

STRANGE LIGHT

—:o:—

Two Dungog ladies, Mesdames S. Hudson, Eloiza Street, and D. J. Neilson, Abelard Street, saw a strange light in the sky last Wednesday night at 7.30 p.m.

Mrs. Hudson and Mrs. Neilson were talking in the former's garden when they saw a peculiar bright light which shone from north to south. The light appeared for a few seconds between Abelard and Lord Streets.
