIENS SEEDED EARTH & CAUSED GENETIC CHANGES? A CONTROVERSIAL THEORY THAT IS GAINING IN SUPPORT.

The UFO phenomenon has puzzled researchers for years, going from simple observation to absurd theory. Even religious cults have sprung up, dedicated to the enigmatic UFO.

Yet the UFO — if there is method to its madness — hides all evidence except tiny bits and pieces, as if it was leading us step by step into a new awareness of reality on this planet. What you are about to read may seem absurd at first, yet there is an inescapable logic to it, a logic that stands before us and defies all our attempts to destroy or undermine its meanings. If Von Daniken's theories shocked millions, then the next few pages will simply be beyond belief.

John Keel, Brad Steiger, and Art Gatti opened a door that somehow refuses to close, because they took the UFO phenomenon beyond simple observation to something more exciting. The UFO, through these writers, found its way into the very warp and woof of our existence.

John Keel, in the early days of UFO lore, suggested that there was something perhaps sinister behind the appearance of the UFO. Keel suggested that there was a purpose which was being deliberately hid behind induced hallucinations and distortions of fact.

But even more incredible, Steiger, Keel, Gatti, and other writers (most recently Budd Hopkins) began to reveal evidence of sexual liaison between those aboard the UFO and our very own earth women! The story seemed outrageous, yet the evidence kept piling up. From Betty and Barney Hill to more recent times, earth people have reportedly been taken aboard the craft, and some women have reported instances of what amounts to cosmic intercourse.

But in this mass of confusing tales, a pattern does weave its way into our consciousness, a pattern that some writers have dared to examine, but few carried to its logical conclusions. Brad Steiger went so far as to conclude, in *Mysteries Of Time and Space*: "If UFO-nauts are truly a cousin species from some other plane of reality, there is no more effective way of gaining a world than by seeding a crossbred race to operate from within our own species. . . ."

Not only was there sexual liaison, but the possibility of "hybrid" children being born as a result of this encounter! Even more incredible, some who have been brought aboard the craft, when placed under hypnosis, revealed a "plan" to mate with earth women, and at a time appointed, these special children would take over pieces of world authority!

Is there any truth to such a story? The whole idea, of course, seems absurd. And yet there is a certain logic to it. Imagine a group of children, having no knowledge of any special identity, waiting for some kind of signal which only they would recognize. Their environments would be carefully controlled, they would be educated through a gradual process in which they would unconsciously be preparing for their own special places in government.

Does it sound incredible? Many writers have seen certain similarities in Biblical accounts, pointing out that certain children were born for special purposes, including Jesus, John the Baptist, Samson, Isaac, Paul, and others. Art Gatti and Brad Steiger have brought our attention to the account of Abraham, who, when he and his wife Sarah were far beyond the childbearing age, were promised a son in whom "all the nations of the earth would be blessed."

Even more incredible, and think about this very carefully, Abraham was to inherit the world through Isaac!

But is this some fanciful tale of an ancient and superstitious race? Perhaps, but please remember that the Jews throughout history have defied all attempts to destroy them. Scattered throughout the world where they should have vanished, they rose to prominent positions in government and became a power to be reckoned with. They have left a remarkable imprint on world history.

Examine the birth of Isaac. Genesis 21:1-2: "And the Lord visited Sarah as he had said, and the Lord did unto Sarah as he had spoken. For Sarah conceived, and bare Abraham a son in his old age, at the

set time of which God had spoken to him."

Through that birth, Isaac was to make Abraham an inheritor of the earth! But in what way? Were the Jews to become the sole inheritors? Even in the New Testament, Paul teaches that Abraham and his descendants, his "seed" are to inherit the earth: Romans 4:13: "For the promise, that he should be heir of the world. . . ."

Abraham and his seed were promised the earth! Look at the New Testament book of Galatians, chapter three, verse 29: "And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise."

What we see here is the beginning of something incredible. All Christians are said to be "Abraham's seed." The promise is that they are to inherit the earth!

What I am doing here is nothing less than the challenge of two thousand years of traditional Christian history! Since the days of the early Catholics, we have assumed that Christianity was a kind of social contract, that individuals chose to accept Christ and be incorporated into his church.

