A Personal Message from **UFO REVIEW** Editor & Publisher Tim Beckley
WE'LL BE SEEING YOU IN PHOENIX!

As we put this issue of **UFO REVIEW** to bed, it's not long before we'll be taking to the air and heading for Phoenix, Arizona, for the 3rd annual **NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE** to be held September 6-9, 1991 at the Airport Holiday Inn. Our biggest convention to date, the program will stretch across an entire weekend and into Monday night, featuring more than 30 of the top authorities in this wide—and often wild—field. Headlining will be "Max" the

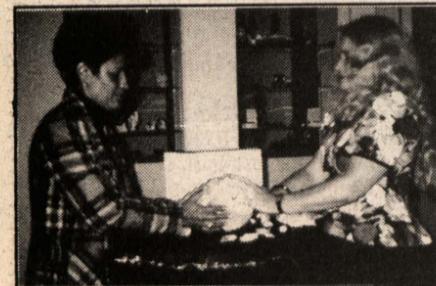

Left to right: William Cooper and Brad Steiger discuss latest happenings with a radio commentator.

10,000 year old Crystal Skull (a complete 2 1/2 hour workshop is scheduled for Saturday and another will be added later if enough people sign up); the highly controversial conspiracy oriented William Cooper; contactees Howard and Connie Menger; Roswell UFO crash expert Captain Kevin Randle; Brad and Sherry Steiger; Dr. Frank Stranges, who met an ET inside the Pentagon; and topping off the list, Larry Warren, one of the U.S. servicemen on duty when a UFO landed just outside Bentwaters, a NATO air base in England.

If you haven't already made your reservation, there is still time to "come on down," but by all means don't wait till the last minute, or you might miss out on what should be the biggest—and most important—conference of the last several years.

And as usual—as we go to press we have some mighty fine book titles in the works. In addition to the new edition of **THE SECRET PROPHECY OF FATIMA REVEALED** (which we wrote about in great detail in the last issue of **INNER LIGHT**), we are also proud to announce Dr. Frank Stranges' **STRANGER AT THE PENTAGON**; Jenny Randles' **FROM OUT OF THE BLUE—THE INCREDIBLE UFO COVER-UP AT BENTWATERS AIR FORCE BASE**, and **THE PROMISE** by Dr. Fred Bell, as told to Brad Steiger.

So settle on back in your easy chair and read this issue from cover to cover, as we enjoyed putting it together for you—and hope to see you in Phoenix! Timothy Green Beckley—"Mr. UFO"

What are the strange powers that radiate from "Max," the 10,000 year old Crystal Skull, said to have been brought to Earth by ancient astronauts? Come to Phoenix and find out.

Exclusive Interview with the Nephew of the Late Explorer Admiral Richard E. Byrd
Dr. Harley Byrd: "I met a Space Person in the Pentagon"

Over the course of the last couple of decades, there has been highly debated speculation on whether or not the late explorer Admiral Richard E. Byrd actually flew beyond the North Pole into a warm region inside the Earth populated by a race of masterful giants. Recently at a conference sponsored by Inner Light Publications, the nephew of Admiral Byrd—Dr. Harley Byrd—came forward with the announcement that he was convinced that his Uncle had made such a trip to the Inner Earth; that he had been sworn to secrecy by the government, and that startling new revelations would soon be made about this important discovery. Harley, who will be among the honored guests at our forthcoming Phoenix Conference, also reveals that while in the military he was associated with Project Blue Book, knew that the government had recovered captured space craft, and that at least one extraterrestrial was permitted to visit the Pentagon and speak with the President and Vice President. The following is an interview conducted in Dr. Byrd's office in Sherman Oaks, California.

UFO REVIEW: These photos and blow-ups are very impressive. Are they from your Pentagon days?

DR. BYRD: Some of them are, but most of them are from various publications; things that are most recurring, like the Paul J. Villa shots taken in New Mexico in 1964—the military was most interested in his photos—and of course the Adamski pictures.

UFO REVIEW: Dr. Byrd, first, how did you get started in the UFO business and how did you end up in the Project Blue Book Section of the Pentagon?

DR. BYRD: Well, it just happened by luck and given my background. At first, I was stationed with the Ceremonial Honor Guard in the Anacostia area of D.C. When I put in for a security clearance because of the work I was doing at their Receiving Station, the next thing I knew I was being transferred to the Security Review section of the Department of Defense (DOD) at the Pentagon when my Top Secret Clearance came through. I was asked if I'd like to work in the Blue Book Project Office on the fifth floor of the Pentagon. In the military you consider just about any change a promotion, and at that time I was unaware of the UFO traffic and aliens, except for a couple of movies I'd seen and I thought it was all sci-fi/fantasy.

UFO REVIEW: What movies did you see?

BYRD: Oh, I think it was *The Day The Earth Stood Still*, and it made an impact on me, especially that the sighting took place in the Washington, D.C. area, and the other piece I remember was *Forbidden Planet*, where we were the "aliens" on another world.

UFO REVIEW: Getting back on track here, what did you do exactly in the Blue Book Office?

BYRD: My first assignment was deciphering a tape recording that the Alexandria police had submitted for evaluation on the landing of an alien

craft near the Pentagon. The tape was a lengthy dialogue of two on-duty police officers, and their watch commander, who were involved with a silvery disc descending in a marshy area on a foggy day in December, 1957. The individual on board was subsequently taken to the Pentagon and was interviewed by Dr. Frank Stranges. It was disclosed to me that the individual, Val Thor, was a space emissary from the planet Venus in our solar system.

UFO REVIEW: What happened to him—Val Thor?

DR. BYRD: Well, he was kept in the Pentagon for some time and would meet from time to time with Dr. Stranges and others. But there were some people in the military who were not ready to deal with this individual and were unable to accept the fact that he was from another planet. I should remind you that this was the beginning of the "Cold War" era. I've always felt that this cold war was not between us and the USSR so much, but from an inter-galactic coolness that swept through the official ranks in the Pentagon and the White House.

UFO REVIEW: Was the White House informed of the situation?

DR. BYRD: Yes, as a matter of fact we often held briefings in the Pentagon's 4th floor briefings rooms, where the MJ-12 and the White House staffers were present more than a few times. Eisenhower was not as interested in this UFO-ET business as was President Kennedy.

UFO REVIEW: You mentioned "MJ-12." What is that body exactly?

DR. BYRD: The military first began to take UFOs seriously after several crash landings in the White Sands area in New Mexico. The aliens, now referred to as EBE's (Extraterrestrial Biological Entities) were curious about the underground nuclear testing taking place in the 1940's from 1944 to 1947. The first crash and retrieval material started coming in and the Pentagon, along with the White House, put together a 12-man staff to handle the situation, headed up by some top generals

and some highly respected scientists to handle the matter.

UFO REVIEW: Did you have any direct dealings with MJ-12 during your tour of duty?

DR. BYRD: Yes, they met periodically usually two times each month in a large conference room that was closed to other staffers, and the material that we handled was usually marked "FOR EYES ONLY."

UFO REVIEW: Fascinating! What kind of material did you see, or can you talk about that?

DR. BYRD: I sure hope it's okay. President Carter pushed through a good piece of legislation during the 70's—the FREEDOM OF INFORMATION ACT, and it released some of the hush-hush cover-up material that the military had had on these highly sensitive matters.

UFO REVIEW: Yes, but getting back to the question: What did you see directly that was labeled FOR EYES ONLY, classification? Our readers are anxious to share this material I know...

Come see Dr. Harley Byrd in Phoenix at the National New Age & Alien Agenda Conference. His lecture will be Saturday night Sept. 7 and his workshop on Sunday at 8 PM.

DR. BYRD: President Truman established the group in 1952 to deal with the crash of several UFOs in the desert areas of the Southwest. The material I put together concerned the location of crash sites and the debris recovered, in particular from the Roswell crash site. This was later publicized without the military's permission and the White House and Pentagon were very concerned about what they considered a high-level "Security Leak." The MJ-12 documents were very specific about location, witnesses and the materials recovered.

UFO REVIEW: Did you, yourself, see or witness any of the things that you saw in the documentation?

DR. BYRD: Yes, as a matter of fact in 1957, when I received my Top Secret Clearance (BI-1967) I was flown to a particular AFB and we spent the night there and the next day we were to be taken to a large hangar on the base.

UFO REVIEW: That would have been Hangar 18?

DR. BYRD: As a matter of fact, I believe it was Hangar 18, and it was marked "Restricted Area," and there was an armed Air Force MP by the door and there was a team of four receiving indoctrination for my tour.

UFO REVIEW: This is absolutely fascinating. What did you see?

DR. BYRD: Well, the Hangar was dimly lit, and the windows were blacked out and in the middle of the floor was a large area of parts laid out in a circular pattern. The officers in charge briefly informed us that this craft was thought to be of alien origin, and was thought to be from a distant star galaxy, Zeta Reticuli, and that several bodies—eight in all—had been recovered from the craft at a location near Roswell, New Mexico. He also stated that a craft still intact was flown to Wright-Patterson Air Force Base in Ohio for further evaluation.

UFO REVIEW: So the handling of this material was pretty much routine, do you recall the members of the MJ-12 at the time you were working in Blue Book?

DR. BYRD: Yes, there was General Nathan Twining, who was the top military officer presiding over the group, and Robert Cutler, and Dr. Donald Menzel, who was a Harvard astronomer, and both were debunkers.

UFO REVIEW: What do you mean debunker?

DR. BYRD: Well, we all were officially under orders to deny any of this information in the interest of National Security. It was such a sensitive subject, in that the military was trying to get a grip on the situation. It was probably the darkest and most interesting secret that the military had at that time and still has today, for that matter.

UFO REVIEW: So, the military still denies the existence of the aliens today.

DR. BYRD: Officially they deny the existence in order to be consistent with the story they have put forth for the last 40 or 50 years.

UFO REVIEW: We're really getting into some interesting stuff. What more can you tell us on the MJ-12?

DR. BYRD: Well, as you probably know, these MJ-12 people and their documents have been a source of confusion, mystery and controversy. As a matter of fact, several UFO researchers have put out a large volume, covering 1500 pages, entitled *The MJ-12 Documents*, by a William Moore and Jaime H. Shandera. However, the readers and publishers are infuriated, in that most of the pages have been black-marked out so that only about half of the material is legible.

UFO REVIEW: Can you tell us what was marked out and why?

DR. BYRD: From what I can tell, the material was marked out not to frighten the public. Things that I mentioned earlier—very specific things about the alien's heights—mostly 4'½"—and the weight—usually 90 to 100 pounds—and their coloration—gray—and their uniforms, and the specific technical make-up of the metals the ship was made of, and the description of the interior of the alien's craft, and just sensitive data that will alarm the average person. And of course this was all done in the interest of preserving "national security."

UFO REVIEW: Don't you think the government and military in general is wearing the matter a little thin?

