A WORD FROM CONFERENCE ORGANIZER TIMOTHY GREEN BECKLEY

From the looks of the following program, I have every reason to believe that our 4th ANNUAL NATIONAL NEW AGE, COSMIC CONSPIRACIES & UFO CONFERENCE, to be held May 20-23 in San Diego, is likely to be our best presentation yet. Each time we hold such an event, we get more and more optimistic about the eventual outcome of all of the things we have been hearing and reading about for years. It would not be possible to hold such an event were it not for those great souls who help us organize and carry out our plans. Such individuals as Allison Infinity, Bleu Ocean, Jackie Blue, Cindy Amberg, are only a few of our dedicated staff who make all this work out so well. We hope to see you in San Diego soon. It looks like we all have a lot to learn.

Tim Beckley, President, Inner Light Publications

Presented by Vladimir Terziski of the American Academy of Dissident Sciences. Excellent production values and bone-chilling—if not terribly disturbing—information proving not ALL saucers are extraterrestrial!

VANCE DAVIS

Keynote
Address:
Saturday
7:00 PM
Session

Formerly of Military Intelligence
Leader of the
GULF BREEZE SIX
● Hosted by Sean David Morton ●

Workshop
Saturday 3:00 PM

Decorated Army Intelligence Specialist Vance Davis went AWOL from his post in 1990 with five other high-level operatives, all with Top Secret Clearance 20 levels above the President of the United States.

According to his own account, it all started when Davis and the others began to receive psychic warnings about forthcoming Earth Changes, and an attempt by "covert elements" within the military to establish a "Multiple Jurisdictional Task Force," that would restore "law and order" by breaching the U.S. Constitution and replacing the FBI, the National Guard, FDA, DEA and IRS with a "National Police Force" known as the "Black Guard." As Davis later revealed, "We were told we needed to get out of the military because they said, 'It's not going to be good in there. We asked 'Why?' and the response was, 'Because they are going to start marking soldiers,' and they didn't want us to be marked!"

Headline stories—beamed around the globe—claimed the AWOL intelligence operatives had left their post in Germany, snuck back into the U.S., and had headed straight for Gulf Breeze, Florida, in an attempt to destroy the Antichrist who it is predicted by then would appear on the world scene very shortly. There was speculation among the UFOlogical community that Davis and the others had gone to Gulf Breeze because of its connection with the repeated sightings of spacecraft. Some individuals even thought that Ed Walters—the famed abductee who took a series of close-up photos of UFOs, including one on the roadway in front of his truck—somehow was tied in with this scenario, an association that was later denied.

To this day, Davis does not fully understand how the entire affair got so far out of hand, that there's a possibility that forces loyal to the "New World Order" were working hard behind the scenes to foster a disinformation campaign against the AWOL soldiers that went way beyond the norm, clearly showing the near mass hysteria that was being conveyed by the military in what was seen by them as a clear "breach of security."

Due to the sensational nature of the case, interest among the journalistic community was at an all-time high. Even former NASA scientist Jacques Vallee couldn't wait to get his two cents worth in on the debate. In his book, *Revelations: Alien Contact and Human Deception*, Vallee reviewed the many bizarre aspects of the entire episode:

"[After they were arrested] from Fort Benning the six deserters were

HERE IS THE ORIGINAL PRESS RELEASE THAT STUNNED THE WORLD. FIND OUT WHAT IS TRUTH AND WHAT IS DISINFORMATION.

AUGSBURG, West Germany—Six military intelligence soldiers who deserted their unit in Augsburg to find and fight the Antichrist in Florida have been under investigation for their activities for at least six months, a source close to the investigation said.

The source, who spoke on the condition of anonymity, said that the soldiers, who belong to a group called "The End of the Word," also left letters in their barracks room detailing their reasons for leaving Germany.

Reference to the satanic bible were also found, he said. The soldiers were picked up by police in Pensacola last weekend and are charged with desertion. A counterintelligence investigation is also underway because the six had access to classified information within the last 10 months, officials said.

Earlier this week, military officials in the Pentagon said the Army knew little about "The End of the Word," and suggested that the six soldiers could be the cult's sole members. However, the source said that, although the six arrested in Florida were the core of the group, the cult has other members in Augsburg.

"The Army is very concerned that these people with top secret clearances were involved in this type of group," the source said, noting that such concern was the reason the Army has been reluctant to release details of the case.

Soldiers in Augsburg also were ordered not to discuss the soldiers' desertion with the media. However, a soldier assigned to the same unit as the six deserters told *The Stars and Stripes* on Wednesday that other members of the group were upset that they had not been invited on the trip to Florida.

The group told friends that they believed the world was about to end. They told a Tennessee man who sold them a used van that they were going to Pensacola because they believed the Rapture would occur in that area in October. Fundamental Christians believe the Rapture, the ascent of the faithful into heaven, will signal the end of the world.

In the letters left behind in Augsburg, the group said the world would end in Augsburg officials are not commenting on the case. Community spokesperson 1st Lt. Sonja said Friday that she has no details about how the case will be prosecuted.

quickly transferred to Fort Knox, and a remarkable series of events was set into motion. The Army simply cleared them in a routine espionage investigation, issued them general discharges, and turned them loose. The curious UFOlogist, at this point, has the right to ask a few disturbing questions. For instance, how on earth did these soldiers know exactly one month in advance that a war was about to erupt [with Saddam Hussein] in the Middle East? What motivated the incredible leniency of the Army when it simply discharged six intelligence communications specialists who had been missing for a whole week? And how did these soldiers manage to elude the FBI and the Army for so long? How did they get back into the United States without being picked up by immigration officers, who surely must have had their names prominently highlighted on their computer lists at every port of entry?"

Vallee believes that, "The whole saga reeks of collusion and manipulation at a high level. And the manipulation must have been engineered by someone exquisitely familiar with the UFO scene, someone who exploited the soldiers' expectation of a massive UFO event in Gulf Breeze."

Going further in his rationale, Vallee seems to think that the entire matter might have been "officially closed" due to a blackmail threat that occurred when the Florida media received a "very strange teletype communication" that read:

**US ARMY
FREE THE GULF BREEZE SIX,
WE HAVE THE MISSING FILES, THE BOX OF
500+ PHOTOS AND PLANS YOU WANT BACK.**

Indeed, up until he steps behind the speaker's platform and prepares to speak before those attending the 4th Annual National New Age, Cosmic Conspiracies and UFO Conference (San Diego, May 20-23, 1994), Vance Davis has managed to keep rather silent about the major events that caused a distinctive change in his life. And while his former position in the military should swear him to absolute secrecy, Davis feels it is very important "at this time" to come forward and discuss the many revelations that came to the Gulf Breeze Six from entities not of this place and time.

"All of us are very patriotic," Vance has stated. "I personally believe in the Constitution. I believe in this country. I will die for this country, even to this day, the true meaning of this country, what the Founding Fathers did, not what it is now. I believe in freedom of thought. I believe in freedom of choice and when that choice is taken away I will die for it, and that choice is being taken away."

For the first time, Davis will explain how the Gulf Breeze Six came to be involved in this "high drama," of intrigue that lead to them receiving a list of 56 specific predictions and nearly 1500 pages of notes. Davis will reveal the possible identity of the Antichrist; the existence of various races of alien beings who continue to arrive on Earth; our economic future and collapse of society and much, much, more. In his Workshop (to be co-hosted by Sean Morton and given on Saturday, May 21 at 3:00 PM), Davis will try to draw upon the same energies that provided so much accurate information

A LITTLE ABOUT VANCE DAVIS:

I was born in Wichita, KS. I am now 29 years of age. I am a graduate of Silva Mind Control. That is how the MI and NSA knew about my abilities when I went into the military at age 18. I was in for around seven years until I went AWOL to bring events and happenings that are to occur in the next 20 years. Our true goal, which is to start at this time, is to share the "new thought" and prepare those in the world who are not in these groups. In July of this year I am publishing a new magazine called the *Keepsake Forum*. I am also working on a 300 page book about my wife and I and the events of 1990 and beyond. I hope to have it completed in May of this year. I can be contacted at Box 13406, Albuquerque, NM 87692-3406.

