**DAILY TELEGRAPH SERVICE**

**LONDON, Tuesday.**—The Paris newspaper L'Intransigeant today gives eyewitness' accounts of "huge serpents which are terrorising southern France."

The eyewitnesses told the Marseilles correspondent of the paper that the serpents:

- Were from seven to 10 feet long.
- Weighed from eight to 14 stone.
- Leaped like kangaroos, or flew.
- Had cocks' combs on their heads.