DR. BYRD: In a way...In that they, the U.S. Air Force, Westinghouse and Northrop are currently operating several underground facilities in New Mexico and Nevada. In Area 51, for example, they are building UFOs and perfecting hyper-space technology at this very moment.

UFO REVIEW: You mean the little grays or the EBE's, as you call them?

DR. BYRD: I don't call them that—EBE is purely a military acronym. Others refer to them as little grays or critters. I refer to them affectionately as "beings from Zeta Reticuli."

UFO REVIEW: Then you don't feel that this secret under-

T. LOBSANG RAMPA

*His Powers Are
Unsurpassed in the West!*

Rampa's books have sold over 15 million copies throughout the rest of the world, but have successfully been CENSORED in the United States. In cooperation with Rampa's estate, INNER LIGHT plans to bring out the Lama's collective works (some 25 titles) at the rate of one approximately every other month. The following are titles are NOW available

THE HERMIT

The cave which just moments before had been pitch black was now filled with excessive light and suddenly the old hermit—who had been blind for countless years—could see. Before him stood The Wise Ones—majestic beings with brilliant auras, perfect in nearly every way. Escorted into their bizarre (to him, anyway) craft, the Hermit was flown into space. Before him on a giant screen were flashed scenes of the seeding of Earth by the Creators; a fierce battle in the depths of space between Satan and God's Forces; the truth about all religions; the years Christ spent in Tibet; the Great Flood; the arrival of the Gardeners (their history goes back millions of years) from space.—\$12.95

MY VISIT TO VENUS

"Tibet," says Rampa, "is the most convenient country for flying saucers. It is remote from the bustle of the everyday world, and is peopled by those who place religion and scientific concepts before material gain. Throughout the centuries the people of Tibet have known the truth about flying saucers, what they are, why they are, how they work, and the purpose behind it all."—\$7.95

DOCTOR FROM LHASA

At the age of seven the Day of Prophecy arrived, and the court astrologers pronounced their findings. It was proclaimed that Rampa was to enter the lamasery to be trained as a clairvoyant and as a healer. Many predictions were made about his life, including the fact that his work would be heralded around the world. While still very young, the author's Third Eye was opened, increasing his mental powers, as well as his ability to view the human aura, and to read thoughts. This volume discusses karma, the other side of death, the silver cord, seership, crystal power, ghosts, as well as astral projection.—\$12.95

YOU FOREVER

Thirty metaphysical lessons designed for the reader to work at their own pace. Step-by-step methods for seeing the human aura, traveling in the astral plane. Learn to see clairvoyantly. Written in Rampa's usual warm, humorous and charming manner. A full 288 pages.—\$12.95
By special arrangement with Samuel Weiser, Inc.

FEEDING THE FLAME

As the author lay desperately ill in a hospital, he looked up with pleasure to see his old friend and mentor, the Lama Mingyar Donup, standing by his bedside. But it was with some dismay that he listened to the message that the Golden Figure had brought. Rampa's work on this plane was not, as he thought, completed...he was told that he could not as yet pass on to the next plane, but that he had more mystic truths to reveal to the world. Here is Rampa's observations on such intriguing subjects as Life After Death, Suicide, Meditation, Ouija Boards, Demons, the Astral Body, Organ Transplants, etc.—\$12.95

ground base with the Zeta or "Little Grays," is an immediate threat at this time?

DR. BYRD: Well, that's a hard-line question, however, in that we are on the cutting edge of a new era, I would have to say that, the Zeta's are going a little overboard, and I understand through my downlink, John Lear, that the Grays are procreating underground in Dulce, and may be responsible for some cattle mutilations and in some instances harming humans.

UFO REVIEW: So you think that's OK?

DR. BYRD: No, I didn't say it's ok....It's really amazing sometimes that we go to the butcher shop and we see several hundred types of mutilated animals—cows, hogs, chickens, fish, etc.—and yet we're very touchy or sensitive when we hear of an alien cutting out the tongues, or stomachs of our cattle. We can do it, but if aliens do it then it's like waving a red flag. Naturally, I am more concerned where human's lives are taken. I've looked into the matter, and in most instances, the human lives that were lost were military personnel, usually posing a threat to the little Grays, and I don't say it's right, but literally speaking, it would be looked at as "mortal combat." For example, several aliens were shot by the military during the first wave of alien ships that landed in the White Sands regions in the late 40's. To date, there have been over 1,000 crash and retrieval reports that the military has kept suppressed and still deny officially.

UFO REVIEW: That's simply amazing. Getting back to the Little Grays or Zeta population, can you give us any more insight into that situation?

DR. BYRD: Yes! Recently a visitor from Andromeda, a Gray leader, was captured in West Virginia, and was taken into custody by some NSA officials and taken to the Country Club in the D.C. area....He busted out of his holding tank and flew back to his home galaxy....

UFO REVIEW: This is too far out....Let's back up. Can we talk more about the Country Club. Where is it and what is it?

DR. BYRD: Well, the Country Club is a small, private group of buildings on the outskirts of Arlington, Virginia, not far from the CIA facilities....and it's actually an offshoot of the MJ-12 group. It's "Country Club" is a self-contained facility to house officials dealing with the Zeta groups in the desert, and the private jets that are flown in and out are government sponsored by civilian-type Ground Support personnel that are on the government payrolls.

UFO REVIEW: Amazing, this is the first time we've heard of this Country Club business.

DR. BYRD: Wild stuff, almost good enough for a new alien movie, *The Country Club*, starring Bruce Willis and the Visitor from M-31, a nearby galaxy...but on the real side, the M-31 alien is here to monitor the little gray situation in the desert to see how they and we are getting along.

UFO REVIEW: You speak as if we have something going with them.

DR. BYRD: We definitely do. This is very sensational stuff and I hope none of us gets into trouble for talking about this material. I refer to him as an emissary from Andromeda, who is here to deal with the gray population and he was put into confinement and busted out obviously irate with his abusive treatment, and as you know he speaks all the languages of the Earth. He even speaks them backwards—and in my opinion in that he was unarmed and did not pose a threat to us here on earth, he may have had other plans for the "Little Grays" and earthlings.

UFO REVIEW: Where are you intimating by "something" in mind?

DR. BYRD: Well, this is where the rub comes in, if according to my informant, John Lear, a highly respected UFO expert, and several people who have access to the Little Gray's activities in the M-51 area at Groom Lake, they are procreating at an alarming rate, some say to one million. I think the one million number is exaggerated to some extent, but it is a matter that we will deal with at the NATIONAL UFO/ALIEN CONFERENCE in Phoenix, in September.

UFO REVIEW: That's correct. I understand you've been invited to speak on these matters, and your Uncle's flight to the South Pole.

DR. BYRD: Yes, I'm looking forward to the conference, and maybe we can get a consensus on the Little Gray situation and advise accordingly.

UFO REVIEW: It has been a privilege, Dr. Byrd, being here with you and your lovely wife Shelagh, and we're all looking forward to you and all our panel of experts and world leaders in Phoenix in September.

DR. BYRD: Please say hello to Professor Bleu Ocean and all the other hard working people on your staff.

DR. FRANK STRANGES TO DELIVER TWO TIMELY SEMINARS

MINISTER STANDS BY HIS CLAIM OF CONTACT WITH SPACE ALIEN INSIDE THE PENTAGON

There is little doubt but that the classified CIA memo which refers to a "blue eyed 'superman'" who spoke excellent English and "could breathe freely in our atmosphere within any devices," is speaking about a human-looking extraterrestrial whom evangelist Dr. Frank Stranges met inside the Pentagon during December of 1959.

Stranges according to his own testimony—passed through several security points to meet with an amazing man who HAD NO FINGERPRINTS, could read thoughts, and had a garment which could not be cut, burned or otherwise destroyed.

The alien identified himself as Val Thor and claimed that while on Earth, he was using his influence to speak with "men in authority," but would not use force to change our troubled world. According to Thor, at the time "there were seventy-five of us from other worlds walking among you, constantly coming and going."

Long out of print, Stranges' full story will be presented in a new edition of the best-selling book *STRANGER AT THE PENTAGON*, to be published by Inner Light in time for the National New Age & Alien Agenda Conference in Phoenix, at which Stranges will conduct the following workshops:

"THE MASTERSHIP SEMINAR" SUNDAY, SEPTEMBER 8, 3:00 PM

Are you tired of being a follower? Fed up with being looked down upon? Have you been poor long enough? Are you ready to become a leader—a Master of others? Are you interested in learning the secrets of the THIRD EYE? Are you familiar with the secrets taught by the MASTERS OF THE FAR EAST? Does your interest lie with obtaining the powers as promised to human beings by the Master Jesus Himself?

If you can answer "Yes" to any of these questions, now is the time to act. If you need a better job, a new car, a nice home, advancement in spiritual power, you will want to see and hear secrets of the universe that will prepare you to learn certain knowledge that will set you aside from others. You will learn valuable secrets that have been shared by Commander Val Thor, who came here to help humankind.

NO ONE ADMITTED ONCE THIS SESSION BEGINS. BE WARNED, BE PREPARED, AND BE THERE!!!

"HEALING SEMINAR" MONDAY, SEPTEMBER 9, 10:00 AM

Dr. Stranges, internationally known Minister of Truth, will present a very special healing seminar which will include PERSONAL, INDIVIDUAL HEALING PRAYERS for those who attend. This keen insight has resulted from personal experiences, learning of the various "hidden" aspects of the cosmos, and understanding the original language of the Bible. He has, on many occasions, been INSTANTLY HEALED by a certain space emissary whose powers know no bounds. Dr. Stranges will relate these amazing feats simply because he was the intended victim for destruction by the dreaded "Men in Black." He will also reveal the Universal Secrets of personal protection by utilizing that special power, NOT OF THIS PLANET. Be prepared to RECEIVE SOMETHING WONDERFUL!

Each workshop is \$40 and it is suggested reservations be made in advance.

Conspiracy Expert Maintains Life on Earth Could Be Doomed By 1999!

WILLIAM COOPER ON EARTH CHANGES

Unlike many "doom and gloom" soothsayers, William Cooper, author of the conspiracy thriller *BEHOLD A PALE HORSE*, doesn't see the Earth coming to an end through a natural disaster such as the popularly predicted polar shift. Instead, the controversial lecturer who has appeared before large crowds all over the country, maintains if there

is an end to civilization, it may be because "Big Brother" had a hand in it.

"There is a rocket on the way to Jupiter right now—due to arrive in 1999—with enough platinum on it to blow up the planet. I think elements of the 'secret government' are planning to make a new sun in our solar system in order to prevent an Ice Age, which seems to be on the horizon."

According to Cooper, this new ice age could come about rather quickly and "furthermore, we are being tricked into believing that there is a mass global warming taking place, when the exact opposite is really the case."

Cooper says that we should learn to become more self-sufficient, in case a global event of this magnitude does take place, because it will put officialdom into turmoil and in essence it will be "everyone for themselves" all over the land.