Her background as a nurse and nutrition consultant provides her with the necessary expertise to provide services in post-abduction trauma. Cheryl Powell has been a life-long student of the UFO mystery and spent three years in the U.S. Army and 15 years in the medical field with specialties in emergency medicine. She has previously held the position of MUFON State Section Director and has also experienced personal encounters.

This presentation will consist of new techniques and equipment for further investigation in the abduction of humans by ETs as well as the uses and benefits of regressive hypnosis.

WILLIAM HAMILTON, AUTHOR "COSMIC TOP SECRET"

THE QUEST FOR UFO TECHNOLOGY

Hamilton is a Consulting Senior Programmer-Analyst who has worked in the data processing field for over 20 years. With an AA degree, he has pursued interests in science, math, aeronautics, computers and parapsychology. Bill has had over 100 personal sightings and has participated in communication experiments using light beam transceivers as early as 1958. Since 1980, he has pursued the investigation of UFO crash/retrievals and military and aerospace involvement with the phenomenon. He was among the first to bring to the public's attention the existence of something "very strange" inside Nevada's Area 51.

In his presentation, Hamilton will explore the "madness" behind UFO technology and will reveal how these objects are able to seemingly defy gravity and generate their own artificial gravity fields.

SHARON WARREN

CROP CIRCLES & THE "BIG PICTURE"—A LANGUAGE TO DECODE?

A coordinator for the Center of Crop Circle Studies, US Network, established in England for serious researchers, Sharon holds a Masters from Purdue University in Sacred Sites, Art and Architecture.

In her presentation, Sharon will overview the latest first-hand research data from her recent trip to the UK, where these mysterious circles have continued to arouse curiosity among scientists, philosophers, and researchers. Learn why these energies form on or close to sacred ancient sites like Stonehenge; what their message might be, if we could "decode" the circles; and what they may be preparing us for with their intricate geometrical symbols, as well as other astrological, alchemical, musical and multi-dimensional designs found nearby.

JESSIE P. GARCIA

MY VISION OF THE VIRGIN MARY AND VISITORS FROM TYMATHIAS

At five, Jessie was taken on a craft by the Tymathians, a very tall and highly spiritual group of space beings. They left him with a gift of prophecy that enables him to see the future. At 21, Jessie had a vision of the Virgin Mary that heightened his psychic powers. His presentation deals with Earth Changes, the meaning of the Aztec Calendar, the truth about the Shroud of Turin, and where Moses really took the people of Egypt. He will be sharing his workshop with noted metaphysical teacher Helga Morrow, and together they will lift the veil of mystery that surrounds many vital subjects.

FENG-SHUI/GEOMANCY, EARTH MAGIC AND LAY LINES

When he was 21, Tony had a serious accident that almost cost him his life. After his recovery, one night he was approached by a man who told him not to be concerned, that his situation would improve and that he should be encouraged to keep studying and learning and some day he would become a teacher, healer, author, speaker and leader of people through the Earth Changes into the new world. In his thirties, Tony studied in Egypt, and while he was at Potmas in Greece, in the cave where John wrote the Book of Revelations, a mysterious figure approached him and sent him to the monastery to study the ancient relics of the past. Altogether he has practiced and studied with Medicine Men, Kahunas, Black Hat Taoists, Rabbis, Meditation Masters and Secret Societies. His presentation will be on Feng-Shui/Geomancy, Earth Magic, Lay Lines and how they affect your life, money, health, home relationships and work every minute of your life.

TED LOMAN

UFOS & ALIEN ENCOUNTERS FROM ANCIENT TO MODERN TIMES

In 1989, Ted was partially blinded in an accident. Returning home to recuperate, Loman's father read to him from several UFO books. Intrigued by what he heard, Ted started an in-depth study that led him to produce his own television show, **UFOS AZ**, which can now be seen in his native Tucson, AZ, as well as in Florida, Idaho, Washington, San Jose and most recently on Channel 16 in New York (Sunday, 10:00 PM).

"Sometimes the shows are serious—we have on dozens of credible observers as well as most of the leading authorities—other times we might look at the lighter side. One time we interviewed a 'weather balloon,' in that skeptics often think most UFO sightings can be explained in this manner.

Having gathered a mass of material, Ted is able to trace the history of the UFO phenomenon from ancient times to the present in a completely objective manner that few others can do.

**A PREVIEW OF THE STARTLING NEW BOOK
THE DYNAMICS OF COSMIC TELEPATHY**

Learn to Communicate Mind-To-Mind With Humans and Other Higher Life Forms

THE DYNAMICS OF MIND POTENTIAL

By Tuella—Channeled by the Ashtar Command

The Dynamics of Mind Potential

The Law of Revelation is a Universal Principle. It has been written, "...if any man lack wisdom, let him ask of God." The Deity has admonished us to "...Ask Me of things to come concerning my sons." Again, we have been told, "Command ye me." Simplest of all these profundities is that promise which states, "Ask...and ye shall receive!" This is the Law of Revelation.

Since all is mind, man has but to tune in to any particular mind to become that mind with which he shall identify himself. There is nothing man cannot know! As we tune in to the God-Mind through our own Godhead, all things which we seek can be revealed, as needed and divinely permitted. I have great respect for that concept which quietly asserts that "what you can conceive you can achieve." For many years there hung upon the wall of my study a little postcard-sized motto imprinted with this bit of wisdom: "Everything necessary to the solution of any problem is in Universal Mind."

Man is of the greater Cosmos—much more than an isolated creature on this planet. The same creative Force that fashioned the galaxies and the universes glows through humanity. You are one of the many manifestations of the energy of creation—Life—identical to all other creation. You ape the universe. As we en-

WHY THIS WORK HAD TO BE CHANNIELED NOW!

Following the release of Project World Evacuation by the Intergalactic Council, I personally thought that my work with books was completed. It seemed to me that after its presentation, there was nothing left to say!

Nevertheless, within three months time, our Guardians announced that a book on Cosmic Telepathy would be needed and, at that time, released its title. They expressly requested a book on this subject so that the many souls now awakening would have simple directives to assist them. They desired to show the process of Cosmic Telepathy within the physical brain, what telepathic action is, and how it operates as a "bridge over troubled waters" of an undisciplined mind.

The Council did not necessarily desire to prepare too scientific a document for a subject so dominated by spiritual foundations, yet hoped, to present facts in a simple manner for the benefit of those who seek this direction. They held forth that it would be simply phrased while presenting technical details blended to spiritual overtones of highest importance. They have asked for guided studies, especially helpful for group work, presented in the slightest hint of a textbook format.

They did not desire it to be too technical, yet presented in a more factual manner than most writings on the subject.

The outstanding theme of the hundreds of letters that cross my desk is a request to be told how that individual might pursue this great spiritual adventure. This volume, then, becomes my broad reply to all who have thus written. Those eager to learn will appreciate explanations that are easy to understand. Our dear Commander Hatonn has stated that this book, unlike the others, IS intended for the masses, and will enjoy a mass distribution.

As I originally prepared this first page, the completed manuscript existed only in the etheric. My human hands and brain must be the catalyst to fuse it together and bring it into manifestation in the physical octave. I gladly dedicate my human energies to do this, knowing that Divine energy will supplement my own one-hundredfold.

