

# ***Did they see A "Saucer" Last Night***

**SYDNEY.**—Two young women and a man said they saw a flying saucer over Sydney last night.

All three claimed they saw the saucer travelling over the city in a southerly direction.

Miss Joan Harrison 21 of Epping said:

## **"LONG OVAL THING"**

"It was a long oval thing, sort of flat, and had a glow about it.

"It made no noise, and passed over in a southerly direction just before 10 o'clock."

Miss Marlene Johnson, 19, of Rose Bay, gave a similar account.

Herbert Barker, of Elizabeth Bay, said he saw an oval shape with a yellow glow while he was driving a car. He added that he watched it fly seawards.
