

"FLYING SAUCER" ROARED LIKE THUNDER !

**OAKLAND (California),
Thurs.:** A "flying saucer,"
"roaring like thunder at over
1000 m.p.h." was reported
here early yesterday.

Three control tower officers
who followed its course with
binoculars, said that a disc-
shaped object dived five
times over Hamilton air force
base.

It approached at alti-
tudes of between 2000 and
5000 feet, shooting blue flame.

Corporal Roger Pryor com-
mented: "At first I thought
it was a falling star. It did
not fall. It kept going."
