AN EXCLUSIVE INTERVIEW WITH...

## DR. LEO SPRINKLE

### UFO INVESTIGATOR & CONTACTEE

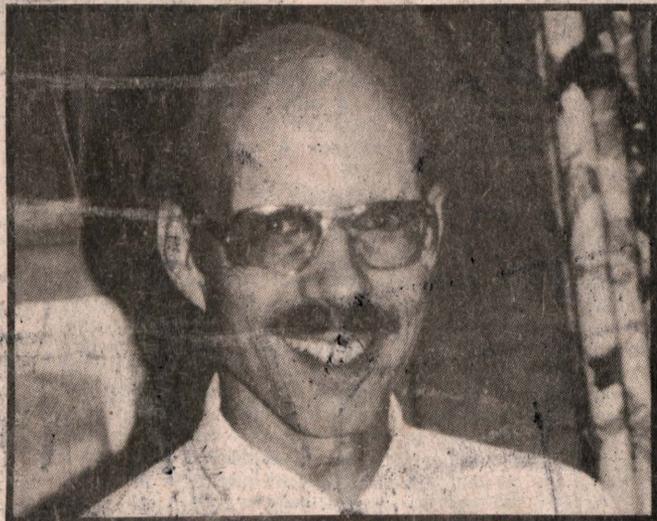

By Timothy Green Beckley  
(Conducted on the Campus of the  
University of Wyoming)

Among those claiming to have undergone a close encounter of the third kind, Dr. Leo Sprinkle is considered almost as a god. Standing tall and alone, over the course of the last decade, the 57 year old university professor has almost singlehandedly fought a campaign to vindicate those "contactees" who steadfastly maintain that they have had some sort of communication with UFO-nauts. Often dazed and confused, they reach out to Dr. Sprinkle for assurance that they are not losing their minds. Applying a battery of psychological tests, the mild mannered director of counseling and testing at the University of Wyoming finds it easy to determine the mental state of his subject. If they pass the test and appear to be otherwise sane and sober often Dr. Sprinkle will place the individual into hypnotic state to see if further information about their alleged encounter can't be raised from the subconscious level.

With a B.A. and M.P.S. degree from the University of Missouri, Dr. Sprinkle isn't the type of person to be fooled easily. Though he will never say it in public, he is familiar with all types of mental aberrations and can pick a charlatan out of a group ten miles away. Indeed, it was not until he had his first conscious UFO sighting in 1949 to 1950 that he even began to take UFOs seriously. But one evening while driving with his wife he saw something strange and unusual which did not belong in the heavens. He began reading up on the subject, eventually investigating a number of cases close by where he was teaching at the time, and eventually joined such groups as Major Donald E. Keyhoe's National Investigations Committee on Aerial Phenomena (NICAP), and The Aerial Phenomena Research Organization (APRO) of Tucson.

In recent years, Dr. Sprinkle has chaired an annual conference held on the campus of—but not officially sponsored by—the University of Wyoming at Laramie. Directed toward those who have abduction or close encounter experience, these individuals are given the opportunity to express their true feelings about something they might otherwise have a difficult time talking about. There are both private as well as open sessions at which the public is welcome and the meetings usually generate a great deal of warmth among those participating in this unique New Age/UFO program, which is radically different than the rather sober conferences put on by the more conservative UFO groups.

For the first time during the course of his interview with UFO REVIEW publisher Tim Beckley, Dr. Sprinkle admits that he, himself, may be a UFO contactee and possibly that is why he has devoted a great deal of his spare time to the gathering of "lost souls," who might otherwise be helpless to deal with what they have undergone. Under hypnosis Dr. Sprinkle recounts his earliest UFO related recollections and how he might have even been touched by an alien being from a different world.

States Dr. Sprinkle: "The status of UFO evidence is a deluge, not a delusion. The characteristics of UFO participants show a wide range of age, education, occupation and cultural background. The evidence gathered to date does not support the idea that UFO experiences have been submitted primarily by persons who are experiencing neurotic or psychotic reactions. The testimony of UFO witnesses indicates that they are convinced of the reality of their UFO experiences. In my opinion, UFO investigation should continue at each level of existence: 'physical' reality, 'biological' reality, 'psychosocial' reality and 'spiritual' reality...The UFO problem represents a significant challenge to science and humanity. In my opinion, the present evidence for UFO phenomena indicates that the Earth is the object of a survey by intelligent beings from some other civilization(s). However, the evidence is not sufficient to determine the origins, purposes, and powers of these intelligent beings.

"The challenge of the UFO problem is to develop our scientific and spiritual knowledge so that we can enter the New Age and communicate more effectively with other beings who coexist in this complex universe."

Those who have had first-hand contact or abduction experiences who would like to get their experiences "off their chest," or those interested in attending this year's conference to be held during the summer may contact Dr. Sprinkle at Division of Counseling and Testing, University of Wyoming, Box 3706, Laramie, Wyoming, 82071.

# THE MYSTERIOUS "STAR SYMBOL" OF THE UFONAUTS — WHAT COULD BE IT'S SACRED MEANING?

By Chris Frantz

Since my article on UFOs and their involvement with the American Indian in the last issue of this publication, I have recalled other significant events which may have important bearing on explaining to readers why keeping a journal of their experiences is important. Though I am lax at keeping records myself, I urge all of you to start a diary and keep it up to date.

On February 28, 1981, I met with Dr. Leo Sprinkle, Professor of Psychology from the University of Wyoming at my residence, in Black Hawk, Colorado. He conducted a hypnosis session which resulted in some big changes in my life. I had been having perplexing dreams and coincidental occurrences which I had hoped Leo could help me with.

In one dream (which I consider to be most important in my search for the star symbol), I was walking along a street in a small, old western town, somewhere in northern Colorado or southern Wyoming. There was a corner brick building which housed the local tavern, and my attention quickly focused on the entrance to this establishment. In the dream, I witnessed three drunken cowboys dragging what appeared to be a small alien being the size of a four year old child, out to the street where they shot the creature with a rifle. I became very angry and enraged at the event taking place and I said something to the men which made them flee in terror. (I wish I could remember what it was). I picked up and cradled the small creature and in his pain he said, "Take me to where the star is." I looked up to the sky, it was dusk then, and wondered, "How in the hell am I going to get up there?" The small alien, obviously was disturbed at my thinking and said to me, "That's not the only kind of star, look around you."

As I looked around the street, I saw a small cafe with a Star of David over the doorway. I remember it as being a black outlined star against a white background. I took the little guy inside and when I entered the doorway, a tall lean man ushered me immediately inside, took the small creature from my arms and placed him on a water bed in the rear of the cafe. I remember worrying about him because the bed started sloshing around which made him uncomfortable. The man then took him underground to a complex that I was not allowed to see.

The following transcripts from my hypnotic regression session with Dr. Sprinkle contains further insights. **Sprinkle:** (Suggestions to review other questions.)

**Frantz:** I wish to talk about the place of the star.

**Sprinkle:** Go ahead.

**Frantz:** I feel the place is not here...the star is a symbol. It's a dark star on a white background.

**Sprinkle:** Do you see any impressions?

**Frantz:** The symbol represents a race of beings that some of us are to work with. Some people follow certain symbols, some of us follow others. This symbol is being given to me so I will be aware of it and be ready.

**Sprinkle:** Is there any other information about this star?

**Frantz:** Not now.

**Sprinkle:** Is there any other information at this time?

**Frantz:** I would like to discuss the two points of light I keep seeing in my dreams. I have been there before, to a planet which had two suns.

**Sprinkle:** Is there a name for this place?

**Frantz:** I don't know it.

**Sprinkle:** Can you give more information about this place?

**Frantz:** I have been there before, to a planet of one of the suns. I lived there, I was taught there. It was a place where life was peaceful, very good, only something happened, like a war or conflict. No, it was different. A catastrophe of some kind.

**Sprinkle:** Is this important?

**Frantz:** Yes, something happened. I'll become aware.

**Sprinkle:** (Suggestions to go back to that lifetime) "Are you ready now?"

**Frantz:** Okay, I'm ready now. At the time of the catastrophe, I was a pilot, my job was to go from the planet to a moon mining station. I remember looking out a large window and seeing a yellow planet very close to the gravitational field of our own planet. As the planets circled each of the suns and each other, this other planet would be pulled closer to our own because of our stronger gravitational pull. This would be the last time. Evacuation was ready. The planets will collide. I remember getting children aboard a long cylindrical craft. We were getting ready to take off. People were crying and screaming to get aboard. We were all crying. I didn't want to leave anyone behind, but there was no choice. My job was to take the children to a new colony elsewhere.

**Sprinkle:** Was this earth?

**Frantz:** Perhaps, I don't know.

**Sprinkle:** (Suggestions for a deeper trance state) Do you wish to give any other information at this time?

**Frantz:** (Seeing as both participant and observer) I remember seeing three people, from a past life perhaps. I remember them sitting above me like three judges. They were wearing dull colored robes with hoods. I asked them, "Who was I in

my past life?"

They didn't like my question and are reluctant to answer. "Please!" I beg them, "I have to know!" One of them says okay and takes me by the hand. (Immediately I see myself as a small young blonde girl. I am in a room with a cement floor, and there is a young boy here which I think is my brother.)

There are three soldiers here with guns. One of them is saying to me "You are a Jew, You must die!"

"No!" I insist, "I'm not a Jew!"

"You are a Jew!" the man is screaming at me: "Your father was a Jew you must die!"

The man aims a rifle at me and shoots me in the abdomen. At this point during hypnosis I experience the pain as vividly, as if the event were actually taking place.

I watched as my intestines spilled forth onto the floor and I can feel the tearing, burning pain. Eventually numbness begins to take over and I black out.

The next thing I recall is a tall blond man being in the room who takes me by the hand and leads me outside to a waiting UFO. Again inside, I see the three robed figures and then one of them says to me, "Remember the name Shasa Kelly."

An astute reader can immediately see the attachment to the Star, as the Jews are associated with the Star of David. The name Shasa Kelly is significant. Perhaps someday I will come across it again.

Shortly after this hypnotic session with Dr. Sprinkle, I met Pat McGuire a Wyoming rancher who claimed to be having an ongoing series of UFO

contacts. After seeing his story on the television show, "That's Incredible", I called Leo on the phone and practically screamed at him.

"Why didn't you tell me about this man? You knew about him all the time," I raised my voice frantically. Dr. Sprinkle had hypnotised Pat right on the air.

Pat McGuire claimed that alien beings came to his practically hidden ranch on the Wyoming plains regularly. He was urged by them to

## MYSTERIOUS STAR SYMBOL

fly the Israeli flag on his ranch, a flag that has on it the Star of David. A dark star on a light background. I knew this was the symbol I was supposed to be watching for!

Leo's reply to me was "You had to find out for yourself." I met Pat McGuire shortly after at the Second Annual Rocky Mtn. UFO Conference at Laramie. Pat and I became friends immediately as his personality is most magnetic. He took me out to his ranch where I spent the next couple of days.

That summer I worked with Pat at the Black Cat Fireworks Company out of Rawlins, Wyoming, delivering fireworks all over the state. Several times we seemed to lose all of time, and some trips even took longer than they should have. But it wasn't until we drove South to Rawlins from Buffalo, Wyoming that we noticed that a four hour trip took only about two and a half hours. Now things were starting to become really bizarre! No way had I been driving 100 miles an hour! That night as we

left Rawlins at about 11:00 P.M. heading east for Laramie with another load of fireworks, I noticed three unusually bright stars ahead and I commented to Pat about how beautiful they were.

