**A PERSONAL LETTER FROM TIMOTHY GREEN BECKLEY, RESEARCHER,
AUTHOR AND PUBLISHER OF "INNER LIGHT" MAGAZINE**

Dear Friend & Truth Seeker:

Since I was a teenager, because of the unusual occurrences that happened in my own life, I have had the opportunity to explore the wonderful and always fascinating world of the unexplained. I have appeared on hundreds of radio & TV shows over the years as a psychic detective, a ghostbuster and a man who has had several close encounters with UFOs.

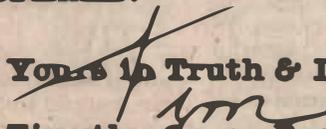

You see, as a child I lived in a haunted house, astral projected outside my body, and have since become convinced that communication with the spirit world, as well as with space entities is possible and has taken place.

Much of what I have learned, I would seldom speak about in polite company, as I understood early on that most people are just not ready to grasp the possibility of communicating with unseen kingdoms, and/or asking for help from the "otherside."

In my continuing quest for knowledge, I have also studied comparative religions, the Bible, know quite a bit about ancient civilizations and lost worlds (having visited first hand places like Stonehenge and the pyramids of Mexico), and am firmly convinced that the wise men of olden times probably knew more about how the universe ticks than our modern scientists who are often closed to new ideas, and differing points of view that vary from the ones they hold.

And now, most of all, I want to share with you the secrets I've learned about ancient Egypt, and how knowledge of powerful—but invisible—forces gave the pharaohs control of not only their own future, but possibly the future of humankind. So won't you read over the following information and if you feel you owe it to yourself to know more about these things that have long been suppressed, you'll find a convenient coupon on which to order your personal copy of **THE GREAT PYRAMID SPEAKS**.

Yours in Truth & Light

Timothy Green Beckley

Towering far above the swirling sands of the desert, all of us are aware of the powers and the magical significance attached to the Great Pyramid, and the fact that the great spiritual and mystical minds of the ages have marveled over the symbolism associated with what Plato referred to as the seventh great wonder of the world.

Once thought to be the "land of mystery," today, modern Egypt is being lost in the shuffle. Larger, more powerful nations, now nudge the countryside. But what people fail to understand is that Egypt, with its thousands of years of wisdom, has hidden beneath the sand, answers to the insurmountable problems currently assailing our globe.

Believed by university trained archaeologists to have been the final resting place of the rich and powerful Pharaohs, those blessed with "inner vision" realize fully well that the Great Pyramid (and to a somewhat lesser extent the smaller pyramids that dot the desert nearby) served—and continues to serve—a much more functional purpose than that attributed to it by the ultra conservative scientific community.

Far from being merely a burial tomb, the Great Pyramid was a conveyor of energy, as well as serving as a beacon of power to journeymen from far distant solar systems who had a secret mission in coming to earth. Those who were behind the construction of the Great Pyramid had the uncanny abil-

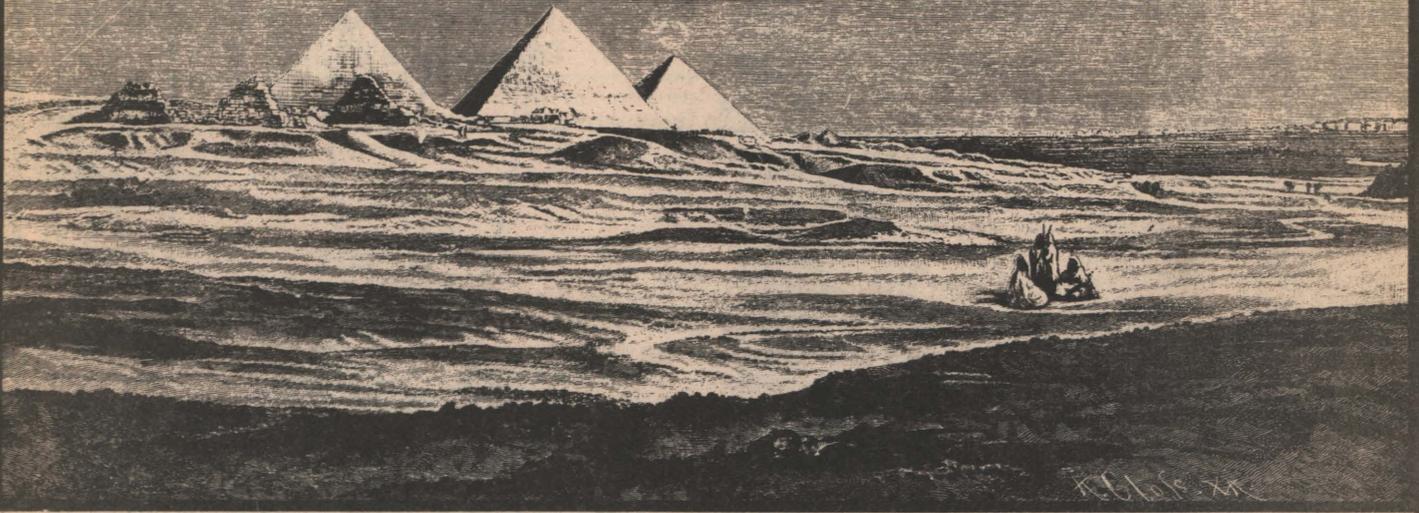

ity to see into the future and placed within its hidden chambers a riddle in stone which when deciphered could provide the world as we know it with great revelations of things to come in this century as well as the next.

Furthermore, true wisemen and sages can attest to the fact that the giant blocks of stone which go to make up the Great Pyramid (each weighing tons) were not lifted into place by the hands of slaves, but were levitated into a specific, meaningful, mathematical pattern so that they could be decoded centuries later. The purpose being, that mankind today should be properly prepared for the dramatic changes about to take place all around us, changes which the priests and Pharaohs knew all about some 5,000 years ago.

In the just released book **THE GREAT PYRAMID SPEAKS**, you will, for the first time ever, be privileged to read information which has long been suppressed because we had not as a culture as yet obtained a heightened degree of cosmic awareness. Now as we are about to leave behind the dark ages of superstition on earth, and obtain our rightful place in the Aquarian Age, it is time for us to learn solutions to mysteries which has, up till now, understandably been beyond our mental capabilities.

Here are just a few of the things you can expect to learn when you read **THE GREAT PYRAMID SPEAKS**:

THE GREAT PYRAMID SPEAKS

TOMBS OF THE LIVING DEAD

Every day under the boiling sun, thousands of tourists from all walks of life stroll up and down the dusty corridors inside the Great Pyramid looking in awe at the continuous rows of hieroglyphics, as well as the rich treasures left behind by the kings. They have absolutely no way of knowing that directly behind their feet—at a distance of less than a quarter of a mile—remain secluded vaults which have never been touched by human hands, since they were sealed centuries ago.

Yet, these same hidden chambers are not as still as one might expect. For, as this book reveals, some of the adepts and high priests who lived in ancient times remain alive, their bodies in a comatose state, yet their minds freely able to travel across entire continents and oceans. It has been proclaimed that no archaeologist will ever disturb their trance-like state as their lifeless forms are well guarded—*actually protected*—by vengeful spirits. And while the bodies of these adepts may lay dormant, their minds are always in a full state of consciousness, able to project themselves over vast distances and communicate via mental telepathy with deserving souls in the outside world. Apparently, these adepts are in constant touch with psychics on the physical plane who are able to convey the wisdom of the ancient masses, though they may often believe that this knowledge originates on higher spiritual planes, when actually the information they receive comes from a much more earthly source.

AMAZING PROPHECIES FORETOLD IN EGYPTIAN TAROT CARDS

You've no doubt seen a deck of Tarot cards, probably held them in your hands, but chances are you DID NOT realize that the origin of these fortune telling cards is ancient Egypt.

In fact, the pictures on each card in the Tarot deck tell a story, that not only can be applied to the person who is having

their fortune told, but also was designed as a means to predict the history of the world from about 100 years before the birth of Christ, right up until the year 2100 A.D.

There can be no question about the origin of the cards. On "The Wheel of Fortune," the tenth card, there is pictured in all its glory the Sphinx. The feeling among researchers is that these symbolic cards originated about the time the pyramids were first put up, and that from there they were maintained by the high priests in the order of the temple. Later on as their culture started to fade, the Egyptian holy men were forced to devise a method of retaining their knowledge which they could guarantee would last down through the pages of history. Being seers of renown, they realized that the lootings and burnings to come would totally destroy all that they had perceived. A few of the adepts were wise enough to know that if the cards were to continue on in the world, they would have to be given to gamblers. Their theory was that vice would preserve the ancient Egyptian cryptograms for generations to come. They were right as for a long while, the Tarot was used almost solely as a deck of playing cards, even managing to miraculously escape the devastating fire at the Alexandrian Library when Julius Caesar invaded the country. In the original tablets the Tarot deck was engraved on had been reduced to ashes, we would have never been aware of the amazing prophecies the cards contain.

Upon receiving your copy of THE GREAT PYRAMID SPEAKS you will have an opportunity to learn of the great prophecies of the Tarot, including the last devastating prophecy still to be fulfilled.

PHARAHOES CONTACTED THEIR GUARDIAN ANGELS...YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly

maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In *THE GREAT PYRAMID SPEAKS* you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask for. As described in this book, on several occasions, those who have spent the night sleeping near the Great Pyramid have witnessed much in the way of unusual phenomena, including "globe-shaped illuminations" believed to be these guardian angels who still keep close watch over the remains of the rulers of ancient Egypt.

