## 50 SPEAKERS & A FREE WORKSHOP IN PHOENIX

When the doors open at 2:00 PM on Friday, September 18th, at the Holiday Inn in Phoenix/Mesa, we expect to attract the largest crowd ever for the 4th Annual National New Age and Alien Agenda Conference (which will run through all day Monday and end at midnight when William Cooper leaves the stage and the microphone goes dead for the last time).

Being that Phoenix is such a beautiful city with beautiful weather and picturesque surroundings, we always manage to draw UFO and New Age believers from all over the Southwest, as well as other parts of the States and into Canada and even Europe (a whole group flies in from Germany and Scandinavia each time we put on our program). This time, we've outdone ourselves with such great speakers as John Lear, Christa Tilton, Dr. Fred Bell, William Hamilton, Al Bielek (a survivor of the Philadelphia Experiment), Jim Moseley, Vladimir Terziyski, Larry Warren, and a host of others too darn numerous to mention.

We've even thrown in a FREE session on Saturday afternoon to wet your appetite and a FREE workshop on Monday, given by Claudia Sanderson of UFO Contact Center International. Unlike other UFOlogical/New Age events, we try not to be overly "stuffy" about what we do, managing to enjoy ourselves, our fellow newly-found friends, and still be enlightened at the same time.

And for those of you who don't live locally, but would like to attend, please be on notice that the Holiday Inn in Mesa is very easy to find (they even offer free shuttle service from the Phoenix Airport, which is only 10 miles away). Furthermore, the rooms are quite large and are available for just \$39.00 per night. There is even an out-

Claudia Sanderson will give a FREE Workshop at 3 PM on Monday, Sept. 21 at the 4th Annual National New Age & Alien Agenda Conference in Phoenix. An Associate Director of UFO Conference Center International, Claudia's presentation will be entitled: "Life Enhancement After Abduction Trauma—Explanation of Hypnosis Benefits and Counseling Session for Abductees." You do not have to be registered at the Conference to attend. The workshop is open to all as space allows.

door/indoor pool, a piano bar and a very economical restaurant. This year you will even be able to charge your tickets to Visa or MasterCard by calling either our Phoenix (602-230-5381) or New Jersey (908-602-3407) 24 hour hotlines and leave your name, billing address, credit card number and the card's expiration date. Of course you can continue to mail in your reservations or buy a single session ticket at the door.

As you can tell by thumbing through this issue, we have really been busy publishing some very exciting books in the last couple of months. **PROPHECIES OF THE PRESIDENTS** is of particular interest, since this is an election year, and for those who are into channeled messages, **THE SPACE GODS SPEAK**, transmitted through the Ashtar Command, should be a most welcome addition to your New Age library. Also, Christa Tilton has given us permission to put out a special edition of her monograph, **THE BENNEWITZ PAPERS**, which is as intriguing as any UFO case you'll ever come across, complete with secret agents, underground bases, aliens conducting genetic experiments, military harassment of the primary witness, and much, much more.

We hope this issue finds you feeling wonderful and your close encounters all positive ones.

Political Theorist  
 and Futurist  
*Michael Lindemann*  
 Exposes:

# UFOs and The New World Order

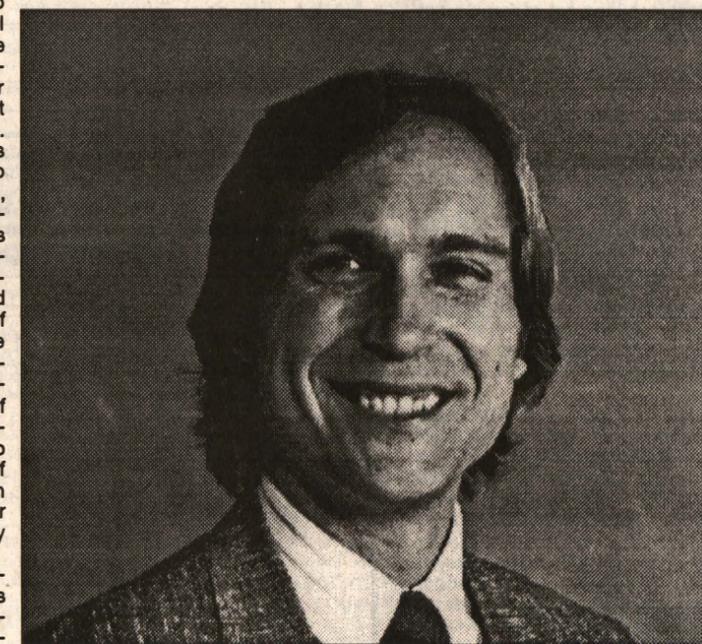

Up until several years ago, Michael Lindemann had managed to live in blissful ignorance of UFOs. A political theorist, futurist and social analyst, the personable Lindemann was like many of us who "try to pay our bills, try to raise families, and try to figure out if a vote even matters." All his ideas and beliefs about the structure of the world's power system began to crumble even further when a friend "suggested to me that perhaps UFOs played a role in U.S. weapons policy. This was," notes Lindemann "an extraordinary idea to me. I decided I could look into that, because weapons policy was a subject I knew quite a bit about. But as soon as I took even a cursory interest in UFOs, I found to my amazement a vast body of data that had been assembled by hundreds of dedicated people. These people have gotten mostly grief for their efforts, risking ridicule, official harassment, loss of social standing, loss of jobs, friends, even spouses for doing work that they felt they must do on this subject. The net result of their work is a huge literature on UFOs and human-alien encounter which gets bigger and better literally every day."

Over the course of his own research into the matter, Michael has come to realize that "an alien presence on the earth is being selectively revealed to the public with the blessing and sometimes direct involvement of government authorities; and that this selective revelation process is occurring for two main reasons, both of which have important implications for the future.

The first reason is that the evidence itself is now so voluminous and widely perceived into the public sector that official strategies for suppressing it have been superseded by a new priority: to nuance or "spin" the facts of the alien presence for political advantage, in order to recapture control over the pace and direction of alien revelations which the government might otherwise lose in the cascade of unauthorized and unanticipated revelations now occurring. At issue is the maintenance of

social order in the face of potentially disruptive new realities.

"The second reason overlays the first: the architects of the New World Order—a group of individuals I will refer to as 'the Olympians'—understand that our world is careening toward environmental and economic catastrophe. Their intention is to chart a course through a time of tremendous upheaval during which millions or even billions of people might die, and to emerge from that time still in power and with greatly enhanced prospects for an "ideal" society of their own design. Their ability to succeed in this strategy will depend on controlling the perceptions and behavior of the citizens of the most-developed nations. To do this, they will rely—as leaders always have—on the organizing potential of a terrible enemy. The enemy, I propose, will be alien. The threat might be entirely illusory, but it could be very persuasively presented."

Futurist and political theorist Michael Lindemann had no interest in UFOs until he read the comments of a former CIA operative.

Lindemann says that though a lot of information is just now beginning to surface, those in "high policy making places"—those whom he identifies as the "Olympians"—have realized since at least the late 1940s, the tremendous impact an alien culture might have on our own civilization and have thus "made it a point to keep us in the dark. They feel, it seems, that we mere mortals can't be trusted to handle the shocking truth of the matter."

One of the individuals Lindemann points to in order to back up his contention is a man named Victor Marchetti, who is one of the highest-ranking CIA officials ever to bolt from the agency. In an article titled, "How the CIA Views the UFO Phenomenon," Marchetti theorized that "the purpose of the international conspiracy [to hide the facts about UFOs] is to maintain a workable stability among the nations of the world and for them, in turn, to retain control over their respective populations...For those governments to admit that there are beings from outer space...with mentalities and technological capabilities obviously far superior to ours, could...erode the founda-

tions of earth's traditional power structure. Political and legal systems, religions, economic and social institutions could all soon become meaningless in the minds of the public. The national oligarchical establishments, even civilization as we now know it, could collapse into anarchy. Such extreme conclusions are not necessarily valid," he added, "but they probably...reflect the fears of the 'ruling classes' of the major nations, whose leaders...have always advocated excessive government secrecy as being necessary to preserve 'national security.'"

According to Lindemann the "Olympians" are extremely shrewd and know exactly what they are doing. They have, he maintains, a program and that program is the New World Order that breaks down into a one-world governmental system under which we will all become even more manipulated than we find ourselves today.

"Let us briefly review," asks Lindemann, "some features of the state of our world, which will prove very relevant to our discussion. We live today in a world that is in extreme crisis. Day to day, we are strongly encouraged by our vulgar, insipid, high-velocity culture to ignore the fact that we are in an extreme crisis, so let me remind you of a few simple things.

"Population is growing at an explosive rate. Every second of the day, day in and day out, there are three new people on earth. Every second, three new people—this is the net increase, taking account of the people who die. An estimated 95 million new people will be added to the world population this year alone. At the same time, every three seconds, a child dies of starvation. Twenty-six thousand children each day, nine million a year are starving to death—and starvation is a needless, senseless and horrible way to die. Worldwide, over 15% of all human deaths are children dying of hunger-related causes; and in Africa today, over 15% of all newborn children are doomed to die of hunger-related causes before reaching five years of age. Bad as these figures are, however, they are bound to get much worse.

"But our government strongly, strenuously resists rational means of curbing population growth. By this I do not mean to take a position on abortion. There are methods of reducing unwanted childbirths that do no violence to unborn children, no violence to mothers, no violence to cultures. For example, raising literacy and per capita income in developing countries automatically helps to curb population growth. We know this, yet we refuse to take the needed steps.

"Meanwhile, with all those starving children, food aid is declining around the world. Somalia is only the latest in a long list of famine hot-spots. As these words are written, tens of thousands of people in Somalia are in immediate risk of starvation. Food aid has been greatly hampered by civil war; experts estimate that they have only ten percent of what they need.

"Another problem of crisis proportions involves carbon emissions from the burning of fossil fuels. We drive our cars, we run our factories and power plants; and 188 tons per second of carbon goes into the air. That's why we have global warming, which threatens to modify weather patterns and even coastlines all over the world during the coming century, putting hundreds of millions of lives at risk. The United States produces about 25% of all carbon emissions. But George Bush, who calls himself the "environmental president, single-handedly forced other world leaders to abandon proposed target dates for stabilizing carbon emissions in a new treaty prepared for the United Nations Conference on Environment and Development in Rio de Janeiro during June of 1992. In the words of Senator Albert Gore, "When the world leaders were ready to take real action to protect their people and their countries, George Bush forced them to give up."

"Meanwhile, though our enemies are disappearing, and in particular our Cold War foe the Soviet Union has ceased to exist as a realistic enemy, our defense spending continues at the breakneck rate of \$9,200 per second. The Strategic Defense Initiative, SDI, the two trillion dollar weapon system that has no discernible military mission, has been singled out repeatedly by our president as something that demands ongoing support. There are important reasons for this.

