(Helping people become aware)

COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the New Age of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through carefully-trained channels. The information contained herein was received from deep super-conscious trance levels and 'interpreted' by an entity affiliated with C.A.C. This information is for those who desire to help in bringing in the New Age. Throughout the thousands of 'Readings' given through these channels, Cosmic Awareness tells us not to believe anything, but to question, explore, doubt, and discover for yourself through your own channel, what is the truth. Cosmic Awareness will only indicate and suggest. Neither C.A.C., the Aquarian Church of Universal Service, or the Interpreter, Paul Shockley is responsible for anything. Cosmic Awareness may state in any of these readings, nor does C.A.C. or Paul Shockley necessarily believe or agree with the statements of Cosmic Awareness. Paul interprets the energies as he sees them in trance levels and is not personally responsible for what is said. Members of C.A.C. are invited to send in questions of general interest to ask Awareness for possible publication.

THE ILLUMINATI CONSPIRACY (Cont.)

(Excerpt from a CAC General Reading)

Given in 1976

COSMIC AWARENESS:

This Awareness indicates some 2000 years ago, an entity by the name of Jesus moved into the temple and drove out the money-changers. This Awareness indicates this entity understood full well what he was doing and did create an action in consciousness which has been likened unto the planting of a seed which now bears fruit for all entities to glimpse and to harvest and to gradually understand. This Awareness indicates this entity was crucified for this very action and *none other*.

This Awareness indicates that the money-changers by whatever name, their force of darkness, which had controlled the economies of nations; this money manipulation force which moved from Atlantis through Egypt, Jerusalem, Israel, Babylonia, Rome, Greece, the European nations, the United States and Russia, and now has moved into the Orient; this force of economic control which did create the wars in Europe between France, Spain, England, Germany, Russia,--all of these in their time,--this force which created colonialism, which manipulated the rise and fall of power in nations; this force which caused the assassination of Robert and John Kennedy, behind the assassination of Martin Luther King, behind the suffering and death of thousands of entities, of millions of entities; this force which was behind the creation of that Nazi movement and the axis powers; this force which created *both* sides of the war which forced the nations of *both* sides to become enraged and fanatic in such a manner that war was the only outlet for their expression; this force behind the Vietnam war and now operates behind all of these other smaller wars in various countries; this force which set up the Communistic revolution in Russia, all financed and manipulated by the international banking system operated through the Rothschilds, through the Rockefellers, who themselves were set up by the Rothschilds for a base in the United States; these forces and these powers who passed their information from one generation to another, who train their following into levels of deception, fraud and the use of power against the masses of humanity: *these forces are now engaged in the ultimate goal which entities throughout history have hoped to experience wherein an entity glimpses the possibility of becoming king of the world, and sets out to conquer the world.*

This Awareness indicates in the past the opportunities for this were never so great as they are now. This Awareness indicates that these few hidden entities, (the number being 13); these 13 entities having influence over the rest of the world. Through their followers, through their families, through their interrelationship with other families in marriage and in economic ties, these entities are now moving frantically to bring about a world government. This to begin by creating a crisis which is intended to collapse the government of the United States as it has been known, is intended to destroy the Constitution and replace it with another, is intended to destroy the Bill of Rights.

This Awareness indicates these entities seeking more and more power are moving rapidly and almost unhindered in their movement toward world dictatorship. This Awareness indicates that the likelihood of world dictatorship by 1984, if energies continue exactly as they are, is approximately 90% probability. This Awareness indicates that the resistance to this action does not carry the proper energy or momentum to change the course and at best could only delay the action.

This Awareness suggests, therefore, that you take a lesson from the oriental martial arts and rather than attempt to resist the movement of world government, that you enthusiastically move toward world government, but that you take this energy and hurl it further than the bankers even anticipated: That you begin pushing rapidly for world government based on concepts similar to those of the U.S. Constitution and the Bill of Rights, guaranteed within that Constitution along with two other rights: *The right of freedom of morality* so long as that morality does not harm another; and *freedom of economic well-being*,--this as freedom of economic livelihood, whereby food, shelter, clothing is provided regardless of what they do to earn such; that anything more may be added according to their inclination and ambition to seek such and work for such.

This Awareness indicates that this also include in this new world government the movement of all money systems into levels of election whereby no private individual shall own any banking systems, or shall own the offices of financial controls, wherein all financial officers, all persons involved in banking and finances, *be elected by the population* in the same manner that a Congressman is elected. This Awareness indicates that the banks be owned by the people as a form of service for the masses. The money systems to be part of the action of the people.

This Awareness indicates the number-one error, the great fault which was left open, that spot in the apple which spoiled the batch, was that action of the founding fathers wherein they allowed the European Banking System to creep into the economies of the American colonies. This is that which has led to the failure in the American system. This Awareness indicates that this is the key to freedom on economic levels upon this plane. Wherein entities can elect their leader and bankers, where entities have control over the judicial, legislative, administrative, and monetary levels and have the religious freedoms and the freedom of education, freedom to select their own type of education and freedom of speech and communication,--these are the keys which shall bring about the New Age government and the freedom upon this plane which shall eliminate all wars, which shall eliminate all tragedies and sufferings of the past that have been brought about by these money systems and these entities using power and control and manipulation through the economies and controls of these money changers.

This Awareness suggests that entities begin immediately on all levels, particularly those who can voice this information, to push for World Government based on the freedoms guaranteed as in the American Constitution along with those indicated in this reading. This Awareness suggests that a World Constitution be drawn up using these principles and this be submitted to the U.N., to all nations within the U.N. for their edification. This Awareness suggests this action as taking that which would be the apparent energy of evil and pushing this with such speed and such intensity and such awareness that it goes beyond the bankers anticipation into realms of clarity.

This Awareness suggests this information be sent to all New Age groups and to all who are open to receive this information. That this be duplicated, be passed on, especially be sent to various members of congress and to wealthy entities. This Awareness indicates the super-rich are the most fearful of those who are close to their level in terms of wealth. That the upper class is the greatest threat to the super-rich and the international banking powers; that these entities do indeed need to be given this information for they would be the most responsive with this information. This Awareness suggests this also be given to entities of political and diplomatic responsibility in other nations who would relate unto U.N. activities of this nature.

THE MARK OF THE BEAST

This Awareness indicates that today in Brussels, Belgium, there is a computer. This computer is called by its employees "The BEAST"; this computer, three stories high, is tied in with 270 banks on the European continent. This computer also tied into certain banks in the United States and in Russia. This computer known as the BEAST is self-programming and does have the capacity for housing a number for every entity upon this earth. These numbers are prefixed by the three numbers: 666. This Awareness indicates that the banking system as prepared to shift their economic banking system into a computerized system wherein all entities would use a card and a number rather than cash, checks or credit.

This Awareness indicates that the computer as tied into computers in each of the 10 regions of the United States and into those computers in each of the major banks in the major cities; that the local stores, many of these are already tied into those computers within those cities. This Awareness indicates that within a short time the plan calls for a crisis to occur whereby all entities will be required to receive a government number. This Awareness indicates that in a short time later, these entities will be requested to have this number tattooed invisibly upon their hands or upon their foreheads,-- this being on the back of the hand tattooed by a laser beam. That this tattoo shall then replace the credit card, that entities then will be expected to use this number for every purpose, and this number would be their identification from birth until death.

This Awareness indicates that the arguments for this will be that this shall stop crime, that this will speed up service in supermarkets, that entities will no longer need to receive a payroll check, but shall simply have their payment deposited in their bank account and will never need to write a check but may simply present their number wherever they go and the computers will deduct that purchase from their account.

This Awareness indicates that this has been tested and tried in various places and is now ready to be presented in full scale all over. This Awareness indicates that the arguments for this are great: That entities can save much time and paper work for their bills shall be paid automatically from their account. This Awareness indicates that the arguments for this shall be very appealing to many and many shall take the bait.

This Awareness suggests that entities who are aware should ask themselves: Who created our money? Why do they create it? How? Why can I not create money as they do? Who pays them? Do they simply create their money out of nothing? Why must I spend my life working for those who create their money out of nothing? Why must I have a number to belong to a system I did not create? What are the motives of these entities in creating this kind of system? How much power do they desire? What kind of controls are placed upon entities to prevent them from misusing their power of control over all entities upon the face of this earth? Who would have this number? And what can be done to reverse this action once it is established?

This Awareness indicates that any entity, once this action is established, any entity who objects to this action may find himself being called a criminal. This Awareness indicates that any entity who becomes part of this system shall find that every book he or she reads, every type of food he or she eats, every item the entity buys is computerized and there is no privacy left. The BEAST will know everything you read, everything you eat, everything you buy. The BEAST will have a complete all-seeing eye placed upon your life. This Awareness indicates that if this does occur, the greatest trials and tribulations known upon this plane shall be experienced by many. For within a short time the fee for this service shall be 5% on every purchase and every monetary exchange. Entities will not be able to buy from one another without going through their account at the computer. The 5% will in a short time be raised to 10% and the 10% in a short time will be 15%. This Awareness indicates the final plan is that all entities shall give 25% or more of their earnings in their purchasing and sales tax. Their energies shall be deducted at a rate of 25% for their purchases. This Awareness indicates this then begins creating a greater and greater difference in classes until there are the super-rich who are all powerful, the bureaucratic rulers who are beneath them, and the masses of slaves who do the work, the bidding, and answer the whims of the rulers.

This Awareness suggests this is your alternative (to the freedoms you have known) and is presented to you by these money changers as part of your future world. This Awareness suggests wherein entities act quickly and firmly within the next few years, beginning *immediately*, for time is very short,--*this year* is the beginning of the great drive by these entities to tighten the nets around the minds of men, to destroy the constitutions of nations, to begin tightening up on their controls and their deceptions, and to confuse and manipulate the masses. This Awareness indicates that wherein entities act quickly and with that awareness which has been lacking for many years, wherein entities move beyond their personal apathy, wherein entities stop being satisfied with pride in their responsible ancestors of this nation, wherein entities begin to pick up *their own responsibilities for freedom*, wherein entities become *aware* of what is happening, --not by reading the books, listening to the lies, hearing the controlled networks and news media of the BEAST, but wherein entities begin to look deeply at what is happening on this plane.

