

Senior Troop's Yacht To Compete In Race

THE 10th Hobart Senior Troop and G. Oldham will take part in their first pennant races of the Bellerive Yacht Club tomorrow with Flica and Flying Saucer respectively.

FLYING SAUCER was built last season and Flica was bought by the troop.

The races will be in the Fergusson and Bellerive dinghy classes.

An entrant will be Firefly, which has been bought by B. Chapman, who sailed Frolic last season.

In the Bellerive dinghies, the Spray, the second Jubilee class yacht to join the fleet, is expected to start, and some keen competition should be witnessed between the

two Jubilees and the 18-footers, Mauwai, Jenny, and Jennette.

Another boat to join the class is Camilla.