Cooper has become a popular figure at previous conferences put on by Inner Light and his appearance at the 3 Annual National New Age & Alien Agenda Conference in Phoenix is sure to be eye-opening. "I'll be covering some new material in relation to the CIA and the alien agenda that is going to be affecting us all," Cooper notes, "as well as covering material on the New World Order and related matters such as the hostage for arms situation and the Farm Credit Bureau rip off which could lead to a lot of good folks unnecessarily going broke."

While in Naval Intelligence, Cooper saw documents regarding an agreement made between the ETs and the government to exchange alien technology for abducting humans, a practice which, as far as he knows, is still going on! Cooper will be lecturing as part

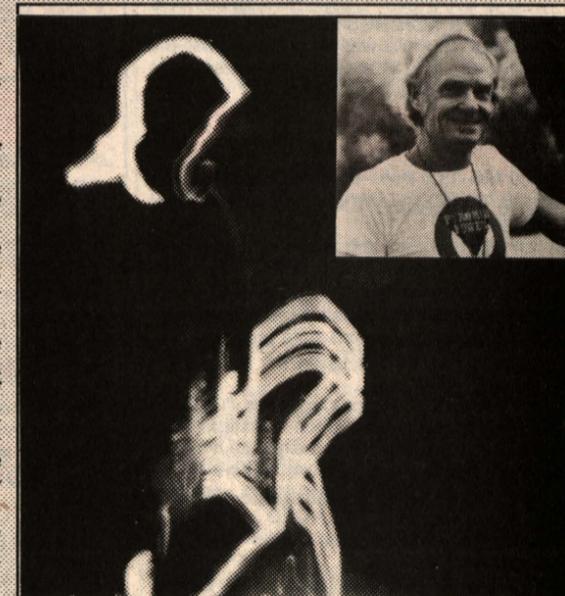

of the Sunday night, September 8th program and will deliver an extensive workshop, for which there is a \$40 admission charge, the following evening at 8 PM, on Monday, September 9th. The program will be held at the Airport Holiday Inn, Phoenix, Arizona.

BILL COX TO MAKE "UNSEEN KINGDOMS" VISIBLE!

The author of one of Inner Light's most popular books, *UNSEEN KINGDOMS*, researcher Bill Cox is convinced that there are many realms and dimensions around us which are vibrating to higher frequencies than most of us can normally see or sense, but that sometimes this "doorway" opens and we receive knowledge and information which can be useful. As part of his globe-trotting adventures, he has traveled many a dusty trail in search of hidden civilizations, the occupants of which used modern forms of technology, though they vanished from the face of the planet centuries ago. In South America, he's penetrated the deepest jungles, while in Egypt he has explored the secret chambers of mighty high priests.

As a result of his investigations, he is convinced we are in the midst of a psychic explosion and that beings of super intelligence are starting to walk the Earth again. As part of his lecture—and in more detail in his workshop—he will explore what he has found and how it can be applied to everyday life to benefit us all. He will also expose the secrets of dowsing and how to tell if a UFO contact or encounter is authentic. His lecture will be held during the Saturday morning session with a full workshop-seminar scheduled for Sunday, September 8th at 12:30 PM.

"Spacemen" living amongst us have the ability, says Cox, to distort their image on film and to take upon other likenesses.

Interview With Former NASA Engineer Fred Bell

The Pleiadian Starship Experience

Dr. Fred Bell began his amazing career in science in 1952 at—believe it or not—the age of nine. In his early teens, he received educational grants to work on such subjects as atomic energy and particle physics. His late teens found him in the U.S. Air Force and later in aerospace with Dr. Werner Von Braun. While studying with the Eastern Masters, he became a contactee of the now-famous Pleiadean known as Semjase, a very beautiful space woman.

Brad Steiger has written a best-seller containing some of Dr. Bell's original experiences, entitled *The Fellowship*, which was published several years ago in hardback by Doubleday. More recently, Dr. Bell went into greater detail when he described his very dramatic on-going relationship with these star beings in a very poetic volume, **THE PROMISE**, to be published by Inner Light Publications in October.

Also a musician, Fred has composed many musical compositions which allow the listener to share the adventure of a super-sensitive chakra excitation as well as a musical journey through space and time. He has already toured much of Europe with his laser light rock show and will be bringing it to Phoenix on Saturday night, September 7th at 10:00 PM, as part of the **NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE**. The following brief interview covers various aspects of Dr. Bell's work with his extraterrestrial friends.

QUESTION: How did your first UFO contact come about?

BELL: I was experimenting with various Yoga techniques and felt a heavy pressure that indicated to me that it was possible to contact other entities. In 1973 my first physical encounter took place, when this ship came and hovered above the house. I could make out the figure of a girl standing in the doorway and she communicated with me that there would be other encounters and I could feel a power charge my emotional body. The funny thing is that there was a group of other people in the house, and we had been engaging in various psychic experiments and yet they were all too scared to come out and take part in what I was going through. I was told that people often react this way and thus the meetings were just for me because a lot of others are just "not ready."

QUESTION: Did other people see or hear anything unusual while you were outside?

BELL: I was experimenting with various Yoga techniques and felt a heavy pressure that indicated to me that it was possible to contact other entities. In 1973 my first physical encounter took place when this ship came and hovered above the house. I could make out the figure of a girl standing in the doorway, and she communicated with me that there would be other encounters and I could feel a power charge my emotional body. The funny thing is that there was a group of other people in the house and we had been engaging in various psychic experiments and yet they were all too scared to come out and take part in what I was going through. I was told that people often react this way and thus the meetings were just for me because a lot of others are just "not ready!"

QUESTION: Did other people see or hear anything unusual while you were outside?

BELL: It was around 3:00 AM, and so most of the neighbors were sleeping, but the dogs started acting up and little by little the lights of the houses in the canyon started coming on. The ship along with Semjase quickly disappeared going back up to the astral plane into their own space-time continuum.

QUESTION: Your background is that of a scientist and engi-

neer. Have the Pleiadeans given you any advanced technical information that could be helpful to us here on Earth?

BELL: Definitely! There have been a number of devices that Semjase has given to me, which the people of her world want to share. The Irradiator helps alter a person's consciousness. With this device you can create and change already existing time fields and space fields and go in and out of other dimensions. It helps to program your astral body. Then there is the Nuclear Receptor, which you have already been advertising in **INNER LIGHT** and **UFO REVIEW**. It's a simple device which you wear around your neck and it reverses the aging process of the cells and causes them to reproduce so that they're more receptive to consciousness. We are also working on a new device called The Projector, which is a more advanced version of the Nuclear Receptor.

At our present rate, my studies show that, based on values of negative and positive ionization, if society continues on its current course, we will run out of breathable air by the end of the year 2,000. That is why I am so wrapped up with this extraterrestrial technology—as we may need it to save the world.

QUESTION: Is there an overall purpose in the Pleiadeans revealing this technology to humankind at this exact moment?

BELL: They want to free us as individuals from the traumatic life shortening, compromising traps our society has led itself into. Once freed of this, we become timeless, boundless, much happier. Our bodies can begin to enjoy life and even if we can only increase our present life span by 50 percent longer, at least we have begun to reintroduce longevity back into

A Supercharged Medallion—A Hidden Burial Chamber—Death at the Hands of the Nazi's—And A Beautiful Woman From Space

THE PROMISE

By Dr. Fred Bell—as told to Brad Steiger

Though his scientific training—including being an engineer on various NASA projects—had taught him to be highly skeptical of anything remotely smacking of the supernatural, a voice inside his head warned the author to be careful—that someone was out to kill him.

Several hours later in front of a roomful of people who had come to hear him speak, a deranged woman took a .38 revolver out of her purse and attempted to assassinate Dr. Bell.

While being drag-walked away by two large security guards, the woman began to scream out in rage and frustration: "Dr. Bell you must be stopped! You have something that does not belong to you. You are a thief who has stolen the gift of the Star Gods. The ancient ones have decreed that you must be stopped—and you WILL be stopped!"

Instantly, Fred knew that the "gift" the woman was referring to was in reality a very special medallion—an ancient artifact—he had held in safe keeping for years and worn on special occasions around his neck. The medal had been given to the scientist under a mysterious set of circumstances. It had been found by his father while on an archaeological expedition in 1939, where it was uncovered in the temple of Hathor, the Egyptian goddess of love and beauty, which the ancients had dedicated to the Pleiades.

Thought to possess tremendous magical powers, Dr. Bell's father died at the hands of the NAZI's when he refused to turn what he described as a "cosmic energy receptor" over to the S.S. The medal was hidden away till the end of the war, when finally it came to its rightful resting place in the Bell's home.

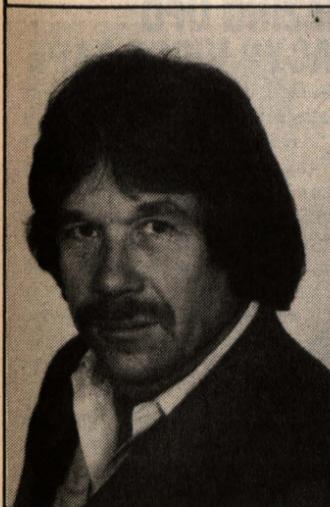

THE PROMISE is one of the most dramatic books ever written. And while some may say its contents may read like science fiction, this work, the author assures us, is not intended purely for fans of *Star Wars*, as this book is stark reality and is based upon a life of intervention into the life of one Earthperson by forces from a far-away star system.

Here is all the drama and excitement of an Indiana Jones movie, except that all the characters really exist. Here are car chases, death threats, ancient Tibetan manuscripts, secret power devices, hidden burial chambers, past life recollections, and a power struggle between the dark brotherhood versus the angels of light.

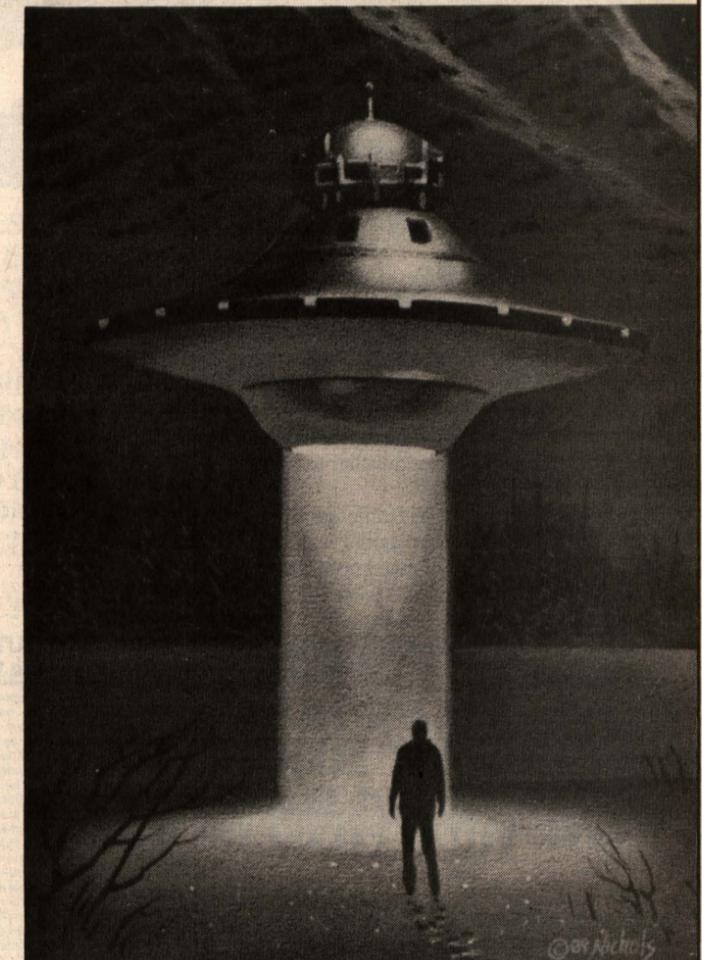

A STAR SEEDLING

Apparently, centuries ago, a "seed" of some kind was planted within the Bell genes. And today Dr. Bell (who is a direct descendant of the inventor of the telephone) is constantly being activated by beings from some higher dimension of reality who are, in essence, projecting their consciousness to the descendants of those who were implanted with this unique spiritual seed thousands of years ago.