Wherein entities begin looking at what could happen to their children if this is allowed to continue, wherein entities join together as one voice, wherein the scream that began as a whisper and reverberates into that thunderous trumpet which says: "ENOUGH!" Wherein this occurs soon enough with enough intensity, and wherein the energy is focused to where it belongs--toward the Beast, --not toward the left, nor toward the right, nor toward the races, nor toward the Communist, nor toward the Capitalist, but toward the BEAST, toward the money-changer; wherein this occurs soon, then there is that possibility for entities to have an everlasting freedom never before known upon this plane.

MORE POSSIBLE SCENARIOS FOR 1984

(CAC General Reading No. 3)

November 11, 1983

ED's Note: this reading is being published in its entirety. The questions were asked after Awareness gave its forecast for 1984 ('Revelations of Awareness' No. 83-24 Hot Line); \$3.00 from C.A.C. Although this reading gets into an extremely sensitive area (an area CAC would rather avoid), we are publishing the reading in its entirety, for otherwise it would not make too much sense should parts of it be published later out of context. We always get letters, cancellations and a few threats whenever we touch upon this particular subject. Those who wish to take this stand without fully checking out the facts, researching the many books available upon the subject, are simply entities who choose to whine and make trouble, reacting in an emotional manner rather than from an attitude of poised awareness. Those who study the material from a state of poise, will realize why this information is so important today, for these conspirators have brought our planet to a point of near annihilation, and entities must understand, must be able to fit the pieces together so that they may inform others in a temperate manner who is really manipulating the controls of destruction of the secret government. Members are reminded that those who use money for power, control and manipulation were programmed by occult forces back in Atlantis to bring about the One World slave state. These entities behind the scenes today, and many wealthy and powerful entities who support them are, according to Awareness, totally unaware of this programming and are themselves, innocent victims of this occult programming. When the entity Jesus drove the money-changers out of the temple, a seed in consciousness was planted which was designed to awaken entities and make them understand about these forces and deal with them before they destroy our planet. (One of the earliest messages from Awareness concerned this very thing. This reading appeared in early 'Revelations of Awareness' newsletters, later in 'Cosmic Awareness Speaks', Vol 2. Both are out of print). However, if time permits we will reprint this reading so our newer members can understand the occult forces at work today. forces which were programmed

into consciousness eons ago, manifesting through 13 entities, from 13 families of immense wealth and control on this plane, whose plan is to dominate, with the help of their followers, the rest of humanity, creating two classes: the wealthy and the slaves, and numbering these entities with the Mark of the Beast, implemented through the electronic-funds-transfer aspect of the banking system. As you will see in the following reading, Awareness has indicated it had given enough information on the subject of who, today, are the actual manipulators behind the scenes. The staff of CAC agrees with this. As far as we are concerned there will be no more questions asked in this area, nor anymore information published, other than certain lesser information that may crop up from time to time to help fill in the picture. We therefore are requesting at this time that members cease and desist from sending in further questions on this matter. We feel the subject has been dealt with in this and other published readings. There are many books available for entities who wish to pursue the subject further. Some of these are listed at the end of the reading. Pointing fingers will not bring about an end to this conspiracy and most entities would not believe you anyway. However, the information is needed by the magicians in CAC who have pledged to help transform the heavy energies of the Beast and save this planet from an atomic replay of Maldek. What needs to be done now is to get that alchemical going which can turn these heavy energies around and start the transmutation of darkness into light. 'Revelations of Awareness' No. 83-24(\$3.00 from CAC) gives you some ideas as to how to go about this. Let us all meditate on this for 20 minutes, then roll up our collective sleeves and go to work! (Avaton).

PS: the reading mentioned that we might republish is the one you just finished reading. (It seemed more appropriate to put it at the beginning, rather than at the end of this newsletter. We also recommend you review 'Revelations of Awareness' No. 78-16 (\$1.50 from CAC, for more information on the occult of the Illuminati.)

WILL THE ECONOMY BREAK DOWN?

QUESTION:

There were a few questions on the economy,--as long as Awareness was giving the forecast,--we'd like to cover, if agreeable, and one of these is a quote from the *Larsen File*. "From *The Reaper* newsletter here are a few predictions by McMaster, who was rated No. 1 in the independent survey of 135 of America's most successful investment brokers: "The current 'recovery' is the last real thing prior to a devastating new bear market. The next economic breakdown will convince even the most dedicated optimists that the good times are over. This may well trigger a panic. The Republicans will lose by a landslide in 1984 when the common man, in his economic ignorance will target Republicans for crushing the American Dream, just when he thought it was being revived." "

Does Awareness agree with that prediction?

COSMIC AWARENESS:

This Awareness indicates that it appears there will be a slight upturn for some period of time; this as having been artificially created in part by the manipulation of interest rates to stimulate the economy prior to the election. This Awareness indicates that it appears that this will be of a gradual nature up through approximately the end of 1985 or the early part of '86; that thereafter there will be another downturn.

This Awareness indicates that much of this however, is dependent on the political aura; that as mentioned in previous readings, if the war fever continues, the economy and upturn will become more pronounced in terms of the economic recovery. This Awareness indicates that if the opportunity or chance of war is diminished, then there is seen the likelihood of the old scenario whereby the greater control of the people, the deterioration of the Constitution and the strong possibility of a more rapidly declining economy in order to gain a greater control over the people.

This Awareness indicates that the clarity or certainty as to which of these scenarios will play out is not available at this time. This Awareness indicates that by mid-winter it appears that the indications should become more clear and that this question may be asked again in approximately the month of February or month prior or after. This Awareness indicates that the energies at that time shall be made more clear according to the type of response and reactions of the people to that which is occurring.

This Awareness indicates that in the event a greater military program has developed and the war fever is still surging full speed ahead, there will be a very quick upturn in the economy. This Awareness indicates that otherwise, the economy may begin to be turned down in order to set up a new plan for a later period after the masses have been put into a more restrictive control setting, whereby their energies can be more controlled rather than allowed to protest as may occur in the coming few months.

This Awareness indicates that there is seen a strong probability of the war fever being curtailed, which is a blessing, and thereafter the effort by the powers to also curtail the freedoms of the masses in the United States; that the turndown of the economy may be part of this program. This Awareness indicates however, that entities can cross that bridge when it comes and the powers may find that they cannot curtail the freedoms of the American people who have long considered themselves as independent entities.

FIGURES DON'T LIE, BUT LIARS CAN FIGURE....

WOULD THE FEDERAL RESERVE LIE TO US?

(WE MUST LOVE AND TRUST OUR BANKER!)

QUESTION:

There's a newsletter called *The McAlvany Intelligence Advisor**--and this entity writes: "Would politicians or monetary authorities distort economic statistics in order to make their policies look more successful? Two examples (in addition to inflation statistics) come to mind: (1) Unemployment statistics are currently understated by the Bureau of Labor Statistics by over 1 million people. Only people who have applied for unemployment compensation are counted, but over one million unemployed have been dropped from these rolls because their unemployment compensation time limit has expired. Other relief agencies take over, but the people are no longer counted as unemployed. The actual number of unemployed today are higher than during the Great Depression. (2) Increases in industrial production over the past year have been highly overstated by the Fed., thereby giving the impression of a stronger recovery than may actually be taking place. The Sept. '83 Executive Intelligence Review, using statistics from the Motor Vehicle Manufacturer's Association, the American Iron and Steel Institute and other industry trade groups, found the following discrepancies between Fed numbers and actual numbers for increases in industrial production from 1982 to 1983. Note the giant discrepancies in Feb. 1983." And they put a chart in there that shows products, according to industry, like autos,--the Federal figure was 27.2%; the actual figure was 14.7%; in the raw steel industry, the Federal figures were 1.4% when it was actually minus 8.7%. There were many more figures given, but this gives an idea of what the entity was trying to show. Would Awareness comment if that information is valid, that the government is distorting these figures?

*The McAlvany Intelligence Advisor, PO Box 39810, Phoenix, Az. 85069. (\$77 a year).

COSMIC AWARENESS:

This Awareness indicates that this is in the affirmative. This Awareness indicates that part of this is not simply to improve their own image, although this is one of the purposes of this. Part of this however, is to stimulate confidence in the resurgence of the economy. The stimulating of confidence is that which they hope will cause businesses to begin to invest money which has been saved for emergency, or individuals to dig into that emergency money and savings and begin to spend more freely in expectation that the economy shall improve.

This Awareness indicates that the psychology behind this falsifying of figures for this purpose, is similar to the same psychology which recognizes that when entities cry out "depression and recession," and the masses run to the banks or horde and save their money and cease to spend; that this fuels the recession, and likewise, the speaking of recovery and charts to indicate recovery will feed the confidence which will encourage entities to have greater faith in the banks, and greater faith in the economy, and therefore loosen up their pocket-books and begin to spend. The spending of course, as that which fuels the economy.

HOW BUSTED BANKS STAY IN BUSINESS

This Awareness indicates that there is seen considerable concern, for there are banks which are experiencing a relatively silent crisis, whereby in some instances, in order to avoid showing a negative balance at the end of the day, they continue sending money to their branch offices to the West, after each day's end, so that

each of these banks can show a positive balance, thus, electronically, they send funds around the world, following the sun, to give the impression that their banks have more funds at the end of the day than they actually have.

This Awareness indicates that as they do not need to report the morning balance, it is not of any significance as to whether the banks have the funds in the morning or not. This Awareness indicates that they receive the funds before the end of the day, and therefore count this in their balance, and report this as their assets. This Awareness indicates that in spite of all of this there does not seem to be a complete or major turndown seen during the coming months, except as may begin in the summer of '84, in the event that plans for making war are thwarted.

This Awareness indicates that in the event these war plans are not successful, then the likelihood of a turndown in the economy of the United States; this is seen as a possibility. This Awareness indicates however, it appears that it will not be as sudden as has been suggested in the previous question.

HOW MUCH INFLATION IS COMING ?

(OFFSET PRESS GREEN & THE MONEY RECALL)

QUESTION:

How about inflation? Some of these writers are saying double-digit inflation by the first of the year, and triple that probably by the end of the year.

COSMIC AWARENESS:

This Awareness indicates that this does appear to be a more likely scenario, particularly if the war plans continue. This Awareness indicates that it appears that though the First Strike war plans may be thwarted, that other more conventional war can still proceed, and thus an upturn in the economy would be a likely outcome. This Awareness indicates that in the event this occurs, there is seen a strong likelihood of the inflationary spiral again proceeding.