"The Olympians know many things that we don't know, and they've made it a point to keep us in the dark. Certainly one of their most carefully-guarded secrets is this: Aliens are here. The Olympians have determined that this is such a scary thought—even if the aliens are OK—that mere mortals like you and me can't be trusted to handle it."

And so why, you might ask, are the "Olympians" so interested in what is happening around the world today? Lindemann has a well-thought-out explanation: "They fully realize we are on the verge of what I call an 'historical discontinuity,' and we have been at that brink since at least 1945. What I mean by 'historical discontinuity' is an event or set of events past which we cannot predict what happens next. Today we live in a world which has been essentially continuous for thousands of years. If you look back across the flow of history, you can say that on almost any given day, you could reasonably predict the general features you might find on the day after. But when you get to an historical discontinuity, you can't say that any more. Needless to say, those things don't happen very often. If there's actually been such a discontinuity in recorded human history, it would have to be what we call the Flood. Frankly, I don't know if the Flood ever occurred—but it would take that kind of an event."

These same Olympians are quite concerned now about UFOs because they see the subject as "the tip of an enormous iceberg that could capsize their plans for the New World Order, unless they manage to control both public access and public reaction to UFO information."

As to specifically who these Olympians are, Lindemann says they are not just your everyday run-of-the-mill politician: "I define them as fol-

## CONFIDENTIAL MONOGRAPH FOR YOUR EYES ONLY THE BENNEWITZ PAPERS

This special report concerns the highly classified case of research scientist Paul Bennewitz, who was repeatedly harassed and intimidated by the military after providing government investigators with proof that he'd established contact with aliens on his radio and TV, as well as taken 2600 feet of motion picture film depicting UFOs maneuvering near the ground inside Kirtland Air Force Base.

by Tim Beckley

Several years ago, Paul Bennewitz (President and Chief CEO of Thunder Scientific Corp.) found himself the center of a grand puzzle involving UFOs, aliens, genetic experiments, animal mutilations, underground bases, as well as a host of other perplexing mysteries. These unsolved mysteries were to change the course of his otherwise very stable life and make him the target for harassment on the part of the military because he came to know too much about flying saucers and the government's cover-up of the truth concerning space visitors.

It all began when Bennewitz observed—and captured on film—a formation of UFOs flying over the Manzano Weapons Storage Area and the Coyote Canyon Test Site (where nuclear materials are stored), all part of the Kirtland Air Force Base facilities in Albuquerque, New Mexico. According to documents released under the Freedom of Information Act, Bennewitz saw "four saucer-shaped objects lined up behind the outside fence (of the base). A black spot and big blue halo appeared, establishing their force field. There was a flash under each one as they jumped off the ground in sync, 300-400 feet, turned right and were gone to the south."

### ALIENS ON VIDEO

Being a loyal American, Bennewitz arranged a meeting with high-ranking officials at Kirtland and offered to share his findings with them. He told Air Force in-

vestigators that beside the movie footage and personal observations, he had also seen the aliens on a video screen and described them as green and about four feet tall and "strong like bastards."

Through first-hand investigations, Bennewitz had gone so far as to discover the location of an underground alien base located inside an isolated mesa near Dulce, New Mexico. He had even spoken to a woman who was kidnapped by aliens after she and her son had witnessed the aliens mutilating a cow. The two were taken inside the Dulce base where they observed horrifying experiments in which organs and blood were being removed from animals to create a new race of humanoids through "gene splicing."

According to official—never before released classified documents—that have been compiled for this report by its author Christa Tilton, the Air Force was well aware of what was taking place at Kirtland.

Three security police watched as a brightly lit object hovered above a Defense Restricted Test Range.

The very next day a guard saw a disk-shaped object on the ground. He tried to radio for backup, but his equipment failed and as he raised his weapon in defense, the object flew up at incredible speed.

Shortly thereafter, a five-hour blackout occurred at Kirtland causing all radar as well as other sensitive equipment to malfunction. The military lists the occurrence as unsolved and

admits that "the presence of hostile intelligence jamming cannot be ruled out."

### SILENCED BY MILITARY

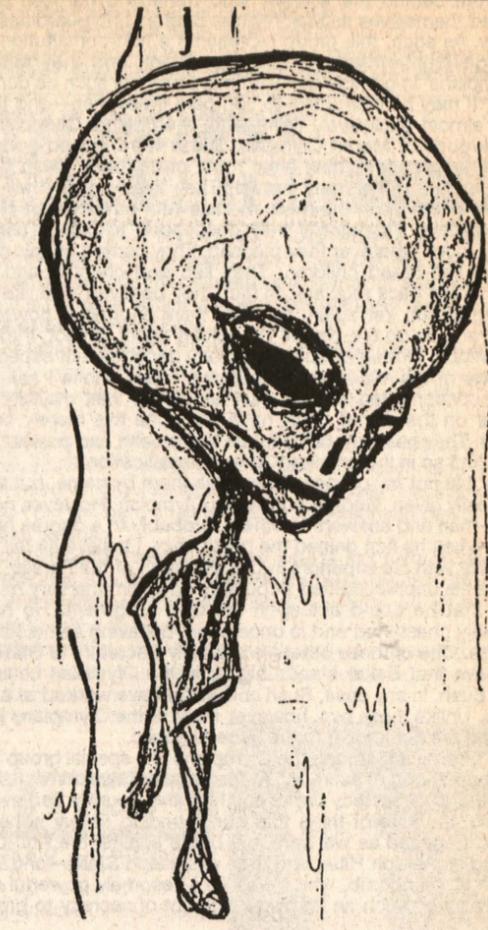

Following his disclosure to the military, Bennewitz reported "horrid people following him, breaking into his home to install wire taps, Air Force men showing up on his doorstep at all hours and then he began telling me an even more bizarre story. he felt," says the author of this stunning report, "he was being drugged and was convinced aliens were coming into his home and sticking him with needles. He became a frightened man. He also felt like the government was possibly behind some of these happenings."

Now in *The Bennewitz Papers*, you can read the full account of the silencing of this research scientist and how the government may actually be cooperating with hostile aliens in the ultimate deception of all time. Some of the subjects covered include:

- The mysterious OSI agent Richard Doty—did he secretly release disinformation on cases of crashed UFOs and other important documents?

- What are the possible identities of the secret group within the military known as the "Aviary" who are trying to get the truth out, while going against official policy?

- Why is it necessary to interrogate and hypnotize witnesses *only* in certain locations using specific security measures, and what these exact measures consist of.

Alien going through genetic breeding process.

- The operation of Bennewitz's "Computer Thought Communications Link."
- Understanding Alien Psychology, what their culture is, how it communicates or expresses itself, its emotion, and its level of thinking.
- The various levels of alien society identified for the first time.
- Why, in most cases, ETs cannot be photographed.
- The meaning of symbols observed on UFOs.
- Do the aliens want to bring spiritual enlightenment for us all, or enslave the human race?
- Weaponry to be used against aliens. How they "cloak" themselves.
- What specific substances they are looking for on Earth.
- The truth about genetic breeding and cloning (with eyewitness drawings).
- Photos of the entranceways to the underground Dulce Base, and much, much, more!

lows: an elite group, mainly non-elected, who guide the evolution of policy from behind the scenes, who transcend partisan politics and regarded themselves as the only true crafters and guardians of geopolitical reality. As such, this group represents a non-constitutional cabal or secret government within our government, and they fancy themselves 'Olympians' in comparison with mere mortals such as ourselves.

"It may be instructive to compare these men—and they are, by the way, almost exclusively men—with the original Olympians, the ancient Greek gods of Mount Olympus. These were indeed gods, but in a distinctly lesser sense than what most of us today mean by God. In fact, they were a rather ratty crowd. They lived up on their mountain and looked down upon the mere mortals with a mixture of pity, amusement and disdain. Periodically they descended to pillage and rape and do pretty much whatever they pleased. They carried off fair damsels and fathered half-breed children. They lied and cheated and stabbed each other in the back regularly. In fact, they behaved a lot like the people I'm talking about. Yet again, they did have enormous power and prerogatives; and so do the people I'm talking about. In fact, through a series of remarkable strategies spanning many decades, but especially during the decade of the 1980s and continuing today, those I call the Olympians have concentrated in their own hands the vast majority of wealth and power on the planet. They have not done this merely out of insatiable greed. They have big plans for all that wealth and power."

And so is the president in this classification?

"It is not my purpose to expose them by name, but a few examples are easily given. George Bush is an Olympian. However, he operates as a point-man and answers to others, probably to a degree he did not anticipate when he first gained the presidency. I believe he fell somewhat into disfavor with his superiors in the aftermath of the Persian Gulf "war," because his unprecedented popularity gave him the very mistaken impression that he could act upon his own judgment. He has since been severely chastened and is once again behaving as his fellow Olympians require. One of these others is certainly Secretary of State James Baker. I believe that Baker stands higher in the Olympian chain of command than Bush. In any case, Bush and Baker have worked as a team for many years. Unlike these two, however, most of the Olympians keep a low profile and are not known to the general public.

"Prominent among the Olympians is a special group I will refer to as the "priesthood of secrecy." At the outset of World War II, there evolved a priesthood of secrecy unlike anything this country had ever seen before; indeed, the kind of thing that our Founding Father hoped would never occur. Engaged as we were in a battle against the Anti-Christ, first disguised as Adolph Hitler and then as Joseph Stalin—and with the advent of the atomic bomb, which was so awesomely powerful and dangerous and required such an immense amount of secrecy to bring it into being

and then to guard it—we developed the beginnings of what is now called the National Security State, and all of the national security apparatus that goes with it. In 1947, the National Security Act established the basis for the CIA and all the other alphabet-soup agencies that have come since: the National Security Agency (NSA), the Defense Intelligence Agency (DIA), the National Reconnaissance Office (NRO), the Defense Advanced Research Projects Agency (DARPA), as well as the specialized intelligence divisions of the several armed services, notably the Office of Naval Intelligence (ONI) and the Air Force Office of Special Investigations (AFOSI)—all of which add up to an immense priesthood of secrecy.

"These people are not answerable to you and me. They are funded to the tune of tens of billions of dollars each year, and they don't have to tell even your elected representatives what they're doing. They're using your money. They're also using money gained by various illicit means, including illegal arms trading and the importance of heroin and cocaine."

