A Personal Word from the Editor, Timothy Green Beckley

Something Very Strange Is Going On Here!

Mindy Gerber is very much like you and me, but with one possible exception—for this 34-year-old registered nurse has found herself the focal point of continued scrutiny by alien beings. Currently a Unit Manager for New Jersey Blood Services, I met Mindy this past July as she carried a picket sign in front of the White House demanding an end to the government's cover-up of UFOs. Far from being a kook, Mindy has spent eight of her ten years in nursing working in psychiatry, and is thus no stranger to the psychological jargon that often gets thrown around when dealing with the abduction phenomenon that is being reported in such increasing numbers across the United States today.

Anxious to share her experiences with those willing to listen with an open mind, Mindy readily accepted my invitation to speak at our *National New Age, Alien Agenda & Cosmic Conspiracies Conference* to be held September 24-27 at the Holiday Inn on West Peoria Avenue in Phoenix. She will be joining others who also claim to have "interacted" with either aliens, angels or invisible entities, and have had their lives changed forever.

For Mindy this all started when she was given a book on alien abductions to read. "I read the book," she explains "and thought maybe this happened to my mother, because she has had a long history of strange behavior that I could not fully understand from traditional psychiatric models."

As it turned out, Mindy's mother had been talking about UFOs years before it was the style. "We wrote to an address in the back of a book and an investigator came to see us and wrote out a report. He suggested that my mother contact Dr. David Jacobs, a history professor from Temple University who is heavily involved in abduction research."

Little by little, it became apparent that these abduction experiences ran in the Gerber family. "Dr. Jacobs eventually got me to consent to a hypnotic regression session and I started to remember somehow being transported into a UFO, where I was met by several small beings who placed me on a table and started to examine me."

Mindy says she remembers "seeing machines that utilized light in ways I was not familiar with. I remember that I was not in any physical pain and was not experiencing extreme terror in spite of this unusual experience."

They were able to anesthetize me in a physical and mental way that resembled paralysis without pain. I felt that they were in some way helping me, but I couldn't really be sure exactly what they were doing or why. It seemed as if they were concerned about my body and I began to wonder if maybe I was ill and didn't know it. Then a taller being entered and began working with my mind and I experienced seeing unusual colors and patterns and getting strange thoughts. I wasn't in any way harmed, but I was definitely being influenced mentally by this being. There were sexual feelings that I was experiencing. I don't remember seeing these beings very clearly and could not describe their physical characteristics clearly."

As strange as Mindy's story may seem, such abduction experiences have become quite common, with support groups springing up in many towns, and a growing number of professionals in the mental health field starting to take such cases at face value.

In addition to Mindy Gerber, others will speak at our Phoenix conference on the abduction syndrome. Author JENNY RANGLES is flying all the way from England to present her very serious findings; DR. TERRY SPENCER FRIEDMAN, Medical Director of the Phoenix Health & Medical Center, will demonstrate how to identify the different types of entities, and how to remove alien implants; while ROBYN ANDREWS QUAIL will talk about the amazing mass abduction that recently took place at a Southern-based telecommunications firm in which over 150 employees were whisked aboard a UFO.

We invite you to be with us for these four days—four days that may well change your life and the way you think about *everything* around you.

See you in Phoenix.

Tim—"Mr. UFO"—Beckley

20 YEAR SILENCE BROKEN—FIRST TIME IN PUBLIC

On the night of October 11, 1973, Calvin Parker and Charles Hickson were fishing from a pier in Pascagoula, Mississippi, when they saw a metallic spaceship hovering above the swampy area. Out of the craft came several humanoid creatures who grabbed them and levitated them through an open hatchway into the UFO, where they were examined. Both men were understandably stunned by this experience. Calvin Parker (then 19) went into hiding and has not been heard from in 20 years. During this—his first public lecture—Parker will describe what happened that night in detail, and later, during his "closed door" workshop, he will reveal HIS STUNNING SECRET that he has told no one, including subsequent contacts, and his involvement with the government. This is a thrilling—once-in-a-lifetime—opportunity to be a part of history. **Workshop: Saturday 5:00 PM.**

UFO S COUNTDOWN TO THE "GRAND DECEPTION" OF 1995

The author maintains that a sinister force will manipulate a secret de-facto world government in 1995, staging a fake extraterrestrial landing to bring about a New World Order, an ominous totalitarian system long prophesied.

Mr. Norio Hayakawa is the Regional Director of Civilian Intelligence Network, and has been instrumental in leading many expeditions to the perimeters of Area 51 in Nevada, to acquire information regarding the military's secret program there, as well as several covert operations facilities in California. He feels he has a mission to inform the public about the real reasons for the worldwide UFO cover-up and about a sinister plot he describes as the "Grand Deception of 1995" which he describes thusly.

shocking, unprecedented concurrences of events, particularly the unexplained disappearances of a segment of the population worldwide.

"I believe that at that junction, a dynamic, charismatic leader (who will arise out of the European Community, by then known as the United States of Europe) will appear live in a worldwide television news conference, and will offer a brilliant explanation to sedate the public. I somehow feel that this person is alive today somewhere in Western Europe, possibly around 29 years of age and just waiting to begin his 'mission' officially."

The Author
Mr. Norio Hayakawa

"From what has been shown me, I believe that there is a conditioning process now taking place that will be the basis for an incredible series of events to take place some time in the Fall of 1995.

"The big question on my mind is - what about all the drastic changes taking place - whether in world politics, economy, science, technology or even religion - are they sheer coincidence, or is there some unseen, pre-planned design behind them all? There is no question that the world is headed for some climactic moment or some type of "paradigm shift" as it continues its thrust towards the year 2000.

"I am convinced that UFOs - or at least what the public continues to perceive as UFOs - will play a significant role in bringing about such a "paradigm shift." It is my belief that UFOs are somehow linked to a sinister "occult" force present in the world that is manipulating a de-facto secret world government of a sort, preparing to ingeniously "stage a counterfeit extraterrestrial contact-landing and to simulate an extraterrestrial "threat" of invasion in order to urgently and ultimately bring about a delusive New World Order. The amazing thing is that the real guiding force behind this "staged" event may indeed be what could only be described as highly intelligent, but deceptive, "ultradimensional negative entities" conveniently materializing in disguise as extraterrestrial "aliens."

"Furthermore, I believe this "Grand Deception" will occur concurrently with a rapid series of shocking, incredible events, beginning with a Russian-backed Arab Confederacy's disastrous attempt to invade Israel. The world will be astounded by this sudden, unexpected move, fully backed by a massive nationalistic military force of a restructured Russian Federation (although initially "cornered" into this situation by the increased pressure and dexterous power-play of the rapidly-rising Islamic elements within the Federation). This dramatic invasion and the ensuing catastrophic conflagration in the Middle East will immediately be followed by unprecedented earthquakes worldwide, a worldwide financial crisis and a sudden, mysterious "evacuation" (or "removal," depending upon one's viewpoint) of a segment of the population worldwide, all of which will culminate in an urgent, official declaration of a totalitarian New World Order that will last for seven years upon its inception.

"The shocking series of events will - needless to say - put millions and millions of people worldwide in an absolute stupor for weeks during which time an ingeniously executed, extremely effected "multi-leveled" mind control program will be activated to calm down the stunned populace. The most difficult challenge that will be faced by the leadership in control of the New World Order that will be initiated at that time will be how best to explain away these

Through special arrangements with Inner Light Publications, Norio Hayakawa's startling revelations are being made public for the first time in a limited edition. Here is striking data on the "Secret War" now going on in the intelligence community between a group centered in the CIA called Aquarius (around a power known as "MJ-12") and a group known as "COM-12" centered around Naval Intelligence. COM-12 is reputedly trying to sustain a rear-guard action to preserve constitutional government and is deliberately leaking information to the former group. This publication contains hitherto unpublished data pertaining to this covert program that will take place - "if all goes as planned" by the year 1995.

Information revealed includes:

- The Secret Program At Area 51.
- The Mind-Control Game - A Future Scenario.
- Covert Operations & The Aerospace Connection.
- COM-12 Versus Wackenhut World Technologies.
- The Coming of The New World Order.

FREE-YOUR-OWN "IMMORTALITY TALISMAN"

COUNT SAINT GERMAIN-THE MOST MYSTERIOUS MAN OF ALL AGES-WOULD LIKE TO SHARE THE SECRET OF ETERNAL YOUTH WITH YOU!

SECRET FORMULAS OF THE WORLD'S GREATEST ALCHEMIST REVEALED FOR THE FIRST TIME

- ✓ Would you like to lead a happy, healthy and prosperous life of well over 200 years?
- ✓ Would you like to be able to apply certain ancient formulas and become rich beyond your wildest dreams?
- ✓ Do you wish to have more say in your life's destiny and added control of your mind and body?

Science may be on the verge of a fantastic breakthrough in life extension. At this very moment researchers in various universities and laboratories around the world are on the cusp of a monumental discovery which will allow each and every one of us to live longer, more productive, lives. It is speculated that a good percentage of us alive today could live to be 200 years old-and beyond!