This Awareness indicates that entities may notice many of their dollar bills as being printed with an offset press rather than with plates; the ink is easily rubbed off and fades, is not as sharp as the plated press. This Awareness indicates that this is designed to be used. There has been recently a Bill passed to allow offset printing of the money, at least on one side, and this action is designed to allow the printing of more money, for the offset press prints much faster than those which use plates.

This Awareness indicates that the reason for this is to be able to print greater amounts of money. The presses already run day and night, and this will allow faster printing of more money. This may be of considerable importance in bailing out the banks who have spent money through loans to unstable countries. This Awareness indicates that in the end, the American taxpayers will pay for these bad loans, and also there is the strong possibility of inflationary dollars paying for these.

This Awareness indicates however, there is still, and even more probable, that possibility of introducing the exchange of currency, wherein ten one dollar bills are taken in as exchange for the new type of dollar bill. The ten-to-one ratio, wherein all debts are reduced to 10% and all money is exchanged on a ten-to-one ratio. This would bring the prices back to that which was familiar in the early 1950s, or late '40s, approximately 1/10th of what they are now.

The wages also would be cut back to that level. This would allow the government to print less money, and still have the same proportionate standard of living for entities. This Awareness indicates that this would also assist in diminishing the work involved at banks in having to count such large sums, and would simplify the work load of computers, of tax returns and so forth; the entire action as that which would save countless millions of dollars overall.

This Awareness indicates that in the event this occurs, coins of course would be retained as they are, and therefore, rather than creating new coins that were worth ten times as much, the coins which people hold would themselves increase in value by ten-fold. This Awareness indicates therefore, it behooves entities to save their coins in the event that a sudden economic exchange occurs. The currency exchange as that which is seen as a possibility at any time. Yet this may be held off for several years. This Awareness indicates however, that it also could occur as early as mid-January of '84.

COURT FINALLY ADMITS FEDERAL RESERVE BANKS ARE PRIVATELY OWNED

(RAMIFICATIONS COULD BE 'MIND BOGGLING')

QUESTION:

While we're on this subject, the *Spotlight*, Jan. 17th, 1983, reported: "The Federal Reserve banks are privately owned, locally controlled separate corporations. Who says so? In *Lewis versus United States*, the 9th Circuit Court says so! Thus, after years of Senators and members of the House of Representatives denying the Federal Reserve banks were privately owned, the 9th Circuit Court has finally, officially given the lie to the scam imposed on the people of this nation 70 years ago. The court's decision has vast implications. As private bankers, it would appear they have no more right to issue and circulate their paper than does the local counterfeiter." The court decision has been known for more than 3 months, but the kept media has been as quiet as a mouse. Neither the printed nor electronic media has found it newsworthy, even though the ramifications will be mind-boggling if the court decision stands." Would Awareness comment on that information please?

The *Spotlight*, 300 Independence Ave. SE, Washington, DC. 20003 (20 weeks \$10)

COSMIC AWARENESS:

This Awareness indicates that this information has long been released to those who have investigated the underground economy literature; that most entities who have subscribed to the Awareness materials are well aware of this. This Awareness indicates however, the significance of this being released through the court, whereby it can be cited as authority for the statement is that which can have a tremendous impact. This Awareness indicates that this particularly wherein there is discussion and argument by those who refuse to listen to the conspiracy theories. This Awareness indicates that it is information of profound value in the arsenal of expose.

ED's Note: Please refer to 'Revelations of Awareness' No. 82-15 for the actual names of the 8 Zionists families who actually own the Federal Reserve, some of which live outside the U.S. (\$3 from CAC).

MORE ON THE STOLEN FT. KNOX GOLD

This Awareness indicates that entities should also be aware that the gold from Fort Knox, much of this has been transferred to these privately owned Federal Reserve banks. This information covered by the Dr. Beter Audio Letter Tapes. This Awareness indicates also that the recent journey of the President to Japan as that which has in part included secret talks in relation to propping up Japan's economy through the use of some of this gold in exchange for cooperation in military agreements.

This Awareness indicates that likewise, some of this gold has been sent to Iraq. This Awareness indicates that there is also seen certain amounts of this gold

as having been sent over the past decade or so to other countries who were desired as partners in the conspiracies of these international bankers and these occult type forces and organizations in their effort to create a One World Government based on master/slave concepts.

This Awareness indicates essentially, the American people, like a group of happy clucking chickens, naively moving about with great national pride over the past two decades have been robbed blind and still are blind to the fact. This Awareness indicates that in 1932 the gold was called in and Americans were not allowed to own gold other than as jewelry, and this gold, purchased by the government for approximately \$24 per ounce was placed in Fort Knox, this being the largest gold depository in the world, wherein most of the gold was held. This being the strength of the American economy which made this country the most wealthy and powerful nation in the world and gave it the prestige which lasted up to the present time, and in the early '60s the gold was then systematically removed, in part being used to purchase back American dollars overseas by redeeming those dollars, but beyond that, approximately 30 truckloads hauling 15 tons each, removed gold which eventually ended up in the private Federal Reserve banks.

HOW THE ILLUMINATI SNEAKED IN THE FEDERAL RESERVE

This Awareness indicates that this was in part claimed by the Federal Reserve banks as rightfully theirs, although it was all done secretly. The claim being that the government owed them money. This Awareness indicates that to understand the nature of this claim entities must recall that in 1905, on Jekyl Island, the bankers met and created a plan wherein Paul Warburg of the Rothschild clan, as an agent of the Rothschilds, visiting with J.P. Morgan, John D. Rockefeller and a number of other Wall Street bankers, moved into Jekyl Island, secretly meeting to put together a plan which would allow them to substitute bank money for United States money.

The plan was such that they presented this to the people through their lackey, Senator Aldrich, this entity having been known as a lackey for the bankers; using this as the "Aldrich Plan," this was turned down by the people, who refused to have anything to do with the Aldrich plan. This Awareness indicates that they then returned and created another plan which was almost identical to the Aldrich Plan, and introduced it as the "People's Plan," and gave the public the choice between the People's Plan and the Aldrich Plan.

This Awareness indicates that this was introduced to the Senate and was voted through on Christmas eve by a very small vote of one or two people who were there after everyone else had left for Christmas vacation. This plan was called the Federal Reserve Act. The plan as that which gave the banks, the Federal Reserve banks the right to purchase bonds from the Treasury, hold those bonds and print up I.O.U. notes, or Federal Reserve Notes on the same amount as the bond is worth, therefore, the bond being worth, for example, \$100,000; the bank could then print up 100,000 Federal Reserve Notes and spend this, while still collecting interest on the Federal Treasury, the Treasury Bond, therefore having the use of what is essentially counterfeit money backed by a Treasury Bond which is in essence nothing more than an I.O.U. note; that entities using Federal Reserve Notes are not actually using money as described in the Constitution.

The Federal Reserve Note simply indicates that this note is backed by real money. This Awareness indicates it is nothing more than if an entity wrote another person and said: "I owe you one dollar, and this note is redeemable by one dollar." This Awareness indicates the irony of this Bill however, was such that the Federal Reserve bank which was formed, was allowed to take the \$100,000 which it printed, or had printed by the Treasury Department; it was able to take these newly printed I.O.U. notes

and purchase another \$100,000 dollar bond from the Treasury, and with that hundred thousand dollar bond as backing, it would be allowed again to order another hundred thousand dollar note. This Awareness indicates that in this manner it could purchase millions in Treasury bonds and with the backing of these Treasury bonds it could then use the I.O.U. Federal Reserve notes to purchase more Treasury bonds. It was essentially an act of creating money out of thin air, backed by nothing other than the promise of the Treasury to pay for the money that was being created, when it redeems the bonds.

This Awareness indicates that when wars followed, and the nation needed economic support to finance its purchases, the nation borrowed from these Federal Reserve banks, and the National Debt increased to astounding levels. This Awareness indicates the Federal Reserve Banks now being the official banks of the United States, although counterfeit in reality; these Federal Reserve banks then made claim for the debt by claiming the gold, but doing this underhandedly and secretly so as to keep the public from knowing the gold was being transferred from the pockets of the people, to the pockets of the bank.

This Awareness indicates essentially, what this did, was take the power of the government away from the people, and give the power of the government to the bankers. This is no longer a country ruled by the people, for the people; it is country ruled by the banks, the Federal Reserve banks and all of the lackeys associated with the conspiracy and fraudulent actions which took place.

This Awareness indicates that the 9th Circuit Court, in exposing this, has shown an unusual honesty in its judgments.

QUESTION:

If the public is ever informed that this occurred, what, if anything will be done about it?

COSMIC AWARENESS:

This Awareness indicates it could well start an investigation that would make Watergate appear to be likened unto a peanut compared to a mountain, and in time, could lead to the exposing of a vast conspiracy to take away the rights and liberties of the masses, by those forces which are totally treasonous to the American system, not to mention fraudulent.

ED's Note:

This is the main reason Dr. Beter has been trying for years to expose these criminals in the Federal Reserve who stole the gold from Ft. Knox. This is covered in his books and in his Audio Letters. Awareness has previously indicated this information was valid and that it was once published by a Canadian national Tabloid. When the tabloid hit the streets, the Rockefeller powers, who had stolen the gold in the first place, rushed to buy up and confiscate all the papers they could to keep the story from getting out. They were only partially successful. A few thousand copies did get out to the public, one of them a CAC member who sent us a copy, which we have reproduced in this newsletter elsewhere. That, incidentally, was the last edition the Tattler ever published, for the Rockefeller quickly made them "an offer they could not refuse", and the newspaper supposedly changed hands. The Rockefeller quickly shut the doors and the publication never published again. (You just don't fool with those boys).

Gold

"With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidize all State loans, and thereafter hold the states at our mercy."—From *Funeral Oration of Rabbi Reichhorn*.

"You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible."—From *Protocol 20*.

Probe Resulting From Tattler Expose Reveals:

5,000 Tons of Gold Missing at Ft. Knox

By WILLIAM BARNHILL and TOM AYRES

Copyright 1974, The National Tattler

More than 5,000 tons of gold have been removed from Ft. Knox in recent years and federal officials responsible for its safekeeping are not even sure where some of it went. Those 5,000 tons, worth more than \$27 billion on today's open market, represent the amount of gold a top-ranking federal official admits has been removed from the Ft. Knox Depository.

In addition, TATTLER has learned that gold bars recently displayed at a much-hyped Ft. Knox "press tour" are of such poor quality they are not even acceptable in world trade.