At this point in our history, it might be seen as a life and death struggle for the minds and souls of humankind being played out on both a psychic and physical battlefield. This confrontation started, notes Lindemann, "during World War II, when it became obvious to the priesthood of secrecy, the Olympians, that we did indeed have an alien presence on this planet. Suddenly, the Olympians were faced with a brand new, unconsidered social problem; and a bit of covert study on the part of the new social scientists, at the behest of Harry Truman and Dwight Eisenhower, quickly indicated that the American public could not handle this information. The majority of scientists found it incomprehensible and reacted with indignant denial; and the religious leadership tended to see it as the work of Satan and a sign of the end-time. So, from the beginning, the fact of the alien presence loomed as something that could not be divulged without fear of social disruption.

"Nonetheless, various sources of documentation suggest that as far back as the early 1950s, some members of the priesthood of secrecy might already have made direct contact with some of the aliens known to be present on the earth. Though our evidence for this falls far short of proof, it does not offer an extraordinary possibility that I believe demands serious attention."

Lindemann now gives this subject his undivided attention, speaking and writing on the New World Order and this secret plot by the Olympians. Those wishing to meet him in person may do so when he makes an appearance at the 4th Annual National New Age and Alien Agenda Conference, September 18-21 at the Holiday Inn Mesa/Phoenix. Those wishing to order copies of his monographs and books (much of this material was taken from a recently released publication titled *UFOs and The New World Order*) may contact him through The 2020 Group, 3463 State Street, #264, Santa Barbara, California 93105.

## COME MEET THESE OUTSTANDING NEW AGE TEACHERS AT THE 4TH ANNUAL NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE IN PHOENIX/MESA

### LYSSA ROYAL AND KEITH PRIEST EXPLORING THE "VISITORS FROM WITHIN"

LECTURE: SATURDAY 2 PM SESSION—WORKSHOP: SUNDAY 3 PM

Lyssa Royal began experiencing paranormal phenomena at a very young age. Therefore, the idea of telepathy, precognition, and spirit communication was an experience she believed was normal for every person. In 1979 she had her first conscious, physical UFO experience, which was also witnessed by members of her family. The events of her life then began to accelerate at a rapid pace.

While attending college in New England, she became intensely interested in hypnosis and began studying the process, using herself as a test subject. Soon she developed the ability to put herself in a meditative or trancelike state for the purpose of stress management. These explorations continued until she received her Bachelor's Degree in psychology in 1983.

Shortly after graduation, she moved to Los Angeles, where she was introduced to various teachings from well-respected trance mediums. UFO experiences increased, including a clear daylight observation of five spacecraft, which was confirmed by numerous sources. All of these experiences eventually culminated in a powerful prophetic dream in which she was told, "You will be a channel." After the dream she began receiving telepathic communication from various unseen sources.

For one year Lyssa studied channeling with a highly respected trance medium, who taught her not only the channeling process from an integrated point of view, but also how to teach others that same process. The philosophy she was exposed to focuses on using channeling as a tool for personal growth. Lyssa shows this perspective with those to whom she teaches the channeling process.

Through she brings through much extraterrestrial information, the integrity and practical application of what she imparts is of utmost priority to Lyssa. Whether channeling on issues of galactic, global, or personal interest, her goal is to assist others in tapping their own inner wisdom and reaching greater self-empowerment.

### JERRY WILLS

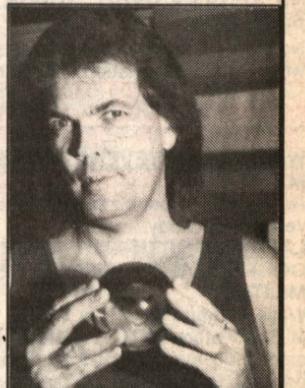

#### Tapping The Power of the Pleiadian Crystal

LECTURE: SATURDAY 7 PM SESSION—WORKSHOP: SUNDAY 12:30 PM

Many of those who have the opportunity to hear Walk-in Jerry Wills speak and then pick up the vibrations from the crystal ball he holds in his hand, will testify that no power on Earth could possibly be responsible for the energy emanating from this cosmically attuned globe.

Jerry maintains he was given the crystal by beings from a far distant star system for an important reason—to prove that we are not alone in the universe, and it is time to "come together" with our neighbors in space and to work for the betterment of our entire world. "There are many changes coming about today, and we will soon find ourselves face-to-face with events we may not know how to handle." Jerry has had numerous contacts with UFO beings and says that he actually entered into an earthly body after his spaceship crash-landed many years ago.

Here is a lecture and workshop you should not miss if you are interested in the message our Space Brother friends are trying to bring to a troubled planet.

### LEAH STANSELL

#### Journey Toward Wholeness

LECTURE: SAT. 2 PM SESSION—  
WORKSHOP: SUN. 5:30 PM

"The Guardians are our links with God and with the inner self," says Leah Stansell who is sometimes referred to as a "cosmic traveler" because of her belief that she is of alien origin. Much of the material this Clace, West Virginia woman presents is information derived from extraterrestrial and interdimensional sources. "They can't make us do the right things, but they can help us see paths in our life a whole lot more clearly by helping us block out all the negative vibrations, feelings and materialism." A gifted sensitive, Leah's Guardians who she receives assistance from include: Archangel Michael; Anton, Facilitator of Andromeda Council; Dr. Tiel, Psychologist; Josh, Record Keeper, Akashic Records.

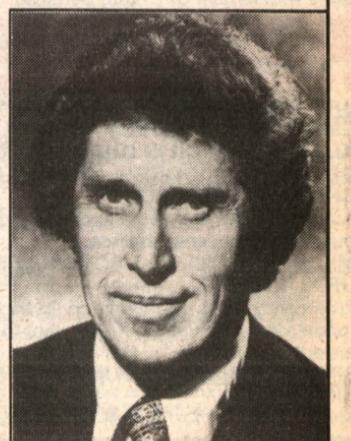

### SPECIAL GUEST APPEARANCE BY "MICHAEL"

#### Are You Scheduled For A UFO Evacuation Pick Up?

LECTURE: SAT. 7 PM SESSION—  
WORKSHOP: SUN. 8 PM

"I have hardly scratched the surface of what I have to do, and will yet do in this lifetime," says noted New Age teacher "Michael," whose self-improvement books include *Finding Your Soulmate*, *Success Formula* and *Miracle Cures*. In his work Michael unravels the true definition of God, reaction and Man. He is a channel and contactee who reaches the true working science of COSMOS and MAN. Michael says who will soon be experiencing a "UFO Evacuation Pick Up" and he will let the audience know the criteria used by aliens in their pick up procedure, including the "three waves of pick ups, the sorting out processes and the final destination."

## TESLA MAN OF MYSTERY THE UNTOLD STORY!

- WAS HE A WIZARD? DID HE COME FROM ANOTHER PLANET?
- WAS HE A TRAVELER FROM THE FAR FUTURE?

Though chosen to share the 1912 Nobel Prize in Physics with Edison, Nikola Tesla refused the award and during his life tore up royalty contracts that would have earned him millions of dollars. Tesla held more than 1200 patents and yet he is one of the most mysterious men who ever lived. Though he is not mentioned in most textbooks and is virtually unknown to most Americans, Tesla actually discovered Alternating Current, produced the first electric motor, invented the radio (he preceded Marconi by several years), and the arc light, broadcasted the first television signals, and even created an earthquake that virtually rocked Manhattan in 1896. The device that shook buildings and shattered windows for miles was an apparatus so small it could be placed in a person's pocket. Later, before his passing, Tesla stated that this device was so powerful it could prevent a Third World War.

Not very much is known about this "strange loner," as Tesla spent most of his life in total seclusion. However, those who did know him even slightly say he was not a normal human, but a real SUPERMAN, either a reincarnated master—or a spaceman with superior mental powers placed here to

# PLAYING THE DEADLY UFO CONSPIRACY GAME

They'll be coming to Phoenix to give their side of the story.

Either from first-hand experience or from something they accidentally stumbled upon while reviewing classified documents, each and every one of these government "whistle-blowers" is confident that the information they have at their disposal is both accurate and of vital importance to the survival of the human race.

## WILLIAM COOPER

Though he remains a controversial figure to many in UFOlogy—like him or not—there can be no disputing the fact that William Cooper has become the best drawing card in the field, filling auditoriums and lecture halls around the country, and attracting hundreds of the curious to conventions, where otherwise they might have stayed home.

A powerful spokesperson, Cooper alleges that not only is there a

Christa Tilton

possible CIA-alien link, but that we are being controlled by a "Secret Government" who is responsible for feeding us false information on a variety of topics and trying to direct our lives for quite sinister reasons. Cooper is a strong believer in the Constitution and the Bill of Rights and advocates that the public take a stand on such matters. He says that the UFO cover-up "violates every law that has ever been written," and he sees it as his duty "to expose the conspiracy as thoroughly and as quickly as possible." Cooper also feels certain that his life has been placed in direct danger numerous times. He has had to move repeatedly, change his address, and from time-to-time, keep a very low profile.

It was while he was in the Navy that he learned the shocking truth about what

may be going on under our very nose. This is his story and what he says happened to alter his prior belief structure.

"Being the son of an Air Force officer, I was reared on Air Force bases all over the world. My father was a pilot. As a child, I repeatedly overheard pilots and airmen discuss strange stories involving UFOs, Foo Fighters, strange crashes of craft 'not from here,' and other subjects that were exciting to me at the time. I graduated from high school in Japan and shortly thereafter joined the Air Force. I finished basic at Lackland Air Force Base and was assigned to the Strategic Air Command. I was an Aircraft and Missile Pneudraulic Technician. During my training instructors would regale us with tales of lonely nights spent on flight lines, alert pads, and missile silos. They told of strange alien craft that would come down and paralyze the men on station and then remove the warhead from the missile and disappear at fantastic speed. I met a sergeant who told me that he was part of a team that transported such a large crashed disk that it could only be moved at night on back roads and fences and poles had to be torn down and replaced as the convoy passed. I listened to all these stories and wondered what was going on, but didn't really believe them. I was discharged from the Air Force in 1965. I was very adventurous at the time and joined the Navy in December of 1965. I volunteered for submarines and was assigned to the USS Tiru (SS-416) at Pearl Harbor, Hawaii.

"On a cruise to the Portland-Seattle area, while on lookout, a UFO the size of an Aircraft carrier rose up out of the water and disappeared into the clouds while we were on the surface and I was the Port lookout. It descended back down into the water and rose back up into the clouds again several times. It was witnessed by myself, the Starboard lookout, the Officer of the deck, the Captain, and the Chief Quartermaster who took pictures. We were told not to discuss it with anyone ever.

"Upon docking at Pearl Harbor upon our return, a man in plain clothes came aboard and talked to each of us with only the Captain present. He identified himself as an Intelligence Officer (ONI) and asked me what I saw. I began to tell him and he yelled at me to stop and then he again asked me what I saw. I told him that I had not seen anything and he smiled at me and told me I was a very good sailor. He told me that was the right answer and dismissed me. I soon grew tired of the cramped quarters of a submarine and de-volunteered."