Just then the middle star began to "fall" our way at an incredible rate of speed. I remember yelling to Pat, "It's going to hit us!" But I stopped short causing Pat to almost lose control of the truck and swerve over to the shoulder. The star on the left was now proceeding north and we noticed through a pair of binoculars that an airforce jet was giving pursuit. When the jet caught up with the object, the object sped off leaving the jet as if it were just sitting there.

The star to our right proceeded north also, leaving the huge star "light" in front of us as if it were trying to tell us something. Within a few minutes it also disappeared into nothingness as if someone just flipped off a light switch. It was an incredible fulfilling phenomena that I'll remember for the rest of my life.

This all took place in 1981. As you may remember from my last article, when I visited the Hopi reservation in 1985 I was initiated into the star clan of the Hopi by the tribe's medicine man. This all certainly seems to mean something. Perhaps I am following an invisible trail of some kind. Since then, I have enrolled in college and I am now taking a course in Animal Health Technology (Veterinarian Tech) in which, so far, I am a straight A student. It seems that I am interested in working with the Hopi at least in so far as my internship goes. Perhaps I will end up working with other members of the "star clan" as well.

While attending college, I am living nearby on a beautiful secluded ranch site. Recently, I discovered there were two wolverines on the ranch which is very unusual in this part of the country, so much so that there has not been a wolverine sighted here in several years. Wolverines are a sacred Indian symbol denoting bravery, cunning and are symbolic of warriors.

Wolverines are considered powerful medicine among many tribes.

UFOs have also been sighted all around here and the place has a magical aura about it. It is a good retreat for getting away and keeping in touch with nature. There are nearby hot springs, rafting on the Colorado River, skiing in Aspen, beautiful mountain lakes and rivers, and the ranch site itself sits on a natural wildlife habitat in full view of beautiful majestic Mt. Sopris (itself a sacred mountain among the Utes). I have a feeling that other incredibly things are going to happen around here and I will be a part of them.

Readers who feel the same or can add their own insights are welcome to contact me in care of Glenwood Springs UFO Center, Box 2016, Glenwood Springs, Colo. 81602.

"There was a man whom you would have sworn was not over 35, who acted like a man of 25," reports the Colonel.

"He was actually more than a hundred years old. If I told you how much over a hundred, you wouldn't believe me."

## Miracle

The Colonel goes on to fully reveal the secret of this miracle: five ancient Tibetan rites which normalize invisible energy vortexes in the body. After performing the rites just once a day for a

## THE SECRET OF ASTRAL PROJECTION

Here is a no-nonsense, down to earth (pun unintended!) guide to the highly misunderstood subject of astral projection. It gives what author David Savage claims is an impossible-to-fail method of achieving genuine out-of-body experiences. Astral projection is safe, highly satisfying, and even fun! Book includes:

- HOW TO TRAVEL ANYWHERE OUTSIDE OF YOUR BODY
- HOW TO PROVE TO YOURSELF THAT YOU DO NOT "DIE" at "DEATH"
- HOW TO ASTRAL TRAVEL TO DISCOVER WHAT OTHERS ARE DOING — WITHOUT THEIR KNOWING!

Mr. Savage says that anybody can astral travel — quickly, easily and safely! Apart from the thrill of knowing that you can function without your physical body and be free of its restrictions to go anywhere you wish, you will soon discover the very practical benefits to be experienced, such as influencing other people to do what you want of them; controlling actions of bosses, neighbours, relatives; even compelling a disenchanted lover to return! **UFO:** There is some talk among the "born again" Christian movement that UFO's could be satanic. Do you believe this is a possibility?

**Dr. Sprinkle:** No! I had a friend who asked this once and I said, "If UFO's are satanic then Satan is not doing a very good job." He asked, "What do you mean?" I said, "Because after these UFO witnesses get through their initial fear, fright and so forth, they start becoming more comfortable with themselves. They even start becoming more pleasant and altruistic with other people. They wind up really loving people. They love the planet. They love animals. They love all intelligent creatures."

**UFO:** There's this thing among the fundamentalists saying that Satan is trying to disguise himself and sometimes he makes himself evident as love. Some say Satan will even heal people to convince them that he's good. It's like the dark ages taking over again. Pretty soon they will come into the universities and tell you what you can teach and how to teach it.

The whole thing of God and creation is a mystery. There is a lot that mortals do not have all the answers to. We've got one book, the Bible. It's like a contactee book. How do we know all the answers are in there? Where are the pictures? Where is the evidence? Where are the burn marks?

**Dr. Sprinkle:** I often tell my friends, even Jesus was willing to speak to Satan. He said, "Okay, tell me what you've got." He listened and said, "No thanks," but at least he listened. So I at least will listen and give people the benefit of being heard.

**UFO:** I think that one thing sadly lacking in our society today is individualism. We all want to be the same. We expect everybody to be cut from the same mold. I hear people saying they want to go up in a UFO and get away from here. I was up there, now I'm down here and I'm having a great time! My mission is to do something while I'm here.

I think that maybe some of these contactees and "star people" might be from up there or reincarnated, but they are looking to escape and the whole point of this is, if you believe in reincarnation and karma, is that you have to get past the stumbling blocks here first. You just can't give up. If you give up then you have to come back and do it all over again. They're not going to be too happy doing that because it has been pretty difficult this time around. You've got to go through all those different obstacles to show that you've passed the test, otherwise what is the purpose of all of this?

**UFO:** you've been involved in this for how many years now? When was your first sighting that alerted you that there might be something going on?

**Dr. Sprinkle:** Well, my first conscious sighting was in 1949 or '50 when I was a college student at the University of Colorado at Boulder. A buddy and I saw what looked like to be a round metallic object flying overhead. It was going from south to north.

We'd just come out of a seminar on the subject of general semantics on "What is reality?" I was puzzled about reality about that time and now I know that I'm really puzzled about reality! Then we looked at it, and there appeared to be a little flashing of light as if it were rotating. I'm not sure about that because the sun was setting and it was a fall afternoon. So we talked about it among ourselves but we didn't want to talk to anyone else about what we'd seen because in 1949 or '50 only "kooks" saw flying saucers, and we didn't want to be thought of as "kooks."

Next time, my wife, Marilyn, and I saw something in 1956 over Boulder while coming back from Denver. She had tried to get me interested in ESP and UFOs, but by that time in 1956 I was in graduate school and I knew what science was all about and so I wouldn't pay any attention to any of that. That day we saw something in the sky just above the foothills in Boulder. The foothills were to the west and just up above them I thought I saw the evening star. We both remarked how red, how beautiful and how glowing it was. Then it started to move. Marilyn remembers that it moved back and forth. I remember it as kind of a back and forth rocking motion.

I stopped the car and we got out. By now it was between the foothills and ourselves. We watched it for a total of fifteen to twenty minutes and as darkness increased, the light or object—or whatever it was—would move and hover and move and hover. I thought it was over the town of Boulder. It appeared to me to be the size of a helicopter, but I could hear no sound, see no ropes or little running lights or anything like that. If it were up against the foothills it would be huge like a university building. To this day I don't know what it was. This changed me from being a scoffer to a skeptic. I looked in the newspaper the next day and there was nothing about it. So I started reading. One of our friends was an avid reader. He was a librarian and an architect as well as humanist at the Stevens College and he introduced me to Major Donald E Keyhoe's books and a lot of others and so then after that when we left Stevens College in 1961, I then graduated from the University of Missouri. We went to North Dakota and one of the first things I did was take a look at a particular case that had gotten a lot of attention in the newspaper there. I compared the newspaper microfilm at the University of North Dakota at Grand Forks, where I was in the psychology department and counseling center, to what I had read about it in one of Major Keyhoe's works, and I said, "Hey it's not the same in the newspaper as in his book!"

I discovered the newspaper article was wrong, and at least Keyhoe was accurate in taking down the information. So then I joined his organization NICAP, and I joined APRO in Tucson, and I started studying the characteristics of people who were interested in UFOs. I called Keyhoe and corresponded with him and in turn he gave me the names of 250 people, and I had them take what's called a "dogmatism scale."

**UFO:** Will Keyhoe still talk to you today? He's known for being very anti-contactee.

**Dr. Sprinkle:** You know it's fascinating. I have to tell a little story here. After we started our UFO conference in 1980 in Laramie, we were trying to get some money and of course I told the major that people wanted to participate in a conference. They said, "Leo, get us together." I said, "There's no money." They said, "Well, we'll pay our way." So that's show the conference got started. Several people wanted to come together so they could talk, because they were tired of writing to me and not getting replies and they wanted to write each other. Once, when I asked ex-NICAP-er Richard Hall as secretary of the Fund for UFO Research, would there be any money that could be used by us to bring together the contactees, the speakers, and so on. He wrote back and said "Here's the form you use to apply for money." He also asked a serious question. I thought he was joking you see because he asked, "Are you going to have any real scientists there?"

Well now, I'm a life member of the American Association for the Advancement of Science. I've been through graduate school, I'm a licensed psychologist and I understand the scientific method. So I thought he was joking and I wrote back and I jokingly said, "Well sure, if they're contactees they're welcome." He was, to say the least, highly insensed—or at least he was bothered by my remarks,—and I don't know if that made any difference in terms of the proposal or not, but we didn't get the funding.

**UFO:** Over the years, you've talked to a lot of people who have showed up at the conference, and you've corresponded with others. Would you say that there are any scientists who are contactees, or people with a high academic intellect?

**Dr. Sprinkle:** Yes, there are quite few.

**UFO:** We know the late Wilbur Smith of course, but are there other people who are astro physicists or astronomers who don't talk about this openly, who might have been abducted?

**Dr. Sprinkle:** Yes, one of my hypotheses is that anybody who is in the field for ten or fifteen years is probably a contactee, I can't prove that of course.

**UFO:** Do you think Dr. Hynek was a contactee?

**Dr. Sprinkle:** I don't know if he was or not. I don't know if Dr. Vallee was or not. I do know that some scientists will claim that they have never seen a UFO. They'll claim that publicly, then when I'm talking to them privately they'll say "Well, I did take this picture of this anomalous phenomena. It wasn't a UFO but it was an anomalous phenomena."

So I don't know if arch UFO skeptic Phil Klass is a contactee or not, but I do know that I am so far as I have had strange sightings, strange events, and I have a continuing feeling that it is important and that I have a task or a mission. I have all of these characteristics. So I don't mind going on record as saying that. The trouble is that the traditional scientific model says we should be objective. The reason the scientific model comes out that way primarily goes back to the days of Galileo. Galileo lived in a rationalist world and he became an empiricist. He changed the model of science. Science before was rationalistic. So Galileo said, "Now let's look through the telescope, let's look at the planets." So now today we are like Galileo, we are empiricists. We're not rationalists. We don't just take somebody's word for it. We go look ourselves. But then when someone comes along and says, "Let's have a new experience," you have Galileo all over again.

The church officials who were the priests and scientists at that time said, "No, we don't want to look through the telescope. We know how many planets there are." Nowadays, people come along and say, "Let's go into an altered state" and those of us who are traditional scientists say "No! We mustn't become subjective instead of being objective," and we think that we are outside the experimental situation. But then of course anthropologists and archaeologists and sociologists come along and say, "Hey, we're part of the situation. If we come into a tribe or a situation and we observe these people—or these insects or whatever—we alter the condition under which these insects or these plants or these people are operating." So now the model is changing and we say, "Let's be rational, let's have empiricism. Let's be empirical. But also let's be experiential. Let's admit that if we had the experience, as this will add to our knowledge."