These are among the more shocking facts to emerge from a TATTLER investigation following a circus-like Ft. Knox inspection tour by 100 reporters and seven Washington newsmakers.

The tour was arranged by the U.S. Treasury Department to squelch reports (first published in TATTLER) that much, if not all, of the nation's gold reserve, has been siphoned by international speculators.

THE CHARGE initially was made by Dr. Peter David Beter, former legal counsel for the Export-Import Bank and the American Gold Association, based upon evidence he compiled during a lengthy personal investigation.

A series of articles published in TATTLER eventually pressured Treasury Department officials into opening the doors at Ft. Knox to "outsiders" for only the second time in history (on Sept. 23, 1974). The first time was April 28, 1942, when resident Franklin D. Roosevelt was allowed to inspect the vaults. However, the controlled peek allowed inside Ft. Knox has raised one question that it has answered. And statements by various government officials have contradicted more than they have lightened.

One example:

MARY BROOKS, who as director of the U.S. Mint has overall responsibility for the nation's gold reserves, assured TATTLER that a vault at Ft. Knox had not been opened since 1968.

"That was when they had a run on the (British) pound and the (French) franc and we were shipping gold overseas to help our friends," she said.

But Victor H. Harkin, the officer in charge of Ft. Knox, tells a different story — one of a major shipment on Ft. Knox as late as 1971.

"In June of 1971, I shipped 11 gold to the New York Assay Office — a half-billion dollars worth at \$30 an ounce back then," he told TATTLER. "It took thirty-three 15-ton tractor-trailers to haul it."

"THE EUROPEAN shipment was back in 1967," he said. "That's the last time we shipped to anybody other than the New York Assay Office. It was so necessary to get it over there in a hurry that the Air Force flew it over. The Army took it from here using Army vehicles. They lifted it to London in C141s."

Asked if he knew the amount of gold involved in that shipment, Harkin said he did not.

DR. BETER'S CHARGE

Dr. Peter David Beter has charged that much of the nation's gold reserve has been secretly removed from the vaults at Ft. Knox.

He claims it was illegally sold to 13 European sources who were "fronting" for U.S. interests. The sale price was \$42.22 per ounce (the official U.S. government's price) at a time when the open market price was ranging between \$160 and \$170.

It is Dr. Beter's contention that these speculators intend to drive the price of gold as high as \$2,000 per ounce before dumping quantities of it back onto the open market. The windfall would be in the billions.

HIS CHALLENGE:

Dr. Beter has offered to go before a federal grand jury and present evidence he has obtained to support his charges — including the names of highly placed sources.

He also has offered to pay the expenses of the assayer for the Bank of England to go to Ft. Knox and assay 100 bars of gold selected at random by him.

He believes some of the gold bars stored at Ft. Knox may be chiefly composed of a heavy metal named tantalum and contain only a small percentage of gold.

Treasury and Mint officials have declined his offer. Mint Director Mary Brooks said to do such a thing "would be insulting to our own assayers. Besides," said Mrs. Brooks, "the Bank of England does not even have an assayer."

Upon checking, TATTLER learned the Bank of England does have an assayer. He is Assistant R. Griffith of the Daniel C. Griffith & Co., Ltd., 27-35 Paul St., London EC2.

Although he was directly responsible for the gold, Harkin said he did not receive a receipt for it. He

also admitted he had no definite proof that the planes indeed flew the gold to London.

"I think they got a receipt at the New York Federal Reserve Bank in that particular case," he said.

HOWEVER, A spokesman for the New York Fed told TATTLER they have no receipt for such a shipment.

When asked how much gold has been shipped from Ft. Knox to his knowledge, Harkin replied:

"Put it this way... In 1961, we had about \$12 billion worth of \$35 an ounce. Now, we have about \$6 billion at \$42 an ounce."

An analysis of these and other available figures reveals the following:

The amount of gold shipped from Ft. Knox during that 13-year period amounts to more than 170 million ounces (more than 5,000 tons) valued at more than \$27 billion at today's open market price.

STILL ON reserve at Ft. Knox, according to a recent Treasury Department statement, are 147 million ounces of gold valued at \$6.2 billion at the official U.S. rate of \$42.22 per ounce — or \$23.5 billion at the free market price.

However, Dr. Beter is insistent that the Treasury Department's statement is erroneous.

"All they have left down there are the dregs of the nation's gold reserves," he told TATTLER.

"What they showed the press is unmarketable gold."

A subsequent TATTLER investigation has proven Dr. Beter's charge that the gold shown to the press is not tradable on the international market.

Where Our Gold Is

According to the U.S. Treasury, the nation's gold reserves are stored in the following locations:

Location	Ounces in millions
Ft. Knox	147.4
Denver Mint	84.8
New York Assay Office	84.1
New Francisco Assay Office	10.0
New York Federal Reserve Bank	4.2
Bank of England	1.9
Bank of Canada	1.0
Other locations	0.1
Exchange Stabilization Fund	2.0

The gold controversy has arisen because of charges that the bulk of the bullion has been removed from the nation's main depository at Ft. Knox and sold to international speculators at cut-rate prices.

In financial circles, it is known as "900 gold." In order to be accepted for world trade, gold must have a quality factor of "990 fine."

TATTLER LEARNED that the gold displayed on Sept. 23 is nothing more than melted gold coins with a high copper content.

When questioned, a spokesman for the Bureau of the Mint admitted that the gold shown ranged in quality from only \$900 to \$187.

Asked why a higher grade of gold was not displayed, if it is available, the Mint spokesman said:

"That was what we had in the first vault. We have higher grades of gold in other vaults."

Actually, Ft. Knox has 28 vaults. Reporters and newsmakers were allowed to inspect the contents of only one.

MRS. BROOKS told those present that 13 of the vaults contained gold. However, when pressed, she admitted that there has never been a complete inventory and audit of the contents of Ft. Knox and noted that some of the vaults "have not been opened in 18 years."

The gold is "audited" once each year simply by checking wax-like seals on the vault doors.

MARY BROOKS, director of U.S. mint, displays "inferior" gold bar during recent tour.

When TATTLER's reporter questioned the coloration of the gold displayed at Ft. Knox, he was told the reddish hue was caused by copper content.

"That is what we call 900 gold," Lulu Vigdor, an expert on gold bars, said when contacted by TATTLER. Vigdor is manager of the Numismatic Department for the New York firm of Manfra-Tordella and Brooks, Inc.

"Frankly, I am amazed to learn that this was the type of gold exhibited at Ft. Knox," he said. "If they had better gold, I do not understand why they did not show it."

"THIS IS simply melted gold coins. I do not know of a single country that will accept it on the world market."

A Ft. Knox audit by the U.S. General Accounting Office, to progress as TATTLER goes to press with this story, is likely to create more controversy than it resolves.

TATTLER has learned that it will be a "selective audit" by government employees from the GAO, Treasury Department and the U.S. Mint. They will check only three of the 13 vaults which Mrs. Brooks claims contain gold. They will assay only a "select" number of bars in those three.

REP. PHILIP CRANE (R-IND.), one of U.S. lawmakers making tour, had his doubts after viewing vault.

How Much Gold Does U.S. Own?

How much gold does the U.S. government really own?

Twenty years ago, the United States had \$24 billion worth of gold at the then-official U.S. price of \$35 an ounce.

Today, the Department of the Treasury claims gold reserves of \$11.5 billion at \$42.22 per ounce. But the U.S. government does not own those reserves, if indeed the gold has not been drained by speculators.

The U.S. Federal Reserve System holds gold certificates against more than \$11.4 billion for loans to the government.

A recent statement by the United States Treasury gave this breakdown for the nation's gold reserve:

Assets (gold)	\$11,588,785,000.00
Liabilities	
Gold certificates (1934)	\$1,277,900.00
Gold certificates fund	
Federal Reserve System	\$11,450,121,800.00
Balance	\$106,362,000.00

The \$106.3 million figure represents the amount of gold owned by the U.S. government free and clear of liabilities — about 0.5 per cent of the total reserves.

GOLD AND SILVER--WHAT ABOUT THEM?

QUESTION: (UP, DOWN, POSSIBLE CONFISCATION?)

One other question in this area that keeps coming up. This one by B.A., who writes: "Dear Avaton. Hope this request is in time for your annual questions for what's in store for '84, and the economy. Mainly precious metals, particularly gold coins and junk silver (pre-1965 silver coins); the possibility of confiscation and implementing of regulations in the near future. I know you made an attempt to ask this question in July, but unfortunately, it was not answered directly. I do hope it is not inappropriate to ask this in view of the pressing times and so forth. Use your good judgment."

COSMIC AWARENESS:

This Awareness indicates that it appears that there will be a period of time lasting for several months, beginning at present, in which the metal prices may drop approximately 25%, possibly around 35%. This Awareness indicates that thereafter, it appears that these prices shall begin to gradually climb. This Awareness indicates this too of course depends on many other factors; that there is a great difficulty in giving clear, precise or even hazarding a percentage chance of likelihood of anything during the coming year.

However, the energies which appear to be likened unto the mainstream of currents moving during the coming year as seen at present, indicate that the probability is that these metals will begin to rise during 1984, and may go quite high before settling into a state of rest. This Awareness indicates that this can reach into those levels of above \$1500 per ounce for gold. This Awareness indicates that it could even go higher, although this may not occur in 1984. The trend is seen as probably, or *likely* to begin to rise in '84.

This Awareness indicates that in terms of your coins, pre-1965 silver; that the value of these coins will also increase considerably along with the increase in precious metals, but the fact that they also have numismatic value will allow them to likewise increase even more, for many entities, as gold and silver begin to rise in value, many entities will start seeking to purchase, and the hoarding and seeking of such will prop up the value of these coins even further.

This Awareness indicates that there is not seen a likelihood that coin collections as such will be confiscated by the government, particularly silver, at least not in the coming several years. This Awareness indicates that even if it were, there is not seen any indication that they could confiscate silver collections which have been held for long periods of time and secretly hidden away; that those entities who in the future purchase coins and purchase metals whereby rules may be passed to require such purchases be recorded, may be vulnerable to having their purchases confiscated at a later time by future rulings that call in precious metals.

This Awareness indicates however, that it is not seen as occurring in the near future although it is not unlikely that this could occur before the decade is out. This Awareness indicates however, in terms of your coin collections, or gold which is already held, there is strong possibility, strong probability that many entities have learned from previous experiences, and would not release their gold, even if there were a call for them to turn this in, and that it would become increasingly difficult for the government to claim or to take in the gold from people, particularly if there were no record of their having purchased gold.