Dr. Fred Bell began his career in science with biofeedback and other experiments in 1952, at the age of nine. In his early teens he received educational grants to work on such subjects as atomic energy and particle physics. His late teens found him in the U.S. Air Force and later in aerospace with Dr. Werner Von Braun. While studying with Eastern Masters, he became a contactee of the now-famous Pleiadean SEMJASE. Brad Steiger has written a best-seller containing some of Dr. Bell's experiences, entitled *The Fellowship*. Also a musician, Fred has composed *Fellowship: The Sound to share the adventure of a super sensational chakra excitation and a musical journey through space and time*. He is currently touring the world, giving lectures and concerts and will be part of the program at the forthcoming National New Age & Alien Agenda Conference in Phoenix.

MEET SEMJASE

THE PROMISE also details Fred Bell's ongoing close encounters with Semjase, the beautiful and exotic female alien from the Pleiades, who was portrayed in actress Shirley MacClaine's book and TV mini-series, *Out On A Limb*, as the enchanting and mysterious woman who appeared at a UFO landing site high in the Andes of Peru.

Semjase has entrusted Dr. Bell with much of an otherworldly nature, including prophetic discourses regarding the future and possible ecological destruction of Earth—to the development of a much more advanced scientific technique that can help each and EVERY-ONE of us grow as individuals in the New Age.

our DNA structures, so that our children can live even longer and enjoy their even greater awareness, which, of course, we will see in our next lifetimes.

QUESTION: Many researchers believe that in Biblical times, people lived much longer than they do today. Is that true?

BELL: Several thousands of years ago, during the era when Atlantis ruled the world, the human race had a much longer lifespan. A hundred year lifespan simply gives us ten, ten year periods and then our bodies become quite feeble. A person possessing a reasonable intelligence and normal consciousness usually does not even become effective until he or she is 50 or 60 years of age.

QUESTION: So what happened to cause this?

BELL: Our race fell when the Dark Priests of Atlantis made a technology agreement with the Greys—a group of aliens—just as our own unconscious Majestic Twelve secret sect of our own U.S. Government remade the same deal at Edwards Air Force Base in 1954. A trade was made for the freedoms of humans and animals for DNA regressive therapy on our race for the privilege of new space propulsion systems and weapons technology.

QUESTION: Do you see any hope that we can fight against this sinister oppression, both from space and from without our own society?

BELL: By all means, those of us in the "know" have the means to "fight back" when we spread the light of the New Age in our work and in the deeds that we do every day for our fellow beings. I have found that when we give authority to ignorance, we produce a dead society and this pattern can continue and we are in for a great surprise. Although limitless power plays continue to keep financial wealth in greedy hands under the auspices of a One World Government, one currency and a credit monitoring system, reinforced by a depopulation policy, the wheels of forced suppression are grinding to a halt.

I have long been given scientific guidance from outside groups of extraterrestrials. The Pleiadians started working with me actively in the early 1970's, and this work continued until November of 1989, when Semjase finished her tenure here in this Solar System and moved on.

Before she left, she did two things. The first was to hand over the

plans for a new interdimensional life enhancing tool that superceded the Receptor, for the exclusive use of those who would be ready for its usage. The second thing was to introduce a number of us to Leeara, who comes from the Galaxy of Andromeda, and is a direct representative of the Council of Elders, and daughter of a Master.

Along with Leeara came the science of Holographics, among which the Projector hails as the first article. Developed by my company Pyradyne, by an Aerospace company that built parts for the Mariner Mars landing, the Projector is a precision device that unwinds the DNA into the fourth dimension and thus helps the wearer become timeless and free of dimensional boundaries.

QUESTION: Not to be critical, but you talk mainly as if these types of experiences are only happening to you....

BELL: Sorry, if I gave that impression—perhaps it's just because I'm out in the open about what I believe in and what's been happening to me. Most of the others of a scientific mind who have undergone similar experiences are still in the closet. But I am not alone. The guy that built the first big IBM computer dreamed for many years about extraterrestrials. He let it be known that he dreamed about his invention first and then brought it from the dream state to the physical. Werner Von Braun and I used to talk about this kind of thing frequently and let's not forget that Nikola Tesla was communicating with people from other planets early in this century. In fact, there's a lot going on behind the scenes than most of us are aware of and little-by-little more scientists will be coming forward when they realize this data may be the only way to save the world.

QUESTION: You've been involved in the music scene for some time, isn't that true?

BELL: Yes, for a while I even toured with the Moody Blues, and their keyboard player is a good friend of mine. I've even put together a rock music, laser light show, which incorporates many of the elements that the Pleiadians have shown me. When I was first around their craft, I heard music inside my head. I went out and bought a bunch of keyboards, Moog synthesizers, and I started putting things together. I purchased one of the first Roland D-50 synthesizers called a Linear Arithmetic, which is one of the most beautiful sounding instruments in the entire universe. It has a

LET THE "NUCLEAR RECEPTOR" ENHANCE YOUR HEALTH & RAISE YOUR CONSCIOUSNESS

In 1981 through his contacts with the Pleiadians, nuclear physicist and UFO contactee, Dr. Fred Bell developed the "NUCLEAR RECEPTOR" which he was told could absorb negative energy and transform it into a harmonious frequency before entering the body. The negative is turned into a positive force and healing and higher consciousness soon follow. The RECEPTOR is tuned to the vibratory level of the universe and aids, uplifts and heals, says its inventor. This attractive medallion is 3.5 cm in diameter and combines the powers of pyramids and metals along with knowledge of color and gemstone therapy. It is literally "powered" by a truly new and impressive space-age technology from out of the stars. Comes with explanatory literature.—\$100.

THIS MAN WILL SHOW YOU HOW TO TURN YOUR DREAMS INTO REALITY

As we head into the 21st Century, it will become common to see humans demonstrate what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clairsentience," which is the ability to feel something at a distance without touching it due to an electro-chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in its ability to control all things created around it. In effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the

mind which now lays dormant, mankind will be in total control of its environment. **GOOD NEWS!** You don't have to wait. Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations have taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions; the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is UNDER OUR COMMAND.

It is necessary to realize that God also created a host of other kingdoms. Right now—ALL AROUND US—there are uncountable tiny creatures which exist in what is called the "ether." They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining your money, fame, love or anything else your heart desires, they do what you want—as long as you know how to talk to them—without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

built-in computer, so I fed into it the sound of a Pleiadean starship, and mixed it with linear synthesis, to create harmonics that are truly "not of this world." When I recorded the sound, the ship was right overhead, and I've found that when you generate an extraterrestrial sound of this type, the sound goes into the body and produces hormones that have the ability to elevate our consciousness. Repeated listenings can even cause the subconscious to go into an altered state.

Two of my tapes are currently on the market. **THE FELLOWSHIP** incorporates the sound of the Pleiadean ships, while **ATLANTIS RISING** (which is available from Inner Light, by the way), consists of all Pleiadean sounds. It starts out under water. We're using the Pleiadean sound generator now, but we're using them as they were used back in Atlantean times.

QUESTION: You'll be playing these sounds at the upcoming **NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE** in Phoenix, won't you?

BELL: We're going to put on a really good show for Tim Beckley, and one that will benefit everyone in the audience. By putting on a rock laser light show, we can extend the range of interest well beyond the New Age audience and bring in some of the younger people who may not be exposed to this type of material as a rule. It's kind of what Pink Floyd and Electric Light Orchestra have been doing for a while.

QUESTION: By the time this issue of **UFO REVIEW** is off the press, your new book **THE PROMISE** should be just about ready to come out... Why is this book so important to you?

BELL: Hopefully, we will have the book ready in time for the Phoenix conference. It is a dramatic account of my first-hand experiences with the Pleiadeans, and with Semjase. It shows how these things have been interacting with me on a personal level for years, and how through the course of history they have remained nearby, keeping a watchful eye on our planet. I think Brad Steiger did a really good job in capturing the drama of what has been happening. Readers won't find this a "dry" book by any means. Many will say it reads like a novel, and this is probably why a major Hollywood studio has shown considerable interest in making **THE PROMISE** into a motion picture, along the lines of Indiana Jones.

Announcing The Most Important Book We've Ever Published

"From Out Of The Blue"

The Incredible UFO Coverup At Bentwaters AF Base

During the period of Christmas-New Years 1980, an incredible series of events took place just outside of Bentwaters NATO Air Base, staffed mainly by the U.S. Air Force near the tiny market community of Woodbridge in Suffolk, England. The bizarre series of events that transpired there included radar detection of a high flying object headed for a largely wooded area on the outskirts of this secured area; a possible "crash landing" of the craft, in which alien beings were seen by military and civilians possibly working on their malfunctioning ship; communication between a member of the U.S. Air Force team sent to investigate and several small statured beings; 18 minutes of censored tape on which the actual conversation of those present can be heard; a massive coverup that includes both British and U.S. officials, including a U.S. Senator; the existence of motion picture footage as well as still photographs; missing documents and the attempted silencing of those who witnessed the amazing series of events which took place over several nights.

The case has become highly controversial, with a number of witnesses coming forward to tell of what transpired. Others involved in this dramatic close encounter have gone into hiding, fearful of the possible repercussions that might take place should they tell what they saw and heard while personally involved in this out-of-this-world saga—which may now possibly extend to the White House in a bid to keep hush-hush startling evidence of this incident, which is one of the most highly documented in history.

In 1984, respected British UFOlogist, Jenny Randles, penned a book entitled *Sky Crash*, which she had written with "two brave, but I must say without disrespect, UFOlogically inexperienced women who lived near the base." Randles states in retrospect that at the time of this book, "the story was still a mass of confusion, with information battling disinformation, witnesses hiding from investigators and cover-ups protecting everything." Unable to "clear a path" through the mess, she put the case away for many years until new and startling information slowly began to surface.