Yet this very idea proposes many insurmountable philosophical problems, as William James, the famous psychologist/philosopher pointed out.

According to James, the Christian world teaches that God is all knowing, that there is nothing that has happened or ever will happen that He does not already know. If that is the case, however, God knows in advance who will "accept" and who will "reject" Him! If God is all knowing, man is not free!

On the other hand, suppose that YHWH of the Old Testament is all knowing. He would know his "children" in advance, would He not? He knew Isaac in advance. He knew Jesus in advance. He knew Paul in advance. Notice what Paul writes in Galatians 1:15: "But when it pleased God, who separated me from my mother's womb. . . ."

The evidence throughout the Bible stares us in the face, yet we ignore it, because the very idea puts all the churches out of business! If God knows His children in advance, then we can't simply choose to be Christian. That means that an entire world philosophy is shot to hell!

Notice what Brad Steiger writes about these "Special children" of the UFO in *Mysteries of Time and Space*: "On an unconscious level, perhaps in what may seem only to be strange dreams, this new race is being tutored and developed in a program that may involve several generations of mental and physical progression. . . ."

Now look at Galatians 4:1-2: "Now I say that the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all. But is under tutors and governors until the time appointed of the father."

There would be no difference between these special children and others, but they would be under training, waiting for a signal, or a call that gives them knowledge of their identity. Now look at Romans 8:29-30, concerning these children: "For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be firstborn among many brethren. Moreover, whom he did predestinate, them he also called: . . ."

This is an amazingly similar account, is it not? If it is true, the traditional churches are out of business.

But if YHWH knew his children in advance, if He predestinated them to be his children, then we might assume that He chose them through the same process as He selected Isaac, may we not?

If all Christians are Abraham's "seed", is it not possible that all of them were born as Isaac? Is it not possible that these children were literally born of a special birth, just as Isaac?

Notice what Paul writes about Christians in Gal. 4:28: "Now we brethren, as Isaac was, are children of the promise. . . ."

Have we stumbled across something so incredible that it defies our most passionate belief? And yet, is it not logical? If YHWH was indeed all knowing, would he not let the world discover its own meanings through blind groping while he quietly went about preparing a kingdom? If God is all knowing, would not man's freedom consist simply of their absence of absolute knowledge?

Born in Budapest, Maria D'Andrea is a top psychic having demonstrated her abilities from an early age. She has provided excellent guidance and enlightenment to many.

If you've been following all that's recently been said about them, chances are you've either been seriously thinking about—or have already begun to wear—a quartz crystal or some other natural stone.

Probably, you've been lead to believe that all such objects radiate tremendous power than when drawn upon can offer a multitude of personal benefits from improved good health, to attracting good luck, to enhancing your own intuition, as well as spurring on self growth.

And while it is absolutely true that crystals and other natural gemstones do act as vast storehouses of energy that can improve human conditions, most people are unaware of the fact that not all crystals are the same! Nor do any two gemstones radiate identical energies.

In fact, the TRUTH is that you may be wearing the improper type of crystal or stone and thus may not be reaping the many positive benefits offered by the amazing New Age science of "Psychic Gemology."

Now for the first time, famed psychic advisor Maria D'Andrea has agreed to share her intimate esoteric knowledge concerning the mystic and occult vibrations to be found locked in crystals and gemstones. Born in Budapest, Hungary, D'Andrea's talents include crystal gazing, rune casting, the use of talismans and amulets, handwriting analysis, trance mediumship, automatic writing, as well as the teaching of Yoga.

findings. Further comments and an introduction "putting abduction reports into perspective" were written by Dr. Ronald Westrum, Professor of Sociology at Eastern Michigan University. The report was completed in 1985.

"If the traumatic stress syndrome exhibited by so many abductees resulted from a remembered shooting, rape, a near-fatal auto accident, or some similar remembered event, it would be perfectly acceptable," wrote Dr. Westrum. "It is only because the underlying event in abduction cases is a UFO experience that we do not automatically accept it as real." Bloecher, Clamar and Hopkins then explain that they selected "a test sample of five men and four women" out of 22 credible UFO abduction cases. The technique used, they continue, consisted in administering a series of "psychodiagnostic test batteries" in the "blind" — that is, Dr. Slater was not aware of the purpose of the project; she was merely contracted to test and evaluate nine individuals. The tests used included the Minnesota Multiphasic Personality Inventory (MMPI), the Wechsler Adult Intelligence Scale, and the Rorschach projective drawings or TAT.