Actually the secret of longevity has been known to spiritually advanced individuals for centuries. A reading of the Bible shows that it was not uncommon for those close to God to live to be a thousand years of age. Some theologians even suggest that one Biblical figure, St. John the Apostle, may never have passed away, but might have gone right on living, because his heart was so near to the Lord and he had befriended His only son Jesus.

Every age has its sages, its avatars, its prophets, and its master spiritual teachers.

Yet, no other figure in any age-including the time in which we currently live-is more revered than is the man of mystery known the world over as the Count Saint Germain-the man who never dies.

More and more, we see the name Count Saint Germain popping up in popular literature, from occult books to "dime store" historical novels.

There are those who claim to have met him personally, while others say he has "materialized" before them, or spoken to them on a regular basis, "channeling" messages of love, harmony, prosperity and immortality from a hidden city somewhere beneath Tibet.

YOU CAN BECOME AN ALCHEMIST

Here is said to be a man still alive and approaching the ripe old age of 400, who supposedly roamed Europe in the Seventeen Hundreds, helped the Founding Fathers draw up the Bill of Rights, and appeared on a television program in France as recently as ten years ago.

FREE IMMORTALITY OFFER TALISMAN

Furthermore, Saint Germain stumbled upon the secrets of the ancient art of learning how to restructure matter, rearrange atoms, and turn a lump of ordinary slag into a valuable piece of gold the size of a fist.

It can be proven he was rich beyond our wildest dreams... much richer than Rockefeller, the Rothschilds or any would-be dictator.

Saint Germain literally adorned himself with diamonds (which he "manufactured" in an alchemist's furnace), and most importantly, came across an ancient Cabalistic spell which enabled him to create the legendary "Philosopher's Stone" for eternal youth.

A TRUE ASCENDED MASTER

Throughout the last four centuries, Saint Germain apparently has walked the Earth in a variety of disguises, easily mingling with world leaders in order to promote the virtue of freedom and democracy. He particularly loves the United States, and has saved this country from great harm several times when he appeared before our President to offer advice and wisdom from higher realms. He may have even helped avert a nuclear war with Russia during the Cuban missile crisis, and is said to have warned Kennedy not to go to Dallas.

NAPOLEON'S SECRET COMMISSION

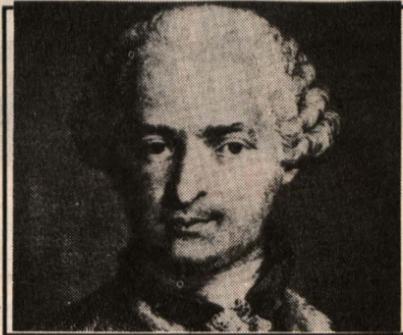

Among others, Napoleon was so taken with Saint Germain's activities in Europe, that he had formed a special commission to investigate the life of this man to see if there was any truth to the many fantastic claims being widely spread about him. The commission's findings were destroyed in a fierce fire that is thought to be more than "coincidence."

What we've concluded is that Saint Germain's ability to never grow old, lies not just in metaphysical teachings, but in his very philosophy of living.

Now as we move further along into the New Age, it is possible for each of us to accomplish much of what Saint Germain has done; to literally become our own alchemist and discover for ourselves the secrets behind the "Philosopher's Stone."

If you are at all fascinated with the possibility of immortality for yourself, or wish to possess the secrets known to only a few "wise men" or adepts, then by all means you will want to place your order for this book using the coupon provided.

The ancients believed that you would stay eternally youthful as long as you carried this talisman on your person. Was it folklore? Or did it really work? Find out for yourself when you carry the Immortality Talisman (available only when you order this book).

Behind the Scenes of the Global UFO Cover-Up by Timothy Green Beckley

Conference
Update!!

Contactee—Abductee—or just plain UFO researcher. Most everybody these days seem convinced that there is a global cover up of UFOs and aliens that goes to the highest levels of government—and possibly even beyond.

In 1980, Europe's leading UFOlogist Jenny Randles was invited into the corridors of power in Britain's historic "Houses of Parliament" to brief senior politicians about UFOs. She was told by top government figures that a long term "education program" was underway to gradually reveal the truth about the UFO mystery to the public and to reduce culture shock by acclimatizing the population with a series of impressive revelations.

Since that time, Ms. Randles has, herself, helped with this "education process" by authoring a number of very stimulating books offering proof that something highly peculiar is happening all over the world. Her most recent book for Inner Light/Global Communications titled *From Out of the Blue—the Facts in the UFO Cover-up at Bentwaters NATO Air Base* has just been released by Berkley Books as a mass market paperback, and the case itself (which involves direct communication between aliens and the military) has shocked millions when dramatized on both *Unsolved Mysteries* and Fox Network's *Sightings*.

Jenny is flying over shortly from England to let her voice be heard along with over fifth other speakers who will be presenting the latest facts and figures at the 5th National New Age, Alien Agenda & Cosmic Conspiracies Conference to be held September 24–27, 1993 at the Holiday Inn located at 2532 W. Peoria Avenue in Phoenix, Arizona.

"I have much to discuss that should be of interest to other UFOlogists as well as to those who have a curiosity about such matters," Jenny explains. "One of the things I will do at my lecture and my workshop will be to look at the evidence that suggests that such a promise of an 'education program' is currently being fulfilled. I will reveal some of the secrets pried out of government vaults in Europe little known to Americans, but which complement the more familiar declarations from the USA via the Freedom of Information Act." These revelations will include:

- Dramatic mid-air encounters over Britain where jets were scrambled to intercept UFOs and missiles were fired.
- The pilot who vanished from his aircraft when it ditched in the North Sea after a radar tracking UFO encounter.
- The French government UFO study team—the only publicly admitted state funded project. The French Defense Minister admitted the truth and told his country they would be astonished by the evidence then established, including landings at top scientific facilities.
- Revelations from the official release of Spanish government UFO files about underwater bases and alien contacts.
- The police officer abductee who was recently allowed to photograph the creature that took him into a craft for medical examination and "education" film show.
- How these escalating, dramatic revelations point towards a clever plan to reveal the ultimate truth to the world by stealth.

"I am also convinced that there has been a clear historical progression of the messages offered by aliens during their contact and of the reasoning they give for their need to conduct abductions. We also have 50 years of detailed alien contact to seek trends and look for proof that alien technology was witnessed long before such technology was known on Earth. The outcome is remarkable evidence for a systematic and logical program of alien contact." Jenny in her workshop promises to trace alien contacts from 1896 to those of the current wave of 1993.

Military Secrets

William F. Hamilton has been investigating UFOs one hell of a long time. As author of *Cosmic Top Secret* (Inner Light Publications) and *Alien Magic* (self-published), as well as dozens of articles in magazines such as *UFO Universe*, Hamilton knows pretty much of what he speaks. He is a dedicated

William Hamilton and John Lear are both convinced that the government is hiding the truth about UFO crashes and the military's involvement in this global cover-up. Both gentlemen will reveal their findings September 24–27 in Phoenix, at Inner Light's fifth annual conference there.

researcher who is not prone to sit at home merely theorizing about such lofty matters—instead he is always up and about getting to the heart of the matter first hand.

As he will show to most everyone's satisfaction in Phoenix at the forthcoming New Age/Alien Agenda Conference, the military has many, many, secrets they aren't likely going to tell us anything about.

"It's hardly a secret that the military keeps secrets. It is one of the best ways an army seeks to gain advantage of its enemies," notes Hamilton. "In the distant past, some thinker devised a means by which an army could defeat its adversaries. This involved a two-step approach. The first step is to gather intelligence on the enemy. What are his numbers? Who commands his forces? What are his supply lines? What are his strengths and his weaknesses? All of the available information gathered by espionage is then used to devise a strategy that, if carried out properly and with impeccable timing, would lead to the defeat of one's enemies. The strategic plan was kept a closely guarded secret to prevent the enemy from finding out. However, to insure that secrecy was maintained, depended on the loyalty of the troops. Civilians were not obligated to keep secrets and were not let in on secret military plans. In fact, anyone who did not need to know the plan was not included. The camp cook or horse trainer did not need access to the plan of attack. Various squadron leaders only needed to know part of the plan, that which pertained to their mission on the battlefield. Only the top Generals knew the whole plan.

"Then," continues the noted author, "somewhere in history, perhaps during the Greek or Roman wars, an innovative factor elevated strategy and secrecy to a new level of technology. Stimulated by threats, the human imagination soared and the development of new weapons of destruction entered the battlefields of earth. The Generals had a new means of achieving that enormous goal of superiority.

"World War II escalated war technology to new heights. The development of the V-2 rocket by the Germans at Penemunde, and the production of the world's first atomic bomb at Los Alamos set the new pace for the development of awesome weapons of mass destruction. The Manhattan Project established the protocol for operational security, compartmentalization, and the screening and clearing of personnel working on Top Secret programs, National Security was the primary citation justifying the keeping of military secrets.