According to first person testimony Jenny has since been able to piece together the following in the overall series of events as they reportedly took place:

"It was after midnight on 26-27 December (although the exact date is open to some question, and may have been 24 hours earlier). The scene was a military radar unit known as Watton—one of many establishments forming England's primary NATO defense on the Eastern coast.

"Eastern Radar tracked a strange blip. They lost it a few moments later as it fell below coverage height, east of the town of Ipswich. It had not behaved like normal traffic. They were puzzled, but were soon made aware of three other things. Other radars had picked it up as well—so it was no malfunction...It was not any known civil or military activity...And people on the ground in the vicinity of the air bases of Woodbridge and Bentwaters (some 50 miles south) had seen it fall from the sky and crash into the forest, where they had gone out to see what it was. It was a UFO!

"The object had appeared as a dazzling light. Ground observers had seen it as it crashed through trees. Civilians on the local road, returning from parties had also seen the brilliant glow. Some security patrolmen went out from the east gate of Woodbridge and reportedly found the object ON the ground. It was partially damaged; although testimony from what is now a reliable entourage of men from the base at various ranks says that it was partly immobilized and surrounded by a strange hypnotic fog or vapor. It was also maneuverable, whereby it avoided the approaches of a security team as if endeavoring to escape. Eventually,

Bentwaters AF Security Officer To Tell of Close Encounter

Larry Warren was a Sergeant in the U.S. Air Force stationed at Bentwaters as part of the base security force when he was ordered to enter Rendlesham Forest to check on reports that a strange object had landed there. As he approached a clearing Warren observed a brightly glowing patch of ground fog. Suddenly, a small red light made a downward arc out of the sky and exploded over a fog and a "big machine shaped like an 'arrowhead' appeared where the fog had been. The main body was pearl white with a rainbow color effect. It was constantly distorting as I looked at it. At the bottom was a bank of extremely bright cobalt blue lights. Below that, I thought I could make out dark landing gear. Covering its entire surface were what looked like boxes, pipes and strange extensions."

At one point, Warren insists alien creatures could be seen. "They were small, about three to four feet tall and ghost-like in appearance. They had large heads with catlike black eyes.... They were not human at all, but I was not frightened. Each wore clothing that was very bright, almost silver." During the close encounter, Warren says that a form of telepathic contact was established between the aliens and Wing Commander, Lt. Col. Williams. "Standing about six feet apart; they seemed to stare at each other. Williams looked down—he was over six feet tall—the beings cocked their heads back slowly so they could see his face. It was amazing. It was then I knew they were really alive. I could not hear any conversation. I don't think there was any in the traditional sense, but I believe they were communicating."

In his lecture on Friday evening, September 6 at the National New Age & Alien Agenda Conference at the Airport Holiday Inn in Phoenix, Warren will present the details of his encounter and discuss how he was released from active duty because of his involvement in this episode.

On Saturday September 7 at 12:30 he will go into considerable detail about the possibility that there is an actual underground base in Rendlesham forest. About how the Halt "Secret Tape" came to be released because of his involvement. How he went through numerous "interactions" with "them" since his close encounter ("Budd Hopkins has known of this for some time"). Warren also promises to discuss the "politics" of the Bentwaters case, which has involved Senators, Congressmen and assorted other elected officials, "none of whom could do anything for me." As part of his workshop, he will show various slides and videos that document what has been called the most important close encounter since the crash at Roswell. Currently, Larry Warren is working on a book with researcher Peter Robbins, to be titled **LEFT AT EAST GATE.**

AL BIELEK TO EXPOSE TOP-SECRET GOVT. "BLACK PROJECTS"

Since the publication of **THE PHILADELPHIA EXPERIMENT & OTHER UFO CONSPIRACIES**, Alfred Bielek has recalled additional details concerning his involvement with this infamous Navy test, that caused a warship to vanish into another dimension and its crew to travel into the future. In addition, he has built a network of "insiders" who have confided details concerning more recent "black projects" including alien trade agreements, time travel, dimension jumping and weird psiotronic inventions. He will be lecturing as part of the National New Age & Alien Agenda Conference Saturday, September 7 and will give a workshop the following evening at 5:30.

SECRET CIA FILES OPENED BY CONGRESSIONAL ORDERS "Freedom of Information Act" Reveals Startling Data

UFOS POSE DANGER TO LIFE ON EARTH!

According to new information, when the warship—the Eldridge—dematerialized and moved ahead on the time track, it ripped an enormous "hole" in Hyper-Space, "forty years wide." This tremendous tear in time allowed a vast contingent of both good and bad aliens to enter our space-time continuum...Some of these beings pose a very serious threat to life on Earth.

The U.S. military—led by a Top-Secret group called "MJ-12" has been involved in a massive cover-up preventing the TRUTH from being given to the public. Some members of the military have even sided with the aliens and are involved in a number of UFO-related conspiracies as revealed in Brad Steiger's amazing new book, **THE PHILADELPHIA EXPERIMENT & OTHER UFO CONSPIRACIES.**

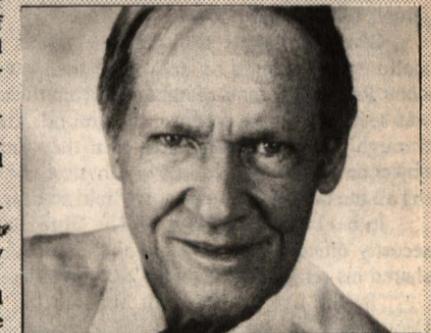

• For example, a Beverly Hills medical doctor has stated that many of his celebrity clients claim to have been abducted by aliens from other worlds and dimensions. A number of actors, directors, and producers have said they were "teleported" from their homes directly into alien spaceships, and hundreds of women have recently described to researchers unusual pregnancies as an unwelcome by-product of abductions by ETs.

• Thousands of cattle have either mysteriously vanished or have been mutilated by unknown hands. Ranchers have been unable to solve the mystery and UFOs are now being blamed in many cases.

• An attempt was made to "take over" Earth by hostile alien forces in 1987, but was prevented at the last minute by a more highly advanced "Interplanetary Council."

• Underground alien bases have been established throughout the U.S. and weird genetic experiments are taking place at these installations.

• The CIA has created an ESP-Corps to defend against an alien attack through mind-control technology.

Former seaman Al Bielek was part of the "Philadelphia Experiment"

By BRAD STEIGER

author, **THE PHILADELPHIA EXPERIMENT & OTHER UFO CONSPIRACIES**

Over the years, there have been persistent stories involving a Top Secret government project known as the PHILADELPHIA EXPERIMENT, in which in 1943, the U.S. Navy secretly accomplished the "impossible" when they successfully teleported a warship from Philadelphia to a dock near Norfolk, utilizing the highly classified "Zero Time Generator."

The experiment began as an attempt to develop radar invisibility, the "ultimate camouflage" to protect U.S. ships from Nazi and Japanese submarines. Then, according to accounts, the destroyer Eldridge "vanished into thin air" with a full crew on board. And when the crewmen and officers "returned" to this dimension they would be forever trapped in hellish torment.

Horribly a number of the crew burst into flames in spontaneous human combustion. Others had portions of their bodies "frozen" into the steel structures of the destroyer. Of the men who somehow managed to survive, many spent the remainder of their lives committed to psychiatric wards and mental institutions.

Though officially the U.S. Navy has categorically denied that any such experiment took place, "the rumors" have persisted—and they are very strong! Researchers have continued to receive accounts from eyewitnesses of the experiment and those who claim to be survivors of crewmen consigned to ashes or asylums.

A SURVIVOR DESCRIBES THE HORROR

Now at long last, Alfred Bielek, a physicist and former Navy seaman has come forward claiming

FANTASTIC & BIZARRE EXPERIMENTS

From scientific data extracted from the "Philadelphia Experiment," as well as from information derived through Extraterrestrial sources: the military currently enjoys a remarkable acceleration of technology that is utterly "mind boggling," to the average person.

According to Alfred Bielek, who reveals his findings in **THE PHILADELPHIA EXPERIMENT & OTHER UFO CONSPIRACIES**, the following experiments have been successfully conducted:

• The CIA has all kinds of incredible technology that can work with an individual's genetic blueprint and external matrix that flows around it. They can do physical age regression and progression, literally making an older person younger. One seaman died of "old age" in three days

when he aged about a year an hour.

• Secret government agencies have the ability to arrange new bodies for souls whose previous physical bodies have been pronounced dead or killed in mysterious "accidents."

• Energy forces have been created which, when unleashed, have caused great damage to lives and property. Such "electrical monsters," a dozen feet tall, recently caused "whirlwinds" that crushed homes throughout a section of Long Island.

• Time warps have been crossed, with "security forces" traveling backward and forward in time in a real life "Back to the Future."

• Individuals have been rendered "invisible," in experiments so bizarre as to be believed.

it was seen to return back to the sky under its own power and apparent intelligent control.

"The object was the size of a small car and unconventional in shape. It was never seen too clearly, because of the pitch dark and the fact that it was getting out of the way, but the effects on the men who witnessed this close encounter was devastating. Indeed one man stayed out in the woods, transfixed by the episode and literally had to be dragged back to the safety of the complex in a near-catatonic state.

"After a debriefing on base the following morning it seems that there was a feeling among certain personnel that the UFO was going to return. For this reason—plus the report that 'traces' of the UFO crash had been found in the forest—a semi-official reconnaissance mission was organized two nights later. This involved up to 30 men—including some senior officers, security personnel and equipment from the disaster preparedness team. Their primary mission was like a cross between a nocturnal survey of the UFO landing site and a UFOlogist's skywatch. It was to be rewarded in a most unexpected and eerie manner.

"Not only did the team find the traces, whilst strange happenings plagued the huge arc-lights taken out for visibility, but their inspection of these irradiated areas was interrupted by the return of lights in the sky. The entire procedure was recorded as it happened onto a tape recorder—and an 'edited' version was much later (and most remarkably) made available to our investigating team in England by the former base commander, the very week that *Sky Crash* went to press.

"Some 18 minutes of tape exist; although we have other reliable accounts of what occurred in the several hours not recorded. Testimony from some of those whose voices are preserved for posterity—explaining more of the background about what was going on as they acted out this 'live' drama. The tape has been deeply analyzed and enhanced in order to bring out fine details, which are not easy to hear on normal playback." The contents of this tape are transcribed in Jenny's blockbuster book.

Giant floodlights set up in the woods seemed to mysteriously malfunction, turning on and off of their own accord. At one point, notes Randles, "Beams of light shot from the surface of the object that was seen hovering just above the ground. The beams passed straight through the thick tree stumps as if they did not exist. No physical object could do this. No known physical object. This thing was defying all the laws of nature that we hold so dear."

In her book *From Out of The Blue*, Randles tells the story of a security officer who was part of the encounter and who has since shared his remembrances with local investigator Brenda Butler.

