

## **"Saucer" Report In Mexico**

**MEXICO CITY, Aug. 28.**

Two Presidential aides early today reported what they thought to be a flying saucer hovering over the outskirts of the city for about two hours.

The aides—Senors Abel Pavia Gonzalez and Arturo Ortiz Mugica—said that the object threw off light of a "brilliant intensity," until it finally disappeared into the north-east.

**NEW YORK, Aug. 28.—**

The Secretary of the Army (Mr. Frank Page) said last night he thought that flying saucers were "products of the imagination."—AAP.