In her report, "Conclusions on Nine Psychologicals," Dr. Slater found that the nine individuals were normal by current societal standards; they were "above average intelligence." The subjects, which included a corporation lawyer, the director of a chemistry laboratory, and an actor, were able to perform normally in society, yet Dr. Slater found that "anxiety was prominent in all nine subjects," and there was "a certain mildly paranoid and disturbing streak in many of the subjects." The project's next phase consisted in confronting Dr. Slater with the purpose of the study, and requesting her to write a second evaluation with the UFO abduction problem in focus.

"The first and most critical question is whether our subjects' reported experiences could be accounted for strictly on the basis of psychopathology, i.e. mental disorder," wrote Dr. Slater in her addendum. "The answer is a firm no." As to the negative characteristics exhibited by the subjects, such as anxiety and "mild paranoia," the psychologist wrote that "there is really no way of knowing" if it was caused by a UFO abduction. "However," she added, "at least one can say that these features are not inconsistent with what one might anticipate as the psychological consequences of such a startling, disturb-

ing event as UFO abduction." After all, if these events are really happening to people as described, one would have to expect more than one "psychological scar" out of what was referred to in the study as "the invasive and injurious nature of physical examinations that may have taken place." In other words, the abductees are experiencing a similar type of deeply ingrained stress as that of rape victims, hostages, and other people who have been forced to do something against their will.

**SUSPENSION OF DISBELIEF**

At the APA UFO session, Dr. Aphrodite Clamar summarized the role of the psychotherapist with regards to the often traumatic issue of UFO abductions. She referred to "the role of mental life played by the unconscious," quoted even Sigmund Freud on "the psychological phenomenon of repression," and indicated how "cognitive psychology" could benefit from this type of research. A central point in the role of the psychotherapist with clients who have reported a UFO experience, said Dr. Clamar, is a willingness on the part of the psychologist "to suspend disbelief, a willingness to work in a state of ambiguity."

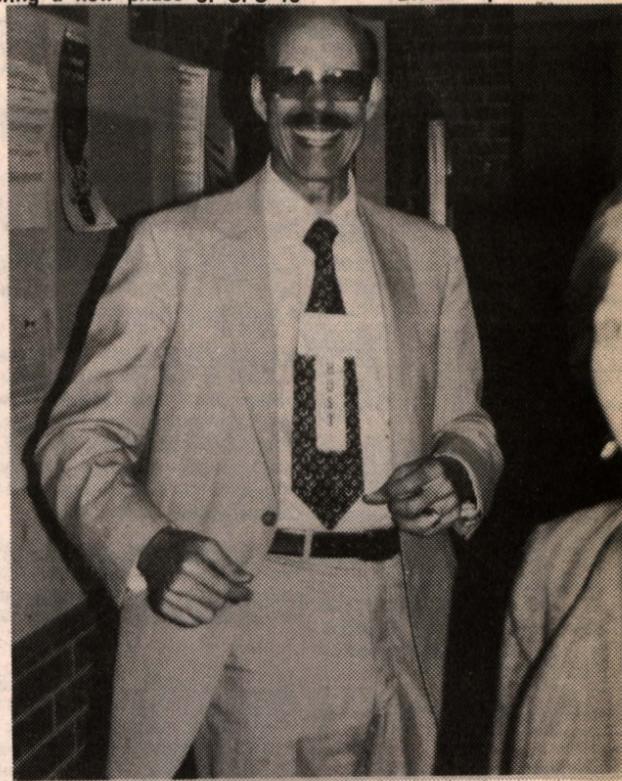

It is not the problem of the therapist to decide whether UFOs exist or not, she continued, that should be left to physical scientists. "Our responsibility," she said, "is to listen to the UFOer who consults us and provide him with the best possible therapeutic care and support; thus rather than ignoring the UFO phenomenon and those individuals who report these experiences, it is time for psychology to acknowledge the psychic need of these individuals," concluded Dr. Clamar.