"After the war, and the demonstration of the world's most awesome weapon of destruction over Japan, a new, mysterious, and superior technology came to the attention of the U.S. Air Force. Since it, unauthorizedly, entered our skies and landed or crashed on our soil, it was treated as a potential adversary, not as an object of scientific inquiry. Thus, the flying saucer entered our lives and was given the more respectable name UFO by Captain Edward Ruppelt of Project Bluebook. According to witnesses, secret military recovery operations

Unlike some abductees, Mary Wunder feels that her experiences with ETs have been of a beneficial nature—both for herself, as well as that of humankind in general.

were conducted to retrieve all remains of crashed discs and their alien crews. According to additional witnesses, secret studies conducted in secret labs were aimed at learning as much as possible about the aliens and their technology. Because of secrecy, security precautions, and outright threats, acquiring evidence to support these testimonies has presented the UFO researcher with insuperable obstacles.

"If the appearance of the phenomena could be contained, then security and secrecy would not be a problem. But, UFO sightings and abductions are public and the only way to insure that no serious attention is given it is to foster an atmosphere of ridicule. This strategy was initiated with the recommendations of the Robertson panel in 1953.

"An interesting dilemma has reared its ugly head. A small number of abductees have reported surveillance, intervention, or abduction by military personnel. Certain psychologists have suggested that these abductees are experiencing a type of hypnopompic hallucination and need not worry about abductions by real aliens or people. At first glance, the claims of abductees seem outrageous and paranoid. Are we to dismiss these reports as fabrications of deluded minds and return to a restful repose under a shady tree? Or are new and bizarre events emerging in UFOland? What attracts our attention is an increasing amount of circumstantial evidence that might support such wild stories.

"We have made one full revolution on the merry-go-round of secrecy. Are the aliens friend or foe? Has the Army, Navy, and Air Force found itself confronting superior intelligence and technology? What if some are friends and others are foes? Is there a secret military strategy to deal with the alien presence?

"The military's role in this phenomena seems to argue that we are dealing with real biological entities and spacecraft and a potential threat to our way of life. Should we be alarmed? Not yet. They have been around a long time and have not taken any mass offensive against us to date.

"What does concern me is the fact that excessive secrecy can lead to a breakdown in our cultural cohesiveness. It can lead to wild rumors and free-wheeling speculations. It can lead to ignorance and the disintegration of society. Will the Presidential Directive of April 26th which ordered a sweeping review of our classified documents make available previously classified UFO files? Will the efforts of Steven Aftergood and the Federation of American Scientists pay-off in their criticisms of excessive secrecy? Now is the time to restore trust and authentic security. Now is the time for revelation."

Plan to hear Hamilton in person and find out more.

Mass UFO Abductions

With the majority of abduction cases—at least when these incidents first started being made public—the incidents in question usually only involved one, or maybe two at the most, individuals. Then, on January 6, 1976, three women driving home from an all-night diner in Liberty, Kentucky found themselves shaken by the unknown when they were "kidnapped"—car and all—by a huge mothership that swooped right down over the road they were driving on and lifted them straight up into the night sky. Louise Smith, Mona Stafford and Elaine Thomas received their share of publicity because—as it turned out—their case was quite unique at the time, being that the aerial intruders had "entertained" a trio in their other-worldly examining room.

Today it's not so unusual for a multiple number of witnesses to be involved in an abduction experience. Take, for example, the case of "Linda Cortile" who was, according to investigator Budd Hopkins, levitated out of the window of her apartment building overlooking the Brooklyn Bridge in full view of terrified and bewildered motorists who were clearly observing the antics of the aliens and their paralyzed victim. Veteran UFOlogist Jim Moseley will provide a pro and con overview of this startling case at our Phoenix conference,

but it will only be a prelude to the reports to be given by two other speakers on what has become known as the mass abduction syndrome.

Derrel W. Sims is chief abductions investigator for the Houston UFO Network, a former CIA agent, and a Master Hypnotherapist who has worked with a number of abductees specializing in "alien implants." It was Sims who was responsible for bringing the attention of the UFO community to a case that transpired in December, 1992, and which involved the abduction of nearly a dozen responsible individuals who underwent apparently the identical experience, though the evening's activities were promptly erased from their minds by their alien captors.

"I am convinced that these beings are stepping up their activities," states Sims, who started his UFO investigations in 1964 when he and psychologist Ken Gwynee began to study the phenomenon. "Along with my teenage son, I have personally experienced abductions on different occasions, so I know what these aliens are capable of doing." Sims states that he is hard at work locating as much hard evidence as possible. "There are a number of people who possess important information on artifacts, but have no way to protect their privacy, and I have developed methodologies that ensure the abductees' privacy will be maintained, and that the data correlated properly."

In Phoenix, Sims will lead the audience down a fascinating path, including such topics as alien morphology, "inside ships," and x-rays showing strange surgical instruments apparently left inside the bodies of abductees. He will also tell some of the results being obtained by the use of hypnosis in getting recollection of events by those involved in such incidents. Sims has issued several "Wanted" posters, depicting a typical gray and has noted that they were wanted for "kidnapping, abduction, sexual assault, child snatching, mental cruelty and brain washing."

Time Is Of The Essence!

Mary M. Wunder is an abductee, and a conscious channeler who doesn't see aliens in such a negative light. In fact, once a skeptic, Mary's heart and mind was eventually opened to the wonders of the universe after meeting up with the *Centrinians*, an alien race that comes from another "time zone" within our universe.

"All too often, the people of Earth haven't got the faintest clue as to the 'WHY' of the alien's presence. The group I have encountered are a very peaceful race who have our welfare at heart." In fact, Mary says they have given her through various symbols the meaning of their coming here at this time." Basically, they are here to teach us that we need to do, what we had agreed to do from the beginning, before we came into these Earthly bodies. The information the *Centrinian's* have given me will provide you with the choice of knowing what is right for you...they are here, in essence, to help

involved as one of 50 principal colonies when 7,200,000 of the most advanced men and women from Brsgv's Sector of six galaxies, led by Commander Fahsz landed here eons ago to develop what they call "the Governance."

After completing a tour of duty in the Korean War, Wilcox was instructed to begin teaching metaphysics, including the law of reincarnation and karma. He was told by Master Fahsz to select 12 men and women for the purpose of explaining the entire scope of the Governance Mission and how the United States was involved with three "Tests of Destiny."

In his lecture, "Time Warps, Worm Holes and UFOs," Wilcox promises to reveal the truth concerning the subject of time travel and how we should prepare ourselves for a "global graduation," as our consciousness continues

you find your LIGHT OF TRUTH."

Author of *A Message From The Stars*, Mary will reveal in her workshop how you can become a fourth dimensional being and receive personal messages from the Fourth Dimension, while your path is lead by the Truth of Light. "The *Centrinians* have told me that 'Intuition is now the path, on which ALL are being lead.'"

Hal Wilcox—Physical Contactee

It can probably be safely said that Hal Wilcox is from the "old school" of UFOdom, in that he claims to be a physical contactee; that is, someone who has taken trips onboard space ships from other worlds in the conscious body, and not while channeling or astral projecting.

As strange as it may seem to some, according to Wilcox, on November 17, 1963, "an Avatar from another planet knocked on my door and a being who introduced himself as Zemkla from the Barnard Star System proceeded to reveal many important things to me. One of the matters we discussed was that of the human body's defense against the aging virus. I was told that the earth became

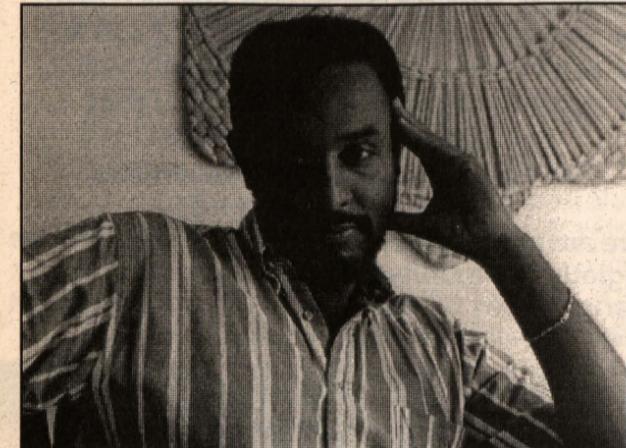

to be opened. Wilcox hopes to create an "escape route" to the next higher level of consciousness with physical help from friendly ETs. Going steps further, later during his workshop titled, "How to Control Your Indolic Immune System," Hal says he will explain why it is that we are being rejected by aliens due to contaminants and that in order to move through time and space, we have to learn how to reject that which is not healthy.

Indeed, those who are searching for a New Age approach to UFOs should find Hal Wilcox most intriguing.

Richard J. Johnston On The Galactic Brotherhood And The Planetary Shift

Richard J. Johnston has been a senior computer programmer and analyst for such Fortune 500 firms as General Motors, Proctor and Gamble, EDS and Motorola. His interest in UFOs began when he experienced his first sighting in the early 1980s. The sight of this large, diamond-shaped, green-glowing object began Richard on a journey of questioning.