It was while Cooper was till in the Navy that he claims to have come across some highly classified documents pertaining to an alien-government liaison. These documents revealed the fact that a secret treaty had been signed with a group of alien known as the EBES (Extraterrestrial Biological Entities). Though at first the government thought they had only good intentions, it turned out that they were responsible for abducting humans, mutilating animals and conducting weird genetic breeding experiments deep underground in bases they'd, in some cases, actually taken over by hostile means from Uncle Sam, who had built these installations in case of nuclear attack so that our president and other high-ranking officials would have a place to seek shelter.

Cooper's lectures and workshops are always intriguing because no one knows what to expect. Going well beyond just UFOs, he spices each appearance with the latest information on the Secret Government, as well as a host of other cover-ups and conspiracies. He was one of the first to tie in the Kennedy Assassination with the MJ-12 documents (which he now says were disinformation) and point the finger at the real killer(s). He's also an expert on the history of America, the Free Masons and the Illuminati, and sees the United States being led into a one-world government known widely as the New World Order. In Phoenix, he will be updating all the latest information in a lecture on Sunday, September 20th, in the evening, with an extensive workshop on Monday, September 21st at 8:00 PM (Cooper's Workshops have been known to last four or five hours, so that's why we have to put him on last).

William Cooper's **THE HOUR OF THE TIME** radio broadcast is aired Monday, Tuesday and Wednesday nights from 9:00 PM until 10:00 PM Central Standard Time. The show is carried by The Becker Satellite Network on Spacenet 2, transponder 7, 7.5 audio.

**THE HOUR OF TIME** is produced and paid for in its entirety by William Cooper. The show is free of the restrictions of partners, advertisers, financial interests, or government control. This enables Mr. Cooper to broadcast information that is simply not allowed elsewhere. This may be the only radio show in America that is truly free from restrictions of any kind. William Cooper cares about you, this country, and about the truth. This show will open your eyes and set you free. Phone (602) 567-6109 to find out how your local radio stations

William Hamilton and John Lear.

can obtain free programming of **THE HOUR OF THE TIME**.

## JOHN LEAR

For those who have never heard of John Lear (and that seems impossible in this day and age), he first burst upon the UFO scene a few years ago when he appeared at a UFO conference in Las Vegas and told of some startling developments that he said were taking place right under our noses concerning aliens from outer space.

John is the son of aviation pioneer William Lear, who built the Lear Aircraft Company, while John himself has a well-deserved reputation in aviation circles for having test flown over 150 aircraft, and having won every award granted by the Federal Aviation Administration.

Before hearing from a friend about a UFO encounter at a military base in England, John Lear had absolutely no interest in the subject. But as he began to check out what others around him were saying, he began to realize that there was a mountain of documentation proving that UFOs are real and probably from outer space.

From what he was able to ascertain from informants in the CIA and elsewhere, the first UFO crash took place during World War II, and it was Hitler who used the technology obtained from the wreckage of this downed space ship to initiate his own rocketry program that almost single-handedly destroyed much of Europe. Later, in our own Southwestern United States, supposedly a flying disc crashed near Roswell, New Mexico, and for a short period one of the aliens onboard was kept alive inside Hangar 18 at Wright-Patterson Air Force Base.

According to Commander X (himself a retired military intelligence officer) writing in the book **THE ULTIMATE DECEPTION** (Inner Light Publications), "Lear's scenario also includes the suspicion that the government has made secret deals with aliens, actually exchanging humans for advanced technical data. Supposedly, the government was to be provided a list of those being abducted so they could maintain a vigil over them after their experience to make sure that they were not being harmed in any way. Unfortunately, the aliens took advantage of the situation, taking away tens of thousands for God knows what purpose, and implanting small transmitters inside their brains that can be activated for some sinister mission at some prearranged future moment."

In his widely-circulated "briefing paper," Lear states that the aliens have seized an underground facility in Nevada and New Mexico where they are busily putting together a sort of Frankenstein Army—part alien, part human. The military has tried to fight back, but has been repeatedly overpowered. Some agents were even reportedly shot to death when they attempted to take back one of their own installations.

Lear—who will be on our stage Saturday evening—has promised to provide the latest information obtained through his various "cloak and

dagger" sources. His "expanded" workshop to be held at the Holiday Inn in Phoenix/Mesa on Sunday, September 20th at 3:00 PM is certain to be a crowd pleaser.

## BOB OECHSLER

A former NASA Mission Specialist attached to the Goddard Space Flight Center in Greenbelt, Maryland, Bob Oechsler has utilized such "research contact sources" as the CIA, the Office of Naval Intelligence, the Defense Science Board, the National Security Agency and the Air Force Office of Special Investigations, in order to "get a grip" on the current status of UFOs and the alien presence on Earth.

The well-spoken Oechsler believes that the recent collaboration between the United States and the Soviet Union that signalled the end of the Cold War and the fall of the Berlin Wall was orchestrated and that the great military powers of the East and West long ago realized that they would have to "stand together" to fight off a new foe, that being potential hostilities from forces from outer space.

Oechsler claims furthermore, that we are experiencing the indoctrination of America regarding UFOs and aliens through "the subliminal effects of movies and television that includes a program designed to soften the impact on social doctrine, theology and world economic structures." Oechsler in his *Chesapeake Connection* paper examines the "interlocking connection between the decision makers, the corporations and the institutions charged with the responsibility of educating the public about what's going on in a way that will neither panic them or put our economy into a total tail spin."

The former NASA Mission Specialist is currently probing a dramatic UFO landing case leaked to him by sources in Canada. Oechsler spent over two weeks recently at the site, taking plant samples and searching for independent corroboration that tends to put more focus on attempting to authenticate the alien photographs that accompany the case. In Phoenix, Oechsler's workshop on Saturday September 19 at 5:30 PM will be entitled "UFO Disc Landing In Ontario," and will include video of the landing site as well as the incredible close-up shots of the craft itself. "The field investigation and lab analysis of plant samples collected at the site will be featured along with eyewitness testimony of the event itself. And no one," Adds Bob, "will want to miss the exclusive photos of aliens at the scene of the landing. In fact, NBC's *Unsolved Mysteries* is now examining the case for possible inclusion in the fall line-up."

Bob is also an expert on the seemingly never-ending Gulf Breeze, Florida story. "My research now includes analysis of several different videos of the Gulf Breeze UFO as well as the incredible abduction encounters with aliens from this locale." His workshop will also feature the results of his most recent trip that included five consecutive days of UFO sight-

ings. "The highlight of the trip included an extraordinary sighting of a disc that came up out of the water and hovered for more than a minute."

As part of his lecture presentation on Friday evening, September 18, Oechsler will reveal the contents of a startling conversation he had with Admiral Bobby Ray Inman and why scientists find UFOs hard to accept. "I also plan to present incredible photos that demonstrate the subliminal indoctrination of the public into accepting the reality of intelligent life-forms beyond humanity."

SEAN DAVID MORTON

There are some who might say that Sean Morton is able to find a conspiracy under every rock and cactus. His spell-binding lecture presentations have awakened many to the mysteries of Area 51's "Dreamland," the spot in the Nevada desert where the government is conducting Top Secret tests of an anti-gravity disc that is said to be based upon alien technology. Sean has visited the area located 130 miles from Las Vegas on many occasions and was recently responsible for bringing the strange happenings to millions when he appeared on Giraldo Rivera "Now It Can Be Told" program to expose the government's cover-up to the public.

A graduate from the University of Southern California, Morton has had a diversified background with BA's in Drama, Political Science and Organic Chemistry. He also spent a year at the British University in Cairo, Egypt studying Arabic, Middle Eastern Politics and Egyptology, with a special eye towards deciphering the Great Pyramid of Giza.

"My interest in UFOs came about relatively early in life," says Sean. "My father was an experimental test pilot with the Navy, flying the SR-71 Blackbird and U-2 spy plane. He was stationed—by coincidence?—at such secret bases as Area 51. My dad later went on to become the public relations director for NASA. In addition, my two Godfathers walked on the moon, and I've managed to maintain close contacts with many of the original Apollo and Gemini astronauts, who have access to much in the way of classified information that affects the public and the future."

After graduating from school, Sean became a screenwriter and worked on programs such as *Buck Rogers* and with Gene Roddenberry on bringing *Star Trek* back to television. He has had his own production company at MGM, where he was nominated for his work on music videos for such groups as Phil Collins and Genesis.

As far as UFOs go, his fascination perked up upon being offered the job of co-director and co-writer on a majority of the segments for the TV series "UFO Contactees," produced by Rod Randazzo. He was instrumental in compiling nearly 500 hours of taped interviews with scientists, abductees, researchers and contactees from all over the world. Since then, he has achieved notoriety in the field of UFOlogy for his daring exploits at Area 51. He claims to be the first person to discover a mountain peak with a view of Groom Lake and the first person to actually videotape the super secret "Dreamland" facility. He has filmed many ships and alien craft in this region. He also has received recognition for his work with a team of scientists and adventurers who ultra-sounded the Dulce mesa in New Mexico, coming up with rare, valuable proof of the claims of many abductees and Apache Indians in the vicinity, that the government has been maintaining a top secret base in the underground facility.

In his presentations in Phoenix, Morton is combining his expertise in UFOs and in prophecy. His "Millennium Factor" lecture during the Saturday 10:00 AM session will cover much of the material related to the secret dealings of the aliens, and their baffling motives. His workshop, "Prophecy—The Next Thirty Years and Beyond" will include startling predictions on the presidency, Earth changes, who and where the anti-christ is, World War IV, the fate of the Pope, what's in store for America, what the elite have planned and when the Messiah will return and how.

CHRISTA TILTON

In 1986, Christa Tilton first became aware of her abductions by aliens and government figures when she was used in genetic experiments, one of which resulted in a full-term pregnancy of what she believes was a hybrid child.

Originally, her experiences were brought out under hypnotic regression conducted by Budd Hopkins of *Intruders* fame. "These sessions caused a complete transformation in my life, as I started to remember my abduction experiences starting at the age of ten, and culminating in my kidnapping to an underground facility run jointly by aliens and the military."

One of the strangest episodes involved the implanting of a "tagging device" at an early age. "The device was placed in my left ear, which causes a lot of pain and severe itching at times. I remember that the alien "doctor" was more human-like and a lot nicer than the rest of the ETs. At one point he told me that they were going to play a little game with me calling 'planting a garden.' At the time, I was sure he meant going out to plant a garden in the back yard. But that was not the case, as a small device was implanted in my abdomen. I was also shown a three-dimensional screen with symbols on it. And in September, 1971 I remember seeing the same beings as before. This time they inserted a long needle from a long tube from the ceiling instrument panel. I was fairly sure they were extracting ovum. They examined and changed something in my left ear and then they placed a transparent capsule-like device into the area in my abdomen. When they withdrew the instrument, the capsule was gone. After this examination I became pregnant, although I had had NO SEX in eight months."

