
STRANGE LIGHTS IN THE SKY.

Grime's Autoscope will appear in the Town Hall on Saturday, April 16th, with a brighter and brilliant programme. Strange lights will be seen in the sky at 7 o'clock by the big Autoscope searchlight. Pictures at 8 o'clock sharp.

YOUNG EYESIGHT.—The eminent Sydney opticians, Gibb and Beeman, may be consulted on all cases of defective eyesight at the Albion Hotel on April 30th. This well known firm have the leading optical practice in N.S.W., and are largely recommended by the medical profession. J. W. Beeman, expert and late manager for H. A. Barraclough, has been visiting this town for many years and may be consulted personally. For this visit—spectacles and sight testing 7/6. No other charge. Next visit Saturday, April 30th.