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

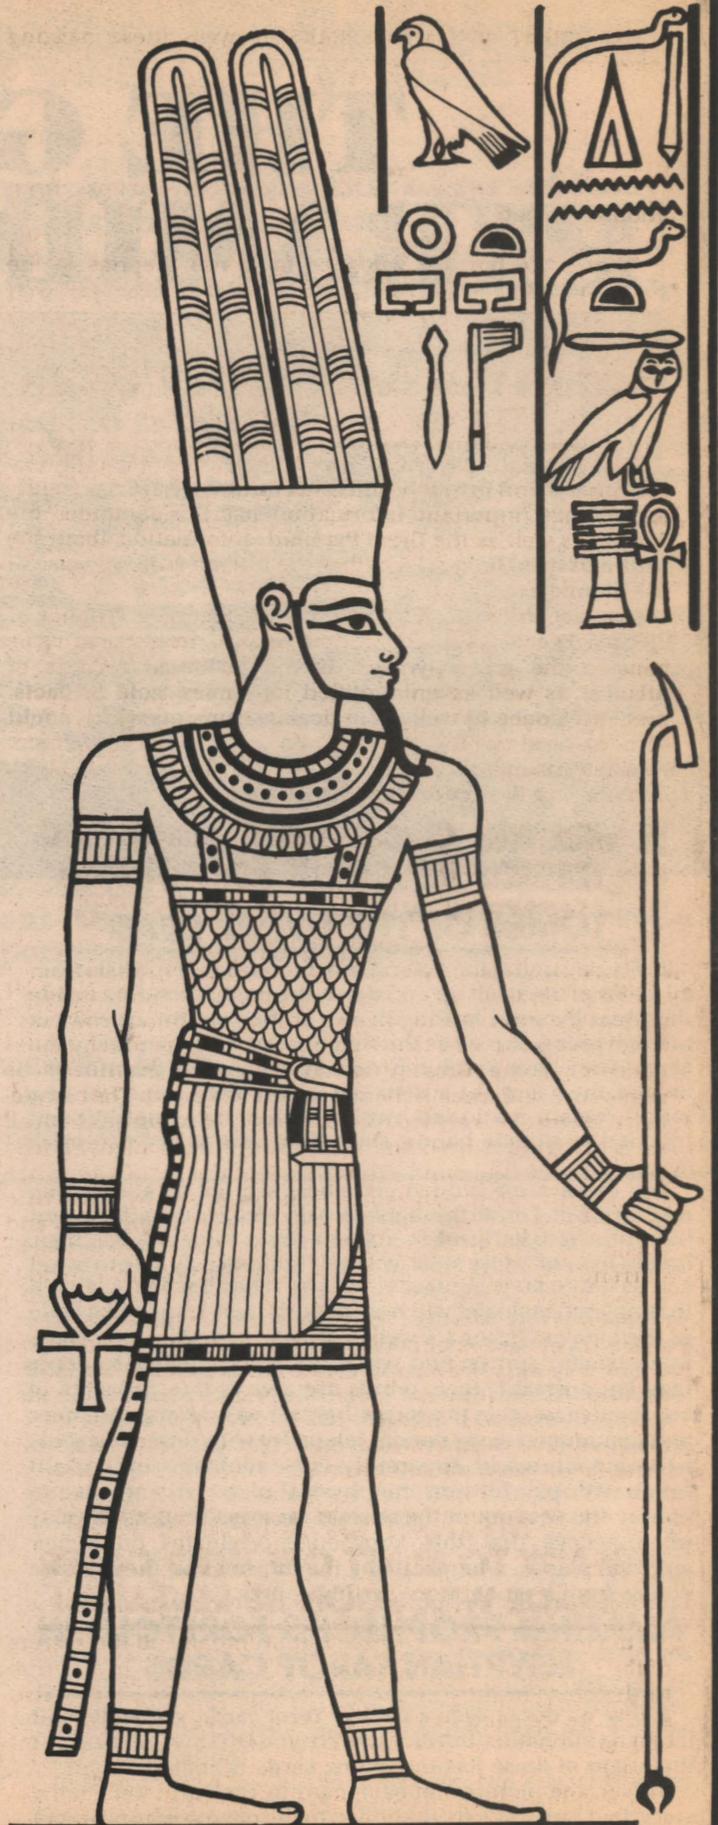

Said Plato: "In consequence of this divine initiation we become spectators of single and blessed visions, resident in a pure light; and were ourselves made immaculate and liberated from this surrounding garment which we call the body and to which we are now bound like an oyster shell." Plato felt that the purpose in understanding the Mysteries was to return humankind to the principles from which the race had originally fell. In the New Age we are entering, such a feat will now be possible to all!!!

MOSES — THE MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know. Here, for the first time, in *THE GREAT PYRAMID SPEAKS*, you will learn about Moses initiation into the Mystery Schools of the Pharaohs, and his masterful utilization of ceremonial magic which insured the escape of his people out of slavery.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible for the construction of the Great Pyramid which remains an architectural marvel. The building of the pyramid required precise calculations based on accurate geodesic knowledge as well as astronomy, knowledge which came "out of nowhere," and which the early Egyptians did not possess.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

DOES A TIME CAPSULE EXIST UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid...information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

WILL THE CROSS THAT JESUS WAS CRUCIFIED ON BE FOUND IN A HIDDEN ROOM BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who has had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

THE MYSTERY OF A SPACE SHIP READY TO BLAST OFF INTO OUTER SPACE WILL SOON BE REVEALED!

Furthermore, Diane reveals that eventually all the secrets of the Great Pyramid will be opened to mankind. In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab

nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

NOT ONE...BUT 13 MAGICAL GOOD LUCK TALISMANS AND AMULETS FROM THE POWERFUL HIGH PRIESTS OF ANCIENT EGYPT

The high priests of ancient Egypt knew more about magic and casting spells than any other adepts who have ever lived. The high priests, in fact, were considered the spokesman for the "gods," and those people who did not receive the blessings of the priests could not expect to succeed in their endeavors. Priests were the wise men. They had a knowledge of astronomy and the occult. They knew all there was to know about ceremonial magic, which brought supernatural forces into beneficent action, and which could be used against transgressors.

Much of the knowledge which the priests possessed is believed to have been conveyed to them by an advanced race of extraterrestrial beings who frequently visited the land along the banks of the Nile. They also were guided by the inhabitants of the lost continent of Atlantis, which was where much of Egypt's mystical customs originated from.

Not only did the priests have the power to levitate into place the vast blocks of stone which made up the pyramids, but they could also raise the dead, cure all disease and rejuvenate the body, as well as provide those they favored with protection from the harshness of life.

Indeed, the high priests of ancient Egypt knew all about good luck because they had entered into a workable relationship with the elements of nature whom they looked to as their ultimate source of power. While today, we might wish for a new car, a high paying job, a beautiful home in the suburbs, or a perfect mate, the Pharaohs required—and received from the high priests—the promise of eternal life, victory over their mortal enemies, and spiritual grace and wisdom known only to a very select handful of people down through the centuries.

Talisman and amulets played a very important role in the magic of the high priests. Specific amulets were designed to keep the wearer from the dangers of natural forces and supernatural evils. Many of the

Pharaohs were actually buried with what were termed "guardian amulets," designed to help them in their next life.

Now thanks to the work of modern day researchers who have painstakingly rediscovered the significance of these charms, it is possible for everyone who desires strong enough to benefit from the knowledge acquired from the high priests of ancient Egypt. With your order for THE PYRAMID SPEAKS, we will include FREE OF CHARGE, not just one, but thirteen—that's right 13—good luck talismans and amulets from the tombs of the Pharaohs.

**BONUS
DARE YOU OPEN THE
TOMB OF
THE UNKNOWN MUMMY
CONTAINING THE
SECRET PROPHECIES
OF THE PHARAOHS**

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning predictions smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

ST. ANTHONY

SUPER PSYCHIC, MESSENGER OF THE LORD, OR A REPRESENT- ATIVE OF THE ETs?

By Cynthia Cirile

For as long as I can remember, my grandparents held their annual St. Anthony's day feast in the Bronx, New York. On these occasions, up to three hundred neighbors and relations came to break bread with our family—headed by my zealous grandfolks, Michele and Rosa Panzarino. At the age of four or five, all I understood was that the feast in some way celebrated St. Anthony, and thanked him for his generosity towards our family that year. What I didn't understand until recently, a full year after my grandparents' death, was the deep significance of the feast for our family, and the special event it memorialized.

Michele and Rosa Panzarino were simple, religious people with the values and traditions of Italian immigrants. Even in the old country, St. Anthony had always been their patron saint. It was no wonder that when trouble called, St. Anthony was the first spirit invoked.

As a young woman in her thirties, Rosa was afflicted with skin condition akin to an extreme form of eczema. While doctors pondered assorted spurious treatments, Rosa's beautiful black hair fell out in clumps until finally, it was cut off in one long braid.

Never losing faith in the power of St. Anthony to help her, Rosa decorated the hair braid with ribbons and St. Anthony memorabilia, and sent it off with an offering to the Basilica in Padua, where she requested a special intercession. If St. Anthony would grant her petition and cure her wretched condition, she promised to have a feast in his honor each year.

St. Anthony must have believed Rosa's promise, for he immediately interceded on her behalf and restored her health. Good to their word, Rosa and Michele saved up to buy the costly building materials for the shrine they had promise to erect. Each year, they would honor St. Anthony with a thirteen day novena starting on May 31. On the fourteenth day of June, they would rejoice with the great feast.

As a child, I didn't pay much attention to the priests, rosaries and other signs of the faith. For me, St. Anthony's feast was a great opportunity to roam the streets with friends whose parents were also paying attention to the priests, rosaries, etc. I remember the round loaves of bread my grandparents shared with their neighbors as symbols of their good fortune. I recall the high spirits and energy of the crowd on those spring nights.

While staring in the sky over my grandparents home during the 1960 feast, I witnessed what I then, in my seven year old, limited range of experience, would have described as "a nativity scene in the sky." I stood there gazing into the sky wondering what on earth I was seeing. "It looks like a cartoon," I thought to myself. "It looks like the nativity scene under our Christmas tree."