Beloved seeker, heaven calls you to experience the DELIBERATE SOLITUDE, to... "Be still...and KNOW!"

—Tuella

deavor to resolve the enigma of Cosmic Forces that ever flow within us in the exploration of ourselves, we simultaneously add to our understanding of the Reality of ourselves.

Our generation can never be expressive enough in our gratitude for the great storehouse of wisdom that has been shared with us by the late UFO contactee George Adamski. His words relative to the subject under study are so vibrant and relevant, they beg to be included here:

"There is only one true universal language—the invisible, creative, feeling impulse which is Cosmic Intelligence, flowing as Cosmic Force through all manifestation. This Cosmic Cause, or Universal Force, is ever in motion. It must, of necessity, act upon, or transfer itself from, one subject to another. So the feeling impulse which we call mental telepathy IS the great universal language.

"The study of telepathy will in no way interfere with, or contradict, any religious belief one may have, for telepathy is not a religion, but a Universal Law. Knowledge of this law will give one a greater understanding of self and of the relationship to the cosmos in which we live. Telepathy is the natural ability inherent within all forms of life to communicate their feelings to all other forms. Man is thought in action.

"Every atom in the universe speaks the cosmic language and is capable of communicating with every other atom. Cosmic matter

**AN IMPORTANT
"HOW-TO-DO-IT"
WORKBOOK & STUDYGUIDE
TO EXPAND YOUR
GOD GIVEN POWERS**

Shrouded in secrecy since ancient times, now it is possible for all Light Workers to tap into that 85% unused portion of the brain that will eventually enable humankind to cross the barriers of space and time, link up with our "cosmic cousins," and break down the walls of false illusion that currently exist between many races and diverse groups residing on Earth.

The author, Tuella, is the primary channel for the Ashtar Command, who have in this volume rendered valuable assistance in providing short cuts that are guaranteed to bring about the removal of the wraps of secrecy, ritual and expensive training that have kept these extrasensory abilities out of reach of the average person. This is simple *Divine Science* which can now be rightfully applied by everyone.

Here is a concise and clearly illustrated presentation that will enable individual students as well as New Age groups to:

- ✓ Construct a firm spiritual foundation for establishing contact with higher centers of awareness within themselves and open up communications channels with angelic beings and other higher life forms.
- ✓ Use crystals and other easy to obtain apparatus to reinforce and heighten telepathic sending and receiving.
- ✓ Clear the mind of all false and negative thinking, thus leaving the senses open to receive only the most beneficial and positive thoughts beamed directly from sources of Light.

Many spiritual entities have helped prepare this truly inspirational work.

The highly regarded *Sananda* speaking through the channel Jean Peyerson has proclaimed THE DYNAMICS OF COSMIC TELEPATHY to: "Beautifully serve the Hierarchical government which I represented for many years upon your plane of Earth. The book, which has the potential to key you into your innate telepathic ability, was brought into your dimension by our dearly loved Tuella. If you feel guided to explore the experience of consciously speaking with those of us whom earthlings know as guides and teachers, we suggest you follow the guidelines in this work. It was brought forth in purity and love from these dimensions of Higher Truth for your usage on Earth in these times which you call the Ending Times that will flow into a New Beginning."

Another "super-being" known as *Ashtar* (Commander of all Starship fleets in our hemisphere) boldly states that these "pages will hold the ultimate communications system of all worlds. The greatest need of the Bearers of Light and those who work with humanity in the coming crisis, will be proficiency in the quality of cosmic communications. That hour could well come soon upon the planet when spiritual communication will be the main lifeline of survival or rescue."

Through simple diagrams and elementary terminology, this work blazes a trail for better understanding of a subject hitherto clothed in mystery, superstition and ignorance. Humanity has an inherent ability to communicate with the Creator and those who serve His Light. The physical counterpart of the Universal Mind already exists in the 85% unused portion of the human brain. We have designed this book to render assistance in cosmic telepathy in a concise and clear presentation.

lends itself impartially to all manifestations.

"We must admit a universal medium to thought transmission. Mind permeates all space and substance. Mind is composed of highly-charged particles like concentrated substance composing material forms. Only by means of a relay can energy be carried from place to place. Thought is chemical action. Energy of any kind cannot be destroyed. Thought, being a type of energy, will travel through space until it is put to some use. The undeveloped mind rejects all that is not familiar, and retains only those thoughts which confirm the opinions that mind has already formed."

The Omnipotent, Omnipresent, Omniscient, Omniversal Force propels out from within the vortex of its Source—the One Force—the unified energy of All that is.

Passive reception of this Force flows as a process of penetration through the human electromagnetic field into the tensor center of the brain, producing thought in whatever form.

In the active propulsion of this force, the reverse process applies. The outreach of tensor-projected thought, pressing a mental pattern through the personal forcefield, invades the realm of creation from Universal Mind, or Force. Thus, thoughts are—or do become—things!"

...

Our beloved friend, Ashtar, Commander of the Guardian fleets present in our hemisphere, has expressed some justifiable concern for those to whom these various spiritual messages from other dimensions and the concept of cosmic telepathy in general, could create negative responses. We who are so familiar with all of these truths tend to forget what it is like to be suddenly exposed to them when one is still in the throes of spiritual underdevelopment. Ashtar speaks to these:

"Perhaps, dear reader, it has never entered your conscious thinking process that one in your dimension can actually communicate with one in higher dimensions through the process of mind to mind thought placement, or telepathy, as it is known. Have you ever seriously considered the possibility of this phenomenon? Can you open your mind to its possibility? Well, then, can we reason together that if it is possible, then it is feasible that some have therefore done so. If some have therefore done so,

About The Author—Tuella

Tuella's "calling" as a Messenger of Light began in the early Seventies with her channeling work commissioned personally by Ashtar on behalf of the Intergalactic Space Confederation. She is the author of the newly released *The Dynamics Of Cosmic Telepathy*, also the forthcoming *Ashtar—A Tribute and Cosmic Prophecies for the Year 2000*, to be published by Inner Light.

then it is probable that these messages have been given and received as has been forthrightly stated.

"May we therefore reason further, that if these messages have so been given and received, then man IS capable of higher things than that to which he has hitherto applied his mental abilities. It is an accepted principle that mankind uses but one-fifth of his mental capacities. Why is this so? Is he not further capable of total mental capacity? If not, why not? Earth has programmed its young far too long in an inadequate way, withholding teachings from the toddler until he is a young child, when his mental capacity is ever the same. Previous years of learning are wasted by withholding that learning, when the very young infant is capable of great reasoning power, if you but understood this truism. The inability of the infant to speak audibly is no indication of his mental capacity. In fact, none of you truly need words at all if you would develop the mind to a fuller capacity.

training sessions of sitting quietly with us, to become receivers of our transmissions. With some such, an ability has to be developed. With others it was present within at birth. Regardless, it is a fact that humankind is perfectly proficient of pure telepathy on the highest level of clarity and perception.

"Let us then accept the validity of the process and consider the fruit of it. Our mental conversations with our messengers are as real as your conversations with anyone you know or love or meet. The telepathic thread of experiencing soundless words within the mind is as lucid and fluent as your own tongue. Do you not also know your friends and loved ones on the telephone by the inflections, the vibrations and tones of their voice, as well as the flow of frequency within your being when that familiar voice is heard? So, likewise, do those with whom we are linked in this fashion, also have those corresponding reactions of recognition and response to one who speaks with them telepathically, with a vibrational form of recognition of the validity of the identification given. In most of these instances, this kind of communication comes with ease where old ties exist between the transmitter and the receiver, just as there have doubtless been times when in close association with one greatly beloved, you have known each other's thoughts or the words before they were spoken. All of mankind has known these moments, for the original traits are only idle, not removed.