**UFO:** Would you say that contactees who have been around for a long time—perhaps, more so than a lot of people attending your conference—can really come to grips with the understanding that they really haven't the background in this? How would you say that the contactees have changed or have they? Have the stories gotten more plausible? Or is it the same thing that happened thirty years ago?

**Dr. Sprinkle:** Well, I think there are two possibilities. One is that the whole climate of scientific attitudes is changing. People who are traditional and

those who are New Agers, are starting to come together, and I think that's a positive change. Maybe the media—maybe the kind of work that you've been doing—what other people have been doing, writing, publishing, producing movies and so forth has helped to open minds. The cultural changes are part of that. I think that there's another possibility too. I don't know whether it's likely or not, but it could be that the UFO beings are recognizing that they've put too much on the person. It's like early parents, the first kid has to be perfect, then after a while you ease up and don't push the kids so hard. So maybe the contactees are not being pushed as hard as they were a few years ago.

**UFO:** Of course, none of the contactees were ever really perfect. Most of them had some weaknesses or drawbacks in their personality, or something in their personality that would make them elaborate or exaggerate the experience. Why do you think the UFO's pick the people that they do? I mean, they don't necessarily seem to be the pick of the litter.

**Dr. Sprinkle:** I don't know the answer to that. I know that people like Ida Kannenberg are extremely intelligent. She had a UFO experience in 1940 before the term "flying saucer" or UFO was used so she didn't know what to call it. In the early 70's some of us would go down to Alamosa and we'd camp out and we'd see lights, but they were off out in the distance so it was hard to know what they were. So I can't claim that they were anomalous. They were unusual, but they could have been cars or trucks on the highway. Who knows.

**UFO:** Do you think from what you've been able to determine, that it is a random selection that these particular people were picked up or abducted on the highway? Or does the force behind this—the ETs or whatever you want to describe them as—have these people in mind when they select them as contactees?

**Dr. Sprinkle:** If it comforts the person, then I say yes, but my own personal opinion is, no, people are chosen for a particular job. The way I look at it, if we use the metaphor of army life, there are draftees and there are volunteers. If we use that metaphor then the abductees are like the draftees, they are taken and used for a particular reason, whereas the contactees join voluntarily. If we use that metaphor it seems to work.

**UFO:** Why do you think it is that these entities would need to examine hundreds of earthlings? They should have known from a couple of cases pretty much what we are all about since evidence tells us that they've been here since the beginning of mankind.

**Dr. Sprinkle:** I don't think the examinations are to find out about us as a species, I think they are to find out about us as individuals and as a group. It's just like young people going into the service—either military service or going into college—to find out how healthy they are or whether they've got certain abilities and characteristics. That would be my guess.

**UFO:** Do you think some of these people are really being implanted with some type of monitoring devices like they claim?

**Dr. Sprinkle:** I don't know if it's some type of monitoring or whether it's just a marking, but I do know what I've seen in the last couple of days at this year's conference. Under ultraviolet light a lot of strange markings are showing up on the contactees. The people who invented this device claim that when they use this same type of light on people in general no marks show up. But here at the conference it's very unusual for a person not to have markings.

**UFO:** What would you say is the purpose or meaning to all of this? Is there a grand plan behind this or is it some type of symbolism?

**Dr. Sprinkle:** I don't know, my own bias is that it's an educational process. Ida Kannenberg says it very well. She's told by her mentor that there are two purposes for the contactees experiences. That there are the "ushers" and that we're helping others to learn two things. One is to rejuvenate the earth, and the other is to assist humankind in it's evolutionary development. Now those are big words and I don't exactly know what they mean. It's like reading a college catalog. You can say that our purpose is to transform young men and women into important citizens.

**UFO:** I know in a lot of cases that the ETs seem selective and don't necessarily pick the ones that you would think would be right candidates for going about this kind of work.

**Dr. Sprinkle:** Well, I don't know. It's the same way if you hire people at a university. You'd hire some people as administrators. You'd hire some people as teachers, you'd hire some as staff like the janitors and so forth. It would be rather difficult if we hired someone who likes machines to become an artist, and someone who likes art to become a janitor. So maybe there are different kinds of people that are needed in the overall grand plan.

**UFO:** What would you say that all these contactees have in common? They seem to have undergone a variety of experiences.

**Dr. Sprinkle:** The two characteristics that we've noted over the years is as far as general characteristics there are all types, rich, old, poor, young etc. But the other thing is psychic abilities or psychic interests, which in the long run translates into kind of a loving concern for other people and for the planet. They're not necessarily saints, you know, there are some slobs as well as sinners, but in general there seems to be a willingness to look at the planet as home even if it's a temporary home and a willingness to consider the possibility that as a race we are fouling our own nest. So many of these people may show love in different ways. Some people may teach. Some may guide, some may heal, or whatever.

**UFO:** These people are not necessarily what you would call hard core activists. There are some people that may believe in these things, and go out and attend antinuclear rallies and stoppollution rallies but for the most part, these people do not seem to be overly engaged in such activities.

**Dr. Sprinkle:** They're definitely not militants and they're not political activists, but they are active in a sense that they are saying "there is a job for me to do." It may be a small thing like some people will channel information, some people will be healers, doctors, nurses and the like, some will be teachers. All of them seem to be persons who have this great compassion for others and concern for what is happening on the planet.

**UFO:** Do you personally think that we are going to be picked up at some point and saved, and if so are only the people who believe in UFO's going to be taken?

**Dr. Sprinkle:** I don't know, but I doubt it. One woman asked me, she said "Leo, do you think they're going to come down and pick me up?" I said, "I doubt it. I think you'll have to stay here and work like the rest of us."

I've heard all kinds of theories that the bad guys will be picked up, and taken off the planet, or the good guys will be picked up and taken off the planet, or this group or that group will be taken up. I don't know what's going to happen. That's why I stay in such good shape so I can hang around and be here and see what's going to go on. My own view is that probably what's happening is that we are being presented with various scenarios and it's like in the military when we are given films and are told: When you stand up in the line of fire this is what happens. You get hit. So some people probably have been given future visions that show what will happen if we continue to abuse our planet. It may well be that the planet will tilt. It may well be that certain things will change, but on the other hand, it could be that what is changing is our consciousness and the reason we are being given these visions is to help us recognize what happens if we don't grow and don't develop.

**UFO:** So you think that there is some link between these things—these UFO's—and ourselves?

**Dr. Sprinkle:** I don't know what it is, but I think it's at least a common ancestor one. In other words, I suspect there are a lot of cosmic counselors out there who are concerned about this group, partly because that's their job, but it may be that there's something more. Now if there is a further link, I don't know what it is. It could be that there is a common ancestry.

**UFO:** Are these beings, space people as we know the term?

**Dr. Sprinkle:** I think so. I really don't know whether the higher beings who don't need physical bodies are UFOs or UFO beings in the same sense that we think of someone who steps out of a space ship and talks to us. It could be that they are interdimensional or outerdimensional or extraterrestrial. It could be that there are a whole bunch of guys out there.

As we head into the 21st Century, I will become common to see human demonstrations of what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clairvoyance," which is the ability to feel something at a distance without touching it due to an electro chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in it's ability to control all things created around it. In effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the mind which now lays dormant, mankind will be in total control of its environment.

words, and thinking in the prescribed manner. The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

**MIND POWER TO CREATE AND TO HEAL**  
Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

**THE ANCIENTS KNEW ABOUT IT**  
A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to knowledge of the universe. Time travel, bi-

location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but in China, Africa, Mexico, Central America and even off the coast of the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They knew how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a SUPERBEING and achieve your destiny without delay!

# UFOS OVER EGYPT

by John A. Keel, author STRANGE MUTANTS

Upper Egypt lies to the south which means that to go up you must go down. The further down you go, the further up you are. In ancient times, Egypt was divided into Upper Egypt and lower Egypt. Lower Egypt was north—or up—and Upper Egypt was down. This all had something to do with the direction in which the Nile flowed. The Pharaohs wore headdress bearing the symbols of Upper and Lower Egypt... Cobras and discs. Cobras were—and are—as common in Egypt as rattlesnakes in Arkansas. However, the discs are another story!

Modern archaeologists have constructed a whole mythological interpretation of how the people who built pyramids and other wonders spent their Sundays praying to the sun. Sun worship was, of course, very common among very primitive peoples. They sat in their caves in the rain forests and prayed for sunlight. The sun moved across the sky and brought life to plants and animals. It has to be reckoned with. But the Egyptians were not living in caves. They were a sophisticated, intelligent people and their land was always baking in the desert sun. Far from being a blessing, the sun was a curse that withered their crops, parboiled their delicate bodies and boiled away their precious water supplies. The Egyptians were not stupid enough to pray for more sunlight. So was Ra really a sun god? Or was he somehow connected with the disc-shaped designs that were a common motif throughout Egypt? Furthermore, this disc motif was not confined to the Middle East. It is found throughout Europe in caves and on ancient relics. It seems to be connected with unusual animals and beings and, according to F.W. Holiday, author of *The Dragon and The Disk*, signifies much more than simple sun worship. There is every indication that people all over the ancient world saw and respected mysterious disc-shaped objects in the sky.

Pieces of ancient papyrus have been found in Egypt containing hieroglyphs which tell the stories of strange flying things. Things that have been around since the dawn of history. Things that have inspired man's beliefs, terrified him, humbled him and left him gazing at the night sky in awe. Those wondrous things are still around. They are still zipping across the skies of the Middle East although the lack of communication systems make the reports scarce.

But I know they are there because I saw my first flying saucer in Egypt in 1954. Perhaps it even changed my life.

Actually, my life was undergoing many subtle changes in the early 1950's. It did not seem unusual that I found myself living in Cairo in 1954. I was 24 years old. I had been earning my living as a writer for seven years.

In 1952, I was Chief of Continuity and Production for the world's largest radio network, the American Forces Network (AFN) in Frankfurt, Germany. That spring I wrote, produced and directed a radio show about flying saucers. *Things in the Sky*. In fact, I had been writing about UFOs since I first read the books of Charles Fort around 1945. But I had never seen one of them. In the fall of '52, I produced a Halloween horror show from the original Frankenstein Castle on a mountain outside Darmstadt, Germany. It was a great hit, so when Halloween 1953 rolled around I found myself confronted with the uncomfortable task of trying

what was to be the first leg of a long trek around the world. I rented a "luxury" apartment in Cairo for \$60 a month and obtained an official Egyptian press card which allowed me to travel on train free and got me a big discount on almost everything.

There are over 90 pyramids in Egypt, some of them reduced to rubble and some of them deep in the desert, far from any rivers or roads. The village of Meroe down in Upper Egypt consists of a cluster of pyramidal structures. Some of the more isolated pyramids are more complex and mysterious than the Giza pyramids. I was a bit disappointed by the Sphinx. A Coca Cola stand had been erected in front of its paws and it was difficult to take any pictures that did not contain a blatant ad for Coke. (I understand that stand has since been removed.)

I set out to visit all the scattered pyramids and tombs all over Egypt, working my way southwards by train, camels and, for a few wretched days, in a miserable little automobile

to top myself. I proposed a program from inside the Great Pyramid in Egypt and, to my amazement, the officers in charge of AFM gave me the go-ahead. So I headed up a crew of announcers and engineers and we flew to Egypt. After some initial research and explorations around the Giza pyramids, I sat up one whole night pounding out a one-hour script called *The Snake With The Diamond Eyes*. Then we spent over eight hours in the passages of the Great Pyramid recording my story. The acoustics were remarkable but our equipment left something to be desired. Professional portable tape recorders were very new then and ran on a big windup mechanism that had to be cranked every few minutes. Egypt was an exciting experience. I was fascinated by all the ancient artifacts and I felt a strange kinship with the country, as if I had lived there a very long time ago. When we returned to Germany I vowed that I would go back to Cairo somehow on my own. A year later I quit my civilian job with AFN, gathered up my savings and went back to the Middle East on

# THE GREAT PYRAMID SPEAKS

## FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead. Which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

## PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummies that remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

## MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

## ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel!

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

## A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

## BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's case say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

## WILL THE CROSS OF JESUS BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid which will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale, earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's etheric contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

## MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

# A CHanneled TRANSMISSION FROM SPACE BROTHER TIBUS: INSPIRING SECRETS OF THE CRYSTAL!

Received through spiritual  
inspiration of  
Dr. Diane Tessman

This is Tibus. I come to you in Love and Light.