I had no idea of what I had really seen until this year, when I chanced across a copy of Arthur Crockett's, "*Secret Visions of Fatima*." Reading that book, I came to understand that often visions appear during times of concentrated religious feeling as a sign offered in return for devotion. Also, Crockett's book reported that often people will report visions that appear as cartoons or holograms in the sky. Neither are visions of the nativity unknown. Strangely enough, at the time of the vision, I was overtaken by neither surprise, shock or devotion. With a child's ability to assimilate just about everything, I merely mused, "What the heck is that?" Now, it appears one of many examples where St. Anthony has offered a sign of reassurance to my family.

Writing your grandparent biographies in one paragraph isn't easy, but I'll try my best. Grandma raised four incredible girls. The eldest, Antoniette, became an important figure at the United Nations. The next two daughters, Marie and Pauline, became big shot lady detectives in the New York City Police Department. (Marie is my mom.) The youngest daughter, Elvira, opted for a full time homemaking career, and cared not only for her only family, but my grandparents as well. Basically, my grandmother Rosa's biography is her children's, and grandchildren's.

Grandpa Michele was a strong, gruff man—who seldom gave in to whimsy. It was specially hard to be whimsical, or even cheerful for that matter, when you had to haul ice 14 hours a day to support your family. Nevertheless, he found the American Dream the hard way.

As an elderly man, he was plagued by crippling arthritis that made each day a trial. Life became sheer torture for him toward the end, so much so that my grandmother began her yearly novena to St. Anthony that year by praying that the saint either help her husband to recover, or take him to another plane of existence. "Please don't let him live in this pain," she begged. The next day, June 1st 1982, my

ANGELIC, GOD-LOVING, BEINGS FROM ANOTHER DIMENSION HAVE INSTRUCTED ME TO HELP EARTH BOUND SOULS RECEIVE ALL THEY DESIRE BY DRAWING UPON THE SPIRITUAL AND HEALING POWERS OF THE POWERFUL...

Cross enlarged to show detail

'CROSS OF CRYSTAL'

Dear Reader:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning. All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different" and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nightmare visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element that all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that sons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at **WHATEVER** you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book **THE TRANSFORMATION** will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a **FREE** crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days, won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely **KNOW** from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

AS A YOUNG MONK, FERNANDO DE BOUILLON DEVELOPED THE AMAZING ABILITY TO BE IN TWO PLACES AT THE SAME TIME, TALK IN TONGUES, HEAL THE SICK, AND RAISE THE DEAD.

grandfather suffered a fatal stroke. His death was a relatively painless one, surrounded by his loved ones. Again, St. Anthony had interceded at my grandmother's—presumably for their life long devotions to him.

Within a year, my grandmother also passed away, and with her the traditional devotions to St. Anthony—or so it seemed, until a strange occurrence brought a resurgence of family interest in St. Anthony's mysteries.

One spring day several weeks ago, Rosa's daughter, Elvira Ferraro, was driving along in her car when she caught sight of something on the side of the road. My aunt stopped the car and pulled over. Her eyes lit up on two pocketbooks tossed haphazardly on top of the pile, and she turned to Ian, the little boy she was watching at the time.

"Here, Ian" she said. "This one's for you. Whatever you find in there is yours. This one is mine; let's see if there's a million dollars inside."

The little boy opened his pocketbook and was happy to find a penny inside.

"Very good," my aunt said. "Now let's open mine."

When she opened the pocketbook, Elvira was surprised to find a 14 kt. gold St. Anthony medal, with the inscription, "St. Anthony pray for us." Tears sprang into Elvira's eyes as she realized what date it was. *It was June 1st—the traditional start of the feast of St. Anthony, and the exact date my grandfather had died two years before!* "Oh my God, I had completely forgotten. It took *this* to remind me that this is the day poppa died."

The family was stunned. Perhaps the spirits of my grandparents were sending us a token of their good wishes, and a sign that they do not wish to be forgotten. It is also another inexplicable occurrence associated with St. Anthony of Padua.

Could powerful spirit guides account for the three instances of found money within a week of my aunt finding the St. Anthony medallion? Her own luck, she claims, has been vastly improved since finding the medallion. All signs say that this is a golden time for my family, a time for them to thrive and prosper. Is all this because of St. Anthony, a vague (though real enough) historical personage born in 1195? Who is this "Wonder Worker of Padua?"

Fernando De Bouillon was the son of the wealthy Governor of Lisbon. Had he cared to live in the material world, Fernando would have been heir to that title. Instead, he chose the monastic life, desiring nothing more than cloistered retreat and pursuit of a spiritual path. His more temporally rooted parents cringed when Fernando announced plans to join the ascetic order of St. Francis, at that point desiring nothing more than go the way of all martyrs. With maturity and wisdom, Fernando (now having taken the name Anthony) realized that his talents could be utilized on earth, where they were so sorely needed.

Anthony knew the bible by heart. He was a brilliant, creative thinker—though quite austere, perhaps, by modern tastes. Still, there can be little doubt that St. Anthony was a historical personage who performed considerable range of unexplainable phenomena. When these "unexplainable phenomena" happen to Catholics in good repute with the church, they are called "miracles." Anthony performed so many of these feats that one wonders about his true origin: could any mere earth man raise the dead, appear in two places at one time, communicate telepathically, and pacify whole cities just

by his beatific presence? Could St. Anthony be a space person from a higher civilization, offered to our society as a boon, a catalyst for spiritual development? This would account not only for his extraordinary powers, but for the timelessness of its efficacy, which seems not to have diminished in 1,000 years.

Anthony spent his early manhood in meditation, study and prayer. When he first addressed a group of Franciscan and Dominican friars, they were stunned by the brilliant torrent of eloquence that flowed from the hitherto silent young novice's lips. His words seemed magically inspired, and they instilled a joy in all who listened to him speak. Not only a saintly man, Anthony was gifted with poise, charm and beauty as well. It wasn't long before every pulpit wanted a guest appearance by the young preacher.

One famous story associated with St. Anthony shows how a talented saint dealt with the problems of popularity. While preaching an Easter Sunday service in the cathedral at Montpellier, St. Anthony was suddenly taken aback by a disturbing realization. In the midst of his powerful discourse, he remembered that he had been appointed to sing at high mass in the choir of a neighboring convent chapel. That he had forgotten a promise seemed an act of gross insubordination to the near-perfect man. He drew his cowl over his face, and sank back in the pulpit in absolute silence for several minutes. The congregation, used to the unusual where Anthony was concerned, sat quietly and waited. What the congregation did not know was, when Anthony sat quietly with his face covered, he was actually singing in the convent choir nearby. When he finished that appointed office, he again rose to his feet at Montpellier and finished his sermon with incomparable eloquence.

We don't have enough space here to chronicle the many gripping miracles accomplished by St. Anthony in his lifetime. Healing the sick, raising the dead, controlling animals, birds and even the fish at will were a few of his tricks. Anthony spoke in tongues—meaning that he could address a crowd of people from different nations and convince them he had addressed them in their own language. As we just demonstrated, he was able to be in more than one place at the same time. Naturally, he was extraordinarily clairvoyant and could read minds at will. As if these powers weren't enough, he was brilliantly articulate, winning and handsome to behold. It's no wonder that within one month, he had changed the climate of Padua from one of gross dissoluteness to one of piety and respectful devotion.

St. Anthony is traditionally depicted with the Christ child in his arms. This story began when the Lord of Chateaufort offered Anthony a room one night in his castle. The host became frightened when strange lights poured from under Anthony's door. Supposedly because he was afraid for the cleric's life, or more likely out of typical human curiosity, Chateaufort put his eye to the keyhole. He was amazed by what he beheld. A radiant infant child, bathed in a glow of soft light, was in Anthony's arm having discourse with him. Naturally, Anthony was aware that he had been intruded upon. The next day, Chateaufort humbly asked Anthony whether the Christ child had anything to say about him, and Anthony replied, "He revealed to me that your house will flourish and enjoy great prosperity so long as it remains faithful to Mother Church; but that it will be overwhelmed with misfortune and become extinct when it goes over to heresy." The present lord did not live to see this day, but when in the seventeenth century the then Lord of Chateaufort espoused the Calvinist cause, the prophecy of St. Anthony was fulfilled. In fact, Anthony's clairvoyant powers were so extensive that one could liken him to the famous seer of the sixteenth century, Nostradamus.

Whether St. Anthony's powers came from God Himself, or whether he was one of an advanced race of extraterrestrials who've come periodically throughout our history to lead us on the path to, if not righteousness, at least human benevolence, we can't say. That Anthony lived and accomplished the miracles we have (albeit cursorily) touched upon seems reasonably certain, he is a bonafide historical personage. That the special blessings and tidings that my family has experienced are signs from this particular spiritual entity, again, I can't swear to. Perhaps the whole vocabulary of sainthood: martyrdom, prayers, the body and blood of our Lord, has ceased to have meaning for us in our avaricious lives. For myself, as for the rest of my family, we must learn to incorporate these inexplicable phenomena within the context of our present cluttered, material existences.

No more dissimilar lifestyles could exist than St. Anthony's and ours in 20th century America, yet, his presence seems strong and vital over 1,000 years. When a mere child of fifteen, Anthony had remarked to a friend, "When you hear that I am a saint, then bless ye the Lord." I bless the powers that be, whoever they may be. ●

DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a speck of dust.
The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.
The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.

A CURSE ON AMERICA

★★★★

Over the decades since the founding of our nation, many powerful curses have been placed upon our leaders.

There is evidence that John Kennedy's death was a result of one such curse, and apparently, other presidents have fallen from power because of America's spiritual enemies.

For instance, there's an old legend which says that Chief Tippecanoe, who fought long and hard and was finally defeated by Zachary "Old Rough and Ready"—Taylor (the 12th President), placed a curse on the nation as he went to his death. Supposedly, the curse ties in directly with the strange cycle of presidential deaths which takes place every twenty years. Even more recently, the Ayatollah Khomeini is said to have asked Satan to help bring down the U.S. from its position of power.

