
Flying Saucer Reported

A Strange Sight in Tasmania

FARMER'S STORY

Launceston, June 29.

The latest report of a flying saucer has come from northern Tasmania. Mr. Jacobs, who is a farmer and mail contractor of Ringarooma, said that he and his wife saw a bright object in the western sky moving to the south. Mrs. Jacobs stated it was throwing off red, blue and green flashes and was visible for about fifteen minutes.
