

NEW FLYING SAUCER

"1000 MILES AN HOUR"

OAKLAND (C.H.F.). Thursday. A "Flying Saucer", roaring like thunder at over 1000 m.p.h., was reported here early yesterday.

Three control tower officers who followed its course with binoculars said that a disc-shaped object dived five times over Hamilton Air Force Base. It approached at altitudes between 2000 and 5000 feet, shooting blue flame.

Corporal Roger Pryor commented "At first I thought it was a falling star. But it didn't fall. It kept going."