At this very moment there is a war going on in the etherial places between the forces of good and evil. We are told that if the forces of darkness win the world will be in ruin, but if good triumphs there will be a millenium of peace and prosperity for everyone on earth.

great conflict is on the immediate horizon. Will America survive? Will there be a war with Russia? Will trouble be promoted from within our national boundaries? Will the nation's of the world ever learn to live in eternal peace? Will freedom eventually come to every man and woman on earth?

BELIEF IN THE SUPERNATURAL

★★★★

It is not generally known that a good number of the signers of the Declaration of Independence were well versed in the mystical side of life. Ben Franklin, historians have it on good authority, frequented a coffee house where he met a young medical student and together they practiced various old alchemical formulas, rites and ceremonies. Many of our statesmen have had the power of prophecy. FDR and Abe Lincoln saw their death, and they, along with James Madison, Woodrow Wilson and Eisenhower could actually see into the future. Many of the crises they warned of have come true—while others are yet to occur!

PROPHECIES OF THE PRESIDENTS by Arthur Crockett and Timothy Green Beckley is the only complete source for these divinely inspired revelations. Many of our great forefathers and leaders have even spoken recently to us from the spirit world, and are continually offering guidance every American may accept or reject.

★★★★
THE MYSTERY OF THE GREAT SEAL

★★★★

Have you every looked closely at a dollar bill? On the reverse side is a reproduction of the front and back side of the Great Seal of the United States. This seal is highly symbolic of America's role in the future of mankind and hidden within it is a clear indication of America's power and purpose in the rapidly approaching New Age. The Great Seal itself was given under very mystical circumstances and its exact origin remains a total mystery. Having researched the subject, the authors offer proof that the United States is to be the New Jerusalem, or the nucleus of the Kingdom of God on earth, as predicted in the Bible's Book of Revelations.

As we enter the New Age (often referred to as the Age of Aquarius), scholars have come to realize that it was not mere "coincidence" that the likes of George Washington, Thomas Jefferson and Benjamin Franklin emerged when they did to help lay the foundation for what eventually became the United States. Indeed, it is more than simple "luck" that the Bill of Rights and the Constitution has stood for generations as the inspiration for free men everywhere.

There is now startling evidence received through inspiration, as well as spiritual and psychic means, which indicates that the destiny of America has long ago been revealed to our highest elected officials, in particular to the Presidents of the United States. And while it has always remained a closely guarded secret, a careful check of historical facts show that the majority of our founding fathers held a strong belief in supernatural forces and in the omnipresent power of a superior being.

George Washington, as an example, wrote a letter late in life to the governor of Connecticut in which he stated that it was "almost possible to trace the finger of Divine Providence through those dark and mysterious days which led the colonists to assemble in convention, thereby laying the foundation and prosperity, when we had too much reason to fear that misery and confusion were coming too rapidly upon us." Many Americans may, in fact, not realize that during one of the worst days of the Revolutionary War, in the midst of the Battle of Valley Forge, Washington asked to be left alone so that he could pray for guidance. While secluded in his private quarters a beautiful woman appeared to him materializing in mid air. Her arms were all aglow, and she pointed her hand toward Heaven and repeated the phrase: "Son of the Republic, look and learn." With these words, a spectacular vision unfolded before the great patriot who was to become our first president. The angel showed Washington the next 250 years in prophecy for America, culminating in a third world war with a foreign adversary.

**MY INCREDIBLE ENCOUNTER
WITH ALIENS TAUGHT ME TO
BELIEVE IN GOD**

Editor's Note: I met Tom Cortney in Sanford, Arizona in September 1983, where he told of his experience in front of a small group attending an outdoor conference on UFOs sponsored by UFO Contact International, a society which has its headquarters in Washington state. Obviously sincere about what had happened to him and subsequently altered the course of his life, Tom is only one of literally thousands of individuals from all walks of life across this planet, who have seemingly undergone some sort of unexplainable encounter with beings from unseen realms whom it would seem are keeping a watchful eye on this planet from ships we have come to call flying saucers which are hovering and darting about our skies on a regular, daily basis. We present Tom's story almost exactly as he told it at the conference in the hopes that it will indicate to others who have undergone similar experiences, that they are, indeed, not alone in what they have had happen to them.

One evening in 1978 I was driving home at about three or four in the morning. I was on the edge of Phoenix and north of Scottsdale in a remote area. The lights inside and outside of the car started going on and off in a random way. The engine also started going on and off. This continued for about 25 seconds.

I thought I had a short in the electrical system, so I took the car home and borrowed my dad's car. Since I had planned to drive to a seminar that next day. The following night at 7:30, I placed a call to my wife in Payson, a little town 90 miles north of Phoenix. I told her I was going to drive up there, that I had my father's convertible, which was a new car.

But, when I started driving, I couldn't control the car, not even to put the top of the convertible down. It was just like the car was on rails. I

I got into the car and left, while the messages continued. I could feel the energy coming into my head. Finally, I felt as if I couldn't take anymore and said, "Where is this coming from?" Then it just stopped and the voice was gone.

Then I drove to the cabin, where my wife was waiting for me. Later, my wife told me that when I walked in, she was scared to death. She was terrified because of the energy that I gave off. I went in to see my little boy, who was still awake. I knew that I could just communicate with thought. So I looked at him and enunciated in my mind, "I love you." He gave it right back to me in spoken words, "I love you too, daddy!"

That night, when I went to bed, I saw what I intellectually knew was the moon through the trees, but it appeared before me in a series of symbols. I saw energy swirling and the moon getting bigger and bigger. I understood that the universe was expanding, as the vibrations increased. I saw visions all night and heard a humming sound within my head.

The next morning I got up and started back to Phoenix. When I got back to that little valley, there was a forest service crew mopping up. The valley had burned during the night.

Somewhere, that night, I had lost an hour. My wife had asked what took me so long, and I couldn't understand it, as I was driving faster than normal. There wasn't any traffic that late on a Sunday night.

I didn't know what to make of the whole experience. I didn't tell anyone. I went to a couple of churches, but I knew I wasn't going to get an answer there. I even thought that perhaps I had just made up the whole thing. Then I went back over the experience, and I knew it was real. It came through me, that it wasn't something that I had made up.

Three months later in Santa Barbara, California, I finally told my wife and her cousins all about what I had experienced. We were in a restaurant when I was telling them the story. Towards the end, I got very emotional and asked them if they knew anything about John the

ONE MAN'S STARTLING EXPERIENCE WITH UFOS PROVES THAT THE UNIVERSE IS INHABITED BY INTELLIGENT BEINGS WHO ARE WILLING TO SHARE THEIR GOD-GIVEN KNOWLEDGE WITH MANKIND...

ended up driving this way for 50 miles, until I came to the top of a little hill.

At this point, a thought came into my head, which was very much like a command, "Now, stop the car." I slammed on the brakes, and pulled off to the side of the road, and pulled down the top. I had to go to the bathroom, but instead of walking around the side of the car, I found myself walking up this little valley. After I finished and turned around to walk back, I was overcome by an incredible sense of dread.

I sensed a presence and I was terrified. The hair stood up on the back of my neck. I turned around and looked down the valley. The moon was very bright and was just at the apex of the mountain. The valley was filled with white light. I felt terrified, but exhilarated at the same time. A voice came to me telepathically and said, "Climb that mountain." I understood that there was incredible knowledge on top of that mountain. I hesitated, realizing that it would take almost five hours to climb up the mountain and that when I came down the next day, everyone would think I was crazy. Besides that, I was on my way to try to reconcile with my wife, who had said she would divorce me if I attended the seminar.

I was compelled to go directly to that mountain. I couldn't go to the car to take the keys out or anything. I felt paralyzed until I made the decision to go up the mountain. Then the voice came back and said, "You will climb the mountain and you'll know the time and the place. You won't have to do anything hard again."

It began to rain very heavily and I started walking towards the car. Suddenly, I began to receive knowledge about the nature of the universe. It was in parables and in statements. I could look from different angles and see probable lifetimes. It was incredible that just one quick statement would give me a whole new concept on things "Life is just a lesson." That statement showed me everything about reincarnation, which I didn't know anything about. I had been an atheist. When I had walked to a certain point in the valley, I was unable to tell where I stopped and everything else began. I seemed to be merging with the universe. I can't even describe what I experienced in words, as it defies an adequate description.

Baptist. Just then a hippy-looking guy came over from the other room. He said, "Did one of you just get saved, or something?" I said, "No." He said, "Well, I'm a born again Christian, and I'm picking up incredible vibes, here. Are you sure you weren't talking about the Bible or something?"

Finally I said, "We were talking about John the Baptist. Do you know anything about him?"

He said, "I have been compelled for three months to study John the Baptist. I know everything about him." He sat down at the table and told us about John the Baptist for thirty or forty minutes.

After that, I went on a spiritual quest for many years. I read everything I could get my hands on, attempting to find out what my experience meant. I never dreamed it had anything to do with UFOs, or anything like that.

Then, about three years later, in November of 1981, I was in a bookstore and something caught my eye. I turned around and there was an empty bookcase, with just one book in it. I've had very important books come to me that way. So I picked up the book and it was *Missing Time*, by Bud Hopkins which is a documentary of UFO abductions.

I picked it up and began to read about a case involving hypnosis. It described a little sore which this person had discovered right under the navel, which is red, and itches, and won't heal. I got cold chills because I had such a sore, which I had been worried about, until it finally healed. The book said it left a permanent mark which looks like a mole. I lifted up my shirt and sure enough, there was the mole.

I read some more and learned that there were people from 1943, who were perhaps a test group and were picked up by aliens repeatedly. They are usually picked up at about age seven, then at 16 to 18, and then from 35 to 38. There are certain scars which are common to the childhood experience. One of these is a very long scar on the upper left calf. I have one just like that. I also have one on my left kneecap, which is said to be very common.

CHRIST'S MOST ASTOUNDING MIRACLES HIS GREATEST SECRETS SUPPRESSED LEGENDS OF THE LORD

Religious scholars and good Christians the world over agree that the Holy Bible is the most important book ever written. Its contents are of tremendous value to every man, woman and child alive today, while the code of morality and ethics it preaches has been the foundation by which all God fearing persons have patterned their lives for the last two thousand years.