The role of psychotherapy is of the utmost importance because of the often traumatic nature of the UFO abduction experience. As put by Dr. Clamar, these individuals "talk about finding themselves in a situation where they have no control, of having their body investigated, not knowing who these beings are, where they are going, what is happening to them, whether they are coming back or not, its a totally out of control experience and profoundly frightening if you can imagine yourself in a similar situation." Furthermore, she continued, "It is not an experience they can dismiss," although "certainly the personality structure of the person has a lot to do with how well they can integrate it."

Similarly, the openness and compassion of a psychotherapist will

also play a key role in how well and how quick these individuals can integrate their UFO experience into the rest of their lives. As put by Dr. Leo Sprinkle, "perhaps we are entering a new phase of UFO re-

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

**Users Report...**

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

**New Science of Bioelectronics**

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

**Simple Method of Energizing the Body Discovered by Inventor**

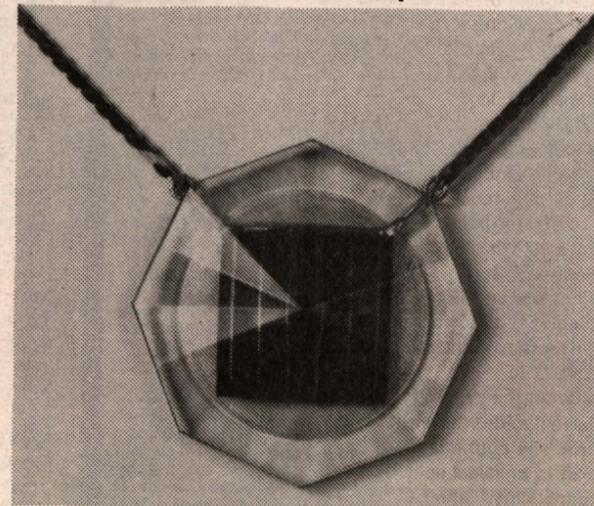

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort led him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

**A Functioning Space-Age Power Source**

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

**Renewed Energy Lets Body Heal Itself**

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

**Dramatic Improvement Within One Week**

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

**U.S. Patent Office Awards Patent**

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

Invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

**30 Day Money Back Guarantee**

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

**For Men and Women**

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

# SACRED MAGIC

**NOT OF THE DEVIL — BASED ON GOD'S WORD**

## THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- ( ) Do I want peace, joy, love and prosperity to fill my life completely?
- ( ) Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- ( ) Do I desire to help others overcome their problems through and by the great magical power I gain?
- ( ) Do I want total control of all situations which manifest in my life?
- ( ) Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you...Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

INTRODUCTION BY JOHN A. KEEL

# AMAZING REVELATIONS NEVER BEFORE REVEALED THE OCCULT'S MOST POPULAR WRITER TELLS OF HIS FANTASTIC VOYAGE TO ANOTHER PLANET

Several decades ago, a London publisher brought out what they thought was a very good occult book. Never did they, nor the New York publishers, suspect that this volume called THE THIRD EYE would suddenly capture the imagination of two nations as the general public read the most fascinating book on the magic and mystery of Tibet ever published.

The book was said to be autobiographical and told the strange and inspiring story of a Tibetan monk who had progressed from neophyte to lamahood, and had eventually attained a certain occult faculty which comprised the title of the book.

Those who read the book from cover to cover were intrigued by the subject matter but couldn't help wondering how an easterner could have mastered the English language so vivaciously.

The reason was soon to come in the furor over the book which took place when some Tibetan scholars challenged the authenticity of THE THIRD EYE, as well as its author, T. Lobsang Rampa. There were even rumors that he was not a Tibetan and had never lived in Tibet!

Then, Rampa's side of the story was revealed. No, he had indeed never been to Tibet, in his present body. The spirit of a Tibetan lama had, he said, entered his body under unusual circumstances. Rampa, however, insisted that the story he told was absolutely true and that the information in his book was totally factual. He insisted that he now occupied the body of a western man, and now occupied it to the permanent and total exclusion of the former occupant.

### THE FIRST "WALK-IN"

Rampa, in essence, became one of the first to talk of themselves in terms of being a "Walk-in." The lama stated his purpose in entering the body of the westerner thusly: "I had a special task to do because during my life in Tibet I had been in the Chang Tang Highlands where I had seen a device which enables people to view the human aura. I am clairvoyant and can see the aura as I have demonstrated to many people at many times. But I knew it was not possible for me to come to England in the body which I then had. I tried but to no avail."