"So you can agree that our method is a valid one; therefore, can you not accept that we are who we say we are and are capable of speaking with you also, and that our identities are true? Ponder on this and do not reject simply because you do not understand or because of unaccustomedness to the presentation. Consider that with God all things are possible. Your researchers have proven that distance, however great it may be, has no effect upon the communication of mind with mind. The power of thought is said to have no limitations or boundaries. Can you build a wall around the thought of a man? You know that you cannot. Thought is as expansive as the universe itself. Therefore, still the body, quiet the mind, and think on us, and we will respond to those who do in love turn thoughts toward us of the intergalactic Space Confederation."

At a later time, Commander Ashtar continued with his thoughts on the book, as given here:

"All men are capable of cosmic communication. All of humanity is

mentally endowed sufficiently to manifest the aspects of the fully opened mind. The human brain is fully adequate to operate in all of its capacity and in all of its inherent functions of sensory perceptions beyond that of the physical senses. There is no paradox here. There is no mystery involved. We are discussing a natural phenomenon not in any way religious, nor superstitious, nor that which must be hidden in the archives of old philosophies. This natural ability is within the scope of all mankind, and not merely by a gifted few.

"The inability of humanity to exercise these divine talents lies in their own misguided concepts and not in their limitations. All of mind is placed at their disposal, requiring only conscious cooperation of the human consciousness.

"The spiritual essence of soul-mind is the key to realization of the fullest potential within the human lifespan. Mentally speaking, mankind is still crawling on all fours, when they are capable of walking tall in the gait of the conqueror. The awakening of the resonating center of the human brain could deliver the earthen society from self-imposed limitations, if they would but apply themselves to these concepts.

"It is an anachronism that in the days of the earth's beginnings, all of these experiences were a part of daily existence, but time and tides in the evolution of men have washed them away. The call reverberates once again for the restoration of human dignity and the upliftment of man into the reality of his Divine Image and His Divine Birthright.

"Furthermore, much is yet to come to pass upon the planet which will necessitate the use of the fullest cosmic awareness in the turbulence of events that can befall this planet. Those who are attuned to Universal Forces will experience their own deliverance through cosmic assistance from the flow of interdimensional communication.

"We pray that the people of Earth will seriously undertake the return to their spiritual inheritance and their true identity in the higher area of consciousness, and diligently apply themselves to throwing off the slothfulness of the materialistic thought forms. Arise from the sleep of death and reach for the Life that flows unhindered throughout the universe. This is the call that now comes, and may the Eartheans answer quickly and willingly and set in motion this quest for full spiritual participation in the cosmic language of the universe.

HIDDEN RULERS OF EARTH IDENTIFIED

LEADING SCIENTIST CONFIRMS EXISTENCE OF "THE CONTROLLERS"

"We are the property of an alien intelligence...our planet is a cosmic laboratory, and we are but guinea pigs to those who have kept us prisoners on Earth," insists former military intelligence operative Commander X in a highly controversial new book that now has the backing of the scientific community.

It's hard to imagine my initial shock when I learned that a leading astrophysicist had arrived at pretty much the same conclusions as I on how this planet seems to be the playground for aliens whom I have dubbed "The Controllers."

As a former military intelligence operative who has been privileged to view specific documents about the presence of ETs on Earth, I have realized for a number of years that we are not really in charge of our own destiny, that far from benevolent aliens actually decide to a large degree the outcome of global situations and how we think on a variety of topics.

From what I have heard, these "Controllers" have been with us since the beginning of time—may have actually been responsible for seeding the planet during the act of creation—and have made many of us into virtual slaves to do their bidding regardless of the consequences to our own Earthly race of human beings.

Their sinister plan of operation is known by the majority of our rulers who have—for one reason or another—decided to turn their backs so that they may continue to act in a position of power, benefitting those who would keep us as sheep in a cosmic chess game.

Over the centuries, those who have discovered the truth about our situation have either been locked up, laughed at, or done away with. Anyone even suggesting that the status quo on Earth may not really be what it purports to be finds themselves, ultimately, in deep trouble. They are either tossed in jail, taken underground into a cavern world (replaced by "duplicates" in their regular jobs and lives) or shipped away to a far-off destination among the stars. Throughout history, only a handful have dared to stand up and tell it like it is.

IMPORTANT NEWS CONFERENCE
One of these gentlemen actually held a press conference back in 1971 (though I didn't know about it until recently, when I saw a clipping on the meeting), but very few heeded his warning that our planet is actually under the command of intelligent beings from space who have fantastic powers over us. As far as I know, these statements have since

been totally forgotten. They should not be.

Human beings are simply pawns in the games of alien minds that control our every move. Our whole life and the complete existence of this universe is at the whim of these creatures that hold fantastic mental powers over us.

So says Fred Hoyle, the famed British astrophysicist and author.

"They are everywhere," he said in a special press conference held in London, "in the sky, on the sea and on the earth. They have been there since the beginning of time and control nearly everything we do!"

Hoyle explained the many reasons why the majority of people had no idea of this.

"Panic is the major reason that no general announcement was ever made," he said. "But there have been some books out on the theory."

"But the books have really only circulated in scientific circles and academic markets. The theory and arguments around it are much too technical for non scientists."

"They seem to be totally free of any physical restrictions, such as bodies. They are like pure thought and can be anywhere at any time they please."

Hoyle then explained that they had the power to appear anywhere as anything.

ANY SHAPE OR FORM
"They can take any shape or form. They can appear as a tiger in one place or a person in another. They can appear as a gas or a cloud or anything that can be seen by the human eye and even by some forms that cannot be seen by the naked eye."

Hoyle pointed out that this intelligence probably controlled our complete evolution and continues to control our minds. All that man has built and become was done because of tinkering of these intelligent forces.

"And the weirdest thing about it," said Hoyle, "is that at times they actually appear in physical forms."

Hoyle told the press conference that a large part of the scientific establishment is convinced that another intelligence exists on this planet.

"It is not an intelligence from another planet. It is actually from

another universe. It entered our universe at the very beginning and has been controlling all that has happened since."

This second universe, says Hoyle, where these powerful minds originally came from, is much like ours and yet on a totally different plane. "It is probably three dimensional like ours and may even have a fourth or fifth dimension which breaks the time and space barriers that restrict us. But their laws of chemistry and physics are no doubt completely different from ours because they are a much more advanced type of intelligence."

"In this way, they have been responsible for almost all of the legends in different countries which are scoffed at today. They also had a hand in the different things which were discovered in only some parts of the world and not others." Astrophysicist Hoyle, who is known throughout the world as one of the best, could not give concrete details about the intelligence. "They are so different from what we know, that to try and describe them in a language that everyone would understand would be impossible."

"Hoyle said that the most recent documented incident of their appearance was at sea. Dozens of ships were following something on their sonar. It was traveling at 250 knots and 20,000 feet deep. There is nothing on earth that can go that far and that deep."

Hoyle said he didn't expect many people to believe everything he said at the press conference. "Most people...will think that this is a hair-brained theory and just laugh it off. Others will be worried and check with police or governments."

"Naturally the government will deny everything. But most scientists know about it and agreed that it would be a good thing to get the story out and let the public chew on it. A little at a time, more facts will be released until everyone has access to all the information that is now only in the hands of scientists and government officials."

Shrink-wrapped for confidentiality. Dozens of earth-shaking cases!

Researchers like William Cooper have only dared to touch the surface in their writings, blaming the international atmosphere and global crisis on select groups of individuals or at best "Secret Societies," when I know for a fact that the "Controllers" are not made up of any Earthly organization, though they do have many working on their behalf, both knowingly and without knowledge of the situation at hand.