Yet, in recent times, it has also become evident with the discovery of the Dead Sea Scrolls and other ancient writings, that, though the Bible was truly inspired by the hand of God, it is by no means complete.

Recently, noted inspirational writer Arthur Crockett began sifting through obscure volumes and what he managed to uncover represents a monumental breakthrough in modern theology. His just recently released book, **STRANGE AND UNKNOWN FACTS ABOUT THE LIFE OF JESUS**, fills in gaps in Christ's life not covered by the New Testament, and proves conclusively that Jesus was a total enigma unto Himself, little understood by his contemporaries and even less understood by modern society, which has often twisted His teachings or eliminated those which would prove him to have been an even greater soul.

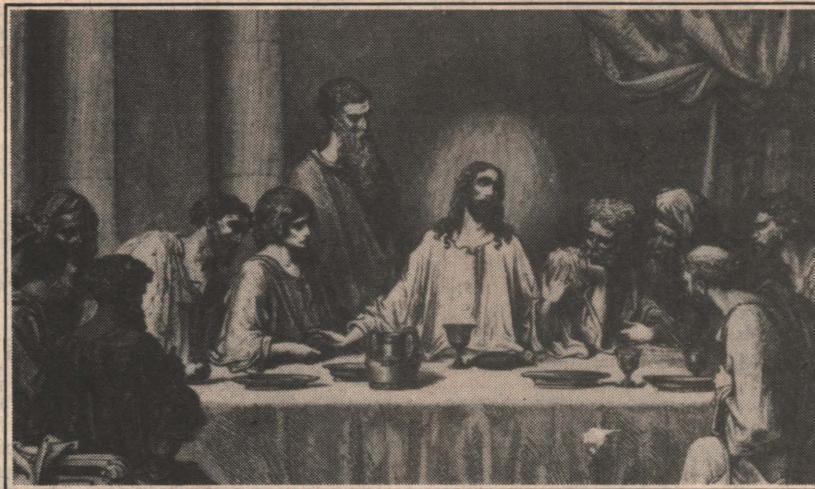

SACRED TRUTHS DISCOVERED

In fact, various sacred artifacts exist to this very day which prove Jesus was the Saviour. In many ways they are as great as the Shroud of Turin, but they are almost completely unknown to most practicing Christians as they have never been publicized.

There is, as described in this wonderful book:

• **THE SEAMLESS HOLY COAT.** This was made from the garment worn by Jesus at the time of His crucifixion. Lots were cast among the Roman soldiers for the garment, but it did not stay long with the man who had won it, but ended up in the possession of a non-believer. The legend of the journey of the Seamless Holy Coat is fascinating reading.

• **THE IRON CROWN OF LOMBARDY.** Also known as "The Crown of the Crucifixion Nails," it was first mentioned in history in 591 A.D., but survived until recently and was said to have great supernatural powers. The authentic crown of nails worn by Jesus on the cross, it has disappeared and is believed to

MORE IMPORTANT THAN THE DEAD SEA SCROLLS REVEALED: STRANGE & UNKNOWN FACTS ABOUT THE LIFE OF JESUS

have been stolen.

• **THE HOLY GRAIL.** Many think they know the story of this great religious artifact, but there is much more to the origin and eventual destiny of the "Cup of the Blood of Christ," which resided with Mary until the day of the Last Supper and is believed to have turned up with the mythical King Arthur in England several centuries later. Now the complete story unfolds!

• **THE HOLY TUNIC.** Each year a remarkable religious ceremony is carried out in Argenteuil, France when in

In many ways, Jesus was a

very mysterious person, and apparently, He wanted it this way. For example:

• The Bible does not tell us much about his physical appearance. The best existing description was thought destroyed in one of the early Mohammedan book-fires, yet such a detailed description has been found, and is published here for the first time.

• It is normally assumed that Christ left behind no written works, but again this is a wrong assumption, as correspondence penned by

Jesus has been discovered stenciled on golden plates. Now you can read his actual message to the world.

In addition, many "sacred truths" are revealed for the first time, such as:

• The strange link between Jesus and Adam that is kept hush-hush.

• His exact words spoken upon being nailed to the cross.

• The fallacy that exists regarding the last supper.

• The "Secret Disciple" who claimed the body of Christ and the supernatural occurrences which transpired

• Also, it is not generally realized that Jesus may have actually returned to earth several times since His ascent into Heaven. His most recent "visit" having taken place in the last century to the American Indians who reported a mysterious "white man" with a beard who wandered among the tribes preaching enlightenment and healing the sick.

STRANGE SECRETS

There are also many "secrets" that have prevailed over the years which are not common knowledge regarding events in Christ's life.

• There is the incident involving the doorkeeper at the court of Pontius Pilate who spit at Jesus and yelled "Crucify Him! Crucify Him!" Jesus looked at His tormentor and said, "I am going; but tarry thou until I come again!" The doorkeeper still wanders the earth after all these years seeking rest which he has not been allowed for nearly two thousand years.

• It is generally not realized that Jesus communicated with spirits and He had mediumistic gifts that were of the highest and purest.

**NEW SEVEN
GOLDEN
PROPHECIES
PREDICTIONS FOR THE
YEAR 2000 & BEYOND
PEACE ON EARTH & A
SPIRITUAL AWAKENING
WILL YOU BE ABLE TO
HANDLE THE
TRANSFORMATION???**

"Michael X." Barton is considered to be one of the most accurate prophets of all times. His understanding of cosmic truth and the workings of inner dimensions cannot be surpassed. His following among New Age truth seekers is worldwide.

Before going into seclusion several years ago, Michael X. left behind a manuscript which he asked to have privately distributed to a few select students. Michael believed that most students along the path were not equipped emotionally or spiritually to consider the "mind-blowing" prophecies contained in his inspired work. Since the prophecies were to be fulfilled during the so-called "End Time" (end of the Piscean Age), he believed they should be released during the last two decades of the 20th century, when a higher spiritual awareness had been brought about by the continuing visitation of UFOs, and by the inspiring words of other New Age teachers.

Now that we are moving closer and closer to the transformation period which he spoke about, we feel his manuscript can now be released to the general public, though there is still a warning attached to the disclosures to be found in this book.

Let it be understood, however, that Michael X never inspired this volume to be a frightening book. Although there will be indeed, physical upheavals, the SPIRITUAL UPHEAVALS will more than balance the trials that will accompany the introduction of the coming GOLDEN AGE.

MERLIN'S SEVENTH PROPHECY

1. The Magi's Millennium: A time of Increased Spiritual awareness on earth. This prophecy says that the earth will be "levelled" but does not mean a physical but rather a spiritual levelling. Everybody will speak the same language and there will be a world-wide (non-Communist) government.

2. The Sibylline Prophecy of New World Peace and the Reign of Heavenly Justice: No wars, no droughts, but a great Peace in all the earth. The true and only God will raise a Kingdom forever over all men. No longer will gold and silver rule, but all things shall be common in the lives of men.

3. Enoch's World Prophecy: After the "Power Group" burned the wonderful Library of Alexandria, Egypt, the human race lived in mental and spiritual darkness for two thousand years! We're now coming into the true light. The Power Groups who rule our lives will be defeated by the Eternal One.

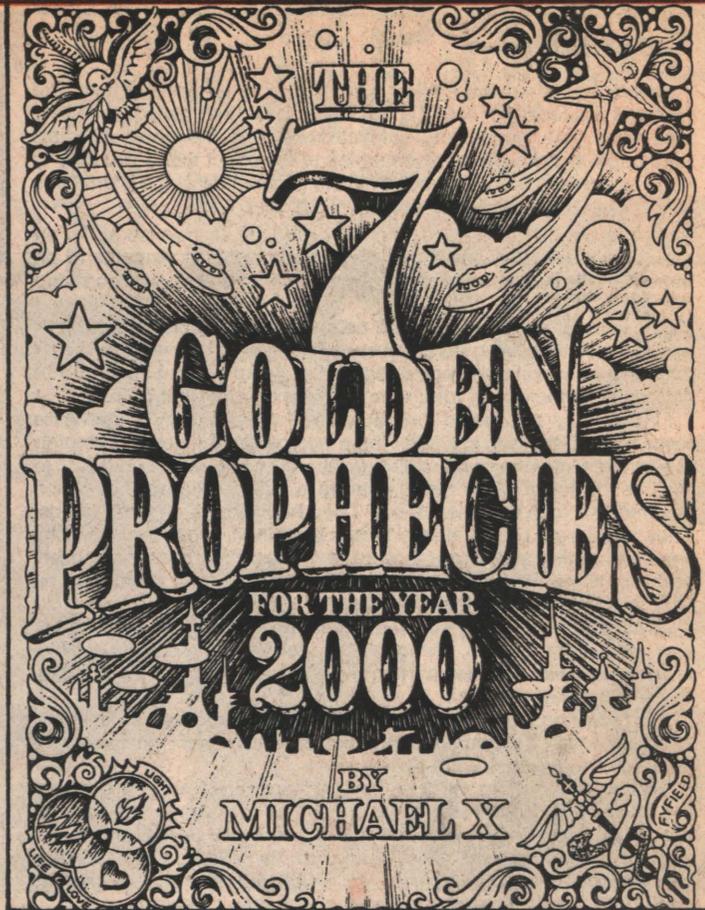

4. Mica's World Prophecy: In the last days of the Piscean Age the strength of the house of spiritually awakened New Age souls shall be established in the very highest spiritual consciousness of Life, Love and Light. War is to be abolished, and there will be no fear of a "Gestapo," "Secret Police" or "CIA" looking down our necks.

5. Elder Edda's Prophecy: The greatest Sooth Sayer for the Ancient Norsemen, one of the greatest prophets who ever lived. How the "Solar Force" slumbers quietly in a large center of "chakra" which is situated at the base of the spine. New Agers are to be spiritually awakened individuals when the Solar Force is activated. New Ager will become aware of who they were in previous lives.

