

Flying Saucer Seen At Latrobe

Mrs. J. A. Lovell, of Bridgewater claims to have seen a flying saucer at Latrobe about 4 p.m. on Tuesday.

Mrs. Lovell, who, with her husband, Sgt. J. A. Lovell, was holidaying with Mrs. G. Young, of Latrobe, when her attention was drawn by her six-year-old son to a strange object travelling low and at a high speed in the direction of Railton.

Mrs. Lovell said the object, which made no noise, was oval-shaped with a black bottom and appeared to have a silver edge.