In 1988, Richard met Dr. Delbert Blair, a 30 year UFO researcher residing in Chicago. It was through Dr. Blair that Richard discovered the extent of

What are we to believe when Richard J. Johnston states that some sort of earthshaking revelations will soon be made known by either the extraterrestrials themselves or the government.

the worldwide UFO phenomenon with emphasis on the 40-year-old UFO cover-up being perpetrated by the United States government.

This was followed by a series of coincidental meetings with people who were in some way associated with UFOlogy—researchers, contactees, abductees and military intelligence officers.

"These meetings were not entirely coincidental. I was carefully being led in a certain direction," says Richard.

Richard's research culminated when he was personally contacted by a group of extraterrestrials in the summer of 1992. This experience, along with subsequent contacts, inspired him to devote his life full-time to public speaking on the subject of UFOs.

"According to the ETs, the world is about to go through some extremely dramatic changes. The extraterrestrials are about to make their presence known. Major, worldwide sightings and landings are about to take place. It will be covered by all the media. There will be no way for the governments of the world to hide it any longer. In an effort to decrease the shock of these events, the ETs are now 'activating' certain individuals all over the world to conduct lectures and seminars and awaken humanity to the reality of the UFO phenomenon."

Throughout his many experiences, Johnston is convinced that these events were preparing him for his introduction with an emissary of the "Galactic Brotherhood of Light," a group of benevolent ETs who are here to assist humankind through the troubled times ahead, including a forthcoming "planetary shift." His lecture and workshop will explore the suggestions given by the ETs to ensure survival and lessen the turbulence of the upcoming changes that are going to take place within our lives. The many topics he has personally chosen to explore include a cure for AIDS, "Free" Energy, weather control, life on Mars, time travel, plans for a police state, the "Illuminati," Mind Control, Human Mutilators, and what he terms the "Robot Warriors."

Though relatively new to the lecture platform, Johnston promises to be a welcome new face.

Tony Cuneo—Practicing Shaman

Though interested in UFOs and alien intelligence, metaphysician Tony Cuneo of Scottsdale, Arizona, tries to bring subjects such as these down to a more earthly level. A teacher of the ancient sciences of Feng-Shui/Geomancy, Cuneo has practiced and studied metaphysics with medicine men, Kuhunas, black hat Taoists, Rabbis, meditation masters and secret societies for more than 40 years.

It all started on the Indian reservations in Arizona. Tony saw a group of boys running from an old Indian man. He asked the old man "why are those boys afraid of you?"

A well-known UFO contactee, Hal Wilcox professes many physical encounters with human-like extraterrestrials.

The old man replied, "I am a Medicine Man, are you not afraid too?" Tony said "no" and the old man told Tony "you talk to God through the top of your head and I will teach you."

The Medicine Man taught Tony Indian secrets that have been passed down from generation to generation. One story was of a white man who was to come and teach and lead the Indians through the earth changes. The Medicine Man believed this could be Tony. He introduced Tony to other Medicine Men, Kahunas and Mystics for further training. Tony also studied Feng Shui with Black Hat Taoists, the Cabala with Rabbis and palm reading with gypsies. This was just the beginning of Tony's search for knowledge.

When he was 21, Tony had a serious accident in which he almost lost his life, and left him with a problem of balance. After his recovery, one night he was approached by a man who told him not to be concerned with his balance problem; it was due to a tumor in his stomach; it was pass—just as his father and grandfather had experienced. This was true. This man encouraged Tony to keep studying and learning throughout his life. Some day he would be-

come a teacher, healer, author, speaker and a leader of people through the earth changes into the new world. Tony laughed.

In his 30s, Tony studied in Egypt. The same man appeared and said to him the same thing as before. Tony thought nothing of it, again laughed and said, "I don't want the job!" When he was at Potmas in Greece, in the cave where John wrote the book of Revelations, a greek Orthodox Priest came to him with that same man. They said "you did not come by accident, you were directed here," and sent him to the monastery in Patmos to study the ancient relics from the past. Tony was approached by this same man three more times in Europe, the Middle East and America. Each time he told Tony the same thing. Tony continued to rebel with "I don't want the job!"

In his late 30s and early 40s, Tony traveled the

world as the bodyguard of the guru Muktanada and studied the knowledge of the meditation masters. In his travels with Muktanada he was exposed to famous authors and intellectuals from all over the world and they would discuss philosophy, mysticism and religion into the late hours of the night.

Tony continues his quest for knowledge; however, he has shifted to the training of others for survival in the new world.

During his appearance at the New Age, Alien Agenda Conference in Phoenix, Cuneo will examine the truth about Earth Magic and Ley Lines and how they affect your life, money, health, home relationships every minute of the day, and not just when a UFO comes overhead.

NOTE: Phoenix area residents may purchase conference tickets at Alpha Books (253-1223) and Jan Ross Books (841-4933). Credit card customers should call (908) 602-3407. Tickets will also be available at the door.

I Am El-Ma-Ra And This Is Your "Wake Up" Call

Attention all you Walk-Ins, Angels and Awakening ETs who are here in Earthly bodies. The Ship's doctors have arrived to assist those of you who feel your body is NOT compatible consciously with your spirit. I, El-Ma-Ra, am here to on the planet Earth to work on your consciousness with the help of multi-dimensional beings who wish to assist you not merely to heal your body, but to support your evolution and transmutation into a "Light Body."

I, El-Ma-Ra, am working with the members of a "planetary transition" team consisting of Interdimensional Masters who are able to see the future NOW. I am also assisted by the Council for Planetary Evolution who are volunteers from 12 local solar systems and with the members of the "Tribe of Light."

Between the years 1986 and 1993, five different teams have been assigned the task of awakening, activating and mobilizing the Planetary Transition Team Members. These team members have come from afar to assist the Earth as she transcends the third and fourth dimension of limitation and illusion and enters the *Fifth Dimension of the Divine Plan*.

The Planetary Transition Team Members are experts

at transitioning planets. They are the STARSEEDS or WALK-INS...in essence, intergalactic adventurers hired by the universe to carry out their part in the Divine Plan. They take on the limitations of the planet that they are transitioning. At a certain point, they are given the WAKE UP CALL. They are fearless with the conscious idea of co-creating Heaven on Earth.

FREE SACRED TALISMAN ENABLES YOU TO:

CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee. to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold I will send my angel, who shall go forth before thee, and keep thee in thy journey, and bring thee into the place that I shall have prepared."

Now for the FIRST TIME, you can learn all there is to know about God's "special helpers"—why angels were created: what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released titled **ANGELS OF THE LORD**:

ANGELS WALK AMONGST US

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden

dangers; help in the saving of our soul; pray for and with us; assist us in praising God and; help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

HIERARCHY OF ANGELS

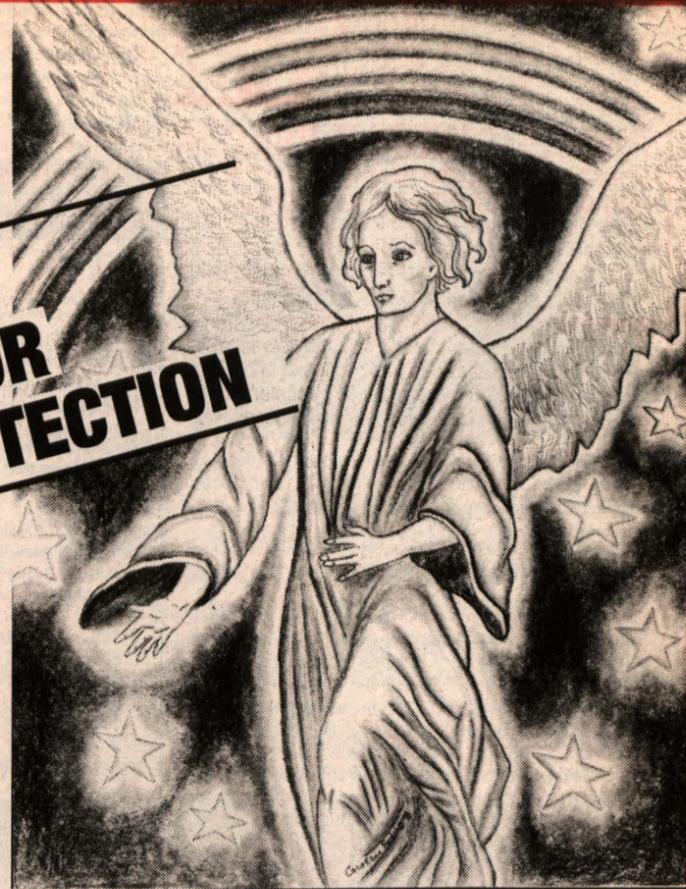

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example: • The New York woman whose guardian angel led her to a job when she was totally destitute • The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II • The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding • The band of angels that prevented dozens of GIs from freezing in Korea.

ROLE OF ANGELS IN HISTORY

• George Washington had a vision in which an angel appeared to him and foretold the future history of the United States. • The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic. • Sainly Pedro Polo, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others. • St. Benedict claims that angels actually joined the holy monks in song.

