

"Saucers" not secret weapons

CANBERRA, Tuesday. — Secret weapons which might have inspired flying saucer reports were not being tested by the Commonwealth Scientific and Industrial Research Organisation, the Minister in charge of the organisation (Mr. Casey) said to-day.

Mr. Casey said that the "saucers" could have been high-flying aircraft, meteors, or meteorological balloons.

Near Murwillumbah

MURWILLUMBAH, Tuesday.—A silent, very bright object flew over Mount Burrell, 20 miles south of here, at great speed last night, Mrs. Bill Grant claimed to-day.