And while matters may seem to be going from bad to worse, I do believe that ultimately there is a way out of the situation we find ourselves in.

In my latest book, **THE CONTROLLERS**, I describe this ghastly dilemma in great detail and point out ways in which we can straighten out this awful mess.

Readers of this publication are

actually being exposed to this material for the first time. My publishers have promised to spend a nice sum advertising the book, but basically with all good literature the best way to get out the word is by telling your friends who may be interested in such matters.

I promise that I will not be silent unless I am killed.

There is much I have learned that I will go out to share with you.

There is more to come in the way of exposing "The Controllers" and those who help them in their global conquest of the human race.

With this knowledge, it will be easier for the whole of humanity to survive any of the coming catastrophes that are planned for us.

We can—in fact—change the face of our future. Let's at least try!!

MESSAGES TO HUMANKIND FROM OUR FRIENDS AMONG THE STARS

Humankind is not alone in the universe! There are other life forms on other planets who have our well-being at heart and see no reason not to share with us their wisdom and knowledge.

In the last couple of years, we have heard a lot about the ability of some individuals to act as channelers for messages from spirit beings as well as an assortment of masters and extraterrestrials. And yet as popular and well-meaning as these channels may be there is little that we can do to judge the legitimacy of that which they have received. We know for a fact that it's possible for the human mind to conjure up all sorts of fanciful daydreams—the subconscious is, indeed, a powerful tool. This is not to say that beings such as Ashtar don't exist, and that there aren't huge mother ships circling the Earth thousands of miles outside of our lower layers of atmosphere. It's just that it's nearly impossible to check on the legitimacy of such claims and to know precisely which parts of the messages are real and which parts may be imagined in whole or at least in part.

The case of "Tony" (we must hide his true identity for security reasons) is—on the other hand—quite different.

For the messages that Tony receives are not channeled through him, but actually arrive in his mailbox on a regular basis.

It all started during the summer of 1993, after a particularly hot spell in his native Canada. In order to cool off one evening, Tony found himself sleeping out among the stars instead of in his rural home that has no air conditioning.

"It must have been around 2:00 or 3:00 AM when I first noticed this high-pitched hum in the air," Tony explains. "At first I thought maybe a high tension line near the house had snapped, but when I looked in the direction of a nearby utility pole, I saw something that made my hair stand on end.

"About 50 or 100 yards away was this remarkably bright light hovering in the sky. It was so intense that I could hardly look at it for more than a period of a second or two at a time."

Suddenly, according to Tony, the light dimmed and the object headed out over a nearby clearing directly behind his residence.

"As far as I could tell, the craft never actually landed, but it did seem to light up and then dim down several times over a period of the ten minutes or so that it remained in view."

Without any sound, the UFO took off straight up into the sky and Tony never saw—or heard—it again.

However, two days later his life was to change abruptly when he began to receive a series of mysterious messages in his mail box that were delivered without a return address.

"The first letter stated that the individual writing to me knew all about my low-level UFO sighting and indicated that

he was actually onboard the craft at the time of the encounter.

"He said that by picking up on my vibrations, they were able to tell that I was no threat to their continuing operations in my area and that, basically, I was a kind person at heart—one that really cared about other people and wished to see those around me prosperous and live a life of harmony with what they called the 'laws of creation.'"

Over a period of time, Tony has received numerous letters, all of which seem to indicate an alien presence on Earth. "It's as if they are living amongst us—know our troubles and are able to offer advice on the subjects that matter to us the most."

And while the messages received by Tony may be delivered by his friendly rural mail carrier in an ordinary manner, this is not the first time that such unusual—and apparently otherworldly—communications have come through the postal system. In the foreword to this important work, columnist Antonio Huneeus describes the incredible circumstances surrounding the much-debated "UMMO Papers" that arrived in the hands of Spanish UFOlogists. The circumstances surrounding these two cases—which take place half a world apart—is most uncanny.

Naturally, there is no way to be 100% certain about the origins of these papers. Perhaps there is a logical explanation for the material Tony has been receiving, but he insists he told no one about his UFO sightings and that, in fact, his closest neighbor is approximately half a mile away and his home is neither visible from the road or from anyone living nearby.

"Not only have I kept the details of my sighting to myself, but the nature of the messages just ring with a great deal of honesty. I don't see any reason for anybody to go to the trouble of making this stuff up. For what purpose? What could be their motive?" Tony says he has mulled this matter over and over in his mind but cannot come up with any plausible—logical—explanation, but that these are genuine letters from an extraterrestrial.

A MESSAGE FROM THE STARS Mary M. Wunder Abduction * Earth Change Essays * ET Sign Language

Author Mary M. Wunder has all the scars in all the right places and photographs and witnesses to verify her account. But "A Message From The Stars" is much more than an interesting abduction story. Her experiences have made her not a victim but a messenger with a unique series of messages. Her main contact, Alexdia, an extraterrestrial from the constellation of Andromeda, has communicated to her the signs of a most extraordinary pictographic language reproduced in full in this book. What is more, Mary has been given five unique essays, also reproduced here, which detail imminent catastrophic earth changes about to wrack our planet. We are told about the three extraterrestrial races working in harmony to prepare the evacuation of survivors to several new worlds where human life will continue to develop. Most remarkably, "A Message From The Stars" seems to begin where the Book of Revelation ends.

EXTRATERRESTRIALS IN BIBLICAL PROPHECY G. Cope Schellhorn

If you have suspected that today's UFOs might be related to the events of End Time or the Last Days as described in Scripture, you will find your suspicions confirmed by a bold book that takes a careful new look at the Old and New Testaments. "Extraterrestrials In Biblical Prophecy and the New Age Great Experiment" offers the reader in a simple straightforward style an in-depth, down-to-earth look at the new evidence which suggests that our Scriptures have even more to say to us than we previously believed. Now open to us is a new dimension of meaning that is as startling as it is finally reassuring. Discover - What the government doesn't want you to know about the connections between UFOs and the Bible. Why theologians, because of past mistranslation of several key Semitic words in the Bible, have failed to see the greater truth. Why extraterrestrials conducted biological experiments on early man. How and why the prophets were "programmed" by ET's to carry a particular message to mankind. How the pre-Hebrew Sumerian-Babylonians knew about Wormwood and the havoc it periodically causes and much more.

SERPENTS OF THE SKY, DRAGONS OF THE EARTH F. W. Holiday

F. W. Holiday's lifelong "investigations of the fantastic" left him with two stunning conclusions. First, there is strong hard evidence that the Loch Ness Monster and its Irish and English counterparts do in fact exist. Secondly, man's oldest religious beliefs make heavy use of not only the monster phenomena (the earth dragons) but also UFO phenomena (the sky serpents). "Serpents of the Sky, Dragons of the Earth" presents verbally and photographically his documentation of the fascinating intermarriage of both phenomenal fields from early cave art, the Bronze Age in the British Isles, ancient civilizations of Asia and Africa, North American Indians, medieval art and mythology from all over the world. In F. W. Holiday's hands, high strangeness often becomes, after careful thought, logical and credible. Serpents and saucers have influenced us all, he demonstrates, whether we are now aware or have forgotten.

Beyond The Philadelphia Experiment: Alfred Bielek & The Phoenix Project

by Commander X

Editor's Note: The following brief excerpt is from the new Inner Light book, as edited by our most popular author, Commander X. **THE PHILADELPHIA EXPERIMENT CHRONICLES** updates what has been previously reported on this weird experiment into invisibility and teleportation and includes the strange story of one survivor, Alfred Bielek, who was brainwashed by the military and forced to forget for decades what had transported—as well as the “apparent suicide” of famed astronomer Dr. Morris K. Jessup, who stumbled upon the strange secrets surrounding the Philadelphia Experiment and paid for it with his life.