• St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life. • St. Frances often read at night by the light given off by the glowing hair of her guardian angel. • There is even evidence that the writing of the Constitution was done with the help of an angel.

UFOS OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on Radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye, utilizing a method that science has only begun to dream of.

WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools that Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age-old war, and what it means to follow the "Great White Light."

A POWERFUL FREE GIFT TO ENRICH YOUR LIFE

When you order your personal copy of **ANGELS OF THE LORD**, we will send you free of charge a special talisman in the form of a prayer that will enable you to contact your own guardian angel. The World Famous Abductee From Pascagoula Breaks His 20-Year Silence!

Calvin Parker Proclaims: "I've Got A Secret!"

by Timothy Green Beckley

Next to Betty Hill and Travis Walton, Calvin Parker is, without a doubt, the most famous UFO abductee of all time.

Back in October of 1973, Parker—no more than 20 years old—made headlines when he and Charles Hickson were levitated onboard a strange craft from another world as they sat fishing off a pier in Pascagoula, Mississippi.

Once inside the craft, the two men were placed into separate compartments where they were given physical examinations by robot-like beings who made up the ship's crew. According to Hickson (the only member of the pair who would even consider discussing what transpired), a giant eyeball-like apparatus came out of the ceiling and moved over him from head to toe as if photographing the inside of his body. And while neither Hickson or Parker know for sure how long their ordeal lasted, both estimate that they were gone for a considerable period of time—possibly several hours—before being floated back down to an area near where they had originally been abducted.

In a somewhat dazed and confused state, the two men who had originally planned to spend the entire evening fishing, found themselves, instead, under a great deal of stress totally undecided about what they should do—and who they should tell—about what they had experienced.

Eventually, Parker and Hickson decided to report their abduction to the local press, but being that the paper was already closed for the night, they had little alternative but to telephone the Jackson County sheriff's office. Initially, the sheriff would not accept the story that he was told, and decided to "lock up" the two abductees for their own "safety." Inside the jail cell, the sheriff hid a microphone by which he hoped to eavesdrop while in another room and overhear the two confessing among themselves that the entire affair was a scam and a hoax.

Even while alone, however, Parker and Hickson really seemed "beside" themselves. Fearing that their story might really be true, and the men might be contaminated, the sheriff telephoned the local military base requesting special instructions. It was at this point that the late Dr. J. Allen Hynek was

called into the case, along with Dr. James A. Harder, who at the time was a hypnotist associated with the Aerial Phenomena Research Organization.

After hours of investigation, both scientists came away convinced that Parker and Hickson were telling the truth. They seemed really frightened—shaking and trembling—and even passed the lie detector test that was given to them.

Under cross-examination, the men described the peculiar nature of the aliens (see drawing at right). Unlike most abductees who report their abductors as being short and gray with bulging eyes—to Parker and Hickson their UFO-nauts looked more like mummies with wrinkled skin that wrapped around and slits instead of eyes.

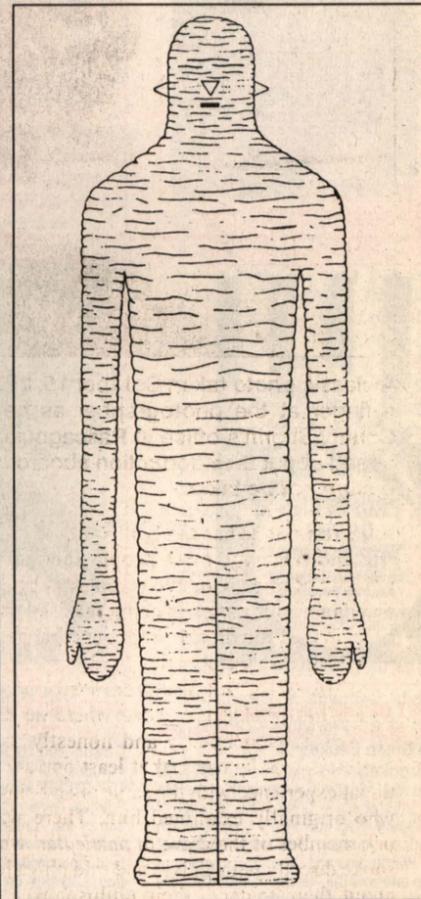

Curiously, although the men were most reluctant to go public with their encounter, somehow the local TV station as well as the press got wind of what had happened and converged on Parker and Hickson, making their life a living hell for several weeks, as the witnesses were hounded day and night by members of the media telephoning and trying to collar them in person to scoop their rivals. Indeed, the case made headlines everywhere and is the only UFO story to have ever graced the cover of *Rolling Stone* magazine.

Because of the discomfiting situation Parker and Hickson found themselves in, they went into immediate hiding. At one point, Calvin literally had to defend himself as he tried to escape the toying eye of a news photographer who got a bit too close to his subject and, as it turned out, Parker ended up poking a finger directly into the lens in order to keep his picture from being taken (see photo above).

For more than 20 years, no one heard from Calvin Parker. Rumors had it that he had moved out of the state or had passed away. From time to time, Hickson would appear at UFO conferences and grant interviews to tell his side of the story, but for about two decades, Calvin preferred to keep totally mum about the incident that had shaken him up—literally horrified him—and drove him to the point of a nervous breakdown.

Now—QUITE SUDDENLY—things have changed and Parker is more than willing to tell his end of the story.

"Everybody thought that I had remained unconscious for the most part while onboard the ship and that's why I couldn't recall anything about what had happened. But, frankly, I saw absolutely no reason to trust anyone with my experience. There was a lot that went on that night when I was alone with these creatures that I've never spoken to another living soul about." But now because of "pending circumstances," Parker feels the time has come to break his self-imposed "code of silence" and bring his full story to the world—or at least to that portion of the world that is willing to

Under hypnosis, Calvin Parker's friend, Charles Hickson, gave a stunning, detailed description of the aliens who levitated both of them onboard a strange craft that fear-filled night nearly two decades ago.

A classic photo taken October 15, 1973, showing a young Calvin Parker pointing a finger at the photographer as he and Charles Hickson leave the Jackson County Sheriff's office in Pascagoula, Mississippi, where they were being questioned about their abduction aboard a UFO. Parker requested at the time that his picture not be taken.

listen to what he has to say.

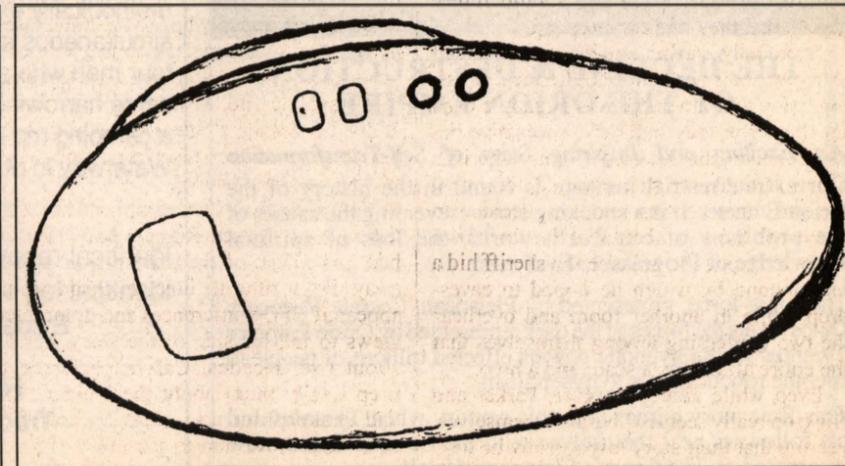

"Until recently, most people scoffed at the idea of alien abductions, but now more and more information is being released and I feel just a little bit calmer about what happened back on October 11, 1973."

In order to "set the record straight," Parker has produced a video where he expresses himself openly and honestly and confesses that he has had at least one additional experience with the same alien beings who originally examined him. There was one member of the crew, *in particular*, who spoke directly with Calvin and told him a lot about their science, their philosophy and why it is they are coming to Earth at this point in the history of humankind.

"What I have to say will definitely shock some people," Calvin admits. "Many may go away shaking their heads in disbelief,

but I have to be above-board and tell the truth about what this is all about—even if it is unpleasant."

When Calvin Parker sets foot upon the stage at the Holiday Inn to tell his story for the 5th Annual National New Age, Alien Agenda & Cosmic Conspiracies Conference, all eyes will no doubt be frozen straight ahead to get a glimpse of the man who was a household word back in the early seventies. It will be then that he will speak for the first time before an actual audience. He will tell all that he can, saving the biggest blockbuster revelations—his real SECRET—for those attending his private workshop the next day. Following this public disclosure, Parker will return to his home in Louisiana and will put the finishing touches on a syndicated television show he has been actively working on for the past few months which, in a dramatic style—complete with audience participation—will probe further into the UFO and abduction phenomena, going so far as to have others on the show who have shared his encounters with strange and unknown entities.

Drawn by artist Curtis Watkins while Charlie Hickson was in deep trance, this is a near-perfect likeness of the UFO in which Hickson and Parker were examined.