6. Our Biblical Prophecy: The Bible prophecies World Peace, and outlines how a true Adept is able to ascend to the Mountains (higher states of consciousness). The New Age vibration is like clean water, which shall purify the people if all believe, and cause them to labor as one for the establishment of WORLD HARMONY.

7. Merlin Speaks — To You: Merlin lived as an actual personality, though somewhat colored by imaginative folklore. His prophecy deals with the coming of a "Savior," which is in reality a "Super Solar Force."

CONTINUED

Before I finished the book, I was driving to an appointment and received a telepathic message. All it said was, "Get called." I had no idea what that meant, until I finished reading the book. The last paragraph in the book said something to the effect that if you care to help our investigation and you've had an experience which is similar to this, please write us a letter and we'll call you.

So, I wrote the letter. Budd Hopkins called me and we talked for an hour. Then the following June, they sent me to Los Angeles to be regressed. They picked up the experience from when I was going up the valley.

Under hypnosis I experienced being caught in a beam of light. It was the most terrifying thing I ever experienced. I was paralyzed and enveloped in an almost tangible light. It was like being hooked up to electricity. It took me a long time to move beyond that point.

Finally, they got me to look outside of that light and there were these beings, dressed in white. There were about ten beings standing in a circle. Only one of them spoke with me. They were about 5'3" to 5'5" at the most. They were wearing a skintight covering, which covered the face and everything. They had large elongated heads. They had large, round, black, lenses over their eyes. Their mouths were just a slit and their noses were two holes. They had small chests and thin arms. I think they had only four digits. They seemed to be very light and unsure of their footing.

I was terrified but they seemed to get me out of it, so that the terror was replaced by a warm, loving feeling. I felt very peaceful and felt like I just loved them. I don't know if they gave me an injection, or how they caused the change in me.

The following March, I went to New York for a series of regressions, with Budd again. This time they hypnotized me so that I would be able to watch the events from a distance.

I saw myself go into the craft. The craft appeared much larger from the inside, than from the outside. When they took me in, they placed me in clamps. They examined my lower back. Some robots cut minutely inside my nose. They examined my head and face. It was a very quick, thorough, matter of fact, examination. I put my clothes back on, without remembering how my clothes came off.

I asked them what this was about, what they were doing. They said, "You'll know in time." They took me outside and there were two craft. The large one just kept hovering and the small one was the one which I had entered. The big craft was about three or four stories high and probably 150 to 200 feet across. It had very steep sides and an incredible number of lights and windows on the sides. The large craft was the one which put the light on me. It put the light on me again, when I was ushered out of the little craft. It kept the light on me until the little craft took off. Then it released the light. I think that is when I had the mystical experience. I don't really know if they induced it.

One of the regressions went back to when I was seven. I grew up on a farm in Illinois. My mother had said that she saw a spacecraft. After I read the book, I asked her about it. It was in 1950 and she saw it hovering just above the trees in a small corn field. I used to play in this field and I thought that I had cut my leg with a blackberry bush or something. But in the book, they talk about pearl drops of blood that form around the wounds. I remembered peeling the droplets of blood from the back of my leg. Also, from that day on, we never played in that corn field again.

When I asked them where they came from, while I was being examined, they said, "Adonite worlds."

THREE OUTSTANDING BOOKS ON THE GREATEST MYSTERY OF ALL TIME

MISSING TIME A DOCUMENTED STUDY OF UFO ABDUCTIONS by Budd Hopkins

In the mid-1960's the UFO encounter of Betty & Barney Hill made headlines when the New England couple told of being taken aboard a craft from another planet where they were subjected to a medical examination. Their shocking account was later verified by a Boston psychiatrist who placed them under regressive hypnosis.

Since that time, hundreds of apparently sincere individuals have claimed such other-worldly experiences. Budd Hopkins, with the help of psychologist Aphrodite Clamar and the other doctors, has investigated in depth many cases of similar nature, none of which can be explained in rational, scientific, terms. These cases include two registered nurses, a golf pro, a Wall Street executive, a painter, a newsmedia writer, a retired public school principal, an insurance underwriter and a college instructor.

Mr. Hopkins states that enough similarities exist in the reports to make coincidence impossible. These individuals are not kooks or madmen; they are average people. Questions arise as to why each of them has a small scar on his or her body, and why, when, asked to draw the beings they had seen, the results are so astonishingly alike!

MISSING TIME is not a hysterical book; it is documented and scientific. It contains few answers, but asks deeply disturbing questions about our world— and others. **\$12.95 (hardback).**

THE ROSWELL INCIDENT CONCLUSIVE PROOF THE U.S. GOVT. HAS THE REMAINS OF CRASHED UFOS & ALIEN BEINGS

The story that is to unbelievable to be true has finally been documented by Charles Berlitz (author *The Bermuda Triangle*) and William Moore. In July 1947, just outside of Roswell, N.M., a strange craft was struck by lightning. It exploded in mid-air, and the pieces of the wreckage was scattered. Reports from those involved in this highly controversial incident say that the occupants found inside this ship, as well as the material from the wrecked craft, were shuttled to a CIA high security area—and that there may have even been an alien survivor!

The authors present startling new evidence of what could be the news story of the century. In their investigations, Berlitz and Moore uncover astonishing information that indicates that other such visits may actually have happened— only to be hushed up in the interest of "national security."

Fully illustrated, this hardcoverd book goes right to the site of the Roswell incident and uncovers the startling facts. **\$12.95 (hardback).**

AN ACCOUNT OF A MEETING WITH DENIZENS OF ANOTHER WORLD, 1871

Several years ago a very strange manuscript was found belonging to William Robert Loosley, a cabinet maker and undertaker. Penned in 1871, the document told that Loosley had seen a slow moving star cross the sky and descend near his home. The next day, curious as to what he had seen, he ventured to the site to find out if it had left any trace. What he discovered was far beyond his wildest speculations. Many of the phenomena which Loosley recorded can be interpreted only in terms of twentieth-century science. While one may approach such matters with caution, here is certainly at least prima facie case for an extraterrestrial visitation during the nineteenth century. Hardcoverd, illustrated. **\$9.95**

Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time being "most simplistic," just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY are. Ashtar's philosophy will lift the hearts of all people. This is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

NOW THE TRUTH CAN BE MADE KNOWN!

Despite censorship on the part of the government—and the governments of other nations—the reality of UFOs and ETs can no longer be kept a secret. Through their "messengers of light," the Space Brothers have made startling predictions regarding the following topics:

- UFOs monitor our radio & TV broadcasts on a daily basis.
- Folly of our political systems.
- The TOP-SECRET mission of the ETs.
- Spiritual development of mankind.
- The selection of the "Chosen Ones" to be removed from the planet in the event of a global disaster.

DON'T LET DARKNESS STAND IN THE WAY

Now it is time for all truth seekers to find the light. Don't be left in the dark. Order your copy of the NEW WORLD ORDER today!

Several years ago a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar—Commander in Chief of the Free Federation of Planets," started to speak. During the course of the next few minutes this alien being told about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE

SPREAD THE WORD — JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special moment to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of Ashtar's existing new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

MYSTICAL SYMBOLISM OF THE HOLY CROSS

IT'S HISTORY, POWERS AND BLESSINGS

By Diane Tessman

It is very illuminating to discover that the shape of the cross can be found in both Christian and pre-Christian cultures. In pre-Christian days, it had a cosmic and natural significance and a sense of prophetic fulfillment, as if it was indeed destined to be symbolic of Christ's suffering for the sake of the human race. His death upon the cross, of course, has always symbolized the extent the Higher Realms are willing to suffer and sacrifice to guide humankind along the path of goodness, peace and love.

Even in pre-Christian days, the cross held similar significance: the two crossed lines of equal length signified (and in fact still signify today!) the four dimensions of our universe. Also symbolized are fire, water, air, earth. The intersect point in the middle of the cross represented balance and harmony with cosmic forces. To reach this intersect point is what all of God's children should strive for! Jesus Christ showed us the way; the more one meditates upon Christ's symbolic involvement with the cross, the more awed and inspired one becomes for here is truly a lesson in cosmic synchronicity, in universal symbolism, and in God's loving Plan for us all!

The cross appears in both sophisticated and in uncivilized—primitive—cultures. It is a global symbol! Ancient peoples in India, Etruria, and Peru used the cross as a symbol of spiritual inspiration which was, at that early time, totally unrelated to the later suffering symbolized by the cross through the terrible crucifixions performed on it. Since the cross was originally intended as a positive symbol to guide humankind, we must be careful not to "blame" it, in itself, for Jesus' suffering and death, but rather to place the blame where it belongs: on humanity's own lack of openness toward His message of global love and peace. We must strive not to be like those who nailed Him to the cross, but instead, be more Christed within our own spirits. We should take time to consider the cross as a universal symbol, not pinning blame on it as an universe of worshipping an idol (one is foolish to hate an idol or symbol as well!).

An even more dramatic misuse of the cross in modern times has been the use of the swastika (Nazi symbol) cross. In ancient times, it symbolized the swirling sun, the source of light and power and the power of the elements, particularly lightning. In some ancient cultures, the bent cross even symbolized the power of generation or rebirth. However, that symbol seems sadly and irrevocably identified with the atrocities of the Nazis. It is true that Adolph Hitler was deeply involved in the occult and for a few short, but horrifying years, used the negative powers to his advantage. Because Jesus' crucifixion was both tragic and yet a joyous resurrection and rebirth, we can appreciate and even love the basic cross as His symbol. However, it seems almost impossible to "forgive" the swastika symbol, and to remember what it meant those many thousands years before Hitler turned it to an evil symbol. Yet, it is interesting to know it originally symbolized the basic cross "in action," the movement of the energies of God's universe, the dynamic forces of which we are all a part.

