

Town Reports A "Flying Saucer"

MARYBOROUGH. Wednesday
—Residents to-night watched a
"flying saucer" make a wide sweep
over the district about 8 o'clock.

A bright blue object was seen
travelling north at high speed. It
returned at low level, approaching
the river mouth.

The object moved almost perpen-
dicularly to an estimated height of
8000 feet.

The President of Maryborough
sub-branch of the R.S.L. (Mr. S.
Bryant Smith) estimated the speed
at 400 to 500 miles an hour.