A MESSAGE FROM THE STARS

Mary M. Wunder

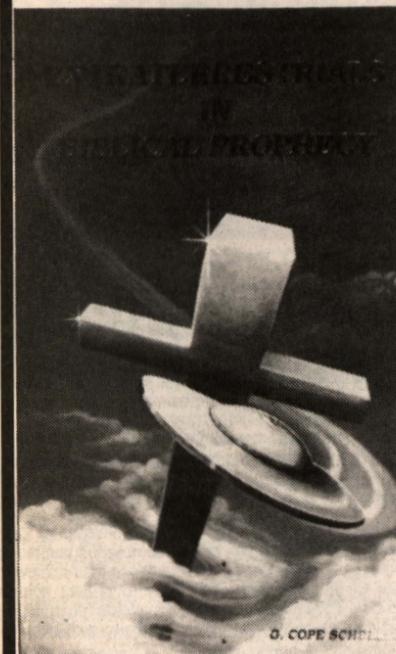

Abduction * Earth Change Essays * ET Sign Language

Author Mary M. Wunder has all the scars in all the right places and photographs and witnesses to verify her account. But "A Message From The Stars" is much more than an interesting abduction story. Her experiences have made her not a victim but a messenger with a unique series of messages. Her main contact, Alexdia, an extraterrestrial from the constellation of Andromeda, has communicated to her the signs of a most extraordinary pictographic language reproduced in full in this book. What is more, Mary has been given five unique essays, also reproduced here, which detail imminent catastrophic earth changes about to wrack our planet. We are told about the three extraterrestrial races working in harmony to prepare the evacuation of survivors to several new worlds where human life will continue to develop. Most remarkably, "A Message From The Stars" seems to begin where the Book of Revelation ends.

EXTRATERRESTRIALS IN BIBLICAL PROPHECY

G. Cope Schellhorn

If you have suspected that today's UFOs might be related to the events of End Time or the Last Days as described in Scripture, you will find your suspicions confirmed by a bold book that takes a careful new look at the Old and New Testaments. "Extraterrestrials In Biblical Prophecy and the New Age Great Experiment" offers the reader in a simple straightforward style an in-depth, down-to-earth look at the new evidence which suggests that our Scriptures have even more to say to us than we previously believed. Now open to us is a new dimension of meaning that is as startling as it is finally reassuring. Discover - What the government doesn't want you to know about the connections between UFOs and the Bible. Why theologians, because of past mistranslation of several key Semitic words in the Bible, have failed to see the greater truth. Why extraterrestrials conducted biological experiments on early man. How and why the prophets were "programmed" by ET's to carry a particular message to mankind. How the pre-Hebrew Sumerian-Babylonians knew about Wormwood and the havoc it periodically causes and much more.

As we head into the 21st Century, it will be common to see humans demonstrate what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clairvoyance," which is the ability to feel something at a distance without touching it due to an electro chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in it's ability to control all things created around it, in effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the mind which now lays dormant, mankind will be in total control of its environment.

GOOD NEWS!!! You don't have to wait. Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations have taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions; the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is UNDER OUR COMMAND.

THE ELEMENTAL & ANGELIC KINGDOMS

When the earth was formed, God made man and woman in his image and gave them power over all domain. But in order to truly establish a rapport with his creations, it is necessary to realize that God also created a host of other kingdoms. Right now-ALL AROUND US-there are uncountable tiny creatures which exist in what is called the "ether". They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining you money, fame, love or anything else your heart desires, they do what you want-as long as you know how to talk to them-without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

MIND POWER TO CREATE AND TO HEAL

Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

One person who has adapted the principles in this book has been seen by the author to turn ordinary table butter into money. Likewise, there are those now living on our planet who can cure the ailments of others simply by saying a few words, and thinking in the prescribed manner.

The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God did not intend it that way? In this book you will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

THE ANCIENTS KNEW ABOUT IT

A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to

knowledge of the universe. Time travel, bi-location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but in China, Africa, Mexico, Central America and even off the coast of the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They knew how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a SUPERBEING and achieve your destiny without delay!

CIA/ALIEN CONNECTION EXPOSED!

The following books contain dramatic details concerning the U.S. government's attempt to keep hidden from the public the greatest truth of all time...the fact that interplanetary visitors have arrived upon our cosmic shores.

Eight U.S. Presidents have been aware of the facts.

It has been said that John F. Kennedy was assassinated because he was about to reveal the existence of a super intelligence group known as "MJ-12" who have had in their possession since the late 1940s wreckage of space craft as well as bodies of small, gray-colored extraterrestrials.

**WARNING: READ THESE BOOKS
AT YOUR OWN RISK**

1 MJ-12 AND THE RIDDLE OF HANGAR 18
by Timothy Green Beckley

Now for the first time here are all the facts about this "Cosmic Water-gate," released because the public has a right to know the truth. Here are suppressed CIA/FBI/State Department documents proving the U.S. possesses remains of UFOs and alien beings. Chapters include *Inside the Flying Saucers—The Aztec Crash—The Downed Los Alamos Saucer—Inside Hangar 18—Did A UFO Crash In Central Park?—Allen Artifact Uncovered—Day A UFO Crashed Inside Russia—Allen Dies On Military Base—The Mysterious Professor Tells All—Night A UFO Came Crashing Down Over Ohio—Occupants Repair Disabled Craft—The Inside Story of "Majestic 12."* Contains alleged photographs of badly burned aliens that crashed in Southwestern United States. Also "Photo Album" included. 210 pages—\$15.00.

**2 THE PHILADELPHIA EXPERIMENT &
OTHER UFO CONSPIRACIES**
by Brad & Sherry Steiger with Alfred Blelek

In 1943, the U.S. Navy secretly accomplished the teleportation of a warship from Philadelphia to a dock near Norfolk by successfully applying Einstein's Unified Field Theory. The experiment also caused the crew of the ship to become invisible, during which time they were sent to a time-space warp into another dimension. The majority of the crew continued to experience devastating "side effects" the rest of their lives, becoming invisible and catching on fire. For the first time a survivor of the experiment tells his personal story and how the project was actually the result of alien technology. The book also covers other classified "Black Projects" such as genetic cloning, age regression and progression and time travel—\$15.00.

**3 COSMIC TOP SECRET—
AMERICA'S SECRET UFO PROGRAM**
by William Hamilton (Introduction by John Lear)

At this very moment within the confines of a secret military base in Nevada the U.S. military is test flying craft from other worlds which they have obtained as the result of these objects crash landing on Earth. "There is," says the author, "proof that Top Secret, compartmentalized projects within the military-industrial complex are working on extremely advanced super-technology based on alien artifacts recovered—\$13.00.

4 SUBTERRANEAN WORLDS INSIDE EARTH
by Timothy Green Beckley

This may be the biggest cover-up in history! Is the Earth hollow? Is our planet honeycombed with caverns inhabited by a race of super beings? Are the residents of this subsurface world friendly or do they have our domination in mind? Here is a Space Age mystery that is stranger than fiction. These are the strange and unexplainable legends of the "Wee People," the Dero of the Shaver Mystery, and the long-haired Atlantean giants as encountered by cave explorers and miners trapped beneath the surface. Learn of the disappearance of Col. Fawcett while in search of a hidden city in the jungle, and the existence of the "Jersey Devil" said to roam the shoreline on rain-soaked nights.—\$13.00

5 THE ULTIMATE DECEPTION
by Commander X

The most sensational government conspiracy of our time is finally revealed to the world by a retired military officer. This book is dedicated to those few brave souls who have risked their lives to leak the story of the century to a public that has long been held in a state of "blissful ignorance."

VISA/MASTERCARD ORDERS OVER \$30

This is a conspiracy that leads right up to the front gate of the White House, and involves the agreement forged between the military and a group of ETs referred to as the EBEs (short for Extraterrestrial Biological Entities). As part of this conspiracy, the government has literally "sold out" our citizens by extending to the EBEs the right to abduct humans and to plant monitoring devices in their brains, in exchange for technical and scientific data. "Our only hope for survival," says Commander X, "is a second group of benevolent ETs—most commonly referred to as the 'Nordic-types'—who believe in the universal law of 'non-interference.'"—\$15.00.

6 UNDERGROUND ALIEN BASES
by Commander X

Aliens have established underground bases around the planet. An ancient tunnel system has existed on Earth since the time of Atlantis. Entrance ways can be found in many major cities. Some government and military officials have taken the side of the aliens. Here are bizarre stories about underground bases at Dulce, New Mexico; Groom Lake, Nevada; South and North Pole; Mt. Shasta, California, as well as in the Andes. Here also are the first-hand reports of individuals who have been abducted, and have survived genetic experiments in these locations—\$15.00.

7 THE UFO SILENCERS—MYSTERY OF THE MEN IN BLACK
by Timothy Green Beckley

One by one they have warned witnesses to remain silent! Who are these strange beings who have become so much a part of unexplained aerial phenomena? Are they military agents? Do they represent a "Secret Government?" Or are they extraterrestrial entities themselves? Here are reports so bizarre that many of them defy any sort of Earthly explanation—\$13.00.