•••

The Phoenix Project started at Brookhaven National Laboratories in Long Island, and was concerned with a group of immigrants who were scientists known prior to World War II. Research started on things like mind control and related projects. After I was disposed of, the UFO crashed in 1947 in the Roswell, New Mexico, area. A government team was set up to investigate this thing after the Army had picked it up and after the Army made its announcements (that they had captured a UFO). They sent it to the Roswell papers and it is still part of a TV commentary and documentary out of Las Vegas, “UFOs as Evidence” by George Knapp.

One of the sequences in it deals with the actual history of what happened in 1947, the way they started a major coverup at that time. The crashed UFO on the ranch near Roswell contained dead aliens that looked more like locusts than humans. But the thing that really threw them into a tizzy and caused total pandemonium in Washington was the fact that there were human body parts within the wreckage. So who'd they call in to make their investigations? Dr. Vannevar Bush, the scientific Presidential advisor. Who was his assistant? Dr. John Von Neumann—also a matter of public record.

They investigated this crash. A second one occurred in 1947, and also in 1948 and 1949. In 1949 they captured a live one, only the live one they captured wasn't like the dead ones. The live one they called EBE 1 was running around the fields. I'll have to conjecture a bit here because I never did ask them about it. I met Von Neumann later as Bielek and have some memory of some things. I never did ask him if he talked to this guy. I assume he did, because from someplace Von Neumann obtained the clues as to what was wrong with the Philadelphia Experiment.

Time Locks

The thing that was wrong and what had to be corrected sounds very simple in theory, but was very difficult to correct in practice. Every human being that is born on this planet, actually from the time of conception on, has what is called a set of time locks. The soul is locked to that point in the stream of time when conception takes place so everything flows forward at a normal rate of flow at the time function, mainly

the fourth dimension. So you're part of society from day to day. When you wake up you wake up at the proper time, you know all the same people, everything's the same and you haven't slipped into another reality overnight. You are locked into a time span.

These locks stay with you your entire life. When you die they are gone and you are free to go elsewhere, so to speak, in time. You can incarnate at another time, not necessarily later. You could go backwards. There are some records that indicate this. But those time locks are the things that were ruptured by the extreme power of the fields generated by Von Neumann's approach.

Von Neumann used four huge Teslacoil devices. They were not the usual Tesla coils; Tesla built coils conically shaped. They were driven, in pairs, by each of the 75-rw generators operating at a fairly low frequency (pulsed). There were four rf transmitters, two megawatts each (cw); they also were pulsed at a 10% duty cycle. I won't go into the frequencies. Equivalent power was about 80 megawatts (pulsed). The antenna was on the ship's mast and the personnel on deck were almost next to that antenna. No one in history to that point had ever subjected a human being to such incredibly intense power fields, much less such incredibly intense magnetic fields. Nobody had any idea what would happen. Nobody gave it any consideration except Tesla, who knew something was going to happen.

Von Neumann finally agreed, probably something would happen. It did, of course. They wound up with insane people; they wound up with some people who lost their time locks, walked through nowhere and disappeared forever. They had others who were less fortunate. Four of them who had moved from their original position wound up in the steel deck. While the ship's fields were up there was no problem. When the fields collapsed and their time locks were gone, if they had, unfortunately, changed position, drifted and rematerialized in our dimension, our universe (because they were out of it) at a slightly different place or were unfortunate enough to be where the steel decking was, the steel of the deck literally molded with the molecules of their body. Not a very pleasant way to die. That is what happened.

Inventing a Computer to Solve the Problem

Now, the question was, what do you do to prevent it? The problem entailed understanding, which Von Neumann had to go back and do, basic metaphysics. Can you imagine a hardheaded Dutchman steeped in mathematics and with a particularly tough materialistic mind suddenly having to approach metaphysics? I'm sure that he was a little bit nauseated at first, but nevertheless he did his homework. And he found the problem. I do not know how he solved it, but he knew he had to have a computer.

In that day there were no real computers, no electronic computers, so he literally invented it. He did it at the Institute between 1949 and 1951.

THE PHILADELPHIA EXPERIMENT CHRONICLES

Exploring The Strange Case of
Alfred Bielek & Dr. M.K. Jessup

Much has been written about the highly classified—Above Top Secret—project conducted by the Navy in 1943 that has become widely known as the Philadelphia Experiment, which involved the teleportation of the *U.S.S. Eldridge* (a mega-ton destroyer) from its dry dock in the Philadelphia Naval Yard to Norfolk Virginia—a distance of around 400 miles.

During at least part of the time, the *Eldridge* was “missing” from the City of Brotherly Love. The destroyer was said to have been transported into another dimension—a sort of no man's land of darkness and silence from which few have been known to come back. Indeed, upon returning to this time and space, most of the ship's crew—all of whom had been left totally unprepared and unprotected by those scientists put in charge of the project—either “caught on fire,” got literally frozen into the hull of the ship, or went stark, raving mad.

Those who were “lucky” and appeared to return to some semblance of normality after the experiment was officially shut down, soon found themselves living a hellish existence as they were repeatedly pulled back into this alternate reality to relive the horrors of the Philadelphia Experiment over and over again—until there were only two survivors left in the world.

Here is the *inside* story on a massive government conspiracy and cover-up that involved our War Department, Albert Einstein, Nikola Tesla, as well as facts concerning a massive black hole that was blown

The books are still on the shelves on the Von Neumann-Goldstein computer development, the theory, logic diagrams—I've seen them. In 1951 he had a computer that was fully operational in 1952. He built one for the Navy using a new approach to the project. Somehow he solved the time-lock problem, but I really don't know how.

The Fourth Test Leading to Project Phoenix

In 1953 they had another test: another ship, another crew. Fully successful. No problem with people walking through walls or disappearing or turning up in the back room of a bar that didn't exist in downtown Philadelphia (which is one of the stories). Everything worked properly. So what did they do? The Navy cancelled Project Rainbow and renamed it Project Phoenix, and it became part of the already ongoing Project Phoenix in another capacity, another guise.

That project continued onward for a number of years and eventually resulted in all the hardware which it has generated since—the Stealth hardware, the Stealth bomber (invisibility). They now have invisibility fields and shields for our large ships, the carriers. There is public information on this about our carriers disappearing off the radar screens and even from private aircraft following a carrier in the Pacific—just disappearing one day and three days later showing up 3,000 or so miles away on radar and again optically visible. So the problem, then, was solved, and Von Neumann, of course, went on to other things.

What happened after that is rather strange. The Phoenix Project continued onward. The aspects of mind control, which was one of the original functions of that project, were all under government control in the government laboratory at Brookhaven. Like all government laboratories, they must write monthly reports called progress reports. They've got them; they went someplace in Congress. Nobody knows exactly where, but someplace around 1958, somebody decided to read them. (Sometimes it takes Congress a long time to wake up.) They reacted: "Mind control?—who wants this? We don't want to have any part of it; they might use it on us. Cancel the project." They did.

The scientists were thrown out of Brookhaven, so they went looking for a new home. Actually it was around 1967–1968 that this occurred, insofar as the mind-control project was concerned. At that point Fort Hero was already under Air Force jurisdiction for the Sage Project, which was, of course, the early warning radar in 25 stations around the perimeter of the United States. The Army people thought, "Well, it might be a good idea to have them out here and continue their research," so the scientists moved to Fort Hero. Eventually the Air Force abandoned that project because along came Dew Line and then the BEM Early Warning System. So all of these Sage projects went down. After that a lot of things happened. Basically they went into time travel and other projects, some of which we don't even know to this day.