This Awareness indicates that coin collections appear to be that which will be relatively safe; that it is always possible that there could be sufficient rules and regulations created to make it illegal and to intimidate entities sufficiently so that they would turn in their

gold and silver in the future, but in the event this occurred, they would quite likely be given a reasonable compensation, depending of course on how totalitarian or how honest the transaction was, according to the type of government that had formed.

This Awareness indicates that it is totally impossible to foresee at this time what will occur, for the future is not fixed, the government that is to occur in the next 5 or 10 years is not seen, cannot be seen at this time, for it depends entirely on what entities do. The masses have certain power which they may give to those forces which would manipulate them, or which they may take from those forces which would manipulate them, and depending on this action, what will occur 5 or 10 years from now is that which cannot be clearly seen at this time.

This Awareness indicates however, your coin collection appears to be safe for at least 5 years.

WILL ISRAEL BE DESTROYED IN '84?

(THE RUSSIANS ANNOUNCE ANOTHER EARTHQUAKE)

QUESTION:

Someone, or some group* recently placed a two page ad in *Spotlight*. (I believe the group was some fundamentalist outfit from South America, using Biblical references for the information). This 2 page ad claims, among many other things, that Divine Intervention will destroy the Zionist state of Israel between October 22nd and 23, 1983, and October 5, 6th, 1984. On this date, in 1984, which is Yom Kippur, the 12 original apostles will return to earth. On October 22nd and 23rd, 1983 there will be a universal earthquake, at which time the USA's entire governmental-military-economic-social complex will be put out of commission. The USA will be totally deactivated at this time, and will 'lose all its atomic and satellite defenses and be completely incapable of defending Israel...from the direct attack of the USSR on Passover, April 17-24, 1984, until its total destruction by Sept. 7, 1984. ...The USSR will rule as 'The king of the north' for only 30 days until Oct. 5/6, 1984...."

* The ad was signed 'Jonah 3. R. Macdonald, CI 6-20 So Centro, San Pedro Sula, Honduras, C.A.' The 2 page ad appeared in the Oct. 10, 1983 edition of *Spotlight*.

COSMIC AWARENESS:

This Awareness suggests that this date be restated.

QUESTIONER:

It says October 22nd and 23rd, 1983, but I think it's a misprint and they meant '84. Will Awareness comment on that prediction?

COSMIC AWARENESS:

This Awareness indicates that this is seen as erroneous in its first dates given. This Awareness indicates however, that the potential for this occurring, if one disregards the dates, as that which is seen as highly possible in view of the way energies are moving. This Awareness indicates however, that it appears that the dates and times are completely off. This Awareness indicates that *It* has given information of a similar nature through the entity David Worcester at the Lewis & Clark College reading in 1969; that unless Israel changed its ways it would cease to exist on this plane.

This Awareness indicates that there is still some danger of this occurring. This Awareness indicates that it is not the Jewish people themselves, but it is those forces which are controlling and using the name of Israel in carrying out certain types of activities promoting wars and intrigue which shall bring down great repercussions on the people of Israel. This Awareness indicates that there is seen some possibility that this can be averted; that it is not fixed as a certainty.

This Awareness indicates however, if the United States and Israel continue pushing for war as has been occurring during the past year or so, the likelihood of these events occurring increases with each passing month. This Awareness indicates that as has been given: The Russians have in place sufficient cobalt bombs to create devastating earthquakes within the United States, to totally demobilize this nation. This Awareness indicates that the visit last night of your President to Japan for the economic and military agreements was met with an earthquake.

This Awareness indicates that the earthquake in Japan as being but another indication or warning to this entity. This Awareness indicates that the Russians do not simply create these earthquakes unannounced. These are announced through diplomatic channels in such a way as to let the leaders of this country know that these powers exist, and that they are not safe anywhere, so long as they continue pursuing the war plans. This Awareness indicates that whether these efforts to intimidate the Bolshevik forces in the United States are successful in view of Russian efforts will determine how far the Russians will go in igniting these weapons.

NEW PANAMA CANAL PLANNED BY ISRAEL

(ZIONISTS WILL OWN IT --BUT WE'LL PAY FOR IT)

QUESTION:

In a recent *SPIRAL Mobius* put out by Audrey Patrick, she quotes from a newsletter, a publication called, *Pardon Me But...* with editor Nord Davis, and she writes: "Will a second canal be built connecting the Atlantic and Pacific Oceans under the control of Zionists? Nord Davis reports that the government of Costa Rica, working with Henry Kissinger, has decided to sell the state of Israel 2 25 kilometer-wide strip of land along the Nicaraguan border that runs from one ocean to the other. It is believed that Nicaragua will sell Israel a similar, adjoining strip along its Costa Rican border. Since there is a river, a lake and swamps in the combined strips, it is the most practical canal that could be built to tie both of the oceans. Israel would pay for it with American dollars. "Just what IS going on down there anyway?" she asks.

SPIRAL Mobius, 347 N. Union St., Kennett Square, Pa. 19348. (Sample copy, \$3.00). CAC recommends.

COSMIC AWARENESS:

This Awareness indicates that this is very likely. This Awareness indicates that this has been planned for approximately 25 years in reference to the area for a second canal. This Awareness indicates that the older Panama Canal as that which does not properly accommodate the larger ships and it has been long recognized that a new canal is necessary. This Awareness indicates that it appears there will also be some effort to make some kind of alliance or agreements with the Nicaraguan government so that a settlement of some type can occur to allow influence from the United States or its ally Israel to be present in the area; that if this is not fully developed, then the continuation of war in that area is likely and a coup or other revolutionary-type activities may continue until there is a stage whereby the United States and its ally Israel can have sufficient influence in the area to control the new canal zone.

This Awareness indicates that this is seen as being a priority in that area and much of the politics in the military and political activities in the area will be centered around this concern. It may very well create a crisis in the region, a crisis greater than that which is now seen. It may also create a stability in the event that there is found a compromise with the Nicaraguan government that is presently in power.

QUESTION:

Well, if this is true, it says here that Israel will pay for it in American dollars. Why couldn't America just buy the land and have it? I don't understand what business Israel has being down there?

COSMIC AWARENESS:

This Awareness indicates that the plan for the World Government, is to move the central power of government to Israel. This Awareness indicates that there is even a plan to move the United Nations to Israel; that much of the recent discussion of the United States ambassador to the United Nations, whereby he offered to let other countries host the United Nations, was but setting the stage for the future option of moving the United Nations to Israel.

This Awareness indicates that this is part of the plan for the World Government, to have Israel as the seat or center of World Government.

...HOW TO GET THE PEOPLE GOING AGAIN:

WILL THE PANAMA CANAL BE BOMBED?

(MORE ON THE MOSSAD & MIDDLE EAST OIL)

QUESTION:

While we're on the subject of a canal in Panama, Dr. Beter mentioned in the Sept. 22nd issue of *Wisconsin Report*; he said: "The American people may soon be forced to support Reagan's war policy in Central America. There must be an incident. Perhaps the bombing of the Panama Canal, to cause Americans to want to go to war. The foundation has already been laid by the KAL 007 incident which has fostered hatred of Russia." Does Awareness see that as a possibility?

**Wisconsin Report*, PO Box 45, Brookfield, Wis. 53005. (\$15 per year). CAC recommends this publication only because Dr. Beter occasionally feeds it some information and because they have reprinted all the information on his tapes. The rest of the paper is filled mainly with sactimony, pomposity and right-wing fundamentalist diatribe of extremely low level consciousness. (They recently did, for example, a lengthy series of articles on New Agers and groups, including such innocent fields as astrology,--throwing all these things into one bag--an Aquarian Conspiracy, motivated by Communists and Satan). Pure garbage and hogwash in my opinion. Dualistic, polarized, Neanderthal thinking. Forget it. Everyone however, subscribes because it is cheap and because it carries the Dr. Beter material. (Why he chooses to feed it to them is one of the world's great mysteries.) Avaton.

COSMIC AWARENESS:

This Awareness indicates that this as quite a strong possibility. This Awareness indicates that the actions in Grenada as that which were easily justified by the Reagan administration, whereby it was an action that allowed great support for the administration and the military intervention, great support from the American people. This Awareness indicates that this was needed by the administration in order to bolster its prestige as well as capitalize on the hostility created by the KAL, Korean airliner incident, and also to prepare the mass-mind of this country for future actions.

This Awareness indicates that indeed, this is not the end, but is only the beginning of similar activities. This Awareness indicates that likewise, the destruction of the Marine barracks in Lebanon, (having occurred only shortly after the Congress had given the President the okay to remain in Lebanon for a certain period of time); was intended to deepen the commitment so that having invested so many lives, the American people would not easily pull out, would not want to see their sons as having been sacrificed for nothing.

This Awareness indicates that this action was not perpetrated by the administration, but it is seen that this was perpetrated through Iran by the Mossad operating in that region. This as a manipulation to keep the Americans involved, allowing the Americans to do the fighting for Israel in the area; that there shall be further battles in that area. This Awareness indicates there is a great effort by these forces to prevent any peaceful settlement by these leaders of these countries having their meetings in Geneva to attempt to settle their disputes; this is seen as a threat to the future plans of Israel, and of those forces which are pulling the strings.

This Awareness indicates that entities must not assume that the Jewish people are behind this action for it is an elite group working within the United States, within Israel, within various European countries; these are the Bolshevik types who are controlling the actions and are creating events that lead to greater and greater justification and involvement in the affairs whereby the United States and France eventually shall have sufficient excuse to go to war with Syria and Iran.

This Awareness indicates this as an intent to gain the control of oil fields as well as territory whereby bases can be built for greater influence and control over that area. This Awareness indicates that this can well lead to the action of nuclear use in the area, whereby oil is capped off by nuclear weapon use, so that the oil cannot be used for some time, for many years. This Awareness indicates that this will allow the excuse to bring the economies of the world down further by increasing the cost of oil and gasoline and fuel, so that recession and depression world-wide follows, and so that nations can be easily taken over whereby the governments will have the sufficient use of oil and fuel for their operations and activities, but whereby the masses will not be able to function, except at great expense.