**WARNING!—THIS MATERIAL IS FOR YOUR OWN
BENEFIT AND IS NOT TO BE TAKEN LIGHTLY**

The Missing Line is a 30,000 word dialogue with maps and charts put together in a chronology of documented knowledge with realistic values of psychic astrology, essentialism and unbiased logic. This paper offers an original theory for a "four dimensional creation" and establishes its relativity in all time frames of the evolutionary calendar with unbroken continuity. It bypasses the conflict established by "relational science" and replaces it with logic and reason. It outlines original concepts of transitional life-forms, hosted gene patterns, matured specie origins from Dinosaurs to the psychotic dilemma of human creation and evolution, offering a bold new theory to the Big Bang concept of creation.

MT. SHASTA— THE LEMURIAN CONNECTION

by Sharula Dux

The keepers of the subterranean cities are planning to return to the surface world to assist mankind in the evolution of the planet.

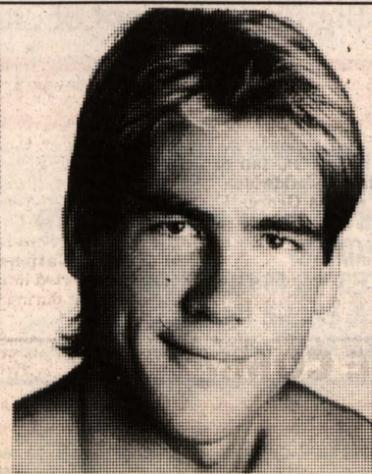

I was born and raised in a Lemurian city underneath Mount Shasta, called Telos. We number one and one half million, and are the final guardians of the Lemurian legacy. This legacy consists of such things as perpetual energy, a technology using crystalline and geometrical pyramid force fields that drive all our machines. There are also computers that have organic components capable of formulating countless combinations of logical computations and abstract thought. We have the technology to tap into the crystalline matrix of this planet, as well as other planets that compose the Elohim computers. Our computer systems are capable of connecting with multidimensional grids, making all etheric records available and interdimensional communications possible. These technologies were all developed many, many thousands of years ago on the continent of Lemuria and brought to Telos as the continent sunk.

The subterranean cities—of which there are over a hundred—make up what is called the Agartha Network! Telos, the Lemurian city; Posid, the Atlantean city; and Shambala the Lesser (the city of Elohim computers) are the largest, all having over a million inhabitants. The subterranean cities are preparing to re-link with our brothers and sisters on the planets' surface, to usher in the Golden Age for our mutual home. We are preparing to release Lemurian, Agarthian, and Confederation technology (we are all part of the Ashtar Command).

COUNCIL OF TWELVE

To the Councils of Twelve that guide our planet and subterranean cities, spiritual technologies are considered to be the most important and will be released first. After all, we are spirit and the mandates from the highest is to "Get my children free!" But we understand the body and the mind call as well, and in the very near future technologies to teach healer/musicians to create sound force fields capable of regrowing damaged organs or lost limbs will be integrated to the surface cities. Music for the general public that creates accelerated spiritual growth, advanced learning skills, birthing techniques, transmutation and regeneration techniques, sacred geometries, will be shared. This is to name but a few.

One of the most important gifts we would bring, is the information to help you understand the real world we live in, not the one ego, or third dimensional reality you would have us believe is real. How to take back dominion of this planet. How to control your thoughts and bodies, instead of being controlled by them. How to reverse aging and death. These are gifts of spirit that we are all entitled to, not just a select few masters that you read about. Recognize what you think of yourself and others become your reality. "What a man so thinketh, he becometh." It's the basic law of the

Sharula and Shield Dux

universe, thereby giving us the key to our abundance and happiness.

We would also see you come forward and claim your place in the Galactic Commands and Melchizedek Priesthood to help usher our planet back to perfection. Earth is ascending and so are the beings upon it. So dear ones, why not take the step of self acknowledgement and begin to pray for you divinity to unfold. We are all Gods and Goddesses, but we've fallen asleep in the third dimensional slumber of Earth. Adama, who is the High Priest of the Melchizedek temple at Telos, has a favorite quote: "Earth is a school-room for Gods. And graduation is here and now!"

Since Telos is active in space duty—namely the silver fleet which is a branch of the Ashtar Command—we also have galactic technologies and activations to share. So much is happening as we prepare to fully move into the Aquarian Age and Multidimensional status, that beings from all over the galaxy are drawing near to witness our graduation, and to watch the fireworks. Naturally, no one is being left untouched. All this upheaval in the Middle East; Communism falling; the Noriega trials; major toxic waste spillings—it's all an expression of the planet preparing to go Multi-dimensional. She is cleansing herself of the long dominant structures of limitation. But this experiment is being brought to a close as we are quickly slipping into another Age and a new frequency.

STARGATES

For example, vector fields of energy, called *Stargates*, have been—and will continue—to open around this planet, pushing it into the grids known as the Cosmic Tree of Life, a game all the other planets have been playing while we've been virtually locked out of it. The Tree is made up of archetypes of consciousness that guide man towards God Consciousness. Each major archetype man's consciousness must pass through is called a Separoth. We are in the process of ensouling our separothic field of Malkuth, the first separoth of the Tree of Life. Since Malkuth represents our foundation and survival, this will create an energetic launching pad for this planet and all the beings on her.

Understand, this is why so much of the planet appears, along with your personal lives, to be in chaos or survival, financially, emotional or otherwise. This is to heal our deservability. What I mean by this is that since we chose this third dimensional experience, it appeared to separate us from our source of Father/Mother God, and it appeared that we did not deserve our divine or Godly status. Nothing, of course, could be farther from the truth. We just got so involved in our game playing here on Earth we forgot how to get out.

Come meet Sharula and her twin flame Shield Dux at the National New Age, Alien Agenda & Cosmic Conspiracies Conference in Phoenix, Sept. 24-27 at the Holiday Inn.

DOZENS OF SINISTER "SECRET SOCIETIES" EXPOSED!—ALL EVIL PUT TO REST!— YOU MUST READ THIS TWO VOLUME SET DESCRIBING ALL MANNER OF GLOBAL CONSPIRACIES IN ORDER TO REMAIN SAFE AND SANE IN THE DAYS JUST AHEAD!

COSMIC PATRIOT FILES

- Some may find these books to be among the "nuttiest" ever written.
- Many may find their contents utterly devastating and impossible to accept, taking comfort in the words of the Bible, or giving up their New Age studies altogether.
- Others will become hopping mad when they realize to what extent their lives are being manipulated by what till now has been an "unseen force."

The **COSMIC PATRIOT FILES** represent years of dedicated research into some of the most thought provoking—and certainly scariest—topics you are likely ever to be confronted with. And while its contents may be difficult for some to accept at face value, those who carefully scrutinize this closely written text will realize its true significance as being the most important such document of our age (if not of all time!).

It is the conclusion of those who compiled this book that the human race has long been led astray by a secret—or "shadow"—government, best known to outsiders as the Illuminati, the grand-daddy of all Secret Societies thought to exist. It is this group of "global monsters" who have for centuries been in control of what the human race is allowed to believe and think.

It is said that the Illuminati is responsible for all wars, for the assassination of world leaders not willing to "give in" to this secret agency's sinister ways, and for controlling the flow of international currency and reaping financial disaster and mayhem wherever—and whenever—possible.

The **COSMIC PATRIOT FILES** are definitely NOT meant for everyone. "The Committee of 12 to Save The Earth," fully realizes this massive work would only likely reach a "select" audience who needs to know the truth about these many hidden—and previously forbidden—subjects.

The **COSMIC PATRIOT FILES** is broken down into

eleven separate sections—and presented in two separate volumes for easy handling and readability. There are no pictures or graphics to take up needless room, but page after page after page of all-important documentation—the documentation you may need in order to survive the troubled times just up ahead as the forces of evil attempt to send out the anti-christ to do their bidding in the world.

HUNDREDS OF VITAL TOPICS NOW REVEALED FOR THE FIRST TIME!

Here are some of the intriguing topics you will find discussed within the pages of this all-important—historical—work:

- ✓ The founding of the Secret Order of the Illuminati (and for what purpose).
- ✓ Mystical significance of the layout of Washington, D.C. and the placement of the Washington Monument, the Pentagon and actual streets and other geographical locations.
- ✓ Identification of global leaders involved in conspiracy to formulate a "New World Order" or "One World Government," and why they would want to do so.
- ✓ Actual power behind the rise of communism, as well as the eventual fall of the Red Empire worldwide.
- ✓ Was George Orwell secretly assassinated because he came close to exposing the truth?
- ✓ What is the possible connection between the mafia—the CIA—and the large oil

companies?

✓ Many "front groups" exposed, including the International Working Man's League, and Masonic Lodges.

✓ What is behind the massive AIDS coverup?

✓ Identity of those who "run" the media and control "Hollywood," and what their motives are.