## DR. FRANK STRANGES TO DELIVER TWO TIMELY SEMINARS

### MINISTER STANDS BY HIS CLAIM OF CONTACT WITH SPACE ALIEN INSIDE THE PENTAGON

There is little doubt but that the classified CIA memo which refers to a "blue eyed 'superman'" who spoke excellent English and "could breathe freely in our atmosphere within any devices," is speaking about a human-looking extraterrestrial whom evangelist Dr. Frank Stranges met inside the Pentagon during December of 1959.

Stranges—according to his own testimony—passed through several security points to meet with an amazing man who HAD NO FINGERPRINTS, could read thoughts, and had a garment which could not be cut, burned or otherwise destroyed.

The alien identified himself as Val Thor and claimed that while on Earth, he was using his influence to speak with "men in authority," but would not use force to change our troubled world. According to Thor, at the time "there were seventy-five of us from other worlds walking among you, constantly coming and going."

#### "SUCCESS & PROSPERITY SEMINAR" SUNDAY, SEPTEMBER 20, 10:00 AM

"Times are hard...I cannot make it"... "Things have never been so bad." These are a few remarks that are made by many. But there is a PROVEN method that if you follow will ensure your life taking a change for the BETTER. In this Seminar, you will be introduced to a series of "Golden Keys" that can indeed unlock the door for a better life on this planet. Be prepared to hear information, NOT OF THIS WORLD. If you are tired of being POOR, by all means make plans to attend now!

#### "BE HEALED TODAY" MONDAY, SEPTEMBER 21, 10:00 AM

Many are sick and tired of being sick and tired. Learn a plan WHEREBY YOU CAN DEFEAT the sickness and disease that befalls you. Tired of living on medication? Make up your mind to tap into the miracle source of the Universe. You will hear of personal healings that will astound you. While you may be surrounded by sick people, you will be able to share with them, the secrets of the Cosmos as revealed by this great man of God. As a bonus, you will be anointed with special oil that has been blessed by Commander Val Thor. ## Spiritual Masters From Higher Realms Reveal The True Nature Of God & The Cosmos

### SPACE GODS SPEAK

#### TRANSMISSIONS FROM THE SOLAR COUNCIL

Right now in the vortex in space, mankind's fate is being deliberated by highly evolved beings who have watched over our Earth since the time in antiquity when our world was but a gas-like ball. Totally unique, every word in "THE SPACE GODS SPEAK" has been transmitted from a high, spiritual source. Referred to often as Ascended Masters or the Spiritual Hierarchy, these ethereal beings have reached a state of pure bliss only experienced by the holiest of saints or avatars of our backward world. Far more advanced than even the "Space Brothers," these entities represent a cosmic council of majestic souls—the God or overseers of our solar system.

According to many of our modern-day UFO contactee and space channels, these beings, or "Gods," hold regular council meetings on one of the planets in this solar system where there directives are handed down to members of the Ashtar Command for immediate action. Unlike the occupants of UFOs, these "superbeings" are composed of pure light and energy. Furthermore, they need not fly about in spaceships, as they are able to journey freely throughout the cosmos utilizing the forces in their ethereal forms.

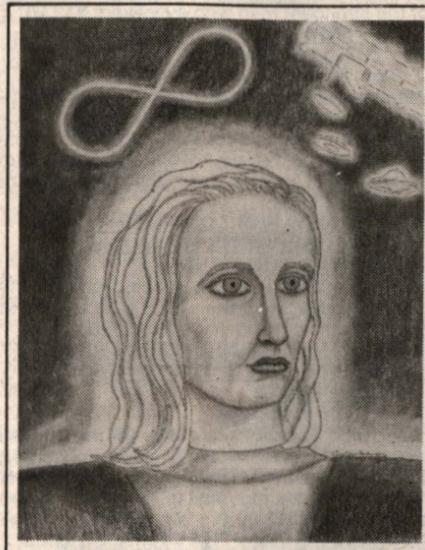

"Each planet has a God who has created that planet," one transmission states. "You people of Earth have a wonderful God who created the planet. He loves all his creations just as we all do. It has been said, God is love, and that is true of all Gods. All the planets near Earth have Gods of love and the inhabitants of these planets in turn love their Gods with all their hearts, minds and strength. It would be impossible for the people of these planets to deliberately injure any other being. They all live lives of love and joy, for true love is joy."

We are also told that there is an attempt to hold back the Earth's development into "cosmic realms," but that truth will soon win out, because truth is too great to be resisted. "More persons on your planet," it has been channeled, "will be seeing our space craft, because as your old human saying goes, 'Seeing is believing!'"

#### ASTOUNDING REVELATIONS

For the first time you will read about what the "Gods" have to say in relation to the following topics:

- Fallen Angels & The Dark Forces
- International Bankers & Sons of Jared

#### CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE SPREAD THE WORD— JOIN THE LEGIONS OF LIGHT

Ashtar and the Space Brothers have repeatedly said that it is time we New Agers show our behalf in the existence of more advanced life in space. As a special moment we are offering for a limited time only a beautiful medallion depicting the symbol of the NEW WORLD ORDER—a rainbow with a flying saucer hovering above it. This medallion can be worn, carried in your pocket, or used as a keychain. Other "believers" will be able to

spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered as a keepsake to true believers. If you have not received your medallion with our previous book THE NEW WORLD ORDER, there is still time for you to order while the supply lasts.

- The Great White Brotherhood

According to these transmissions, "The Earth is the only planet in this solar system, which is not peaceful and happy..." Yet, the Earth is never without great teachers who have preached and prophesied urging their followers to love God as well as one another. Unfortunately, few have heeded these words of wisdom and our planet has suffered.

During her Saturday, September 20 lecture appearance at the Fourth Annual National New Age and Alien Agenda Conference in Phoenix/Mesa, Christa will discuss for the first time a new government underground facility that has been built Northwest of Tucson. She will reveal the case of three police officers who were abducted and taken to this base they called "The Marana Base." Her workshop to be given that same evening at 8:00 PM will include exclusive videos of a Japanese TV program participated in by Christa and her daughter. She will also discuss the ramifications of children's abductions claims and will provide a strong healing factor as she will stress many ways to alleviate any post-traumatic stress disorder that often haunts abductees for the rest of their lives. A special reprint of her confidential monograph THE BENNEWITZ PAPERS is currently available from Inner Light Publications.

WILLIAM HAMILTON

William Hamilton, author of *Cosmic Top Secret* (Inner Light Publications) first received news of the existence of underground bases in 1979 when a government worker revealed the circumstances of his employment and how the military was participating in horrifying genetic experiments conducted with a sinister group of aliens. When it was discovered that the worker had stolen photographs depicting these experiments, his wife and children were "taken into custody" by federal agents seeking a way to get this classified material back. Hamilton learned that the base the worker had been employed at had at least seven subterranean levels. On Level 4, for example, advanced research into psychic phenomena and mind control was being conducted. At Level 6, genetic experiments on animals and humans was said to be taking place. At Level 7, humans were being kept in cages and drugged.

"My friend the government worker was told a false story that tests were being conducted to cure insanity. But when he realized that aliens were actually behind the torture he left his post and went into hiding."

As evidence that something "mighty strange" is happening in and around these various underground facilities, animals have been found mutilated in the surrounding areas and there has been a rash of disappearances of humans as well.

Hamilton's lecture, "UFOs and the Future of the World," to be delivered Friday evening, September 18th, will entertain the scenario that "humankind has reached a point in time that presages a catastrophe. The bifurcation point is most evidence in the world's ecosphere. UFO activity increased shortly after the first test explosions of the atomic bomb. Contactees and abductees have been shown visions of a future catastrophe. What will the future bring? Are aliens here to help us or harm us? Will the next generation live in a 'brave new world?'" At his workshop, "UFOs—Black World and White World," Hamilton says, "tests are being conducted in our Southwest deserts and UFOs fly nightly over Area 51 in Nevada. There are rumors UFOs have been shot down and that Star Wars was a prelude to a battle with alien forces." The workshop will be conducted Saturday, September 21 at Noon.

VLADIMIR TERZISKI

At first it seems rather strange to hear a man with Vladimir Terziski's background as an educator speaking about such oddball things as anti-gravity devices, German-built UFOs, trips to Mars supposedly made during the 1940s, and the secret empire of the Illuminati who try to control our thinking and belief systems so that they can rule the planet undetected.

With a BS in Physics, Vladimir graduated Cum Laude Class of 1978 from Tokai University in Tokyo, while today he is president of TRZ Consultants, Inc., a computer hardware and software customizing firm.

According to the astute researcher, "flying saucers were being flown by the Nazi's during the Second World War. They had an advanced free energy device powered by Schauburger turbines and Kohler tachyon magneto-gravitic drives. They even had a 300 foot diameter cigar-shaped motor ship and at least four craft capable of interplanetary travel. Furthermore, they had all sorts of strange weapons developed in underground bases dug out with sonic lasers. This included beam weapons, death rays, time machines, nuclear and antimatter bombs, advanced aviation equipment, and there is even evidence of an unmanned light emitting laser propulsion rocket that reached the Moon in 1938."

As Vladimir sees it the "official" American and Russian space programs were, in reality, a smoke screen for the secret colonization of space with an anti-gravity craft. "In addition, I believe that the cold war was a smoke screen and that dozens of privately financed 'black projects' were paid for with drug money."

There is an awful lot we are not being told, including government cloning projects being conducted in "Frankenstein labs," the existence of large openings at the South and North Pole into a world that exists inside the Earth; the true physical conditions of the Lunar and Martian surface and how atmosphere, water and vegetation exists in space.

Vladimir will go before the public to voice his controversial opinions at the Fourth Annual National New Age and Alien Agenda Conference. His lecture topic during the Friday 2:00 PM, September 18th session will be, "Close Encounters of the Foo Fighter Kind," and will center on Nazi UFO flights, free energy and flights to the moon. His 10:00 AM workshop the following morning will be, "The Terrestrial Component of the Alien Presence," delving into the secret society of the Illuminati, human genetic engineering, the continuing cover-up behind the real alien visitations.