Since humankind's history began on Earth, the crystal has been inextricably linked with the spiritual frontiers which lie in outer space and in the inner space of universal consciousness.

We of the Federation have attempted to alert many people as to the magnificent powers and uses of the beautiful crystal. Our transmissions have been received by many, understood by some, and misinterpreted by others. As with other truths, we underscore that neither science or mysticism will teach you exclusively how-to-use the crystal; instead, you must find the key which uses both science and mysticism so that the sum of wisdom which enlightens you is greater than either of the halves.

I wish to transmit that humankind has long made the mistake of expecting "magic" to occur from "outside" by possessing a "lucky" rock, charm, talisman, or even rabbit's foot (a symbol we find to be just the opposite as we grieve for the rabbit whose life was taken). None of these "good luck" pieces are capable of bringing magical good luck on their own. Frankly we are not sure that a human should carry a charm which did magically bring good luck, regardless of the decency and responsibility which might be lacking. In other words, should a murderer carry a magic charm which protects him and brings him good fortune? Should a hunter carry a rabbit's foot on a hunt which will garner him the killing of yet another one of God's creatures?

You see, dear friend, even if crystals and other good luck items were magic on their own, without interacting with your own good mind, they would not be preferable by their very nature. They would bring the thief who robs your home good luck as well! You see, there must be mind and soul involved for these objects to work...and this mind and soul (such as your own) must be of goodness. And so, if you are working with crystals without trying to be a truly good person or if you expect "magic" out of crystals without involving your own mind and soul with the crystal's energies, then you will ultimately not find success.

However, crystals can do so much more of beauty and magnificence than the mere concept of "good luck". With them as a tool and with the power and dynamics of your own mind, you may know universal peace, wisdom, safety from harm, and protection from misfortune.

I speak of crystals as a "tool" but crystals are also sentient beings... though their life-base is very different from humankind's. In other words, their sentience is not measurable by human I.Q. tests or even by brain wave readings. However, they grow, they are of Earth energies and of universal energies. They retain these cosmic energies so that they may heal, comfort, and energize other lifeforms. How can one argue that crystals indeed have a life-base? Life itself does all these things!

We of The Federation realize that most people on Earth do not think of a crystal as being graced with life energies because this would seem so "alien" compared to animal and plant life forces. However, crystals are indeed a part of the diverse lifeforms which are on Earth, in outer space, and in other dimensions.

The truth is, Earth, 1986, has

barely begun to realize the nature of sub-atomic molecules. When more is known (and it shall be!), it will be realized that the American Indians' belief in "manitou" (soul) within all matter was/is Cosmic Truth. All matter within The Universe is a part of The Creator Spirit. Crystals, my friends, are an amazing storehouse for this Creative Force because their manitou (soul-force) is a strong and energized one. Within crystals are Mother Earth's primal energies, her love, and her power. If the crystals come from other worlds, the Nature of these worlds also enters these crystals with power and love. Remember, that Mother Nature is the God-force personified within a planet's atmosphere: thus we perceive the joyous wonder of a crystal!

Just as waterfalls and fountains have infinite shapes to their flow and power, so do crystals. As per

Universal Law, no two crystals are alike. The Cosmic Energies which are harnessed in the crystal (and which therefore are the crystal) are channeled in an infinite variety of diverse directions, channels, and pathways within the crystal. The shape and therefore the trajectory of energy within the crystal are all-important in the crystal's interaction with the mind/soul. Each unique crystal must be meaningful to the person who uses it; there must be harmony between the crystal's energy flow and the energy flow of the mind/soul involved.

# 'CROSS OF CRYSTAL'

DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks" of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stoves. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

### HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had her nose against humankind. There were floods everywhere, and tidal waves swept across the West Coast while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams I looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes. Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers, and that some ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

### ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

### NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it must be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to place these crosses into circulation as well as intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible, and a FREE crystal cross.

### TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help wish to assist those who will open their hearts and their minds to other realms and realities.

Continued from page 12

Allow me to make an analogy wherein a human interacts with the sensitive, intelligent lifeform called the porpoise. The human would not interact well with the porpoise if the human failed to recognize that the porpoise is 1) a sea mammal, 2) highly gentle and intelligent, 3) each porpoise is an individual. In other words, the human cannot sit at the side of the porpoise's pool awaiting magic. The human must understand the nature of the porpoise and must not apply exactly the same rules to every porpoise. If the porpoise had worked with humans before, it should be communicated with in a slightly different manner than a porpoise which has always been in the wild seas.

Again, I remind you that the crystal is not similar to this Earth mammal or to any animals in residence on Earth at this point. The energy is alien. However, there must be rapport, respect, and understanding about the divine energies housed within the crystal, just as you must understand the energies of the porpoise.

You must become aware of the all important fact of becoming *spiritually prepared* before working with crystals. You must be "of goodness". You must open your mind and soul to higher channels by simply dropping the shields which you have put up for survival's sake in the daily world. You must respect and be highly aware of the fact that the crystal is of God's energy and God's creative force just as much as you are! You cannot find real success in using crystals before these facts become reality within your mind and soul.

Now, my friend on Earth, I would like to share with you my insight on two very special crystals. We of The Federation use these two members of the crystal family for particular purposes which may be of service to you as well:

The geode is almost always a perfect "globe" shape (three dimensional circle) though a few are elongated, like a horn-of-plenty. All geodes look like "plain old rocks" until they are cut in half. Inside these "rocky globes" are crystal treasures which are often incredibly beautiful and very powerful. Incidentally, we of The Federation as well as lapidaries on Earth have great fun in trying to find prize geodes instead of "just another rock". Searching for potential geode treasures helps develop psychic and intuitive abilities. Geodes may be found on distant hillsides and in Earth's deserts, in areas where people have not gone before. Though many theories have been put forth on Earth as to where geodes come from, none have completely explained the source of these mystical crystal treasures.

Some geodes have crystals inside which are clear natural quartz, others have many crystals inside which are the very dynamic smokey quartz, and still others have breath-

takingly beautiful amethyst purple crystals inside. Some have hundreds of tiny crystals while still others have beautiful solid "marbelling" in a myriad of colors. These strange rock-forms are truly The Cosmos' surprise package.

In meditating and communication with the Higher Realms (such as our Federation), the geode is an invaluable helpmate...a very powerful crystalline energy source. Since they are globe-shaped like Earth is, geodes are used by Star People for sending healing and cleansing energies to planet Earth but they may also be used for helping individuals in this way. And since their mysterious origins echo the mysteries of outer space, their energies are excellent when contacting Space Intelligences. Very few people are aware of the powers and secrets of the geode but I transmit this information to you now, for you to use wisely and well...for now is the time when this message is to be made known.

Peruvian Pyrite, in crystalline form is a delightful variation of iron ore. Several years ago, I transmitted a message to my channel Diane to place a piece of sparkling gold Peruvian pyrite under her pillow or at the head of her bed before going to sleep. I instructed her to surround herself with the Light of Goodness and to meditate on opening dream doors before going to sleep that night. I assured her, "You will remember your dreams much better in the morning. Also, you will have dreams which will be more enlightening, more symbolic, more coherent and of a higher level." I also instructed her not to put her face in actual contact with the Peruvian pyrite simply because iron ore can be abrasive.

When this message was received, Diane was amazed but confused. She had always thought of pyrite as "fool's gold". This substance caused many gold rushes in the Old West of Earth's past and it turned out that it was not real gold.

However, I insisted in my transmission that she try my suggestion and that the pyrite be only the best pyrite, that which comes from the high mountain of mystical Peru. I also stressed to her that pyrite is a member of the crystal family, as can be perceived in its thousands of sparkling gold crystalline formations.

Diane took my advice and dream doors did open, in an amazing way. She remembered many more dreams and found herself in constant contact with the Higher Realms. These dreams were vivid, colorful dreams giving her inspiring guidance for her daily life. I then asked her to relate the news to her friends, the star people...and hundreds of amazed star people wrote to her after trying the Dream Pyrite to confirm what she had felt and what I had originally told her.

A word of wisdom: you must be of good intent and know how to

**DID YOU KNOW YOU HAVE A "HIDDEN" MIND? TAP THE COSMIC POWER OF YOUR SUBCONSCIOUS THROUGH SUBLIMINAL STIMULATION™**

You've read in *Time*, *Omni*, *Psychology Today*, *the Wall Street Journal* and elsewhere about the exciting success of subliminal techniques. Now, thanks to recent breakthroughs by leading psychologists, you can use these same innovative techniques to *turn your life around*.

Maybe you want to improve your memory, increase your income, lose weight, build your self-confidence. These are just a few of the accomplishments within your reach.

The subconscious mind is a mysterious thing. We're finding out more about it every year. It's not like your conscious mind. Instead it soaks up impressions. You'll be amazed how fast the "success-mechanism" within you makes big changes in your life.

**SUBLIMINAL TECHNIQUES ARE THE PROBLEM SOLVERS FOR THE 1980s AND BEYOND.**

Subliminal Stimulation is used today in countless ways. For example, to reduce shoplifting, department stores nationwide are finding that a "hidden" message in the public-address music cuts pilferage substantially. This message repeats—over and over—such tested phrases as "I am honest; I don't steal."

Customers aren't even aware of it. Yet inventory statistics reveal a big decrease in shoplifting. In fact, in some cases by as much as 67 percent.

**YOUR SUBCONSCIOUS IS YOUR ALLY. LET IT WORK MIRACLES FOR YOU AS IT DOES FOR THOUSANDS TODAY.**

Until recently, scientists were unable to harness the powers of the hidden mind. For years we knew it controls our destiny. But the question was: "How can we tap its strength?"

Through constant testing a breakthrough came. The credit goes to some of the top researchers in this country. Their untiring efforts have enabled people of all ages, from all walks of life, to enjoy exciting self-improvement fast.

**EVERY TAPE YOU SELECT BRINGS YOU TWO DIFFERENT KINDS OF STIMULATION.**

On one side, subliminal stimulation. You hear waves breaking on the shoreline. But your subconscious hears more. There are subliminally embedded messages at work—literally hundreds. Chances are, you won't be able to hear them consciously. But your subconscious will. And, it will obey. Listen while you work, read, play, relax, watch TV, or even while jogging or driving your car. The sounds of the waves create a pleasant background while alone or with others. A brief introduction on each tape lets you know the exact wording of the subliminal messages coming up.

While you go about your activities, you'll be fully awake and alert. Yet all the while your subconscious will be *listening and heeding*. You'll get all the benefits of subliminal

stimulation—and more. On the other side of each tape is an audible *Natural Response™* session. You'll hear suggestions, affirmations, in a very real sense "orders to your subconscious." Yet all you do is relax. Put forth no effort whatsoever. You're in full control. Both sides provide you with an experience unlike any you've ever had before. And the results are *sensational*. In fact, these techniques are widely used by professional therapists and hospitals.