Manipulating Consciousness Through Recessions

This Awareness indicates that entities may notice that as gasoline and fuel prices rise, the standard of living decreases; that recessions are often closely associated with the price of fuel. This Awareness indicates that at present, there is a dropping in the price of fuel, and entities can expect that this will release more money for entities to spend, particularly through the Christmas season. This Awareness indicates that if, as is indicated, there is the cutting off of oil shipments from Iran, entities can expect that after this occurs, an increase in gasoline and oil and fuel prices may occur, following the Christmas season, and this can lead to some downturn in the economy.

This Awareness indicates however, in the event this does not occur, the economy is seen as not being highly affected after the Christmas season. This Awareness indicates there is also a manipulation of consciousness through the use of recessions; that whereby entities are concerned about their finances, the economy is lagging, they tend to not get so involved in global issues such as nuclear war, and social causes. They get more concerned about their own personal needs. This Awareness indicates that this may be used to prevent or curtail some of the potential strength of those peace marches, to hinder those of the peace movement.

The Reds in the Saddle

"We appear on the scene as alleged saviors of the worker from this oppression when we propose to him to enter the ranks of our fighting forces—Socialists, Anarchists, Communists—to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite—in the diminution, the killing out of the Goyim."—From Protocol 3.

This Awareness indicates however, it appears that this will not be effective to a great degree and that the strength of these marches will increase throughout the winter months and into the spring. This Awareness indicates that this year of 1984 is seen as a highly volatile year in many ways.

DO ZIONISTS CONTROL THE U.S. CONGRESS?

(HOW THE MEDIA IS CONTROLLED BY INTIMIDATION)

QUESTION:

In reference to Zionism, while we're on the subject, someone sent me a newsletter, or article put out by the Christian Nationalist Crusade out of Los Angeles, written by the editor, Gerald Smith, and it's a very long thing, but there's one section, Section 8, I'd like to ask Awareness if this information is valid. It's called: *Expose And Fight Political Zionism--a World Menace*. He writes: "I have consistently opposed the conspiracy of political Zionism inside the Congress of the United States. Recently United States Senator J. William Fulbright with whom I disagree on many, many things--in fact, most things,-- issued a statement on a nationwide network to the effect that international Zionism virtually controls the United States Senate, and they are afraid to vote on any question contrary to the will of the Zionists. As this was written, a sneaky attempt was made inside the United States Congress to effect a mutual defense pact which means committing the United States to come to the defense of the counterfeit State of Israel in case of a military incident. Any mature student of military history knows that there is no difficulty in creating an incident. If that mutual defense pact is ever approved by the Congress, it means that every drop of blood that we have in the veins of our young men will be put at the disposal of the imperialistic ambitions of international Zionism, operating through the counterfeit State of Israel."

"Principles Worth Living and Dying For," 25cents per copy. Write: Christian Nationalist Crusade, PO Box 27895, Los Angeles, Calif., 90027.

ED's Note: this article was written before Reagan sent our marines over to Lebanon and all those atrocities occurred on schedule.

COSMIC AWARENESS:

This Awareness indicates that this information as appearing to be accurate in its content. This Awareness indicates that the use of the word 'counterfeit' as that which is expressing this entity's displeasure with the existence of this state. This Awareness indicates that in reference to the control of the international Zionism toward the Congress of the United States, this Awareness indicates that this also is accurate. This Awareness indicates that this not in every incident or in every case as being in control of all Senators, however, that it appears the vast majority are controlled in this manner.

This Awareness indicates that the way these entities function wherein a newspaper, for example, writes an article that is contrary to the way these entities want things to be, they have a vast network of friends who write hostile letters to the editor, threatening to cancel their support. This Awareness indicates also that many of these entities help support newspapers through advertisements, and wherein any information is sent that is contrary to their wishes, they threaten or withdraw their advertisement.*

* According to numerous authors of books on Zionism, every large corporation in the United States, with few exceptions, are owned or controlled by Zionists, particularly those in the Military-Industrial complex who profit from building war machinery. A common ploy, according to these authors, is to change their names to American-sounding

names or place stooges with American names as executives in their companies. More recently, according to Awareness, most corporations of any magnitude have been taken over by Synthetics; and are being controlled and run by Zionists forces. (This is another dangerous subject which Awareness is reluctant to give information on. Please refer to 'Revelations of Awareness' No. 83-16 (Central America-How to Understand What is Happening); \$3.00 from C.A.C.

This Awareness indicates that these entities can break or make a newspaper. This can also occur with radio stations and with television. This Awareness indicates that it is indeed dangerous for entities to speak of Zionism; that when this Awareness gave a message previously relating to the difference between Zionists and Jews, between Zionism and Judaism, making a distinction between the political Zionists and the Jewish people, many of the entities who were members of your organization cancelled their membership.**

**'Revelations of Awareness' No. 79-18 (A Cosmic History of the Illuminati); \$3.00 from C.A.C.

This Awareness indicates that the Interpreter's friend was recently met by an entity who informed him that he was *not to speak* of Zionism or Bolshevism any further if he wished to be safe. This Awareness indicates that these questions and these things associated with Zionism are threatening and dangerous to speak of. This Awareness indicates that there are entities within your organization who have lived in Russia and who know that much of Russia was controlled by Bolsheviks who essentially were Zionists, up until 1975.

This Awareness indicates that these entities being aware of this, still have some fear, for in Russia, they were not allowed to speak of Zionists or Bolsheviks or Jews, or to discuss the concept of Zionist conspiracy. This Awareness indicates that it happens that such entities now in the United States are having the same fears here, for they recognize this force in this country also.

This Awareness indicates that you may perhaps, by asking questions such as this, be harassed or in some way put out of business through the bureaucracies of government, or through other forces and organizations that are controlled by these entities for releasing information to your members regarding this concept of Zionism. This Awareness indicates that therefore, after this message, this Awareness suggests that you not give any further information associated with Zionism, except in the lightest levels, or in passing, or in ways that are not of any great significance to the messages.

This Awareness indicates that *Its* purpose is not to point fingers or expose groups of entities or forces as being evil or detrimental to energies. *Its* purpose is to have an opening and a channel whereby *It* can help to bring about reconciliation. This Awareness indicates that wherein information must be exposed in order to assist entities in understanding and in order to help entities understand a situation so that there can be a reconciliation; this is important.

This Awareness indicates that it is not important to simply pick an entity or group and harangue that group, even though there may be some reason or justification for such. This Awareness indicates that the expose which has already been given is sufficient, and that it is not seen as profitable for your organization for further information associated with the concept of Zionism to be discussed. This Awareness indicates that it would be safer for your organization to refer to the forces as Dr. Beter has, as Bolsheviks, for the energies are not so highly charged and it is more difficult for Zionists to object to your use of the term "Bolsheviks."

This Awareness indicates that in this manner, entities can still communicate with less threat of violence or destruction to the organization.

QUESTIONER:

Several members have sent in a couple of advertisements that have been placed in big newspapers like the New York Times by concerned Jewish organizations denouncing Zionism and the state of Israel and so forth, and I thought...

COSMIC AWARENESS:

This Awareness indicates that wherein this occurs, these may well be reprinted in your publication to help to reinforce what this Awareness has given previously; that in such a case, this is not easy for Zionists to object to when it is simply a repeat of advertisements that other Jewish leaders have presented in other papers. This Awareness indicates that this may be reprinted simply as verification of what this Awareness has given, for there are many entities who refuse to recognize any difference between Judaism and Zionism.

This Awareness indicates for example, the entity Jack Katchmar; that there are many others like this who do not see that there is any difference. This Awareness indicates that this in itself is a desired state of affairs by the Zionists; that they would prefer that entities think that *all* Jews are Zionists.

This Awareness indicates that essentially, you must understand that this topic is that which is perhaps the most dangerous topic to your organization of anything that can be printed and released to the public.

QUESTIONER:

Yes. Well it *was* my intention to reprint those advertisements if we did publish this. There's one other bit of this article I was reading previously. I'd like to ask if this information is valid. He says, --this editor, Gerald Smith, "The average reader of this statement cannot believe this, but the Zionists have already passed a law in Israel justifying their right to seize any enemy, anywhere in the world whom they contend is conspiring to overthrow the state of Israel. That includes me. That means that they believe they have a right to grab me off the street and either kill me or rush me to Israel to be tried in a biased court and sentenced to prison or death. If this seems like an exaggeration, may I point out that they have already done this in numerous instances, so much so that it has aroused the resentment of the entire world, and recently, for the first time, they were condemned unanimously by the Security Council of the United Nations. The reader should be reminded that the United Nations in the beginning was given its guidelines for formation by the Zionists. They wanted this to be developed into a world government that could be transplanted into the Middle East and developed as an international Zionist controlled empire."

Does Awareness see this information as valid?

Hebrew: National Language Of the U.S.

During the American Revolution, a movement was launched to replace English with Hebrew as the official language of the new nation.

In 1776, anything associated with the British monarchy had a bad taste to the American rebels. Hebrew, on the other hand, was held in high regard by the former colonists, who viewed it as the mother of all languages, the key to the scriptures and the cornerstone of a liberal education.

They had named their towns after those cited in the Bible, such as Salem

and Bethlehem, and their children were named after biblical figures. Until 1817, annual commencement addresses at Harvard were delivered in Hebrew, and at Yale the language was required for freshmen. Many lower schools also stressed Hebrew.

Several members of the new Congress reportedly urged that English be banned altogether and replaced by Hebrew. Though the idea never caught on, Hebrew remained a required course at many major American universities well into the 19th century.

COSMIC AWARENESS:

This Awareness indicates that this as in the affirmative; that this as related to the previous message in which the plan called for the United Nations to be moved to Israel. This Awareness indicates that the concept of international Zionism is that which considers the world to be its domain. This Awareness indicates that the very nature of this act which this entity speaks of not only means that *he* can be considered an enemy of Israel and could be tracked down by the Mossad, and either tried or not tried, according to their way of holding trial, could be assassinated; it also means that *you* or the Interpreter of this Awareness, or any other who speaks about these forces could also be assassinated by the Mossad.

This Awareness indicates that it is for this reason that this Awareness suggests that you refrain after the release of this message, from further discussions of the Zionist conspiracy unless you are willing to pay the consequences. This Awareness indicates that even the release of *this* message should be considered as daring and hazardous. This Awareness indicates however, it appears that if this is released and no further is given, that there are not seen the likelihood of repercussions.

This Awareness indicates however, in the event that anything occurs whereby the editor or the Interpreter of this message should meet with dire fate, the membership should be aware that it is quite likely due to the release of this message. This Awareness indicates that in the event that the organization is attacked by some bureaucratic organization of government, it is quite likely that it will be because of this message.

