FLYING SAUCER SEEN NEAR MILDURA

MILDURA, Sunday
Something which looked like a "flying saucer" was seen high in the sky today from a point on the Murray River between Nangiloc and Colignan, upstream from Mildura.

Witnesses were two Red Cliffs men, Dr. T. L. Barker and Mr J. H. Cumper, who were on a fishing trip. Dr. Barker said tonight that at 2.15 p.m. he saw a small whitish object travelling swiftly north. He and Mr Cumper watched it for about a minute until it disappeared behind trees on the other side of the river.