The Monster Created by Project Phoenix

On the 12th of August 1983, Project Phoenix locked into the Philadelphia Experiment. What happened to the Phoenix project? It crashed that night, a night of horror in which a well-described monster looking much like an "abominable" snowman, a Sasquatch, which was described (depending upon how panicked people were who saw it) as 12 to 30 feet high. It went around smashing buildings and people. So the director of the project at that time—it was Jack Pruett—said "We've got to shut this station down." And they again had the same problem we did; they couldn't shut it down by pulling the switch handles. They went outside and cut the power cables that were feeding the station. It didn't make any difference. The station kept running, but with no power feeding it. Pruett was very panicked himself, telling everybody, "Get out of here! I'll take care of it."

It is interesting to note that what happened there is almost exactly what Einstein himself warned about many years before that. He said, "if you create a machine with sufficient complexity and give it enough power, it will become intelligent of itself." And that apparently is what happened there. This machine called the Phoenix Project had a massive computer complex. It found out how to tap a power source—the Dirac sea, and fed its own energy in. It didn't need local power to run it. At that point the only way to shut it down was to destroy its brains, which means its computer connections, feed connections and modulators, and cut them to pieces. The brain no longer functioning, the machine went down; Junior, the monster, disappeared and that was the end of the Phoenix project—late that night of 12 August 1983.

New Book, *The Smoky God and Other Inner Earth Mysteries*, exposes amazing facts about hidden areas of the Earth.

Subsurface Worlds—A Challenge to Secrecy

Introduction

THE LATE Ray Palmer started writing science-fiction in the 1930s, and later became editor of *Amazing Stories* and other science-fiction magazines in the 1940s. He soon shocked the world when he published the "true tales" of one reader—Richard Shaver—who maintained that he was in contact with beings from the depth of the Earth.

Later on, as editor of his own magazine—*Flying Saucers*—Palmer shocked the sensibilities of his readers when he proclaimed, in the December, 1959 issue, that the Earth was hollow and could be entered at either the North or South Pole. This is a condensed version of the astounding revelations he brought to the public. A full version can be found in *The Smoky God and Other Inner Earth Mysteries*

Flying Saucers has amassed a large file of evidence which its editors consider unassailable, to prove that the flying saucers are native to the planet Earth; that the governments of more than one nation (if not all of them) know this to be fact; that a concerted effort is being made to learn all about them, and to explore their native land; that the facts already known are considered so important that they are the world's top secret; that the danger is so great that to offer public proof is to risk widespread

panic; that public knowledge would bring public demand for action which would topple governments both helpless and unwilling to comply; that the inherent nature of the flying saucers and their origination area is completely disruptive to political and economic status-quo.

Since the day Kenneth Arnold first brought flying saucers to wide public attention by his famous sighting, one fact has been consistently brought forth by investigation—flying saucers did not originate with that sighting, but have been with humanity for centuries if not thousands of years. Flying Saucers is the popular term for Unidentified Flying Objects (UFO), or Unidentified

Aerial Phenomena (UAP). The popular "saucer" shape is only a segment of the phenomena. Properly, the important fact to consider is that intelligently controlled phenomena appear in our atmosphere. Their exact nature is a matter for conjecture, and is quite varied in configuration (to use a favorite Air Force word). It is this fact of antiquity which poses the most important single factor in analyzing the phenomena. At one stroke it eliminates contemporary earth governments as the originators of the mysterious phenomena.

How well-known is the Earth? Is there any area on Earth which can be regarded as a possible origin for the flying saucers? There are two, speaking in major terms.

Here, then, are the facts: At both the North and South Poles exist unknown and vast land areas, not in the least uninhabitable, extending for distances which can only be called tremendous, because they encompass an area bigger than any known continental area! The North Polar Mystery Land seen by Admiral Byrd and his crew is at least 1700 miles across its traversed direction, and cannot be conceived to be merely a narrow

strip, as the factor of coincidence in flying precisely along its longest extent is improbable. It is a land area perhaps as large as the entire United States! The land area at the South Pole, considering that the flight began 400 miles west of the Pole, and thus covers a continuous land area of 2700 miles in one direction,

means a land area possibly as big as North America in addition to the known extent of the South Polar Continent, which is located north of the Pole whereas the 2300-mile land traversed by the Navy plane is "beyond" the Pole. Once more the same condition of navigation exists: progress was made to the Pole and then straight on beyond it, with the one difference that the South Geographic Pole is located 2300 miles away from the South Magnetic Pole, and it is not necessary to perform the navigational maneuver described previously. If navigating from the South Magnetic Pole, the procedure is again necessary, with differences due to the greater angle of inclination to the stars, and the possibility of navigation entirely by the stars rather than with the aid of a compass.

Let's stop here and make a statement that logically follows: the flying saucers could come from these two unknown lands "beyond the Poles". It is the opinion of the editors of *Flying Saucers* that the existence of these lands cannot be disproved by anyone, considering the facts which we have outlined. These facts can be checked by anyone. You have merely to read the newspapers of the day. If there is anyone who can satisfactorily explain away these two expeditions, and the statements of Admiral Richard E. Byrd concerning them, *Flying Saucers* will give him every inch of space necessary to complete his explanation.

Just for the record, let's present the actual announcement carried by press and radio on February 5, 1956: "On January 13, members of the United States expedition accomplished a flight of 2700 miles from the base at McMurado Sound which is 400 miles west of the South Pole, and penetrated a land extent of 2300 miles beyond the Pole."

And on March 13, Admiral Byrd reported, upon his return from the South Pole: "The present expedition has opened up a vast new land."

**CONFIDENTIAL MONOGRAPH
FOR YOUR EYES ONLY**

THE BENNEWITZ PAPERS

This special report concerns the highly classified case of research scientist Paul Bennewitz, who was repeatedly harassed and intimidated by the military after providing government investigators with proof that he'd established contact with aliens on his radio and TV, as well as taken 2600 feet of motion picture film depicting UFOs maneuvering near the ground inside Kirtland Air Force Base.

by Tim Beckley

Several years ago, Paul Bennewitz (President and Chief CEO of Thunder Scientific Corp.) found himself the center of a grand puzzle involving UFOs, aliens, genetic experiments, animal mutilations, underground bases, as well as a host of other perplexing mysteries. These unsolved mysteries were to change the course of his otherwise very stable life and make him the target for harassment on the part of the military because he came to know too much about flying saucers and the government's cover-up of the truth concerning space visitors.

It all began when Bennewitz observed—and captured on film—a formation of UFOs flying over the Manzano Weapons Storage Area and the Coyote Canyon Test Site (where nuclear materials are stored), all part of the Kirtland Air Force Base facilities in Albuquerque, New Mexico. According to documents released under the Freedom of Information Act, Bennewitz saw "four saucer-shaped objects lined up behind the outside fence (of the base). A black spot and big blue halo appeared, establishing their force field. There was a flash under each one as they jumped off the ground in sync, 300-400 feet, turned right and were gone to the south."

ALIENS ON VIDEO

Being a loyal American, Bennewitz arranged a meeting with high-ranking officials at Kirtland and offered to share his findings with them. He told Air Force in-

vestigators that beside the movie footage and personal observations, he had also seen the aliens on a video screen and described them as green and about four feet tall and "strong like bastards."

Through first-hand investigations, Bennewitz had gone so far as to discover the location of an underground alien base located inside an isolated mesa near Dulce, New Mexico. He had even spoken to a woman who was kidnapped by aliens after she and her son had witnessed the aliens mutilating a cow. The two were taken inside the Dulce base where they observed horrifying experiments in which organs and blood were being removed from animals to create a new race of humanoids through "gene splicing."