# WARNING: NOT FOR THE WEAK HEARTED!

## ANCIENT UNDERGROUND RACE WAGES WAR ON SURFACE DWELLERS "DEROS" USE DEADLY RAYS & MIND CONTROL APPARATUS DIRECTED AT HUMANS FROM VAST SUBSURFACE CAVERNS BENEATH ALL MAJOR CITIES

By TIMOTHY GREEN BECKLEY  
Author, *Subterranean Worlds Inside Earth*

Over the years, I have had the opportunity to break through the veil of secrecy surrounding many "hidden subjects," which normally do not receive any treatment in the daily news media.

For several decades I have been collecting a vast storehouse of material relating to the existence of a subterranean world which many experts sincerely believe exists beneath our very feet, kept hidden by the military and the scientific community for a variety of reasons—the least being that they have established an ongoing agreement with some of these entities, who are by no means benevolent in their feelings toward surface dwellers, coming here to sack the planet of its richest as well as carry off humans for a variety of experiments.

### THE LITTLE PEOPLE

Though some may know them as aliens, in Irish folklore, they're called Leprechauns; among other nationalities they are known as fairies or elves. Shaver called them Dero, but not all sub-surface dwellers are hostile. There are additional isolated groups throughout the world who seldom make contact with us. In the Peruvian Andes they are called "Muquis;" in Germany, "Kobolds!" in the Malayan tin mines, "Chong Fux," and in England the Tommyknockers. In Brazil many tunnels are said to lead to quite beautiful looking descendants of early groups who were not affected by the radioactivity pouring down on Earth when atomic blasts from the raging wars on Atlantis caused holes to be poked in our atmosphere—resulting in many surface dwellers moving underground where they were met by beings from other worlds who established bases there so that they could not be easily detected.

### FANTASTIC & BIZARRE TALES

Here are authentic stories and tales told by explorers, miners, prospectors and others who have stumbled upon this hidden world beneath our feet (including below such major cities as New York, Chicago, Boston, Toronto, Los Angeles and Portland).

• "Mr. X's" harrowing escape from a fiendish being with a bird-like tail dwelling in a "Haunted Mine" in the Southwest.

• The disappearance of Col. Fawcett while in search of a "hidden city" in the jungle.

• The existence of the "Jersey Devil" said to roam the shoreline on rain soaked nights.

### HORROR OF HIDDEN WORLD EXPOSED!

Richard Shaver was working at the original Ford plant in Highland Park, Detroit, Michigan, when he underwent a strange personal experience that was to have a devastating effect on his life.

In his own words, Shaver says he was operating one of the welding guns when he began to hear strange voices. "I knew what was in my friend Bill's lunch box; which girl Bumpy was going to take out that night; the girl Hank's mother was planning to give his wife. I knew what the bosses upstairs were griping about; I heard everything I didn't want to hear all over the factory because that welding gun—by some freak of its coil's field attunements—was acting not as a radio, but a tele-radio: a thought augments of great power which enabled me to hear the thoughts of others."

With the ability to "read" minds came a great deal of mental pain as Shaver began to eavesdrop on that which he should not hear. "There was cursing and torture going on around me and I could sense great evil." Little by little, Shaver realized the thoughts he was hearing didn't belong to just ordinary people, but was the torturous activities of a race of demented beings he called "Dero" who were living in caves underground, kidnapping humans and turning them into slaves for their own sadistic purposes.

Wishing to get his discovery off his chest, Shaver wrote a letter to Ray Palmer, a pulp science fiction magazine editor, who, realizing the sincerity of Shaver's words, rushed into print with his maddening story. In the months that followed the magazine received over 50,000 letters from its readership claiming that they knew what Shaver had revealed was the shocking truth because they had uncovered "certain facts" themselves. They too heard voices. Saw strange things. Witnessed "flying saucers" (believed by Shaver to be craft operated from underground bases) and knew that the Dero were using ancient and mind control devices to cause death and destruction wherever possible.

Richard Shaver told of dreaded underground race known as Dero.

### HOLLOW EARTH THEORY

Many great explorers believed that the Earth was actually hollow and that entrances could be found at both the North and South Poles, leading to an inner world complete with its own sun. Through ridicule in recent years, there are some who may know the real truth about this theory, including the late Admiral Richard E. Byrd, who traveled to a beautiful world beyond the Poles where he encountered a race of giants endowed with super intelligence

- The eight foot tall "Atlanteans" who keep their subsurface entrance a closely guarded secret except from a handful of "chosen" individuals.
- American Indian legends tell of the "Hollow Hills," which appear roughly like Indian mesa home or huge mounds of earth. These are the buildings covered over with mud at the time of the great Biblical deluge, "under a moon gone mad."
- The Green Child of Wulfpeters who appeared at the entrance of a small English town and who came out of holes next to the edge of a pit found there.

(Hitler may have even known of their existence.)

In this, my latest book, I have gone through literally thousands of sources to give you all the proof and evidence for the existence of such a Hidden World. Though it is a frightening subject to many, it is a topic that should be openly discussed as the secrets of the Inner Earth may well provide us with clues to our very existence and the ability of our planet to survive in the days to come. I hope you will have the courage to join me on this voyage to lands and worlds long since erased from our minds.

Bill Cooper is a former U.S. Naval Intelligence Briefing Team member. His military career began with four years as an aircraft and missile pneudraulic technician with the Strategic Air Command of the U.S. Air Force. After this he entered the U.S. Navy, where he initially served on submarine duty. It was on the USS Tiru that he experienced, with four other crewmen, his only UFO sighting. He was trained by Naval Security and Intelligence and served in that capacity in Vietnam. There he was a combat patrol boat captain, where he earned several medals.

He was eventually transferred to the Intelligence Briefing Team of Admiral Clarey, the Commander-in-Chief of the U.S. Pacific Fleet. During this duty he had to review material higher than Top Secret, thereby obtaining personal knowledge of UFOs and extraterrestrials, the real facts about the Kennedy assassination, where drugs really come from and why we can't get rid of them, who the intelligence community really works for, and the facts about the Secret Government.

Bill has held positions of National Marketing Coordinator for United Education and Software; Executive Director of Adelphi Business College; Executive Director of Pacific Coast Technical Institute; and Executive Director of National Technical College.

**BILLY MEIER CONTACTS—LET THE TRUTH BE KNOWN!**

# THE BEAMSHIPS HAVE ARRIVED

It was during the summer of 1980 that Randolph Winters found himself browsing in a bookstore near the UCLA campus with nothing much else to do. Among a stack of titles that had been reduced in price as part of a closeout sale, something strange caught his eye. "Glancing down at the table, I saw a picture of a UFO hovering over a grassy knoll with some logs laying below it. I thought this must be some kind of trick photography from a special effects studio. Not immediately recognizing it as an outtake from any science fiction film I had ever seen, I began to turn the pages of the book and saw page after page of beautiful extraordinary photos of flying saucers taken in broad daylight."

Taking the book home, Randolph Winters began to study the book's story line and captions much more carefully. "It seems the pictures were all taken in Switzerland by someone named Billy Meier and were supposed to be authentic real photos of 'Beamships' from another world. I remember thinking, 'This book is really important.' Turning through the pages, I became totally obsessed with the material and the photographs. It seems Meier had the opportunity to have physical contacts with space visitors. They had taken him with them in their ships on many occasions for the specific purpose of educating him on a variety of subjects about life, the universe, religion, history and science."

Hungry for additional information, Winters managed to reach the publishers of this coffee table-sized picture book that has become a collector's item, selling now for upwards of \$100 and more for a second-hand copy. "I kept calling and asking more and more questions. It turned out that Meier had had over 130 meetings with these visitors and had compiled several books out of thousands of pages of notes he'd taken. The investigators told me they had put photos through many different kinds of analysis and could find no evidence of a hoax of any kind. They had investigated other witnesses who had seen the ships, some of whom had also taken photos of the ships. They even had been to the sights where the pictures were taken and reconstructed the photo scene for computer comparison. Meier had given them metal samples he had received from the off-world visitors that were representative of the type their ships were made of for analysis. These metal samples had been turned over to Marcel Vogel, a scientist at IBM who proclaimed that he could identify most of the ingredients of the metal, but not the manufacturing process. It was beyond our technology at the moment and clearly not of this Earth and had to have been made in some sort of vacuum process."

Digging into the Meier's contact case, Randolph discovered, "Most of Meier's contacts were with a Pleiadian woman who called herself Semjase. She explained that her people settled in the Plejias, as they called it, over 230,000 years ago and currently lived on three planets within their solar system. Their ancestors had come there as a result of wars in their home system and were descendants of a race called Lyrians. She said the Pleiadians themselves had never lived here on Earth, but we shared common ancestry as in the past on several occasions, the Lyrians had settled on Earth. Semjase believed that currently about one third of the population of our Earth carried the Lyrian gene within them. The Lyrians, by the way,

were tall blond, blue-eyed, white skinned people who stormed through the galaxy with their giant war machines and dominated many planets, leaving their mark wherever they went. The Pleiadians—on the other hand—had found peace through the understanding of the Creational laws of the Universe and had hoped to help us, their younger brothers, by passing on some of their wisdom. Meier had been chosen as a physical contact since he had acted in a similar capacity in previous lives, and could be counted on to perceive and pass on the information in a truthful manner."

**Randolph Winters**

Intrigued by the many things he found out, Randolph Winters sought out Meier personally. "In 1984, I was in Rome and wanted to fly to Switzerland to see Billy, but I was told not to come, because attempts had been made on his life and those around him did not feel it was safe to let strangers into his home. So I returned to the States and, with a set of slides of some of the Beamships I had been allowed to make, I began giving a little slide show and telling people all about the case."

Finally notification arrived that it was OK for Winters to journey to see Meier. As it turned out, the trip was a blessing mixed with frustration. Meier's co-workers had fallen disenchanted with many visitors who came, they felt, merely to "steal" the dozens and dozens of photos and turn them

into movies, videos and books of their liking, while editing out the message the Pleiadians had come to Earth to give. For the most part, Billy kept to himself and Randolph was mainly able to speak with several others who reported seeing the ships. "One person had even watched as Billy disappeared when he was taken up into the ship. Another had been shaken up when Billy materialized out of thin air right in front of her."

Little by little, Randolph Winters began to gain Billy Meier's confidence and he was allowed to spend more and more time with the contactee in order to learn the truth about these other-worldly encounters. "One of the things I learned was that Meier had been receiving transmissions from the highest of spiritual sources. There was enough material to fill a book of 1500 pages that dealt with the Earth's future, primarily from 1980 up past the turn of the century. The Pleiadians' science has advanced to a point where they have discovered what the energy of 'Time' is, and can travel using this knowledge to visit other time frames, something that at the moment seems almost impossible to us, but is within their grasp. In fact, Billy told me the visitors do not live in the Pleiades we see in the sky, but in a Pleiades in a different time pulse separated by a different space. They actually make a shift of some kind to our space so we can perceive them.