✓ The link between the Federal Reserve, the Council on Foreign Relations, the Trilateral Commission, the Bilderburgers and the Aspen Institute.

✓ Hitler's "negative" occult influences still alive today.

✓ Secret societies identified that go back as far as the Old Testament (many practiced human sacrifices).

✓ The "Eleven Committee" and the CHO CHIN CHING (number 666 identified).

✓ Formation of the secret cult of the Skull and Bones Society that several U.S. presidents have belonged to.

✓ Revelations concerning the "Beast" of Biblical prophecy.

✓ Jack the Ripper, a hired assassin?

✓ Use of "black helicopters" in keeping tabs on dissident citizens, including UFO witnesses and, especially, abductees.

✓ "Secret Police" to be deployed in U.S. and brought in from foreign countries to keep certain citizens in line.

✓ Activities of the "Brotherhood of Shadows" and the "Black Sorcerers."

✓ National Guard to be converted into National Police Force during national "emergency."

READ THE ACTUAL PRAYERS THAT GET RESULTS!

INVOKES THE 9 SECRET NAMES OF GOD AND RECEIVE UNTOLD BLESSINGS AND RICHES!

It's true! Miracles can happen! Receive your heart's fondest desires! *IT'S BACK IN PRINT* — BY POPULAR DEMAND, *PRAY AND MAKE YOUR DREAMS COME TRUE* BY MARCUS BOTTOMLEY IS AVAILABLE AGAIN!

There is no other prayer book like it! We received many testimonials from delighted readers of Dr Lightfoot's 'The Prayer System That Never Fails', but the prayer book that readers have really been excited about is Mr Bottomley's *PRAY AND MAKE YOUR DREAMS COME TRUE*. It was out of print, but customers have demanded its reprint so here it is on sale again, brand new and up to date.

PRAY AND MAKE YOUR DREAMS COME TRUE is the only book we know of which actually GIVES THE 9 SECRET NAMES OF GOD.

It is these secret, Holy Names, claims Mr Bottomley, which can make the difference between your prayers being answered or not!

God does answer prayers!
God does make miracles happen!
Our files of delighted readers' testimonials proclaim it!

THIS BOOK GIVES THE ACTUAL PRAYERS THAT INVOKE DIVINE BLESSINGS!

Yes, in the pages of this amazing book are the very words — in simple English — that brings God's response!

WEALTH, MONEY, AN OVERFLOWING BANK ACCOUNT CAN BE YOURS!

End your financial woes forever! It only takes belief! And you will acquire belief once you read this amazing book.

God will show you the way out of your financial difficulties.

BUT YOU WILL BE GIVEN FAR MORE!
The special Money Prayer in this book in which one of God's secret Names is mentioned has been proven by delighted readers to BRING WINNINGS IN GAMBLING, SUCCESS IN BUSINESS, AND THE APPEARANCE OF MONEY FROM UNEXPECTED SOURCES!

You simply pray and await results! You will be intuitively guided to take certain actions — actions that can make the seemingly 'miraculous' happen!

PRAY AND MAKE YOUR DREAMS COME TRUE!

'Seek and you shall find!' What you dream of can be yours! So long as it is not immoral God

THEY WANT THIS BANNED!

You can believe it — religious leaders, Christians, Jewish and Muslim, would like to see this book removed from sale. They declare it is wrong to ask God for money, love, success, etc. But what is really unforgivable from their point of view is the book's premise that the reader doesn't have to be "religious" to get his prayers answered! This book shows how the reader who hasn't been inside a church or mosque for years can obtain potentially phenomenal results from prayer! According to the author M. Bottomley, who has spent many years researching the efficacy of prayer, IT MAKES NO DIFFERENCE WHETHER ONE IS THE 'RELIGIOUS TYPE' OR NOT! GOD IS OPEN TO ALL HIS CREATION, BE THEY CHURCH-GOERS OR NOT! Small wonder priests and rabble would like to see this book banned!

will answer your prayers! The man or woman you now only dream of having can soon be yours! Even if he or she has little interest in you — or doesn't even know of your existence — a 'miracle' can happen!

Margie receives a miracle of love! To her it truly seems like a 'miracle'. She prayed for Bill, but he was married. She knew it was wrong to covet another woman's husband, but she also knew that he was not happy with her. So she prayed for Bill's happiness. Astonishingly, Bill's wife asked for a divorce — within a month of Margie's miracle prayer — and proceedings began. Today Margie is married to Bill!

She falls for him! Jim craved for Gina, but they were total strangers! How could a 'miracle' happen? The Prayer of Love in this book, which incorporates a special Holy Name, made the 'impossible' happen — they became acquaintances! But there was an obstacle — she already had a boyfriend! Jim prayed again — praying for her happiness, for he knew she could find true happiness with him. Today Jim and Gina are engaged to be married!

PRAY AND MAKE YOUR DREAMS COME TRUE!

Dreams of cash, financial winnings, prosperity, riches can come true! God, who created such fantastic wealth through His Universe can make 'money miracles' happen for you!

Jeff hits jackpot! A national newspaper ran a 'lucky numbers' scheme. Jeff thought it was a scam — it had run for years and every day for all this time he checked the numbers carefully. Not even a number for a small \$100 'consolation' prize came up. But within 10 days of invoking the Holy Name of God in the Money Prayer his numbers came up and he won \$100,000!

People flock into his shop! Mr Al-Bassam, a Yorkshire businessman, was getting desperate. Whole days would go by when not a soul would even enter his shop. But the bills kept coming in and the possibility of bankruptcy was a real one. He bought Marcus Bottomley's book and began praying. 'I can tell you I wasn't optimistic. I had prayed before and nothing ever happened. But at least this book shows you the actual words to say, and I felt the Holy Names of God must mean something'. Exactly seven days later 9 people came into his shop... and all 9 made a purchase! The next day 20 came in, all making purchases! This was three years ago and he has since opened two more shops — and all are doing well!

YOUR PRAYERS ANSWERED — BUT WHY?
What makes this book so different to others? Why should God answer the prayers in this book? We cannot answer this, but reader's demands for a reprint make us think it could be the inclusion of God's Holy Names which could be the answer. For no other book, as best we know, gives them. These Names are known to caballists and advanced mystics, but not to the general public. But for as long as your prayers are answered why ask 'Why'? Says the author, GIVE PRAISE TO YOUR CREATOR FOR HELPING YOU! (You should donate money —

THE POWER OF PRAYER
An elderly woman prays her way out of chest trouble... a young man prays his way to securing the cash to pay for his wife's private cancer treatment... a woman, almost driven to divorce, miraculously effects a change in her husband's cruel behaviour after using prayer... a young woman literally prayed her way to wealth and success... a frustrated, jobless college graduate gets precisely the job he wants only 3 weeks after praying... a young man says the Master Love Prayer and gets his separated parents reunited... because he regularly used the Master Protection Prayer a young man escaped a beating by thugs which his friends did not escape... a woman prayed her way out of a serious asthmatic condition... a man, virtually resigned to a lifetime of migraine suffering, disillusioned with non-working remedies, finds lasting relief after turning to prayer. These true stories are in this book. WE, HOWEVER, SUGGEST THAT PRAYERS FOR HEALTH SHOULD NOT BE USED AS A SUBSTITUTE FOR MEDICATION. Belief in God's power to heal does not require the suspension of common sense!

no matter how little — to a children or animal charity as a gesture; animals and children are closest to God).

RECEIVE GOD'S MIRACULOUS PROTECTION!

Yes, you can receive miraculous protection from physical injury! Read in this book how a woman was saved from rape, and how a stuntman escaped serious harm by invoking the Holy Names. What can God do if not keep you from injury and assault? You can make other people safe, too, by praying for them! Recite the Miracle Protection Prayer in this book to safeguard loved ones from harm. Bring hope and relief into your life!

Pray and make your dreams come true. What is it you most want out of life? Do you really think it is 'too big' and impossible for God to make it happen? Do you really think, says the author, that the One who sustains the Universe cannot make your dreams come true? Do you really think that because your prayers may not have been answered in the past they may not be answered in the future? DID YOU NOT KNOW THAT THERE ARE CERTAIN FORMULATED PRAYERS, WHICH INCLUDE THE DIFFERENT SECRET NAMES OF GOD, THAT CAN MAKE ALL THE DIFFERENCE?

Pray again — but this time with the special words and Names in this book, and you could experience the 'IMPOSSIBLE'! Addressing your Creator by His Holy Names, in a respectful manner, is mightily pleasing to Him, says Mr Bottomley!

Finbarr has published over 150 books and economics dictate some older titles must go out of print so that newer ones may be printed. 'PRAY AND MAKE YOUR DREAMS COME TRUE' went out of print. But readers' testimonials kept coming in. We kept receiving orders from persons who had never seen the book advertised, but who had been recommended to buy it from delighted friends. So here is this book again — and a new cycle of readers are about to test the miraculous power of these prayers. NOW'S YOUR CHANCE TO EXPERIENCE THIS MIRACULOUS POWER. SEND ONLY \$15.50 TODAY.
