

U.S. finds 'saucers' a problem

The U.S. Government ordered an official investigation of the hundreds of reports of strange sky apparitions, referred to generally as "Flying Saucers," seen over the States.

Their report said that there

Their report said that there were unidentified air objects about, which "could not be attributed to any known source."

What is the mystery of these extraordinary sky ships? Are they out of this world? Is another world watching us?

Gerald Heard, a noted British science writer, was commissioned to go thoroughly into the matter

His report, based on facts, is one of the most remarkable documents ever written.