"By the time he was sent out into the forest around 03.00 on December 27, there were others there who already knew that a UFO had landed. He said it was on the ground for hours and senior officers had come out from the base—including the overall Wing Commander, Gordon Williams.

"He saw beams of light emerging from the base of the craft and suspended within these were three small entities, just over three feet in height. They looked identical and wore silvery suits that covered all their body. The men were ordered to stand well back and he saw Williams step forward and apparently communicate with the beings using hand signs. He felt sure a contact took place.

"Then the beings returned to their craft, as if sucked up by the light beams. The UFO rocked from side to side and then took off into the air, streaking away towards the coast and vanishing suddenly—but not before photographs were taken which would prove once and for all that aliens had landed on planet Earth.

"He and all the men were reminded of their obligations and told not to discuss it with anyone. Thus he asked Brenda to respect his confidence."

As it turned out, notes Randles, the events that transpired were not limited to those in the military. "Local animals were disturbed—some cattle fled into a road and were hit by a passing taxi, the farmer later being 'bought off' to ensure his silence."

Through the Freedom of Information Act in the U.S., Jenny was able to obtain important "Official Correspondence" from high-ranking military personnel concerning the Bentwaters encounter. But it was her own "follow up" research in Britain that brought about the most success, as well as various chilling sidelines that had not been disclosed

SECRET PROPHECY OF FATIMA REVEALED!

BRAND NEW EDITION

THE VISIONS

Six visions are associated with the Miracle at Fatima. The first vision was on May 13, 1917 and involved three little children—Francisco, Jacinta and Lucy, who reported seeing lightning on a cloudless day and a globe of light which settled amidst the branches of an old oak tree. Little by little a light appeared to develop in the center of the globe and the figure of a beautiful young woman appeared surrounded in iridescent radiance. The woman spoke to the children. She said, "Do not be afraid, I will not harm you." The lady told them to return to the same spot on the same day of each month and that eventually she would perform miracles and make her presence known to the faithful.

The children suffered numerous persecutions. Their own parents called them liars. The church said the apparition was Satan's handy work, while the government actually threw them in jail and threatened to boil them alive in a vat of oil, if they didn't confess to making up the entire episode. The trio kept to their original story and the crowds grew in hopes of being blessed by Jesus' mother. They came on crutches or were carried in the arms of loved ones. Many miracles were subsequently performed and the spot has since become a shrine.

THE THREE PROPHECIES

During the course of her appearance, the "woman in white," gave the children three prophecies. One prediction involved the end of the first world war, the second concerned itself with World War II, and the rise of Russia as a global threat. A third prophecy was given but it was decided that it was too traumatic to be revealed and instead of being released, the prophecy was placed in a sealed envelope and handed over to the Bishop of Portugal for safekeeping until it was to be opened in 1960 in the presence of the Pope. 1960 came and went without any disclosure from the Vatican, but those who were present at the opening of the envelope say the Pope's face turned white and he felt sickly after reading the contents of the third prophecy of Fatima. To this day the church has never disclosed the final message of the Blessed Mother. Many feel the prophecy deals with Armageddon, but the truth may even be more shocking. What is not generally known is that Lucy (who later became a nun) has continued up to this day to have prophetic visions the contents of which are also utterly startling.

PHENOMENA OF THE FALLING SUN

As 70,000 stood in stunned silence on October 13, 1917 at Fatima, the sun seemed to leave its orbit and come crashing toward earth. It had been raining heavily before the Virgin's promised appearance at noon but suddenly, the rain stopped and many witnesses reported that the sun started to spin in much the same way that a firecracker pin wheel spins. It gave off fiery fingers of light that extended across the sky. The

earth itself changed colors. First it was cast in a sort of red shadow, then orange, yellow, green, blue, indigo and violet. As the sun plunged toward the ground it shimmered violently. The crowd screamed. Some thought it was the end of the world. Thousands fell to their knees in terror. Others went prone, pleading with God to have mercy. The weird display continued for 10 minutes. Finally, the sun halted its devastating approach and started to climb again to its normal position in the sky. The ground dried up immediately. This is generally thought to be the greatest miracle of modern times witnessed by thousands of believers and former skeptics alike. This miracle defies science and it has never been explained—IT NEVER WILL BE!

AN EERIE COINCIDENCE

The coincidence was startling. Just after 5 P.M. on May 13, 1981, Pope John Paul II was shot while riding in a white jeep through St. Peter's Square. It was just after 5 p.m. on May 13, 1917, that the three children while tending sheep saw the Virgin Mary for the first time.

The Pope was still in the hospital recovering from the Turkish radical's bullet when he decided to go to the Basilica of our Lady of Fatima to give thanks to the Blessed Mother for saving his life.

Pope John Paul II is convinced that his remarkable recovery from his bullet wounds was the result of the intervention of the Virgin. In December 1981 he told an audience, "I have seen the extraordinary maternal protection that showed itself to be more powerful than the homicidal bullets."

The Pope's devotion to Mary is unabashed and certainly no secret. His feelings for Mary have been fervent even when he was Bishop of Krakow, Poland. At that time he had an "M" for Mary embroidered on his robes. Now that he is the Pope, his blue-and-white shield bears the same letter and his personal motto is "Totus tuus sum Maria," which is Latin for "Mary, I am all yours."

PHOTOGRAPHIC PROOF

The Middle Ages is generally considered the golden age of the cult of Mary. However, there are many theologians, historians and sociologists who don't agree. One of them is a minister from Washington, N.J. who says: "We have wars, threats of war, cults, drugs, and a thousand other problems. People are looking frantically for help, and in Mary, they find it." The minister is convinced that the 20th Century is the age of Mary. Another who feels the same way is a specialist in the history of Christianity at a university in Pennsylvania. "This is the most active age of devotion to the Virgin...The interest has been building for the past 150 years with more and more reports of Mary in more and more places." This book discusses many of these apparitions in detail and actually published AUTHENTIC photos of the Virgin Mary as snapped by the eye of the camera in several locations over the last few years.

during her earlier investigation."

"Over the years, I built up bulging files of information, new leads, further cases and comments about what may have happened—some staggering.

"I found a whole series of extraordinary cases that had occurred in the vicinity of British bases which provoked the question as to whether whispers that the authorities have had secret meetings with UFO-nauts might be less ridiculous than they seemed—and towards the location of Britain's own 'Dreamland'—an underground complex of fantastic power.

"The Woodbridge/Bentwaters area was not immune. Everything from a 1947 military encounter on the base to those mysterious crop circles popping up in 1990. In between were many more sightings of similar UFOs over the area of the base, unexplained car stop incidents and mystery photographs from the landing site depicting a possible UFO, plus a civilian plane almost destroyed when it hit a UFO over Rendlesham Forest.

"Meanwhile my contacts on the case became more unusual—and dangerous. They began with a record producer who lead me into the field of mystery radio communications with aliens and progressed to a thief holed up in prison who had come upon documents about the case when in the course of his dubious activities. As if the moral dilemma posed by this revelation was not enough—and after encounters with 'Men in Black' encouraged me to collate material on them with surprising results—I suddenly found myself offered data by a high-level government scientist. What he knew seemed extraordinary.

"After an enquiry he promptly advised me (and I think very seriously) that if I continued asking awkward questions about the Bentwaters case I could end well up feeding the fishes. I stopped this line of investigation right away!

"Soon afterward, a key witness in the case died suddenly under mysterious circumstances. Then I heard of a second such 'accident' whilst I was offered a massive amount of evidence about crashed UFO cases and military contacts at air bases. This came to me via a senior

British contact who said he had smuggled the data out of the USA. The whole investigation was becoming distinctly unnerving.

"Faced with such things I concluded that the safest action I could take was to record what I knew and tell others, so I was not holding ANY information that might put me at risk. So I logged everything in several separate secret places and shared it all with others. That way anything that might happen would just be counterproductive and add to the case. The investigation was certainly no joke.

"In trying to evaluate these and other events, many questions have to be weighed together. I delved into various possible solutions and can make out quite an impressive argument for several of them.

"Was this UFO technology from an earthly source—top secret space hardware captured during 'Star Wars'? The theory has major repercussions and some supportive evidence, but I believe it is ultimately lacking.

"More than a few facts suggest that drug-induced hallucinations were at work—with Uncle Sam practicing some devious techniques on its own men prior to the need to tackle the 'enemy' in some future battlefield scenario. A fascinating idea, but again ultimately lacking.

"Of course, the claim of the debunkers is that the UFO was a bright meteor and the lights recorded on the tape a lighthouse. The ground traces were all the result of rabbits. I may shock you by admitting that SOME of this has SOME truth in it, but this is by no means an acceptance of the skeptical position. Quite the reverse."

In her many years of working as a writer and reporter, Randles feels this is the most important case that has ever been brought to her attention. "I'm convinced that this case is NOT a simple misconception. Far from it, in fact. When lies are manufactured to deflect attention from the truth, you know one thing—that truth is important.

"Other concepts that I have worked through in some detail were stimulated by clues, leads and suggestions from others as I tried to piece the jigsaw puzzle together. They ranged from the fascinating (a time travel expedition with a desperate purpose) to the mildly absurd (that a secret society adept at thought control had trained themselves

to create UFOs through psychic ceremonies and were testing out the U.S. government in a prelude to taking over the world!).

"Odd ideas can help eke out the facts from this amazing case. But overall, we are left with just one outcome from all the years of hard graft and pandering. What took place DEFINITELY involved UFOs. They arrived in the forest, flew around under control and left again. They were tracked on radar, witnessed by many people from both inside and outside the forest and at several different angles. Some of their flights were recorded live on tape. There was physical damage to the woods, radiation levels in excess of those created locally by the Chernobyl disaster, and which worried much of northern Europe, and samples and photographs WERE taken of these by the U.S. Air Force. There was animal disturbance. There was much more. Taken together this case provides evidence of vital importance to our knowledge of the UFO subject. It is one of the most impressive single UFO events in history. It is also much more than that.

"It is time the full story was told."

With this in mind, Inner Light Publications has successfully negotiated and been able to obtain exclusive World Rights to **FROM OUT OF THE BLUE—THE INCREDIBLE UFO COVER-UP AT BENTWATERS AIR FORCE BASE.**

"The book is presented in four sections, in part one I tell the astonishing story of the four days that rocked the U.S. Force Force. It may even have come close to jeopardizing the special relationship between the British and American governments. Parts of the story are dramatized, but all is based upon real testimony. The notes at the end of this section fully explain the background to what is printed there."

After this, Jenny discusses the evidence which exists to support this story. "In no other case, excluding perhaps the alleged UFO crash at Roswell, New Mexico in July, 1947, have so many people spent so much time chasing so many leads and securing so much corroborative material about a weird close encounter. The difference here is that this event did not take place half a century ago in a remote desert region. It happened in the 1980s, amidst one of the most densely populated

countries on earth.

