

## **"FLYING SAUCER"**

**AT OAKLAND, CALIFORNIA.**

OAKLAND (California), June 21 (A.A.P.).—A "flying saucer," roaring like thunder at over 1000 miles an hour, was reported early to-day. Three control tower officers said that a disc-shaped object dived five times over Hamilton Air Force base. It approached at altitudes of between 2500 and 5000 feet, shooting blue flames.

The men said that they followed the disc's course with binoculars.

Corporal Roger Pryor commented: "At first I thought it was a falling star, but it did not fall. It kept on going."