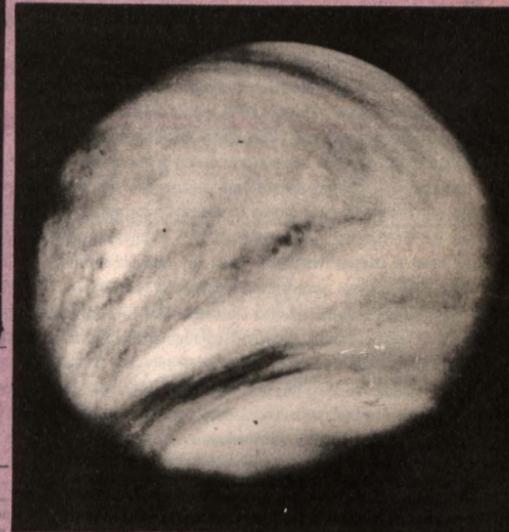

The change in Rampa's personality and character came about slowly, until one day while sitting quietly for some time speaking with his wife, he announced that he was going to change his name. Rampa's western wife noted that her husband would spend a great deal of time talking about the east and on occasions he did in fact wear eastern dress. "He often seemed to be very preoccupied in his manner, and I have known him to fall into a trance state and speak in an unfamiliar tongue which I now believe to be a language of the east." Eventually, the man who now claimed to be Rampa gave up his regular job and took to writing about his mysterious life in Tibet.

### TRIP TO ANOTHER PLANET

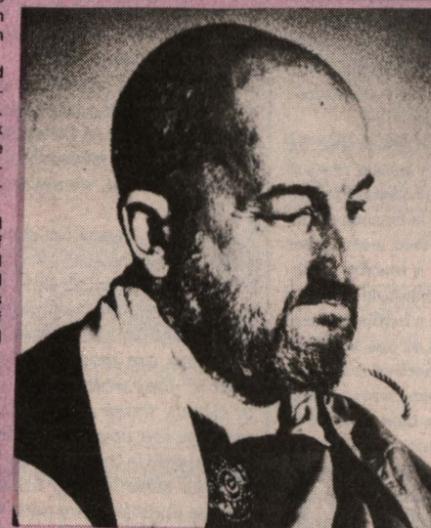

And while most so-called "scholars" who read his early works were highly skeptical of his claims, little by little there were those who were not frightened to come forward and say that what T. Lobsang Rampa wrote was highly accurate. These even included members of Tibetan orders operating in the United States.

In his popular books Rampa wrote about such intriguing topics as levitation, teleportation, a race of beings who live inside the earth, telepathy, x-ray vision and much, much more that was thought to be forbidden knowledge. Rampa was a highly advanced spiritual being who was possessed of an uncanny knowledge that he was willing to pass on to the outside world who had always found Tibet culture to be so foreign and mysterious.

**DID T. LOBSANG  
RAMPA  
REALLY VISIT  
VENUS?**

During his life, the ever popular T. Lobsang Rampa spoke of many mystical experiences which had taken place while he was head of the highest secret spiritual order in Tibet. Nowhere, however, in all his writings did he dare mention the most incredible episode of his lengthy career as a Tibetan Lama.

### SPECIAL RAMPA MEDITATION TAPE

Over the years many of those who have read Rampa's various books have written letters saying that they would like to be given the opportunity to study with the lama and learn more of his secrets. Unfortunately, Rampa never offered any in person training. He did, however, put together a short thirty minute meditation which was circulated only to his "inner circle," but which is now being made available to serious students of New Age subjects. This tape is highly useful in assisting the listener in his or her own psychic and spiritual development. He leads the student into an altered state of awareness which will be of benefit to their lives. To receive your tape, check the appropriate portion of the coupon below.

But one of the things that Rampa seemed somewhat reluctant to write about was his experiences with UFOs and visitors from other planets. For the most part the lama kept the subject of flying saucers and space travel out of his books, evidently afraid that these accounts might not be believed even among his most devoted followers. Some of his writings on the subject had been published by small UFO and New Age groups in privately circulated mimeographed editions.