"Part three analyzes the story and provides a breathtaking review of commentary on the incident. No other modern UFO episode has generated debate by Ministers of Defense, questions in Britain's Houses of Parliament, investigations by U.S. senators, front page banner headline stories around the world and guidelines to U.S. servicemen on what to tell the press—these naturally covered up until revealed by the Freedom of Information Act.

"Finally, the book tackles the most difficult question of them all—what really happened beside Bentwaters Air Force Base? All the inadequate theories are considered and dismissed, leaving us with one real option. This was, arguably, the greatest UFO close encounter of modern times."

ALL NEW PROPHECIES THAT WILL CHANGE YOUR LIFE!

IS EARTH DOOMED?

SPACE ALIENS WARN: "NUCLEAR POWER COULD CAUSE ECOLOGICAL DISASTER RESULTING IN THE END OF LIFE ON THIS PLANET!"

Several years ago a West Virginia family man and construction worker had a most amazing experience when he encountered a strange figure standing by a power pole in a field near his home. In a "conversation" that was telepathic in nature, the being—who arrived in a silver ship from the stars—issued a serious warning to all of humankind. He insisted that our scientists have not been making the best use of our natural resources and that atomic power should only be used for peaceful purposes and not for war. He declared that nuclear waste was becoming extremely hazardous and posed a serious threat to our environment even though we might not yet realize the extreme seriousness of the situation.

In his book, *Psychic and UFO Revelations in the Last Days*, Timothy Green Beckley points out that as early as 1950, UFO beings were arriving here on Earth and contacting individuals from various walks of life. These human-in-appearance space beings warned of the potential dangers of nuclear energy, and told of "great changes" to take place in our society as well as the advent of a New Age. These spiritually advanced beings saw greed and corruption as the root of a great deal of evil on our planet and prophesied that the End Times were close at hand. Those who developed the psychic ability to "channel" emphasized that the messages received from their extraterrestrial contacts frequently dealt with such esoteric topics as earth changes, the raising of one's consciousness, healing, crystal energy, the existence of Atlantis, how the pyramids were levitated into place, and the karmic laws that govern the reincarnation of our soul. "Many of the things which the so-called 'Space People' spoke of have become accepted on a widespread level." Beckley notes that the early UFO contactees spoke in terms of "dire warnings" for all of humankind and predicted that many events would take place between the years 1990 and the turn of the century, which would usher in a new "Golden Age" for those living on the planet after some "great disaster" took place.

Here are hundreds of predictions concerning the "changing times" in which we live. Find out the future destiny of Earth, how spaceships will evacuate the "worthy" to a safe new home in space, signs and wonders to look for in the Heavens that indicate the "Last Days" are finally here. The prophecies in this book come from a variety of sources, both scientific and clairvoyant in nature. Hopi, as well as other American Indian revelations are also discussed, as well as the work of Edgar Cayce, Nostradamus, in addition to dozens of psychics, channelers and astrologers.

"Though what they have to say may vary," Beckley says, "it's interesting to note that they just about all say that we are in for 'trouble' in the years and months just ahead, but that in the end humans will survive and live out a life of a virtual Utopia on Earth, where we will also have 'super-human' powers, as well as having established an ongoing relationship with advanced beings from the stars."

ALIENS BROADCAST PROPHECIES FOR EARTH'S FUTURE... EXPERTS PROCLAIM THEM MORE ACCURATE THAN THOSE OF NOSTRADAMUS!

Anyone who is familiar with the famous French clairvoyant Nostradamus can tell you that he is perhaps the most accurate sensitive who has ever lived... on Earth that is!

Hundreds of years before Hitler was even born, Nostradamus described his barbaric attempt to take over Europe and even named him. Nostradamus was also very uncanny in his prophetic visions of the current situation in the Middle East, describing a "madman" who would turn out to be the "Anti-Christ," or the "Beast of Revelations," and who would pit the Arab nations against the rest of the world.

Indeed, with the unrest that is brewing all over the face of our globe today, most of us find ourselves interested in what may transpire in what are generally thought to be the "End Times."

HOPE & SALVATION FROM OUTER SPACE

In the early 1950s, UFOs started to appear in our skies from coast to coast. In particular, there were a number of amazing stories coming out of the California desert involving human-like space beings said to be making face-to-face contact with people of our own planet. There were not scientists or politicians making such claims, but ordinary men and women from all walks of life who became known as "flying saucer contactees." And while the majority of these individuals received a great degree of scorn because of what they professed, much of what they reported regarding these other-worldly visitors has turned out to be quite true. In fact, it was these same UFOonauts or "Space Brothers" who accurately spoke of the "Last Days" and the coming of the "New Age," channeling their messages to those who felt compelled to listen (a handful of open minded "cooks" or "weirdos" in those days).

Among those UFOonauts appearing in physical form, as well as "beaming" down messages of hope and good will, was a space being known as Ashtar, Commander-in-Chief of the Free Federation of Planets. A highly evolved spiritual entity, Ashtar claimed to be orbiting Earth above the Equator in a mother ship several miles long and filled with technically advanced equipment from which he and his crew members could monitor our day-to-day activities, sending down scout craft to buzz our capitols and our large as well as smaller cities.

In particular, Ashtar seemed quite concerned with our war-like activities, our improper use of nuclear energy, bigotry, freedom, and the general fall and decline of civilization. He warned of mighty Earth Changes and devastating events that would change the course of rivers as well as alter history, though he said—if we chose to—we had the potential to survive and become greater beings in our own right.

THE NEW WORLD ORDER

For many years that was little reported UFO activity and Ashtar and the Space Brothers seemingly disappeared from the star-filled heavens.

But—in reality—we were never left alone! For Ashtar's craft were still "up there," though they remained somewhat "silent," for we have reportedly been told that it is not their task to interfere with our development as a planet; that we are pretty much "on our own" to choose the right path, both as individuals and as a collective civilization.

Then several years ago Ashtar reappeared. This time utilizing a New York City businessman as his main spokesperson. To date, the Ashtar Command has broadcast some thirty-two new messages of tremendous importance to the entire world. During these spectacular transmissions, Ashtar told of the unification of Europe and the new openness and freedom to be found in the Soviet Union. Ashtar declared: "We watch and wait for your leaders to make the next move. Your planet is like a giant chessboard to us...We have watched (even more so) since the end of your Second World War the build up of your mighty armies and nuclear weapons, which you claim is for your defense, but there is no defense in the case of nuclear attack. All of the countries on your planet would be affected. And such a war would cause a great confusion and utter chaos throughout the planet."

"Many of your leaders have a sick and evil mentality...We ask your indulgence, as we pass over your missile silos and your military bases, for we are monitoring your activities very closely at this time and are ready

After More Than 20 Years He Breaks His Silence! CLOSE ENCOUNTERS OF CONTACTEE HOWARD MENGER

By Professor G. Cope Schellhorn

Many of the well-publicized early UFO "contactee" stories dealing with physical contact with human-in-appearance aliens, seem today to be without even a modicum of convincing, hard-core data buried within them. They may well be true accounts, but they still fail to convince for several—some would say innumerable—reasons.

Many do have details, but these details seem to contradict a large base of rather consistent, recurring data which has built up over the years. Thus they are immediately suspect. We have to remember that swirling around this consistent, recurring data—and some would say polluting it in the intervening 40 plus years since the earliest accounts began to surface—are hundreds, actually thousands, of people worldwide who have claimed physical contact with all manner and kind of extraterrestrial beings. You name the possibility, somebody somewhere has claimed within those decades to have seen it, talked to it, been loved by it or been abused by it. Once this fact is understood, it is not so difficult to understand the skepticism residing in the heart of many a UFO investigator when

he confronts a new tale of interworldly adventure.

Let's take a look at several of the above-mentioned alleged encounters which made waves of sensation at the time of their occurrence or shortly thereafter.

There is a romantic halo surrounding several of the tales which does not wear well in an age which professes itself to be hard-nosed and ultra realistic, an age which likes its entertainment with magnum-force violence. Howard Menger's account, originally titled *From Outer Space To You*, and Truman Betherum's experiences, related in Gavin Gibbon's *On Board The Flying Saucers*, are both susceptible to charges of mawkish romanticism primarily because each of these men becomes emotionally enthralled with the beautiful physiognomy and fetching personality of their respective female extraterrestrial contact, and neither makes any attempt to conceal his rather sophomoric crush. In *Son of the Sun*, Orfeo Angelucci also indulges in a romantic infatuation with the enlightened space beauties who guide him on a Venusian excursion. If you have already guessed that it was quite

common for many of these early male contactees to fall for their extraterrestrial female hosts, you're quite right. Many did. A comparison of these relationships with, say, Whitley Strieber's more recent relationship with his female "gray" abductor is a revealing turnabout, to say the least. But that's another story.

Actually, Menger's story starts much earlier than most. He first meets his beautiful space visitor sitting "on the rock" in the woods near his home, one day in 1932. The prose becomes, if not purple, some shade of mauve, "an overwhelming wonderment froze me on the spot...a tremendous surge of love and physical attraction...emanated from her to me." It is, however, this kind of writing wedded to sophomoric attitudes of mind which undercut the potential credibility of the material as a whole and make it seem foolish and totally unbelievable for some people.

Menger is told that he will one day meet and marry Marla, a sister of the space visitor but an earthling nevertheless, and that Howard himself will have many future meetings and conversations with extraterrestrial visitors. All these predictions, by the way, come true.

Menger also describes a trip to the moon, moon space potatoes, and electromagnetic experiments he believes he was encouraged to perform. He also offers the reader an interesting array of photographs of flying discs photographed earthside and on the moon, including one shot of a space visitor standing in front of his *vamana*. The photographs are worthy even today of further research. They were given scant serious attention by early UFO investigators as were those of contactee George Adamski, which also deserve a second look.

One of the problems with Menger's work today is that in the past few years he has hedged about the authenticity of some of his material. He has adumbrated that long ago government agents

encouraged him to add new wrinkles to his original material. Remarks such as these have tended to compromise whatever is true in his account. Now Menger seems to be saying that he did observe spacecraft landings and did have conversations with the occupants on several separate occasions, but that the government, at the time his book was being written, encouraged him to add certain details to see what the public reaction would be.

If Howard Menger's story is basically true, if he did agree to add material to the story because of official pressure to do so, it is indeed unfortunate for us all. Not only is this a further indication of government having its finger in the pie, which it so stoutly maintains it does not and never has, it is a good example of how difficult it often is in UFO matters to decide where fact ends and fiction begins. Until Menger is willing to go line for line through his text and show us what is genuine and what is spurious, we will have to reserve any final judgment on the value of the whole or any of its parts. It is worth noting that 32 years after the publication of his book, Howard Menger still maintains in public talks that the core of *From Outer Space to You*, like the core of a good apple, is still sound.