In Christ's day, the cross was used as an agonizing form of torture

and death. The early Christians refused to use the symbol of the body of Christ on the cross, and it was not until the 5th Century A.D. that it became pretty much the Christian symbol that it remains to this day.

For several hundred years, the Christians did not take kindly to reminding non-Christians that the man who claimed to be The Son of God, could indeed, be tortured and put to death on the cross just like any other human being. The early Christians held dear to the belief in His Resurrection and His Ascension into heaven, yet to remind the rest of the world that He had indeed seemed to have died on the cross, was not the "image" of Christ which the early Christians wanted to stress.

No crosses at all were allowed to be shown in connection with the church or Christianity.

Eventually, the church agreed to show only the bare cross and for several centuries, this was the policy. To show the body of Christ, His fragile human body dying upon the cross, was to say, according to the church, that God could be killed.

During this age of persecution of Christians, the symbol of the cross was already totally identified with Christianity, whether the Christians themselves had yet accepted or not. Therefore, the Holy Symbolism of the cross was dampened and hidden after Jesus' death for many hundreds of years—these were indeed the "Dark Ages."

After approximately four centuries, Christianity grew both in strength and numbers. It became safer to announce oneself as a Christian, and so the crucifix began to be worn, giving comfort and strength to many. In it, Jesus' ultimate sacrifice and great love for planet earth could be felt, always worn near the heart, always illuminating the soul of the wearer.

There was another controversy brewing within the church, for there were those who be depicted nude or nearly nude upon the cross, that this was a blasphemy. However, the symbolism of His human form, His human frailty of flesh, His human vulnerability to torture...is depicted in His nude or nearly nude form upon the cross; and so, on a crucifix, this fact is shown accurately.

It was during the 5th and 6th centuries, that misguided worshippers jaded the purity and deep symbolism of the cross by adding many jewels and heavy ornaments to it. Jesus' life of simplicity and love, and His death (a simple and obvious sacrifice and lesson of love), were ignored in favor of materialistic jewels and opulence.

Also, a mystique began to be built about the symbol of the cross. The Irish, for instance, built crosses which were intricately geometrical, usually in stone, and of great size, almost like the pre-Christian Stonehenge kind of monuments! Beautifully sculptured crosses became plentiful all over Europe—this was the Age of Passionism.

Passion plays still take place in our modern age, depicting the terrible suffering and Jesus Christ upon the cross. But Jesus Himself, would have probably reminded us, that we should remember the cross and use its symbolic powers of universal energies and love, and not merely remember it as a morbid torture instrument to live and re-

live the terrible hours He spent bleeding to death. The cross, as Jesus taught us, means much more than this in a POSITIVE way! We must look deeper than its aspects as a torture instrument in order to gain its blessings, lessons, and miracles.

Just as the cross intersects the four dimensions, the four elements, the four winds, so should we use it as a symbol of unification. The ancient civilizations which first used the cross as a symbol of love, of intersection with the cosmos, of balance and harmony, had great wisdom! Jesus knew this. He would tell us to consider these parables, analogies, symbols and teachings if we are to gain full help and strength from the cross. If we look at the cross and see only torture and suffering, we cannot be helped by it fully!

The cross symbolized devotion to Jesus' teachings and to the universal God. It is a truly ancient symbol which has a much broader spectrum than many people realize. It is widely associated today with the Catholic Church which uses it in many beautiful symbolic ways. Like all symbols given us by God, we must always remember to truly contemplate its message and use. It does no good to make the sign of the cross or carry a crucifix, if one's heart is not in the right place, or if one never takes time to meditate upon the message of the cross. You must unite your mind and soul with the cross, for then—and only then—can it truly guide and help you, just as Jesus and other men of wisdom have intended.

Humankind is always looking for a "miracle cure," and this is to his credit! It means that we know there is a God and that we may receive help from "outside," from Jesus, from the Lord, from other great spirits of goodness. We do believe that we can link into the Divine Energy conduit, receive His love and energy, and have a miracle performed in our life. This is true! There is no greater symbol of this fact than the holy cross!

However, we often leave out a part of the step toward the miracle! We fail to make the energy "hook up" or link to God. We often sit in frustration, anger, not praying, not meditating, but being cruel or thoughtless to others. We are not helping God's lifeforms on earth. We are not working in harmony with God's planet. Then suddenly we expect a miracle in our lives. We understand the symbolism of the cross and so we turn blindly and desperately to it for a miracle. The cross can only work miracles when your mind/soul are in harmony with its universal energies and love!

Jesus told us, "I stand at the door and knock." Not only Jesus stands at the door but so does the God-force (God!) and so do all the many, many heavenly beings of wisdom, love, cosmic discovery, symbolism, truth. We must be open to them first, we must send our energies into harmony with these beautiful, loving energies. This is the true lesson of the cross and the symbol which Jesus wants us so much to receive. It must be positive!

THE LOST BOOKS OF THE BIBLE

There are many facts about the life and times of Christ which have not been included in the New Testament. The documents contained in this 290 page, hardcoverd, book were written soon after Christ's Crucifixion, during the early spread of Christianity, but before the church was able to censor some of the documents for a variety of reasons.

Now after 1500 years of suppression, the shroud of secrecy has been lifted and sincere students of the Bible will be able to read these original chapters and verses, and decide for themselves their authenticity.

- The Birth of Christ • The Early Life of Mary
- The Birth of John the Baptist • The Virgin Birth
- The Baptism of Jesus in the Jordan
- Christ praying in the Garden, Peter Cutting Off the Ear of Malchus, and the Kiss of Judas • Christ on the Cross
- The Resurrection of Our Lord
- Jesus Ascending to Heaven
- The Red Sea Swallowing Up the Army of Pharaoh
- Christ's Descent into Hell • The Last Judgment

The material in THE LOST BOOKS OF THE BIBLE has been translated from the original tongues by the world's greatest scholars, the task taking well over 100 years. This may be your one and only opportunity to learn about that which has been kept out of the public's hands for so many centuries.

We truly believe that you will be satisfied with THE LOST BOOKS OF THE BIBLE and that you will recommend it to your friends. It is not a book you will read in several hours, but a lasting treasure bestowed upon the eyes of mankind by the Son of our God.

Please order at once, supplies are indeed limited.

REVELATIONS

HAD A REVELATION? A VISION? BEEN TO HEAVEN? SEEN JESUS? EXPERIENCED A MIRACLE? FELT THE HAND OF GOD? ENCOUNTERED HIGHER BEINGS? SAVED BY YOUR GUARDIAN ANGELS? TELL US ABOUT IT ●

GABRIEL BLOWS HIS HORN

I saw this clipping in *The News American* on October 26, 1982...

"West German police are seeking a disappearing hitchhiker who claimed to be the Archangel Gabriel and unnerved half a dozen motorists by prophesizing a 1984 Doomsday.

The first report of the so-called archangel came when a woman picked up a blue-jeaned hitchhiker. He told her he was the Archangel Gabriel and prophesized the end of the world in 1984 before suddenly disappearing from her moving vehicle from a seat into which he was strapped with a seat belt. The woman claimed the seat belt was still locked after he disappeared."

Seeing this article reminded me of the time I was stationed in Italy during World War II, just outside the city of Pisa, of the famous Leaning Tower in 1945. We were lined up in two rows while awaiting the evening chow.

I suddenly raised my eyes to the sky. It was a partly cloudy day and there before my eyes was a vision of an angel blowing a trumpet as clear in every detail as a painting by a great artist. The vision was made up of light and shadows on the clouds and the face shone like gold. I touched the soldier in front of me, Corporal Oscar Buckner and pointed and asked him what he saw. His exact words were, "I see an angel blowing a horn." I haven't told many people about this but since reading INNER LIGHT Issue Number 4, I feel I should talk of this and that time is short.

THE CLOTHES LINE

A large group of courageous individuals are now working on an amazing plan to break the control of powerful evil forces. When this is successful, it will open the way for new freedom and much greater supply to all who are constructive. It will also help to bring peace to our troubled world, and move us closer to our New Golden Age.

This cleansing operation is known by the strange code words "The Clothes Line." It has the assistance of the White Brotherhood and Archangel Michael. It also has help from great benefactors of earth from other worlds: Ashtar, Monka,

Sutko, Hatton, Voltra and others.

Election day, November 5, 1984, is the big day for the success of this plan. As many people as possible will be urged to avoid voting for a person for President. Instead, they should vote for President by writing in "The Clothes Line." This is a protest against control by wrong forces and a demand for more freedom and justice. Join the cause by encouraging others to write in, and vote your own ballot with the words "The Clothes Line."

When the Presidential election returns start to come in, there will be a lot of surprised people. We expect there will be millions of votes for "The Clothes Line," and that will wake up many good people and shake up some evil ones. Other actions are planned to use this publicity for the greatest good of all.

(One way to help this worthy cause is to reproduce this page and get out copies wherever you are guided).

A BIZARRE VIETNAM WAR STORY

In 1969-1970 I was stationed in Wai, South Vietnam in the U.S. Army. I was there a little over eight months. The next thing I knew I was in the Minneapolis VA Hospital in Minnesota, and nine months had passed. To this day I do not recall what happened over there. I have scars over my entire body and double vision. The doctors at Walter Reed Hospital in Washington D.C. told my parents that I wasn't going to live. I was in a coma at the time and knew nothing. They also told my parents, that if I did live I would be a vegetable. Well, I'm glad to say that I did make it, and am not a vegetable.

It wasn't the work of Satan that pulled me through.

A STRANGER CALLS

First, I want to thank you for the INNER LIGHT Catalog you sent me. I loaned it to a friend and by the looks of it upon its return, it must have gone through many hands. I also want to ask if you or anyone you know can figure out what happened in the following experience I had about two months ago.