Each side inspires you and revitalizes you. So listen again and again. Very soon you'll see an exciting change in your life. That is why more aware people—people who want more out of life—are finding new happiness today. These Subliminal Stimulation™ Tapes are the long-sought answer.

**WHAT AREAS OF IMPROVEMENT DO YOU NEED? THESE TAPES WILL SURPRISE YOU WITH DRAMATIC RESULTS.**

By stimulating your subconscious, you'll feel more youthful and dynamic. You'll get more out of life—because you'll be programming your subconscious to bring out all your hidden abilities. Instead of being satisfied with what each day brings, you'll be able to achieve more and enjoy long-held ambitions.

You'll capture opportunities so much more easily because your inner strength, your subconscious, will be working for you, not against you. You'll rid yourself of childhood-acquired hangups and misconceptions about yourself.

In their place will be a truly new you—a you you'll like so very much more. You'll gain more happiness, more fulfillment, and a better life than ever before!

**ORDER TODAY. READ ABOUT THIS SPECIAL MONEY-SAVING OFFER:**

Each **Subliminal Stimulation™ Cassette** sells for \$14.95. But during this **Special Introductory Offer** to readers of this publication, the price is only \$9.95. You save \$5.00 on each, and every selection.

## AMERICAN INDIAN MAGIC CAN WORK FOR YOU!

SACRED POW WOWS & HOPI PROPHECIES THAT ARE  
GUARANTEED TO CHANGE YOUR LIFE

Dear Friend:

My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Wows which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

### EIGHT STEPS TO PERFECTION

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic riches, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...

- Hold your own "Vision Quest."
- Communicate with spirits and angels, and get them to assist you in all that you desire.
- Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

• Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.

• Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.

• Ward off evil spirits and protect yourself from any harm others might be trying to send your way.

• Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.

• Develop your Third Eye as well as your Third Ear.

• View the future and change it to suit yourself.

• Become a great "Spiritual Alchemist," the American Indian way.

• Send out "smoke signals" using your mind to contact and influence others many miles away.

• Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool, the most important friend you will ever have.

### HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days," and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

### SECRETS REVEALED

What I will tell you doesn't stop here, and I trust you are interested enough to send for my full illustrated, 200 page, book titled AMERICAN INDIAN MAGIC: SACRED POW WOWS & HOPI PROPHECIES.

## DOOMSDAY IS AROUND THE CORNER!

# WILL CIVILIZATION END BEFORE THE

# 7TH BIG PRINTING: YEAR 2000? AVAILABLE AGAIN BY POPULAR DEMAND

PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsey and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- **ATOMIC WAR** — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- **COLLAPSE OF GOVERNMENTS** — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- **ENVIRONMENT TO STRIKE BACK** — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

UNEXPLAINABLE OCCURRENCES — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

### MASS EVACUATION

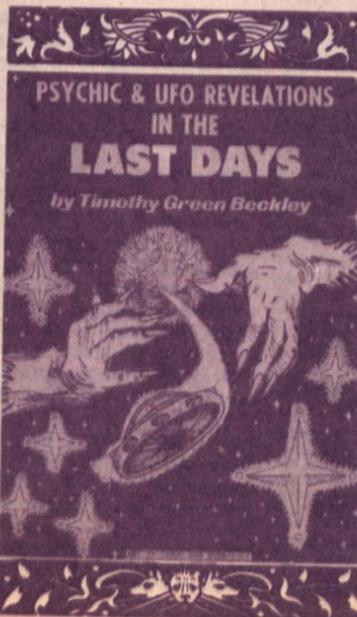

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

Learn the following:

- Specific date on lend changes — which ones will be safe and which will be in grave danger of being destroyed.
- A time table indicating when these events will begin and the order in which they will transpire.
- Exact SIGNS AND WONDERS to watch for which will indicate that only months are left. Be ready when the time comes. Order a copy of PSYCHIC & UFO REVELATIONS IN THE LAST DAYS before it is too late!

### THE GOALS OF THE "MESSENGERS OF LIGHT" WHO ARE HERE TO ASSIST MANKIND

1. Join earthmen as one of them.
2. Counsel and train man in higher ways.
3. Aid the peace-makers whenever danger threatens them.
4. Help prepare earth for the great trials soon to besiege us.
5. Aid man in evolving peace and technology.
6. Reveal high-secret knowledge to those who qualify.
7. Act as a bridge between obsolete beliefs and superstitions.
8. Help establish Universal Brotherhood.
9. Teach secrets of immortality and eternal youth.
10. Aid in reawakening our sixth sense.

# THOUGH HE IS OFTEN HEARD CLUMPING AROUND IN THE NORTH WEST WOODS THERE HAVE BEEN HUNDREDS OF SIGHTINGS AS FAR EAST AS NEW JERSEY

## THE EASTERN SASQUATCH IS ALIVE AND KICKING

By Mark Opsasnick

Researchers and investigators of unexplained phenomena are well aware of the historical aspects of the intriguing Sasquatch (or Bigfoot) mystery. This legendary creature has been sighted literally thousands of times during the last two centuries, though it has always managed to elude capture.

Up until the late 1960's, the majority of Sasquatch sightings centered around the Pacific Northwest area of the United States and Canada. Then, in the early 1970's a new trend broke through. Reports of these creatures sharply increased in great numbers in many states east of the Mississippi, prompting many investigators to speculate that either the creatures from the far west were on the move, or the eastern species was under a sudden "population explosion." While there have always been reports of these creatures in the eastern parts of America, the sudden 70's increase led many states, such as Florida and Pennsylvania, to outrank in total sightings such traditionally strong states as Washington and Oregon. Incredibly, just as soon as the population explosion had started, it came to a sudden halt. In the 1980's across the entire nation Sasquatch sightings have dropped by over 80%. On the bright side, there is still evidence, though somewhat scarce, that an eastern species of this creature is still alive and kicking.

In most reported incidents, the Eastern Sasquatch leaves three-toed footprints, a noteworthy characteristic which distinguishes this creature from its five-toed Pacific Northwest cousin. Earliest references to the three-toed species can be found in reports centering around the legendary Fouke Monster of Arkansas, the inspiration for Charles B. Pierce's 1972 movie, "THE LEGEND OF BOGGY CREEK." The Arkansas Democrat newspaper, June 17, 1971, ran an article in which a farmer and local gas station owner named W.M. Smith of Fouke found hundreds of 13 inch three-toed tracks covering his soybean fields. Numerous residents claimed to have seen the monster, a hairy creature which was said to walk upright on two legs and to be covered with dark hair. A resident named A.L. Tipton saw the monster dash in front of his car one night and believed the entity was either an ape or gorilla. Another local Fouke resident, Smokey Crabtree, wrote a book about the monster and stated that his family had encountered the beast as far back as the 1950's. Throughout the seventies, Arkansas was the scene of much Sasquatch activity.

The leading state for Sasquatch encounters east of the Mississippi River is Florida, where the creature has been referred to as "The Skunk Ape" for the past 2 1/2 decades. There have been more than 500 recorded sightings of Sasquatch-type creatures in the Sunshine State during the 60's and the 70's alone. Again, most of the encounters with the Skunk Ape include mention of three-toed tracks which are very similar to those reported in Fouke, Arkansas and most other eastern states.

One of the most convincing cases in Florida history occurred on January 9, 1974 when Richard Lee Smith reported running over an 8 foot Skunk Ape on Hollywood Boulevard just outside of Fort Lauderdale at 11 o'clock at night. Upon impact, the creature screamed and ran off into the woods. Mr. Smith phoned the Florida Highway Patrol, who claimed that another report was phoned in at 1:00 a.m. by a motorist who claimed to have seen a similar creature in the middle of the road about seven miles from Mr. Smith's accident. At 2:12 a.m. patrolman Robert Hollemeyal was dispatched to the area and saw a large figure walking down the road towards his squad car. When Hollemeyal saw that the figure was in fact an 8 foot ape-like creature covered with dark hair, he drew his gun and fired two rounds into the creature. The creature then ran off into the surrounding wooded area and despite a night-long search with cars and helicopters was not seen by law enforcement officials again.

A heavy concentration of Skunk Ape sightings in Central and Southern Florida continued well into the late 1970's. The reports came to an abrupt end in the early 80's and for unknown reasons, there have been no sightings in Florida in the last couple of years. Are the creatures extinct or have they migrated northward?

Another area of relatively heavy Sasquatch activity has been my home state of Maryland. As with most states, there is ample evidence that these creatures have been seen for many years. The earliest reference I have comes from a sighting which took place in the tiny Carroll County town of Silver Run. According to an 1883 edition of the Silver Run Chatterbox newspaper, a young man reported seeing a white-haired, red-eyed beast in an area known as Rattlesnake Hill. Together with my investigative partner, Robert Chance, we have managed to catalog over 150 sightings of

Sasquatch-type creatures in Maryland up to 1982. The most active region of Maryland has been Harford County, located north of Baltimore. In our files we have close to 40 separate sightings from this area alone, in addition to over 75 reports of tracks, strange screams and smells, and various animal mutilations. Robert Chance, the man who did all of the Harford County investigative work, reports that in every track incident, three-toed prints have been found, some up to 20 inches in length. Mr. Chance believes that a small tribe of as many as three creatures may have inhabited Harford County from 1973 until 1982. Most sightings took place along the Deer Creek-Muddy creek watershed.

Perhaps the most widely publicized Maryland encounter took place on April 28, 1975 when thirty-one year old Peter Hronek claimed to have run into a seven foot hairy ape-like creature with his Triumph TR4 sports car while travelling south on Rocks Road near Rocks State Park. The incident, which took place at 3:00 a.m., left Hronek's car severely damaged and sparked a Maryland State Police search involving K-9 units and helicopters. No evidence of the creature was found, other than clumps of hair and blood embedded on Hronek's mangled Triumph.

More recent Maryland sightings were also centered in Harford County. In early December of 1980 Dave Ramsey of Rush Road (just west of Rocks State Park) reported that one evening his dogs became very upset and were cowering near the front door of his trailer. When Mr. Ramsey stepped outside to investigate, he saw a large, hairy figure standing on a hill some 50 feet away. The creature ducked out of the way of Mr. Ramsey's flashlight and walked away, emitting a long deep scream a few moments later. Later

on that week, Mr. Ramsey's wife was leaving for work during the early morning hours and sighted a tall dark form standing in a field not far from her family's trailer on Rush Road. The last reported Maryland sighting took place during December of 1982 when a truck driver named Charles Teal, while on his way to work at 4:00 a.m., saw a large, hairy figure crouched on the side of I-95 at the Little Gunpowder River underpass, not far from Edgewood. The creature sprinted off into the forest as Mr. Teal drove by.

Since there had been no Sasquatch sightings in Maryland in four years, I speculated that the creatures had changed their feeding routes and left the Harford County area. Although extinction was a distinct possibility, I hoped this was not the case. Finally, evidence appeared which shows that the creatures that once roamed Northern Maryland had, in fact, migrated up the Susquehanna River and into Southern Pennsylvania. 1985 brought several reports that indicate the Eastern Sasquatch has survived man's encroachment on wilderness areas.

Pennsylvania has a long history of Sasquatch sightings, with a steady stream of reports continuing into the late 1980's. Two Western Pennsylvania outfits, The Pennsylvania Association for the Unexplained (PASU) and the Pennsylvania Center for UFO Research (PCUFOR) have been collecting Sasquatch sightings from the Keystone State for over a decade and between the two, have come up with over 400 distinct creature reports. While the great majority of these sightings have been reported in western parts of the state such as Westmoreland County, the more recent flurry of reports have come from the southeastern region, notably around Harrisburg and a mere 60 miles north of the former Harford County, Maryland "hot spot".