According to official—never before released classified documents—that have been compiled for this report by its author Christa Tilton, the Air Force was well aware of what was taking place at Kirtland.

- Three security police watched as a brightly lit object hovered above a Defense Restricted Test Range.

- The very next day a guard saw a disk-shaped object on the ground. He tried to radio for backup, but his equipment failed and as he raised his weapon in defense, the object flew up at incredible speed.

- Shortly thereafter, a five-hour blackout occurred at Kirtland causing all radar as well as other sensitive equipment to malfunction. The military lists the occurrence as unsolved and

admits that "the presence of hostile intelligence jamming cannot be ruled out."

SILENCED BY MILITARY

Following his disclosure to the military, Bennewitz reported "horrid people following him, breaking into his home to install wire taps, Air Force men showing up on his doorstep at all hours and then he began telling me an even more bizarre story, he felt," says the author of this stunning report, "he was being drugged and was convinced aliens were coming into his home and sticking him with needles. He became a frightened man. He also felt like the government was possibly behind some of these happenings."

Now in *The Bennewitz Papers*, you can read the full account of the silencing of this research scientist and how the government may actually be cooperating with hostile aliens in the ultimate deception of all time. Some of the subjects covered include:

- The mysterious OSI agent Richard Doty—did he secretly release disinformation on cases of crashed UFOs and other important documents?

- What are the possible identities of the secret group within the military known as the "Aviary" who are trying to get the truth out, while going against official policy?

- Why is it necessary to interrogate and hypnotize witnesses *only* in certain locations using specific security measures, and what these exact measures consist of.

Alien going through genetic breeding process.

- The operation of Bennewitz's "Computer Thought Communications Link."
- Understanding Alien Psychology, what their culture is, how it communicates or expresses itself, its emotion, and its level of thinking.
- The various levels of alien society identified for the first time.
- Why, in most cases, ETs cannot be photographed.
- The meaning of symbols observed on UFOs.
- Do the aliens want to bring spiritual enlightenment for us all, or enslave the human race?
- Weaponry to be used against aliens. How they "cloak" themselves.
- What specific substances they are looking for on Earth.
- The truth about genetic breeding and cloning (with eyewitness drawings).
- Photos of the entrances to the underground Dulce Base, and much, much, more!

1H SUBTERRANEAN WORLDS INSIDE EARTH

by Timothy Green Beckley

Shocking evidence that our planet is hollow and that Earth is honeycombed with caverns inhabited by a mysterious race of Super-Beings. The question is: Are the residents of this subsurface world friendly, or do they have our total domination in mind?

Here are strange and unexplainable legends of the "Wee People," the Dero, and long-haired Atlantean giants as encountered by cave explorers and miners trapped beneath the Earth. Here also is the story of Hodon Rogia and the "Holy Scrolls" given as a gift to humankind by the inhabitants of the Inner Earth; the tale of the "green children of Wulfpeters;" the incredible story of Steve Brody and his disappearance; as well as reports of underground alien bases and an inner world paradise.

Hayes, Sr. John Ross, Greeley, Adolf Nordenskiold, Nansen, Admiral Melville, Captain Cook.

He relies heavily on the best minds of the day to prove once and for all that it is possible to travel inside the Earth-and that such trips have actually taken place.

Here is a bold work that has been kept out of libraries and institutions for over half a century.

Nearly 500 pages, a dozen illustrations.

AMAZING PSYCHIC RESEARCH BREAKTHROUGH

'It Takes Only 5 Minutes To Prove That Psychic Magic Powers Really Work!

SIMPLE SPOKEN WORDS TRIGGER A FLOODTIDE OF GOOD LUCK, MONEY, AND MUCH MORE, DECLARES PSYCHIC RESEARCHER ROGER TREMAYNE!

A week before writing this I won \$10,000 in a contest in which there were 80,000 entrants. Some say it was 'just good luck', but I know it happened because I used Magic Psychic Power.

How much do you need right now? \$500? ... \$1000? ... \$10,000? ... or very much more? Be specific about the sum you want for with Psychic Magic Powers it can appear in your life in next to no time.

I will show you how to materialize your desires out of nothingness.

It takes only five minutes practise a day to witness the wonders of using Magic Psychic Powers.

No man or woman can resist you when you use these powers. Someone who is now cool towards you will burn with hot desire once you start using these magic powers.

You can prove it to yourself in just five minutes a day.

I will show you how to control objects such as dice, roulette wheels, and even other people's bodies with this amazing force.

And it only takes five minutes practise a day.

You can make good luck to order, command perfect health, win the admiration and respect of others, amass riches ... and this is only the beginning! The uses of Psychic Magic Powers are without end!

For years I dreamed of an easy and automatic way to make any desire materialize quickly and without fail. I spent all my time studying obscure documents of ancient magic, searching for the secret that would bring me as much happiness and success as I wanted.

Then one day, after thousands - literally! - of experiments, and deep research into the magic alchemical secrets of the mind, I discovered the secret that had eluded me for so long. With mounting excitement I put this amazing discovery to the test, and was given absolute proof of the existence of the Invisible World! I was able to actually see and touch it (you, also, will be able to). The unseen spheres of existence seemed to shimmer into view, and take shape around me. I felt a strange sensation around me ... the secret force behind all psychic phenomena!

In the days and weeks ahead all problems seemed to dissolve and all my most cherished, most deeply desired dreams came true, right before my eyes.

Since then, rather than selfishly keeping it to myself I have taught this secret to others, only to be thrilled time and again to see how it has transformed their lives for the better.

You need no experience, and you need no equipment. You only need belief, and within minutes you will have the PROOF you need.

H.C. lived in a small council flat with only her canary and cat for company. Because she was elderly and poor she made the mistake of thinking there was no way she could get money. I urged her to try these psychic powers - the very next day she received £200 from a totally unexpected source!

Nothing within reason is impossible with Magic Psychic Power. I will show you the secret of 'EME' - which concentrates your energies on one object/person to make it them come to you freely! J.C., a friend of mine, used EME and received \$5000 for the very item she wanted!

I will show you, in clear, plain English - without gimmicks - how Psychic Magic Power can:

- Double your income and keep it doubling!
- Break through social barriers!
- Make every dream come true!
- Bring gifts to you from others!
- Influence other people to do as you want!

I will show you how to harness the unused, psychic part of your mind to make almost all things possible! And all for just five minutes practise a day!

YOUR LOVE AND SEX DREAMS COME TRUE! Is there someone you desire who seems unattainable? How many times have you seen someone in a magazine, TV or movie who's your idea of the perfect lover?

Unattainable that person may be, but your dream can still come true by having the next best thing: YOU CAN ATTRACT THAT PERSON'S DOUBLE INTO YOUR LIFE!

This is truly staggering! I will show you how - through the miracle of Psychic Magic - you can draw into your life a person who looks exactly like the person about whom you dream! I discovered this incredible secret only after years of research and experiment. It takes only moments to follow my book's instructions, and you will immediately begin to feel that this amazing psychic spell will work for you!

I will also show you five amazingly simple 'Magnetic Chants' that by themselves can flood your life with untold blessings! These wonder-working chants release from the Unseen Universe the manifestation of your dreams!

M.K. cured her drug habit by speaking one of these powerful chants. ... D.S., a commodities' dealer, suddenly made a fortune after daily repeating the Magnetic Wealth Chant ... U.B. won back her husband's love after using the Love chant!

In Chapter Three you will find illustrated the seven invisible healing centres of your body which, once activated, release the hidden healing energies of the subconscious.