The above is an excerpt from Prof. G. Cope Schellhorn's new book **WHEN MEN ARE GODS**. A special tape cassette of Menger's 60-minute talk before the National UFO Conference held in Miami is available postpaid for \$10 from Inner Light Publications, Box 753, New Brunswick, NJ 08903. Menger's new book **THE HIGH BRIDGE INCIDENT** can be ordered direct from the author for \$20 plus \$3.00 postage/handling at Box 1405, Vero Beach, FL 37960.

NEW UFO-HUMAN EVOLUTION LINK

UFO ETs SHARED THEIR GENES WITH EARLY MAN, SCIENTIFIC EVIDENCE SUGGESTS, ALLOWING MANKIND A WINDOW OF OPPORTUNITY TO EQUAL AND SURPASS THEIR ACCOMPLISHMENTS, says researcher

If you have suspected that mankind's destiny is much greater and glorious than the teachers and preachers of the, "doom, gloom and guilt" school of thinking have lead us to believe—those who have made so many of us doubt our worthiness as human beings—then you will find your feelings confirmed by an honest, bold new book that takes a careful new look at man's history and the promise of his future. **WHEN MEN ARE GODS**, by prof. G. Cope Schellhorn, offers the reader in simple straightforward language a down-to-earth look at the new evidence, both biblical and scientific, that man's potential is much greater than he has generally been taught or even dared dream.

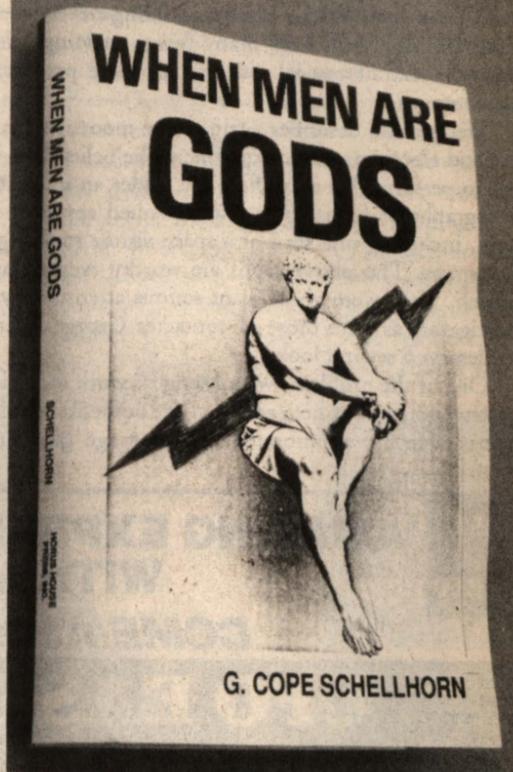

In such chapters as "The Making of Gods," "You are Gods," UFOs and the New Age," "The Revolt of the Masses," "The Education of the Cosmic Quester Amid National Educational Failure," "Apocalypse Now?" and many more, Professor Schellhorn guides the reader in exploring the hidden godliness of man. Here is a book guaranteed to make you feel good for the right reasons.

DISCOVER

- What Jesus Christ meant when he said "You are gods" (Jn 10:34)
- Why some politicians, theologians and businessmen don't want you to set yourself free.
- How man can make himself more godly through the exercise of his will power and right thinking.
- What the riddle "You are god but not God; and yet you have been God from the very beginning" means.
- The needless confusion in some minds between extraterrestrial visitors and demons and devils.
- Why in some ways all of us are ETs.
- Why what Christ and the Bible tells us is virtually the same thing as what our ET visitors are telling us.
- How cosmic law was brought down to man and why it is being ignored today.

LEARN

- Why some ETs known as the "Grays" are abducting people.
- About ancient extraterrestrial genetic experiments on man that are still going on.
- Who the "earthbound-oriented" and the "cosmic-oriented" are.
- About today's "cosmic questers" and the need to become one.
- About the new Greenland and Antarctic scientific ice core evidence of a catastrophic 3,600 year cycle (the periodic return of biblical Wormwood).
- Why "attached loving" of material things and people leads to heartache.
- Why "detached loving" is "the way home."
- Why American education has failed us.

At last...you can see and hear the complete, uncensored and indisputable true story of America's most famous close encounter
UFO CRASH AT ROSWELL

On July 8, 1947, Colonel William Blanchard, commanding officer of the 509th Bomb Group in Roswell, New Mexico, announced to the world they had "captured a flying saucer."

Within hours, Brigadier General Roger M. Ramey, commander of the Eighth Air Force in Fort Worth, Texas, squashed the earlier report, explaining the flying saucer was nothing more than the scattered remains of a "Rawin Target" balloon. Ramey explained the officers of the 509th had been caught in the hysteria of the moment and misidentified the debris.

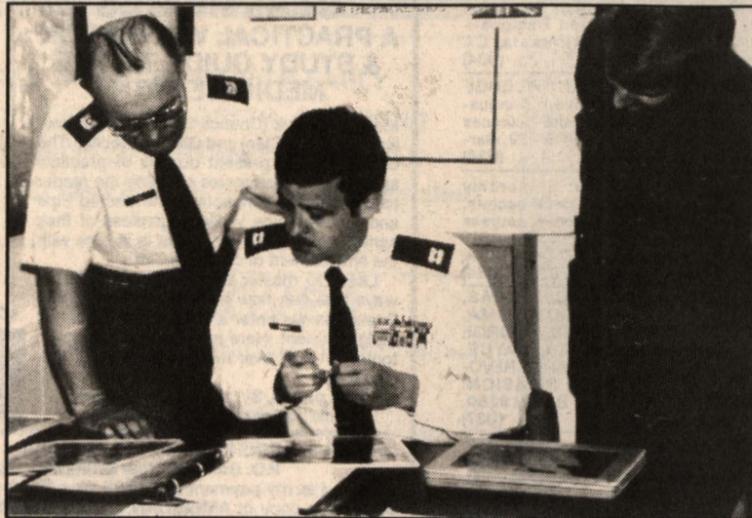

Ramey's explanation was the last the world heard of the Roswell flying saucer until 1978, when Jesse Marcel, a former intelligence officer of the 509th, revealed that he was the man who had picked up the debris. Marcel said, "...I was certain...that it was not a weather balloon, not an aircraft, nor a missile. It was something else of which we didn't know what it was."

Had Jesse Marcel been the only one to come forward, it would have been easy to dismiss his story. But, in fact, Marcel was not alone. In the years following Marcel's announcement, other witnesses have come forward. For example, Army Captain O.W. "Pappy" Henderson said that he'd not only seen the wreckage, but the bodies of the flight crew. A crew that had not been born on Earth.

The intensive investigation that revealed these and other facts took more than two years. The J. Allen Hynek Center for UFO Studies Director of Special Investigations, Donald R. Schmitt, and former Air Force Intelligence Officer Capt. Kevin D. Randle (U.S.A.F.R.) interviewed more than 300 people who were involved in the recovery.

Their exhaustive research took them across the country several times, involved more than 60 separate trips, and hundreds of hours on the telephone and with the tape recorder interviewing the witnesses.

Come see the evidence as offered by the witnesses on video and audio tape, as presented by co-author Capt. Kevin D. Randle (U.S.A.F.R.)

Capt. Randle's credentials include journalism and military intelligence training. A former member of APRO and currently a special investigator for the J. Allen Hynek Center for UFO Studies, he is considered an expert in the field, having written more than 50 magazine articles about UFOs, as well as having recently published **THE OCTOBER SCENARIO** and **THE UFO CASEBOOK**. Randle's involvement in the UFO crash at Roswell is included as part of an episode of NBC's **UNSOLVED MYSTERIES**. He will lecture at the National New Age & Alien Agenda Conference (Airport Holiday Inn, Phoenix) on Saturday evening Sept. 7, followed the next day at 3 PM by an extensive 2 1/2 hour workshop.

REMOVING THE TRAUMA OF UFO ABDUCTIONS

If you or a friend think you might have experienced a UFO encounter or abduction, Sally Mattoon, M.A.M.T. has developed some simple but profound techniques to release buried memories in a safe and natural way. These procedures are done in the waking, conscious state—that is **WITHOUT** hypnosis involved. "There is nothing weird or frightening about me, or my work. Don't suffer with this alone—there is nothing I would consider unbelievable."

Sally has taught and consulted internationally since 1969. Currently, the focus of her work has been in assisting in the healing of those who have experienced some trauma or abuse. Her personal and professional biography is listed in **WHOSE WHO OF AMERICAN WOMEN**.

In her lecture, she will speak about removing the trauma involved with a UFO encounter and will describe her own escapes from life-and-death situations, as well as the cases of those she has worked with. During her workshop those attending will receive valuable techniques that will be useful at home later on and will include the neutralizing of negative energies and entities that interfere with personal balancing; to access memories in a safe and gentle way; to strengthen your state of being and build up your "defense system" for the purpose of preventing any negative UFO experience.

Lecture: Sunday Sept. 8—2 PM session. Workshop: Monday Sept. 9—3 PM.

Their conclusions, reported in their major, new book, **UFO CRASH AT ROSWELL**, is that a craft of extraterrestrial manufacture, crashed into the high desert of New Mexico in 1947. Unlike those who have made similar claims in the past, Schmitt and Randle have taken their report one step farther. They name the names of the participants.

UFO CRASH AT ROSWELL is the first comprehensive examination of the events around Roswell, published in paperback by Avon. This compendium details witnesses, their testimony, documentation, and supporting evidence. This is the first time there is a solid substantiated body of evidence pointing to the fact that not only are we not alone in the universe, but that those other lifeforms had found a way to reach the Earth, but with tragic consequences.

Finally, after reading this important book, or attending our Phoenix program, you are likely to agree—that the flying saucers reported during the late 1940s not only existed, but were extraterrestrial in origin. The evidence is not only overwhelming, but shocking in its potential ramifications.

**SHOCKING PROOF!
ALIEN BEINGS HAVE
ESTABLISHED BASES ON
THE MOON**

Documented evidence now in the hands of researchers prove conclusively that entire underground cities have been constructed beneath the lunar surface.

From the information that has been gathered it is apparent that these bases are under the control of both friendly as well as beings who are hostile toward our world. Channeled sources indicate that there is actually an "all out battle" taking place in space, and that the dark side of the moon is being utilized to cover-up these "star wars-like" confrontations between the Forces of Light and the darkness.

DANGER ON THE MOON asks—and answers—these shocking questions:

- Will space beings prevent us from colonizing the surface of other planets?
- Is there a war going on in our solar system that is being played out very close to the earth?
- When will the Ashtar Command and the Free Federation of Planets take control?
- Why is the U.S. & Soviet governments, as well as the scientific community covering up this data?

EXCLUSIVE PHOTOS BY AMERICAN ASTRONAUTS

For the first time in this country the reader will see amazing photos of alien craft following our astronauts in space. You'll learn about the TOP-SECRET messages and "strange things" that have taken our own astronauts by surprise while walking on the moon. You'll also see never before released pictures of the alien bases themselves, some from government sources.

This is the report they didn't want published...that they were willing to stop at all costs. Now it can be yours at a special price for a limited time only.
