

Three People Saw "Flying Saucer" In Sydney Last Night

SYDNEY, Monday: Two young women and a man said they saw a flying saucer over Sydney last night.

All three claimed they saw the saucer travelling over the city in a southerly direction.

Miss Joan Harrison (21), of Epping, said: "It was a long oval thing, sort of flat and had a glow about it.

"It made no noise and passed over in a southerly direction just before 10 o'clock.

Miss Marlene Johnson (19), of Rose Bay, gave a similar account.

Herbert Barker, of Elizabeth Bay, said he saw an oval shape with a yellow glow while driving a car. He said he watched it fly seawards.