The flap began around July 1985 when Mike Lender of East Pennsboro Township reported hearing the walls and foul odors of some type of large, unseen creature. Other town residents, Kelby Steele and Carol Liddick, also reported hearing the noisy creature on many occasions. On September 6, 1985 in North Annville Township, 22 year-old Ed Kreamer and his girlfriend were in his parent's yard when they saw a large, black, long-armed creature. Around this time Kreamer's 7 year-old cousin also reported seeing a similar creature. In both sightings the creature was said to be well over 6 feet tall. On September 14, 1985 Kreamer heard a series of loud shrieks coming from the wooded area behind his parent's home. Two weeks later, a number of 18 inch three-toed footprints were found in the

area, indicating that this could be a creature from the Maryland tribe. As is the case with most eastern states, almost all Sasquatch tracks found in Pennsylvania have exhibited three toes. On September 29, 1985 in East Pennsboro Township, Tom Leach and another man reported seeing a foul-smelling, hairy creature standing over 6 1/2 feet tall. Other reports came from a state police operated road kill deer pit near Blue Mountain, where law enforcement officials were baffled by an unknown animal which had been eating sizable portions of the carcasses. The state police received a report of a Sasquatch sighting not far from the pit from a witness who requested anonymity.

The state of Virginia was also the scene of some possible Sasquatch activity and deserves careful consideration. Ray Manners, president of the International Fortean Organization (INFO), was called down on two occasions to a family's home off Route 205 in Colonial Beach, Virginia to investigate some strange creature reports. The family members, who will only be referred to by their first names, had been aware for many years that some kind of unknown animal was living in the woods surrounding their home. On June 20, 1985, "Jeannie" had looked out the kitchen window late at night and saw a large, hairy figure run across the yard. At the time the family's backyard was illuminated by floodlights. When Jeannie's mother, "Mickey", went to investigate, she was shocked at what she saw.

"When I saw him I screamed, I was so scared I could hardly move," Mickey related. "He was about 8 feet tall, his eyes were glowing until he faced the light. His eyes glowed whitelash, but when he faced the light the glow went away. I didn't understand it."

In July of 1985 the family found a set of large, undistinguishable footprints. The King George Sheriff's Department was notified and police measured the stride of the prints at over 5 feet. Ray Manners himself had the opportunity to view several prints from the alleged creature.

The last reported sighting from Colonial Beach came on August 5, 1985, when Jeannie and a friend named Mike saw a large figure running through the woods on the family's property. The sighting took place at 10:00 p.m. Virginia has reluctantly offered a small number of creature sightings through the years and Ray Manners is certain that something very strange is going on in this quiet community on the Potomac River.

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

### New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

### Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort lead him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

### A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

### Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

### Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

### U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

### 30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

### For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

# UFO ALERT IN BRAZIL

The Full Story of the May 19, 1986 Jet Scramble Incident

By Antonio Huneus  
South America's  
Top Investigator

Brazil's air defense system went on "automatic alert" the night of May 19, 1986. Twenty one "unrelated targets" (unidentified radar echoes) were detected for over three hours on the radar screens of air force bases and airports that belong to CINDACTA. This is the integrated Air Defense & Air Traffic Control Center for Brazil.

The whole episode was disclosed publicly by the Air Force Minister himself. Brigadier General Octavio Moreira Lima stated, "We haven't the slightest intention of hiding anything from the press." At a press conference in Brazilia, he revealed that six fighter jets—three F-5E's and three Mirages—were scrambled from the Santa Cruz and Anapolis AF Bases. The "blips" were also visually confirmed by most of the pilots and detected onboard the plane's radar units. Various chases took place.

The first witnesses were Colonel Osiris Silva, the President of Petrobras (the state run oil conglomerate) and pilot Alcir Pereira. Around 9 P.M. on May 19, they were preparing to land their Xingu executive jet at the airport of Sao Jose dos Campos in the state of Sao Paulo, when the Control Tower informed them that three UFOs were flying on their route. Pereira and Silva attempted to intercept the objects, which were described later by Col. Silva as, "strong red lights not at all like stars or planes, which changed their positions rapidly." The speed of the UFOs was estimated at between 150 to 600 miles per hour. Pilot Pereira added that "the lights disappeared instantly, like if they were turned off."

As more of CINDACTA's radar systems became clogged with "unknown returns," F-5E fighter jets were scrambled from the Santa Cruz AFB in Rio after 10 pm. More fighter jets were scrambled from the Anapolis AFB in Golas state after visual contact was established by the pilots of the F-5E's. The second flight consisted of three Mirages armed with Sidewinders and Matra missiles. Not only did the pilots see the objects, they also chased them and in some cases, were chased by the lights.

CINDACTA's Chief of Operations, Major Ney Siqueiros, characterized the blips as "unidentified movements...I'd never seen anything similar," he said. More importantly, the Air Force official confirmed that "the radio communication tapes between pilots and controllers, between controllers from Brazilia, Sao Paulo and Anapolis, and the reports from the (F-5E and Mirage) pilots, will be studied for future conclusions." Up to fifty airborne and ground radar systems detected a total of twenty-one objects violating the airspace of three states in Brazil. There were even unconfirmed rumors that the whole episode lasted five and not three hours!

The first US-made F-5E fighter jet took off from Santa Cruz AFB in Rio at 10:23 pm, an hour and a half after the first radar blips were picked-up at the Sao Jose airport. Lt. Kleber's F-5E followed a UFO detected by ground and aircraft radar, and which kept a distance of about 35 miles from the jet. The lieutenant described it as, "a very intense red light which changed colors to white, then green and again red." Although no details were given, electromagnetic interference with some of the cockpit instruments were also reported. The F-5E chased the object to the Atlantic coast until it passed Brazil's 200-mile sea limit, and continued towards Africa.

A second F-5E jet took off from the same base at 10:50 pm, 5 minutes after the UFOs were detected by radar at the Anapolis AFB in Golas state. Captain Jordado reached a distance of 12 miles from a target he described later as, "constantly changing colors from white to green." The most sensational experience occurred to Captain Arminco Freitas, who took off from Anapolis in a French-made Mirage III at 10:45 pm.

Capt. Freitas was informed by CINDACTA's flight control chief officer that ground radar was detecting thirteen luminous balls trailing him, and distributed in groups of six and seven objects on each side of the plane. Capt. Freitas testified later that, "ground control warned me of ten to thirteen 'contacts' which were approaching my plane; they came on until I was told that they were following behind me at a distance of 2 miles." His only visual contact occurred when the lights "started to climb vertically up to 33,000 feet."

Sao Paulo electronic engineer and ufologist Cladler Covo, who conducted a thorough investigation of the case for Brazil's monthly magazine Planeta, wrote that, "the pilots of Mirages and F-5E's are considered among the best of Brazil. When we see the military records of the pilots who flew the night of May 19, we gain a good idea of their professional experience: 900 missions, 2,000 flight hours, and so on. Only one in 500 is capable of becoming a FAB (Brazilian Air Force) fighter pilot."

As it could be expected, the incident became Brazil's top news story of the week. Making good his promise of full disclosure to the press, Air Force Minister Lima allowed all the pilots and radar officers involved that night to appear at a press conference in Brazilia. Because of its scope and impact in terms of both air defense and public relations, this case can be compared only with the famous Washington DC "invasion" of 1952. President Jose Sarney was informed that night at a state banquet in Brazilia for President Duarte of El Salvador.

Isolated sightings were also reported by a few witnesses in Rio de Janeiro, Sao Paulo and elsewhere in Brazil in the days following the scramble incidents. What was described as a large "solid object" was sighted in Fortaleza in northern Brazil on the afternoon of May 21. Faint lights were filmed during that same evening in Rio and Maringa. Furthermore, a video team from Miksom, which belongs to the Bank of the State of Sao Paulo, filmed a luminous round spot in that city on the night of May 29, 1986. The object's diameter was estimated between 19 and 26 feet, and it was apparently also detected on radar at Sao Paulo. Astronomer Roberto Boczek analyzed the videotape, concluding—as reported by Claudler Covo in Planeta—that "this object cannot be confused with any star or planet; therefore, an explanation for it must be sought in another field other than astronomy."

Brazil's scientific establishment, however, took a highly negative and defensive position regarding the events of May 19. Although the UFOs "interrupted air traffic in several areas, saturated the radars and interfered with the instruments of the airplanes," wrote Claudler Covo in Planeta, "several scientists attempted to explain the event, giving a total of twenty-one different explanations for a simple UFO sighting." These ranged anywhere from a "meteor shower" linked to Halley's comet, as proposed by Ronaldo Mourao, the director of Rio's Observatory and the country's

Continued Next Page

most vocal UFO debunker, to a reflection of the full moon, ball lightning, radar malfunction, debris from space objects, spy planes, et al.

The Air Force itself rejected officially some of these explanations, specifically that 50 airborne and ground radar systems could have malfunctioned simultaneously, or that Brazil was subjected by a third country to what would amount to an "electronic warfare" attack. One was apparently suggested by the British space sleuth Geoffrey Perry, well known for his "amateur" monitoring of Soviet activities in space. According to Perry, the Soviet space station Salyut-7 ejected several boxes of debris on that night, which re-entered the earth's atmosphere around Brazil's central-western region.

A second space explanation was published by the Brazilian press last September; NASA's Goddard Space Flight Center in Maryland was quoted to the effect that the U.S. Solarwind satellite was destroyed and re-entered earth's atmosphere on that very same night. Brigadier Jose Cavalcanti from Brazil's Air Defense Command, however, was not impressed with either explanation. "It could have been space debris, but it wasn't only that," he told the magazine Veja. The General added that "a metallic box with space debris can be detected by radar, but it will always fall in the same direction and at constant velocity. That was not the case of what was seen in Brazil, where the objects detected by radar had speeds that varied from very slow to extremely high." I was unable to find any record of the Solarwind sat, but have requested space expert James Oberg to look into the matter.

Even NASA astronaut Dr. Story Musgrave became involved in the melee. A space M.D. who became an astronaut in 1967 and flew one of the

Shuttle missions in 1983, Musgrave was attending a technical conference in Sao Paulo when the story hit the news. The Brazilian press quoted him as saying: "UFOs are like witches. I don't believe in them but they exist for sure." To which he added that, "I've seen at NASA sophisticated studies about UFOs, although NASA doesn't have solid evidence that extraterrestrial beings are visiting earth." Astronaut Musgrave, however, indicated that "life in other planets is an statistical certainty."

Surprisingly, Air Force Minister Lima was more outspoken than anybody else. "I've always wanted to see flying saucers since I was a child," said Gen. Lima, adding that "the sky was entirely clear and there were no aircraft in the sky when the lights were detected. Technically speaking, there is no explanation." His approach is a good example of Brazil's new democratic style. The Minister also announced that a special Air Force Technical Commission was set up to investigate and evaluate the radar tapes, radio communications and visual testimonies of this case. No time limit was given for the completion of the Commission's report.

NOT OF THE DEVIL — BASED ON GOD'S WORD

## THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been SO CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- ( ) Do I want peace, joy, love and prosperity to fill my life completely?
  - ( ) Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
  - ( ) Do I desire to help others overcome their problems through and by the great magical power I gain?
  - ( ) Do I want total control of all situations which manifest in my life?
  - ( ) Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?
- If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

# A VOICE FROM SPACE OFFERS SALVATION

CHANNELED PROPHECIES CONCERNING

★ THE FUTURE OF HUMANKIND ★  
FROM THE SPACE BROTHERS ★

Across the vastness of space, a superior intelligence speaks out—offering a practical solution to earthly problems and warning that humans MUST "mend their ways, or suffer the consequences," possible destruction of our planet.