I was in bed, ill with serious ailments, when my pet dogs

woke me up by barking. I sat up to quiet them. They continued to bark so I turned on the bedside lamp. They were looking past me so I turned and saw a six foot four, 195 pound man lying on his side and smiling at me. I said, "Who are you and how did you get into the house?" He propped himself on his elbow. I felt no anger or fear, but I was slapping his hip on the side and felt the flesh go down with each slap. He looked Irish, had bright red hair, it was curly and stuck out in all directions from a gray cap which matched the gray "big mack" uniform he was wearing. His eyes were real blue and were smiling too. He never stopped smiling. My hand started to sting and was bright red from slapping his side. I turned to speak to the dogs and when I turned back to him again he was standing up, he then backed up against the wall and slid down the floor out of view. I got out of bed and looked under the bed along with the pets. We looked all over the house, then gave up. He was nowhere to be found.

I know I was awake, my hand felt sore. When I turned the light on it was 2 A.M. and when I got out of bed it was 2:10 A.M. My dogs have never before or since acted up that way. Please believe me. It was not a dream.

I am a widow and never intend to remarry. I have nice men friends who take me dining and dancing. I have lots of hobbies to keep myself busy when I'm alone, so what can be the reason for this visit from a strange, nice man. Any help will be appreciated.

TESTIMONY-ARK OF THE CONVENANT

I received my Ark of the Covenant medal some time ago from your New York office, and want to tell you that some mighty strange supernatural things have happened to me since I received it. A very strange, warm, heat or vibration came into my hand when I held the medal in my palm, and thus I was warned and saved from a fire that had broken out in my apartment building. Also, finances have been bestowed upon me since I've received this God given instrument of the Lord.

Also, being a potential preacher, I prayed over a young man at church and he was filled with the Holy Spirit as I laid the Ark on him. People feel a power manifesting from me as I carry it on me or around my neck. I would like to stay in touch with you good people at INNER LIGHT and tell you more about the good things that happen to me when I wear the medal. Please send me any testimonies of other people who have used this God given instrument, the Ark, as I am also a Bible student of God's word. Well, I close for now.

MYSTERY DOWN ON THE FARM

I work at my business until two in the morning and got the opportunity this Sunday to hear your fascinating interview on WABC in New York. Some unexplicable occurrences apparently are happening at my farm home in the early hours of the morning. My family has agreed not to inform the neighbors or the Sheriff of this event.

We started to see these things about one month ago. Our large farm has wooded land and several lakes, isolated from others in a hill-ranged basin. On five occasions, large, sheathed tubular objects, first glowing, then shimmering have been seen on our farm. Always in the same location, these elevated tubes, emitting something like a humming, come out of the sky and in an instant, are back in the sloped area of our lake #1. It's quite amazing.

Two distinguished friends of mine were out here last week

and witnessed these things too. One of my friends, an amateur photographer, actually has several rolls of film showing these forms clearly. We're in a quandry here. Please Advise.

STAR OF BETHLEHEM

Although there are almost as many different theories on the Star of Bethlehem as there are individuals, everyone seems to agree on at least one thing: Nearly two thousand years ago, something incredible happened in the heavens. The event was so startling that it riveted the attention of a number of ancient gurus and drew them, as one man, to a seemingly insignificant little town in the Eastern Mediterranean.

The Magi, or wise men, as they are widely known today, interpreted the light as a divine message in the skies, but what exactly was it that they saw? And what was the full significance of the Star that so dazzled them?

- The Star may have been a nova or supernova, an explosion in deep space, as Arthur C. Clarke so vividly depict in his writings.

- It may have been a meteor or meteor shower, which might have consisted of two hundred thousand meteors emerging from a single point in the sky over a short period of time.

- It could have been a bolide or huge fireball of the type that could have created the huge crater in Arizona and the devastation of a forest in Siberia.

- Some believe that the unusual light the Magi followed was caused by one heavenly body, as in a solar or lunar eclipse or in the particularly prominent appearance of a single bright star, such as Sirius, or a planet, such as Venus.

- The Star might have been a conjunction of planets that had special meaning to astrologers of the day.

- It may have been a comet, with a tail seemingly pointing the way to Bethlehem and the Messiah.

- Some theorists also argue that the Star of Bethlehem was actually an unidentified flying object (UFO) sent by a superintelligent civilization from outer space.

Each of these interpretations has its advocates, and each has something to comment in. But there are also some problems with all of these speculations. For example, if the Star really involved a generally visible happening in the heavens, why does Matthew say in his Gospel, which is our only description of the event, that Herod had to ask the wise men when the heavenly body appeared? Also, what kind of heavenly body would tend to appear, disappear and then reappear, as the Star apparently did? And is there any record of a star, meteor, comet or any other object in the skies that had a directional and guided "beam" that would point out the spot where the child Jesus lay?

In the pages of this book the authors will examine each of the current theories about the nature of the Star. Then, using this information as a backdrop, they will try to penetrate the true nature and meaning of this startling event that happened so long ago, yet still affects us profoundly today.

MAJOR EVENTS OF THE FUTURE REVEALED!

**AN EXCLUSIVE

THE SECOND COMING

**WAS HE A WIZARD? A SERVANT OF GOD?
A SUPER PSYCHIC? A DEVIL WORSHIPPER?
OR A BEING FROM ANOTHER PLANET**

**HIS
PREDICTIONS
WERE 100%
ACCURATE**

Nostradamus is credited with being the greatest prophet of modern, non-Biblical, times. His uncanny, indepth, forecasts are considered to be highly accurate. Nostradamus, in the 16th century, predicted both World Wars, aerial battles, submarine attacks, Hitler's aggressions, and escape, as well as the assassination of both Kennedys'.

The seer warned the world of the coming of the atomic bomb. He wrote of space flights, and about the rise and fall of Russia. In one of his most amazing predictions he revealed how Iran would be taken over by a religious fanatic writing the following in rhymed quatrains: "Revolution, famine, war will not stop Persia (now Iran). Religious fanaticism will betray the monarch (the Shah). Of which the end will begin in Gaul (France)." Everybody knows that the Ayatollah Khomeini started his revolution while exiled in France.

For the future, Nostradamus predicts that there will be war in the Middle East in the next five years, during which the big powers will intervene. He even talks of the coming of the anti-Christ and how the U.S. and Russia will combine forces, if only for a brief period. He also speaks of a "religious war" and the Vatican's having to move the tomb of St. Peter to a safe place.

But, perhaps most astonishing of all, is the fact that Nostradamus saw his own death in time to help with the funeral arrangements!

**THE MOST MYSTERIOUS
MAN WHO EVER LIVED**

Legend has it that celestial activity was extremely powerful for several nights before the birth of Nostradamus. Reports of bright, round objects in the sky over St. Remy de Provence are recorded in the archives at Salon.

Nostradamus' birth itself was rather remarkable because Blanche Nostradame (the family's real name), presented her husband with a perfect baby. In the 16th Century, perfect babies were almost unheard of. The mortality rate was very high.

He had an incredible intellect. He was very young when he mastered several languages and advanced math. He became a licensed physician at 23. He walked among plague victims for months without catching the dread disease. With a strange mixture of herbs and ingredients unknown to the world, he was able to cure many of the afflicted, thus becoming known throughout Europe as a miracle healer.

In his day, Nostradamus made friends with kings and queens who were impressed by his ability to see into the future. Royalty came far and wide to be in his presence, so anxious were they to know what the stars had in store for them. Many were disappointed as Nostradamus knew well in advance about beheadings, revolutions, and the unfaithfulness that abounded among society's most prominent figures.

**THE SECOND COMING &
THE ANTICHRIST**

Though Nostradamus considered himself an expert astrologer, he studied the stars in a totally unique way. He used a special device when scribbling. The device was basically a magic wand which he used in conjunction with a tripod of flame and bowl of water. Nostradamus also considered himself a very religious person, and while he was born a Jew, he later converted to the Catholic faith, utilizing mystical elements from both practices in his work. Many of his predictions dealt with the Second Coming and the appearance of the antichrist.

There are some who maintain that Nostradamus was a direct messenger of God, and that his predictions were divinely inspired. To give credence to this claim, the French seer was once introduced to a young Franciscan friar, a poor village lad, and upon meeting the youth dropped to his knees. Asked why he had done so, Nostradamus declared: "Because, I must bow and kneel before his Holiness." Years later, this youth became the Pope, under the title of Sixtus the Fifth.

Others believe that Nostradamus was a time traveler from the future, or perhaps a being from another planet. All these theories are explored in detail.

**NOSTRADAMUS'
UNPUBLISHED
QUATRAINS**

A curious manuscript has been making the rounds of Europe where books on Nostradamus have been frequent best sellers in recent months. Up till now none of this material has been released in the U.S.

Shortly before his death, Nostradamus apparently penned a series of prophecies so startling that he never had them included in any of his published works. Supposedly because he was afraid of the effect they might have. These predictions were circulated only to royalty and were thought destroyed for many years until they were uncovered, hidden in the basement of the house where Nostradamus died.

The title page of this newly discovered manuscript reads: "Century XII, Number 63." The seer's last supposedly quatrain, published, was "Century XII, Number 62." The assumption is that Nostradamus wrote more than twelve centuries, but had not wanted these predictions to be widely read. As far as can best be

determined, there are a total of 21 or more pages to his original prophecies that have only now been translated and interpreted.

These are just a few of the provocative subjects dealt with in this new material:

- The reappearance of Jesus to the world.
- Mysterious wonders in the sky turn out to be a friendly invasion of alien beings from other worlds in space.
- Rare knowledge which will lead to the elimination of disease and sickness.
- New inventions far superior to anything currently in use on this planet.
- A terrible war in space.
- The time when night becomes day.

•The destruction of the Catholic church and the last Pope.

•The great earthquake which will kill many.

•Riots in the streets of many great cities.

•Gold missing from Fort Knox.

Indeed, no prophet has ever lived who knew more about the future than did Nostradamus. With the world's current state of affairs, mountains, international tensions, and the realization that these are the "Last Days" the Bible speaks of, you cannot afford to miss reading **NOSTRADAMUS' UNTOLD STORY: HIS UNPUBLISHED PREDICTIONS** (not sold in bookstores, order using coupon below).