This Awareness indicates that having said this, it is somewhat of an insurance against such harassment, although it is not a strong insurance, but members who are aware of what is occurring can help to be witness and serve as counterforce to harassment by simply knowing the cause of such harassment. This Awareness indicates that *It* certainly does not like this topic, for *It* sees the hazards involved in such concerns; that it is likened unto playing with explosives, and does not want to see *Its* channel or *Its* editor, or any others to be harmed.

This Awareness suggests that *It* will speak no further on this topic.

WHO REALLY ARE THOSE 'BOLSHEVIKS' DR. BETER CLAIMS HAVE TAKEN OVER? (A BRIEF HISTORY OF THE RUSSIAN TAKEOVER)

There is no reason to publish information other than what was just given on this subject, but it was mainly because we get letters from people who don't understand from previous information, new members coming in and so forth, about these claims of Dr. Beter and Awareness on the Bolsheviks. For example, I'd like to read what Harvey Larsen writes...this is a typical type question, and if we could get it clarified once and for all, it would probably stop these questions.

Harvey Larsen in his publication, *The Larsen File*, writes for example: "Is Dr. Beter right when he says that the main struggle within the Oval Office is between the Rockefeller forces and the Communist forces who are controlled by the Bolsheviks who were ousted from Russia? I will henceforth use the term "Communist" rather than Beter's Bolsheviks for the purpose of clarity, for that is precisely what a Bolshevik is.

Let's look more closely at that theory/ claim.... According to this revelation, semi-Christian Skoptsis (historical) wormed their way into power in the Kremlin after the reign of Stalin. The ousted Bolsheviks/Communists fled to America and took control of our Pentagon

and the present administrator. (And Carter's via 'Synthetic' that replaced Carter and key individuals.) There is one question I would like to ask: How is it that these Kremlin Bolsheviks, who obviously spoke fluent Russian, and who obviously knew little if any English, could flee Russian and assume positions of power in our Pentagon, thus enabling themselves to control and manipulate a future nuclear first-strike against Russia? Regardless of whether these positions in the Pentagon were at the top, or on second tier or third tier levels of power, how could they apply for jobs and how could they get them if they could not speak English, or if they spoke only Soviet-pigeon English?! Further, they would have to undergo a thorough Classified or Top Secret clearance! Coming from the Soviet Union, they'd never pass it, even if they had been tutored in English by Hollywood's best dialect technicians or our best linguists in our universities! Come now--it really is rather far-fetched, isn't it." (And in other issues, Harvey pleads, "Name me just one, just a single *one* of these Bolsheviks in our government", etc.

COSMIC AWARENESS:

This Awareness indicates that this entity simply does not understand what Dr. Beter has been saying during his many messages. This Awareness indicates that the entity as having a small amount of understanding and cannot put it together. This Awareness indicates that essentially, the entity must understand that when Dr. Beter speaks of Bolsheviks, he is simply avoiding the term 'Zionism,' because if he used that term he would be assassinated or shut down.

This Awareness indicates that essentially the entity who is a Zionist in America is called a Bolshevik in Russia; that the Khazar Jews from Russia were brought to New York and trained in Lower East Side New York by Trotsky, sent to Russia on British boats controlled by Zionist energies and movements, paid for by Jacob Schrift from a check from Chase Manhattan Bank, and released in Russia to start the Bolshevik Revolution.

These entities set themselves up in power and the government of Russia for the past 60 years was controlled by Zionists who call themselves Bolsheviks.

The Skoptsis assisted these Bolsheviks to overthrow the Czar, and after assisting them in getting into power, discovered that they had made a mistake, and spent the next 60 years attempting to overcome the mistake and move back into states of power.

During the early '70s, the Skoptsis, at the time of the breakdown in detente, wherein Rockefeller and Kissinger were working hand in hand with the Bolsheviks or Zionists of Russia, creating a detente which would allow, while the United States was being disarmed by Rockefeller's puppet, which would allow Russia to take over the United States through its mining of the American waters and rivers, and the disarmament programs of Carter, whereby Russia would assist Rockefeller in taking over the United States and establishing the Rockefeller Constitution which was written up and formed at the Center For Democratic Studies in Santa Barbara under Tugwell and Hutchinson, financed through the Ford Foundation, a Constitution which is available for entities to read and hold in their little hands, which would take away the rights of the United States Constitution, and which would create a government of regions whereby this regional government was set up already, and exists already in the 10 regional areas in which the Federal Reserve Banks are part of the regions, and whereby the heads of these government regions are appointed rather than elected and have their controls over land use, over law enforcement programs and computerized systems, and whereby all of this was set up during the '70s for a takeover of this country, but that in 1975 the Skoptsis began replacing with doubles the Bolshevik/Zionist governors or rulers of Russia, and in the replacement, detente broke down, and the Skoptsis took over and with the use of doubles, defused a potential nuclear war during 1979, working closely with American intelligence agents who were aware of what was occurring.*

See Reprints Available catalog Supplement No. 2.

The Russians who came to America, most of them, could not speak English, and are not the ones who are walking around Washington, but the ones who came to America are the ones who were expelled when detente broke down. The entity Dr. Beter refers to these Bolsheviks, these Zionsits who are running the United States as *Bolsheviks* in order not to be assassinated, and to continue giving his message.

This Awareness indicates that if this entity Harvey Larsen is not satisfied with this information, that he go back and research these things himself. This Awareness indicates that his insistence on thinking in fuzzy ways may have jeopardized this Interpreter's life, for forcing this information to be repeated in this manner. It has been given previously. This Awareness suggests that the information be released; that it may not be given again.

ZIONISTS MAY CLAIM TO BE JEWISH BUT ALL JEWS ARE NOT ZIONISTS

(Closing Message)

This Awareness indicates that the entity Jack Katchmar as one who has harangued against the Jews for years; that this entity has meant well, he has seen the conspiracies, but he has made a mistake, similar to that which Adolf Hitler made, in assuming that all Jews and Zionists are the same. This Awareness indicates that the entity Adolf Hitler, in realizing that Zionists controlled and manipulated the forces in Germany and in Europe, failed to make the distinction between Zionism and Judaism, and thus went after the Jews.

This Awareness indicates that it has been repeated again and again by this Awareness and *will not* be repeated again: The Jewish people are no more responsible for Zionism than the whites are responsible for the Ku Klux Klan, or than the whites are responsible for the Masons; that simply because an entity has a color or nationality or culture or heritage similar to someone else who has a similar background...this does not make one entity responsible for the actions of another.

This Awareness is getting disturbed at the mentality of entities who attempt to appear intelligent, but who cannot grasp this simple fact, this simple concept, this simple reality. This Awareness indicates that *It* has been extremely patient with question after question, year after year, has repeated and repeated information, yet entities refuse to alter their one-track thinking, to understand what is being given to them so that they can clarify their consciousness and understand reality.

This Awareness indicates that *It* is very concerned at the mentality that refuses to change when confronted with a truth which is obvious, but whereby the entity has emotions and prejudices that he does not wish to alter. (This Awareness suggests the Interpreter be brought from trance).

From Protocol 7.

STATEMENT OF PRINCIPLES

In view of the recent developments in the Middle East, we find it imperative to reiterate our principles concerning the Zionist movement and the State of Israel.

In order that our stand be clearly understood, a brief historical review is necessary.

About a century ago some self-styled Jewish leaders started to propagate nationalistic ideals within the world Jewish community. This eventually led to the formation of the world Zionist movement.

From the beginning, this concept was vehemently denounced by the Rabbinical authorities of the time as being diametrically opposed to Judaism.

One of the basic tenets of our faith, is that since Divine will has placed us in exile, we are forbidden to have any nationalistic aspirations. We are bound by Divine oath to accept the yoke of the diaspora and live in peace and harmony within the nations that Divine destiny has placed us. When the demand for a Jewish state became insistent, the opposition of our great Rabbis grew in intensity. They declared for the whole world to know that the Jewish people do not want a state before the advent of the messianic era.

This stand was in no way altered even by the de-facto establishment of the State of Israel.

In addition to this basic ideological transgression, this so-called State of Israel has consistently indulged in activities which constitute a breach of our religious rights. Complete communities were forced to expose their children to an atheistic education; autopsies are performed against the wishes of the deceased and their kin; the sanctity of the resting places of our sages are being violated in a most shameful manner. From all the above it follows that the Zionist organizations and the State of Israel can in no way claim that they represent world Jewry. We also declare that all the belligerent acts perpetrated by the State of Israel are against our Divine law (the Torah) and thus completely foreign and repulsive to us.

It is our sincere desire to live in peace and tranquility in the nations wherein we reside and be able to observe our religious practices till our final Divine redemption, when peace and tranquility will come to all mankind.

EDITOR'S NOTE:

Since we have gone this far, and since this is absolutely the last time we are going to publish anything on this subject of Zionism, I am including the following reading given in April, 1982, which concerns the controversial document, "The Protocols of the Learned Elders of Zion," which many claim actually does exist, and which numerous Jewish writers claim is a forgery. Those who write for the free book catalog listed in this newsletter, will find numerous books written by scholars who have researched this document and who have arrived at the same conclusions as has Cosmic Awareness.

"THE PROTOCOLS OF ZION" ARE THEY REAL,--OR FORGERIES?

QUESTION:

Harvey Larsen, the editor of the *Crystal Ball*, sent a xeroxed copy of a document evidently taken from some book in reference to the 'Protocols of Zion', and he'd like to know if this is authentic. It says the text and photographs, direct from the Universal Jewish Encyclopedia, Vol. 2, 1948 edition, page 102, in material which never reaches Christians: The Jews are very proud of their first Zionist Congress and their protocols which had been followed to the letter. But it also says, they deny that the protocols exist, that they're forgeries, that this congress never took place. And the copy reads briefly: "The first Zionist congress took place at Basle, Switzerland, on August 29, 30th and 31st, 1897. There were among those present, 185 delegates from 24 countries and regions. Through the courtesy of the Zionist organization of Austria (I believe it is), we are privileged to reproduce at right, the portraits, the photographs of 162 of these delegates, many of whom are no longer among the living. As follows": and then it lists the hundred and sixty two. Can Awareness inform us whether this is valid, this Congress; did it actually take place, or is this a forgery?