Public awareness of the UFO phenomena, however, has come a long way since those days and after his recent passing Rampa's works on the subject were gathered and it was decided to issue a work that would include all his experiences and findings on this important subject. For not only did Rampa claim to have been inside a space craft, but he maintained up till the day that he died that he had actually met benevolent beings from another planet and actually traveled to their world in space.

MY VISIT TO VENUS offers genuine insights into an alien culture, how they live, what they believe, why they are coming to Earth, and how they would like to help the human race. You will find out what they look like, how they communicate among themselves, what their feelings are about religion, and a great deal more.

Some readers will feel that the lama's voyage was a physical experience, others will suggest that he went to another planet while astral projecting. But all will have to admit that there is great sincerity and truth in this tale. Some will be shocked by these revelations. They will say that it did not happen. Only the reader can truly be the final judge.

—Something is making them and one kind may be dangerous.

By Don Worley

In the North Queensland area of Australia banana farmer George Pedy watched a saucer-shaped craft in broad daylight as it arose from Housshos Lagoon. His tractor began to miss as the silver object slowly came up 26 yards ahead of him, paused, then zipped away to the southwest. A still swirling circular area of flattened water reeds remained behind. These had been sucked up from the bottom of the lagoon. George Pedy was one of the few persons in our world who had witnessed the creation of a mystery circle. I have cited this little episode as a representative example of the probably hundreds of thousands of world wide instances in which the mystery circles appear on our earth. About half the mystery circles exhibit the burn effect and a large majority can be associated with UFOs.

The American west and midwest has seen something more added to the phenomena of the circles. Darwood Marshall, whose ranch is about 6 miles south of Whiteface in Cochran County Texas, found a heifer laying in the middle of a perfectly round, 30 foot, burned circle in his wheat field. The bottom jaw was cut back and the tongue was gone. The sex organs had been excised and were nowhere to be seen. No blood was visible anywhere. At a second site a quarter of a mile away, Marshall and the sheriff's forces examined a steer in the same condition in another 30 foot circle. Personnel from Reese AFB came out, checked for radiation, and found a small amount of above background radiation. People reporting the object seen in the area all told the same story. The craft was circular, about as wide as a two lane highway, and looked like the color of the sun when it sets.

I learned of yet another type of event involving circles when visiting at a local funeral parlor. Some things come to light only by the merest of chance. It was around 3 AM and Howard Green, of Waterloo, Indiana, was enroute to his bathroom. He glanced out his upstairs hallway window and there in his soybean field, about 75 feet away, was a red light about the size of an auto headlight. Under a nearby dusk-to-dawn light he also saw a great upright form moving toward the light with a forward swaying motion. The red light became a brilliant magnesium white then vanished. The giant form vanished at the same instant. I arrived at the site several weeks later and observed a 30 foot circular area of browned soybeans. Footprints, radiation, and residual magnetic deviation evidence were out of the question due to days of rain the previous week. It was in this area that a giant, dark brown hairy, red-orange eyed ape-like entity had appeared in a cornfield.

There is another type of circle that is global in distribution, but of late seems to favor England. In 1967 some 70 of these kind occurred there with 38 in Wiltshire alone. Usually these circles in field vegetation are about 30 feet in diameter, and so far as I have heard, swirl about in a counterclockwise direction. There may be a ring of untouched vegetation outside the circle then another band of flattened vegetation. Some may have smaller circles directionally beyond the ring. English scientist Archibald Roy has said, "The circles are so geometrically precise that they could not have been made by anything like a natural whirlwind."

On Oct. 22, 1967, a top secret British Harrier GR5 jump jet passed near a U.S. military transport off the south coast of Ireland. The Harrier had lost contact with its base at Bescombe Down Airfield, Salisbury, England. The astonished Americans reported that the jet had no canopy and the pilot was missing. The Americans took up the chase and watched the jet plunge into the sea 410 miles away. The next day a gamekeeper happened on the body of pilot Humphrey T. Scott in a field near Winterbourne Stoke in Wiltshire.

Investigators were totally mystified by this series of events. The pilot had not ejected. His secondary chute and dinghy were in a field overlooking this field. His main chute was a short distance away near famous Stonehenge. Just two months before four strange circles had appeared in the field where the body was found. It was determined that the aircraft had changed course in the airspace over this field, and the pilot was somehow removed from his aircraft.