**SEE THE MEIER BEAMSHIPS ON VIDEO AS PART OF RANDOLPH WINTER'S PRESENTATION AT THE 4TH ANNUAL NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE, PHOENIX/MESA, ARIZONA, SEPTEMBER 18-21, 1992**

There is, they say, also a way of seeing or thinking the future during meditation, if you know how to do it. These messages will come to you in a code or symbol and you must know how to interpret them."

According to what he was shown, the Pleadians were able to predict the death of President Kennedy, the poisoning of Pope John XXIII and the shooting of King Feisal and Abdel Gamal Nasser. This chain of political deaths served to shape the future of our world. Our future revolves around the next coming war and the damage we have done to our planet. They explained, however, that the future is not fixed, but is only a projection from a fixed point. The purpose of future predictions is to warn us of the future we are causing to happen, it does not have to happen this way. Once we quit waiting for someone else to create our future for us, once we stop relying on a god, a myth or some religious leader who will save us, and learn to take 100% responsibility for ourselves and our future, we can create the kind of peace we all want. It won't—they say—come any other way."

As part of his crusade to get Billy's message out, Randolph began a series of classes to share the information he had learned. Over the years, thousands of people have discovered the message of peace and human understanding from the Pleiades through Randolph, who has appeared on many TV and radio talk shows to discuss the most controversial contact case of all time. In 1988, Randolph produced a video called "The Pleiadian Connection," which has sold nationally and aired on cable television all over the country. This one-hour video features 120 beautiful daylight photos taken by Meier.

During the Fourth Annual National New Age and Alien Agenda Conference, to be held in the Phoenix suburb of Mesa, September 18-21, Winters will deliver a lecture entitled: Information from the Billy Meier Contacts with the Pleiadians. His 2½ hour workshop will delve into the Prophecies given by the space visitors and will be called, "How to Deal with the Coming Earth Changes," and will utilize spiritual lessons from the Pleiades. Photos and films of the Beamships taken by Billy Meier will be presented. Those wishing to contact Randolph Winters directly may write to the Pleiades Project, Box 386, Atwood, California 92601.

Billy Meier.

Randolph Winters, the narrator of this tape, has been studying this information for many years and has spent many hours in the company of Meier. Includes data on Earth's History, our Spiritual Development, The Laws of Creation, how the Beamships fly. **WARNING**—The producers would like to acknowledge that much of this information may be contrary to the belief systems of many individuals. This material is

being presented in the spirit of an open mind toward our growth as a planet.—\$39.95.

**"THE HIGH BRIDGE INCIDENT"**

This book by Howard & Connie Menger contains "blockbuster" new information based on actual landings of a craft and aliens from "somewhere else" which were witnessed by many people at High Bridge, N.J. in 1956. This new book contains photos, movie frames, and statements from these visitors who seemed way ahead of us spiritually and scientifically.

Government involvement and patriotic duty prevented Menger from divulging certain information while appearing on the Steve Allen and Jack Paar TV shows. His first book, *From Outer Space To You*, was a best seller in hardcover and paperback.

# PROTECTING YOURSELF AGAINST THE ALIEN "HARVESTERS"

"According to a national survey, one out of every fifty persons has been abducted by aliens, with the total figure of abductees being around five million currently in America." This bold statement is not to be found in one of the weekly supermarket tabloids, but is provided by a most unusual source. Recently, a number of actively practicing psychiatrists have begun to offer therapy and group counseling for those who have undergone traumatic encounters at the hands of an alien force that seemingly has the power to invade our homes and our minds, taking the terrified for lone journeys into space and experimenting on their bodies in any fashion and manner that they so choose.

To date—from what would seem to be an unlikely source—help of a highly spiritual nature has become available through a very unusual woman, Sri Donato of the California-based organization, *Morningland*. Unlike most gurus or avatars, Sri Donato does not provide philosophical stimulation or thought that has to be broken down and dissected in order to obtain "true understanding." Sri Donato is much more practical—less dogmatic—in her approach, offering sound advice and wisdom that is based upon over twenty years of pioneering research into, she says, "the levels and depths of the mind that are virtually unknown at this time."

The way Sri Donato sees it, "The Alien Harvesters are violating *Divine Law* by taking your God-given *Free Will* away from you. They give you no choice. They take your body, insert implants which tag you for the rest of your life. They stun your mind, wipe out your memory of time and space, and drop you back with the mutilated cattle—only your mutilation is in the form of confusion, nightmares, fears and phobias, leaving you feeling helpless. The 'Harvesters' are the ultimate thieves—they are a dark, demonic invasion. They are aliens who have no respect or reverence for your body, your mind, or your divine spirit."

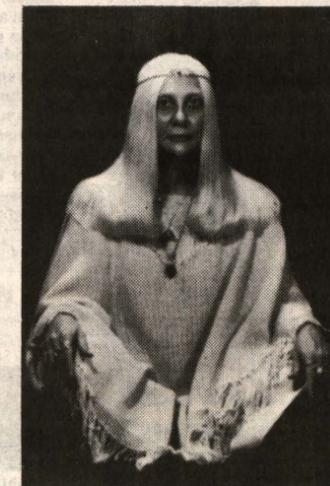

There is now, according to Sri Donato, something that can be done about this vampire-like situation. "There is now direct help available to victims that are suffering the prolonged traumatic effects of abduction. This direct help is beyond the traditional means everyone is familiar with and includes the following categories.

1. WOMAN WHO HAVE HAD THEIR FETUSES STOLEN BY ALIENS.
2. MOTHERS WHO ARE ABDUCTEES AND FEAR FOR THE SAFETY OF THEIR CHILDREN.
3. THE NEUTRALIZATION OF IMPLANTS.
4. NIGHTMARES CAUSED BY ALIEN INTRUSIONS WITHIN THE SUBCONSCIOUS MINDS.
5. THE DESTRUCTION OF THE PSYCHIC LEVELS OF THE MIND.
6. GENERATIONAL TAMPERING BY ALIENS.

All these categories deal with alien violation of Universal Law. "The technique," say her followers, "that Sri Donato uses provides protection and repair for any damage previously done physically, mentally, and spiritually. Hypnosis is not used in this technique, nor is regression. Many people fear being hypnotized, not knowing what they may say, or that it may not work. In Morningland, with Sri Donato and the lamas, the abduction experience is released naturally and seen from the clear view of the higher mind."

According to Morningland's technique, "Abductees are released from their fears and traumas and are never bothered again. The vibration and frequency of the master Sri Donato is so high that the coercive mental tactics used by intruding aliens are neutralized within the coil of protection. And if an abductee has been implanted by the aliens, the implant is rendered useless as Sri Donato activates the vision healing ray within you."

The scribes at Morningland claim that they have case after successful case to point to, offering one such incident involving a woman who was abducted at intervals throughout her life starting in childhood. "My abductions began when I was just seven," says the woman. "They continued repeatedly until I met Sri Donato. Using her process I had full recollection of all my abductions and intrusion of the aliens without any fear or trauma normally associated with these terrifying events. Without hypnosis, I consciously remembered detailed accounts of being taken aboard their ships, the surgical procedures performed on me, and the implant they put in. I remember when I

was 21, the incident where the aliens attempted to abduct my first daughter. My second daughter was plagued by nightmares which I knew was of alien doing. No matter where I lived or who I was with, they found me. The abductions continued and increased from once or twice a year to almost every other month. Being with Sri Donato, I am no longer bothered by the aliens and I'm convinced my family is now safe. During the last abduction attempt, I called out to Sri Donato and she appeared, changing completely the terrifying experience of abduction to one of light and divine intervention."

At the 4th Annual National New Age & Alien Agenda Conference, a rare public demonstration of Sri Donato's "Direct Trans-mission" ability will be given as part of an extensive workshop covering advanced techniques for the guidance and protection of Close Encounters. Her public lecture will be entitled: "Sleeping With The Enemy—Where And How The Aliens Penetrate Into The Dreamline And How To Protect Yourself From That Intrusion." Those wishing direct contact with Sri Donato may reach her through Morningland, 2600 East 7th Street, Long Beach, CA 90804.

# UFOS AND THE SPACE BROTHERS WANT YOU TO SURVIVE DOOMSDAY

Psychics, spiritual leaders, scientists and UFO contactees all agree that we are living in what has been called the END TIMES.

- The foundation of our civilization is about to crumble.
- The physical world as we know it is going to be destroyed.
- Psychic spiritual and "other-worldly" forces are about to take over!

## THE TRUTH CAN NOW BE TOLD

An in depth study recently conducted by a highly qualified UFO researcher indicates drastic changes in our daily life, as well as in the shape and construction of our very planet, are imminent. This information has been channeled to at least 20 of the most highly respected contactees from more advanced beings who reside on other planets and in other dimensions. Unanimously, they agree that a global catastrophe will soon sweep over our nation as well as the rest of the world.

According to the SPACE BROTHERS whom they are in contact with time is *running out*. We are being told the Earth is rapidly entering the twelfth—AND FINAL!—hour for humankind. All indications are that a "time bomb of destruction" is about to go off ridding the planet of civilization as we have come to accept it. The Book of Revelations will be tomorrow's headlines as Armageddon engulfs the globe.

There are those who say a THIRD WORLD WAR is on the immediate horizon, that an ecological imbalance is now taking place, and a shifting of the North and South Poles is due, which could tip the earth out of its present orbit and send it hurtling toward the sun.

## YOU CAN BE SAVED!

While utter chaos will take place all around us, all of those who have received this highly advanced, truly prophetic warning have said that the "Chosen Ones" who "are ready" will be saved and taken off this planet just in the nick of time.

Our special, fully illustrated report, a 50,000 word book titled **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS**, is the most comprehensive volume ever put together on the subject. There is no other work like it as this book has been *inspired from above*. These are some of the important things you will learn—things you will NEED to know in order to make the transition from this physical dimension into a *higher* realm.

- Specific data on land changes. Find out which States will be geographically altered and the "safe" places to go to be out of immediate danger.
- A time table indicating when these events will begin to take place and the order in which they will occur.
- Exact "signs" and "wonders" to watch for which will indicate that only months are left.

WHAT LIES AHEAD?  
POLAR SHIFT  
GLOBAL TENSION  
DAYS OF DARKNESS  
MASS UFO LANDINGS  
MILLIONS VANISH  
END OF MONEY SYSTEM

- What material objects—"valuables"—you will need in order to survive, and where to obtain them.
- The day you will vanish from this planet—a mass evacuation by space ship will take place in which hundreds of flying saucers will come down out of the sky and "lift off" the worthy. What are your chances of being saved, and what can you do to make certain you are among "the chosen."