Two years ago, a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar—Commander in Chief of the Free Federation of Planets," started to speak. During the course of the next few minutes this alien being spoke about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him, who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

The NEW WORLD ORDER is destined to become the most important book of our times, a commentary on humanity and what can be done to end the pain and suffering that has long engulfed our globe. Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time, being "most simplistic," just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY are. Ashtar's philosophy will lift the hearts of all New Age people, and is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

### THRILLING NEWS ABOUT THE WORLD OF TOMORROW

**UFO:** What's the next step in this? What's your next step and what's the next step in so far as these beings go?

**Dr. Sprinkle:** Well, I don't know what their next step is, but I know what my job is. My job is to get people together. I like to talk to high minded scientists. I like to talk to people in the street. I like to talk with the middle class person. That's why we have the conference every year. It's in order to allow as many people as are interested to come and talk about their experiences and share them with other people. What may happen as far as the planet is concerned...I am assuming that more and more people will have UFO experiences. More and more will get frightened. More and more will want to talk to those people who have been through it already. Maybe someday we'll build flying saucers and we'll go out and we will become somebody else's UFO occupants. Who knows.

**UFO:** Leo is it possible you are a UFO contactee and that you may just not recall the experience?

**Dr. Sprinkle:** In 1980 when we first had the UFO conference I said to myself, "Why am I so concerned about contactees? I'm always talking with them, I'm always dealing with them." I had tried with Dr. Jim Harder earlier to do self hypnosis techniques to learn more about my feelings, about some earlier experiences I had when I was five years old and when I was eleven where I felt kind of strange events taking place. I didn't attribute them to anything except growing up at the time. Then I was interested in science, and as a youth I was interested in religion—not in the dogmatic sense, but from the sense of understanding more about human consciousness. That's when I got interested in psychology.

When we had our first contactee conference in 1980 I thought I ought to do the same for myself as I do for other people. I participated in a study with Dr. June Parnell here at the University. I took the inventories and I wrote down my UFO experience and I thought maybe I should go through hypnosis and see if I could recall anything additional. So a fellow psychologist gave me suggestions to go back to the fifth grade or to my experiences at age eleven. It turned out I had a dream, or a fantasy, or memory, or recollection, of being taken aboard a craft of some kind and looking out a window and seeing stars. A big tall man to my left had his hand on my right shoulder, and he said to me, "Leo learn to read and write well and when you grow up you can help others learn more about their purpose in life."

Well, I don't know whether this really happened or not, but there were two interesting conscious memories. I have one conscious memory that whenever I hear good music or hear somebody speaking the truth, whenever I feel there is a resonance there, I get a little shiver on my right shoulder where that hand touched me.

The other memory which is a conscious memory is when I was in the fifth grade. I remember the teacher saying to us, "Now children if you finish your lessons, then you can go to the library and read whatever you want to read."

Well, that was a big deal to me I wanted to go read what I wanted to read. So I finished my lessons, went to the library and opened a book on science and the first chapter was on astronomy. I opened it up and there was a page with a photograph with this part of our galaxy and those stars just seemed to leap out at me. Now some people say, well, Leo, you probably got that from a movie. Maybe so, but in 1941 when I was eleven there weren't many movies showing those kinds of pictures. So I don't know whether the eleven year old event happened or not. I can't say, but I can say that the consequences in my life are the same as many contactees. That is I've had more than one sighting. I've had a feeling of being monitored. I have a feeling of a task, a mission or a purpose that's important. I'm just an average person, but I feel we can help one another get through some tough times. We have a responsibility to our home planet and we are developing into what is termed as cosmic citizens. So, I consider myself a scientist and investigator, but I also consider myself a contactee and UFO observer.

**UFO:** Have you gotten a lot of flack because of this from your colleagues?

**Dr. Sprinkle:** In some ways. Some people are bothered by my work, while others support and admire my work. Most people don't care. Most of my colleagues are busy with their own work. I have some pressures, but I think the pressures are now over.

**UFO:** Wasn't there an attempt about a year ago to prevent the conference from actually taking place on the campus?

**Dr. Sprinkle:** Well, it wasn't that so much, it was mostly people were pushing me and pushing my work. I think it was more political than it was intellectual. Now the pressure is easing so I am pleased about that and I will continue to do the work and maybe someday the university will allow these kinds of investigations to be done officially.

**UFO:** Is this university one of the few really in the country that has any ties in this at all? Of course, Dr. Hynek was with Northeastern for a time, but is there anyone else doing this in a university capacity?

**Dr. Sprinkle:** Well, there are a lot of university professors who are interested in working with this. I don't know how many universities have a program such as this. Of course, the conference is not sponsored by the university, but the School of Extended Studies and Public Services, just like we'd sponsor any other public gathering for an educational purpose.

**E.T.'S ALIENS AMONG US**  
**Have arrived on earth!**  
**STRANGE CREATURES ROAM OUR PLANET IN THE DEAD OF NIGHT**

In the last few months reports of close encounters with strange alien beings have been increasing in number. A world-wide wave of bizarre face-to-face contacts with the occupants of flying saucers is now in progress. Daily newspapers don't print the news! TV and radio stations remain silent! Yet one dedicated researcher, Timothy Green Beckley, has been compiling data and is convinced that there will soon be a mass landing of extraterrestrial space ships on our planet. In STRANGE ENCOUNTERS — BIZARRE & EERIE CONTACT WITH FLYING SAUCER OCCUPANTS he writes about 10 never-before-told stories right out of the twilight zone of UFOlogy that will have you sitting on the edge of your seat as you turn each page— perhaps just a little afraid to go to the next. This volume isn't meant for the weak hearted as it may shock your sensibility.

Here is a summary of what you will find within the pages of this amazing book:

• **STRANGEST ENCOUNTER EVER** - Mickie E ★ of San Diego says she and her girlfriend experienced a night of unbelievable terror as they drove home. It all began with a group of lights and went on to include a dog-like creature with blazing red eyes; bizarre "tinkerbell" lights that touched them in the darkness of their stalled automobile; a "little boy" that materialized in the back seat; the stranger who offered them assistance only to vanish before their eyes; and weird beings who emerged from a landed space ship and walked across the highway carrying mysterious "tubes."

• **UFO BEINGS DIRECT MY LIFE** - Something happened at age six that makes Lorie R ★ believe she is "not one of us." More and more we cannot deny the evidence that Earthlings are being possessed of supernatural powers due to a special "link" they have with a race of aliens from the cosmos.

• **A UFO BASE 40 MILES FROM THE WHITE HOUSE** - In 1952 UFO's buzzed the Capitol, and ever since UFO occurrences over Washington D.C. seem - on the surface - to be exceedingly rare. The truth is something else, however, as we explore the experiences of Martha L ★ who insists that UFO's have established a base not more than 40 miles from the "Oval" Office. Like many other contactees of multiple sightings, Martha has a long history of UFO-related experiences dating

back to ghostly apparition that appeared in her home when she was a child. You will read about the dog that disappeared, the Bigfoot that breaks off tree branches, Martha's dreams, the silver-suited being with the "glowing belt" and much more.

• **FLYING DISCS & GLOWING HAIR** - At the girl's birth her doctor reported seeing a gleaming silvery object in the sky, traveling at great speed. Several times since, usually near her birthday, bright objects, round in shape appear and seemingly make her hair glow a peculiar color.

• **THE STRANGE MR. TRUDEL** - What makes some of us more adept than others at establishing contact with UFOs? There are many contactees around today but only one Harold T ★ At the space people's direction he goes outdoors with his camera and takes amazing photographs of UFO's so close up that you can see domes, landing gear, and windows. You almost feel you can reach out and touch them. Incredible photos published for the first time.

• **THE MD & THE MIB** - The doctor was so frightened by his unearthly visitor that he sat shivering at the table holding a loaded revolver, waiting for his family to return home. When the phone rang that night the skilled physician had no way of knowing that he would be in fear for his life. The "man" who made an object disappear from the doctor's hand and heralded a personal warning, the doctor knew he should take the stranger's advice and burn his UFO files.

• **AN ALIEN IN OUR MIDST** - It's said "they walk among us" and a Pittsburgh musician senses that this is probably true. Tony V ★ can't help shivering when he thinks about the odd couple - the man was exceedingly thin and always dressed entirely in black, and the woman extraordinarily heavy - who liked to engage him in conversation about astronomy and UFO's. But when the man seemingly died and his body was examined, the rationally thinking drummer knew he had to do away with any preconceived ideas he might have had about life on other planets and the possibility that such life forms are traveling - and even living - here.

• **SEX ONBOARD A SAUCER** - We only spend a paragraph talking about the Brazilian farmer who had sexual relations on a landed saucer with an attractive UFO occupant. His encounter is well known. The number of sexually oriented abductions is increasing, however, and there seems to be a reason behind the physical union that is taking place between men and women of Earth and our friends from "out there." One New York woman tells of her "cosmic union" in great detail.

• **MT SHASTA - SPACE BASE**  
While the outer space aliens are seemingly keeping out of sight for the most part, there is possibly one place you can travel to and actually see and talk with beings who are much more advanced than we are. Mt. Shasta, a volcanic mountain in Northern California, is both beautiful and mysterious. Over the years many strange things have been seen in the vicinity of this 14,161-foot towering fortress of nature. Shasta is believed to be a landing port for extraterrestrial beings and we are given proof that these aliens have established contact with a race of "little people" who live inside earth.

**UFOS OVER EGYPT**

Continued from page 8 that had been made in Czechoslovakia. Naturally, it chose to break down in the middle of a desert and I was stranded in the blazing sun with two Egyptians for two days. We drank the water from the crankcase and ate raw lizards until a search party found us.

In the ancient village of Thebes I wandered through great temples searching for snakes with Egypt's most famous snake charmer. (Snake charming had become one of my interests and years later I would be charming live cobras in a store window in Times Square.) Across the river, I poked around for days in the celebrated Valley of the Kings. Today that area is overrun with tourists but back in 1954 it was still an isolated spot and tourists were rare. The "fabulous" tomb of King Tut is in the Valley of the Kings. When it was discovered back in the 1920s, it was filled with golden treasures and a great gold sarcophagus (coffin) containing young Tut's mummy. Now the tomb is just a rather small hole in the ground. All of the treasures are on display in a clutter in the Cairo museum. Thousands of people now pay big bucks to travel to the Valley of the Kings and look at that pathetic, totally empty little hole in the sand!

As I traveled southwards, I clearly remember passing a tiny movie theater that was displaying posters for the now-classic UFO film, *The Day The Earth Stood Still*. Whether this movie had anything to do with what was about to happen I cannot say.

At Aswan there was a famous old dam that would later be replaced—with much fanfare—in the 1960's-70s. When I landed in Aswan it easily ranked as one of the most boring places in the world. There was no one to interview there, not even a snake charmer, and the only entertainment available was the old dam. So, out of sheer boredom, I played

tourist and went to gawk at the dam. I remember the vast sandy area along the Nile river banks. There were several people in the area, most of them Egyptians who had come to pay their respects to the dam. It was a very bright, very hot day. This time, I was looking desperately for a Coca Cola stand.

Suddenly there was a flash of light in the sky. It drew my attention and I saw something which I first thought was an airplane. A black and silver speck in the air. But as it drew closer an eerie sense of total calm settled over me. All the other people were staring at it, too. It dipped down and hovered directly over the dam as if it was hanging from a string. Now I could see what appeared to be a metal globe with a thin rim around it. The rim appeared to be spinning rapidly around the globe. If it made any sounds I couldn't hear them because of the noises being made by the river itself.