In June of 1988, in an investigation coordinated by Colin Andrews, senior engineer with Hampshire Test Valley Borough Council, a group

of 16 scientists attempted to solve this haunting riddle of the circles. At a secret location in Wiltshire they assembled an impressive array of sophisticated equipment. The location was monitored every 4 hours for 10 weeks. Quite naturally no results were divulged. Other aircraft have met disaster over circle fields. In the "riddle of the circles" it is apparent one kind can be dangerous and, as usual, governments are very concerned.

## SUPER CHILDREN

Continued from Page 17

Notice the parables of Jesus in Matt. 13. Many assume that Jesus taught in parables to clarify his meaning, yet the entire chapter shows that Jesus was deliberately obscuring the meaning so that the masses would not understand!

Jesus gave to parables of the sower. One concerned the "wheat and tares." According to Jesus, there was *no way* of telling the difference between wheat and tares until the harvest or judgement. They grew up side by side, with no discernible difference, until the time of harvest, when they "bore fruit".

Notice Jesus' explanation of these parables in Matt. 13:37-38: "... He that soweth the good seed is the son of man; the field is the world, the good seed are the children of the kingdom, but the tares are the children of the wicked one..."

Taken literally, we see that the "special children" were actually placed here!

Yet these "seed" of Abraham were not the nation of Israel. Isaac was the beginning of Abraham's inheritance, but Isaac was literally born of YHVH! According to Paul, so are all true Christians! In Romans 9, Paul shows quite clearly that the Jews are not the inheritors of the promise to Abraham. Verse 7: "Neither, because they are the seed of Abraham, are they all children, but in Isaac shall thy seed be called. That is, they which are the children of the flesh (the physical nation of Israel), these are not the children of God, but the children of the promise are counted for the seed [of God]!"

And what is that promise? We see the apostle Paul, in verse 7, quotes YHVH's statement to Abraham. "In Isaac shall thy seed be called". All true Christians are born through the promise of Isaac. Am I mistaken about this? Look at verse 9, same chapter as above: "For this is the word or promise. At this time will I come, and Sarah shall have a son."

No doubt about it! There is simply no way around it! These special children are called the "elect" throughout the Bible. They are literally placed here alongside "regular" humans, waiting for a "revealing", as Peter says in 1 Peter 1:5: "... ready to be revealed in the last time..."

Even Jesus told Nicodemus that all Christians must be "born again". Yet this is a slight misstatement. Jesus used the words in Greek, "gennaō" which means to be born, but he also used the word translated "anōthen", which means from above in other words, you can't inherit the kingdom unless you are born from above!

The implications of the above is staggering. If it is true, then our entire interpretations of religious reality are due for massive overhauling, with the resulting philosophical implications shattering as well. Our most basic assumptions are called into question. Our very identity is questioned. And yet, do we dare not look into this? Do we willingly hide our heads in the comforting sands of tradition? Do we have the courage to step out and look for ourselves? It must be remembered that every advance in natural knowledge has involved the rejection of "authority". Galileo did it. Even Jesus did it. Is not the pursuit of truth often times frightening? Is it not true that only a courageous few will ever dare to look behind the curtain of doubt and deception to find the truth? Even Jesus taught "straight is the way and narrow is the path, and few there be that find it..."

I wondered why the Lord had set me there; I could feel His presence by the Holy Spirit. It was impressed on me it was a time of MOMENTOUS EVENTS. Then the whole country TREMBLED..." Documented evidence now in the hands of researchers prove conclusively that entire underground cities have been constructed beneath the lunar surface. **DANGER ON THE MOON** asks—and answers—these shocking questions:  
• Will space beings prevent us from colonizing the surface of other planets?  
• Is there a war going on in our solar system that is being played out very close to the earth?

# REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

**NEW**

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have a limited supply and now you can own your own. Comes complete with sturdy chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

Crystal, chain and special channeling sent by first class mail for extra protection. Total price \$17.50 Send now to:

**DATA BEAMED DOWN INTO TINY CRYSTAL**  
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal, smaller than a sugar cube.  
The system, which is still in the research stage, uses lasers to permanently imprint images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.  
The company said the system theoretically could store a trillion bits of information in a cubic centimeter of the crystal.