Some of those who have contributed to this valuable reference include *New Agers Brad and Francie Steiger; Space Channel Rober Short; the spiritual group Mark Age; UFO communicator Jane Allyson; Parapsychologist Warren Freilberg; and the space being known as Ashtar.*

If you have even a slight interest in UFOs you will want to order this book. This is not just another title filled with wild stories, but this volume actually presents useful data which could change your life and help you to survive DOOMSDAY!

## WILL YOU BE ALIVE IN 1995?

## CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE SPREAD THE WORD—JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special moment to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of this exciting new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

## Revealed—American Indians & The Gods From Outer Space

Recently, an attempt was made to contact and communicate with the occupants of a UFO that had been observed time after time over Second Mesa on the Hopi Reservation in Arizona. Representatives of the news media gathered for what they considered to be another "human interest" story, not really expecting anything "out of the ordinary" to transpire. Suddenly, a bright object was seen hovering in the sky, and while it did not land those present went away convinced that they had witnessed a "miracle" in the form of a craft from another world.

When questioned, the "Wise Men" and Elders of the tribe expressed little skepticism over the incident, pointing out that their Native American tradition, included various legends relating to visitations to our planet centuries ago by space travelers who imparted their wisdom and technology to those who then occupied the land in a more civilized manner than the majority of us do today.

### HOW DO THE INDIANS FIT INTO THE UFO PUZZLE?

There is evidence that these contacts between the Indians and the "Space Brothers" have continued down through the ages to this very day and that some of the ancient secrets now being closely guarded will soon be revealed to a stunned world. With chapters by some of the most astute writers on the subject (including Brad Steiger, Chris Warner, David Jungclaus and Jackie Blue), there is a growing belief among many that the Amerindians know more about UFOS than the rest of us—including perhaps even the U.S. government.

Edited by Timothy Green Beckley, **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** covers a wide range of topics including the feeling among many psychics and those spiritually attuned that we are living in "troubled times" and that we may be about to enter the "Last Days" frequently spoke about. There is also a feeling among the "aware" that the Indians may lead us to a safe "New World" based upon their extensive contacts with extraterrestrials. Explored are many striking revelations and prophecies from the Hopis, as well as the truth about the Kachina spirits and their eventual return to our world. "There is," says Beckley, "a good reason why UFOS are so frequently seen over the various Indian reservations up to this very day!"

### AMAZING CONTENTS

Here is but a partial listing of the various chapters and topics covered in this stunning new book.

#### AMERICAN INDIANS AND THE STAR PEOPLE

Researcher Brad Steiger traces the history of the Indians for centuries and finds that they have long had a tradition of contact with Star People and that these influences can be found in many of the legends of the various tribes, as well as in pictographs carved in caverns and on rocks throughout North America.

#### IS IT MERE COINCIDENCE THAT NUMEROUS UFO SIGHTINGS TAKE PLACE OVER SACRED INDIAN LAND?

#### SECRETS OF THE TOTEM

Every grade school pupil knows what a totem pole looks like, but not even the most educated grownup may realize the significant bit of symbolism to be found in the history of the Indians regarding these ancient wooden artifacts.

#### PLAYGROUND OF THE GODS

Is it a mere coincidence that a good number of UFO sightings take place to this day above sacred Indian spiritual places or over the various reservations? Do some Shamans still communicate with these Gods from other realms and dimensions and what is their message for humankind?

#### STAR GODS, HOPI REVELATIONS & THE MISSING SACRED STONE

What secrets are still held within by the Medicine Men of the Hopi and other tribes? What is the sacred meaning of the White Dove and the mysterious "Star Symbol" of the UFOonauts?

#### DO HOPI PROPHECIES HOLD KEY TO MYSTERIOUS ARTIFACT

Recently an amazing discovery of a mysterious artifact was made inside a pyramid. What is the connection between this artifact, the lost race of the Mayans, as well as Hopi prophecies to be fulfilled before the turn of the century?

#### HOW THE INDIANS CONTACT UFO INTELLIGENCE THROUGH DREAMS

Not all UFO contacts need be made on a "physical level." For centuries the Indians have believed that one can enter another realm by dreaming, and this includes contacting the intelligence behind UFOS.

#### STRANGERS FROM ANOTHER WORLD

The Indians believe in many different worlds, some of them invisible to us under normal conditions. These worlds are populated by a variety of beings and creatures—including "little men" as well as Bigfoot. Here are numerous enchanting stories concerning these entities.

#### THE KACHINAS—REPRESENTATIVES OF THE GODS

The word "Kachina" reminds most people only of the small dolls or figures sold in souvenir shops throughout the western United States. Few realize that these dolls actually represent beings from another dimension that many Indians believe are soon to return providing to the world that there are other forces and more intelligent beings throughout the universe.

#### UFO STORIES OF THE NORTHWEST INDIANS

There are many abductions and contacts that can only now be told as well as many encounters of the Northwest Indians that are little known to those living outside the tribal towns. Here are the true tales of the modern-day Indians that go even beyond the legends of old.

#### VISION AT COURTHOUSE ROCK, SEDONA, AZ

One does not have to have Indian blood to experience a meeting with these hidden worlds well known to the Indians. A visit to Sedona's Courthouse Rock served as a transformational experience for David Jungclaus, and it can for anyone who goes on their own Vision Quest at such a Vortex.

# SPIRITUAL DESTINY OF AMERICA REVEALED!

## PROPHECIES OF THE PRESIDENTS

### SHOCKING FACTS THAT HAVE LONG BEEN SUPPRESSED

#### ● IS THERE A "SECRET GOVERNMENT"?

- DO THE SPIRITS OF WASHINGTON & LINCOLN WATCH OVER US FROM HEAVEN?
- ARE UFOS PILOTED BY "ANGELS" WHO PLAN TO INTERVENE IN OUR AFFAIRS AND GUIDE US TO ETERNAL PEACE & ENLIGHTENMENT?
- WILL THE NEGATIVE "DARK FORCES" WHO HAVE CURSED THIS GREAT UNION WIN IN THEIR BATTLE AGAINST THE POWER OF ALMIGHTY GOD?

#### ★ ★ ★ ★ ★ DO FRIENDLY SPACE BEINGS HELP GUIDE AMERICA'S FUTURE?

Exactly how do UFOS and the "Space Brothers" lie in with America's prophetic future? What is the evidence that benevolent ETs have assisted in the spiritual and material growth of America? What do our elected officials in Washington know about aliens and why are they keeping this information hidden from the public?

The authors claim that the occupants of other worldly craft have guided us from the very start and will continue to instruct us in a better way for mankind to live in peace and harmony with the cosmos.

• See the personally signed documents written in the pen of Jimmy Carter testifying to the validity of his own personal close encounter.

• Read an actual letter from Robert Kennedy outlining his belief that the true facts about UFOS should be given to the world.

• Learn of FDR's meeting with aliens.

• Find out where Ronald Reagan stands on this vital issue.

The authors of PROPHECIES OF THE PRESIDENTS believe strongly that the subject of space visitors will someday soon become an important campaign issue.

#### ★ ★ ★ ★ ★ A CURSE ON AMERICA

Over the decades since the founding of our nation, many powerful curses have been placed upon our leaders.

There is evidence that John Kennedy's death was a result of one such curse, and apparently, other presidents have fallen from power because of America's spiritual enemies.

For instance, there's an old legend which says that Chief Tippecanoe, who fought long and hard and was finally defeated by Zachary—Old Rough and Ready—Taylor (the 12th President), placed a curse on the nation as he went to his death. Supposedly, the curse lies in directly with the strange cycle of presidential deaths which takes place every twenty years. Even more recently, the Aytollah Khomeini is said to have asked Satan to help bring down the U.S. from its position of power.

At this very moment there is a war going on in the etherial places between the forces of good and evil. We are told that if the forces of darkness win the world will be in ruin, but if good triumphs there will be a millennium of peace and prosperity for everyone on earth.

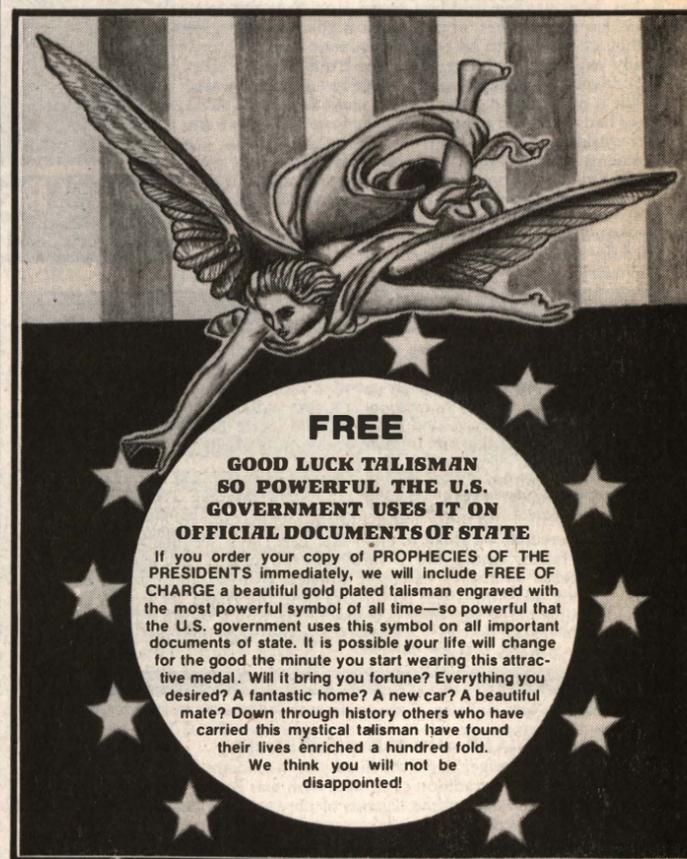

#### ★ ★ ★ ★ ★ THE MYSTERY OF THE GREAT SEAL

Have you every looked closely at a dollar bill? On the reverse side is a reproduction of the front and back side of the Great Seal of the United States. This seal is highly symbolic of America's role in the future of mankind and hidden within it is a clear indication of America's power and purpose in the rapidly approaching New Age. The Great Seal itself was given under very mystical circumstances and its exact origin remains a total mystery. Having researched the subject, the authors offer proof that the United States is to be the New Jerusalem, or the nucleus of the Kingdom of God on earth, as predicted in the Bible's Book of Revelations.

#### ★ ★ ★ ★ ★ WILL THERE BE A REVOLUTION OR THIRD WORLD WAR?

All the great seers predict that a

- WILL THERE BE BLOODSHED IN THE STREETS OF OUR CITIES & TOWNS?
- IS AMERICA THE "NEW JERUSALEM" AS PREDICTED IN THE BOOK OF REVELATIONS?