The object remained fixed in that one spot for at least five minutes... long enough for me to join a cluster of well-dressed Egyptians and ask them a few questions while we were all still looking at it.

"How high do you think it is?" I asked.

Each person had a different answer...ranging from 200 feet to a mile!

How big was the object itself? Some witnesses thought it was about 30-40 feet in diameter. Others thought it was much larger. They started arguing about its size and altitude while we were all looking straight at it!

So much for witness reliability. My own impression was that it was about the size of a three-story house and that it was around 500 feet above the dam.

During my travels I always had one or more cameras dangling from my neck. Always, that is, except for this particular day. It was so hot I decided

to leave my cameras in my hotel. (In those days, it was still safe to do so.)

Since the object was clearly a metallic manufactured machine of some sort, the Egyptians all assumed that it was some aircraft owned by their government. I wasn't so sure. Years later I learned, of course, that saturn-shaped objects had been sighted throughout the world in the 1950's. They have become quite rare since then.

After stirring us all up, the object finally zipped away and was gone in seconds. A few days later the English-language newspapers mentioned briefly that some stange-flying objects had been sighted outside of Bagdad, Iraq....which was thousands of miles northeast from Aswan.

Although I didn't need much convincing, the sighting proved to me that unidentified flying objects really existed and that they were bouncing around the skies all over our planet, particularly around water and key installations like dams, power plants and military installations. Today, thirty years later, the sheer bulk of such sightings is a clear indication that we are being watched and the watchers may not

be as benevolent as some people would like to believe.

A few years after my trip to Aswan I wrote my biography, *Jadoo*, and I included a chapter about the UFO that came down in Upper Egypt. But UFOs were very controversial and the editors chopped that chapter out. You might call it censorship. I called it stupidity and was pretty angry about it at the time.

There were all kinds of mysterious forces working against me in those days. Remember my pyramid broadcast, *The Snake With The Diamond Eyes*? After spending all that time and money recording the show inside of the Great Pyramid, we all boarded a MATS (Military Air Transport Service) plane and headed back to Europe. It was a rough trip. We ran into a bad electrical storm over Greece and got bounced around quite a bit...A bolt of lightning struck the plane and a blazing ball of electricity shot through the cabin, scaring the hell out of all of us. It was my first and only experience with ball lightning.

When we finally got back to Frankfurt we discovered, to our horror, that all our precious tapes were ruined. — The legendary Mummy's Curse had struck again.

The latest rash of Sasquatch sightings comes from the area of land between Whitehall, New York and Rutland, Vermont. Dr. Warren L. Cook, a professor of History and Anthropology at Castleton State College in Castleton, Vermont, has done extensive research on creature reports in the Northeast United States and claims that he has recorded 144 New England sightings. An interesting note is that 119 of these sightings have occurred since 1970. Sixty two of which have taken place since 1980. These figures indicate that New England has yielded more Sasquatch sightings in recent years than any other part of the country. Dr. Cook feels that a breeding pool has been established along the New York/Vermont border, however the actual Sasquatch population is very small and possibly on the verge of extinction.

Several recent happenings in New England merit our attention. On October 1, 1986 Dr. Warren Cook's daughter, Susan Cook, 22, was driving westbound on Route 4A at approximately 8:30 p.m. about a mile from West Rutland, Vermont when she was stunned to see a very heavy, 7 foot, dark brown, upright bipedal creature walking across the road. Susan noted that the hair on the creature appeared to be the length and texture of bear's. In disbelief, Susan rushed home and told her father of the incident. The amazing aspect of this case is that on the very same night, at the very same time, three Castleton State College students, John Bradt, Kerry Bilda, and George Dietrich were also travelling on Route 4A, east-bound (opposite of Susan Cook), when they almost crashed their automobile into a 6 1/2 to 7 foot creature with black hair. The creature had been standing in the road and didn't make any effort to move out of the way of the approaching car. The three college students, obviously shaken, did not report the event to either police or newspapers for fear of being ridiculed. Dr. Cook found about their encounter from one of his students who knew one of the

witnesses. It is significant to note that Susan Cook did not know the other students and also that these events occurred almost simultaneously.

The last reported sightings of an Eastern Sasquatch took place on October 26, 1986 when two more Castleton State College students, Jill Cortwright and Cathy Quill, were driving along Route 30, halfway between Castleton Corners and Poultney, Vermont when they saw a huge, hairy creature crouched on the side of the road. The girls were certain that it was not a bear. It should also be mentioned that both girls were freshmen and were unaware of Dr. Cook's involvement with Sasquatch research.

To date, every state east of the Mississippi has offered at least one Sasquatch sighting, the lone exception being Rhode Island. Recent reports have also been recorded in Ohio, Michigan, Georgia, and Mississippi, although on the whole, sightings in the 80's have dropped off tremendously from the previous decade. Many explanations can be ventured, but the real reason for this may never be known. Perhaps the notion of the Sasquatch no longer plays on the minds of everyday people because of the lack of documentary and sensationalized films which were so prolific in the 70's. Perhaps the creatures were in fact once plentiful, but have decreased in numbers as time went by. Perhaps the Sasquatch has migrated into previously unexplored regions, searching for the cover and quiet countryside it needs in order to survive. Such could very well be the case with the recent flap in Vermont and surrounding areas. By all indications, a very strong case can be made for the Eastern Sasquatch. Although he does his best to keep a low profile, he isn't gone for good. Not yet. As man continues to tear down the forests of our country, these creatures must constantly move to avoid the impending doom of extinction. We are very close to the day when an actual specimen will be captured, thus forcing scientists to accept the reality of a beast they have been scoffing at for years. Look to the East.

Yet, actually, according to thousands of ordinary individuals living around the world, contact with other life forms is possible at almost no cost, and can be accomplished by methods other than those devised by the established scientific community. Telepathic UFO channels and flying saucer contactees maintain that they have established a communications link-up with extraterrestrial beings (human-like aliens from far more advanced worlds—who are hovering around our planet on a mission of peace and well being. It is claimed that these aliens, who are often referred to as our "SPACE BROTHERS," are here to help in individual spiritual development, and have much to offer our civilization in the way of technical advancements. These other-worldly beings will make themselves readily known as soon as a larger percentage of the population lets them know they are welcome in love and understanding.

THE BOOK OF SPACE CONTACTS offers several established methods which might enable YOU to become a UFO contactee and actually communicate with the occupants of these silvery, disc-shaped objects. You will learn what "Talking Them Up," means, how PSYCHIC COMMUNICATION can bring you closer to them, and how a simple meditation can be successfully used to speak with friendly space people. Furthermore, it is even possible to communicate with extraterrestrial masters by constructing a device which should cost only a few hundred dollars using simple electronic equipment that can be found in any stereo store.

Also learn how to identify space aliens who are said to be walking amongst us right now and discover exactly what their purpose on earth is. WARNING: There are those aliens who mean harm. The SERPENT RACE is the "BEAST" that the Bible speaks of, and they are to be avoided at all costs. Over 60 types of space beings are coming to earth and the BOOK OF SPACE CONTACTS contains a large section describing fascinating—and highly incredible—face-to-face confrontations with many of these strange beings from the far reaches of the universe. The BOOK OF SPACE CONTACTS is fully illustrated and is meant ONLY for the individual who is looking to expand his consciousness and "reach out" in an attempt to develop physically and spiritually.

## MAJOR UFO CONFERENCE JUNE 21 IN NEW YORK

The first annual Conference on Extraterrestrials and UFOs sponsored by the New York Center for UFO Research will take place on Sunday, June 21 in New York City.

The all day event, to be held at P.S. 41, 116 West 11th Street, Manhattan will mark the 40th anniversary of businessman Kenneth Arnold's sighting of flying saucers, which ushered in the modern era of UFOs. Similar conferences are being held in Washington, D.C. and in California. Experts will reveal the latest information gathered from the government's own top secret UFO files released under the Freedom of Information Act and will show authentic movie films and photographs of flying saucers seen throughout the world.

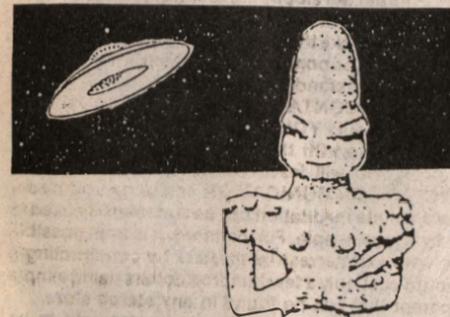

According to conference organizer Michael C. Luckman, former Publications Director of the New School for Social Research, the conference will focus on the alien corpses very likely in the possession of the Air Force, the growing number of abductions of humans by alien beings and the Star Wars-flying saucer connection.

Other topics to be discussed include reports of cattle mutilations, the Cash-Landrum and recent Alaska cases, the documented landing of a UFO in Bentwaters, England, the Westchester Wing and its possible connection to the super-secret Stealth Bomber, and ancient astronauts.

The New York Center for UFO Research will take an activist approach toward building the UFO Movement by holding public rallies, mobilizing the mass media and bringing political pressure to bear on solving the UFO problem.

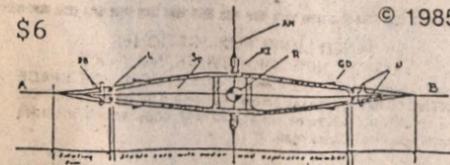

Tickets to the UFO Conference are \$10 in advance or \$12 at the door. Exhibitors tables are available. For further information call (212) 995-0384 or write Michael C. Luckman, NYCUFOR, 134 West Houston St., Suite One, New York, N.Y. 10012.

## CIA, FBI, STATE DEPARTMENT DOCUMENTS PROVE THAT U.S. MILITARY POSSESSES THE REMAINS OF CRASHED UFOs AND OF ALIEN BEINGS!

Rumors have persisted for many years that the U.S. military has in its possession UFOs manufactured on other planets as well as the occupants of strange, alien craft.

For over three decades, this monumental discovery has been kept a closely guarded secret by the military as well as by our political leaders, who have refused to release their findings to the American public.

NOW THE TRUTH CAN BE TOLD! Recently, because of a law enacted by Congress, known as the Freedom of Information Act, civilian researchers have been able to obtain through court orders classified CIA, FBI and State Department documents which verify that we are not alone in the universe. At one point in the late 1940's, there was apparently a "tug-of-war" going on between various branches of the government as to who was to get final access to the wreckage of these objects, popularly known as flying saucers. FBI director J. Edgar Hoover was even brought into the controversy when he made mention of the crash disc and the fact that the army had taken one of the unknown objects and refused to let the FBI examine it. Similarly, in 1973, Henry Kissinger teleaxed our South African Embassy, requesting that it attempt to recover a UFO that had come down in the remote jungle.

### THE TIME HAS COME FOR YOU TO KNOW ALL THE FACTS!

Researcher and author of 12 books, Timothy Green Beckley has just written a definitive report on this "Cosmic Watergate." In RIDDLE OF HANGAR 18, you'll see actual reproductions of classified documents. You'll even hear from a U.S. astronaut who chased UFOs for several days in a row over a European military base and later saw motion picture footage (now missing from government files) of a UFO that landed and remained on the ground at Edwards Air Force Base for military personnel to get a good look at. Published also are drawings of UFO beings found aboard the crashed space ships, as well as ACTUAL PHOTOS of these aliens taken by a military photographer, who recently released them privately after holding them for many years because of the fear of reprisal.

LIMITED REPRINT — SPIRAL EDITION. \$20.00