COSMIC AWARENESS:

This Awareness indicates that this as having occurred, that the book which was released publically from this congress, this as that which was found by a maid working for one of these entities, and was subsequently stolen and reprinted for publication. This Awareness indicates that this congress as having taken place, but because of the damaging nature of the book, it has been denied. This Awareness indicates that this needs to be understood without condemnation. This Awareness indicates that the entities involved in this action as having continued in their movement and determination, as having moved from this action through the revolution in Russia and up through the establishment of Communism, and also influencing in the United States and other nations; this movement as being very influential in the world affairs from that time unto the present.

This Awareness indicates that the book, *The Protocols of Zion** as that which assisted in causing the entity Adolf Hitler to become opposed to Judaism, and to slaughter many entities because of their religious background. This Awareness indicates that the entity Adolf Hitler as confusing Judaism and Zionism as being the same thing. This Awareness indicates that Zionism as being an international conspiracy and political organization, whereas Judaism as being a religion and philosophy. This Awareness indicates that the two need not, and should not be confused; that the great error was committed against the Jewish people because of this confusion. This Awareness indicates even at present time, many of the Jewish people are looked at with a stigma from others, because of

the confusion that entities believe there is a Jewish conspiracy, when in fact the Jewish people are often the victims of the Zionist conspiracy.

There Are Many Conspiracies Besides the Zionist

This Awareness indicates there are many conspiracies, and entities who focus on the Zionist conspiracy are seeing only one of a great number of conspiracies. This Awareness indicates therefore, It suggests you not become over-concerned, nor over-emphasize the concern in regard to the Zionist conspiracy. This Awareness indicates there are also the British conspiracies, the American conspiracies, the Italian conspiracies associated with the mafia, and the Irish and Scottish conspiracies. There are any number of conspiracies whereby entities join together in order to have power over others. This Awareness indicates that for entities to become overly hostile toward a group of people, because within that group of people there are some who conspire to harm others, is to be unreasonable and unfair.

This Awareness indicates there are also Baptist conspiracies, Nazarene conspiracies, Catholic conspiracies, and in one sense there can also be what some entities would call the Awareness conspiracy. This Awareness indicates there is even a book called *The Aquarian Conspiracy*. This Awareness indicates there appears to be a fad on earth running rampant exposing and creating conspiracies. This Awareness indicates that this is a healthy sign, and will assist entities in better understanding the nature of their society and relationship to one another.

*The Protocols of the Meeting of the Learned Elders of Zion, was translated from the Russian, the translation being 'draft of the plan of action of the Jewish leaders'. The book has been long suppressed in the United States and other countries, but underground printings have made it available now in the U.S. This book should be read by all entities interested in putting together the Illuminati conspiracy information given by Awareness and numerous other sources. These 'Protocols', written in 1903, outline a master plan which is culminating today in the secret war behind the scenes which Dr. Beter refers to as the battle between the Skoptis and the Bolsheviks (the term 'Zionists' and Bolsheviks being synonymous). Order from: Omni Publications, PO Box 216, Hawthorne, Calif., 90250. Price: \$5.00 postpaid.

The "Kept" Press

"In the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable, to give voice to the complaints of the people, to express and to create discontent. It is in the Press that the triumph of freedom of speech finds its incarnation. But the *goyim* States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed many of our people. Each victim on our side is *vorus* in the sight of God a thousand *goyim*."—From Protocol x.

Party Government

"By the ceaseless praise of Democratic Rule we shall divide the Christians into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the Law of Our Bank, always united, and always devoted to our Cause."—From Funeral Oration of Rabbi Reichkorn. (Addendum to Protocols.)

Corruption, Everywhere Corruption

"We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws. These laws will withdraw one by one all the indulgencies and liberties which have been permitted by the goyim, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any goyim who oppose us by deed or word."—From Protocol 5.

CHOOSING THE PRESIDENTS

"In order that our scheme may produce this result we shall arrange elections in favour of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other—then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honour connected with the office of president."—From Protocol 10.

"The way we do things and not merely the way we say things is nearly always the test of our sincerity."—Roosevelt's speech, Butte, Mont., April 19, 1937.

ED's Note: The excerpts from 'The Protocols of Zion' used in this report were lifted from the book: "The Rothschild Money Trust," by George Armstrong, available from Sons of Liberty, PO Box 214, Metairie, La. 70004. (Price: \$6.50 postpaid).

The word 'Goyim' is the Jewish word meaning 'cattle', and is commonly used to describe Gentiles. For more info on this, please refer to 'Revelations of Awareness' No. 79-11 (The Mark of the Beast) and the reading, 'Branding the Goyim.'

ED's Note: One of our members in Europe, sent in the above picture with the following comments:

"Gentlemen. In reading your newsletter No. 83-20, you mentioned how Israel shot down a Libya airliner in 1973, and how no one dares to speak the truth about Israel. How absolutely right you are, and to add something to this, I'm sending a copy which appeared on the front cover of a book I have that was released in Paris, France, in 1924, by Prince M.K. Gortshakov.

In this picture appears the main Jewish rulers of Russia in the year of 1918, who are: (From left to right).

No. 1, Moisey Uritzki, (2) Leiba Bronstein—otherwise known to the world as a Russian by the false name of "Trotsky". (3) Yankel Sverdlov, who played a decisive role in the fate of the Tzar's family, (4) Ousey Radomyslsky (Zinoviev his Russian name. (5) Fairman.

"This picture was strictly forbidden to be passed around under the strict penalty of instant death—no questions asked. By the way, it was very fashionable for the Jews of that time in Russia, to change their names from Jewish to Russian names. That way they could always hide behind Russian names. I should also mention that the secret police that surround these men in the picture is also made up only of the Jews. The Russians were not trusted too much in those days. The name of the police was 4K—(4 doesn't mean the letter '4'—it's an abbreviation for a Russian word. This police or commissioner as it was called, had absolute power over anyone. What is upsetting about the American people these days, and even Russian immigrants who suffered under the Bolsheviks so much, and who should be more aware of what is going on behind the scene, could care less, and all they want to do is destroy all the 'Communists' at all cost."

The Jews Defense

"For what purpose then have we invented this whole policy and insinuated it into the minds of the goys without giving them any chance to examine its underlying meaning? For what, indeed, if not in order to obtain in a roundabout way what is for our scattered tribe unattainable by the direct road? It is this which has served as the basis for our organization of secret masonry which is not known to, and aims which are not even so much as suspected by these goy cattle, attracted by us into the "show" army of masonic lodges in order to throw dust in the eyes of their fellows."—From Protocol 11.

League of Nations

"By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government. In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration."—From Protocol 5.

The Russian translation of the title of the report is: "Jewish Protocols".

THE ULTIMATE WORLD ORDER--as Pictured in "The Jewish Utopia", by Robert H. Williams. (\$4.00, from Sons of Liberty, PO Box 214, Metairie, La. 70004). This book, presented to the library of the University of Texas, (The Abraham I Schechter Collection of Hebraica and Judaica, presented by The Kallah of Texas Rabbis in 1939). This little book outlines the Zionist plan to take over the world, after they have used Communism, democracy and a third world war to gain their ends. Includes information on the glorification of stealth and deception, esoteric terms, plans for Armageddon, the United Nations as part of the plan; the brainwashing of America; the 6 steps to power; zionists to police the world; the US flag to disappear; the 7 Strata Aristocracy; the control by Israel; the plan to breed 'tall, handsome race' of Zionists; the expansion of Israel etc. and much much more.

HOAX OF THE 20TH CENTURY, by Arthur A. Butz, Prof. Butz presents a comprehensive study of the question regarding the alleged slaughter of six million Jews by the Nazis. This book inspired the Institute for Historical Review to offer \$50,000 cash to anyone who can prove there were gas chambers at Auschwitz. After 2 years, no one has stepped forward to claim this money. "Stay away from the love of money; be satisfied with what you have. For God has said, 'I will never fail you nor forsake you.'" (Hebrews 13:5)

The Messiah has come and his name is

Y'SHUA

Y'SHUA? Yes, that's his name. You've never heard of him? Sure you have. He's commonly called Jesus. Y'shua is the Jewish way to say his name. He is very Jewish, you know.

Think of his lineage—Abraham, Isaac, King David, down to his mother Miryam

Think of the place of his birth—not Stockholm or Rome but Bethlehem—as promised by the prophet Micah in 720 B.C.

Think of the way he came—Before the birth, Joseph, his foster father, was told by an angel:

"And you are to give him the name Y'shua because he will save his people from their sins."

Now many would have liked it better if the angel had said, "And you are to give him the name Santa because he will bring you presents."

Many people would rather not hear about sin. But it's a fact, it's a condition, it's a problem that needs a dramatic solution.

The condition of humanity (call it sin if you have the courage) has been lamented for centuries. Oh yes, there has been progress, but it's the wrong kind of progress because now a few desperate men pushing a few buttons can annihilate all life on this problem-ridden planet. Is that a solution?

God promised a Messiah, a deliverer, a problem-solver. And if there is anything more difficult to accept than the fact of sin (yours, and ours), it's the idea that God solves our problems. But he can! He can make us want peace, give us hearts to care about one another, relieve guilt, mend broken homes, give meaning to our lives and diminish the din of the Twentieth Century with the music of his love.

God's dramatic solution: Y'shua. That news is going to make some people unhappy.

Maybe you don't like Jews. Maybe you have a grudge against Christians. Maybe you don't like your self, yourself or the God who made you. Sorry about that, but it doesn't really change the truth. Before you dismiss what should be good news, remember that *the truth might be so simple that it was overlooked* by the people who should have known.

The need was, and is, due to the "human condition" (just in case you're choking over that three-letter word, "sin"). God's salvation is a sacrifice, a sin bearer, a savior, a mediator, a mentor, a Messiah.

Y'shua is all that and more

We hope that our message doesn't annoy you. The purpose of this statement is to help you discover the love, joy and peace we have found in the Messiah.

If you want to know more about Y'shua, we're eager to tell, delighted that you want to know, and happy to help you find what we have found.

There is much more we could say and want to say, but it would take a book. God gave a book, and it's called the Scriptures, but we have a book that can help you understand what the Scriptures say about Y'shua.

It's published by Moody Press of Chicago for \$2.95, but in you, if you don't believe in Y'shua, it's free, as a gift from Jews for Jesus and our friends who want you to have what we have. And that includes joy, love and hope for a beautiful future.

So don't be bashful. We can't put big statements like this in the newspaper every day. Respond now, and let us reach out to you. Sceptics are welcome!
